For that reason, if you have any questions concerning eligibility for a particular benefit, or the applicability of a policy or practice to you, you should address your specific questions to your supervisor or the Assistant Superintendent of Instruction and Human Resources. You are responsible for reading, understanding, and complying with the provisions of this Handbook. Our objective is to provide you with a work environment that is constructive to both personal and professional growth.

Neither this handbook nor any other TEACH Las Vegas document confers any contractual right, either express or implied, to remain in TEACH Las Vegas's employ, nor does it guarantee any fixed term or condition of your employment. Except as otherwise provided in an executed employment agreement, your employment is not for any specified period of time and may be terminated at will, with or without cause and without prior notice, by TEACH Las Vegas or you may resign for any reason at any time.

No supervisor or other representative of TEACH Las Vegas except the Executive Director, Superintendent, or CFO with the approval of the Board of Directors, has the authority to enter into any agreement for employment for any specified period of time, or to make any agreement contrary to the above. Second, the procedures, practices, policies, and benefits described herein may be modified or discontinued from time to time with or without advance notice. We will try to inform you of any changes as they occur.

Finally, this handbook contains proprietary information that should not be disclosed outside TEACH Las Vegas, other than to individuals affiliated with TEACH Las Vegas whose knowledge of the information is required in the normal course of business.

# SECTION 3 – OUR MISSION/VISION/PHILOSOPHY

# MISSION STATEMENT

TEACH Las Vegas' mission is to create a high quality, innovative teaching and learning environment that focuses on literacy, integrating state-of-the-art technologies across the core curriculum to achieve academic proficiency for all students.

# VISION STATEMENT

Our vision is to reach students of all backgrounds by teaching the entire child, which includes the social, physical, emotional, and intellectual needs of the student. Upon graduation, the knowledge and the experience acquired at our schools are effectively applied to students' daily lives.

# ACADEMIC PHILOSOPHY

TEACH Las Vegas are innovative, dynamic, creative, and educationally enriching institutions of positive-driven learning, focusing on the individual student's needs rather than a one-size-fits-all focus on the "average" child. We believe that all children can learn when taught well and given an opportunity to thrive. We adhere to the thinking of philosopher G. Givhan, "What you pay attention to grows." By looking consistently at our students and the data of our practices, our teachers and students grow in their development and to great successes in the 21st century.

# SECTION 4 – EMPLOYMENT

# EMPLOYMENT APPLICATIONS

We rely upon the accuracy of information contained in the employment application and the accuracy of other data presented throughout the hiring process and employment. Any misrepresentations, falsifications, or material omissions in any of this information or data may result in exclusion of the individual from further consideration for employment or, if the person has been hired, termination of employment.

# AT WILL EMPLOYMENT

We believe that an employment relationship is successful as long as both parties are mutually satisfied. Accordingly, both you and TEACH Las Vegas will have the right to terminate your employment and all related compensation and benefits at any time, with or without cause and with or without notice. In addition, TEACH Las Vegas may eliminate or change any term or condition of your employment (including but not limited to your job assignment, duties, or salary) at will, at any time, for any reason not prohibited by law, with or without cause and with or without previous notice.

This is called "employment at will," and no one other than the Executive Director, Superintendent or CFO of TEACH Las Vegas, with the approval of the Board of Directors, has the authority to alter your employment at-will status, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to this policy. Further, any such agreement must be in writing and must be signed by both the Superintendent and CFO. Statements of specific grounds for termination set forth in this Handbook, or elsewhere, are not all-inclusive and are not intended to restrict TEACH Las Vegas's right to terminate at-will.

# EQUAL EMPLOYMENT OPPORTUNITY

TEACH Las Vegas is an equal opportunity employer. In accordance with applicable law, the School prohibits discrimination against any employee or applicant for employment on the basis of an individual's protected status, including race (which includes historically associated traits, such as hair styles and protective hair styles, e.g., braids, locks, and twists), color, religious creed (which includes, without limitation to religious dress and grooming practices), gender, gender identity, gender expression, national origin (which includes, but is not limited to, national origin groups and aspects of national origin, such as height, weight, accent, or language proficiency), ancestry, physical disability, mental disability, medical condition, genetic information, age, sexual orientation, marital status, sex (which includes pregnancy, childbirth, breastfeeding, and related medical conditions), military or veteran status (including state and federal active and reserve members as well as those ordered to duty or training), immigration/citizenship status or related protected activities (which includes undocumented individuals and human trafficking), protected medical leaves, domestic violence victim status, political affiliation, or any other consideration protected by applicable law. These categories include a perception that the

individual has any of these characteristics or is associated with a person who has (or is perceived to have) any of these characteristics. The School will ensure that applicants and employees are treated in all aspects of employment without unlawful discrimination because of these or any other protected basis. Such aspects of employment include, but are not limited to, recruitment, hiring, promotion, demotion, transfer, layoff, termination, compensation, and training.

To comply with applicable laws ensuring equal employment opportunities to qualified individuals with a disability, the School will make a good faith effort to provide reasonable accommodations for the known physical or mental limitations of an otherwise qualified applicant or employee with a disability, unless undue hardship would result to the School. An applicant or employee who believes he or she requires an accommodation in order to perform the essential functions of the job should contact Assistant Superintendent of Instruction and Human Resources and request such an accommodation, specifying what accommodation he or she needs to perform the job. The School will analyze the situation, engage in an interactive process with the individual, and respond to the individual's request.

If you believe you have been subjected to discrimination, please follow the complaint procedure outlined below.

## HARASSMENT

It is the policy of TEACH Las Vegas to ensure equal employment opportunity without harassment on the basis of race (which includes historically associated traits, such as hair styles and protective hair styles, e.g., braids, locks, and twists), color, religious creed (which includes, without limitation, to religious dress and grooming practices), gender, gender identity, gender expression, national origin (which includes, but is not limited to, national origin groups and aspects of national origin, such as height, weight, accent, or language proficiency), ancestry, physical disability, mental disability, medical condition, genetic information, age, sexual orientation, marital status, sex (which includes pregnancy, childbirth, breastfeeding, and related medical conditions), military or veteran status (including state and federal active and reserve members as well as those ordered to duty or training), immigration/citizenship status or related protected activities (which includes undocumented individuals and human trafficking), protected medical leaves, domestic violence victim status, political affiliation, or any other consideration made unlawful by federal, state, or local laws, ordinances, or regulations. These categories include a perception that the individual has any of these characteristics or is associated with a person who has (or is perceived to have) any of these characteristics.

TEACH Las Vegas prohibits any such harassment in the workplace. In addition, we prohibit abusive conduct/workplace bullying in the work environment. It is our mission to provide a professional work and learning environment free of harassment, discrimination and/or workplace bullying and that maintains equality, dignity, and respect for all. This policy protects all employees of the School as well as interns, volunteers, and potential employees (applicants). All employees of the School are required to abide by this policy, regardless of position or status, including supervisors, administration, and co-workers. In addition, this policy prohibits unlawful harassment by third parties, including students, parents, vendors or other third parties, who have workplace contact with our employees. Conduct prohibited by these policies is unacceptable in the workplace and in any work-related setting outside the workplace, such as during business or field trips, meetings and business or school-related social events.

• Bullying, gossip, profanity, abusive conduct and negative comments are destructive to our School culture, create false rumors, disrupt school operations and interfere with the privacy of others.

#### What is Retaliation?

Retaliation against an individual for reporting harassment, discrimination or for participating in an investigation of a claim of such conduct is a serious violation of this policy and, like harassment or discrimination itself, will be subject to disciplinary action. Acts of retaliation should be reported immediately and will be promptly investigated and addressed.

As used in this policy, "retaliation" means taking any adverse employment action against an employee because the employee engaged in protected activity pursuant to this policy. Protected activity may include, but is not necessarily limited to, reporting, or assisting in reporting suspected violations of this policy, cooperating or participating in investigations or proceedings arising out of a violation of this policy, or engaging in any other activity protected by applicable law.

As used in this policy, an "adverse employment action" means conduct or an action that materially affects the terms and conditions of the employee's employment status or is reasonably likely to deter the employee from engaging in further protected activity. Adverse employment actions may include, but are not limited to, the following: demotion; suspension; reduction in pay; denial of a merit salary increase; failure to hire or consider for hire; refusing to promote or consider for promotion because of reporting a violation of this policy; harassing another employee for filing a complaint; denying employment opportunities because of making a complaint or for cooperating in an investigation; changing an employee's work assignments for identifying harassment or other forms of discrimination in the workplace; treating an employee differently such as denying an accommodation; not talking to an employee (the "cold shoulder") when otherwise required by job duties; or otherwise excluding the employee from job-related activities because of engagement in activities protected under this policy.

Any retaliatory adverse action because of a protected activity will not be tolerated. If an employee believes he/she has been subjected to, has witnessed, or has knowledge of retaliation in violation of this policy, please follow the complaint procedure outlined below.

#### Responsibility

All TEACH Las Vegas employees have a responsibility for keeping our work environment free of harassment, discrimination, retaliation, and abusive conduct in accordance with this policy.

#### Reporting

TEACH Las Vegas strongly encourages reporting of all perceived incidents of discrimination, harassment, abusive conduct, or retaliation, regardless of the offender's identity or position. Individuals who believe that they have been subjected to such conduct should immediately discuss their concerns with their immediate supervisor, or Assistant Superintendent of Instruction and Human Resources. All employees who witness potential violations of this policy, and particularly supervisors, are required to immediately report such incidents to Assistant Superintendent of Instruction and Human Resources. Supervisors must report any and all conduct

of which they are made aware, which violates, or may violate, policies regarding discrimination, unlawful harassment, or retaliation to Assistant Superintendent of Instruction and Human Resources, or other upper-level administrators as appropriate. Supervisors who fail to report alleged violations may be subject to disciplinary action, up to and including termination. There is no requirement to report your complaint to any designated supervisor within TEACH Las Vegas. Select the individual supervisor with whom you feel the most comfortable discussing your complaint. Do not report your complaint to any individual who has allegedly engaged in the inappropriate behavior that is the subject of your complaint.

Every effort will be made to keep such reports as confidential as possible, although confidentiality cannot be guaranteed. TEACH Las Vegas is serious about enforcing its policy against discrimination, harassment, and retaliation; however, TEACH Las Vegas cannot resolve potential violations that it does not know about. Therefore, employees are responsible for bringing any such problems to TEACH Las Vegas's attention so it can take whatever steps are necessary to correct the problems.

All complaints submitted pursuant to this policy can be done in writing or verbally. Your complaint should be specific and should include the names of the individuals involved, the names of any witnesses, and any supporting documentation. Employees may choose to submit their complaints anonymously. <DESCRIBE HOW>

#### Investigation/Complaint Procedure

All complaints of unlawful harassment, discrimination or retaliation will be promptly investigated.

TEACH Las Vegas encourages the prompt reporting of complaints or concerns so that rapid and appropriate remedial action can be taken before relationships become irreparably strained. Therefore, while no fixed reporting period has been established, early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of harassment.

TEACH Las Vegas's investigation methods will vary depending on the nature of the complaint, the allegations, the witnesses, and other factors. The investigation may include individual interviews with the parties involved and, where necessary, with individuals who may have observed the alleged conduct or may have other relevant knowledge. Confidentiality will be maintained throughout the investigatory process to the extent possible and consistent with adequate investigation methods and appropriate corrective actions. The School has a compelling interest in protecting the integrity of its investigations. In every investigation, the School has a strong desire to protect witnesses from harassment, intimidation and retaliation, to keep evidence from being destroyed, to ensure that testimony is not fabricated, and to prevent a cover-up. If the School reasonably imposes a confidentiality requirement and you do not maintain such confidentiality, you may be subject to disciplinary action up to and including immediate termination.

All employees are required to fully cooperate with TEACH Las Vegas's investigation, which includes, but is not limited to, providing all pertinent information in a truthful manner, submitting

pertinent documents in their possession, not interfering with the investigation in any manner, and maintaining an appropriate level of discretion regarding the investigation. Failure to do so may result in disciplinary action, up to and including termination.

During the investigation, TEACH Las Vegas will provide regular progress updates, as appropriate, to those directly involved. TEACH Las Vegas will strive to complete its investigation as efficiently as possible in light of the allegations and will reach any conclusions based on the evidence collected and credibility of the witnesses.

TEACH Las Vegas may investigate conduct in the absence of a formal complaint if the TEACH Las Vegas has reason to believe that an individual has engaged in conduct that violates TEACH Las Vegas policies or applicable law. Further, TEACH Las Vegas may continue its investigation even if the original complainant withdraws his or her complaint during the course of the investigation.

Any conduct which TEACH Las Vegas believes constitutes harassment, discrimination, abusive conduct, or retaliation in violation of this policy will be dealt with appropriately. Corrective action may include, for example, training, referral to counseling and/or disciplinary action such as warning, reprimand, withholding of a promotion or pay increase, reassignment, temporary suspension without pay or termination, as TEACH Las Vegas believes is appropriate under the circumstances. Due to privacy protections, the TEACH Las Vegas may not be able to fully disclose its entire decision regarding corrective action to the complainant. False and malicious complaints of harassment, discrimination, abusive conduct, or retaliation as opposed to complaints, which, even if erroneous, are made in good faith, may be the subject of appropriate disciplinary action.

#### Conclusion

This policy was developed to ensure that all employees work in an environment free from harassment, discrimination, abusive conduct and retaliation. Any employee who has questions or concerns about these policies should talk with the Assistant Superintendent of Instruction and Human Resources or Superintendent.

If you believe you have experienced discrimination or harassment you may file a Department of Fair Employment and Housing ("DFEH") or Equal Employment Opportunity Commission complaint. For information contact the DFEH or EEOC. You may find their phone numbers online at www.eeoc.gov and www.dfeh.ca.gov, respectively.

#### **Training Requirements**

TEACH Las Vegas requires all employees to abide by Nevada's training requirements, which includes training within six months of hire and retraining every two years thereafter. Employees who fail to complete this required training will be subject to disciplinary action, up to and including termination.

TEACH Las Vegas will attempt to keep the employee's concerns and complaints confidential to the extent feasible. However, in the course of resolving the matter, some dissemination of information to others may be necessary, appropriate, and/or required by law. Employees with concerns or complaints relating to harassment, discrimination or retaliation should follow the reporting procedure outlined in this Handbook.

For more information, contact the Labor Commissioner's Office by phone or visit a local office by finding the nearest one on our website: www.dir.ca.gov/dlse/DistrictOffices.htm. #### Exempt

Employees whose positions meet specific criteria established by state and federal law and who are exempt from overtime pay requirements.

#### Non-Exempt

Employees whose positions do not meet specific criteria established by state and federal law and are paid overtime and double-time pay in certain circumstances. Overtime and double-time compensation will be paid in accordance with all state and federal laws, which is generally the following:

- Overtime (paid at one-and-a-half times the employee's regular rate of pay): All hours worked in excess of 40 hours per workweek, in excess of 8 hours in a workday, and for the first 8 hours worked on the seventh consecutive workday.
- Double-time (paid at twice the employee's regular rate of pay): All hours worked in excess of 12 hours in a workday and in excess of 8 hours worked on the seventh consecutive workday.

#### Temporary (Full-Time or Part-Time)

An employee who is hired for a particular project or job of limited or definite duration is considered a temporary employee. A temporary employee is not eligible to earn, accrue, or participate in any School benefits program, except as otherwise required by law.

Temporary employees retain that status until they are notified of a change, in writing, by Assistant Superintendent of Instruction and Human Resources.

# WORK SCHEDULES

All employees will be assigned a work schedule suitable for their job assignment and will be expected to begin and end work according to the schedule. Please note that schedules may vary depending on a variety of factors including whether you work during the academic year or on an annual basis. The Assistant Superintendent of Instruction and Human Resources or your supervisor will assign your individual work schedule. In order to accommodate the needs of our business, it may be necessary to change individual work schedules on either a short- term or long-term basis. All employees are expected to be at their desks or workstations at the start of their scheduled shift, ready to work. If you need to modify your schedule, request the change with Human Resources or your supervisor. All schedule changes or modifications must be approved by the Assistant Superintendent of Instruction and Human Resources.

TEACH Las Vegas reserves the right to assign employees to jobs other than their usual assignment when necessary, provided the employee is capable of performing the essential functions of the alternate assignment. Non-exempt employees are not allowed to perform work at home or away from the School unless specifically authorized for each occurrence by their supervisor. Non-exempt employees are not to work before or to continue working after their scheduled hours unless specifically assigned by the supervisor. Non-exempt employees are not allowed to work "off the clock." Attendance at school-sponsored functions is not compensated unless the supervisor has required you to attend the function. Employees violating these rules may be subject to disciplinary action up to and including termination.

#### Exempt Employees:

The normal working hours for instructional employees at the school sites are from 7:00 a.m. to 5:00 p.m. with two ten (10) minute rest breaks and a thirty (30) minute meal break. Instructional employees may be required to work other than the normal hours and to take their lunch breaks and/or rest breaks on a rotating basis so that classes and student activities are always covered. There will occasionally be activities that will require teacher participation outside of regular business hours such as instructional prep, evening and Saturday family workshops or special meetings.

The Assistant Superintendent of Instruction and Human Resources must approve any exceptions to the regular work schedule for instructional employees.

#### Non-Exempt Employees:

The Principal & Assistant Superintendent of Instruction and Human Resources will determine the normal working hours for non-instructional employees. Nonexempt, non-instructional employees are entitled to two ten (10) minute rest breaks and a thirty (30) minute meal break and are entitled to overtime and double-time pay as required by law.

Exempt employees, including Instructional and Non-Instructional employees, will be expected to work the number of hours necessary to complete their assigned responsibilities.

# WORKWEEK AND WORKDAY

TEACH Las Vegas's workweek is from Sunday at 12:00 A.M. through the following Saturday at 11:59 P.M. TEACH Las Vegas's standard workday is 12:00 a.m. to 11:59 p.m. each day.

## SCHOOL HOLIDAYS

The School observes 12 paid holidays during the year:

- New Year's Day
- Martin Luther King Day
- President's Day
- Memorial Day
- Independence Day
- Labor Day
- Nevada Day
- Veteran's Day
- Thanksgiving Day
- Day after Thanksgiving
- Christmas Eve Day
- Christmas Day

To be eligible for holiday pay, an employee must be full-time and non-exempt and must work both the business day before and after the holiday. Part-time employees, temporary employees, exempt employees (including, but not limited to, teachers) are not eligible for holiday pay. Exempt employees and teachers will receive their regularly scheduled pay during holidays.

Eligible employees will receive time off with pay at their regular rate of pay on the Schoolobserved holidays listed above. When a holiday falls on a Saturday or Sunday, it is usually observed on the preceding Friday or following Monday. However, the School may close on another day. Holiday observance will be announced in advance. The School reserves the right to change this policy at any time, with or without notice.

Holiday hours do not count as hours worked for purposes of calculating overtime. For example, if you receive 8 hours of holiday pay on Monday and work 40 hours Tuesday-Saturday (8 hours/day), you will not be eligible for overtime.

Recognized religious holidays may be taken off by an employee whose religion requires observance of the particular day. Employees must request the day off in advance by written notice to the Assistant Superintendent of Instruction and Human Resources. The employee may use paid vacation if the employee has unused vacation available, otherwise the holiday will be unpaid. All steps will be taken to reasonably accommodate a religious holiday (or practice) absent an undue hardship.

To qualify for holiday pay, all employees must work the last scheduled day before and the first scheduled day after the holiday unless the employee is absent:

- At the Supervisor's request/approval
- Due to closure of schools because of inclement weather
- Prior to or following Jury Duty or Bereavement Leave
- Due to a previously scheduled and approved vacation

# ACADEMIC FREEDOM

Academic freedom is not an absolute. It must be exercised within the basic ethical responsibilities of the teaching profession. Those responsibilities include:

- An understanding of our academic traditions and methods.
- A concern for the welfare, growth, maturity and development of children.
- The use of accepted scholastic methods; and
- Application of good taste and judgment in selecting and employing materials and methods of instruction.

# ATTENDANCE AND PUNCTUALITY

Employees are expected to observe regular attendance and be punctual. Each of our employees is critical to our success. Therefore, regular attendance and punctuality is considered an essential function of all positions. If you are unable to report for work on any particular day, you must call and email the site Principal or supervisor at least one hour before the time you are scheduled to begin working for that day. If you call and email in less than one hour before your scheduled time to begin work, you will be considered tardy for that day. Absent extenuating circumstances or a medical provider's order excusing you from work for a period of time, you must call in on any day you are scheduled to work and will not report to work. The School understands that in some cases, advance notice is not possible. In these cases, notify the Principal or supervisor personally at the earliest possible moment. In some circumstances, you may be required to provide verification of or documentation for your absence.

More than three instances of non-illness related tardiness by any employee during any twelvemonth period are considered excessive. Any unexcused absence is considered excessive.

If you fail to report for work without any notification to the site principal, supervisor or Assistant Superintendent of Instruction and Human Resources and the absence continues for a period of three business days, the School will determine that you have abandoned your job and voluntarily terminated your employment.

# TIME RECORDS (NON-EXEMPT EMPLOYEES)

Nonexempt employees must accurately complete time records within the School's timekeeping system on a daily basis. Each time record must show the exact time each work period began and

ended, the meal periods taken, and your signature. Absences and overtime must be accurately identified on your time record. Non-exempt employees are not allowed to work "off the clock." All time actually worked must be recorded. This includes the use of laptops, computers, PDAs or cellphones to check work email, voicemail or to send text messages after hours. You cannot record time and/or submit a time record for another employee. Each employee must sign and submit his or her own time record.

Exempt employees must report full days of absence from work.

# MEAL AND REST PERIODS (NON-EXEMPT EMPLOYEES)

All non-exempt employees are provided with an opportunity to take meal and rest periods consistent with the law. During your meal periods and rest periods, you may not work at all. You are excused from all duties. In addition, please understand that you may not combine required meal or rest periods in order to take a longer break. Also, you may not miss a required meal or rest period in order to start work later or leave work earlier. In the rare event that you believe you cannot take a meal or rest period, or you are unable to take a full meal or rest period pursuant to School policy or you must begin your meal period more than five hours after your work period began, you must notify Human Resources in advance whenever possible (and, in any event, as soon as possible) so that the proper measures may be taken. If you leave the premises for either a meal or rest break, you are doing so for strictly personal reasons and will not be covered by worker's compensation.

Failure to comply with the School's policy regarding meal and/or rest periods can lead to discipline, up to and including termination

#### Meal Periods

Nonexempt employees (hourly employees) scheduled to work more than five hours in a day are given a 30-minute duty-free unpaid meal period. The meal period must be taken before the end of the fifth (5th) hour of work. For example, if the employee begins working at 7:00 a.m., then the employee must clock out to begin his or her meal period no later than 12:00 p.m. (noon). The employee may waive this meal period if his/her workday will be completed within a total of six hours or less. To waive a meal period, the employee must receive prior written approval from the Assistant Superintendent of Instruction and Human Resources and complete a "Meal Period Waiver" form.

If an employee's day exceeds ten hours of work time, the employee is entitled to an additional 30-minute duty-free meal break. The employee may only waive this second meal period if he/she has taken the required first meal break of at least 30 minutes and his/her workday will not exceed 12 hours. To waive the second meal period, the employee must receive prior written approval from the Assistant Superintendent of Instruction and Human Resources and complete a "Second Meal Period Waiver" form.

Hours Worked

Number of Meal Periods
0 hours to 5 hours	No meal period
Over 5 hours to 10 hours	1 30-minute meal period
Over 10 hours to 14 hours	2 30-minute meal periods

Nonexempt employees must observe assigned working hours, the time allowed for meal periods, and report any missed, late or short meal periods on that days' time record and to the employee's supervisor immediately. The meal period must be accurately recorded on the employee's time sheet. Meal periods are unpaid time and employees are free to leave the premises. Meal periods may not be combined with rest periods or used to come in later or leave earlier on a workday.

### Rest Periods

Nonexempt employees are authorized and permitted to take a 10-minute rest period for each four (4) hours of work or major portion thereof. Your supervisor may schedule your rest periods. Rest periods should be taken as close to the middle of a work period as possible and cannot be taken in conjunction with a meal period. Rest periods are paid work time; they cannot be waived by the employee in order to shorten the workday or used towards additional time off.

Hours Worked	Number of Rest Periods
3.5 hours to 6 hours	1 10-minute rest period
Over 6 hours to 10 hours	2 10-minute rest periods
Over 10 hours to 14 hours	3 10-minute rest periods

Nonexempt employees must observe assigned working hours, the time allowed for rest periods, and report any missed rest period on the days' time record and to the employee's supervisor immediately. Employees are encouraged to report any concerns regarding meal or rest periods to Human Resources.

#### **Reporting Form**

In addition to reporting, it on their time record, any employee who misses a meal or rest period or who experiences a late, short, or interrupted meal period—for any reason—must immediately report this issue to his or her supervisor and complete a [Reporting Form]. The employee must fill out all fields on the form, including providing a thorough explanation for the non-compliant meal or rest period. The employee must complete and turn in this form to <his or her supervisor> on the same workday that he or she experienced the non-compliant meal or rest period.

If an employee voluntarily chooses to miss a meal or rest period or take a late, short, or interrupted meal period (e.g., I chose to take my lunch later in the day or I chose to refuse an "authorized" meal period at the time provided by TEACH Las Vegas), the employee is not entitled to premium pay (one additional hour of pay). If an employee involuntarily experiences a missed meal or rest period or a late, short, or interrupted meal period (e.g., my supervisor asked me to handle a call or meeting that caused me to miss or take a late meal period), the employee is entitled to premium

pay. Employees must report the reason for the non-compliant meal or rest period on the form, or to Human Resources.

### PAYDAYS

The designated pay period for all employees is semi-monthly. The first pay period of the month extends from the first  $(1^{st})$  day of the month through the fifteenth  $(15^{th})$  day of the month. The second pay period of the month extends from the sixteenth  $(16^{th})$  of the month through the last day of the month.

Paychecks are distributed on the fifteenth (15<sup>th</sup>) day of the month for the first pay period and on the last day of the month for the second pay period. Except as otherwise provided, if any date of paycheck distribution falls on a Saturday, Sunday or holiday, employees shall be paid on the preceding scheduled workday.

A written, signed authorization is required for mail delivery or for delivery of your paycheck to any other person. If you have automatic deposit for your paycheck, your funds will be deposited to the financial institution you requested by the end of business on the scheduled payday. While an automatic deposit may actually credit to your account before your actual "payday," the school is not responsible for automatic payments or withdraws dated prior to your actual payday and you should not depend on early deposits of your pay.

## PAYROLL WITHHOLDINGS

TEACH Las Vegas is required by law to withhold Federal Income Tax, State Income Tax, Social Security (FICA), State Teachers Retirement Service (STRS for eligible credentialed faculty or PERS, if the school participates) and State Disability Insurance from each employee's paycheck as outlined below. Additionally, if a garnishment, tax levy, or an order to withhold child support payments should be delivered, TEACH Las Vegas must comply with that order within the time allowed by law and cannot postpone the payroll deduction for any reason. Voluntary deductions, which must be authorized in writing by employees, may include retirement plans, employee portion of insurance premiums, or any other benefit made available to employees.

If an employee believes an error has been made in his or her pay or deductions TEACH Las Vegas will work in good faith to resolve errors as soon as possible. The employee should notify the Assistant Superintendent of Instruction and Human Resources of any errors in pay or deductions withheld within seven (7) days from the date paid.

Every deduction from the employee's paycheck is explained on the check voucher/paystub. If the employee does not understand the deduction, then he or she should ask the Assistant Superintendent of Instruction and Human Resources to explain it. The employee may change the number of withholding allowances he or she wishes to claim for Federal and/or State Income Tax purposes before any pay period by filling out a new W-4 form and submitting it to the Assistant Superintendent of Instruction and Human Resources.

# **SECTION 6** – CONDITIONS OF EMPLOYMENT

## IMMIGRATION LAW COMPLIANCE

TEACH Las Vegas employs only those authorized to work in the United States in compliance with the Immigration and Control Act of 1986. Each new employee, as a condition of employment, must complete the Employment Eligibility Verification Form I-9 no later than the first day of work for pay and present original documentation establishing identity and employment eligibility as outlined on the I-9 instruction forms no later than three business days after he or she begins work. Former employees who are rehired must also complete the form if they have not completed an I-9 with TEACH Las Vegas within the past three years or if their previous I-9 is no longer retained or valid.

## CREDENTIAL REQUIREMENTS

If you are a credentialed team member, you must provide copies of your credential, certificate of clearance, transcripts, and test scores prior to your first day of actual work and if already employed, prior to the start of the academic year if applicable. Failure to provide these documents may delay your ability to begin work.

You are also responsible for keeping required certificates, credentials, and registrations current and in good standing, for paying the costs associated with renewal, and for providing both your principal and the School with verification of renewals. Failure to provide these updated documents to the School may result in suspension without pay until such time as the necessary documentation has been provided.

If you allow a credential, certificate, registration, or required course deadline to expire, or if you fail re-certification, training, or testing, or otherwise fail to maintain the necessary credential for your assignment, TEACH Las Vegas is required to remove you from the work schedule until you meet the necessary requirements for your assignment or renew your credential.

Results of these tests are strictly confidential. TB Clearance is good for four years and it is the employee's responsibility to remain in compliance and ensure the school has a valid certificate on file.

The examination for applicants for employment is a condition of initial employment. Therefore, the expense incident thereto shall be borne by the applicant. The cost of the examination required for existing employees shall be a reimbursable expense. Employees should follow the School's reimbursement procedures.

## CRIMINAL BACKGROUND CHECK

All employees must have Live Scan fingerprint results on file with TEACH Las Vegas in accordance with applicable law. Live Scan fingerprinting will be required of all job applicants,

employees, and volunteers as required by Nevada and federal law. These background checks are performed through a fingerprinting service coordinated by the Nevada Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI). Civil or criminal background checks may also be required of applicants and/or employees based on job duties or any other factors in accordance with applicable law.

All fingerprint and background information must be completed and the results in the possession of TEACH Las Vegas before the first day of employment. Failure to complete this process will delay the employee's ability to begin work.

Employees with adverse background information (such as certain specific criminal conviction) may be ineligible for employment with TEACH Las Vegas.

TEACH Las Vegas shall also request subsequent arrest notification from the Department of Justice and take all appropriate action based upon such further notification in accordance with applicable law.

For additional information on background checks, please contact the Assistant Superintendent of Instruction and Human Resources.

## CHILD ABUSE AND NEGLECT REPORTING ACT

If, within your professional capacity or within the scope of your employment, you observe or gain possession of knowledge that a child has been a victim of child abuse or sexual abuse or neglect, or you reasonably suspect it, Nevada Penal Code Section 11166 requires you to immediately report this information or suspicion to a child protective agency or the police. The report shall be made by phone as soon as possible and a subsequent written report must be sent within 36 hours of your knowledge or suspicion of the abuse. Failure to meet these obligations can result in a monetary fine and/or jail.

While each employee has the responsibility to ensure the reporting of any child he/she suspects is a victim of abuse, the employee is not to verify the suspicion or prove that abuse has occurred. It is extremely important that TEACH Las Vegas employees comply with the requirements of the Child Abuse and Neglect Reporting Act (CANRA). No mandated reporter can be held civilly or criminally liable for any report required or authorized by CANRA.

The Assistant Superintendent of Instruction and Human Resources is available to answer any questions employees may have about their responsibilities under CANRA, or to assist an employee in making a report under CANRA. If an employee makes a report pursuant to CANRA without TEACH Las Vegas's assistance, he or she is required to notify TEACH Las Vegas of the report if it is based on incidents, he or she observed or became aware of during the course and scope of his or her employment with TEACH Las Vegas.

## FIRST-AID AND CPR TRAINING

All individuals working unsupervised with children or in a classroom setting (i.e. core teachers, advisors, coaches, non-core teachers, administrators) must receive, renew, and maintain basic first-aid and CPR certification by the first day of school. Any employee required to be first aid certified and hired after the beginning of the school year will be required to provide proof of completion of both First Aid and CPR training prior to the first day of work.

For additional information on the training required, please contact the Assistant Superintendent of Instruction and Human Resources.

### PERSONNEL FILES

An employee or former employee (or designee) has the right to inspect or receive a copy of his or her personnel records at reasonable times, at a reasonable place, and on reasonable advance notice to the Assistant Superintendent of Instruction and Human Resources. All requests should be put in writing preferably on the form maintained by Administration. If the request includes a request for copies the employee or former employee may be required to pay for the actual costs of copying. Employer will respond to such a request within 30 days of receipt of the written request.

Employees are not entitled to inspect or copy: letters of reference, records that relate to an investigation of possible criminal activity, ratings, reports or records obtained prior to employment, prepared by examination committee members or obtained in connection with a promotional examination.

### CHANGES IN EMPLOYMENT

An employee is responsible for notifying the Assistant Superintendent of Instruction and Human Resources about changes in the employee's personal information and changes affecting the employee's status (for example, name changes, address or telephone number changes, marriages or divorces, etc.). This notification by the employee must occur as close to the change as possible, but no later than 30 days following the change.

# **SECTION 7 – PERFORMANCE**

## PERFORMANCE EVALUATIONS

### Administrative and Classified Staff:

Performance evaluations generally are conducted annually to provide both employees and supervisors with the opportunity to discuss the employee's position, tasks, identify and correct weaknesses, encourage and recognize strengths, and discuss methods for improving performance. The performance evaluations are intended to make employees aware of their progress, areas for improvement, and objectives or goals for future work performance. Favorable performance evaluations do not guarantee an increase in salary or promotional opportunities, or even continued employment.

### Teachers:

At the start of each academic year, each Teacher will meet with the site principal to establish Performance Objectives for that school year. The Teacher will put these objectives in writing in accordance with a template to be provided by the site principal

The site principal will generally evaluate the Teacher's performance at least once a year formally and on an ongoing basis informally. The evaluation will be based on factors including the Teacher's job description, accomplishment of the Performance Objectives, the TEACH Las Vegas's charter, and standards for teaching performance developed by the site principal, the TEACH Las Vegas's Board of Directors, and/or other TEACH Las Vegas staff.

In addition to these more formal performance evaluations, TEACH Las Vegas encourages you and your supervisor to discuss your job performance on an ongoing basis.

TEACH Las Vegas's provision of performance evaluations does not alter the at-will employment relationship. Nothing in this policy shall limit the right to terminate employment at-will or limit the TEACH Las Vegas's right to transfer, demote, suspend, administer discipline, and change the terms and conditions of employment at its sole discretion. Employment is at the mutual consent of the employee and TEACH Las Vegas. Accordingly, either the employee or TEACH Las Vegas can terminate the employment relationship at-will, at any time, with or without reason and with or without notice.

#### Basis for Determining Pay

Numerous factors may influence your rate of pay, including but not limited to, education, experience, training and/or the operational needs of the School. It is TEACH Las Vegas's goal to have a current Job Description for each employee that broadly defines the job responsibilities and essential functions for each position.

While TEACH Las Vegas strives to complete wage increase determinations on an annual basis, there is no guarantee that employees will receive a salary increase, cost of living adjustment or promotion every school year. Salary increases, cost of living adjustments and promotions are

solely within the discretion of TEACH Las Vegas and depend upon many factors in addition to performance. Positive performance evaluations do not guarantee increases in salary or promotions. Increases may be determined the basis of various factors including, but not limited to, performance, adherence to school policies and procedures, ability to meet or exceed duties, salary schedules/ranges/bands, achievement of performance goals, or operational factors.

Changes to the amount of an employee's wage or salary will become effective on the first regular pay period following the change.

# SECTION 8 – LEAVES

## FAMILY MEDICAL LEAVE ACT/NEVADA FAMILY RIGHTS ACT<sup>1</sup>

Eligible employees may request a family and medical leave of absence under the circumstances described below. Eligible employees are those who have been employed by the School for at least 12 months (not necessarily consecutive), have worked at least 1250 hours during the 12 months immediately prior to the family and medical leave of absence, and are employed at a worksite where there are 50 or more employees of the School within 75 miles.

Ordinarily, you must request a planned family and medical leave at least 30 days before the leave begins. If the need for the leave is not foreseeable, you must request the leave as soon as practicable. You should use the School's request form, which is available upon request from Assistant Superintendent of Instruction and Human Resources. Failure to comply with this requirement may result in a delay of the start of the leave.

A family and medical leave may be taken for the following reasons:

- 1. the birth of an employee's child or the placement of a child with the employee for foster care or adoption, so long as the leave is completed within 12 months of the birth or placement of the child;
- 2. the care of the employee's spouse, child, parent, or registered domestic partner with a "serious health condition";
- 3. the "serious health condition" of the employee;
- 4. the care of the employee's spouse, child, parent, or next of kin who is a member of the Armed Forces, including a member of the National Guard or Reserves, and who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or
- 5. any qualifying exigency as defined by the applicable regulations arising out of the fact that the employee's spouse, child, or parent is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation.

A "serious health condition" is one that requires inpatient care in a hospital or other medical care facility or continuing treatment or supervision by a health care provider. You may take a leave under paragraph (2) above only if due to a serious health condition, your spouse, child, parent, or

<sup>&</sup>lt;sup>1</sup> Employees may qualify for FMLA/CFRA Leave only if the School has 50 or more employees, the employees work within 75 miles of their respective worksites and meet other eligibility requirements set forth above. Please check with Assistant Superintendent of Instruction and Human Resources to determine whether you are eligible for FMLA/CFRA leave.

registered domestic partner requires your care or assistance as certified in writing by the family member's health care provider. If you are seeking a leave under paragraph (3) above, you must provide the School with a medical certification from your health care provider establishing eligibility for the leave, and you must provide the School with a release to return to work from the health care provider before returning to work. You must provide the required medical certification to the School in a timely manner to avoid a delay or denial of leave. You may obtain the appropriate forms from Assistant Superintendent of Instruction and Human Resources.

Family and medical leave is unpaid and may be taken for up to 12 workweeks during the designated 12-month period (with the exception of qualifying leaves to care for a member of the Armed Services who has a serious illness or injury, which may be taken for up to a total of 26 workweeks of leave during a single 12-month period). The 12-month period will be defined as a "rolling twelve months" looking backward over the preceding 12 months to calculate how much family and medical leave time has been taken and therefore determine the amount of leave that is available. Qualifying leaves to care for a member of the Armed Services who has a serious illness or injury will be calculated on the 12-month period looking forward. All time off that qualifies as family and medical leave will be counted against your state and federal family and medical leave entitlements to the fullest extent permitted by law.

You will be required to use any accrued vacation during unpaid family and medical leave (e.g. for example, any period in which you are not receiving a wage supplement through the EDD). You will also be required to use any accrued paid sick leave during unpaid family and medical leave that is due to your own or a family member's serious health condition. However, if an employee is receiving benefit payments pursuant to a disability insurance plan (such as Nevada's State Disability Insurance plan or Paid Family Leave program) or workers' compensation insurance plan, the employee and the School may mutually agree to supplement such benefit payments with available vacation and/or paid sick leave.

Benefit accrual, such as vacation, PSL, and holiday benefits, will be suspended during the approved leave period and will resume upon return to active employment. During a family and medical leave, group health benefits will be maintained as if you were continuously employed. However, you must continue to pay your share of applicable premiums (for yourself and any dependents) during the leave.

If you do not return to work on the first workday following the expiration of an approved family and medical leave, you will be deemed to have resigned from your employment. Upon returning from such a leave, you will normally be reinstated to your original or an equivalent position and will receive pay and benefits equivalent to those you received prior to the leave, as required by law. In certain circumstances, "key" employees may not be eligible for reinstatement following a family and medical leave. The School will provide written notice to any "key" employee who is not eligible for reinstatement.

If you have any questions concerning or would like to submit a request for a family and medical leave of absence, please contact Assistant Superintendent of Instruction and Human Resources.

## PREGNANCY DISABILITY LEAVE

The School provides pregnancy disability leaves of absence without pay to eligible employees who are temporarily unable to work due to a disability related to pregnancy, childbirth, or related medical conditions. Employees should make requests for pregnancy disability leave to their supervisor at least 30 days in advance of foreseeable events and as soon as possible for unforeseeable events. A health care provider's statement must be submitted, verifying the need for such leave and its beginning and expected ending dates. Any changes in this information should be promptly reported to the School. Employees returning from pregnancy disability leave must submit a health care provider's verification of their fitness to return to work.

The School will make a good faith effort to provide reasonable accommodations and/or transfer requests when such a request is medically advisable based on the certification of a health care provider. When an employee's health care provider finds it is medically advisable for an employee to take intermittent leave or leave on a reduced work schedule and such leave is foreseeable based on planned medical treatment because of pregnancy, the School may require the employee to transfer temporarily to an available alternative position. This alternative position will have equivalent rate of pay and benefits and must better accommodate recurring periods of leave than the employee's regular job.

Eligible employees are normally granted unpaid leave for the period of disability, up to a maximum of four months (or 17 1/3 weeks or 693 hours) per pregnancy. Employees will be required to use any accrued sick time during any unpaid portion of pregnancy disability leave (e.g. for example, any period in which you are not receiving a wage supplement through the EDD). Employees may also elect to use any accrued vacation time during any unpaid portion of pregnancy disability leave. If an employee is receiving benefit payments pursuant to a disability insurance plan (such as Nevada's State Disability Insurance plan or Paid Family Leave program), the employee and the School may mutually agree to supplement such benefit payments with available vacation and/or sick leave.

Benefit accrual, such as vacation, sick leave, and holiday benefits, will be suspended during the approved pregnancy disability leave period and will resume upon return to active employment. Group health benefits will be maintained during the approved pregnancy disability leave as if you were continuously employed. However, you must continue to pay your share of applicable premiums (for yourself and any dependents) during the leave.

So that an employee's return to work can be properly scheduled, an employee on pregnancy disability leave is requested to provide the School with at least one week's advance notice of the date she intends to return to work.

When an approved pregnancy disability leave ends, the employee will be reinstated to the same position, unless the job ceased to exist because of legitimate business reasons. An employee has no greater right to reinstatement to the same position or to other benefits and conditions of employment than if she had been continuously employed in this position during the pregnancy disability leave or transfer. If the same position is not available, the employee will be offered a comparable position in terms of such issues as pay, location, job content, and promotional opportunities, if one exists. An employee has no greater right to reinstatement to a comparable

position or to other benefits or conditions of employment than if the employee would not have otherwise been employed if leave had not been taken.

If you have any questions regarding pregnancy disability leave, please contact Assistant Superintendent of Instruction and Human Resources.

## MILITARY SPOUSE LEAVE

An eligible employee-spouse of a qualified service member is entitled to take ten (10) days of unpaid leave during a period when the spouse or domestic partner is on leave from deployment during a period of military conflict.

An eligible employee must work an average of 20 hours per week; must provide notice of his or her intention to take the leave within two (2) business days of receiving official notice that the service member will be on leave from deployment; and submit written documentation certifying that the service member will be on leave during the time the leave is required.

The employee may use accrued vacation]/sick leave during this unpaid time off.

## WORKERS' COMPENSATION LEAVE

Employees that are temporarily disabled due to a work-related illness or injury will be placed on workers' compensation leave. The duration of your leave will depend upon the rate of your recovery and the medical provider's recommendation. Workers' compensation leave will run concurrently with any other applicable medical leave of absence (i.e., FMLA/CFRA if applicable). Assistant Superintendent of Instruction and Human Resources will reach out to employees that have requested a workers' compensation leave regarding employer provided health insurance benefits. If you have any questions concerning this leave and/or any benefit related questions, please contact Assistant Superintendent of Instruction and Human Resources.

## BEREAVEMENT LEAVE

TEACH Las Vegas provides regular full-time employees up to THREE DAYS paid bereavement leave, beyond sick or vacation, due to the death of an immediate family member. This includes a parent (including an in-law and step-parent), spouse, domestic partner, dependent, sibling, stepsibling, grandparent or grandchild. If a funeral is more than 500 miles from your home, you may receive paid leave for FIVE DAYS with prior approval from your supervisor.

### JURY DUTY LEAVE

All employees who receive a notice of jury/witness duty must notify their supervisor as soon as possible so that arrangements may be made to cover the absence. In addition, employees must provide a copy of the official jury/witness duty notice to their supervisor. Employees must report for work whenever the court schedule permits. Either the School or the employee may request

an excuse from jury/witness duty if, in the School's judgment, the employee's absence would create serious operational difficulties.

Non-exempt employees who are called for jury/witness duty will be provided time off without pay. Exempt employees will receive their regular salary unless they do not work any hours during the course of a workweek. Employees may elect to use any accrued vacation during jury/witness duty leave.

In the event that the employee must serve as a witness within the course and scope of his or her employment with the School, the School will provide time off with pay.

## TIME OFF TO VOTE

The School will allow any employee who is a registered voter and does not have enough time outside of working hours to vote in a statewide election up to two (2) hours of work time to vote. If employees are unable to vote in an election during their non-working hours, then the School will grant up to two hours of paid time off to vote. The request must be made at least two (2) working days in advance. The time must be scheduled at the beginning or end of the work shift, whichever provides the least disruption to the normal work schedule unless the School and the employee agree otherwise.

An employee may also serve as an election official on Election Day without being disciplined, however the School will not pay the employee for this time off. Accrued unused vacation may be paid to the employee for this time off.

Employees must submit a voter's receipt on the first working day following the election to qualify for paid time off. Nothing in this policy requires the employee to bring his or her mail (absentee) ballot to work, including mailing such absentee ballot from work.

- If the School employs both parents, the first employee to request such leave will receive the time off. The other parent will receive the time off only if the leave is approved by his or her supervisor.
- Employees must use existing vacation in order to receive compensation for this time off.
- Employees who do not have paid time off available will take the time off without pay.
- Documentation of participation may be requested and will be sufficient if it is provided in writing by the school or the licensed childcare/day care facility.

## DOMESTIC VIOLENCE LEAVE/SEXUAL ASSAULT/STALKING LEAVE

If you are a victim of domestic violence, sexual assault and/or stalking, you may take time off to obtain or attempt to obtain judicial relief, such as obtaining restraining orders, to help insure your health, safety or welfare or that of your child(ren). Employees may use available vacation /PTO (if applicable) or accrued PSL. Otherwise, the time off is unpaid. All employees can take time

off from work to get medical attention or services from a domestic violence shelter, program, or rape crisis center, or receive psychological counseling or safety planning related to domestic violence, sexual assault, or stalking. Domestic violence, sexual assault and stalking victim's leave for medical treatment does not exceed or add to the unpaid leave time that FMLA/CFRA allows.]

You must give the School reasonable notice unless advance notice is not feasible and provide certification that you are seeking such assistance.

Certification may be sufficiently provided by any of the following:

- A police report indicating that you were a victim of domestic violence, sexual assault or stalking;
- A court order protecting or separating you from the perpetrator of an act of domestic violence, sexual assault or stalking, or other evidence from the court or prosecuting attorney that you appeared in court; or,
- Documentation from a medical professional, domestic violence advocate, health care provider, or counselor that you are undergoing treatment for physical or mental injuries or abuse resulting in victimization from an act of domestic violence, sexual assault or stalking.

Employees have the right to ask the School for help or changes in their workplace to make sure they are safe at work. The School will work with its employees to see what changes can be made. Changes in the workplace may include putting in locks, changing shifts or phone numbers, transferring or reassigning the employee, or help with keeping a record of what happened to the employee. The School may ask the affected employee for a signed statement certifying that this request is for a proper purpose and may also request proof showing the need for an accommodation.

The School will, to the extent allowed by law, maintain the confidentiality of an employee requesting leave under this provision. The School will not discharge, discriminate or retaliate against an employee who exercises their rights under this law.

TEACH Las Vegas is committed to ensuring employees are not treated differently or retaliated against because of any of the following:

- The employee is a victim of domestic violence, sexual assault, or stalking.
- The employee asked for time off to get help.
- The employee asked TEACH Las Vegas for help or changes in the workplace to ensure safety at work.

If any employee believes that he or she has experienced retaliation or discrimination as a result of conduct protected by this policy, the employee may file a complaint with his or her supervisor and/or the Labor Commissioner's Office. For more information, contact the Labor Commissioner's Office by phone or visit a local office by finding the nearest one on website: www.dir.ca.gov/dlse/DistrictOffices.htm. The Labor Commissioner's Office provides an interpreter at no cost to the employee, if needed.

### MILITARY LEAVE

Nevada's military leave laws and the Uniformed Services Employment and Reemployment Rights Act ("USERRA") ensure that employees are not adversely affected in their employment after taking leave for military service. Employees who serve in the military and are entitled to a military leave of absence without pay from the School under applicable laws should notify the Assistant Superintendent of Instruction and Human Resources regarding the need for military leave.

Please see the Assistant Superintendent of Instruction and Human Resources for more information regarding job reinstatement rights upon completion of military service.

## **SECTION 9 – BENEFITS**

## VACATION

Full-time employees who work twelve (12) months a year are eligible for vacation pay. Vacation is a time for you to rest, relax and pursue special interests. Vacation begins to accrue from date of hire and is only available for use after earning vacation time. TEACH recognizes employees by providing increased vacation time based on the number of years of continuous service.

Years of Continuous Service	Annual Time Provided	Maximum Accrual Allowed
1 - 5 years	10 days	15 days
6 – 10 years	15 days	22.50 days
11 + years	20 days	30 days

Employees that work only during the academic year do not earn vacation pay/time.

Every effort will be made to grant you your vacation at the time you desire. However, vacations should not interfere with TEACH's operation and, therefore, must be approved by the Assistant Superintendent of Instruction and Human Resources at least thirty (30) days in advance. If a holiday occurs during your scheduled vacation, if eligible, you will receive holiday pay for that day, and you will not be charged for a vacation day on the day the holiday is observed.

The maximum accrual for vacation pay is one and one half (1.5) times your normal accrual rate. Once the maximum accrual has been reached, no further time will accrue until the employee has taken vacation time. Any accrued, unused vacation at termination will be paid out. Vacation pay is not considered "hours worked" when computing overtime.

Vacation time may not be "cashed out" in lieu of taking time off.

### SICK LEAVE

The School enacted this policy in accordance with the Nevada Healthy Workplaces, Healthy Families Act to provide paid sick leave ("PSL") to eligible employees.

### **Eligible Employees**

All employees (including part-time and temporary) who work for the School more than 30 days within a year in Nevada are eligible to accrue PSL beginning on the first day of employment under the accrual rate and cap set forth in this policy.

### Permitted Use

Eligible employees may use their accrued PSL to take paid time off for the diagnosis, care, or treatment of an existing health condition of (or preventive care for) the employee or the employee's family member. For purposes of this policy, "family member" means a child, parent, spouse, registered domestic partner, grandparent, grandchild, or sibling of the employee. "Child" means a biological child, a foster child, an adopted child, a step-child, a child of a registered domestic partner, a legal ward, or a child of a person standing in loco parentis. "Parent" means a biological, foster, or adoptive parent, a step-parent, or a legal guardian of the employee or the employee's spouse or registered domestic partner. "Spouse" means a legal spouse, as defined by Nevada law.

Employees may also use their PSL to take time off from work for reasons related to domestic violence, stalking, or sexual assault.

### Accrual Rate, Maximum, and Carryover

Eligible employees will accrue one hour of PSL for every 30 hours worked beginning on their first day of employment. Accrual for non-exempt employees will be calculated based on actual hours worked. Accrual of PSL for eligible exempt employees will be calculated based on a 40-hour workweek or the employee's normal workweek if the employee normally works less than 40 hours. PSL accrues on an as-worked basis and does not accrue during any non-working time or unpaid leave of absence.

There is a cap on PSL accrual. Employees may accrue up to 48 hours of PSL. Once the employee's PSL reaches the maximum, further accrual of PSL is suspended until the employee has reduced the PSL balance below this limit. In such a case, no PSL will be earned for the period in which the employee's PSL was at the maximum. Accrued but unused PSL will carry over from year to year, subject to this maximum accrual.

### Limits on Use

Eligible employees may use accrued PSL beginning on the 90th day of employment. Each school year, employees may only use a maximum of 24 hours of their accrued PSL.

PSL may be taken in minimum increments of one hour. If an exempt employee absents himself or herself from work for part or all of a workday for a reason covered by this policy, he or she will be required to use accrued PSL to make up for the absence.

### Notification

The employee must provide reasonable advance notification, orally or in writing, of the need to use PSL, if foreseeable. If the need to use PSL is not foreseeable, the employee must provide notice as soon as practicable.

### **Termination**

Employees will not receive pay in lieu of accrued but unused PSL. Accrued but unused PSL will not be paid out upon termination.

### No Discrimination or Retaliation

The School prohibits discrimination or retaliation against employees for using their PSL.

### Cash out

Credentialed teachers are eligible to cash-out unused PSL at the end of the school calendar year at a rate of \$22 per hour.

Non-credentialed teachers and other non-teacher employees will not receive pay in lieu of unused PSL. Unused PSL will not be paid out upon termination or resignation. Teachers must complete the school year to be eligible for PSL cash-out program.

### **INSURANCE BENEFITS**

Full-time employees (30+ hours per week average) are entitled to insurance benefits offered by TEACH on the first day of the calendar month following the completion of sixty (60) days of continuous service. Certificated full-time employees are eligible to participate on the first day of the calendar month following the commencement of employment. These insurance benefits will include medical, dental, vision and life. TEACH will contribute up to \$350 a month towards insurance premiums for eligible non-exempt employees and up to 10% of monthly salary towards insurance premiums for eligible exempt employees. Employees are required to contribute to any costs not covered by the employer contribution. If insurance premium rates increase, employees are required to contribute to the cost of the increase to retain coverage if cost is over the employer contribution. Unless otherwise mandated by law, employees on a leave of absence of more than four (4) months are responsible for selecting continuing health coverage and paying the premium for such coverage through COBRA.

### COBRA BENEFITS

The Federal Consolidated Budget Reconciliation Act (COBRA) gives employees and their qualified beneficiaries the opportunity to continue health insurance coverage under TEACH's health plan when a "qualifying event" would normally result in the loss of eligibility.

Some common qualifying events are resignation, termination of employment, or death of an employee, a reduction in an employee's hours or leave of absence, divorce or legal separation and a dependent child no longer meeting eligibility requirements.

Under COBRA, the employee or beneficiary pays the full cost of coverage at TEACH group rates plus an administration fee. TEACH or our carrier provides each eligible employee with a written notice describing rights granted under COBRA when the employee becomes eligible for coverage under "TEACH's health insurance plan. The notice contains important information about the employee's rights and obligations.

### SOCIAL SECURITY/MEDICARE

If you are a full-time regular employee contributing to a teacher's retirement system (PERS/STRS), your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected.

TEACH withholds income tax from all employees' earnings and participates in FICA (Social Security), for temporary employees and Medicare withholding and matching programs as required by law.

### WORKER'S COMPENSATION INSURANCE

Eligible employees are entitled to workers' compensation insurance benefits when suffering from an occupational illness or injury. This benefit is provided at no cost to the employee.

In the event of an occupational injury or illness (as defined under Workers' Compensation Law) an employee may be covered by workers' compensation insurance instead of group insurance.

If an employee should become injured or in any way disabled on the job, he or she must report the injury immediately to his or her supervisor. It is a felony to file a fraudulent or false workers' compensation claim.

### 403B & 457 Plans

Eligible employees are entitled to participate in TEACH 403b & 457 plans. As of July 1, 2019 for participating exempt employees who contribute 1 percent to 5 percent of their base monthly salary through salary reduction (tax-deferred contribution), TEACH will contribute an amount up to 2.5% employer contribution. TEACH Las Vegas's contribution is 100% vested after three (3) years of employment. TEACH's 403b & 457 plans are administered through Equitable LLC. Additional information on TEACH's 403b & 457 plan may be requested via TEACH Las Vegas Human Resources Department or Equitable LLC.

### WORKER'S COMPENSATION INSURANCE

If an employee should become injured or in any way disabled on the job, he or she must report the injury immediately to his or her supervisor. It is a felony to file a fraudulent or false workers' compensation claim.

# **SECTION 10 – EMPLOYEE COMMUNICATIONS**

## COMMUNICATIONS POLICY

Every employee is responsible for using the TEACH Las Vegas's computer system, including, without limitation, its computers, laptops, iPads, tablets, cellular phones, electronic mail (Email) system, telephone, video conferencing, voicemail, facsimile systems and the Internet ("Communications Systems"), properly and in accordance with this policy. Any questions about this policy should be addressed to the Assistant Superintendent of Instruction and Human Resources.

The Communication Systems are the property of TEACH Las Vegas and have been provided for use in conducting TEACH Las Vegas business. All communications and information transmitted by, received from, created, or stored in its Communication Systems are TEACH Las Vegas records and property of TEACH Las Vegas. The Communication Systems are to be used for school purposes only. Employees may, however, use TEACH Las Vegas technology resources for the following incidental personal uses so long as such use does not interfere with the employee's duties, is not done for pecuniary gain, does not conflict with TEACH Las Vegas business, and does not violate any TEACH Las Vegas policies:

- To send and receive necessary and occasional personal communications;
- To use the telephone system for brief and necessary personal calls; and
- To access the Internet for brief personal searches and inquiries during meal periods or other breaks, or outside of work hours, provided that employees adhere to all other usage policies.

### No Expectation of Privacy

TEACH Las Vegas has the right, but not the duty, to monitor any and all of the aspects of its Communication Systems, including, without limitation, reviewing documents created and stored on its Communication Systems, deleting any matter stored in its system (including, without limitation, its Email and word processing systems), monitoring sites visited by employees on the Internet, monitoring chat and news groups, reviewing material downloaded or uploaded by users to the Internet, and reviewing Email, voicemails and instant messages sent and received by users. Further, TEACH Las Vegas may exercise its right to monitor its Communications Systems for any reason and without the permission of any employee. Employee use of TEACH Las Vegas's Communication Systems constitutes consent to all the terms and conditions of this policy.

Even if employees use a password to access the Communication Systems (or any aspect thereof), the confidentiality of any message stored in, created, received, or sent from TEACH Las Vegas's Communication Systems is not assured. Use of passwords or other security measures does not in any way diminish TEACH Las Vegas's right to monitor and access materials on its Communication Systems, or create any privacy rights of employees in the messages and files on the system. Any password used by employees must be revealed upon request to TEACH Las Vegas for any reason that TEACH Las Vegas, in its discretion, deems appropriate. Further, employees should be aware that deletion of any Email messages, voicemails or files would not

truly eliminate the messages from the system. All Email messages, voicemails and other files may be stored on a central back-up system in the normal course of data management.

Employees have no expectation of privacy in anything they view, create, store, send or receive on the Communication Systems.

Notwithstanding the foregoing, even though TEACH Las Vegas has the right to retrieve, read and delete any information viewed, created, sent, received or stored on its Communication Systems, Email messages should still be treated as confidential by other employees and accessed only by the intended recipient. Employees are not authorized to retrieve or read any Email messages that are not sent to them or by them. Any exception to this policy must receive the prior approval of Assistant Superintendent of Instruction and Human Resources.

### Professional Use of Communication Systems Required

Employees are reminded to be courteous to other users of the system and always to conduct themselves in a professional manner. Emails and other text communications, in particular, are sometimes misdirected or forwarded and may be viewed by persons other than the intended recipient. Users should write Email communications with no less care, judgment and responsibility than they would use for letters or internal memoranda written on TEACH Las Vegas letterhead.

### Offensive and Inappropriate Material

TEACH Las Vegas's policy against discrimination and harassment, sexual or otherwise, applies fully to TEACH Las Vegas's Communication Systems, and any violation of that policy is grounds for discipline up to and including discharge. Therefore, no Email messages should be created, sent, or received if they contain intimidating, hostile, or offensive material concerning race, color, religion, sex, age, national origin, disability or any other characteristic protected by law. Further, material that is fraudulent, harassing, abusive, embarrassing, sexually explicit, profane, obscene, intimidating, defamatory, unlawful, inappropriate, or offensive (including offensive material concerning sex, race, color, national origin, religion, age, disability, or any other characteristic protected by law) may not be downloaded from the Internet or displayed or stored in TEACH Las Vegas's computers. Employees encountering or receiving this kind of material should immediately report the incident to the Assistant Superintendent of Instruction and Human Resources.

TEACH Las Vegas may (but is not required) to use software to identify inappropriate or sexually explicit Internet sites. Such sites may be blocked from access by TEACH Las Vegas networks. Notwithstanding the foregoing, TEACH Las Vegas is not responsible for material viewed or downloaded by users from the Internet. The Internet is a worldwide network of computers that contains millions of pages of information. Users are cautioned that many of these pages include offensive, sexually explicit, and inappropriate material. Even innocuous search requests may lead to sites with highly offensive content. In addition, having an email address on the Internet may lead to receipt of unsolicited email containing offensive content. Users accessing the Internet do so at their own risk. Employees who encounter inappropriate or sexually explicit material while

browsing on the Internet should immediately disconnect from the site, regardless of whether the site was subject to TEACH Las Vegas's blocking software.

#### Solicitations

TEACH Las Vegas's Communication Systems may not be used to solicit for political causes, commercial enterprises, outside organizations, or other non-job-related solicitations. Approval from Assistant Superintendent of Instruction and Human Resources is required before anyone can post any information on commercial on-line systems or the Internet.

### Licenses and Fees

Employees may not agree to a license or download any material over the Internet for which a registration fee is charged without first obtaining the express written permission of Assistant Superintendent of Instruction and Human Resources.

### Games and Entertainment Software

Employees may not use a TEACH Las Vegas Internet connection to download games or other entertainment software, or to play games over the Internet.

### **Confidential Information**

Employees may not transmit information over the Internet or through email that is confidential or proprietary. Employees are referred to TEACH Las Vegas's "Confidential Information" policy, contained herein, for a general description of what TEACH Las Vegas deems confidential or proprietary. When in doubt, employees must consult their immediate supervisor and obtain approval before transmitting any information that may be considered confidential or proprietary.

### Copyrights and Trademarks

TEACH Las Vegas's Communication Systems may not be used to send (upload) or receive (download) copyrighted materials, trade secrets, proprietary financial information, or similar materials without prior authorization from Assistant Superintendent of Instruction and Human Resources. Employees, if uncertain about whether certain information is copyrighted, proprietary, or otherwise inappropriate for transfer, should resolve all doubts in favor of not transferring the information and consult a supervisor. Any TEACH Las Vegas-approved material that is posted or sent via its computer system should contain all proper copyright and trademark notices.

#### Maintenance and Security of the System

Employees must not deliberately perform acts that waste resources or unfairly monopolize resources to the exclusion of others. These acts include, but are not limited to, sending mass mailings or chain letters, spending excessive amounts of time on the Internet, playing games, streaming video or audio files, engaging in online chat groups, printing excessive copies of documents, or otherwise creating unnecessary network traffic. Because audio, video and picture

files require significant storage space, files of this or any other sort may not be downloaded unless they are business-related.

To ensure security and to avoid the spread of viruses, employees accessing the Internet through a computer attached to TEACH Las Vegas's network must do so through an approved Internet firewall. Accessing the Internet directly by modem is strictly prohibited unless the computer you are using is not connected to TEACH Las Vegas's network.

Files obtained from sources outside TEACH Las Vegas including disks brought from home; including files downloaded from the Internet, news groups, bulletin boards, or other online services; files attached to email; and files provided by students, parents or vendors, may contain dangerous computer viruses that may damage TEACH Las Vegas's computer network. Employees should never download files from the Internet, accept email attachments from outsiders, or use disks from non- TEACH Las Vegas sources, without first scanning the material with TEACH Las Vegas-approved virus checking software. If you suspect that a virus has been introduced into TEACH Las Vegas network, notify technology personnel immediately.

### Violations of this Policy

Violations of this policy will be taken seriously and may result in disciplinary action, including possible termination, and civil and criminal liability.

### Amendment and Modification of this Policy

TEACH Las Vegas reserves the right to modify this policy at any time, with or without notice. TEACH Las Vegas may require employees to acknowledge and comply with a separate Acceptable Use Policy for Internet and Network Resources.

## SOCIAL MEDIA POLICY

TEACH Las Vegas has adopted the following policy with regard to employees' behavior on social networking sites including, but not limited to, Facebook, Twitter, LinkedIn, Pinterest, Instagram, SnapChat and YouTube. If you wish to use networking protocols or set up a social media site as a part of the educational process, please work with your administrators and technology staff to identify and use a restricted, school-endorsed networking platform. Such sites will be the property of the School who will have unrestricted access to, and control of, such sites.

This policy is intended to supplement, not replace, the School's other policies, rules, and standards of conduct. For example, School policies on confidentiality, use of School equipment, professionalism, employee references and background checks, workplace violence, unlawful harassment, and other rules of conduct are not affected by this policy.

You are required to comply with the following rules and guidelines when participating in social media activities that are governed by this policy:

• Comply with the law at all times. Do not post any information or engage in any social media activity that may violate applicable local, state, or federal laws or regulations.

- Do not engage in any discriminatory, harassing, or retaliatory behavior in violation of School policy.
- Respect copyright, fair use, and financial disclosure rules and regulations. Identify all copyrighted or borrowed material with proper citations and/or links.
- Maintain the confidentiality of the School's trade secrets and private or confidential information. Trade secrets may include information regarding the development of systems, processes, products, know-how, and technology. Do not post internal reports, policies, procedures, or other internal business-related confidential communications. This prohibition applies both during and after your employment with the School.
- Do not post confidential information (as defined in this Handbook) about the School, its employees, or its students. Remember that most student information is protected by the Family Educational Rights and Privacy Act, including any and all information that might identify the student. Publicizing student work and accomplishments is permitted only if appropriate consents are obtained.
- While limited and incidental social media activities at work may be tolerated, such social media activities may not interfere with your job duties or responsibilities. Do not use your School-authorized e-mail address to register on social media websites, blogs, or other online tools utilized for personal use.
- Be knowledgeable about and comply with the School's background check procedures.
- Be knowledgeable about and comply with the School's reference policy. Do not provide employment references for current or former employees, regardless of the substance of such comments, without prior approval from the School.
- We encourage you to be fair and courteous to fellow employees, students, parents, vendors, customers, suppliers, or other people who work on behalf of the School. We also encourage you to avoid posting statements, photographs, video, or audio that could be reasonably viewed as malicious, obscene, threatening, or intimidating, that disparage employees, students, parents, vendors, customers, suppliers, or other people who work on behalf of the School, or that might constitute harassment or bullying.
- Make sure you always try to be honest and accurate when posting information or news, and if you make a mistake, correct it quickly. Please do not post any information or rumors that you know to be false about the School, fellow employees, students, parents, vendors, customers, suppliers, people working on behalf of the School, or competitors.
- Never represent yourself as a spokesperson for the School unless authorized to do so. If you publish social media content that may be related to your work or subjects associated with the School, make it clear that you are not speaking on behalf of the School and that your views do not represent those of the School, fellow employees, students, parents, vendors, customers, suppliers, or other people working on behalf of the School. It is best to use a disclaimer such as "The postings on this site are my own and do not necessarily reflect the views of the School."

- Never be false or misleading with respect to your professional credentials.
- Do not take any photos, videos, or other media in the workplace or on the School's premises or at School functions without permission of the School. It is your responsibility to ensure that your posts do not contain any prohibited information, or Confidential Information, including, but not limited to, photos, videos, or other media referencing or relating to student information, even if the student(s) is/are not specifically identified by name but could be easily determined or may be perceived as identifying any student or group of students. Violations may result in disciplinary action, up to and including termination.
- Supervisors who "friend" subordinates on social media accounts (whether personal or School accounts) are responsible for abiding by this policy at all times and immediately reporting any violations of this policy to Assistant Superintendent of Instruction and Human Resources. Failure to do so may result in disciplinary action, up to and including termination.

Employees are not to initiate "friendships" with students or parents. Employees shall not accept students as friends on any personal social networking sites and are to decline any student-initiated friend requests. Employees must delete any students already on their "friends" list immediately. Employees should also be aware that participation in social media, even in a private setting, may not remain private and posts may become public knowledge and/or reported to the School.

Employees should weigh whether a particular posting puts his/her effectiveness as a School employee at risk. TEACH Las Vegas encourages employees to post only what they want the world to see. Imagine that students, their parents, or administrators will visit your site as most information is available to the general public even after it is removed from the site. Employees may not discuss students nor post images that include students.

This policy should not be construed, and will not be applied, in a manner that violates employee rights under the National Labor Relations Act.

Employees may not comment on a student's blog or a student's other social networking commentaries.

Employees may not use trade names, or logos belonging to the School without express written permission of the Assistant Superintendent of Instruction and Human Resources.

In the event you have any questions about whether a particular social media activity may involve or implicate the School, or may violate this policy, please contact Assistant Superintendent of Instruction and Human Resources.

Social media is in a state of constant evolution, and the School recognizes that there will likely be events or issues that are not addressed in these guidelines. Thus, each School employee is responsible for using good judgment and seeking guidance, clarification, or authorization before engaging in social media activities that may implicate this policy. Failure to comply with TEACH Las Vegas's social medial policy will result in disciplinary action, up to, and including, immediate termination.

## EQUIPMENT POLICY

TEACH Las Vegas attempts to provide all staff members with the equipment and supplies needed to do their job. Providing equipment is a great expense to the School. It is expected that everyone will protect and care for all equipment and supplies issued to them. Staff members are responsible for the cost of lost, stolen, or broken items issued to them including: keys, textbooks, teacher guides, laptops, and any other equipment that may be assigned to them or their classroom if the loss is due to willful misconduct.

### Laptop Computers

Each staff member assigned a laptop for professional use shall be required to sign a laptop Agreement Form and will be charged for any damages, loss or theft to the laptop caused by willful misconduct.

Although issued to an individual employee, all computing devices are considered the personal property of the primary organizational unit to which the receiving employee belongs and shall be returned upon termination of employment with the School, after reassignment of job duties or immediately upon request at any time by an official of the School.

Employees are expected to take all appropriate measures and precautions to prevent the loss, theft, damage and/or unauthorized use of such equipment. Such precautions shall include, but not be limited to the following:

- Keep the computing device in a locked and secured environment when not being used;
- Do not leave the computing device for prolonged periods of time in a vehicle, especially in extreme temperatures;
- Keep food and drinks away from all computing devices and work areas;
- Do not leave the computing device unattended at any time in an unsecured location (e.g., an unlocked empty classroom or office); and
- Always keep the computing device in sight while in public places, such as public transportation, airports, restaurants, etc. Should an employee's computing device be lost or stolen, the employee must:
  - immediately report the incident to his/her immediate supervisor and Chief representative.
  - o obtain an official police report documenting the theft or loss; and

• provide a copy of the police report to his/her immediate supervisor or Executive Director.

If the employee fails to adhere to these procedures, the employee will be held legally and financially responsible to the School for the replacement of such equipment.

The School is under no legal, financial or other obligation to provide for a replacement computing device to any employee whose device is lost, stolen or damaged.

The School may add security and other tracking technology to any and all computing devices issued by it and any and all such usage is subject to review, monitoring and auditing by the School.

Non-compliance with any policies or procedures will result in appropriate disciplinary action and/or reimbursement of any and all costs to the School if resulting from an employee's willful misconduct.

## CELL PHONE POLICY

Personal cell phone use is not permitted while you are working. Cell phones should be turned off and stored with your other personal belongings while you are working.

If you are required to perform business on a cell phone for TEACH Las Vegas while driving, you must utilize the hands-free option on the cell phone or a headset/earpiece device. Sending, writing, or reading text based communications on your cell phone while driving a School vehicle or your own vehicle to conduct School business is prohibited. Text based communications include, but are not limited to, text messages, instant messages and email.

Employees whose job responsibilities do not specifically include driving as an essential function, but who use a cell phone for business purposes, whether issued by TEACH Las Vegas or not, are also expected to abide by the provisions above. Under no circumstances are employees allowed to place themselves or others at risk to fulfill business needs.

Any employee who fails to comply with this policy will be deemed to have engaged in grossly negligent conduct beyond the course and scope of his or her employment. As a result, any employee who is charged with a traffic violation or incurs any other form of liability resulting from a violation of this policy will, to the extent allowed by applicable law, be solely responsible for any such liability.

If you are assigned a School cell phone to conduct School business, please notify your supervisor if the cell phone is misplaced, stolen, or damaged. Personal calls, received or placed, are not allowed on School cell phones.

## TELEPHONE CALLS AND TEXTING

While at work and during staff meetings, the employee's undivided attention is expected. Cell phones, texting, and pagers are not allowed so that the activities or discussion are not disturbed. Employees should wait to make personal phone calls during breaks.

## NO SOLICITATION/DISTRIBUTION POLICY

In order to minimize non-work-related activities that could interfere with providing quality education, teamwork, and safety, TEACH Las Vegas has established the following policy concerning solicitation and the distribution of written materials other than those directly related to the School's business.

Non-employees may not solicit or distribute written materials of any kind at any time on premises that are owned, leased, operated, managed or controlled by TEACH Las Vegas.

Employees may not solicit other employees during the workday when either the person doing the solicitation or the person being solicited is engaged in or required to be performing work tasks.

Employees may not distribute written materials of any kind during the workday when either the distributing employee or the employee receiving the materials is engaged in or required to be performing work tasks.

Employees may solicit other employees when both parties are on non-work time. Employees may distribute written materials in non-work areas during non-work time.

The sole exceptions to this policy are charitable and community activities supported and approved by TEACH Las Vegas.

School bulletin boards are the only areas where any merchandise or notices may be placed. Such items must meet the guidelines established by the School. The Assistant Superintendent of Instruction and Human Resources must approve any postings prior to posting.

TEACH Las Vegas reserves the right to discontinue any solicitation or distribution if the activities become disruptive to employees or the efficient operation of the School's business.

### Definitions

Work time: any time when employees are engaged in or required to be performing work tasks or are otherwise "on the clock." Work time does not include break periods, meal times, or other periods during the workday when employees are properly not engaged in performing their work tasks.

Work areas: all areas controlled by the School where employees are performing work, except employee break areas, and parking lots (non-work areas).

### Employee Responsibility

If you have a need to solicit and/or distribute materials on school premises, it must be in compliance with this policy. If you have questions, talk with the Assistant Superintendent of Instruction and Human Resources. If solicitation or distribution is conducted within the parameters of this policy, the manner of activities must not harass or intimidate other employees. If you are subjected to such behavior at any time, report the activity to your supervisor. If solicitation or distribution occurs while you are working, report the activity to the Assistant Superintendent of Instruction and Human Resources.

### NEPOTISM POLICY

TEACH Las Vegas permits the employment of qualified relatives of employees, of the employee's household or immediate family as long as such employment does not, in the opinion of TEACH Las Vegas, create actual conflicts of interest. For purposes of this policy, "qualified relative" is defined as a spouse, child, parent, sibling, grandparent, grandchild, aunt, uncle, first cousin, corresponding in-law, "step" relation, or any member of the employee's household. TEACH Las Vegas will use sound judgment in the placement of related employees in accordance with the following guidelines:

Individuals who are related by blood, marriage, or reside in the same household are permitted to work in the same department, provided no direct reporting or supervisor-to-subordinate relationship exists. That is, no employee is permitted to work within "the chain of command" when one relative's work responsibilities, salary, hours, career progress, benefits, or other terms and conditions of employment could be influenced by the other relative.

Related employees may have no influence over the wages, hours, benefits, career progress and other terms and conditions of the other related staff members.

Current employees who marry will be permitted to continue working in the same job positions held only if they do not work in direct supervisory relationship with one another or in job positions involving conflicts of interest. If relatives are found to be employed in any of these prohibited job positions, the School will take action to eliminate the conflict, including possibly requiring one or both employees to accept a transfer to another position or to resign. The TEACH Board of Directors must approve any exceptions to this policy.

### BUILDING SECURITY/SCHOOL KEYS

All employees who are issued keys to the office and classrooms are responsible for their safekeeping. These employees will sign a <BUILDING KEY DISBURSEMENT FORM> upon receiving the key.

You will be assigned all appropriate building keys needed to conduct your daily job responsibilities. You are responsible for all keys. Duplication of any school key is not allowed and strictly prohibited. It is against School policy to loan or distribute your assigned keys to another employee or non-employee of the School. If your school keys are lost, misplaced, destroyed, or stolen, you must report it immediately to the Superintendent.

The last employee, or a designated employee, who leaves the office and /or the school site at the end of the business day assumes the responsibility to ensure that all doors are securely locked, the alarm system is armed, thermostats are set on appropriate evening and/or weekend setting, and all appliances and lights are turned off with exception of the lights normally left on for security purposes. Employees are not allowed on school property before or after hours without prior authorization.

## INTERNAL INVESTIGATIONS & SEARCHES

From time to time TEACH Las Vegas may conduct internal investigations pertaining to security, auditing, or work-related matters. Employees are required to cooperate fully with and assist in these investigations if required to do so.

Whenever necessary, in TEACH Las Vegas's discretion, employees' work areas (i.e. desks, file cabinets, lockers, etc.) may be subject to a search without notice. Employees are required to cooperate. Because even a routine search for TEACH Las Vegas property might result in the discovery of an employee's personal possessions, all employees are encouraged to refrain from bringing into the workplace any item of personal property that they do not wish to reveal to TEACH Las Vegas. Employees have no expectation of privacy in their work areas.

### VIOLENCE IN THE WORKPLACE

TEACH Las Vegas has adopted a policy prohibiting workplace violence. Consistent with this policy, acts or threats of physical violence, including intimidation, harassment, bullying, and/or coercion, which involve, or affect TEACH Las Vegas or which occur on TEACH Las Vegas property will not be tolerated. Examples of workplace violence include, but are not limited to, the following:

All threats or acts of violence occurring on TEACH Las Vegas premises, regardless of the relationship between TEACH Las Vegas and the parties involved.

All threats or acts of violence occurring off TEACH Las Vegas premises involving someone who is acting in the capacity of a representative of TEACH Las Vegas.

Specific examples of conduct, which may be considered threats or acts of violence, include, but are not limited to, the following:

- Hitting or shoving an individual
- Threatening an individual or his/her family, friends, associates, or property with harm
- Intentional destruction or threatening to destroy TEACH Las Vegas property
- Making harassing or threatening phone calls
- Harassing surveillance or stalking (following or watching someone)
- Unauthorized possession or inappropriate use of firearms or weapons

TEACH Las Vegas's prohibition against threats and acts of violence applies to all persons involved in TEACH Las Vegas's operation, including but not limited to all personnel, contract, unpaid interns, volunteers and temporary workers and anyone else, including parents on TEACH Las Vegas property. Violations of this policy by any individual on TEACH Las Vegas property will lead to disciplinary action, up to and including termination and/or legal action as appropriate. All employees are encouraged to report incidents of threats or acts of physical violence of which they are aware to their supervisors or to the Assistant Superintendent of Instruction and Human Resources.

If an employee becomes aware of an imminent act of violence, a threat of imminent violence, or actual violence, emergency assistance must be sought immediately. In such situations, the employee should contact the law enforcement authorities by dialing 911. Immediately after contacting the law enforcement authorities, the employee must report the incident to Assistant Superintendent of Instruction and Human Resources.

Employees should immediately inform their supervisor or Assistant Superintendent of Instruction and Human Resources about any workplace security hazards. If these individuals are not available, the employee should immediately inform any other supervisor so that appropriate action can be taken.

There will be no retaliation against any employee who brings a complaint in good faith under the Violence in the Workplace Policy or who honestly assists in investigating such a complaint, even if the investigation produces insufficient evidence that there has been a violation, or if the charges cannot be proven. However, disciplinary action may be taken against employees who, in bad faith, make false or frivolous accusations.

In certain circumstances, the School may seek a workplace violence restraining order on behalf of one or more employees in furtherance of its commitment to providing a workplace that is free from acts of violence or threats of violence.

# SECTION 11 – STANDARDS OF CONDUCT

## PERSONAL STANDARDS

Each employee must be neatly groomed and wear clothing that is professional and appropriate for the employee's position. The Assistant Superintendent of Instruction and Human Resources will inform you of any special clothing requirements. Employees will not be permitted to wear clothing or otherwise present an appearance that may cause disruption, be taken as offensive or reduce productivity. If you are assigned a School uniform, your uniform must be clean and presentable when you report to work.

## PERSONAL APPEARANCE/STANDARDS OF DRESS

The Board of Directors believes that teachers and other TEACH Las Vegas staff serve as role models. They should therefore maintain professional standards of dress and grooming. Just as overall attitude and instructional competency contribute to a productive learning environment, so do appropriate dress and grooming.

The Board of Directors encourages staff, during school hours, to wear clothing that will add dignity to the educational profession, will present an image consistent with their job responsibilities, and will not interfere with the learning process. Accordingly, all staff shall adhere to the following standards of dress:

- Clothing and jewelry must be safe and appropriate to the educational environment.
- All clothing must be clean and in good repair. Slits or tears in pants or other articles of clothing are not permitted except for modest slits in any apparel that are no higher than three (3) inches above the knee.
- Head coverings, including hats of any kind, except those worn for religious or safety reasons, are not to be worn inside school buildings including assemblies, classrooms, labs and offices. Hats may be worn outside for sun protection. All hats are to be removed upon entering school buildings. For exceptions to this policy, the Assistant Superintendent of Instruction and Human Resources must grant prior approval.
- Slacks and shorts are to be worn on the waist with no portion of an undergarment showing. Shorts should be modest in length and should be no higher than three (3) inches above the knee.
- All tops must be appropriate to the work environment, and should be clean, neat, and provide proper coverage.
- For safety purposes, earrings must not dangle more than one (1) inch below the ear.
- Clothing or jewelry that depict and/or promote gangs (as defined in Ed. Code § 35183), drugs, alcohol, tobacco, sex, violence, illegal activities, profanity, or obscenity are not permitted.
- Appropriate shoes must be worn at all times.
- Assistant Superintendent of Instruction and Human Resources will be the final arbiter of what constitutes appropriate dress and attire.

## DISCIPLINARY PHYSICAL CONTACT WITH STUDENTS

It is the policy of TEACH Las Vegas that no teacher or other staff member will use corporal punishment against a student. This prohibition includes spanking, slapping, pinching, hitting, tying, taping, or the use of any other physical force as retaliation or correction for inappropriate behavior.

## STAFF-STUDENT INTERACTIONS

### **Boundaries Defined**

For the purposes of this policy the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing beyond the boundaries of a student-teacher relationship is deemed an abuse of power and a betrayal of public trust.

### Acceptable and Unacceptable Behaviors

Some activities may seem innocent from a staff member's perspective but may be perceived as flirtation or sexual insinuation from a student or parental point of view. The purpose of the following lists of unacceptable and acceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to or may be perceived as inappropriate, or sexual misconduct, or "grooming." Grooming is defined as an act or series of acts by a sexual predator to gain physical and/or emotional control by gaining trust (of staff and/or family and a minor) and desensitizing the minor to various forms of touching and other intimate interaction.

Staff members must understand their own responsibilities for ensuring that they do not cross the boundaries as written in this policy. If a student specifically requests that he or she not be touched, then that request must be honored. Violations could subject the teacher or staff member to discipline up to and including termination. *Disagreeing with the wording or intent of these established boundaries will be considered irrelevant for any required disciplinary purposes.* Thus, it is critical that all employees study this policy thoroughly and apply its spirit and intent in their daily activities.

#### Unacceptable Behaviors

These lists (and any subsequent lists) are not meant to be all-inclusive, but rather, illustrative of the types of behavior we intend to address by this policy.

- Giving gifts to an individual student that are of a personal and intimate nature (including photographs); or items such as money, food, outings, electronics, etc. without the written pre-approval of the Principal or School Leader. It is recommended that any such gifts be filtered through the Assistant Superintendent of Instruction and Human Resources along with the rationale therefor.
- Kissing of ANY kind

- Massage [Note: Prohibited in athletics unless provided by massage therapist or other certified professional in an open public location. Coaches may not perform massage or rub-down. Permitted in special education only as instructed under an IEP or 504 plan.]
- Full frontal or rear hugs and lengthy embraces
- Sitting students on one's lap (grades 3 and above)
- Touching buttocks, thighs, chest or genital area
- Wrestling with students or other staff member except in the context of a formal wrestling program
- Tickling or piggyback rides

- Any type of unnecessary physical contact with a student in a private situation
- Intentionally being alone with a student away from school

- Taking photographs or videos of students for personal use or posting online
- Undressing in front of a student
- Leaving campus alone with a student for lunch
- Sharing a bed, mat, or sleeping bag with a student
- Making, or participating in, sexually inappropriate comments
- Sexual jokes, or jokes/comments with sexual overtones or double-entendres
- Seeking emotional involvement (which can include intimate attachment) with a student beyond the normative care and concern required of an educator.
- Listening to or telling stories that are sexually oriented
- Discussing your personal troubles or intimate issues with a student

"UnitedHealthcare HSA" refers generally to the UnitedHealthcare HSA product, which includes a HDHP, although at times "UnitedHealthcare HSA" may refer only and specifically to the UnitedHealthcare Health Savings Account, provided in conjunction with OptumHealth Bank and not to the associated HDHP.

#### Advanced Plans

Advanced plans tier on Premium Designated (UHPD) and non-Premium Designated PCPs and Specialists. Also includes Place of Service tiering for OP surgery, MRI/Major Diagnostics, Lab and X-ray, and Scopic procedures based on the location of the facility selected. Freestanding facilities offer the lowest cost share for the member than utilizing hospital based services.

#### Balanced and Traditional Plans

For employers and employees who prefer to pay copays for core services, Balanced and Traditional health plans cover most benefits as copay-based coverage.

#### **Consumer Plans**

Traditional health plans that cover most benefits at deductible then coinsurance. This plan is paired with a pharmacy plan that is not subject to the medical deductible on tiers 1 and 2.

#### **Direct Plans**

Direct plans are designed to encourage members to utilize contracted freestanding (non-hospital) facilities for certain outpatient services such as outpatient surgery, MRI/Major Diagnostics, Lab and X-ray, and Scopic procedures based on the location of the facility selected. Robust online tools for both the employer and employee help manage administration and promote wellness and wise health care choices. Freestanding facility designations can be found using the provider search function on myuhc.com® or by calling member services.

#### FlexFree

FlexFree plans include up to three visits to PCP and/or Specialist at no cost. Additional visits are subject to deductible then coinsurance. Employers benefit from lower premiums than traditional copay-based plans and employees have first dollar coverage.

#### HSA and HSA with Motion Plans

HSA plans are consumer-driven and made up of two parts: a high-deductible health plan and a Health Savings Account (HSA). Members can deposit money, before taxes, into an HSA, which is their own personal savings account. They can use the money to pay for eligible medical and pharmacy expenses, including their deductible, or save it for future expenses. Referrals are not required for specialists. HSA with Motion plans provide all the features of a traditional HSA plan and include UnitedHealthcare Motion<sup>®</sup> program. Motion is a walking program that brings technology and wellness together – along with fun, fitness and earning financial rewards of up to \$1,095 per year in HSA contributions. That's a great incentive to get moving.

#### Primary Advantage Plans

Primary Advantage plans offer no member cost share benefits for PCP, Virtual Visits and Mental Health. All plans are focused on the primary care relationship and encouraging employees to seek care through their primary care physician (PCP) who can guide them along the best path to health and well-being. By coordinating their care through a PCP, members get the right care from the right provider at the right time, promoting better health and lower costs.

#### **PROformance Plans**

These plans offer employees lower costs when visiting premium providers and freestanding facilities, plus zero-dollar Virtual Visits.

## **School Calendar**

#### School Accessibility, Non-Discrimination, and Non-Harassment Notice

TEACH Las Vegas Public Charter School does not knowingly discriminate against any person on the basis of race, creed/religion, color, national or ethnic origin, sex, gender identity or expression, sexual orientation, disability, marital status or age, in admission or access to, treatment or employment in, or participation in its programs and activities pursuant to federal and state laws including, but not limited to, Title VI and VII of the Civil Rights Act, Title IX of the Education Amendment of 1972, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, and the Individuals with Disabilities Education Improvement Act.

Students, parents, and other program participants who feel discriminated against or sexually harassed may initiate a complaint by contacting the principal of the school in question. The Executive Director will work with the Superintendent and respond to the inquiry within a reasonable period of time.

Concerns may also be addressed by completing the Public Concern Process described in the Student/Parent Handbooks, found on school's website. This process allows anyone who believes they or their child have been subjected to discrimination or sexual harassment, including disability discrimination, to put their concerns in writing to the building principal for review and resolution. The procedures also allow for an appeal of the determination.

## ACADEMICS

All TEACH Las Vegas Public Charter School programs and related coursework are aligned with the Nevada Academic State Standards (NACS). These standards require that students learn, practice and apply a variety of skills across all academic areas. Competency and mastery of 21<sup>st</sup> century learning are outlined at each grade level in the NACS. This includes requirements for success for digital communication. Please refer to the Nevada State Department of Education website for more information on NACS and 21<sup>st</sup> century learning.

#### **Elementary School Curriculum and Learning Objectives**

TEACH LV Charter School follows the Nevada Academic Content Standards and learning objectives for all grade levels. The objectives are lists of those skills that must be introduced, practiced, or mastered in each grade. These guidelines can be found by accessing TEACH LV's website. It is important that you regularly review them and become familiar with them so as to gain a clear understanding of what skills your child will need to complete within the year. Your teachers will refer to these standards in the course syllabi and weekly lesson plans.

#### **Class Placement**

Students are placed at the grade level immediately following the last successfully completed grade unless otherwise indicated. TEACH LV does not retain students when promotion from the previous school has been approved. TEACH LV does not promote students (skipping a grade level) who come to TEACH LV Charter School from another school unless otherwise noted by the previous school. Exceptions and changes are at the discretion of the school principal. Placement is determined by various factors and may include previous attendance, grades, recommendations and test scores.

#### **TEACH LV Charter Schools Retention Policy**

Before any pupil enrolled at TEACH LV Charter Elementary or Middle School may be retained in the same grade rather than promoted to the next higher grade for the succeeding school year, the pupil's teacher and principal must make a reasonable effort to arrange a meeting and to meet with the pupil's parents or guardian to discuss the reasons and circumstances.

- 1. Except as otherwise provided in subsection 4, based on <u>NRS 392.760</u>, the teacher and the principal in joint agreement have the final authority to retain a pupil in the same grade for the succeeding school year. The conditions under which a pupil may be retained in the same grade rather than promoted to the next higher grade for the immediately succeeding school year are as follows:
  - Communication with the parents has been ongoing and consistent.
  - Interventions have been implemented.

- In consideration of individual circumstances, the pupil's teacher and principals will consider the unique conditions and the parent's input, but reserve the right to use professional judgement in a final determination of retention.
- Consideration for retention of a student with an IEP will involve the student's special education service providers. Special consideration must be given to the fact that retaining a student with an IEP eliminates a year of service that can be provided after the completion of grade 12.
- If any student has passing grades and has earned all required credits in core academic areas (English, reading, math, science, social studies), TEACH LV will promote the student to the next grade and will not retain them in their current grade.
- 2. The board of trustees of TEACH LV Charter School shall not promote a pupil in the 8<sup>th</sup> grade to high school if the pupil does not complete the course of study or credits required for promotion, except as otherwise provided in subsection 4. The board of trustees of TEACH LV Charter School may provide programs of remedial study to complete the courses of study required for promotion to high school.
- 3. Pupils who have not completed the courses of study or credits required for promotion to high school may be placed on academic probation and enrolled in high school. A pupil who is on academic probation shall complete appropriate remediation in the subject areas that the pupil failed to pass. A parent or guardian may elect not to place his or her child on academic probation but to remain in grade 8. The criteria for consideration for a pupil to be placed on academic probation are as follows:
  - If a student will turn age 16 within the next academic school year.
  - If a student has completed the required course of study excluding only one (1) required credit in a core area (English language arts, math, science, social studies).
  - If a student remediates the deficiency in summer school.
  - Other criteria will be considered by the high school principal, who reserves the right to use professional judgement in a final determination of academic probation.
  - The high school principal has the final authority to deny a pupil academic probation in high school.
  - If a student has passing grades and has earned all required credits in core academic areas (English, reading, math, science, social studies), TEACH LV will promote the 8<sup>th</sup> grade student to high school and will not retain them in their current grade.
- 4. No pupil may be retained more than one time in the same grade, except for pupils in grade 8 who do not complete the course of study or credits required for the promotion of a pupil to high school. See subsection 3 and 4 above.

#### **Weekly Visits**

It is mandatory that TEACH LV students and parents meet with their teacher, face to face, on a weekly basis for all scheduled lessons. This requirement includes small group meetings, group classes, intervention labs, literacy labs, parent conferences, etc.

Teachers will schedule multiple small group meetings throughout the week in available public locations that are suitable for such meetings and have Wi-Fi access. These locations may include TEACH LV's campus, libraries, CSN campuses, coffee shops, restaurants, or businesses. Small group meetings may not occur in private residences. Small group meetings will be scheduled to meet for a duration of approximately 2 hours, at the discretion of the teacher, and based on the factors involved, including the age of the students, the academic tasks to complete, the availability of the meeting space, etc. Parents may be asked to join the students for the entire small group meeting or for a portion of the small group meeting. The teacher will conference with the parent about their student's progress and assignments every week either in person or by phone. The small group meeting and the parent/teacher conference are mandatory weekly requirements for TEACH LV's program. At the beginning of the year, the teachers and families will confer to establish suitable meeting times and locations.

Students enrolled in Kindergarten and 1<sup>st</sup> Grade will attend a group class on campus each week as well as their small group meeting. Grades 2 through 5 will have a group class approximately every 6 weeks. These classes are mandatory. They are also fun, engaging, and support the academic work that the students are completing with hands-on activities. At these classes, the students perform labs, make presentations, meet industry professionals, and engage with their peers about their learning. The students have the opportunity to work with their own teacher, as well as interact with other TEACH LV instructors.

Additional learning opportunities in the form of Literacy and Math labs, interventions and Parents as Teachers (PAT) classes are also available.

For meetings that occur on campus, please consider the following TEACH LV policies:

- All students must arrive on time and be picked up promptly at dismissal.
- Students are not permitted to stay on campus unless scheduled by the school for an additional class or requirement.
- TEACH LV has no after school programs.
- Please consider traffic patterns and allow extra time when commuting to and from school.
- TEACH LV Elementary School maintains a "closed campus" policy. Students are permitted to leave campus only with a parent, guardian, or responsible person that has been granted supervisory rights through the K-8 office.

#### Schedules

TEACH LV allows you to structure time for schoolwork during the hours that best suit your family and lifestyle. Regardless of which hours you and your student work at home, we ask that students and their parents/guardians participate in the required curriculum on a daily basis so that a school schedule becomes second nature. It is critical that students and parents understand the importance of maintaining a regular schedule. It is the responsibility of the parent to participate daily in the curriculum with the student, communicate regularly with the student concerning their school work, review assignments, and provide appropriate assistance.

Parents may be asked to develop and submit a school work schedule. Teachers can provide the guidelines and a template. It is the parent's responsibility to ensure the student is logging in to the online curriculum and spending the necessary time in each course to work through the instruction and course assignments. Schedules can be changed as needs change, keeping in mind that consistency and commitment are requirements.

Additional assistance with scheduling and creating a successful student work environment can be obtained through our guidance and social work department by appointment. Please contact the school office for information or to schedule an appointment at school.

#### **Schedule Changes**

Once the schedule for weekly visits has been established at the beginning of the year, schedule changes can be difficult to make due to the impact it may have on multiple families. We ask that you carefully consider your schedule requests and commitments when collaborating with your teacher to schedule your meetings. However, we understand that life circumstances change. Please, communicate with your teacher about schedule changes. We will do our best to accommodate your requests. In return, we ask that you value your weekly face-to-face time with your teacher. Please, avoid scheduling other activities, including doctor's visits and other appointments, during your teacher visit.

#### Learning Environment at Home

There are many things that help to create a suitable learning environment in the home. Any space that is positive, quiet, and uncluttered can be conducive to student learning. TEACH LV parents are responsible for the following:

- Designated area to work with good lighting
- Working computer and printer access
- Internet access every day
- An email account that is checked daily (students will be provided with a school Gmail account). Parents are required to check student email frequently during each week of school
- School supplies (paper, pencils, pens, binders, etc.)

Parents are required to monitor work during the school week while students are off campus. It is expected that parents will dedicate three to five hours per day, five days per week, side-by-side with their child working through the daily curriculum. The amount of time and attention required will vary by student. In addition to this time together, the student should plan to work an additional thirty to ninety minutes per day to complete their "dailies." This time engaged in online instruction is in addition to the weekly visits with the teacher.

#### Grading

Grades for Kindergarten students will be posted weekly in Infinite Campus. 1st through 5th Grades will use the Moodle Gradebook.

Report cards are issued quarterly. Kindergarten report cards will be standards based. 1st through 5th grade students receive a grade of A, B, C, D, or F in English Language Arts (ELA), Math, Science and Social Studies. A grade of Satisfactory (S) or Not Satisfactory (N) will be assigned in Art, Music, PE and Health.

Progress notices are issued at mid-quarter. If the student is at risk of failing individual classes (D, F or N) or grades have dropped significantly in a short period of time, a notice may be issued at that time. It is the parent's responsibility to know their student's progress and grades in their courses at all times by consistently monitoring the electronic gradebook in Moodle (Infinite Campus for Kindergarten). Instructions on how to log in to the gradebook are provided to the adult accompanying the student during the required orientation. Parents are welcome to speak with their teacher or to call the school to schedule additional assistance for using the online gradebook.

Assigned work may take some students longer than 26 - 30 hours per week. Completion of assignments may be accomplished over a seven-day period, if needed. New assignments will become available to students weekly. Most assignments each week are due at the end of the following week or at the weekly visits. Please consult with your teacher and review the assignments and directions each week for information on due dates, grades and submitting assignments online and in person.

Elementary school students that are not demonstrating satisfactory progress may be scheduled and required to attend an additional day at school as determined by staff. Parents will be notified of a Required Parent Meeting in which an arrangement will be determined.

Some assignments are graded automatically by the computer. Other assignments are submitted to the teacher and may take longer for the teacher to grade. Parents are often asked to grade assignments and review the work with the student. If an assignment is completed after the due date, it is the student's and parent's responsibility to contact the teacher to let them know that the assignment has been completed. Teacher policies on late work may vary. Grades for written work and updates to the gradebook are typically available within a week of the assignment due date.

#### **Student Interventions**

It is the goal of the school to promote success and academic achievement for all students. When students are not succeeding, the school will intervene with required actions. These may include student and parent meetings on campus, contact with parents, required parent meetings, assignment of an

additional weekly visit, or assignment of required instructional support lab time on campus. Parents are required to comply with school initiated interventions.

The school will attempt to work with students and parents in the intervention process; however, it is the sole responsibility of the parent to ensure that the student logs into and engages in his or her instructional courses during the school week when off campus.

Parents are responsible for providing student transportation to weekly meeting locations and/or to school when instructional support programs are assigned as interventions. The supports are supplemental to core online instruction and weekly face-to-face instruction. When assigned by the school, students are required to attend.

If interventions are not followed in accordance with the described parent responsibilities outlined in this handbook, *TEACH LV Charter Schools may withdraw the student for excessive or inconsistent attendance at school or in the online environment.* 

TEACH LV Charter Elementary School uses three categories of family support called The Pathways to Success. The intent of this plan is to identify when and with whom we should be offering assistance, resources and support. An important piece of this plan is an additional weekly one-on-one conference with the parent, teacher, and student, when appropriate. TEACH LV is excited to be able to offer this level of teacher, parent, and student engagement.

#### Pathways to Success

Students of TEACH LV Charter School will be on one of three Pathways to Success. Students may move from one pathway to another dependent upon the amount of support the student and/or family needs in order to make adequate academic progress. Please read the description of each pathway and sign below to indicate that you are aware of TEACH LV Elementary School's Pathways to Success format.

#### **Independent Pathway**

Students and Parents/Guardians on the Independent Pathway exhibit the following characteristics:

- 1. The student is working on academic material that is on or above the student's grade level and the student scores at or above grade level on the benchmark assessments and progress monitoring tools.
- 2. The student is on course to make adequate yearly growth.
- 3. The student consistently completes the assigned curriculum each week in a satisfactory manner.
- 4. The student demonstrates excellent attendance by meeting with the teacher once each week, usually in a small group format.
- 5. The student and parents/guardians communicate regularly with the teacher at least once each week in person, by phone, or by email.
- 6. The student will have the option to participate in additional enhancement and intervention activities.

#### Guided Pathway

The Guided Pathway is intended to be a temporary placement designed to provide support and training to students and parents in the workings and resources of the TEACH LV program. <u>New students to</u> <u>TEACH LV will be initially placed on the Guided Pathway</u>. Students and their parents/guardians that might benefit from an additional layer of support will also follow the Guided Pathway. Placement on the Guided Pathway will be by recommendation of the teacher if one or more of the conditions of the Independent Pathway are not being met. Students and parents/guardians on the Guided Pathway are expected to:

- 1. Make progress towards or meet the conditions of the Independent Pathway.
- 2. Meet with the teacher or another staff member, one-on-one or in a group setting, in addition to the weekly small group meeting.
- 3. Participate in additional enhancement and intervention activities.

#### Intervention Pathway

The Intervention Pathway is designed to provide intensive, customized and sustaining support to students and their parents/guardians. Placement on the Intervention Pathway will be by recommendation of the teacher if one or more of the conditions of the Independent Pathway are not being met and the student and/or family requires more targeted and substantial support than the Guided Pathway provides. Students and parents/guardians on the Intervention Pathway are expected to:

- 1. Make progress towards short-term and long-term individualized learning goals.
- 2. Participate in regular benchmarking assessments and utilize progress monitoring tools to identify learning gaps and to measure academic progress.
- 3. Complete the assigned curriculum each week in a satisfactory manner.
- 4. Demonstrate excellent attendance by meeting with the teacher once each week, usually in a small group format.
- 5. Meet with the teacher or another staff member, one-on-one or in a group setting in addition to the weekly small group meeting.
- 6. Meet with the other school personnel, such as Parent Advocate, Learning Strategist, Counselor, Social Worker, Nurse, Psychologist and/or Principal, if requested.
- 7. Communicate regularly with the teacher and the Parent Advocate at least once each week in person, by phone, or by email.
- 8. Participate in additional enhancement and intervention activities.

Special Education students meet with their Special Education Teacher each week in addition to meeting with their General Education Teacher. Special Education students' academic goals and adequate academic progress is determined by the goals set forth in the student's Individualized Education Plan (IEP). Special Education students may receive additional services as indicated by their IEP.

#### Testing

TEACH LV Charter School is a public-school requiring testing for each student. The testing process at any school is a critical one. Testing identifies important areas where students and schools are strong and any areas in which to improve. Since testing is required in Nevada, TEACH LV must administer all

state-required exams. Schedules must be followed without exception and parents are solely responsible for the student getting to and from school on testing days.

Remember that testing impacts the school in many ways, including funding, progress reporting, and school ratings. TEACH LV will prepare students for testing throughout the year. Parents must prepare students to commit to doing their best. Below you will find descriptions of testing that occur throughout the year.

**State-Mandated Testing:** This type of testing requires that, by law, students attend a testing facility for a specified period of time. Parents will be contacted several times prior to the testing and may be offered a choice of time. Parents will be responsible for their child's transportation. <u>These tests are required by state law.</u>

**Benchmark Testing:** These tests are conducted throughout the year to collect information concerning the student's strengths and areas of challenge. These exams are required by law and are necessary for customizing the instruction and curriculum content at the school. These tests are also used to measure student growth within a defined time period.

**Curriculum Tests/Quizzes:** This type of testing takes place throughout the year, during or after a unit of study in any of the core subjects.

#### Lottery and Withdrawing a Student

During initial enrollment each school year, TEACH LV enrolls pupils in the order in which pupil applications are received, up to the point at which the school reaches its maximum capacity. The names of those students who enroll after that point will be placed on a waiting list until such time that an opening becomes available due to a student transferring out of the school. At that time, all students on the waiting list will have an equal opportunity to be selected from the waiting list through a random selection process. It is understood that if a student is enrolled in OCS and a sibling desires to attend OCS, that child will be given preference. All students enrolled after the start of the school year must follow the same enrollment procedures and attend an official orientation with a parent before they are considered enrolled in TEACH LV.

When a student is moving or transferring to another school, the parent/guardian must complete a Pupil Release and Transfer form. The forms are located in the front office and must be completed prior to the student transferring to another school or state. According to the Nevada Revised Statutes, students 7 to 17 must be enrolled in school. TEACH LV will give each student up to ten days to re-enroll. If a student has not re-enrolled within ten days TEACH LV may report the student as truant.

#### **Title I Hope**

The Title I Homeless Outreach Program for Education works to remove barriers for homeless and unaccompanied students to enroll in school and achieve educational success. As part of the Title I HOPE program students can get access to school supplies, food, clothing, and transportation assistance. The following living situations may qualify a student for services:

- Living in a car, park, or on the street
- Living in a shelter
- Living in a weekly hotel due to economic hardship
- Living with friends or family due to economic hardship
- Unaccompanied Youth not in the physical custody of the parent

Additional Title I information can be accessed on our website.

If you feel that your family qualifies for Title I HOPE services based on your living situation and you are interested in learning more about the possible services, please contact TEACH LV's K-8 Social Worker, Ms. Melody Jones at mjones@TEACH LVk12.org.

## **ATTENDANCE**

#### Weekly Attendance

There are two types of attendance monitored by TEACH LV Charter Schools: weekly face-to-face visits and attendance in the online instructional environment. Both of these components are important and students are required to participate in both aspects of the program. Parents are responsible for monitoring student time in the online instructional environment and for student attendance at weekly visits.

Nevada Compulsory Attendance Law mandates that students must meet with their teacher, face-toface, no less than once per calendar week. Student attendance is reported to the state by the school. Truancies, unapproved absences, multiple absences and/or consecutive absences will trigger the Required Parent Conference (RPC) procedure. Habitual truancy will be reported to the state. Noncompliance to school attendance requirements and procedures will result in students being withdrawn from the program. TEACH LV may assign additional weekly visits for a student as needed. Attendance at additional visits is mandatory. Students are expected to work on coursework and attend face-to-face visits for approximately 25 to 30 hours per week. Please see the Nevada Revised Statutes section in this handbook for specific laws and consequences pertaining to school attendance.

#### Absences and Making Up a Weekly Visit

It is understood that circumstances occasionally prevent a student from attending their scheduled visit. In these situations, parents <u>must call both the teacher and the front office</u> to inform them of the student's absence.

A weekly visit may be rescheduled or made up for student illness, student court appearances, religious holidays and emergencies only. To reserve a spot in another visit during the same week, families must make arrangements with their teacher either by phone, email, or in person. The parent must verify arrangements made with other TEACH LV staff members, such as the administration or office personnel, with the student's teacher.

Please, give the teacher as much advance notice as possible for student absences and make-up requests.

TEACH LV Charter Schools has the right to withdraw a student for excessive or inconsistent attendance at school or in the online environment.

#### **Prearranged Absences**

There are times when it is necessary for students to have a prearranged absence. Absences from school hinder academic progress and parents are asked to keep these absences to a minimum. Parents/Guardians must submit a written request to the school in advance of the absence. Forms are available in the school office. The first two weeks of a prearranged absence may be approved. The student is responsible for completing the assigned work in a timely manner. Any prearranged absence longer than two weeks shall have the first two weeks approved and the remaining days marked unapproved. The maximum amount of prearranged absences is ten days per semester.

#### Make-Up Work for Absences

Students will be able to make up all work missed. If the absence was approved, full credit will be granted for all make-up work. If the absence was unapproved, the teacher may grant only partial credit for make-up work. All make-up work must be completed and turned in by the student's next scheduled face-to-face visit unless other arrangements are made with the administration. Make-up work must be submitted in addition to the current week's assignments. Students who are out of school due to Out-of-School Suspension are expected to make up missed work.

#### **Attendance Policy / Cancellation Procedures**

Unless otherwise provided by law, each parent or guardian having control or charge of any child between the ages of 7 and 18 shall send the child to school during all the time the school is in session (NRS 392.040). All students enrolled at TEACH LV Charter Schools are subject to all state attendance laws as well as policies and procedures set by TEACH LV Charter Schools.

It is imperative that students attend their weekly face-to-face session(s). Each weekly visit constitutes five days' worth of attendance and the student is considered present for the week. Subsequently, each time a student is absent he/she earns 5 days' worth of absences and is considered absent for the week. Both students and parents must understand the link between attendance and academic success.

Parents must follow the following procedures when a student must be absent from his/her weekly visit:

- Written notification must be received by the office and a courtesy copy emailed to your student's teacher within three days of the absence. Example: If your student is scheduled to attend class on Monday and class is missed, notification must be received by Thursday at 4:00 p.m.
- The notification must include the first and last name of the student, grade, date of absence, and reason for absence.
- The notification can be brought to the office in person, faxed to the school office (702 259-7793), emailed (absentk8@TEACH LVk12.org), or sent via United States postal mail (2251 S. Jones Blvd., Las Vegas, NV 89146).
- Absences that are not approved or verified with a written notification within three days will be considered an unapproved absence and the student will be considered truant from school.

The following absences are considered approved absences:

- The student is physically or mentally unable to attend school, or the absence is related to the student's disability and the course work has been completed.
- The principal or principal's designee has given approval for an unavoidable absence due to an emergency.
- The student is absent due to a required court appearance or a religious holiday.
- The absence has been prearranged pursuant to the request of a parent or legal guardian prior to the absence and does not exceed the allowable ten (10) arranged days per semester.

Please note that sickness in the immediate family (parents, siblings, etc.) does not qualify for an approved absence.

All unapproved absences will result in truancy (see the truancy section in the handbook below). TEACH LV Charter Schools has the right to withdraw any student with excessive or inconsistent attendance on campus and in the online environment.

#### **Truancy Policy**

TEACH LV Charter Schools follows the following procedures with regards to student truancy.

#### Truancy #1

- The teacher discusses the absence with the parent in person, by phone, or by email.
- The first truancy letter is mailed. Parents may send written communication to the school within three days. If the absence is approved, the letter can be disregarded.
- K-5 parents must also courtesy copy the written communication to their teacher.

#### Truancy #2

- The teacher discusses the absence with the parent in person, by phone, or by email.
- The second truancy letter is mailed to the home. Parents may send written communication to the school within three days. If the absence is approved, the letter can be disregarded.
- K-5 parents must also courtesy copy the written communication to their teacher.
- A phone call, site visit or Required Parent Conference (RPC) with school personnel is activated.

#### Truancy #3 (Habitual Truant)

- The teacher discusses the absence with the parent in person, by phone, or by email.
- The third truancy letter is mailed to the home with notification of an RPC. The parent/guardian will be required to attend a mandatory meeting with administration. The student cannot attend weekly visits and access to online curriculum may be suspended until the meeting has occurred.
- A specific plan will be developed for the student and parent to prevent further absences.

Habitual truancy is serious and violates state attendance laws. Non-compliance with school interventions may result in one or more of the following: student is withdrawn from TEACH LV, student is reported to local or state agency, parent is reported to local agency for educational neglect.

#### **Tardy Policy**

Students are expected to arrive on time and remain present during the entire visit. Students who arrive more than five minutes late may be reported as tardy. It is understood that there may be circumstances that may occasionally prevent a student from arriving on time. However, repetitive tardiness is not permitted. Habitual tardiness may result in a conference between the parent and administration, an RPC, a student suspension, and/or a specific plan for the student and parent to prevent further absences.

#### Leaving School or Weekly Visits Early

In the event that a student must be picked up prior to dismissal from a weekly visit with a teacher either on campus or out in the community, adults must show identification and sign the student out. That adult must be a parent or guardian whose name appears on the student's school record or another adult also listed in "household" or the student will not be released. Siblings who are under the age of 18 and may be listed in the household will not be permitted to check a student out early. Students repeatedly leaving school early may result in a Parent and Student RPC. Teach Las Vegas - TEACH Las Vegas Special Board Meeting - Agenda - Thursday May 27, 2021 at 6:00 PM

## **STUDENT AND PARENT POLICIES AND PROCEDURES**

#### **Transportation and Food**

Parents are responsible for arranging transportation to and from TEACH LV. Elementary school students may ride the city RTC bus system if a responsible party accompanies them. There are bus stops near the school.

Because students are on campus for short periods of time, lunches or food services are not provided or available.

TEACH LV Charter School does not endorse any ride-share programs including but not limited to Uber and Lyft.

#### Parking and Traffic Flow

Parents are solely responsible for getting students to and from school. This includes but is not limited to transportation and all communication between parent and student regarding their arrival to and departure from campus. Students are not permitted to stay anywhere in the parking lot after dismissal. For everyone's safety, adhere to the procedures for drop off, pick up and parking and maintain patience and caution at all times.

The speed limit in the parking lot is 5 MPH.

U-Turns are STRONGLY DISCOURAGED.

Do not block the flow of traffic.

Remain in the car when waiting in drop-off/pick-up lanes.

Do not pass cars when students are getting in or out of the vehicle.

Watch for traffic and pedestrians at all times and use caution backing out of spots.

Be patient and remain calm.

#### Entering from Jones

- Enter campus from Jones Blvd. Pass the high school building, turn left in the lot and proceed to the drop-off/pick-up lane in front of the elementary and middle school office.
- Proceed to the exit and turn right on Sahara Ave.

#### Entering from Sahara

- Drop off at the crosswalk
- Turn right after the road narrows and exit right onto Jones Blvd.

\*Late pick up of students will activate an RPC.

\*Drivers are solely responsible for traffic incidents/accidents in the parking lot. \*There is no smoking permitted in the parking lot or anywhere on school grounds.

#### Visitors

TEACH LV Charter Schools utilizes a security and badging system for all visitors who enter the school beyond our lobby. This system searches publicly available records by name. All visitors who enter the school building must check in at the designated elementary/middle school office to receive visitor's badge. Each visitor must present a picture ID (driver's license or state ID) that will be scanned prior to the issuance of the visitor badge. Students are not allowed to bring visitors to onsite classes (visiting relatives, friends from other schools, etc.).

#### Leaving Messages/Student Inquiries

Please do not call the office to leave a message for your student. A message to a student involves a possible violation of the Family Educational Rights and Privacy Act (FERPA). There is no way to verify the legal parent or guardian for a phone message. If you have an emergency and have to contact your child, please come to the office and provide identification. For non-emergencies, please plan ahead.

The school recognizes that TEACH LV is not a zoned school and that parents may live many miles from campus. To protect the privacy of students, TEACH LV employs information safety procedures concerning all matters outside of general school information. Should you require information that is specific to your child, you may be subject (not limited) to the following requests and procedures:

- Have student identification number ready when speaking with anyone about your student.
- Be prepared to show, email or fax your personal identification to the school.
- Be prepared to come to the school when staff members indicate they cannot communicate certain information over the phone.
- Once at the school, check in and check out of the office if you will be inside the building beyond our lobby.
- Wear your temporary ID in a visible place on your clothing.

Please be patient with our staff during all identification procedures. Our goal is to provide you with the best customer service while we safeguard student information.

Please, keep all household information current, including email, home address, and phone numbers. Fill out all necessary forms when granting permission and rights to others who can speak on behalf of your student.

#### **Pupil Information/Change of Address**

If your last name, street address, email, or telephone number changes at any time during the school year, notify the office immediately. It is very important to keep records up to date and also to be able to

contact a parent or guardian in the case of an emergency. The student information change form is available in the office. Forms must be submitted with proper identification.

#### **School Counseling and Social Work Department**

The TEACH LV Counseling and Social Work Department consists of licensed personnel onsite to assist with student (and family) needs. If you are asked to attend a Required Parent Conference (RPC) with anyone from this department, you must call the school to schedule the meeting.

This department also provides the following:

**Placement:** Students are required to take courses to meet promotion requirements. Placement involves assistance to each individual in selecting appropriate curriculum.

**Individual Analysis:** The individual analysis service aims to enhance understanding of students and to improve the quality of decisions made by parents, teachers, counselors, administrators, and the learners themselves.

**Information Dissemination:** The School Counseling and Social Work Department is open to anyone in the TEACH LV community who desires information concerning education.

**Consultation:** Individual meeting time is designed to help set academic goals and establish an education plan. Students and parents may be asked to attend a meeting related to student academic goals.

Support: Social work services can connect families with community services.

#### Health Office/Immunizations

NRS.392.435 (Immunization of pupils): Certificate prerequisite to enrollment, conditional enrollment, effect of failure to immunize, report to Health Division, inclusion of certificate in pupil's record. Unless excused because of religious belief or medical condition, a student may not be enrolled in a public school within this state unless his parents or guardian submit to the board of trustees of the school district in which the child resides a certificate stating that the student has been immunized and has received proper boosters for that immunization or is complying with the schedules established pursuant to NRS 439.550.

Students who become ill at school will be sent to the school nurse. The parent/guardian will be contacted if the student cannot return to class. For the protection of each student, adults must show identification and sign the student out. That adult's name must be on the student's school record or the student will not be released.

If your child requires medication during their weekly in-school class session, please contact the school nurse for necessary procedures.

#### Police Visitation/Use by School

It is the philosophy and belief of the administration at TEACH LV Charter Schools that the responsibility for dealing with student discipline violation rests with the school. Thus, every effort will be made to deal with issues in-house, according to the policies and procedures established by the school. However, the police will be called to assist when violations of state laws or municipal ordinances occur or when security of persons or property appears to be in jeopardy.

#### **Student Dress Code**

It is the parent's responsibility to ensure that students come to school clean and properly dressed. Apparel must meet with health and safety codes, be in good repair, and be considered appropriate for the educational process. Any questions concerning appropriateness of dress will be handled on an individual basis.

The following provides a general guideline for *appropriate* student dress:

- Shirts must cover the student's shoulders as well as meet the top of the student's bottom garment (pants, shorts, skirts).
- Shirts must cover the student's front and back. Shirts with shoulder straps must be as wide as three fingers.
- Shoes with soles must be worn at all times. Open-toed footwear is discouraged due to safety concerns.

The following provides a general guideline for *inappropriate* student dress:

- Clothing that is distracting or that promotes materials or ideology that is illegal, divisive, disrespectful or otherwise unprofessional
- Clothing that is obscene, suggestive, or which advertises alcohol or tobacco products
- Clothing that is unnecessarily distracting to the learning environment (Examples: Cut-up jeans, low-cut shirts, mesh shirts with no undergarments, tank tops, "overly short" shorts, or undergarments visible as outer garments)
- Pajamas, slippers, flip flops, Halloween costumes, costume wigs, large and/or distracting hats, and masks (with the exception of specifically themed special events, classroom assignments and Spirit Weeks)
- Clothing that indicates that a student or parent has membership in or an affiliation with gang associated or criminal activities

#### **Student Telephones**

A student telephone is located inside the school office.

Mobile phones must be turned off and put away during classes. If a mobile phone is activated either by an incoming or outgoing call or is visible during class, the student will be given a warning. If the phone continues to be a distraction to the learning environment, the phone will be given to an administrator after a teacher/student discussion has taken place. The mobile phone will be returned to the student before they leave campus.

#### Money and Valuables/Lost and Found

Please do not bring large amounts of money to school. Expensive items and personal electronics should not be brought to school. All personal items should be in possession of the owner at all times. The school cannot accept responsibility for stolen money or other items.

The lost and found department is located in the main office. Please check with the receptionist for any lost items.

#### **Student Activities and Field Trip Policies**

School sponsored activities that take place on campus or in locations other than TEACH LV's campus are governed by the same policies and regulations as those during normal school attendance. The policies concerning dress code, behavior, transportation, the use of tobacco and other controlled substances, communication with the teacher and office staff, mobile phones, the possession of money and valuables, and food/drink are all in force, unless specifically altered for the particular event (i.e. the food and drink policies may be changed if the activity is seeing a movie at a movie theater.)

It is usually expected that parents will accompany their children at special events such as field trips.

#### **Posters and Announcements**

Any posters or announcements to be displayed on the TEACH LV Charter School campus must be approved by an administrator.

#### Fire Drills/Shelter in Place Drills/Safety Drills

The signal for a fire drill is the sounding of a shrill fire horn. Your cooperation is needed in order to clear the building as efficiently and safely as possible. Use the exit posted on the emergency exit map in the classroom while carefully following teacher instructions. Students are to remain outside the building until a signal is given. For shelter-in-place and all other safety drills, follow your teacher's instructions.

It is expected that parents and other adults that are visiting campus or waiting in the lobby, fully participate in these events whether or not they are a drill or an actual emergency.

#### **Student Property Searches**

Desks, lockers, computers, or other items that belong to TEACH LV Charter Schools, to which students are allowed a limited right of use, are subject to search at any time. Students shall be given prior notice that they have no expectation of privacy when using school-assigned property and that routine searches may be expected.

Searches of a student's person or possessions while at school must be reasonable and must follow TEACH LV Charter School's written policy.

#### TEACH LV Charter School of Nevada Disciplinary Procedures 2020-2021

TEACH LV Charter Schools of Nevada has established the following discipline plan for the restorative and progressive discipline of pupils and onsite review of disciplinary decisions. Restorative justice means nonpunitive intervention and support provided by the school to a pupil to improve the behavior of the pupil and remedy any harm caused by the pupil (AB 168). Restorative disciplinary practices include holding a pupil accountable for his or her behavior; restoration or remedies related to the behavior of the pupil, relief for any victim of the pupil; and changing the behavior of the pupil (SB 89). The plan was approved by the TEACH LV Board of Directors and developed with the input and participation of site administrators, teachers, other educational (counselors, strategists, social workers, special education, and specialists) and support personnel, and the parents and guardians of pupils who are enrolled in the school. The plan has been developed in accordance with written rules of behavior prescribed in NRS 392.463, NRS 392.4644, and NRS 392.466.

It includes, without limitation, provisions designed to address the specific disciplinary needs and concerns of TEACH LV Charter Schools. The plan provides for the temporary removal of a pupil from a classroom in accordance with NRS 392.4645. This plan was reviewed, and revisions suggested and submitted to the TEACH LV Board of Directors by the Discipline Committee, consisting of administration, teachers, other educational personnel, support staff personnel, and parents. A copy of this plan is provided for every staff member and is included in the student/parent handbook, which is posted electronically on the school website for public inspection.

TEACH LV Charter School of Nevada holds the following beliefs and policies concerning student disciplinary procedures.

- Each student is a person deserving of the opportunity to correct their wrongdoings and to learn from their mistakes.
- Each staff member develops positive relationships with students, helping create a supportive environment where students thrive personally and academically.
- Students are held accountable for his or her behavior.
- A fair and thorough investigation will be conducted, including an attempt to discover underlying issues associated with the offense.
- A plan of action based on restorative justice will be designed for students with the goal to address underlying issues associated with the offense, change and/or improve the behavior of the student and remedy or "make right" any harm caused by the student to others.
- The feelings of the person harmed by a student's behavior or actions must be considered in the plan of action.
- Continued support will be provided to both the person harmed and the offender.
- Search methods and investigatory techniques must comply with the appropriate OCS policies and regulations.
- The Restorative Plan of Action, including progressive disciplinary action, must be commensurate with the severity of the offense(s).
- A student's Restorative Plan of Action, academic and disciplinary chronology must be considered, except in the event of mandatory expulsion offenses as provided for in Nevada Revised Statutes.

- The school's administration is provided, by TEACH LV's Board of Directions, with the authorization and discretion to make and implement disciplinary decisions and interventions, including but not limited to, suspension and recommendations for expulsion, except for mandatory expulsion offenses required by Nevada Revised Statutes, for all general education students over and not including the age of ten (10) years of age. The Board of Directors must review the circumstances and approve suspensions and expulsions of students with IEPs and students under the age of eleven (11).
- Such interventions may include, but are not limited to, the following: Restorative Plan of Action, behavior contract, group and individualized counseling, Required Parent Conferences (RPC), temporary assignment to an alternative placement, intervention with social workers, parent conferences, and attendance notification.
- RPC means that either a student-administrator conference (in the case of a student who is 18 or older) or a parent-student-administrator conference will take place. At the time of notice, the school administrator will specify if the required meeting must be held **prior to the student's** return to campus OR if the student **may continue to attend** school on campus until the meeting is held.
- The student should be present whenever possible.
- All parent conferences held as a result of student disciplinary issues will include students/parents being given notice of the charges against him or her, an explanation of the evidence, and an opportunity for the administrator to hear information and a defense from the student/parent (a hearing). A parent conference must be held prior to a suspension.
- TAP means Temporary Alternative Placement, which can be either off-site in the online environment only or can be onsite with the direct supervision of a teacher, the school counselor, the school social worker or the school administrator. The TAP will not include the use of technology if the disciplinary issue has violated the TEACH LV Charter School's Acceptable Use Policy. Students who violate the OCS Acceptable Use Policy will access the curriculum offline until such time it is approved by the OCS Administration to return to the online educational setting.
- Every attempt must be made to contact a parent/guardian for each significant offense. Parents must be provided with written notification for all Restorative Plans of Action and disciplinary actions.
- Suspensions may be assigned at the discretion of the principal, up to a maximum of ten school days, for general education students over the age of eleven (11). Students with IEPs may be assigned suspensions up to a maximum of five (5) school days for each occurrence of misconduct, with the review and approval of the Board of Directors.
- Referrals of expulsion require formal due process. Due process includes a parent conference, which will include notice of the charges against the student, an explanation of the evidence, an opportunity for the administrator to hear information and a defense from the student/parent (a hearing), and an opportunity for appeal. An appeal can be made to the Superintendent of TEACH LV Charter Schools, and then to the Board of Directors of TEACH LV Charter Schools.
- If the administrator believes a crime may have been committed, law enforcement must be notified. Records of police involvement must be requested and maintained. <u>Any criminal action</u> <u>taken by law enforcement is separate, and not always parallel, to administrative action taken by</u> <u>the school.</u>
- For special education and 504 students, IEP behavior plans and other modifications must be followed in accordance with state and federal law. Additionally, a manifestation determination and functional behavioral assessment must be conducted if the student's behavior is, or will potentially, inhibit the student's access to FAPE.
#### Possession of a Firearm or Dangerous Weapon

- A student who is found to be in possession of a firearm or dangerous weapon will be removed from the school immediately upon being given an explanation of the reason for the removal and pending proceedings.
- The first occurrence of possession of a firearm or dangerous weapon (as defined in NRS 392.466.11 (b) and (c)) requires a mandatory one-year minimum expulsion from TEACH LV Charter School. A second occurrence requires a permanent expulsion from the school. (NRS 392.466.3).
- For students with IEPs, see section labeled Special Education Students.

#### **Removal to Another School**

If TEACH LV is unable to retain a student due to safety concerns OR if it is not in the best interest of the student, the student may be suspended, expelled, or returned to the Clark County School District for placement in a school.

#### **Students Charged with a Crime**

If a student has been charged with a crime, the TEACH LV Board of Directors may authorize the expulsion, suspension, or removal of a student regardless of the outcome of criminal or delinquency proceedings ONLY if the school (1) conducts an independent investigation of the student's conduct, AND (2) gives notice to the student of the charges brought by the school against the student.

### HABITUAL DISCIPLINARY PROBLEM CRITERIA

- A student will be considered a Habitual Disciplinary Problem if written evidence documents that within one school year the student has:
  - 1. Threatened or extorted, or attempted to threaten or extort, another student or school employee two or more times; or
  - 2. Has a record of five suspensions for any reason
  - 3. Has not entered into and participated in a behavior plan
- If a student is suspended, the school shall develop a plan of behavior (plan of action based on restorative justice) for the student in consultation with the student and the parents/guardians of the student. The plan must be designed to attempt to prevent the student from being deemed a habitual disciplinary problem.
- A school must make a reasonable effort to complete a plan of action based on restorative justice prior to the suspension or expulsion of a student deemed a habitual disciplinary problem.
- If a student is deemed to be a habitual disciplinary problem and is at least 11 years old, the student may be suspended from school for a period not to exceed one school semester as determined by the seriousness of the acts which were the basis for the discipline, or expelled from school under extraordinary circumstances as determined by the principal of the school, if

and only if the school has made a reasonable effort to complete a plan of action based on restorative justice.

#### Habitual Disciplinary Declaration

If at least one elementary school teacher of a pupil or two middle or high school teachers of a pupil enrolled at TEACH LV Charter School request that the principal of the school deem a student a Habitual Disciplinary Problem, the principal will meet with each teacher to review the student's discipline record. If, after the review, the principal determines the student does not meet the criteria of a Habitual Disciplinary Problem, the teacher(s) submitting the request may appeal that determination to the Superintendent of TEACH LV Charter Schools or to the TEACH LV Board of Directors.

#### Procedures for Criteria # 1

TEACH LV Charter Schools will process threats, extortion incidents, or any attempt thereof using existing bullying and expulsion procedures. However, to be considered a Habitual Disciplinary Problem under current statute, the act of threatening or extorting, or attempting to threaten or extort, must have been documented at least twice during one school year. Habitual Disciplinary Problem language will be included in addition to identifying the infraction when preparing expulsion paperwork. TEACH LV Charter School will provide a written notice seven days prior to declaring a student a Habitual Disciplinary Problem to the parent or legal guardian that contains:

- 1) A description of the act(s).
- 2) Dates on which the act(s) were committed.

3) An explanation that pursuant to NRS 392.466, a student declared a Habitual Disciplinary Problem may be suspended from school for a period not to exceed one school semester as determined by the seriousness of the acts which were the basis for the discipline or expelled from school under extraordinary circumstances as determined by the principal and the Superintendent of TEACH LV Charter Schools.

A student who is determined to have documented infractions in the progression of those identified under statute relevant to Habitual Disciplinary Problem may enter into a voluntary plan of behavior (restorative plan of action) designed to prevent the student from being deemed a Habitual Disciplinary Problem and may include, without limitation:

- 1) A plan for graduating if the student is credit deficient and not likely to graduate according to schedule
- 2) Information on alternative schools
- 3) A voluntary agreement by the student and parent/guardian to attend counseling
- 4) A voluntary agreement by the student and the parent/guardian for the student to attend summer school or other credit retrieval programs offered by TEACH LV Charter School.

If the student commits the same act for which the notice was provided after he/she enters into a plan of behavior (restorative plan of action), the student shall be deemed to have not successfully completed the plan of action and may be deemed a Habitual Disciplinary Problem.

#### **Procedures for Criteria #2**

Following a student's fourth suspension, TEACH LV Charter Schools will provide written notice to the parent or legal guardian that contains:

- 1) Description of the act committed by the pupil.
- 2) Date the act was committed.

3) An explanation that if the student is suspended five times within one school year, the student will be deemed a Habitual Disciplinary Problem.

4) An explanation that pursuant to NRS 392.466, a student declared a Habitual Disciplinary Problem may be suspended from school for a period not to exceed one school semester as determined by the seriousness of the acts which were the basis for the discipline or expelled from school under extraordinary circumstances as determined by the principal of the school.

If the referral is contested, due process will occur. The last level of appeal for these students is the Superintendent of TEACH LV Charter Schools.

#### Plan of Behavior/Restorative Plan of Action Prior to Declaration

Before a student is deemed a Habitual Disciplinary Problem, if, within one school year, a student is suspended one time for threatening or extortion, or attempting to threaten or extort, another student or school employee; or if the student has been suspended four times, a plan of behavior/restorative plan of action will be developed with the parent and student. A student may enter one plan of action per school year. The plan, without limitation, may include a voluntary agreement for:

- 1) A plan for graduating if the student is credit deficient and not likely to graduate according to schedule
- 2) Information on alternative schools
- 3) A voluntary agreement by the student and parent/guardian to attend counseling
- 5) A voluntary agreement by the student and the parent/guardian for the student to attend summer school or other credit retrieval programs offered by TEACH LV Charter School.

If the student violates the conditions of the plan of behavior/restorative plan of action or commits the same act for which notice was provided (i.e. commits a second extortion or attempted extortion; or receives a fifth suspension) after he/she enters into a plan of action, the student shall be deemed a Habitual Disciplinary Problem.

The parent/legal guardian of a student who has entered a plan of action may appeal the contents of the restorative plan of action to the Superintendent of TEACH LV Charter Schools.

#### **Due Process Notification**

TEACH LV Charter Schools will provide due process notification to each parent at least seven days before the school deems the student a Habitual Disciplinary Problem.

#### AB 521 REFERRAL

AB 521 is an option teachers have for a student who has engaged in behavior that seriously interferes with the ability of the teacher to teach and the other students to learn. Before a student's behavior reaches this level of severity, the teacher must attempt to correct the student's behavior through intervention and progressive discipline. According to AB 521, progressive discipline must be followed in the classroom before requesting that a student be temporarily removed. Teachers will complete the

following interventions before submitting an AB 521 referral:

- 1. Conference with the student.
- 2. Parent contact by phone.
- 3. If the student's family has no phone, a copy of the parent contact form must be mailed home.
- 4. Counselor/Social Worker referral.
- 5. Referral to school administrator for disruptive behavior.

#### These steps must be documented, and documentation must be submitted with an AB 521 referral.

### Assembly Bill 521 (Temporary removal of a student)

The TEACH LV Charter School of Nevada Discipline Plan provides for the temporary removal of a student from a classroom if, in the judgment of the teacher, the student has engaged in behavior that **seriously** interferes with the ability of the teacher to teach the other students in the classroom and with the ability of the other students to learn.

Progressive discipline will be followed within the classroom as explained and may include such things as verbal warning, parent contact, counselor/school social worker referral, and administrative referral. If a student is removed by the teacher, the administrator will explain to the student the reason for the removal, and the student will have an opportunity to respond. The administrator will contact the parent within 24 hours. A temporary, alternative placement (off-site in the online environment only OR be onsite with the direct supervision of a teacher, the school counselor, the school social worker, or the school administrator) will be given to the student unless the student is suspended or expelled for disciplinary action.

A conference with the student, parent, administrator, and teacher will be held within three days of the incident. Since it was the teacher that ordered the removal of the student, not the administrator, during the conference, the teacher must provide a rationale for the reasons for the removal, and the parent must be given an opportunity to respond. Upon completion of the conference, the administrator will recommend whether the student returns to the classroom or remains in alternative placement for additional time. If the administrator recommends that a student be returned to the classroom from which he/she was removed and the teacher who removed the student does not agree with the recommendation, the administrator shall continue with the temporary alternative placement and will immediately convene a meeting of the AB 521 Committee. The parent will be informed of the meeting.

The committee will convene to review temporary alternative placement. If the committee membership includes the teacher who removed the student, that teacher shall not participate in the deliberation on that case. The AB 521 Committee will review the circumstances of the student's removal and behavior. Based upon its review, the committee shall assess the best placement available for the student and shall, without limitation 1) Direct that the student be returned to the classroom from which he was removed; 2) Assign the student to another classroom; 3) Assign the student to continue in an alternative placement (TAP) 4) Recommend suspension or expulsion in accordance with NRS 392.467; or 5) Take any other appropriate disciplinary action that the committee deems necessary.

#### AB521 Committee Members 2019-2020

Lea Wright, Derek Kono, Nancy Johnston, Deneen Walters, Mike Fitzgerald, Suzanne Miller,

#### Don King

Members of this committee were selected based on their diverse, educational backgrounds and willingness to volunteer their time.

#### SPECIAL EDUCATION STUDENTS

- 1. A student with an IEP who is at least 11 years old may be removed from a school, suspended, or expelled only after the TEACH LV Charter School Board of Directors has reviewed the circumstances and determined that the action is in compliance with the Individuals with Disabilities Education Act (IDEA), except in the case of possession of a firearm or dangerous weapon by a student.
- 2. Suspension of a student with an IEP is limited to 1-5 days for each occurrence of misconduct.
- 3. As with general education students, a student with an IEP who is younger than 11 years old must not be permanently expelled except under extraordinary circumstances, in which case a school may request an exception to this prohibition from the district Board of Trustees.
- 4. If a student with an IEP has committed battery of an employee of a school, the employee may appeal the plan of action based on restorative justice if (1) the employee feels that any action taken pursuant to the plan are inappropriate; and (2) the TEACH LV Board of Directors has reviewed the circumstances and determined that the appeal is in compliance with Individuals with Disabilities Education Act (IDEA).
- 5. A student with an IEP who is at least 11 years old who is found to be in possession of a firearm or a dangerous weapon may be removed from the school immediately upon being given an explanation of the reasons for their removal and pending proceedings. A student with an IEP who is ten (10) years older younger cannot be removed from school immediately; this age limitation does not apply to general education students.

#### **TEACH LV Charter School Restorative Discipline Plan**

Restorative disciplinary practices include holding a pupil accountable for his or her behavior; restoration or remedies related to the behavior of the pupil; relief for any victim of the pupil; and changing the behavior of the pupil. The chart serves as a guideline for the school's response for the Restorative Plan of Action and progressive discipline issued for student misconduct. Every infraction will be investigated, and appropriate intervention and consequences applied based on the severity of the action, the impact of the action on the educational community and the individuals within it, the behavioral history of the student, and any other relevant circumstances. This restorative discipline plan

acts as a guide. A single incident/offense by a student may result in a more progressive level of discipline than stated.

Restorative Plan of Plan – a list of concrete agreements or actions that attempt to have the student take action to repair the harm of their behavior, re-engage in learning, and provide needed support to accomplish those two tasks.

- TAP Temporary Alternative Placement
- RAS Removal to Another School: If TEACH LV is unable to retain a student due to safety concerns OR if it is not in the best interest of the student, the student may be suspended, expelled, or returned to another school in the Clark County School District.
- RPC Required Parent Conference: a requirement that a conference is held with a student, their parent, and an administrator of the school. At the time of notice, the school administrator will specify if this required conference must take place **prior** to the student returning to face-to-face classes on the TEACH LV Charter School OR if the student **may continue to attend** school on campus until the meeting is held.
- SUS Suspension: a designated period of time that a student must not attend face-to-face classes on the TEACH LV Charter School campus.

# The TEACH LV Board of Directors must review the circumstances and approve suspensions and expulsions of students with IEPs and students under the age of eleven (11).

# Bullying and Cyber-Bullying is Prohibited in Public Schools

**Bullying and Cyber-bullying:** Bullying is defined as "a willful act or course of conduct on the part of one or more pupils which is not authorized by law and which exposes a pupil repeatedly and over time to one or more negative actions which is highly offensive to a reasonable person and is intended to cause and actually causes the pupil to suffer harm or serious emotional distress. Cyber-bullying is bullying through the use of electronic communication.

Bullying can take many forms, such as hitting, verbal harassment, spreading false rumors, not letting someone be part of the group, eye rolls, rude comments and sending nasty messages on a cell phone, internet or website.

OCS is committed to providing all students and employees with a safe and respectful learning environment in which persons of different beliefs, characteristics, and backgrounds can realize their full academic and personal potential. This type behavior may result in suspension/expulsion. See our website for additional information. Please refer to the Anti-Bullying Pledge that is signed upon enrollment.

It is the policy of TEACH LV Charter Schools to encourage students who are subjected to, witness, or overhear incidents of bullying and cyberbullying to report such incidents. Students

should report any incident(s) of bullying and cyberbullying to a teacher, counselor, or school administrator. Students are also encouraged to report knowledge of bullying and/or cyberbullying via the Nevada Department of Education Website under the Bully Free Zone that allows individuals to anonymously report unlawful activities. However, students should be aware that the Website may not be monitored after school hours, or during weekends and holidays.

Please refer to the full text of the provision of <u>NRS 388.121</u> to <u>388.1395</u> at the end of this handbook.

### **Rights and Responsibilities**

TEACH LV Schools recognize the following:

- The primary intent of society in establishing the public schools is to provide an opportunity for learning
- The students have full rights of citizenship as delineated in the United States Constitution and its amendments
- Citizenship rights must not be abridged, obstructed, or in other ways altered except in accordance with due process of law; and
- Education is one of these citizenship rights. The liberty of the individual must be thus far limited: the student must not infringe upon the rights of others to an education.

### **Definitions of Rights and Responsibilities**

Students at TEACH LV Charter Schools have the basic constitutional rights guaranteed to all citizens. In exercising these rights, students have a responsibility to respect the fundamental rights of all citizens. One purpose of schools is to encourage the responsible use of these rights and develop good citizenship within the framework of an educational society. The school is a community and the rules of a school are the laws of that community. To enjoy the right of citizenship in the school, students must also accept the responsibilities of citizenship.

This handbook presents the rights and responsibilities of the students in the TEACH LV Charter Schools. It has been written by the school administration and approved by the board of directors.

# Right to Freedom from Discrimination Based on Race, Creed, National Origin, Sex, or Physical Disability

It is the policy of TEACH LV Charter Schools to comply with the constitutional right that no person shall be denied the benefits of an educational program on the basis of race, creed, national origin, sex, or physical disability.

If you have complaints in this regard, you are asked to notify Tim Lorenz, Superintendent of Schools, TEACH LV Charter Schools of Nevada.

# CODE OF HONOR

There is a clear expectation that all students will perform academic tasks with honor and integrity, with the support of parents, staff, faculty, administration, and the community. The learning process requires students to think, process, organize, and create their own ideas. Throughout this process, students gain knowledge, self-respect, and ownership in the work that they do. These qualities provide a solid foundation for life skills, impacting people positively throughout their lives. Cheating and plagiarism violate the fundamental learning process and compromise personal integrity and one's honor. Students demonstrate academic honesty and integrity by not cheating, plagiarizing or using information unethically in any way.

### What is cheating?

Cheating or academic dishonesty can take many forms, but always involves the improper taking of information from and/or giving of information to another student, individual, or other source. Examples of cheating can include, but are not limited to:

- Taking or copying answers on an examination or any other assignment from another student or other source
- Giving Answers on an examination or any other assignment to another student
- Copying assignments that are turned in as original work
- Collaborating on exams, assignments, papers and/or projects without specific teacher permission
- Allowing others to do the research or writing for an assigned paper
- Using unauthorized electronic devices
- Falsifying data or lab results, changing grades manually or electronically

### What is plagiarism?

Plagiarism is a common form of cheating or academic dishonesty in the school setting. It is representing another person's works or ideas as your own without giving credit to the proper source. Examples of plagiarism can include, but are not limited to:

- Submitting someone else's work, such as published sources in part or whole, as your own without giving credit to the source
- Turning in purchased papers or papers from the internet written by someone else
- Representing another person's artistic or scholarly work such as musical compositions, computer programs, photographs, drawings, or paintings as your own
   Helping others plagiarize by giving them your work

All stakeholders have a responsibility in maintaining academic honesty. Educators must provide the tools and teach the concepts that afford students the knowledge to understand the characteristics of cheating and plagiarism. Parents must support their students in making good decisions relative to completing coursework assignments and taking exams. Students must produce work that is theirs alone, recognizing the importance of thinking for themselves and learning independently, when that is the nature of the assignment. Adhering to the Code of Honor for the purposes of academic honesty promotes an essential skill that goes beyond the school environment. Honesty and integrity are useful and valuable traits impacting one's life.

Questions or concerns regarding the consequences associated with a violation of the Code of Honor may be directed towards your child's school administration and/or the school district.

### **Parent Code of Conduct**

- Parents are expected to interact with all members of the TEACH LV community (students, staff, and other parents) with respect and courtesy at all times
- Parents are expected to follow TEACH LV parent responsibilities and expectations while on campus or interacting with the TEACH LV community.
- Parents are guests on our campus. All guests must enter the school through a school office and follow all identification and badging procedures for the safety of the school community.
- Failure to meet these expectations will result in an administrative conference and:
  - o the school may feel it necessary to contact the appropriate authorities and if necessary, ban the offending parent from entering the school grounds, or
  - o if creating educational barriers, may result in the ultimate withdrawal of the student from TEACH LV Charter Schools

## **ACCEPTABLE USE POLICY**

#### ACCEPTABLE USE POLICY (AUP)

The purpose of TEACH LV Charter School's (OCS) Acceptable Use Policy is to be certain that the school's staff, students and families have appropriate and productive communications with electronic communities around the world. This policy includes all email and Internet services and all Internet service providers when used in association with OCS.

The electronic resources provided by OCS can only be used to promote the purpose, mission, and goals of the school. These resources are provided to facilitate access to information and resources, promote educational excellence, and enhance communication between OCS and the community.

## **Internet Safety**

#### Follow these 10 tips to instill a safe Internet routine at home.

1. Excite your student with the positive side of cyberspace and the ease of information. They can learn anything and everything - the Internet is not just You Tube, social media, and homework.

2. Manage your browser settings, allowing you to choose what content is viewable to your child.

3. Discuss the dangers of predators on the Internet with your student, as well as the danger of putting personal information on the Internet.

4. Discuss a set of rules for use of the Internet, which may include asking permission before using the computer, a time limit of usage, off limits times of day, sharing passwords, etc.

5. Discuss the threat of viruses and clicking on things if they are unsure or unfamiliar.

6. Talk to your student about Internet usage when at other houses or away from home.

7. Remember that the danger is not just on your PC, laptop and tablet. The Internet is at their fingertips – on their phone or yours!

8. Check your student's Internet history often. If you don't know what something is, click on it.

9. Always be aware of your student's involvement, access and behavior on social media outlets as well as email. Discuss things to talk about in the future and now. Discuss the permanency of things on the Internet and how you can't take it back, legal issues, pictures, etc.

10. Encourage conversation with your student if they have a questions or concern about something they saw on the Internet.

# SUCCESS STRATEGIES

### **Parent Tips**

TEACH LV is unique in that parents assume the responsibility of a partnership with licensed teachers in the education of the student. The parent's role is critical for the success of the student. We recommend that you strive throughout the year to attain the following skills:

- Develop basic computer skills and prepare for the "21<sup>st</sup> Century glitches." What steps will you take if your computer goes down? Have a practical plan in place.
- Become familiar with the Internet to find websites that will support your student's lessons.
- Be able to print out necessary materials. If you do not have a printer, you may print out materials at your local library for a small fee.
- Regularly utilize the library and other community resources.
- Ensure that your student actively participates in school activities and programs.
- Adhere to school requirements and procedures to ensure that both you and your student's experiences on campus are successful.
- If additional school days are required, make certain your student is in attendance. The school
  provides many valuable resources that are intended to promote development or strengthen skills
  (schedules TBA).
- Build relationships with our teachers. Share ideas openly, discuss difficulties, and use all of the tools made available to you.
- Always encourage your student.
- Do not be afraid to make mistakes.

# Successful Strategies for Effective Communication: Resolving Differences So Everyone Wins

Communication plays a critical role in education, especially in a school environment where email and the telephone are used more frequently than face-to-face meetings. The success of our program is often attributed to effective communication between the teacher, the students and the parents.

Those who have been most successful in our school point to several strategies that worked for them. With the additional help of our counselor, we are able to offer the following list of guidelines for making your year a year in which EVERYONE WINS!

- 1. Accept and respect that individual opinions may differ. Work to develop common agreement.
- 2. Communicate assertively, not aggressively.
- 3. Focus on the issue, not your position about the issue.
- 4. Give others an opportunity to express themselves without jumping to conclusions or making assumptions about what they are feeling or thinking.
- 5. Review the situation as one where no one has to win and no one has to lose. Work toward a solution where both parties can have some of their needs met.
- 6. Listen without interrupting; ask for feedback if needed to assure a clear understanding of the issue.
- 7. Thank the person for listening to you.
- 8. Stay in the present.
- 9. Take time to cool off should you find yourself becoming angry or annoyed; send the email or make the phone call once you have regained control.
- 10.Work through the problem. It is best to start with a compliment.

Remember the goal is that all parties want what is best for the student.

For additional suggestions or further resources please contact the school counselor.

### Read by Grade 3 Questions and Answers for Nevada's Parents

Answers
<i>Nevada's Read by Grade 3 State Initiative</i> was established by Senate Bill (SB) 391 of the 2015 Nevada State Legislature. It is also called the <i>Nevada Read by Grade 3 Act.</i>
This act was enacted on July 1, 2015.
This law primarily impacts Nevada school district's and charter school's kindergarten, first, second, and third grade students.
Your child's school principal will notify you with a written letter of notification.
Your child has been identified as being in need of reading intervention through multiple reading assessments, classroom teacher observations, and other local measures.
Your child's program will include specific instruction in the 3 areas of literacy: writing, speaking, and listening.
Your child will receive instruction that has been specifically targeted to his/her specific needs in reading.

Who will be providing these services for my child?	A highly trained group of literacy educators will be providing these services for your child. Your school's K-3 learning strategist will guide this process.
What will my child's intervention sessions focus on?	Your child's reading intervention program will take place in a small-group format. Instruction will include all of the main components of reading: phonemic awareness, phonics, fluency, and reading comprehension.
How will I be notified of my child's progress in reading?	You will be notified 30 days after you have received your initial notification letter for a <i>Read by Grade 3</i> parent conference where you will be informed of the progress monitoring plan that has been established for your child. SB 391 requires your approval of this plan.
Will my child be retained as a result of this new law?	SB 391 does include retention requirements for students who have not met a proficiency level in reading by the end of third grade. SB 391 retentions will not occur until July 1, 2020. The first group of students who will be retained under this law include the kindergarten class of 2016-2017. The first year of retention under SB 391 will occur during the 2020-2021 school year when that particular group completes the third grade.
