### **IV. Finance**

#### **A. May 2022 Financial Update**

Mr. Wood, CBO, and Mr. Arndt, of ICON School Management, provided the May 2022 investment update, with highlights as follows:

Mr. Arndt's presentation:

Balance Sheet slide:

- Cash has increased approximately 14% due to 20- 21 One-Time Funds, PPP Loan, and 20-21 Deferral Payments
- State overpaid with Deferrals and will reduce cash for 21-22 LCFF (\$2M)
- LT-Debt decreased due to FMV adjustment to OPEB Accounts as well as PPP Loan being forgiven.
- Restricted Net Position:
  - Lottery - \$233,711
  - ELO - \$733,967
  - ELO PP - \$239,972

#### Cash Analysis Slide:

- \* Recommend 3 months of cash on hand; we've got 186 Days of Cash on Hand
- \* Chart on Right side of slide: Cash started back on June 30th, 2021, balance of approx. \$25M and dropped to approx. \$15M in July because we cashed out of our old investments.
- \* Chart on Left shows all cash positions

#### Profit & Loss Summary Slide:

- \* Shows Revenues and Expenses comparisons between Adopted budget, 1st Interim Budget, 2nd Interim Budget (most current position), and YTD and Prior YTD (PYTD) comparisons.
- \* Reviewed Net income (Loss) and Net Income Before Fair Market Value Adjustment positions between each budget.

Ms. Malconian asked Mr. Arndt if he sees the account ending nearer the 2nd Interim Budget or at the YTD position (a net loss/deficit), and Mr. Arndt replied that he would like to look at the financials to the budget and he'll answer that question at the point in the presentation.

#### Profit and Loss (YTD) Slide:

- \* Revenues down about 14.50% and Expenditures up about 19.25%
- 21-22 Tuition Revenue has increased causing Local Revenues to be higher than prior FY.
- In-Person Instruction and Sport Activities will incur additional expenses with the re-opening of School
- Additional CARES Related expenses for 21-22 will also increase expenses.
- 2% Off-Schedule Payroll Stipends paid May '22
- Employee Benefits decrease due to STRS Refund in December for EE/ER contributions made in prior year for DBS Earnings.

#### Budget Comparison (YTD) Slide:

Mr. Wood noted that this slide will answer Ms. Malconian's earlier question during P&L Summary Slide Presentation.

\* Expecting 4th Quarter EPA of \$2.7M plus additional LCFF Funding

- Lottery Amounts went from \$150 – Unrestricted / \$49 – Restricted to \$163 – Unrestricted / \$65 – Restricted (more revenue)
- SPED Rates are projected to increase from the \$689 – State/ \$267 – Federal (more revenue)
- Lower Enrollment/ADA from 21-22 Adopted Budget (approx. 152 ADA/\$1.6M less).

\* Based on current 80% of expected revenue received and based on approximately 92% of Expenditures, Mr. Arndt believes we will come close to our 2nd Interim Budget Projected Net Income position and not end the year June 30th in a negative position.

Mr. Wood noted an expected EPA \$2.7M and additional LCFF Funding.

Ms. Malconian asked if there are \$4M in expenses left, to which Mr. Wood replied in the affirmative, noting it is approximately 11/12 of the expected expenditures. Noted salaries and benefits and books and supplies, some of which are eligible for categorical funding.

June 30th, 2022, is end of fiscal year and in August, 2022, the organization will be preparing the unaudited actual budget numbers.

#### Department Budgets (4000s) Slide:

Textbooks and Instructional Materials in certain departments will continue to be monitored due to the need of purchasing more materials in order to continue higher educational standards.

- Board has approved 22-23 Budget allocations for Textbooks and IMA in May 2022. Department by department.

We've got expenditures of roughly \$245K in Textbooks and Core Curricula Materials, and \$353K in IMA and Supplies.

\* We conducted an extensive departmental budgets based on requests and actuals; we will be data-driven going into next year.

Ms. Malconian noted that these two categories need to be funded, to which Mr. Wood and

Mr. Hussey agreed, noting that this process will be able to look at what departments really need.

Mr. Wood noted that we have the budget updates for 2022-2023 and we'll review the budget update later in this meeting.

#### Other Matters Slide:

\* Detailed Budget updates for 2022-2023 will be presented separately to the Finance Committee and Charter Board.

• Preliminary OPEB information being finalized with the Actuary in June 2022.

\* Mr. Wood noted that the final pages include detailed budget account information and comparative financial information.

ASB Account Review:

\* Mr. Wood reviewed the ASB Trust Balances document with highlights as follow:

\* Total Trust Accounts \$486,420.90

\* ASB Revenue through 5/31/22 = \$87,053.29

\* ASB Expense through 5/31/22 = \$47,741.30

Net unrestricted ASB = \$39,311.99

Total as of 5/31/22 = \$525,732.89

Total end bank balance = \$525,732.89

Ms. Malconian asked if those sports programs that have a large trust balance are saving up for a large purchase or if they prefer to maintain a large balance, to which Mr. Wood replied that some programs have larger balances than others, and some of these sports teams may have a banquet, spend money on the field, and tournaments (baseball), and drama has outside consultants, etc.

Ms. Malconian asked that we keep in mind those teams that maintain a high balance while continuing to ask parents to raise funds.

Dr. Lowry noted, too, that the trust accounts funds are considered "carryover" funds, so residual balances from previous years carryover year to year.

Mr. Hussey noted, too, that money raised should be spent within four years such that the students receive the benefit of the fundraising within their high school careers.
