### 317 BIDS

The Board of Trustees is committed to promoting public accountability and ensuring prudent use of public funds. When leasing, purchasing, or contracting for equipment, materials, supplies, or services for the district, including when contracting for public projects involving district facilities, the Board shall explore lawful opportunities to obtain the greatest possible value for its expenditure of public funds. When required by law, or if the Board determines that it is in the best interest of the district, such contracts shall be made using competitive bidding.

(BP [316](#) - Expenditures and Purchases)

No work, project, service, or purchase shall be split or separated into smaller work orders or projects for the purpose of evading legal requirements regarding contracting after competitive bidding. (Public Contract Code [20116](#), [22033](#))

The Superintendent or designee shall establish comprehensive bidding procedures for the district in accordance with law. The procedures shall include a process for advertising bids, instructions and timelines for submitting and opening bids, and other relevant requirements.

For award of contracts which, by law or Board policy, require prequalification, the procedures shall identify a uniform system for rating bidders and shall address the issues covered by the standardized questionnaire and model guidelines developed by the Department of Industrial Relations pursuant to Public Contract Code [20101](#).

(BP- [201](#) - Conflict of Interest)

When calling for bids, the Superintendent or designee shall ensure that the bid specification clearly describes in appropriate detail the quality, delivery, and service required, and includes all information which the district knows, or has in its possession, that is relevant to the work to be performed or that may impact the cost of performing the work.

Except as authorized by law and specified in the administrative regulation, contracts shall be let to the lowest responsible bidder who shall give such security as the Board requires, or else all bids shall be rejected. (Public Contract Code [20111](#))

When the Board has determined that it is in the best interest of the district, the district may piggyback onto the contract of another public agency or corporation to lease or purchase equipment or supplies to the extent authorized by law. (Public Contract Code [20118](#))

For use in contracting for public works projects, the Board has, by resolution, adopted the procedures set forth in the Uniform Public Construction Cost Accounting Act pursuant to Public Contract Code [22030-22045](#), including the required cost accounting procedures and the informal bidding procedures when allowed by law. The Board delegates to the Superintendent or designee the responsibilities to award any contract eligible for informal bidding procedures and to develop plans, specifications, and working details for all public projects requiring formal bidding procedures.

## 2019–2020 School Accountability Report Card

[Translation Disclaimer](#)

### School Accountability Report Card

### Reported Using Data from the 2019–2020 School Year

### California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

This has been the foundation to ensure academic success in English Literature and mathematics. The curriculum has been designed to enhance the academic skills of socio-economically disadvantaged students. AIMS 6-8 also provides instruction that develops the students' academic skills in writing, science, social science, foreign language and visual performing arts, in order to be productive members in a global 21st century society. This will be a collaborative effort between school, family, and community members.

### AIMS History

Founded as a middle school in 1996, AIMS K-12 began as American Indian Public Charter School (AIPCS) by Native American families looking to retain a cultural connection for their children. AIPCS was Oakland's second publicly-funded charter school. In 2006, AIPCS became the first public charter school in Oakland to win recognition as a National Blue Ribbon School. Later that year, AIPCS expanded to include AIPHS and in 2012, AIMS K-12, expanded once more to include an elementary school. Historically, AIPCS has been recognized by US News and World Report as well as the Washington Post as one of the most challenging academic high schools in the nation.

During the 2018-19 school year, the AIMS Board of Trustees agreed to change the name of AIPCS to AIMS College Prep Middle School (AIMS MS). During the 2019-20 school year the AIMS K12 College Prep Charter District received the California Charter School Association Hart Vision Award, recognizing the AIMS schools as the Northern California Charter school network of the year.

### Mission Statement

AIMS exists to prepare all students, especially those who have been traditionally underserved, to enter a four-year college after graduation from high school and complete at minimum a four-year degree.

### AIMS Credo

The Family - We are a family at AIMS K-12.

The Goal - We are always working for academic and social excellence.

The Faith - We will prosper by focusing and working toward our goals.

The Journey - We will go forward, continue working, and remember we will always be a part of the AIMS K-12 family.

### AIMS Values

Excellence - Commitment to excellence in all that we do.

Wisdom and Knowledge - Pursuit of wisdom and knowledge as intrinsically valuable.

Empathy - Recognition of dignity and worth of every human being.

Family and Community - Building of family and community.

Equity - Social awareness and justice that leads to action.

Legacy - The continued preservation and development of AIMS methodologies for 21st century learners and educators

### AIMSTRONG

AIMSTRONG has developed into the official moniker of the AIMS K12 College Prep Charter District. When taken in its totality, AIMSTRONG best conveys the model AIMS student:

**Academics:** Academics is the first word in AIMSTRONG and is the cornerstone to future success. Academics means developing and growing our scholarship, our grades, our inquiry, our brains.

**Integrity:** Being honest and possessing strong moral principles. Integrity means being true to our best selves consistently.

**Mentorship:** Providing guidance, influence, and direction to your AIMS community. Mentorship is serving our neighbors, community and families, especially with our strengths.

**Strength:** The influence or power possessed by you to combat the rigors of academics and real-life while resisting being moved or broken. Strength is both physical growth and the will power to complete the work we begin.

**Teamwork:** The combined action of each group member doing their part selflessly to benefit the whole. Teamwork is being part of a group which has an agreed goal.

**Responsibility:** Moral, legal, or mental accountability and taking ownership for one's actions. Responsibility is when we own our real part of getting teamwork, family, and planning done.

**Organization:** Preparation and efficiency when coordinating and carrying out activities. Organization is both how we plan and what we do to get things done systematically.

**Nerve:** Displaying courage, power, control and steadiness under pressure. Nerve knows when to step out to make a change in a situation or plan.

**Grit:** To keep going to accomplish our plans, even when there are strong obstacles. Grit is best personified in our ability to be knocked down and to get back up again.

### AIMS Model

**Pedagogy and Practices:** In order for AIMS to meet our mission of success we have designed K-12 instruction toward the goal of mastery of the spiral progression of learning standards.

**Diversity and Inclusion:** We believe that each child has a unique talent and purpose. We see and celebrate differences, and do not tolerate bullying or prejudices.

Every student has opportunities to learn individually and in groups.

Teachers are expected to regularly examine their own biases with respect to student behavior and aptitude.

AIMS functions as a school designed to serve traditionally underserved communities. The programming design of AIMS will prioritize the needs of these communities.

Teachers are expected to support students in accessing the general education classroom whenever possible.

Parent communications will happen with the support of translators whenever possible.

Students are encouraged to share their cultural traditions at school functions.

AIMS staff is committed to supporting students in practicing dialogue and critical thinking when both inspirations and conflicts arise.

At AIMS, we accept and respect each other regardless of race, religion, or orientation.

**Learning Environment:** The AIMS Model classroom is one that is orderly and clean. We believe that an orderly classroom increases time on task for instruction.

Students are expected to help in the upkeep of their classrooms and school environment and teachers may assign students classroom jobs to help promote

classroom culture and efficiency.

## School Facility Conditions and Planned Improvements

### General

Our school prides itself in providing a safe, clean, and well-maintained environment to its families and staff members. We have used the Facility Inspection Tool from the State of California OPSC (Office of Public School Construction) to systematically gather insight into the condition of our facility. The school grounds, restrooms, and building are in excellent condition. Any repairs or problems are given immediate attention.

### Maintenance and Repairs

AIMS model dictates that anything that requires maintenance or repair be addressed in an effective and timely fashion. Any issues that arise during the school day are communicated to the appropriate personnel by our admin team to be serviced. Maintenance/repair personnel are immediately contacted by our admin staff during the day an issue.

**Cleaning**

During the day, everyone at school contributes to the cleanliness of the school by picking up after themselves, sweeping the floor, wiping down the tables after lunch, etc. After school, Custodial staff work to maintain a clean campus daily.

**Recently Completed Facility Improvements**

We recently upgraded the third floor to create more classrooms, the kitchen was moved to the 1st floor and we added added a staff restroom. We updated a wing on the second floor with digital thermostats. All of the carpet and floor was replaced with vinyl flooring. Teacher and student furniture was replaced. A security surveillance camera system was installed. During the summer classrooms and hallways were painted.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## Opportunities for Parental Involvement (School Year 2020–2021)

AIMS MS encourages families to play an active role in their child's education. We have an open-door visitation policy and encourage families to visit during the instructional day to see their children at work. We ask that parents bring students to school on time and fully prepared for each school day.

1. A parent can serve on our Governance Board, Family Advisory Council (FAC), English Learner Advisory Committee (ELAC), District English Learner Advisory Committee (DELAC).
2. Wellness Committee which allows families to support with developing a healthier school environment, create the vision and goals for local healthy schools program, advocate for school health programs and policies within the school community, provide feedback to school district regarding process implementation of the local wellness policy.
3. Our parent coordinator disseminates school information and through online communication (Parent Square). Data and Operations department creates annual surveys to parents to determine the information they need from school. We involve parents to hold workshops and meetings on issues of interest to within the community and assist outreach efforts of Parent/Teacher Association, develop ongoing relationships with the community to share information about the school and identify community resources, provide information and resources that can help parents to support their children's learning at home.
4. Parents can volunteer to help with decorations for school events, traffic duty support, coverage with watching students during lunch, prepare and or donate food for annual Harvest Festival Celebration, Winter Holiday Celebration, and 8th-grade graduation.
5. Parents are encouraged to be active at home by assuring that their child is completing all assigned work, communicating with homeroom teachers of their child, and by making sure that their child leaves home for school on time.
6. Parents can also volunteer to chaperone field trips.

AIMS K-12 Guarantee:

We encourage families to follow our model and we guarantee their children will be prepared to graduate from college. In an effort to support AIM Schools, the Family Advisory Committee (FAC) held by our Parent Coordinator meets monthly to hear and discuss family concerns and organize family volunteer efforts for AIM Schools.

The Family Advisory Committee and Parent Coordinator acts as a liaison between families and the schools' along with the administrative team, sharing their voice at monthly AIM Schools' Governance Board meetings.

School Safety Plan (School Year 2020–2021)

Safety is one of our utmost concerns. To ensure the safety of our students, we have done the following things:

1. Conducted regular monthly fire drills.
2. Practiced meeting at a predetermined location in case of a fire. Evacuation maps and Exit Routes are placed in every room on campus.
3. Hired a fire safety expert to inspect our fire alarm and fire extinguisher every year.
4. Ensured all classrooms have an emergency kit in the classrooms.

5. Trained each teacher to respond to earthquake and fire emergency.
6. Practiced the "duck and cover routine" for earthquakes.
7. Updated our emergency kit with first-aid and disaster supplies.
8. Implemented an Emergency Lockdown procedure and conduct two lockdown procedures per academic year.
9. Implemented a Shelter in Place procedure.
10. Continued to address bullying, abuse and other issues regarding safety and the well-being of students and staff members.
11. Continued to follow through with a Traffic Safety plan.
12. Designated a Safe School Plan Committee.

**Types of Services Funded (Fiscal Year 2019–2020)**
**After School Tutoring/Saturday School**

In 2019-2020 AIMS MS had intervention aides who provided instructional support to the 6th through 8th grade students via small-group tutoring both during and after school. Tutoring groups are based on ability level. Classroom teachers assess students then assign students to tutoring groups. The tutors and resource teachers frequently collaborate with and provide ongoing updates to classroom teachers to support the students' academic needs. Some teachers even offer free tutoring for students during Saturday school. Tutoring is an integral part of the American Indian Model and ensures that students receive the academic assistance needed to be successful at AIMS MS.

**AIMS MS Extended School Year**

AIMS MS students attend an extended school year for three weeks between June and July. The extended school year serves as a starting point for the new school year. For many new students, the extended school year provides opportunity for students to acclimate to the AIMS K-12 model and academic rigors associated with AIMS MS.

**Techbridge Engineering Club**

Techbridge's hands-on science program for girls from 6th to 8th grade. Participating students met once a week to work on projects.

**Title I & Title III**

Through Title I and Title III funding we are able to offer program and services to student's with after-school tutoring support. In addition, we offer a comprehensive ELD intervention program to support the needs of our ELL population. Push in and pull out intervention services are offered for students who are failing or at risk of failing to meet AIMS standards.

**Afterschool Program**

AIMS MS partnered with Bay Area Community Resources (BACR) to provide after school enrichment and academic support.

**National School Lunch Program**

We are proud to be able to provide students with access to a variety of affordable and appealing foods that meet the health and nutrition needs of students. All meals,

foods, and beverages sold or served at school meet state and federal requirements based on the USDA Dietary Guidelines. All meals, foods, and beverages are prepared and served by qualified child nutrition professionals to ensure all students are provided access to healthy meals.

[Translation Disclaimer](#)

# School Accountability Report Card

## Reported Using Data from the 2019–2020 School Year

### California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

AIMS K-8 serves 675 inner-city K – 8th grade students. The focus of AIMS K-8 is excellent student attendance (97%). This has been the foundation to ensure academic success in English Literature and mathematics. The curriculum has been designed to enhance the academic skills of socio-economically disadvantaged students. AIMS K-8 also provides instruction that develops the students' academic skills in writing, science, social science, foreign language and visual performing arts, in order to be productive members in a global 21st century society. This will be a collaborative effort between school, family, and community members.

### AIMS History

Founded as a middle school in 1996, AIMS K-12 began as American Indian Public Charter School (AIPCS) by Native American families looking to retain a cultural connection for their children. AIPCS was Oakland's second publicly-funded charter school. In 2006, AIPCS became the first public charter school in Oakland to win recognition as a National Blue Ribbon School. Later that year, AIPCS expanded to include AIPHS and in 2012, AIMS K-12, expanded once more to include an elementary school. Historically, AIPCS has been recognized by US News and World Report as well as the Washington Post as one of the most challenging academic high schools in the nation.

During the 2018-19 school year, the AIMS Board of Trustees agreed to change the name of AIPCS and AIPCS II to AIMS College Prep Middle School (AIMS MS) and AIMS College Prep Elementary (AIMS Elementary). During the 2019-20 school year the AIMS K12 College Prep Charter District received the California Charter School Association Hart Vision Award, recognizing the AIMS schools as the Northern California Charter school network of the year.

Mission Statement

AIMS exists to prepare all students, especially those who have been traditionally underserved, to enter a four-year college after graduation from high school and complete at minimum a four-year degree.

### **AIMSTRONG**

AIMSTRONG has developed into the official moniker of the AIMS K12 College Prep Charter District. When taken in its totality, AIMSTRONG best conveys the model AIMS student:

**Academics:** Academics is the first word in AIMSTRONG and is the cornerstone to future success. Academics means developing and growing our scholarship, our grades, our inquiry, our brains.

**Integrity:** Being honest and possessing strong moral principles. Integrity means being true to our best selves consistently.

**Mentorship:** Providing guidance, influence, and direction to your AIMS community. Mentorship is serving our neighbors, community and families, especially with our strengths.

**Strength:** The influence or power possessed by you to combat the rigors of academics and real-life while resisting being moved or broken. Strength is both physical growth and the will power to complete the work we begin.

**Teamwork:** The combined action of each group member doing their part selflessly to benefit the whole. Teamwork is being part of a group which has an agreed goal.

**Responsibility:** Moral, legal, or mental accountability and taking ownership for one's actions. Responsibility is when we own our real part of getting teamwork, family, and planning done.

**Organization:** Preparation and efficiency when coordinating and carrying out activities. Organization is both how we plan and what we do to get things done systematically.

**Nerve:** Displaying courage, power, control and steadiness under pressure. Nerve knows when to step out to make a change in a situation or plan.

**Grit:** To keep going to accomplish our plans, even when there are strong obstacles. Grit is best personified in our ability to be knocked down and to get back up again.

## AIMS Model

**Pedagogy and Practices:** In order for AIMS to meet our mission of success we have designed K-12 instruction toward the goal of mastery of the spiral progression of learning standards.

**Diversity and Inclusion:** We believe that each child has a unique talent and purpose. We see and celebrate differences, and do not tolerate bullying or prejudices.

Every student has opportunities to learn individually and in groups.

Teachers are expected to regularly examine their own biases with respect to student behavior and aptitude.

AIMS functions as a school designed to serve traditionally underserved communities. The programming design of AIMS will prioritize the needs of these communities.

Teachers are expected to support students in accessing the general education classroom whenever possible.

Parent communications will happen with the support of translators whenever possible.

Students are encouraged to share their cultural traditions at school functions.

AIMS staff is committed to supporting students in practicing dialogue and critical thinking when both inspirations and conflicts arise.

At AIMS, we accept and respect each other regardless of race, religion, or orientation.

**Learning Environment:** The AIMS Model classroom is one that is orderly and clean. We believe that an orderly classroom increases time on task for instruction. Students are expected to help in the upkeep of their classrooms and school environment and teachers may assign students classroom jobs to help promote classroom culture and efficiency.

Both classes begin with penmanship practice to develop their penmanship skills, to open and engage the right side of the brain, the creative side, and to strengthen the fine motor skills. With this initial practice, students then have greater facility at working with their dry and wet media in creating original works of art. Sixth and seventh grade students will create their own color wheel, learning how to blend primary colors to make secondary and tertiary colors, as well as working with tone, shade and tint to create a monochromatic color scheme. Students will create their own Op Art designs individually, then they will share their work with each other and work collaboratively in creating a group Op Art design.</p> <p><b>Art:</b> Seventh grade students will develop their own "Tangle" designs, with combinations of dots, lines, simple curves, S-curves and orbs. These simple shapes are the "Elemental Strokes" and then create an original work of art that incorporates these designs into the shape of an animal's body. Students will learn pencil techniques of hatching, cross hatching, contour and cross contour lines to apply to still life drawings. Art students will collaborate with the Musical Theater and Performing Arts to create a set design for the winter and spring performances. School Facility Conditions and Planned Improvements

### General

Our school prides itself in providing a safe, clean, and well-maintained environment to its families and staff members. We have used the Facility Inspection Tool from the State of California OPSC (Office of Public School Construction) to systematically gather insight into the condition of our facility. The school grounds, restrooms, and building are in excellent condition. Any repairs or problems are given immediate attention.

### Maintenance and Repairs

AIMS model dictates that anything that requires maintenance or repair be addressed in an effective and timely fashion. Any issues that arise during the school day are communicated to the appropriate personnel by our admin team to be serviced. Maintenance/repair personnel are immediately contacted by our admin staff during the day an issue.

### Cleaning

During the day, everyone at school contributes to the cleanliness of the school by picking up after themselves, sweeping the floor, wiping down the tables after lunch, etc. After school, Custodial staff work to maintain a clean campus daily.

### Recently Completed Facility Improvements

We recently upgraded the third floor to create more classrooms, the kitchen was moved to the 1st floor and we added added a staff restroom. We updated a wing on the second floor with digital thermostats. All of the carpet and floor was replaced with vinyl flooring. Teacher and student furniture was replaced. A security surveillance camera system was installed. During the summer classrooms and hallways were painted.

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020–2021)

AIMS ES encourages families to play an active role in their child's education. We have an open-door visitation policy and encourage families to visit during the instructional day to see their children at work. We ask that parents bring students to school on time and fully prepared for each school day.

1. A parent can serve on our Governance Board, Family Advisory Council (FAC), English Learner Advisory Committee (ELAC), District English Learner Advisory Committee (DELAC).

2. Wellness Committee which allows families to support with developing a healthier school environment, create the vision and goals for local healthy schools program, advocate for school health programs and policies within the school community, provide feedback to school district regarding process implementation of the local wellness policy.

3. Our parent coordinator disseminates school information and through online communication (Parent Square). Data and Operations department creates annual surveys to parents to determine the information they need from school. We involve parents to hold workshops and meetings on issues of interest to within the community and assist outreach efforts of Parent/Teacher Association, develop ongoing relationships with the community to share information about the school and identify community resources, provide information and resources that can help parents to support their children's learning at home.

4. Parents can volunteer to help with decorations for school events, traffic duty support, coverage with watching students during lunch, prepare and or donate food for annual Harvest Festival Celebration, Winter Holiday Celebration, and 8th-grade graduation.

5. Parents are encouraged to be active at home by assuring that their child is completing all assigned work, communicating with homeroom teachers of their child, and by making sure that their child leaves home for school on time.

6. Parents can also volunteer to chaperone field trips.

#### AIMS ES:

We encourage families to follow our model and we guarantee their children will be prepared to graduate from college. In an effort to support AIM Schools, the Family Advisory Committee (FAC) held by our Parent Coordinator meets monthly to hear and discuss family concerns and organize family volunteer efforts for AIM Schools. The Family Advisory Committee and Parent Coordinator acts as a liaison between families and the schools' along with the administrative team, sharing their voice at monthly AIM Schools' Governance Board meetings.

## School Safety Plan (School Year 2020–2021)

Safety is one of our utmost concerns. To ensure the safety of our students, we have done the following things:

1. Conducted regular monthly fire drills.
2. Practiced meeting at a predetermined location in case of a fire. Evacuation maps and Exit Routes are placed in every room on campus.
3. Hired a fire safety expert to inspect our fire alarm and fire extinguisher every year.
4. Ensured all classrooms have an emergency kit in the classrooms.
5. Trained each teacher to respond to earthquake and fire emergency.
6. Practiced the “duck and cover routine” for earthquakes.
7. Updated our emergency kit with first-aid and disaster supplies.
8. Implemented an Emergency Lockdown procedure and conduct two lockdown procedures per academic year.
9. Implemented a Shelter in Place procedure.
10. Continued to address bullying, abuse and other issues regarding safety and the well-being of students and staff members.

11. Continued to follow through with a Traffic Safety plan.
12. Designated a Safe School Plan Committee.

**Types of Services Funded (Fiscal Year 2019–2020)**
**After School Tutoring/Saturday School**

In 2019-2020 AIMS K-8 had intervention aides who provided instructional support to the Kindergarten through 8th grade students via small-group tutoring both during and after school. Tutoring groups are based on ability level. Classroom teachers assess students then assign students to tutoring groups. The tutors and resource teachers frequently collaborate with and provide ongoing updates to classroom teachers to support the students' academic needs. Some teachers even offer free tutoring for students during Saturday school. Tutoring is an integral part of the American Indian Model and ensures that students receive the academic assistance needed to be successful at AIMS K-8.

**AIMS K-8 Extended School Year**

AIMS K-8 students attend an extended school year for three weeks between June and July. The extended school year serves as a starting point for the new school year. For many new students, the extended school year provides opportunity for students to acclimate to the American Indian Model and academic rigors associated with AIMS K-8.

**Techbridge Engineering Club:**

Techbridge's hands-on science program for girls from 6th to 8th grade. Participating students met once a week to work on projects.

**Title I & Title III**

Through Title I and Title III funding we are able to offer program and services to student's with after-school tutoring support. ## 2019–2020 School Accountability Report Card

[Translation Disclaimer](#)

# School Accountability Report Card

## Reported Using Data from the 2019–2020 School Year

### California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Nestled in the heart of the beautiful Lake Merritt area, the AIMS HS Lakeview campus is located across from the historic Grand Lake Theatre. Surrounded by local restaurants and shops, we are less than a 5-minute walk away from the lake. AIMS College Prep High School serves 450 inner-city 9th – 12th grade students. The focus of AIMS High School is excellent student attendance (97%). This has been the foundation to ensure academic success in English Literature and mathematics. The curriculum has been designed to enhance the academic skills of socio-economically disadvantaged students. AIMS High School also provides instruction that develops the students' academic skills in writing, science, social science, business, and the humanities in order to be productive members in a global 21st century society. This will be a collaborative effort between school, family, and community members. Every year, 100% of AIMS High School's students are accepted into 4-year colleges, including UC Berkeley, UCLA, USC, Yale, Columbia, UC Davis, Dartmouth, Wesleyan, NYU, Grambling State, Howard University, and Morehouse College.

### AIMS HS History

In 1996, American Indian Model Schools (AIMS) founded American Indian Public Charter School (AIPCS) a middle school by Native American families looking to retain a cultural connection for their children. AIPCS was Oakland's third public charter school. In 2006, AIPCS became the first public charter school in Oakland to win recognition as a National Blue Ribbon School. Later that year, AIPCS expanded to include American Indian Public High School (AIPHS), and, in 2012, expanded again to include American Indian Public Charter School II (AIPCS II) as a K-8 campus. Historically, AIPHS has been recognized by US News and World Report as well as the Washington Post as one of the most challenging academic high schools in the Nation, a recognition that has expanded into the term of our current charter.

During the 2018-19 school year, the AIMS Board of Trustees (the "Board") took action to change the name of AIPHS to AIMS College Prep High School (AIMS HS). During the 2019-20 school year, AIMS College Prep High School was awarded the A-G Award from Families In Action (FIA) with 100% A-G graduate rate completion for African-American students. Additionally, in 2020, the AIMS K12 organization received the California Charter School Association Hart Vision Award, recognizing AIMS as the Northern California Charter school network of the year. In 2017, AIMS HS began its first athletic program. Since that time, our sports teams have won 4 varsity championships, 3 varsity championship runner-up's, 5 JV Championships, 2 CIF-Oakland Section Championship Runner-Ups, and 8 students participated in the CIF State Championships over a two year period. Students must maintain a 3.0 GPA in order to partake in AIMS sports programs.

## Mission Statement

AIMS exists to prepare all students, especially those who have been traditionally underserved, to enter a four-year college after graduation from high school and complete at minimum a four-year degree.

## AIMS Credo

The Family - We are a family at AIMS K-12.

The Goal - We are always working for academic and social excellence.

The Faith - We will prosper by focusing and working toward our goals.

The Journey - We will go forward, continue working, and remember we will always be a part of the AIMS K-12 family.

## AIMS Values

Excellence - Commitment to excellence in all that we do.

Wisdom and Knowledge - Pursuit of wisdom and knowledge as intrinsically valuable.

Empathy - Recognition of dignity and worth of every human being.

Family and Community - Building of family and community.

Equity - Social awareness and justice that leads to action.

Legacy - The continued preservation and development of AIMS methodologies for 21st century learners and educators

## AIMSTRONG

Coined in 2016 by Maurice Williams, founder of the AIMS Athletics Department, as part of a rallying cry for its sports programs, AIMSTRONG has developed into the official moniker of the AIMS K12 College Prep Charter District. When taken in its totality, AIMSTRONG best conveys the model AIMS student:

**Academics:** Academics is the first word in AIMSTRONG and is the cornerstone to future success. Academics means developing and growing our scholarship, our grades, our inquiry, our brains.

**Integrity:** Being honest and possessing strong moral principles. Integrity means being true to our best selves consistently.

**Mentorship:** Providing guidance, influence, and direction to your AIMS community. Mentorship is serving our neighbors, community and families, especially with our strengths.

**Strength:** The influence or power possessed by you to combat the rigors of academics and real-life while resisting being moved or broken. Strength is both physical growth and the will power to complete the work we begin.

**Teamwork:** The combined action of each group member doing their part selflessly to benefit the whole. Teamwork is being part of a group which has an agreed goal.

**Responsibility:** Moral, legal, or mental accountability and taking ownership for one's actions. Responsibility is when we own our real part of getting teamwork, family, and planning done.

**Organization:** Preparation and efficiency when coordinating and carrying out activities. Organization is both how we plan and what we do to get things done systematically.

**Nerve:** Displaying courage, power, control and steadiness under pressure. Nerve knows when to step out to make a change in a situation or plan.

**Grit:** To keep going to accomplish our plans, even when there are strong obstacles. Grit is best personified in our ability to be knocked down and to get back up again.

### AIMS Model

**Pedagogy and Practices:** In order for AIMS to meet our mission of successful acceptance to a four year college or university, we have designed K-12 instruction toward the goal of mastery of the spiral progression of learning standards.

**Diversity and Inclusion:** We believe that each child has a unique talent and purpose. We see and celebrate differences, and do not tolerate bullying or prejudices.

Every student has opportunities to learn individually and in groups.

Teachers are expected to regularly examine their own biases with respect to student behavior and aptitude.

AIMS functions as a school designed to serve traditionally underserved communities. The programming design of AIMS will prioritize the needs of these communities.

Teachers are expected to support students in accessing the general education classroom whenever possible.

Parent communications will happen with the support of translators whenever possible.

Students are encouraged to share their cultural traditions at school functions.

AIMS staff is committed to supporting students in practicing dialogue and critical thinking when both inspirations and conflicts arise.

At AIMS, we accept and respect each other regardless of race, religion, or orientation.

**Learning Environment:** The AIMS Model classroom is one that is orderly and clean. We believe that an orderly classroom increases time on task for instruction. Students are expected to help in the upkeep of their classrooms and school environment and teachers may assign students classroom jobs to help promote classroom culture and efficiency.

## School Facility Conditions and Planned Improvements

AIMS HS is located on the Lakeview campus in a Prop 39 facility. Our school prides itself in providing a safe, clean, and well-maintained environment to its families and staff members.

### General

Our school prides itself in providing a safe, clean, and well-maintained environment to its families and staff members. We have used the Facility Inspection Tool from the State of California OPSC (Office of Public School Construction) to systematically gather insight into the condition of our facility. The school grounds, restrooms, and building are in excellent condition. Any repairs or problems are given immediate attention.

### Maintenance and Repairs

AIMS model dictates that anything that requires maintenance or repair be addressed in an effective and timely fashion. Any issues that arise during the school day are communicated to the appropriate personnel by our admin team to be serviced. Maintenance/repair personnel are immediately contacted by our admin staff during the day an issue.

### Cleaning

During the day, everyone at school contributes to the cleanliness of the school by picking up after themselves, sweeping the floor, wiping down the tables after lunch, etc. After school, Custodial staff work to maintain a clean campus daily.

### Recently Completed Facility Improvements

We purchased new lunch tables for the students to be able to sit outside. We removed plantar boxes to create a bigger playground for our students. We painted stairs and hallways. We painted classrooms and teacher and student furniture was replaced.

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

- Pupil outcomes in the subject area of physical education

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

## Opportunities for Parental Involvement (School Year 2020–2021)

AIMS HS encourages families to play an active role in their child's education. We have an open-door visitation policy and encourage families to visit during the instructional day to see their children at work. We ask that parents bring students to school on time and fully prepared for each school day.

1. A parent can serve on our Governance Board, School Site Council (SSC), or Family Advisory Council (FAC), English Learner Advisory Committee (ELAC), District English Learner Advisory Committee (DELAC).

2. Wellness Committee which allows families to support with developing a healthier school environment, create the vision and goals for local healthy schools program, advocate for school health programs and policies within the school community, provide feedback to school district regarding process implementation of the local wellness policy.

3. Our parent coordinator disseminates school information and through online communication (Parent Square). Data and Operations department creates annual surveys to parents to determine the information they need from school. We involve parents to hold workshops and meetings on issues of interest to within the community and assist outreach efforts of Parent/Teacher Association, develop ongoing relationships with the community to share information about the school and identify community resources, provide information and resources that can help parents to support their children's learning at home.

4. Parents can volunteer to help with decorations for school events, traffic duty support, coverage with watching students during lunch, prepare and or donate food for annual Harvest Festival Celebration, Winter Holiday Celebration, and senior graduation.

5. Parents are encouraged to be active at home by assuring that their child is completing all assigned work, communicating with homeroom teachers of their child, and by making sure that their child leaves home for school on time.

6. Parents can also volunteer to chaperone field trips.

#### AIMS HS Guarantee:

We encourage families to follow our model and we guarantee their children will be prepared to graduate from college. In an effort to support AIM Schools, the

Family Advisory Committee (FAC) held by our Parent Coordinator meets monthly to hear and discuss family concerns and organize family volunteer efforts for AIM

Schools. The Family Advisory Committee acts as a liaison between families and the schools' along with the administrative team, sharing their voice at monthly AIM

Schools' Governance Board meetings.

### School Safety Plan (School Year 2020–2021)

Safety is one of our utmost concerns. To ensure the safety of our students, we have done the following things:

1. Conducted regular monthly fire drills.
2. Practiced meeting at a predetermined location in case of a fire. Evacuation maps and Exit Routes are placed in every room on campus.
3. Hired a fire safety expert to inspect our fire alarm and fire extinguisher every year.
4. Ensured all classrooms have an emergency kit in the classrooms.
5. Trained each teacher to respond to earthquake and fire emergency.
6. Practiced the “duck and cover routine” for earthquakes.
7. Updated our emergency kit with first-aid and disaster supplies.
8. Implemented an Emergency Lockdown procedure and conduct two lockdown procedures per academic year.
9. Implemented a Shelter in Place procedure.
10. Continued to address bullying, abuse and other issues regarding safety and the well-being of students and staff members.
11. Continued to follow through with a Traffic Safety plan.
12. Designated a Safe School Plan Committee.
