C. LAND ACKNOWLEDGEMENT

We acknowledge the original inhabitants of this area, the Snohomish people, and their successors, the Tulalip Tribes. Since time immemorial, they have hunted, fished, gathered, and taken care of these lands. We respect their sovereignty, their right to self-determination, and honor their sacred spiritual connection with the land and water. We will strive to be honest about our past mistakes and bring about a future that includes their people, stories, and voices to form a more just and equitable society.
