Howard Spike, retired as of June 30th from El Camino, spoke regarding Article VII, Section 4 of the Bylaws, and how an interpretation of it will make all retired teachers and administrators ineligible to run for the Board. Amending the Bylaws would require a material revision of the charter. To be put on the next regular meeting agenda for discussion.

**F. Executive Director Update**

UTLA contract negotiations have begun, there have been 2 sessions so far, next session is May 9th.

WASC Report has been submitted to the State. We have 5 weeks to add addenda and address growth subjects. WASC chair did not provide an indication of what type of review we would get, so will have to go to July.

Material Revision was approved by the LAUSD Board of Education at the hearing on April 18th, so our enrollment is now at 3,800 students.

Mr. Hussey has scheduled a meeting with LAUSD Board member Scott Schmerelson. Assistant Principals are evaluated in the same way as teachers, based on set criteria.

This review is yearly for the first 3 years, and then subsequently it can be every other year. Mr. Wasser asks that the form that is used for teachers and Assistant Principals be made available on our Board page.

Over Spring Break, we went onto our own internet system, cutting ourselves off from LAUSD.

Retirement benefits, to date we have put in \$1.7M, which is \$500K more than we were required to. Mr. Hussey recommends continuing to contribute money now while we have the funds.

**G. UTLA Update**

Bargaining has commenced, no tentative agreements yet, but there are 3 dates total scheduled in May.

Carlos Monroy will be taking over as UTLA Chapter Chair and Zasha Endres will take over as Co-Chair, as of July 1, 2017.

#### **H. Board Election Update**

#### **C.**

### **February 2017 Financial Update**

Financial forecast summary for February 2017 has not changed much compared to January 2017 Financials. However, forecast should change next month due to large expense items. Quarterly LCFF payment received in February. Balance sheet shows \$11,233,051 as of the end of February.

#### **D. Review and Vote on 2nd Interim Financials**

The 2nd Interim Financials (as of the end of January 2017) were reviewed. Variances identified are based on differences between the budget which was approved back in June 2016, and actual expenditures and revenue which have come in which were not budgeted. During the fiscal oversight visit, CSD had numerous questions, but EdTec was apparently able to answer all their questions in a satisfactory manner, as no follow-up has been received to date.

### **IV. School Business**

#### **A. Discussion and Possible Vote on Board Communication Parameters**

Young, Minney & Corr has been asked by a Board member to share communications from a Board member with all other Board members. They are looking for guidance on how to handle such matters; if they receive a communication from a Board member, do they respond to all the Board, or just to that Board member? There is an issue as to whether it is efficient to have all Board members asking counsel questions and responding to all Board members, and whether that could result in serial communications that would violate the Brown Act. YM&C represent about half of all the charter schools in California; most of their communications come from the staff level, it is unusual to have multiple questions coming from multiple Board members. Past practice has been to have communications go through the Board President, absent exigent circumstances, but this was not a written policy.

Rather than have a vote item, CCO can create a policy document for the Board's review and vote at the next Board meeting in May.

#### **B. Public Hearing and Vote on Board Resolution Re Energy Services Contract with OpTerra and Financing**

The Resolution was reviewed.

Also, discussion on how to finance the cost, which includes the Program Development Agreement of \$63,800.00 plus 15% mobilization fee of \$212,213.00 which is due at the time of signing of the contract.

Steven Kofahl made a motion to approve the Resolution to enter into the Energy Services Contract with OpTerra. As to the financing aspect, tabled to have OpTerra available to discuss the cost.

Diane Wynne seconded the motion.

The board **VOTED** unanimously to approve the motion.

#### **C. Presentation on NWEA MAP Program**

This presentation is to introduce Measures of Academic Progress (MAP), a diagnostic adaptive testing program that will help determine where students have need. WASC recommended using MAP. A discounted pricing is available from the vendor selected, but only if we enter into an agreement before June 30, 2017. The testing would last about a week. This has been presented to teachers, and most seemed to be in favor of it. Organize a parent night to discuss the testing with parents to get their buy-in. This program has been used by Granada Hills for 5 years and Palisades for 3 years. If there are further questions, can contact Ms. Clark.

#### **D. Possible Vote on Resolution Re: Applying for Prop 51 Funding for Rehabilitation of Facilities**

Prop 51 is a bill that provides \$9B funding for schools, of which \$500M has been set aside for charter schools, to construct new facilities or rehabilitate existing facilities that are at least 15 years old. We have also reached out for LAUSD approval, which has to happen 30 days before the deadline. The funds could be used for the bungalows, particularly the T building.

Steven Kofahl made a motion to approve the Resolution to apply for Prop 51 funds.

Diane Wynne seconded the motion.

The board **VOTED** unanimously to approve the motion.

#### **E. Discuss and Vote On HR Certification Stipend**

Diane Wynne made a motion to table this item to the next Board meeting.

Steven Kofahl seconded the motion.

The board **VOTED** unanimously to approve the motion.

#### **F. Discuss and Vote on Revision to Parent-Student Handbook**
