The agreement provides comprehensive managed technology services designed specifically for K–12 school districts, including network support, server management, endpoint security, helpdesk support, SIS integrations, cybersecurity monitoring, and strategic technology planning.

Under the agreement, Wired Technology Partners will provide:

- Shared onsite technical support visits twice weekly;
- Remote helpdesk and network operations support;
- Server and endpoint monitoring and security management;
- Student Information System (SIS), Google Workspace, and Clever integration support;
- Technology infrastructure documentation and reporting; and
- Strategic account management and technology planning services.

	Purpose	Presenter	Time
	The agreement term is from July 1, 2026, through June 30, 2027. Pricing is based on student enrollment at a rate of \$12.27 per student per month, with an estimated monthly cost of \$7,362 prior to E-Rate adjustments.		
	The agreement also includes E-Rate eligible Managed Internal Broadband Services (MIBS) provisions, reducing the estimated total monthly partner cost to approximately \$6,640.18 after applicable E-Rate funding adjustments.
