D. LAND ACKNOWLEDGEMENT

We acknowledge the original inhabitants of this area, the Snohomish people, and their successors, the Tulalip Tribes. Since time immemorial, they have hunted, fished, gathered, and taken care of these lands. We respect their sovereignty and their right to self-determination, and we honor their sacred spiritual connection with the land and water.

As a school district, we recognize the lasting impacts of colonization on Native peoples and commit to learning from that history as we move forward. We are deepening our partnership with the Tulalip Tribes by engaging in meaningful consultation and uplifting Tribal stories, language, people, and culture in our classrooms. We are working to ensure Native voices help shape our district's direction. Through this work, we strive to repair past harms and build a more just and equitable future for all.
