### **Pledge of Allegiance to the United States of America (USA)**

Teacher Carlos Monroy led Board members and guests in the Pledge of Allegiance to the United States of America (USA).

Prior to public comments, Mr. Wright apologized to all of the teachers, specifically, to Ms. Gregorio and Mr. Wilson, for sending out an email reply to them that was sent to all teachers.

Last week, Mr. Wright noted, he had sent an email to all teachers to invite them to come and eat some food as there is always a food spread prior to regular board meetings.

Mr. Wright also noted that Ms. Ibach had "slam dunked" him with regard to putting on the agenda the discussion and voting item regarding ending board member term limits without first obtaining input from teachers and other ECRCHS stakeholders. He noted that Mr. Solkovits had also weighed in on the matter and that Mr. Wright listened to them. Accordingly, he noted, he wanted to make a motion to cancel the vote and table the term limits discussion and vote until such a time that the board is first able to hear from the stakeholders.

**Mr. Wright made a motion to cancel the discussion and vote on ending board member term limits, Item 5E., indefinitely.**

**Mr. Solkovits seconded the motion.**

#### **Roll Call Vote:**

**Ibach - Yes**

**Kofahl - Yes**

**Malconian - Yes**

**Solkovits - Yes**

**Wright - Yes**

Motion carries and Item 5E. is cancelled/postponed until or unless stakeholder input is provided first and the motion or similar motion is agendized.

#### **D. Public Comments**

Public Comments included the following:

\* Teacher Carlos Monroy - I am here to speak against 5E. Democracy is slower; fascism is faster; I'm glad you pulled the item from the agenda.

\* Teacher Holly Kiamanesh - I am glad you pulled item 5E (term limits); thank you.

\* Parent David Tibor - Stated he chooses not to speak until or unless an item on board term limits is reintroduced in the future.

\* Teacher Cara Blumfield - Thanked the board for pulling the term limits agenda item 5E, but noted that she was concerned about how Mr. Wright's email was approved to be sent out to all teachers, so his voice was heard, she noted, while her reply to all teachers was not approved to go out, so all of her colleagues, she noted, had not heard from her voice in response to the email and she is a stakeholder as well, she added. She read some of what she had written in that email so that people could hear from her. Thoughts included why Mr. Wright's email with bcc to all teachers was approved and hers was not; noted that she doesn't like Outlook email, either; stated that there is a huge disconnect going on at the school; noted that it looks like propaganda going on when all teachers are bcc'ed in response to a specific teachers' email; noted that teachers and others are having concerns with Mr. Wright's presence and power on campus; reminded everybody that when people signed up for a charter school model, it was to be a teacher-driven charter, not a board-driven charter.

\* Parent Erin Sanders - Expressed a desire to have more time to respond to term limits discussions before a vote on the matter occurs in the future; also expressed concerns about obtaining information regarding her son's participation in the aquatics program (who is coaching? when are practices? noted many email requests for information have not been addressed in a timely fashion; a swim team and water polo team have not organization.

\* Parent Letty Zane - Speaking in favor of International Baccalaureate program and supports a yes vote; in favor of more opportunities; also thanked board for removing the term limits item from the agenda (5E.).

\* Parent Helen Fouras - Canteen food concerns; her daughter is a vegetarian and she was promised that a food item was vegetarian when it wasn't; issue was not life-threatening for her, but Ms. Fouras expressed hope and concern about ensuring accurate information and availability of vegan items; also spoke in favor of International Baccalaureate program; expressed that she was glad that the term limits item was pulled from the agenda tonight; noted that she had attended the most recent school safety committee meeting and in response to the most recent lockdown, people had no idea what was going on; also spoke in support of the swim and water polo teams; noted that the football team is able to be transported and she asked for the same courtesy for other teams; suggested that this concern be placed on a future board agenda; expressed respect and appreciation for teachers for what they do in supporting their children/students;

\* Parent Eliza Brobosky (sp?) - Thanked the Board for removing item 5E; noted that stakeholder input is important; added that ECRCHS's reputation has gone down in just one year, based on word on the street; added that she thinks that the board and/or

admin. need to hear from the teachers and listen to the word on the street to lift things back up.

\* Parent Veronica Alcares - Co-Present FoECR; Thanked the Board/stakeholders for the way that the school is looking; thanked the board for transparency, but expressed concern about word on the street; suggested a suggestion box and surveys for input; expressed thanks for tabling the board term limits item;

\* Teacher and UTLA Chapter Chair Kyna Collins - recognized the turnout in support of concerns regarding Term Limits agenda item; expressed thanks to the board for tabling the item, but expressed concern that Ending Board Member Term Limits was on the agenda in the first place; reminded people that this is a teacher-driven charter and that the charter petition is something that is collectively written by all stakeholders and that we should not see power grabs; noted that if you've served your time on the board, you can take a year off and you can come back if you're re-elected; that starts a slippery slope of changing bylaws to fit individuals rather than to benefit the school collectively; noted she had not known about the email going out to all teachers (refer to Teacher Cara Blumfield's Comment above) while the teacher's reply had not been approved to go out; noted that if a policy or procedure changes, we/stakeholders should know about it; why changed, when changed, and what we can communicate; noted, too, that people are thinking about interpreting the bylaws differently and recommended that people should read Article Four of the Bylaws that includes restrictions on interested parties becoming directors; lastly, she noted that the WASC report recommended shared decision making and declared, let's make that actually happen."

\* John Wasser - Resource Teacher/Sp. Ed. Coordinator; LGBTQ+ Liaison; expressed appreciation for Pride Month's implementation last year in the month of June; asked the board, per Item 5F, to move Pride Month to the Month of May, since school ends June 2nd and final exams are the week prior.

\* Parent Sheryl Dorries - noted that she had met LASP officer and former/deceased student Cade K's father on campus this week as they were making a presentation on the dangers of fentanyl; Ms. Dorries recommended the presentation for all students and stakeholders; also spoke in favor of the STOP Act (Students, Teachers, Officers to Prevent Violence Act, which was developed by the parents of the victims of the Sandy Hook, CT, school shooting; recommended the information to the Board and administration so as to encourage safety training for all teachers, staff, and students; Ofcr. Peter Tooligan noted that Ofcr. Riggs offers free training to schools;

Prior to the Vote, Mr. Wood presented this item, noting that the proposed vendor had been vetted and that the F&I Committee had recommended to the full board the approval of "PlanMember" as an additional 403b Vendor on the list of approved ECRA 403b Vendors.

Mr. Solkovits expressed concerns about the approval; noted that it's hazardous to recommend a specific vendor; noted past concerns based on his UTLA experience about potential or real conflicts of interest; recommended just allowing people to invest in what is available and on their own; concerned about ECRA being viewed as promoting a vendor; noted how in the past experiences, kick-backs to various people for recommendations had been a concern; suggested a conversation between UTLA and ECRA administration before moving forward in the future;

Mr. Wood noted that a person doesn't have to invest in the company through one's 403b and that ECRA is not benefiting by adding PlanMember to the list of approved 403b vendors; Mr. Wood noted that this item was considered at the request of one of our teachers;

Ms. Malconian noted that the 403b vendor is on the list of those approved by LAUSD;

- \* AP focused
- \* IB is popular at some schools, but I think we would need to do some surveys to see if teachers want to do this; look at start-up costs, \$30K investment; more textbooks,
- \* I'd like to recommend a survey with teachers/staff, students, and families to determined interest, etc.

10 teachers retiring this year;

Mr. Wright expressed concerns about overburdening teachers

Mr. Hussey noted that we'd need 4-5 teachers; we need teachers to teach and students who want this; We can include language on hiring postings to include possible desire to teach IB;

Mr. Solkovits noted that he believes that a survey is the best approach; weed out the PR;

Discussion ensued; Mr. Hussey noted that he wants first to send out surveys to determine interest;
