  - Second-largest funding source
- **Federal Revenue: ~\$1.77 million**
- **Other State Revenue: ~\$3.39 million**

### Key Revenue Variances

- **LCFF funding decreased by approximately \$2.6 million**, driven by:
  - Enrollment decline
  - Property tax offset adjustments
- **Positive property tax variance of \$1.4 million**, based on ADA funding rates:
  - Helped partially offset the LCFF reduction
- **Increase in Other State Revenues (~\$183,000)** due to:
  - Student Support Discretionary Block Grant received in October

- This was **unbudgeted one-time revenue** not included in the June adoption
- **Slight increase in Title I funding** also noted

  - Four- to five-year expenditure windows resulted in aligned expiration dates

## Board Feedback & Risk Considerations

- A Board member requested that future reports include a **percentage (“common size”)** column to better contextualize deficits.
- Administration agreed this would be helpful.
- Mr. Delgado emphasized:
  - The projected deficit is **small relative to the total budget**
  - While not alarming, it **requires continued monitoring**
  - Special caution is needed to avoid converting **one-time COVID funds** into **ongoing fixed costs**

## Conclusion
