We have two bids for the work on the new building to transform it into educational space. The facilities team is pushing to work with Carroll Daniel.

Unexpected expenses for the new school surpassed the initially planned \$12.25M. Need to confirm how much wiggle room we should give to avoid follow-up meetings. The target spend is \$12.5M. Contingency budget is up to \$12.75M. The board needs to confirm what amount is okay to go back to the contractor with between \$12.25 - 12.75

Q. Johnson made a motion to Motion to approve selection of general contractor of Carrol Daniel for up to \$12.5M, in terms outlined in board resolution.

B. Howell seconded the motion.

The board **VOTED** unanimously to approve the motion.
