II. Investment

A. Investment Update

Alexandra Ramirez arrived at 5:42 PM.

Mr. Wood, our Chief Business Officer, and Mike Breller from Beacon Pointe gave the update:

He introduces the investment agenda, starting with the January 2025 investment update. He provides a macroeconomic overview, discussing the Fed's rate hikes and the impact on the economy. The economy showed resilience with strong GDP numbers and low unemployment rates. He reviews market results, highlighting the performance of US equities, growth stocks, and value stocks.

Portfolio Performance and Asset Allocation:

He explains the portfolio's performance, noting a 25% return for US equities and a 5.5% return for international equities. The portfolio is more US-focused, with 39.1% in domestic equity and 17.7% in international equity. He discusses the importance of bonds as an anchor and the expected return of 4-5% over the next four to five years. The portfolio is designed to weather market volatility and potential economic downturns.

Investment Policy and Liquidity:

He explains the importance of asset allocation and the potential for a more aggressive portfolio. The discussion includes the impact of federal funding uncertainty and the possibility of adjusting the investment policy.

OPEB:

As of the end of January, the **OPEB account** held a balance of **\$32.3 million**, reflecting a **2%** increase for the month and a **5.7%** investment gain since the fiscal year began on **July 1**. The account started the fiscal year with **\$30.8 million** and has experienced gains of **\$1.8 million** alongside regular OPEB payments of approximately **\$53,000** per month for retiree benefits. Including these payments, the total account balance has grown by **4.7%** seven months into the fiscal year. The **OPEB retiree payments** will remain consistent until **October 1**, aligning with the fiscal structure of CISC's medical plans, which run from **October 1** through **September 30**.

General Account:

Investments managed by **Beacon Pointe** totaled approximately **\$7.1 million** at the end of January, reflecting an increase of about **\$50,000** and a **1.5%** gain. This account's growth is roughly **4%** year-to-date. Additionally, the **Beacon Pointe accounts** include an annuity and a two-bill investment, each valued around **\$400,000**.

III. Finance

A.

January 2025 Financial Update

Mr. Gregory Wood provided an update:

The finance office is currently in the process of compiling financial data, with a more comprehensive update expected next month. The office is actively working to fill two vacant financial positions — one role is anticipated to be filled by early March, while recruitment for the second, a lower-level position, is ongoing. Despite these staffing gaps, the team is effectively managing key responsibilities, including interim financial reports, year-end reporting to various agencies, and addressing a **California Department of Education (CDE)** audit of the cafeteria's food service program, which occurs every five years and is currently underway. Mr. Wood noted that financial operations remain stable and on track despite these ongoing demands.

B. Discussion and Vote to Recommend to the Full Board Approval of the January 2025, Check Registers

Prior to the Vote to Recommend Approval to the Full Board, Mr. Wood, CBO, will review the January 2025, check registers from ECRA's City National Bank Accounts.

The committee reviewed the **January 2025 check register**, which detailed various transactions totaling **\$1.25 million**. Notably, the general account transactions are conducted primarily through **ACH payments** rather than checks. Key expenses included a **\$355,000** ACH payment for the organization's health benefit plan, which is a recurring monthly expense. Additional payments from the general account included smaller insurance payments through **Charter Safe**, a payment to **Texas Life**, and a **\$447,000** payment to **Pen Service**. These transactions reflect the routine financial operations managed through the general account.

The committee also reviewed transactions from the **fundraising account**, which included two checks: one for **parent tour catering** and another for **Teacher bagels**. Following this, the committee examined the **ASB account** and corresponding **trust balances**. During the review, it was noted that a negative balance appeared due to the reclassification of funds. Specifically, **Class of 2024** funds were inadvertently moved into the **Class of 2025** account, resulting in a **\$657** negative balance. This will be corrected by transferring the funds back to their appropriate account. The overall **trust balance** currently stands at **\$572,000**, ensuring all funds are accounted for.

Gregg Solkovits made a motion to Recommend to the Full Board Approval of the January 2025, Check Registers.

Alexandra Ramirez seconded the motion.

The committee **VOTED** unanimously to approve the motion.
