Mr. Fernando Delgado presented the **2024-2025 Unaudited Actuals**, noting that this report was previously reviewed by the Finance Committee. He provided an overview of revenues, expenditures, and fund balances, along with explanations for key variances.

Mr. Delgado reported an **average daily attendance (ADA)** of **2,687** compared to a total enrollment of **2,856**, reflecting a **94% attendance rate** and an overall **7% enrollment decline** from the prior year. He emphasized that funding is based on ADA rather than total enrollment, which will continue to pose fiscal challenges.

### **Financial Overview:**

- **Estimated Actuals:** \$48,120,277
- **Unaudited Actuals:** \$51,802,053
- **Variance:** Largely due to timing, capital project expenditures, and bargained salary increases.

### **Expenditures:**

Total expenditures amounted to **\$49,471,672**, with **salaries and benefits comprising 67%** of total revenue/expenditures.

Key components included:

- Certificated Salaries: \$18,013,598 (increase due to bargained pay raises)
- Classified Salaries: \$5,555,341
- Employee Benefits: \$11,304,107 (increases tied to STRS/PERS and medical costs)
- Services: \$10,128,124
- Supplies and Depreciation: modest variances due to unfilled positions and reduced overtime.

Overall variance from estimated expenditures was **\$718,077**.

### **Ending Fund Balance:**

The **projected ending net position** as of June 30, 2026, is **\$41,474,073**, including:

- **Capital assets investment:** \$8,492,395
- **Designated reserve for deferred maintenance:** \$15,000,000
- **Excess OPEB/investments:** \$2,860,000
- **Total restricted fund balance:** \$7,790,946

It was noted that approximately **\$7.1 million** of the fund balance is invested in **T-bills, stocks, and annuities**, with one T-bill maturing next month. The CBO will present updated investment options to the Board at that time.

Mr. Delgado also reviewed **grant and special fund balances**, emphasizing timely expenditure of COVID-era allocations such as the **Educator Effectiveness Block Grant** to prevent forfeiture of unspent funds.

### **B. Discuss and Vote on the Approval of Prop 28 Arts & Music Budget**

Mr. Fernando Delgado presented the **Proposition 28 Arts and Music in Schools Act Budget** for 2025–2026, explaining the distinction between the **AMIM (Arts, Music, and Instructional Materials Block Grant)** and **Proposition 28** funding sources. While both

support arts and music initiatives, Mr. Delgado noted that **AMIM** is a *one-time discretionary block grant of \$2,176,757* (expiring June 30, 2026), whereas **Proposition 28** provides *permanent annual funding* dedicated exclusively to arts and music education.

He clarified that **Proposition 28** requires **80% of funds** to be spent on **staffing** (teachers and aides) and **20%** on **materials, supplies, and partnerships**, emphasizing that these funds must **supplement—not replace—existing programs**. The annual report, as required by **Education Code Section 8820(a)(4)**, includes the number of full-time equivalent teachers, classified personnel, and school sites providing arts education, and will be submitted to the **California Department of Education (CDE)** and posted publicly.

For **AMIM**, Mr. Delgado outlined plans to enhance **Visual and Performing Arts (VAPA)** programs, upgrade **theater and multipurpose facilities**, provide **professional development**, and improve **classroom technology**. Input was gathered from teachers and students to ensure equitable use of funds, with a final plan to be presented for board approval at the **October regular board meeting**.

Mr. Delgado confirmed that **Prop 28 funding is ongoing**, providing sustainable support for arts staffing and programs across all grade levels, while **AMIM** supports broader short-term recovery and instructional initiatives.

Totaling **\$325,341** for the 2025–2026 fiscal year.

The **total project cost** amounts to **\$428,682**, offset by a **budget carryover of \$219,543.57** from prior years. Mr. Delgado requested a **budget increase of \$105,797.06**, along with a **20% contingency (\$21,159.41)** to cover unforeseen costs, for a total **budget increase of \$126,956.47**.

Mr. Delgado shared that the updated design includes **new digital signage** and **ECR-branded illuminated planters** at the school's front entrance. The design, already approved by **LAUSD**, is pending **final DSA approval**, expected by summer. He noted that the contingency buffer is intended to address any potential **ADA compliance modifications** that may arise from the DSA review.
