III.	Governing Board Policy Statement		
------	----------------------------------	--	--

The Charter School shall utilize an autonomous governing body in the form of a governing board (Governing Board), which shall operate in accordance with its bylaws and which shall be responsible for complying with and carrying out the provisions of this Charter, including compliance with all applicable law. The Governing Board shall exercise substantive control over such areas as personnel decisions, financial decisions, curriculum and instruction, resource allocation, establishing and monitoring the achievement of school improvement goals, and school operations, which are listed by way of example and not by limitation. Function. It shall be the function of the Governing Board to uphold the Charter School's mission and vision, to set policy for the Charter School, to work collaboratively with school officials to ensure the Charter School complies with the performance goals enumerated in Section 9 above, to ensure effective organizational planning, and to ensure financial stability of the Charter School.

IV. Misson Statement for The Wright Community School

At The Wright Community School, we empower our students to become the P.I.L.O.T.S (Proactive, Innovative, Literate, Organized, & Tenacious Scholars) of their own lives by fostering a strong sense of community and providing them with an individualized education enriched with support and leadership.
