

Ivy Hill Preparatory Charter School
OFFICIAL RECOMMENDATION

IVY HILL PREPARATORY CHARTER SCHOOL

Management Recommendation

04-07-2020

Recommendation:

Background:

We received formal proposals from 4 vendors. All vendors followed the requirements as outlined by management. Each bid contains 230 desk and 240 chairs.

Recommendation:

Management recommends that we go with Chameleon Marketing Group to fulfil our school furniture needs. We would recommend them based on the following:

1. Chameleon Marketing Group has the exact color and style that we currently have in house.
2. Chameleon Marketing has an established relationship with management and their growing furniture needs.
3. Chameleon Marketing's price point came in 1.8k above the lowest vendor, however CMG provides management with a sense of security given the current climate that will be able to get our materials in house prior to summer.
