There was a discussion surrounding the capital budget and the need to time expenses to ensure there was an appropriate amount of cash flow. There was also a discussion surrounding the capital budget being contingent upon management timing expenditures within the necessary time frame for reimbursement from the CSP grant.

The Board also discussed funding for students with IEPs. The Board questioned whether Ivy Hill Prep would be eligible for additional funding for students who receive special education services, even if they are not taught by certified special education teachers. The Baseline Reading Assessment from the beginning of the year revealed that 60% students were performing below grade level. Now, two months into the school year, that number has dropped to 15%.
