### III. School Updates

#### ➤ 2021 Kick Off

#### ➤ STEP Round 2

- On January 7<sup>th</sup>, our students and staff began STEP Round 2 to assess literacy growth over the past six weeks.

#### ➤ Remote Learning Update: Black History Thursdays

- Beginning January 14<sup>th</sup>, Ivy Hill Prep will introduce our virtual component of our Black History Curriculum.
- Once per week, writing instruction will be paired with Black History as students learn about Black historical figures, the creed values that they embodied, and how they too can showcase these characteristics in their everyday lives.

- **Be on the lookout for our 2<sup>nd</sup> Annual Living Black Wax Museum on Friday, February 26, 2021!**

➤ **Asynchronous Science Lessons**

- Beginning the week of January 11, 2021, students and families will have the option to participate in weekly science experiments. Doing science experiments helps develop a child's resourcefulness, particularly their skills at goal setting, planning, and problem solving. These lessons will nurture intellectual curiosity and will help our students acquire new ways of asking questions and understanding the world. We're looking forward to it!
