## **B. Review of March 2022 Check Registers**

Mr. Wood, CBO, reviewed the March Check registers from the General Account, ASB, Trust, etc.

Mrs. Malconian asked Mr. Wood if a check is written from the Trust account, it would say "Trust," whereas if it doesn't say "Trust," it comes from the General Account. Mr. Wood, replied, in general, "yes."

Mr. Hussey noted that Check 1826 would be an appropriate "Trust" account item and should thus be noted as a Trust item on the check.

Mr. Wood replied that he will consider creating a separate column or other way to differentiate from where a check is coming, whether it is the general fund, ASB, or Trust account.

Alexandra Ramirez made a motion to recommend approval of the March 2022 check registers to the full Board.

Danielle Malconian seconded the motion.

The committee **VOTED** unanimously to approve the motion.

### **D. CARES Budgets Discussion**

Mr. Wood presented the CARES funding and spending update through March 31, 2022.

Each column represents a different categorical fund and with different spending deadlines; including budgeted amounts, amount spent, and any balance at 3/31/22.

Mr. Wood noted that his focus is to ensure that there is no unspent money in each account by their respective spending due dates.

Mrs. Malconian asked if the Committee will see additional details on spending, to which Mr. Wood replied, "Yes."

### **E. Discussion and Vote on Reallocation of Extended Learning Options (ELO) Budget**

This item was tabled and may be addressed at a future meeting if/as needed.

## **V. School Business**

### **A. Discussion and Vote on Buy Out of Leased Student Laptops**

Mr. Wood, Mr. Delgado, and Mr. Hussey presented this information, with highlights as follows:

\* Mr. Wood asks for F & I Committee's recommendation and eventual vote at the Regular Board Meeting on how we will close out Student laptop leases.

\* Chromebooks are learning loss eligible expenses.

\* Summary of the issue provided, as follows:

Tech. and business departments have closely with Techlease (leasing partner) to obtain a competitive lease buyout quote with favorable terms, while assuring a cost-effective proposal. The FMV (Fair Market Value) was negotiated to \$48 for all outstanding leased

devices. Pre-negotiated FMV for the 2019-20 and 2020-21 were \$129 and \$112, respectively. This proposal also includes savings of \$4902.21 on interest expense.

Based on ECR's cost analysis, projections of our remaining lease payments, and factoring the audit cost (charges derived from lease returns averaging \$50,000 per/yer.).

ECRHS will save approximately %58,663.40 if early buyout is exercised. The funding source will not encumber the general fund budget as ECRCHS will be using categorical funding (e.g., ESSER, CARES, etc., to cover the amount).

This will also allow ECRCHS to offer a student "buy-back" option, which will allow students to purchase their devices for a marginal cost.

Mr. Hussey noted that with ECR buying out the leases, ECR can offer students and families an option to purchase a device for approximately \$20, and ECR can then recoup some of the buyout cost.

CARES and ECF funding also available to support our position in favor of buyout of laptops, including projected future savings from the general fund.

Mr. Wood said this buyout is highly recommended.

Ms. Malconian asked if Seniors' devices are provided to incoming freshmen, and Mr. Wood, Mr. Hussey, and Mr. Delgado replied "no." Mr. Hussey added that a new batch of devices is purchased each year for the incoming class of freshmen. Mr. Delgado added that we receive a discounted interest rate on the purchase of freshmen devices.

Ms. Malconian followed up to ask if there is a problem with reselling these devices due to the fact that we'd be using CARES money to buyout the leases. Ms. Malconian noted that it may be sufficient to just give away the devices so that there is no money exchanged. Mr. Delgado noted that he will follow-up on that question to ensure what ECR is able to do and what, if any, restrictions may apply.

Danielle Malconian made a motion to recommend to the full Board that ECR exercises the option to obtain a competitive early lease buyout for leased student laptops.

Alexandra Ramirez seconded the motion.

The committee **VOTED** unanimously to approve the motion.

## **B. Average Daily Attendance (ADA) Update**

Mr. Wood reviewed month 8 of attendance and P2 attendance report, with highlights, as follow:

- \* Month 8 ADA 8 is \$3264.58;
- \* Budgeted amount was \$3427.60;
- \* We are currently at \$163.02 below current budgeted ADA.

YTD ADA% = 92.4%

Prior year ADA% = 96.6% (non-pandemic)

Enrollment Down, plus ADA down (pandemic-related)

Ms. Malconian noted that the Independent Study ADA improved a lot this year, and Mr. Hussey noted that that is typical and that many parents haven't wanted their students to return to on-campus learning just yet.

Ms. Lopez-Vargas noted that the increase isn't in Independent Study enrollment so much as it reflects an increase in Independent Study YTD ADA%.

She also asked why there is no number listed for Month 8 Independent Study ADA, to which Mr. Wood replied that he did not have the number at the time he drafted the report and he will back-fill the number in his next report.

Ms. Lopez-Vargas asked on what date is the month 8 cut-off, and Mr. Wood noted that it was April 8th, due to Spring break being the week of April 11-15.

#### **C. Discussion on 2020-2021 Tax Return (Form 990)**

Mr. Wood reviewed reporting of data on the tax return from Christy White & Associates, with highlights as follows:

- \* Requirement by IRS
- \* Page 6 Question 11a - Has an obligation = Yes, provided, and will be presented, too, at the next Board meeting. Not a voting item, but must present to governing board prior to May 15th filing deadline; annual filing.
- \* Mr. Wood reviewed compensation of directors, officers, trustees,
- \* Mr. Wood reviewed Independent Contractors (largest vendors), description of services, and compensation.
- \* Mr. Wood noted that the full Board will receive this information.

#### **D. 2022-2023 Budget Updates**

Mr. Wood reviewed this year's new process for departmental budget requests.

We've received textbook and instructional materials accounts, noting differences in department needs and timelines;

\* We're going to try to standardize some of this process due to anticipated differences in department needs and varying degrees of understanding.

\* Requests are coming in between now and the next Finance and Investment Committee meeting to show department requests and administration's review and recommendations of Department requests.

#### **E. Discussion on Cafeteria Financial Summary and RFP Process Updates**

Mr. Wood reviewed the financial summary for the Cafeteria, with highlights as follows:

\* We show our free and reduced - for march 1251.

\* We continue to grow our participation rates, as noted in March 2022 with 1911 meals served per day

\*Chartwells has hired more people in response to growth/participation; looking at our serving lines to increase efficiency.

\* A challenge that we are working to improve.

\* March Revenue - \$183,548; reflects our continued growth and participation.

\* March Expenses - \$156,820; reflects Food and Labor Costs, plus commodities that come in.

\* Net Gain/Revenue in March of \$27,232.

\* Net Gain/YTD Revenue is \$134,314.

\* We have a lot of upgrades to be made and the revenue will help us make important upgrades to equipment and related efficiencies.

#### **RFP Process and Bidding:**

20 students, staff, and 1 Board Member, Ms. Malconian),

Ms. Malconian participated in part of of the on campus RFP process with vendors.

Three organizations were interested in participating in the bid process. Each provided several food options for students and staff to sample and rate/rank.

Financial proposals from each bidding vendor will follow later.

Ratings/Rankings and recommendations to the Full Board in May will come from the students, staff, and board member who participated in the food tasting and ranking process/opportunity.

By the next Finance and Investment Committee, we'll make a recommendation to then be voted on by the full board in May. If any change, we need to give advance notice.

Ms. Malconian asked if the \$170,000 in projected income/revenue needs to be spent by a proposed date, to which Mr. Wood replied, "No." Funds cannot be comingled, but no spending deadline. We'll continue to track.

Ms. Malconian asked if we're predicting the same amount of revenue, to which Mr. Wood stated that he is not certain that there will be a change, but when the Budget's May Revise comes in, we'll know, but we'll continue to budget as if the free and reduced price meals (universal) will remain in effect for all students for all meal periods.

Ms. Malconian noted that she enjoyed participating in the process and looks forward to the proposals.

## **VI. Closing Items**

### **A. Adjourn Meeting**

Alexandra Ramirez made a motion to adjourn the meeting.
