One member of the public, Mr. Daniel Osztreicher, made a public comment, summarized as follows:

* Mr. Osztreicher noted that he had had difficulty locating the Board Packet for the F&I Committee Meeting.

* Mr. Osztreicher inquired about the possibility of coding all expenses.

NOTE: Packets are posted on the website under "ECR Board" Tab, "Board Materials" tab for Regular and Special Board Meetings and under "Standing Committees" tab for Standing Committees such as today's Finance & Investment Committee Meeting.

NOTE: Packets are posted as soon as practicably possible after all appropriate attachments have been received by Dr. Lowry.

NOTE: Later in the meeting during the review of check registers, credit card statements, financial reports, there was discussion about the business office continuing to look for ways to organize and present information and reports on adjusted forms. While no specifics were discussed, the committee, along with Mr. Wood, CBO, and Mrs. Ilyas, Director, Accounting and Finance, acknowledged the need to continue to look for ways to present financial information.

E. Chief Business Officer (CBO) Updates

Mr. Wood, CBO, provided his CBO Update, with highlights summarized as follows:

1. Attendance and enrollment are down about 80 overall students to 3469 after our first month, from 3550 expected and budgeted coming into 2022-2023; attendance and enrollment are critical in terms of our overall funding; Freshmen and Seniors are holding steady as compared with last year, while 10th and 11th grades are below expectations (approximately 40 in each of those grades).

2. We "lock in" attendance after the 8th month of school.

3. Three sub-categories of students and their respective enrollment include:

- * Students with Disabilities (SWDs) = 393 enrolled, which is a large population.
- * Alternative Education = 79 enrolled (11th/12th)
- * Independent Study Program = 135 enrolled (room for growth there)

4. Cafeteria is a source of pride; August 2022 average participation is 1874 meals, as compared with a participation rate of 913 meals from August 2021; overall revenues from the past 2021-2022 academic year were approximately \$140,000; this August, alone, we've received \$48K in revenue, which foretells possible great revenues anticipated; any revenues need to be reinvested in the cafeteria (decor, materials, equipment, staff, etc.); two staff members may be hired and a change in cafeteria management has already occurred; Ms. Malconian asked Mr. Wood if the breakfast or lunch carts are in use, to which Mr. Wood replied in the affirmative, that 1-2 a la carte items are provided on carts, once during the morning with possible expansion to two carts in the morning, and one cart during lunch selling primarily pizzas and other a la carte items; very excited about the bottom line and getting the kids excited about the menu, etc.

5. Mr. Wood noted that ECRCHS is looking into a new payment system for paying Athletics-related expenses; (games, referees, etc.) Arbiter System; concern is about extra work or the business office due to the automated system; the emphasis is on accountability and accuracy;

D. Review and Vote to Recommend to the Full Board the Approval of the 2021-2022 Unaudited Actuals Budget(s).

Danielle Malconian made a motion to recommend to the Full Board the approval of the 2021-2022 Unaudited Actuals Financial Reports.

Alexandra Ramirez seconded the motion.

Prior to the vote, Mr. Wood, CBO, and Ms. Ilyas, Director, Accounting and Finance, reviewed the 2021-2022 Unaudited Actuals Financial Reports, with highlights as follows:

* estimated where we thought we'd land for year end and the form that we submit to the State based on unaudited actuals.

* Significant increase in projected reserves, based on two major occurrences:

1. Actuarial favorable review which reduced OPEB liability rate (see lines on report 3701 and 3702). OPEB expense had been projected to be \$3M. We had negative expenses, coupled with investment downturn, reflecting losses that need to be reported. (See line 8662).

2. Report is due December 15th; auditors' deadline to receive report;

3. Mr. Wood and Ms. Ilyas reviewed Form 62; standard form that summarizes types of forms; State requires this form which provides a top level look at where the school ended up as of June 30th, 2022, and then compares the actuals; this form will need to be approved next week.

Also prior to the final vote to recommend, Mr. Wood and Ms. Ilyas confirmed that the proper nomenclature for this item should be "...2021-2022 Unaudited Actuals Financial Reports" and not "...Budget(s)."

Accordingly, the motion was reworded and then the vote was held.
The board **VOTED** to approve the motion.

E. Review and Vote to Recommend to the Full Board the Approval of the 2022-2023 ECRCHS Consolidated Application for Federal Funding

Alexandra Ramirez made a motion to recommend to the Full Board the Approval of the 2022-2023 ECRCHS Consolidated Application for Federal Funding.

Danielle Malconian seconded the motion.

Prior to the vote, Mr. Wood, CBO, and Ms. Ilyas, Director, Acct. and Finance, provided a review of the Consolidated Application, with highlights as follow:

1. Reporting information and Funding assurances on our part to follow the funding guidelines;
 2. Our Yes or No responses on Titles 1, 2, 3, 4; We have Yeses on all except our Title III Immigrant population; we do not seek federal funds for this categorical demographic due to not having a significant (eligible) number of students in this demographic category.
 3. Title III English Learners - we reported having 64 students who are currently classified as English Learners (EL); we are thus eligible for \$8,006 in federal Title III funding. We partner(ed) with another school and will likely partner with Palisades CHS again to receive the full amount of \$10K and we'd then share the funding.
 4. 2022–23 LCAP Federal Addendum Certification - in order to receive initial funding, the school must have an LCAP and ConApp; this certifies that we have met the LCAP requirement.
 5. Protected Prayer - Students are allowed to pray within federal guidelines; this page provides certification of such assurance.
- The board **VOTED** to approve the motion.

F. Discussion on ECRCHS Current Fiscal Policies and Procedures

Mr. Wood, CBO, Ms. Ilyas, and Ms. Malconian, led a discussion on ECRCHS Current Fiscal Policies and Procedures, with highlights as follows:

Need new language in some areas of the FPPs:

- * Equity and Clarity needed; reimbursement processes
- * Relationship with back office has changed as we have started to re-acquire some functions;
- * Give stakeholders opportunity to weigh in and provide input ahead of a more detailed next meeting

* Preliminary Areas of need for adjustments include:

* p. 11 - Purchasing Flow Chart - recommended edit to state that anything \$50K that has not already been approved and budgeted already is subject to committee/board approval;

* p. 12 - Reimbursements and Expense Requests - recommended lowered amount limited to \$5K to ensure consistency with other referenced FPPs language; Anything over \$10K would recommend special consideration by Executive Director and CBO.

* p. 17 - Need a formal and clear policy on Field Trips; Travel section; for example: charter buses language needs clarification to determine need based on mileage, numbers of students, etc. Teams and/or others can fund raise and/or use their trust funds. Getting language in the FPPs will make processes easier and accessible.

* P. 22 - Student Awards - Cash or cash equivalent discussion presents an area of concern; need clarity; use of public funds; we need to review and address this language;

Mr. Wood would like for the F&I committee and administration to review the FPPs and specifically, the language in this document.

Ms. Malconian requested examples of when students may have been given cash or cash equivalent awards pursuant to the current FPPs.

Ms. Malconian asked about the Supplies budget to which Mr. Wood and Ms. Ilyas replied that departments have budgets for Instructional Materials. Ms. Malconian asked how much teachers are spending for which they are not being reimbursed, to which Mr. Wood and Ms. Ilyas replied that they are to go through the department chair and the business office. The Business office supports out of pocket expenses for reimbursement as long as purchases are within the respective department budgets and are aligned with allowable purchases from respective supplies and/or IMA budgets.

The Board discussed meals allowances and the need to use funds for meals that are associated with the provision of a purpose such as during Professional Development.

Mrs. Ramirez noted that reimbursements/checks need to be signed off of and approved at the executive level by Mr. Hussey and/or Mr. Wood, with a designated administrator only in the absence of Mr. Hussey and/or Mr. Wood. She noted that administrative directors should not be signing off on these reimbursements.

Mr. Wood again invited stakeholder comments prior to a return to next month's Finance and Investment Committee Meeting.

Mr. Wood noted that this item will be discussed briefly during the Regular Board Meeting and again during the next F&I Committee Meeting.
