B.	Approval of Mural Proposal	Vote	Kendal Baldwin

The first stage will be in the HS, followed by the outside of the JH facing the football field.
There is an elementary mural as well. However, we are not planning to get that one completed this year.
This year's two mural projects are grant-funded and will not require the use of general funds. Headwaters has approved $20,000, and Roots to Rise has approved $15,000, to support this year's mural projects. The cost of the high school mural is $16,660, and the cost of the junior high mural is $17,750, bringing the total project cost to $34,410.
