##### Gen. Investment Account:

- \* As of end of August 2022, up a little; ended last year at approximately \$5.98M; Now at approximately \$6,006,000 at end of August

Mr. Solkovits asked Mr. Wood what is ECRCHS's total operating budget, to which Mr. Wood replied \$38M for this 2022-2023 year.

Mr. Solkovits asked if we have \$27M in the investment account reserved, to which Mr. Wood replied, "yes," and "those are in a trust and are therefore restricted assets."

Mr. Solkovits asked Mr. Wood if that is typical for the way most charter schools operate, to which Mr. Wood replied "No." Mr. Wood noted that ECRCHS is about the only charter he is aware of that provides an OPEB trust account. He noted that Palisades CHS has one, although smaller in scale.

Mr. Solkovits asked Mr. Wood what is the purpose of the trust, to which Mr. Wood replied, "The OPEB trust was set up for the purpose of setting aside funds to fully fund lifetime health benefits."

## **IV. Finance**

Major two items that changed from Estimated to Unaudited Actuals include:

1. \$4.8M loss in investment account (revenue)

**C. Review and Vote on the 2022-2023 ECRCHS Consolidated Application**

Gregg Solkovits made a motion to approve the 2022-2023 ECRCHS Consolidated Application.

Steven Kofahl seconded the motion.

Prior to the Vote, Mr. Wood, CBO, led a discussion on the 2022-2023 Consolidated Application.

- \* twice a year we need to submit to the State
- \* Supports application for federal funding revenue
- \* Assurances/Signatures
- \* Request Title I (\$375K)
- \* Request Title II (\$76K)

- \* Request Title III (\$8K) (EL population) - must form a consortium with another charter high school to reach at least 10K minimum (have partnered with Palisades CHS in the past);
- \* Did not request Title III Immigrant student funding due to low number of immigrant students
- \* Requested Title IV Student School Support (\$30K)

Ms. Kofahl asked whether or not the half of our students who come to us from all over the district and not the immediate resident attendance boundary bring in a lot of categorical monies related to EL and/or immigrant eligibility.

Mr. Hussey noted that the students who come to us from outside of the traditional attendance boundary are not classified as immigrants, based on Federal designation/definition.

EL population is 64 students = \$8K.

Mr. Wood, CBO, and Boardmember Malconian led a preview of the Current Fiscal Policies and Procedures in place at ECRCHS, and invited input, with highlights as follow:

\*from F&I, we are asking all stakeholders for input prior to finalizing at the next regular board meeting

\* Need to create procedures around field trips and student awards to updated and clarify language and expectations.

\* Cash awards and/or cash equivalents need to be addressed.

Ms. Malconian noted that we are not discussing past practice, but looking to invite stakeholder input into making the FPPs better and clearer moving forward.

She invited and welcomed input.

Mr. Kofahl asked about the size/origin of the document. Mr. Wood noted that this robust document is similar to what is likely in place at all schools and that the document has gray areas that need to be updated and clarified, as well as align with procedures and system now in place.

Ms. Malconian noted that all of the details in the document and need to be accessible and equitable.

Mr. Hussey noted that our FPPs have expanded over the past six years as we needed more clarity.

## **V. Governance**

### **A. Discussion and Vote on Possible Changes to Standing or Ad Hoc 2022-2023 Board Committees**

Danielle Malconian made a motion to approve the change in governance structure of the Executive Director Evaluation Committee and Capitalization Projects Committee from "Standing" to "Ad Hoc".

Gregg Solkovits seconded the motion.

Prior to the vote, discussion ensued regarding Standing Committees and Ad Hoc Committees:

Mr. Solkovits argued for Facilities M&O and Support meeting to become a Standing Committee.

Ms. Malconian noted that the Finance & Investment regularly reviews Facilities M&O and Support and Capitalization Projects. She noted that the Standing Committees don't need to meet monthly.

Dr. Lowry noted that Standing Committees don't have to meeting monthly but do have to comply with Brown Act notice requirements and must be agendized for the public, etc. Ad Hocs don't have this formal requirement.

Dr. Lowry noted that the Executive Director Evaluation Committee should be changed to "Ad Hoc" since the discussions are typically done in closed session as they are confidential.

Dr. Lowry noted that we also have special board meetings, standing committees, emergency committees, and increased number of committees, so members might consider how many committees there are and under what governance structure.

Further discussion ensued and Ms. Malconian asked whether or not the Safety Committee would continue to be a Standing Committee.

Dr. Lowry noted that the school has a safety committee run by site administrators and stakeholders and therefore, an "Ad Hoc" Board Safety committee membership could attend the school based meetings and report out each month at a regular board meeting or whenever desired during Committee Reports time, rather than agendize a separate meeting.

Mr. Solkovits noted that he reached out to ISP and instructional team members, to which Ms. Malconian asked to be included, too.

The board **VOTED** to approve the motion.

Gregg Solkovits made a motion to postpone the discussion and vote on proposed 2022-2023 Standing Committee Meeting Dates to the October 2022 Regular Board Meeting. Alexandra Ramirez seconded the motion.

Prior to the vote, Mr. Solkovits made the motion to postpone the discussion and vote on proposed 2022-2023 Standing Committee Meeting dates based on the Board's desire to continue the discussion on which committees would remain Standing Committees.

The board **VOTED** to approve the motion.

### **Discussion on ECRCHS Educator Effectiveness Block Grant (EEBG)**

Ms. Clark, Administrative Director, presented an overview of the EEBG, with highlights as follows:

- \* Grant for teacher, staff, administrator professional growth and development
- \* Nearly \$600K received
- \* Plan submitted; have until 2025 to spend the funds
- \* Must update the Board by September 30th each year
- \* This is not a modification but a board update

Mr. Solkovits asked Ms. Clark if there has been any evaluation on what has already been spent, to which Ms. Clark responded not yet. Ms. Clark noted her plans to send out a survey for the rest of this year and next and that all of the expenditures had been topics provided by teachers/staff/stakeholders.

Mr. Hussey added that this plan had presented/approved in December of 2021.

Mr. Solkovits asked if there is a committee that puts this together, to which Ms. Clark noted that she coordinates the effort by seeking input from stakeholders which she then compiles and documents, and then solicits feedback for further adjustments before presenting to the board.

Ms. Clark presented the plan and that items that we costed out: What did you do in 2021-2022:

- \* Paraprofessionals have an opportunity to take classes, take training, such as trauma-informed care which we provided for all staff last Spring (60-70 participants) and after which certificates were provided.

Mr. Solkovits asked why the VCOE and not LACOE is the governing LEA for this EEBG/induction training to which Ms. Clark noted that she had inherited VCOE as the existing entity. Mr. Hussey added that VCOE was less expensive and closer to many of our participating educators' home than is LACOE.

Ms. Clark explained the teaching induction mentorship process through VCOE and the cost is \$3800 per participating teachers.

Excel Training and PowerPoint for clerical staff to better support our offices with increased skills.

Ms. Malconian asked about the cost of the \$3800 induction and Mr. Hussey clarified that ECRCHS pays for any new teacher who has not yet cleared his/her credential, so the

number of new teachers hired who haven't yet cleared his/her credential will determine overall costs for induction each year.

Ms. Clark noted that this grant is also in support of administrators clearing their administrative credential.

Mr. Solkovits asked if a paraprofessional ladder exists to help paraprofessionals transition to become teachers. Ms. Clark replied that no ladder currently exists, but likes the idea as she had recently engaged in conversations about pathways for paraprofessionals to promote to the role of teachers.

Ms. Clark notified that we can modify the EEBG each year.

Ms. Clark noted that stipends have also been included for attending in professional development and/or performing additional tasks.

Pos. Behavior Intervention and support (PBIS) is another investment that began last Spring and continues into this year.

Ms. Clark noted, again, that we have five years to spend these funds.

## **B. Review & Approval of 2021-2022 & 2022-2023 Supplemental LCAP Tables**

Gregg Solkovits made a motion to approve the 2021-2022 and 2022-2023 Supplemental LCAP Tables.

Brad Wright seconded the motion.

Prior to the vote, Ms. Clark, Admin. Director, and Mr. Wood, CBO, presented the supplemental LCAP Tables, with highlights as follows:

\*Costing it out is what aligns our finances and the actual LCAP (actions and goals).

\* LCAP actions and goals were presented/approved in June

Mr. Wood noted that the costing out allows us to share the costs of supporting the goals and actions from the Local Control Accountability Plan (LCAP) itself.

Mr. Wright had returned to the meeting in time for this vote.

The board **VOTED** to approve the motion.
