With the approval, salary increases or new rates for employees, will be processed in December. The regular payroll will be run on December 13th, followed by a special payroll before Christmas. Retroactive pay for the period from July through November will also be processed, ensuring that employees receive these funds before Christmas.

Brad Wright made a motion to approve the memorandum of understanding with AFSCME for compensation to unit members for years 2024-2025, 2025-2026, and 2026-2027.

Alexandra Ramirez seconded the motion.

The board **VOTED** unanimously to approve the motion.

C. Possible Board Approval Vote on compensation increases for Unrepresented Employees' for 2024-2025

Mr. Solkovits expressed concerns regarding the structural issue of equal percentage pay raises across all employee levels. While acknowledging the hard work of employees and their deserving of raises, he argued that applying the same percentage increase to both

the highest-paid and lowest-paid employees leads to widening disparities, a principle he finds flawed. As a result, he stated he would **vote NO** on the matter.

Mr. Wright responded, clarifying that the approach Mr. Solkovits disagrees with is consistent with practices established by other unions, such as UTLA, which have been in place for years. He emphasized that this system has been agreed upon by the unions, and they have had the opportunity to challenge it without doing so. Mr. Wright suggested that while individual Boards could apply changes, it was important to move forward with approving the raises at this time to ensure fair compensation for employees. As such, he stated he would **vote YES**.

Brad Wright made a motion to approve compensation increases for Unrepresented Employees' for 2024-2025.

Steven Kofahl seconded the motion.

The board **VOTED** to approve the motion.

G. Possible Board Approval Vote on Compensation Increase for Executive Director for 2024-2025

Mr. Solkovits reiterated his decision to vote NO, citing concerns about growing disparities in compensation between classroom teachers and out-of-classroom individuals. While acknowledging Mr. Hussey's hard work, he argued that each time equal percentage raises are applied across the board, the gap widens, reflecting a systemic issue in education. He urged the board to consider breaking from this standard practice to address the disparity, stating, "This board could do something unusual in the world of education."

Mr. Kofahl offered a contrasting perspective, emphasizing the role of supply and demand in determining compensation. He noted that to attract and retain high-performing individuals, whether teachers or executive directors, the institution must offer competitive pay, benefits, and work environments. He stated that rewarding valuable employees is needed for retaining top talent, suggesting that compensation reflects the realities of the job market.

Steven Kofahl made a motion to approve Compensation Increase for Executive Director for 2024-2025.

III. School Business

A. RFP Bid Award: Campus Security Services

Prior to the vote, Jason Camp, Administrative Director, presented the RFP Bid award for the Campus Security Services.

After the unexpected departure of the previous security provider, who exited the school security sector on October 20th, a rapid response was necessary. In collaboration with Mr. Hussey and Mr. Guinto, a Request for Proposals (RFP) was prepared, resulting in bids from 6-7 companies. After thorough vetting and review by the finance and investment committee, **ALLIED Security Company** was selected.

ALLIED stood out not only for their competitive pricing but also because they were the only bidder offering the specific services required for our campus environment. Other companies either lacked school experience or focused solely on nighttime security for larger facilities. The contract with ALLIED includes **10 security officers and 1 manager** to oversee operations.

Concerns about campus security gaps were raised during the discussion. Mr. Wright noted issues such as students occupying security desks, running in hallways, and open gates after 4:30 p.m., highlighting the current vulnerability. The expectation is that the new security team will address these challenges and restore a secure environment.

VI. Finance

A. Financial Update October 2024

1. Greg Wood, CBO presented the Financial Update for October 2024 and answered questions.

Enrollment:As of the end of **Month 3**, enrollment stands at **2,937 students**, a decrease of **222 students** compared to the previous year.

Average Daily Attendance (ADA): ADA is currently at **93.3%**, which directly affects reimbursement levels. The budgeted ADA was **2,731**, and the actual ADA recorded is **2,745**, placing us **14 students above budget**. However, attendance traditionally trends downward as the year progresses. The State finalises attendance-based reimbursement in **Month 8**.

Cafeteria:Despite lower enrollment, cafeteria use has increased. The number of meals served is up by **3%**, with **40%** of meals falling under free or reduced categories - the highest rate recorded to date.

B. Discussion of ECRCHS' Fiscal Policies and Procedures

Greg Wood, CBO and Arleta Ilyas, Director of Accounting and Finance discussed ECRCHS' Fiscal Policies and Procedures

It is standard practice to review fiscal policies and procedures annually to ensure they are current and meet best practices. Several areas for improvement have been identified and updated accordingly.

Travel Policy (Page 17): References to specific airlines were removed to promote flexibility and cost-efficiency. Language now allows for coach class, economy, lowest airfare, or promotional discounted tickets. To avoid layovers while travelling with students, a proposed edit could specify "lowest nonstop cost" instead of just "lowest cost."

Meal Reimbursements (Page 19): Updated to align with GSA per diem rates, which vary by city. There are plans to collaborate with HR to ensure employee acknowledgment of these updated policies.

Credit Card Policy (Page 22): Outdated vendor-specific cards have been addressed and phased out.

Title Updates (Page 23): References updated to reflect the current title, “Director of Human Resources” (formerly “Director of HR and Compliance”).

Annual Bid Limit (Page 29): Revised to reflect the new limit of **\$114,500**.

Mr. Wood clarified that this is an open discussion for feedback. A finalized version of the document will be presented for a December vote. No formal vote is required at this stage.
