This careful explanation aimed to remove any potential confusion and increase the board members' comfort and familiarity with the Board OnTrack system. III. School Updates

A. Budget & Staffing Update

Motion to Dionna Graham.

K. Best seconded the motion.

Laila Minott has reviewed the preliminary version of the budget, which needs the board's endorsement. The draft is structured around the enrollment of 450 students, but does not incorporate the annual revenue increase provided by the state when the official budget is passed. It's crucial to note that the final budget's approval and per-pupil allocation will require the consent of both the Board and the state. Laila's asked the Board to approve the drafted budget, and then when the final budget is ready the Board will vote again. The board **VOTED** to approve the motion.
