I am honored to serve on the school board and grateful for the opportunity to give back to a community that has invested so much in me and my family. As a father, I understand the importance of providing every student with the tools, support, and opportunities they need to succeed. I bring a thoughtful and analytical approach to decision-making, always striving to do what is best for students, families, teachers, and the future of our schools. My educational journey began in Asheville, North Carolina, where I attended high school and developed a strong appreciation for learning, leadership, and community involvement.

My commitment to education is rooted in a genuine desire to make a positive difference. After graduating from high school, I attended the University of North Carolina at Charlotte, where I earned a Bachelor of Arts in African American Studies. My experiences in higher education broadened my perspective, strengthened my understanding of diverse communities, and reinforced my belief in the transformative power of education. Since 2016, I have also been an entrepreneur, building ventures
