B. General and Committee Updates

General Updates on governance:

- Attending in Person Meetings - since the suspension on the open meeting law has been lifted, meetings need to be held in person. Members should ensure that they are in person to attend meetings.

- RVP Tool in Board on Track - Members should utilize tool to ensure that we RSVP for meetings so that we can better account for quorum to be able to take action at meetings.
- Move Standing Board Meetings - Is there a possibility to move meetings to another day so that Mia who currently has a conflict will be unable to attend Monday meetings. Board Member Adam L. shared he could do Tuesday or Wednesday but may have some issues with Tuesdays bi-monthly. It was determined that moving the meeting to another date may cause some other scheduling conflicts.
- Committee Chairs - Committee chairs are pretty much set. Nataki is chair of the Finance, Adam L. is chair of Development, Looking to see who can take on role in Academic Committee and perhaps prospective board member Melika could step in eventually. Push to have committee agenda and committee report or minutes which live in board on track so that we capture action items and decision making in one place.

III. Finance

A. Review Financial Dashboard

- Financial indicators within benchmarks.
- Balance sheet reflects annual 25K deposit made to escrow.
- Amendment on grants receivable was recently submitted and school awaiting funds.
- Pre-paid expenses are within normal range
- Total assets are 1.1 million
- Accrued expenses and deferred expenses are within normal range.
- Total liabilities are 2.1 million
- P&L in the first month - donated laptops need to be recorded and should be done in next month's financials.
- Technology line may be potentially over budget because of potential new purchases for projectors which could be covered by grants.
- Items in yellow are items over the percentage. (i.e accessory furniture, items which payments are made earlier in the school year)

Committee Concerns:

- Debit card purchases - (Management instructed not to purchase food etc and debit card policy to be revisited when new Director of Finance joins the Team.)
- Committee also suggested that food purchases/school event purchases be planned out ahead of time so that purchases can be better accounted for.
- Projector purchased on debit card but committee advised on how to prevent making these types of transactions on debit card.
- Unpaid North Shore invoices. Adam JS and Nataki to work with HOS to resolve issue.

- Cell phone policy was not approved and tabled for further discussion in a few months.

IV. Director of Finance Hiring Taskforce

A. DoF Hired

- DOF was hired and set to start soon.
- Brian Andre will be joining the team on September 13, 2021.

Ivy Hill Preparatory Charter School Management Recommendation

IVY HILL PREPARATORY CHARTER SCHOOL Management Recommendation 09-20-21

Recommendation: Ascent Cleaning Corporation

Background:

We received formal proposals from 3 custodial companies. All companies completed full walk-throughs of the facility and met with the Operations Team as well as the Head of School to discuss the updated needs of the school due to COVID-19.

Recommendation:

Management recommends Ascent Cleaning Corporation is hired to fulfill the custodial duties within the school for the following reasons:

- Ascent Cleaning Corporation has extensive experience with schools similar to Ivy Hill Prep.
- Upon speaking with other schools similar to ours, other schools have shared that they've worked with Ascent Cleaning Corporation for a minimum of 5 years. Their clients are satisfied, and Ascent Cleaning Corp. comes highly recommended.
- Ascent Cleaning Corporation comes within our budget allocation for janitorial needs.
- Ascent Cleaning Corporation has extensive experience in not only cleaning, but sanitizing. This is an asset that is important when prioritizing health and safety as we continue to navigate the COVID-19 pandemic.

This policy is the most up to date version but is subject to change based on COVID-19 cases within the school building, school community, and within New York City. As guidelines from New York City, the CDC, and the Department of Health shift, the details of this plan may shift as well.
