

## *Annedrea Coleman: First 90 Days Goals*

### **Purpose of this Document**

- Provide transparency and alignment regarding expectations and support needed
- Provide a structure for ongoing check-ins between Annedrea, Adam, and the Board
- Enable a positive and supportive relationship between Annedrea and the Board

### **What this Document is Not**

- A full scope of Annedrea's responsibilities (rather, it articulates the most important goals during Annedrea's first 90 days)
- A performance evaluation rubric (rather, it guides Annedrea's learning and support needed). A performance evaluation tool and process will be created at a later date.

### **Guidance for Making the Most of this Document**

- **Creating goals:**
  - After initial goals have been proposed, Annedrea's and Adam should revise and mutually agree on the goals. Goals should then be shared with HOS Committee and full board.
  - Goals should be as SMARTIE as possible
  - Adam, Annedrea, and the board should discuss WHY each goal is important
  - Share the document with the full board to ensure transparency
- **Ongoing usage:**
  - Using this document should not be a burden; rather, it is a tool to prompt discussion. Annedrea and Adam can write their thoughts in the document (and / or share) prior to check-ins, but this is not required
  - "Current Progress Toward Goals" is an opportunity to share feedback early and with consistency on how Annedrea is doing relative to the goals set at the start
  - "Other Feedback" is an opportunity to share feedback that may not be directly related to the attainment of goals, but can be used to shout out exceptional performance or give constructive feedback.
  - "Manager Questions" are meant as thought starters. Importantly, Annedrea's responses to the Manager Questions are a form of feedback, and the chair / full Board should take action based on this feedback.
