INDEPENDENT AUDITOR'S REPORT

Board of Directors The Leadership School St. Louis, Missouri

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of The Leadership School (a nonprofit organization) (the "School"), which comprise the statement of assets and net assets-cash basis as of June 30, 2023, and the related statements of support, receipts, and disbursements-cash basis and functional expenses-cash basis for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets and net assets of The Leadership School as of June 30, 2023, and its support, receipts and disbursements for the year then ended in accordance with the cash basis of accounting as described in Note 2.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting as described in Note 2, and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Board of Directors The Leadership School St. Louis, Missouri

Draft 12/21/23

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information as listed in the table of contents from pages 16-19 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 20, 2023 on our consideration of The Leadership School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS June 30, 2023

NOTE 1: ORGANIZATION

The Leadership School (the "School") is a Missouri not-for-profit public benefit corporation organized in February 2019 under Chapter 355, RSMo and governed by Senate Bill No. 781 of the 89th General Assembly of the Missouri legislature. The School is exempt from most Missouri laws and statutes governing educational institutions. The aforementioned Senate Bill No. 781 governs it. The purpose of the School is to operate a charter school located within the boundaries of the Normandy Schools Collaborative (St. Louis County). The School building is located at 1785 Pennsylvania Avenue in Pagedale, Missouri. The School is legally separate from the Normandy Schools Collaborative and is not financially accountable to it.

The School is sponsored by the Missouri Charter Public School Commission with a charter school agreement effective July 1, 2022 for five years until the school year ending June 30, 2027. The School's charter provides for the education of students in kindergarten and grades one through eight. For the fiscal year ended June 30, 2023, the School educated students in kindergarten through 2nd grade. Approximately 55-60% of the School's funding is provided from State and Federal funds received from the Missouri Department of Elementary and Secondary Education ("DESE"). Other support is provided by contributions and grants from foundations and individuals.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The School has elected to present its financial statements on the cash basis of accounting. The cash basis of accounting is a basis of accounting other than accounting principles generally accepted in the United States of America. The basis of accounting is a reference to when financial events are recorded, such as the timing for recognizing receipts, disbursements and their related assets and liabilities. Under the cash basis of accounting, receipts and disbursements and the related assets are recorded when they result from cash transactions.

B. Concentration of Credit Risk

Financial instruments that potentially expose the School to concentrations of credit and market risk consist of cash. Cash is maintained at high-quality financial institutions and accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. At June 30, 2023, the School did not have any uninsured balances at the institutions. The School has not experienced any losses on its cash held at the financial banking institutions.

C. Capital Outlay

Property and equipment are recorded as expenses at the time the goods are purchased.

D. Compensated Absences

Vacation time, personal business days and sick leave are considered as expenses in the year paid. Such amounts unused that are vested in the employee are payable upon termination at varying rates depending on length of service.

Draft 12/21/23

NOTES TO FINANCIAL STATEMENTS June 30, 2023

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

E. Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets With Donor Restrictions – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other program or events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that the resources be maintained in perpetuity. The School reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. As of June 30, 2023, the School had no assets with donor restrictions.

<u>Net Assets Without Donor Restrictions</u> – Net assets available for use in general operations and not subject to donor- (or certain grantor-) imposed restrictions or law. These net assets may be used at the discretion of the School's management and the School's Board of Directors.

F. Revenue Recognition

In accordance with the cash basis of accounting, the School immediately recognizes all revenue at the time of receipt. All contributions are considered available for use within the School's general programs unless specifically restricted by the donor.

G. Functional Allocation of Expenses

The costs of providing programs and other activities have been summarized on a functional basis in the statement of support, receipts, and disbursements-cash basis. The statement of functional expenses-cash basis present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited and, in some cases, to one or more program or supporting functions. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include technical services, facility rent, property services, and general supplies. Property services and facility rent are allocated based on estimated square footage, and technical services and general supplies are allocated based on estimated project and purpose usage.

Draft 12/21/23

NOTES TO FINANCIAL STATEMENTS June 30, 2023

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

H. Income Taxes

The School is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and comparable state law as charitable organizations whereby only unrelated business income, as defined by Section 509(a)(2) of the Code, is subject to federal income tax. The School currently has no unrelated business income. Accordingly, no provision for income taxes has been recorded. The School has adopted provisions of FASB standard on Accounting for Uncertainty in Income Taxes (ASC 740-10-25). The School does not believe there are any material uncertain tax provisions and, accordingly, they will not recognize any liability for unrecorded tax benefits. For the year ended June 30, 2023, there was no interest or penalties recorded in the financial statements.

I. Subsequent Events

Management has evaluated subsequent events through December 20, 2023, the date on which the financial statements were available to be issued.

NOTE 3: LIQUIDITY RESOURCE MANAGEMENT

The School regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the School considers all expenditures related to its ongoing program activities as well as the conduct of services undertaken to support those activities to be general expenditures.

As of June 30, 2023, the following financial assets could readily be made available within one year of the statement of financial position date to meet general expenditures:

Cash \$ 44,714

NOTE:4 RETIREMENT PLAN

The School participates in the Public School Retirement System and the Public Education Employee Retirement System (PSRS and PEERS, also referred to as the "Systems").

Plan Descriptions

PSRS is a mandatory cost-sharing multiple employer retirement system for all full-time certificated employees and certain part-time certificated employees of all public school districts in Missouri (except the school districts of St. Louis and Kansas City) and all public community colleges. PSRS also includes certificated employees of the Systems, Missouri State Teachers' Association, Missouri State High School Activities Association, and certain employees of the State of Missouri who elected to remain covered by PSRS under legislation enacted in 1986, 1987 and 1989. The majority of PSRS members are exempt from Social Security contributions. In some instances, positions may be determined not to be exempt from Social Security contributions. Any PSRS member who is required to contribute to Social Security comes under the requirements of Section 169.070 (9) RSMo, known as the "two-thirds statute." PSRS members required to contribute to Social Security are required to contribute two-thirds of the approved PSRS contribution rate and their employer is required to match the contribution. The members' benefits are further calculated at two-thirds the normal benefit amount.

PEERS is a mandatory cost-sharing multiple employer retirement system for all non-certificated public school district employees (except the school districts of St. Louis and Kansas City), employees of the Missouri Association of School Administrators, and community college employees (except the Community College of St. Louis). Employees of covered districts who work 20 or more hours per week on a regular basis and who are not contributing members of PSRS must contribute to PEERS. Employees of the Systems who do not hold Missouri educator certificates also contribute to PEERS. PEERS was established as a trust fund by an Act of the Missouri General Assembly effective October 13, 1965. Statutes governing the System are found in Sections 169.600 - 169.715 and Sections 169.560-169.595 RSMo. The statutes place responsibility for the operation of PEERS on the Board of Trustees of PSRS.

Benefits Provided

PSRS is a defined benefit plan providing retirement, disability, and death/survivor benefits. Members are vested for service retirement benefits after accruing five years of service. Individuals who (a) are at least age 60 and have a minimum of 5 years of service, (b) have 30 years of service, or (c) qualify for benefits under the "Rule of 80" (service and age total at least 80) are entitled to a monthly benefit for life, which is calculated using a 2.5% benefit factor. Actuarially age-reduced benefits are available for members with five to 24.9 years of service at age 55. Members who are younger than age 55 and who do not qualify under the "Rule of 80" but have between 25 and 29.9 years of service may retire with a lesser benefit factor. Members that are three years beyond normal retirement can elect to have their lifetime monthly benefits actuarially reduced in exchange for the right to also receive a one-time partial lump sum (PLSO) payment at retirement equal to 12, 24, or 36 times the Single Life benefit amount.

NOTE:4 <u>RETIREMENT PLAN</u> (continued)

Benefits Proved (continued)

PEERS is a defined benefit plan providing retirement, disability, and death benefits to its members. Members are vested for service retirement benefits after accruing five years of service. Individuals who (a) are at least age 60 and have a minimum of five years of service, (b) have 30 years of service, or (c) qualify for benefits under the "Rule of 80" (service and age total at least 80) are entitled to a monthly benefit for life, which is calculated using a 1.61% benefit factor. Members qualifying for "Rule of 80" or "30-and-out" are entitled to an additional temporary benefit until reaching minimum Social Security age (currently age 62), which is calculated using a 0.8% benefit factor. Actuarially age-reduced retirement benefits are available with five to 24.9 years of service at age 55. Members who are younger than age 55 and who do not qualify under the "Rule of 80" but have between 25 and 29.9 years of service may retire with a lesser benefit factor. Members that are three years beyond normal retirement can elect to have their lifetime monthly benefits actuarially reduced in exchange for the right to also receive a one-time partial lump sum (PLSO) payment at retirement equal to 12, 24, or 36 times the Single Life benefit amount.

Summary Plan Descriptions detailing the provisions of the plans can be found on the Systems' website at www.psrs-peers.org.

Cost-of-Living Adjustments ("COLA")

The System's Board of Trustees has established a policy of providing COLAs to both PSRS and PEERS members as follows:

- If the June to June change in the Consumer Price Index for All Urban Consumers (CPI-U) is less than 2% for one or more consecutive one-year periods, a cost-of-living increase of 2% will be granted when the cumulative increase is equal to or greater than 2%, at which point the cumulative increase in the CPI-U will be reset to zero. For the following year, the starting CPI-U will be based on the June value immediately preceding the January 1 at which the 2% cost-of-living increase is granted.
- If the June to June change in the CPI-U is greater than or equal to 2%, but less than 5%, a cost-of-living increase of 2% will be granted.
- If the June to June change in the CPI-U is greater than or equal to 5%, a cost-of-living increase of 5% will be granted.
- If the CPI decreases, no COLA is provided.

For any PSRS member retiring on or after July 1, 2001, such adjustments commence on the second January after commencement of benefits and occur annually thereafter. For PEERS members, such adjustments commence on the fourth January after commencement of benefits and occur annually thereafter. The total of such increases may not exceed 80% of the original benefit for any member.

Draft 12/21/23

NOTES TO FINANCIAL STATEMENTS June 30, 2023

NOTE:4 <u>RETIREMENT PLAN</u> (continued)

Contributions

PSRS members were required to contribute 14.5% of their annual covered salary during fiscal years 2022 and 2023. Employers were required to match the contributions made by employees. The contribution rate is set each year by the PSRS Board of Trustees upon the recommendation of the independent actuary within the contribution restrictions set in Section 169.030 RSMo. The annual statutory increase in the total contribution rate may not exceed 1% of pay.

PEERS members were required to contribute 6.86% of their annual covered salary during fiscal years 2022 and 2023. Employers were required to match the contributions made by employees. The contribution rate is set each year by the PSRS Board of Trustees upon the recommendation of the independent actuary within the contribution restrictions set in Section 169.030 RSMo. The annual statutory increase in the total contribution rate may not exceed 0.5% of pay.

The School contributions to the Systems were \$42,936 for the year ending June 30, 2023.

NOTE 5: CONCENTRATIONS

The School relies upon state and federal funding to support their operation. This funding depends to a great degree upon average daily attendance.

NOTE 6: LEASE OBLIGATIONS

Office Equipment

The School leases office copier equipment with monthly payment terms until July 2027. The leasing expense for the year ending June 30, 2023 was \$3,693.

Building Facility

The School leases the building facility from CSDC Facilities Corporation to operate the school operations. A lease agreement was signed effective May 13, 2022, for 15 years ending June 30, 2037 with annual rental payment escalators. The lease expense for the year ended June 30, 2023, was \$176,215.

Future minimum lease payments are as follows:

Year Ending June 30,	Office Equipment	Building Facility		<u>Totals</u>
2024	\$ 1,656	\$ 224,419	\$	226,075
2025	1,656	229,938		231,594

Draft 12/21/23

NOTES TO FINANCIAL STATEMENTS June 30, 2023

NOTE 8: <u>CLAIMS AND ADJUSTMENTS</u>

The School participates in several federal and state programs that are fully or partially funded by grants received from other governmental units. Disbursements financed by grants are subject to audit by the appropriate grantor government. As of June 30, 2023, a significant amount of disbursements had not been audited by grantor governments but the School believes that disallowed disbursements, if any, based on subsequent audits will not have a material effect on the overall financial position of the School.

INTERNAL CONTROL AND COMPLIANCE

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors The Leadership School St. Louis, Missouri

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of The Leadership School (the "School") (a nonprofit organization), which comprise the statement of assets and net assets-cash basis as of June 30, 2023, and the related statements of support, receipts, and disbursements-cash basis and functional expenses-cash basis for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 20, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Draft 12/21/23

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the of financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT ACCOUNTANT'S REPORT ON MANAGEMENT'SN ASSERTIONS ABOUT COMPLIANCE WITH SPECIFIED REQUIREMENTS OF MISSOURI LAWS AND REGULATIONS

Board of Directors The Leadership School St. Louis, Missouri

We have examined management's assertion, included in its representation letter dated December 20, 2023, that The Leadership School (the "School") complied with the requirements of Missouri laws and regulations regarding accurate disclosure of the School's records of average daily attendance and average daily transportation of pupils, and other statutory requirements as listed in the Schedule of Selected Statistics for the year ended June 30, 2023. Management is responsible for its assertion that the School complied with the aforementioned requirements. Our responsibility is to express an opinion on management's assertion based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertion is fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about management's assertion. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of management's assertion, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on the School's compliance with specified requirements. We noted one instance of noncompliance in the schedule of state findings (MO23-01).

In our opinion, management's assertion that The Leadership School complied with the aforementioned requirements included in the Schedule of Selected Statistics for the year ended June 30, 2023, is fairly stated, in all material respects.

SCHEDULE OF STATE FINDINGS For the Year Ended June 30, 2023

Current year

Finding MO23-01 – Finance: Public Financial Data

During our audit, we noted the School has not posted, at least quarterly, a searchable expenditure and revenue document or database detailing actual income, expenditures, and disbursement for the current calendar or fiscal year on the school website as required by Section 160.066, RSMo.

Auditee's Response:

We acknowledge the audit finding as stated above. The School began the process of uploading the financials to the school website quarterly during the fiscal year ending June 30, 2024.
