Independent Auditor's Report on Compliance  
and Supplementary Schedules

Oakland Unified School District  
Measure G1 Parcel Tax

## Independent Auditor's Report

Governing Board  
American Indian Model Schools  
(A California Nonprofit Public Benefit Corporation)  
Oakland, California

### **Compliance**

We have audited American Indian Model Schools (the Schools) compliance with the requirements described in the November 8, 2016 Measure G1 for the year ended June 30, 2019.

### ***Management's Responsibility***

Compliance with the requirements referred to above is the responsibility of American Indian Model Schools management.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on the Schools' compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a material effect on the Schools November 8, 2016 Measure G1 occurred. An audit includes examining, on a test basis, evidence about the Schools' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the Schools' compliance with those requirements.

### ***Opinion***

In our opinion, the Schools complied, in all material respects, with the compliance requirements referred to above that are applicable to the November 8, 2016 Measure G1 for the year ended June 30, 2019.

### **Internal Control Over Compliance**

Management of American Indian Model Schools is responsible for establishing and maintaining effective internal control over compliance with the compliance requirements referred to above. In planning and performing our audit, we considered the Schools' internal control over compliance to determine the auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Schools' internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be deficiencies, significant deficiencies, or material weaknesses in internal control over compliance. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing. Accordingly, this report is not suitable for any other purpose.

## **Appendix I**

### **Summary of Audit Procedures**

## Objectives of our audit

- Ensure proceeds and expenditures of the parcel tax are fully accounted in the books and records of the Schools.
- Ensure expenditures are in support of allowable uses as per the ballot language, separately with respect to middle school grants, salary for school site educators, and administrative overhead.
- Ensure that middle school grant expenditures agree with the education improvement plans that were approved by the Citizens' Oversight Committee.
- Ensure that expenditures of Measure G1 are only for supplemental activities.

## Scope

- Schools' expenditures funded by measure G1 during the fiscal year ending June 30, 2019.

## Methodology

The following describes the audit procedures and our related findings.

1. Obtain parcel tax expenditure detail reports prepared by the Schools and agree amounts to the general ledger.

Finding - No exceptions were identified from applying this procedure. The Measure G1 accounting records are complete and include all activity during the fiscal year. The summary financial schedules provided in Appendix II reconcile with the Schools' accounting records.

2. Review the nature of the expenditures incurred by the school sites, and review source documents as appropriate, to ensure they were within the specific purposes of the ballot language.

Finding – No exceptions were identified from applying this procedure. We analytically reviewed the entire population of expenditure accounting records to search for transactions outside the scope of allowable expenditures. Individual transactions were selected for additional audit analysis, which includes reviewing source documents such as invoices, contracts, purchase orders, or payroll records. Subjected to the additional audit analysis were 40 individual transactions aggregating \$74,331 or 100% of the total Schools' site level transactions.

3. Ascertain if salary increases were used to supply raises to "school site educators," as the term is used in the ballot text.

Finding – Not applicable as the Schools did not have any salary expenditures for the period.

4. Ensure the same percentage increase in salary was applied to all school site educators.

Finding – Not applicable as the Schools did not have any salary expenditures for the period.

5. Verify if the parcel tax is funding supplemental activities by performing the following procedures. Ascertain if funds were used to provide services which were required to be made available by virtue of being a school. Also, perform procedures to ascertain whether the parcel tax funded services that were previously provided with another funding source.

Finding – No exceptions were identified from applying this procedure.

6. Recalculate the 65/35 percent allocation between raises for school site educators and middle school grants.

Finding – Not applicable as the Schools did not have any salary expenditures for the period.

7. Test a sample of expenditures to ensure they were spent following the approved education improvement plans.

Finding – No exceptions were identified from applying this procedure. We reviewed 40 transactions and verified that they are consistent with the approved plan.

8. Examine supporting documentation to validate the amount of Measure G1 Parcel Tax revenues received.

Finding – No exceptions were identified from applying this procedure.

February 24, 2020

To the Governing Board  
of the American Indian Model Schools  
(A California Nonprofit Public Benefit Corporation)  
Oakland, California

We have audited American Indian Model Schools (the Schools) compliance with the requirements described in the November 8, 2016 Measure G1 for the year ended June 30, 2019 and have issued our report thereon dated February 24, 2020. Professional standards require that we advise you of the following matters relating to our audit.

**Our Responsibility in Relation to the Financial Statement Audit under Generally Accepted Auditing Standards and *Government Auditing Standards***

As communicated in our letter dated February 21, 2020, our responsibility, as described by professional standards, is to plan and perform the audit to obtain reasonable assurance about whether the Schools complied with the compliance requirements of the Measure G1 for the fiscal year ending June 30, 2019. Our audit of compliance does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the Schools complied with Measure G1. An audit of compliance in accordance with *Government Auditing Standards* includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Schools solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

**Planned Scope and Timing of the Audit**

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

### **Compliance with All Ethics Requirements Regarding Independence**

The engagement team, others in our firm, as appropriate, our firm, and other firms utilized in the engagement, if applicable, have complied with all relevant ethical requirements regarding independence.

### **Significant Difficulties Encountered during the Audit**

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

### **Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Schools' financial statements or the auditor's report. No such disagreements arose during the course of the audit.

### **Representations Requested from Management**

We have requested certain written representations from management which are included in the management representation letter dated February 24, 2020.

### **Management's Consultations with Other Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

### **Other Significant Matters, Findings, or Issues**

In the normal course of our professional association with the Schools, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating conditions affecting the entity, and operating plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Schools' auditors.

This report is intended solely for the information and use of the Governing Board of the American Indian Model Schools, and management of the Schools and is not intended to be, and should not be, used by anyone other than these specified parties.

## MEMORANDUM

TO: Finance Committee  
FROM: Katema Ballentine, Business Office  
DATE: April 16, 2020  
SUBJECT: Covid-19: Mail Address Request Change

---

In order to comply with the State of California's quarantine and the directive provided by the American Indian Model School Governing Board to follow the stay in place order, the receipt of business mail has become difficult.

In the first week of the order AIMS Chief Finance Officer established an off-site address at an Oakland UPS store that allowed staff to receive mail closer to their homes to limit exposure. The address of this location is:

4100 Redwood Road  
Oakland, CA 94612

This location was used to forward payroll and accounts payable checks between AIMS and our back office. As of March 31, 2020 our back office is now mailing those checks directly to the recipients. Recently, a request to send mail to this address was denied through the Oakland Post Master.

The remaining options for mail delivery and retrieval are as follows:

- |   |                         |
|---|-------------------------|
| • Continue Delivery to 171 12 <sup>th</sup> Street, Oakland | Requires Daily pick-up  |
| • Hold mail at Downtown Oakland Post Office                 | Requires weekly pick up |
| • Deliver mail to Authorized Staff Member home              | Stay in Place followed  |

A recommendation is needed to proceed.

## BACR Amended Contract

<b>Section:</b>	III. Action Items
<b>Item:</b>	F. BACR Amended Contract
<b>Purpose:</b>	Vote
<b>Submitted by:</b>	
<b>Related Material:</b>	Amendment AIMS-BACR (2).docx

## **AMENDMENT OF SECTION IV.**

### **AGREEMENT FOR AFTER SCHOOL PROGRAM SERVICES & FUNDING**

This Agreement for After School Program Services & Funding ("Agreement") establishes the material terms of the business relationship between Bay Area Community Resources ("BACR") and American Indian Model Schools ("AIMS" or "School") for American Indian Public Charter and American Indian Public Charter School II for the provision of certain educational services (as further detailed below) at the AIMS school site during the 2019-20 school year. BACR and AIMS are each referred to individually as a "Party," and collectively as the "Parties." This Agreement is effective upon execution by representatives of each Party ("Effective Date").

#### **IV. PROGRAM BUDGET AND MANAGEMENT FEE**

**The budget for the Program at AIMS for the 2019-20 year is \$354,764 After School Education & Safety Program (ASES). AIMS will contribute School Day funds of \$40,000.**

School staff and BACR staff will meet no later than the third Friday of each month in order to review various Program-related matters, including enrollment numbers and Program Fee collections.

At this monthly meeting, BACR will provide AIMS a written report of Program Fees it has collected from the parents of Program participants for the prior month, as well as any overdue Program Fees and late fees for that same month ("Program Fees Report"). In the event that Program Fee collections are below \$84,250, AIMS will fund any shortfall, regardless of amount. In addition, AIMS will fund any related late fees not already paid, as described above in Section (II)(C)(6). BACR will invoice AIMS for the shortfall, if any, and payment by the School will be made within thirty (30) days of issuance of BACR's invoice.

For the sake of clarity, the Parties expressly agree that the School (not BACR), shall solely fund any shortfall in collections of Program Fees, whether such shortfall is caused by lower than expected enrollment, non-payment by Program participants, or any other reason. But for this express agreement and commitment by AIMS, BACR would not enter into this Agreement on these terms.

In the event BACR receives payment of any Program Fees after the School has covered the same, e.g., in the event of an exceptionally late payment by Program participant to BACR, then BACR shall report the same to the School as part of the monthly meeting and that amount shall be used to offset any future payment of the Management Fee, so that BACR does not receive double payment at any time.

If enrollment trends over two (2) or more consecutive months indicate more than a 10% change in Program enrollment as compared to the current expected level of 140 participants, then the Parties will meet and confer on proposed changes to Program-related terms, including staffing, student groupings, and the Management Fee on a go-forward basis (i.e., non-retroactive) following execution of any addendum. The Parties will document the results of any such discussions and memorialize any related changes in an addendum to this Agreement.

Effective as of the Date noted above upon signature of both parties.
