C. Pledge of Allegiance

Dr. Lowry led Board members, invited guests, and meeting attendees in the Pledge of Allegiance to the United States of America.

D. Public Comments

Dr. Lowry read the following public comments received via email:

Parent Vanessa Cox - Is in favor of ending mask mandate with no more delay since the State, City, and the LAUSD have ended the indoor mask mandate.

Teacher Melissa Gregorio - Expressed concern about lifting mask mandate, given that she has seen headlines regarding warnings of additional COVID-19 waves/surges.

Implored Board to follow LAUSD's lead and maintain weekly COVID-19 testing program until the end of the school year if the the Board lifts the indoor mask mandate.

Parent Lisa Doerr - Appealed to the Board to do the "right thing" and lift the mask mandate.

Parent Neta Markusfeld - Appealed to the Board to lift the indoor mask mandate to give students and parents the choice themselves of removing or wearing their masks and live a normal life without "ridiculous mandates."

Parent Rachel Ramirez - Requests the Board to end the Mask Mandate at ECR to "allow our students to get back to a normal high school experience." Also asks that "teachers and staff be instructed to NOT make students feel like immoral people for unmasking.

Parent shared that her daughter had been made to feel uncomfortable when an alleged "very outspoken, pro-mask teacher had students raise their hands" so she could learn which students were planning to "take their masks off." Parent noted that her daughter did not raise her hand because she was afraid of repercussions for "thinking differently than her teacher."

Dean of Students Barbara Stanoff - Shared concerns about daily need to remind students to wear their face masks, noting that the past few days have been especially difficult.

Also shared concerns about coming to school daily with students who are not vaccinated, meet with parents who are not vaccinated, while the board refuses to have in-person meetings.

Meeting Attendees verbally shared the following public comments during the meeting:

Student Aidan I. - Expressed desire that Board vote to end the mask mandate; noted that masks are no longer necessary; cited Ed. Code 66252 to note people's right to participate in school "free from discrimination and harassment."

Parent C. Velasco - Expressed her desire for the Board vote to end the mask mandate; cited LAUSD Superintendent's explanation for ending LAUSD's mask mandate, and noted that the COVID vaccination did not prevent COVID.

E. Farley - Agree with previous speaker(s) to allow mask choice and asked board to end the mask mandate and COVID-19 vaccine mandate. Noted concerns about discrimination and infringement against "medical freedom." Noted "where there is risk, there must be choice."

Elyana Nadres - spoke in favor of Board ending mask mandate, stating it "should be a choice" and that there is no reason why it should continue."

Michael Aronis - Stated his agreement with previous speakers, noting that COVID enhanced anxiety.

Student N. Velasco - Spoke against mask mandate.

Parent S. Cohen - Spoke against mask mandate, and expressed a desire that ECR align with State, County to unmask. Cited a traumatic experience as a child with a game wherein children were afraid to participate while at the same time they were afraid not to participate/conform to the rules. She drew that analogy to how kids might feel in response to the potential removal of the mask mandate.

Teacher Eleanor Green - Spoke in favor of continuing of mask mandate indoors. Cited her views in that "choice is inadequate" in that individuals' choices impact other people. Cited her view that "privileged" will benefit more favorably from ending the mask mandate than the "oppressed." Urges weekly testing be continued.

Student Leia Frederick - spoke in favor of continuing the mask mandate. Omicron variant is present; now isn't the time to end the indoor mask mandate and kids aren't complaining about wearing masks.

AFSCME Update

No AFSCME update was provided.

G. UTLA Update

Kyna Collins provided the UTLA update, with highlights as follow:

- * Welcomed Mr. Sokovits to the ECRA Board and praised his education/teaching background.
- * UTLA has spoken with individual Board members in the hopes of building collaboration and communication.
- * Ms. Collins and Mr. Monroy have been selected to serve as UTLA Chair and Co-chair for the 2022-2023 academic years.
- * UTLA appreciates the benefits of virtual board meetings, but wants ECRA Board to meet in person to look at the faces of its stakeholders. Thanked Mr. Kofahl and Mrs. Malconian for voting to return to in-person board meetings. Noted that if teachers can turn on a camera in their classrooms, Board can do the same while meeting in person. Noted that while Board members are volunteers, they chose to serve.
- * ECR UTLA Survey conducted Wednesday, March 2nd, 2022, regarding input in anticipation of indoor mask mandate vote. Roughly 42% not in favor of mask mandate; 33% in favor of mask mandate; 25% doesn't matter.
- * Expressed support for Board Agenda Item 5.D., to support LBGTQ+ resolution to recognize the month of June as Pride Month. Referenced annual Conference in October 28-30, and recognized contributions by H. Maury (Safe Space Classrooms) and J. Wasser (Working with GSA student leadership) at the site level.
- * UTLA will resume bargaining toward the end of May (2022) on teacher performance evaluations.
- * Argued that UTLA should be engaged by ECRA with regard to capitalization projects "Ad Hoc" Committee meeting. Stated that by now there should be a master plan in place and more broad sharing of information about projects from LAUSD, the committee, and ECR Business Office. Wants to know plans, priorities, timetables, and to be able to provide input on these items. Expressed pleasure with cash position, but concerned about PPP loan forgiveness funds being moved into an unrestricted account. Wants UTLA to have a say in how funds are spent beyond monthly, public board meetings, which she claims are "not enough." Stated UTLA needs fewer elusive updates and more direct engagement at the site level.

* Cited a big concern with how ECRA intends to retain educators and education support professionals. Stated educators are working harder than ever and cited a February 2022 NEA poll wherein 55% of educators polled for the survey indicated that they are thinking of leaving the profession earlier than they had planned. Stated in August 2021, that number was 37%. Stated there are growing concerns about keeping our educators. Cited staff shortages across the country and noted that fewer people are entering the profession. Asked rhetorically "What are we doing now to be proactive?" Board President Wright thanked Ms. Collins for her report, congratulated her on her re-selection as UTLA chair, and informed her and others that the ECRA Board will determine when and how it will convene its monthly board meetings.

He subsequently asked Dr. Lowry to revisit the AB 361 Vote so Mr. Wright could change his earlier vote from "abstain" to "Yes."

Dr. Lowry noted that to do so requires a Board Motion, which subsequently was provided.

For information on the official AB 361 Vote, please see information documented under Agenda Item 1. E..
