**D. Update: Highlander K-8 STEM School**

Marshall explained the plan of the financial benefit that Highlander would bring to ECR. Melanie Horton informed the Board that instead of the LAUSD Board voting to approve ECR's Charter petition for the Highlander site, at the last minute LAUSD Board member Scott Schmerelson (who represents our area) proposed a magnet for performing arts, grades 6th - 14th working with Hale Middle School and Pierce College at Highlander. Instead on voting on the Charter petition, the LAUSD Board asked Mr. Schmerelson to provide a more detailed plan and a budget at their next Board meeting.

Marshall warned the Board of the challenges to ECR's budget going forward. **H. Update: Net Reserve Target**

Marshall stated that we have a Net Reserve to fund future liabilities, such as Retiree benefits (estimated at \$46.6 MM), improve facilities, increasing health care costs and ECR needs to put funds aside to cover such liabilities.

**I. Update: Fiscal Transition**

Marshall stated that LAUSD is requiring changes in our fiscal procedures. ECR's new ERP system is still being tweaked which will add layers of accountability to protect ECR and ECR employees.
