

AIMS K-12 College Prep Charter District

Special Board Meeting

Date and Time

Monday September 14, 2020 at 6:30 PM PDT

Location

Zoom - <https://zoom.us/j/93708553270>

AIMS does not discriminate on the basis of disability in the admission or access to, or treatment or employment in, its programs or activities. Marisol Magana has been designated to receive requests for disability-related modifications or accommodations in order to enable individuals with disabilities to participate in open and public meetings at AIMS. Please notify Marisol Magana at (510) 220-9985 at least 24 hours in advance of any disability accommodations being needed in order to participate in the meeting. **Comments and questions should be entered into the chat feature of the Zoom meeting.**

Agenda

	Purpose	Presenter	Time
I. Opening Items			6:30 PM
Opening Items			
A. Call the Meeting to Order			1 m
- Board President, Mrs.Toni Cook			

	Purpose	Presenter	Time
B. Record Attendance and Guests	Vote	Toni Cook	1 m
- Roll Call for the Directors of the Board, and opportunity for introduction of any guest presenters			

C. Adoption of Agenda	Vote	Toni Cook	1 m
- Board President, Mrs. Toni Cook			

D. Public Comment on Non-Agenda Items

Public Comment on Non-Agenda Items is set aside for members of the Public to address the items not on the Board's agenda. The Board of Directors will not respond or take action in response to Public Comment, except that the board may ask clarifying questions or direct staff. **Comments are limited to two (2) minutes per person, and a total time allotted for all public comment will not exceed thirty (30) minutes (10 minutes per section).**

E. Public Comment on Agenda Items

Public Comment on Agenda Items is set aside for members of the Public to address the items on the Board's agenda prior to each agenda item. The Board of Directors will not respond or take action in response to Public Comment, except that the board may ask clarifying questions or direct staff. **Comments are limited to two (2) minutes per person, and a total time allotted for all public comment will not exceed thirty (30) minutes (10 minutes per section).**

II. Closed Session

6:33 PM

A. Public Comment on Closed Session Items	FYI		2 m
Public Comment on closed session items is set aside for members of the Public to address items on the Board's agenda for closed session. The Board of Directors will not respond or take action in response to Public Comment, except that the board may ask clarifying questions or direct staff. Comments are limited to two (2) minutes per person, and a total time allotted for all public comment will not exceed thirty (30) minutes (10 minutes per section).			

	Purpose	Presenter	Time
B. Recess to Closed Session	Discuss	Dana Lang	143 m

Closed Session Items:

1. Conference with Legal Counsel - Anticipated Litigation
(Gov. Code Section 54956.9)
2. Employee matters

C. Reconvene from Closed Session	Vote		1 m
D. Report from Closed Session	FYI		1 m
- Board President, Mrs. Toni Cook			

III. Action Items 9:00 PM

A. Unaudited Actuals	Vote	Katema Ballentine	10 m
B. LCAP	Vote	Marisol Magana	15 m
C. Consent Calendar	Vote	Chris Edington	10 m

1. Pre-approved Vendor List
2. Ring Central Contract
3. Cyber Security Insurance Renewal
4. General Liability Insurance Renewal

IV. Closing Items 9:35 PM

A. Adjourn Meeting	FYI
B. NOTICES	FYI

The next regular meeting of the Board of Directors is scheduled to be held on September 29, 2020, at 6:30 pm. AIMS does not discriminate on the basis of disability in the admission or access to, or treatment or employment in, its programs or activities. Marisol Magana has been designated to receive requests for disability-related modifications or accommodations in order to enable individuals with disabilities to participate in open and public meetings at AIMS. Please notify Marisol Magana at (510)220-9985 at least 24 hours in advance of

	Purpose	Presenter	Time
	any disability accommodations being needed in order to participate in the meeting.		

I, Kellie Minor, hereby certify that I posted this agenda on the AIMS website at www.aimsk12.org, on September 11, 2020, at 6:25 PM.

American Indian Model Schools 2019-2020 Unaudited Actuals Executive Summary

American Indian Model Schools is a Charter District comprised of 3 schools. American Indian Public Charter School was initially established in 1996. The American Indian Model Schools Charter District was formed in 2006 with the expansion of schools, adding American Indian Public High School and American Indian Public Charter II, (K-8). The Charter is located in Oakland of Alameda County.

American Indian Model Schools currently enrolls 1,332 students in 3 schools; One K-8, One Middle School (6-8) and One High School. AIMS currently employs 114 full and 4 part-time staff to serve our students.

Governance

The Charters are governed by a volunteer Board of Trustees. There are five members of the board, each volunteering their term. The school board meets once a month on the third Tuesday of each month. The Board of Trustees are advised by a several other committees such as the Governance, Finance, Facility and LCAP Advisory Committees' that also meet monthly. Charter operations are led by Superintendent Maya Woods-Cadiz.

Enrollment

In accordance to the 2016-2021 Charter Agreement with Oakland Unified School District, AIMS has nearly reached its full enrollment capacity. American Indian Public Charter (AIPCS) is capped at 250 students, American Indian Public Charter II (AIPCS II) 675, and American Indian Public High School (AIPHS) at 450. Over the last 5 years the district has grown by about 400 students (6/2014 to 6/2019). An enrollment revision to the Charter will be requested during the next authorization phase beginning in 2021.

<u>AIPCS I</u>	<u>AIPCS II</u>	<u>AIPHS</u>	<u>Total</u>
235	665	432	1332
96%	96%	95%	
226.01	638.4	410.4	1274.80

AIPHS Mission Statement

AIPHS exists to prepare all students, especially those who have been traditionally underserved to enter a four-year college after graduation from high school, and complete at minimum a four-year degree.

Budget

American Indian Model Schools' fiscal year is from July 1 to June 30, as prescribed for all governmental agencies in the state. The budget for July 1, 2019 to June 30, 2020 totals \$17,779,983 in expenditures. The General Fund is used to record the day-to-day operations of the charter. There are seven special purpose funds to capture the remaining budget.

- GENERAL PURPOSE (LCFF)
Special Funds
- TITLE I
- TITLE II
- TITLE III
- TITLE IV
- ASES: Afterschool Program
- NSLP: Nutrition Program
- LOCAL FUNDS (Measure G1, Donations & Grants)

Federal

American Indian Model Schools receives federal funding for at risk students:

- Title I, Part A Low Income at Risk
- Professional Development (Title II)
- English Learners (Title III)
- Funding to provide meals to those students qualifying for free or reduced lunches.

These funds provide necessary services to students in attending AIMS schools.

Budget Benchmarks – Process timeline

- AIMS 2020-2021 Budget Adoption: June 25, 2020
- State's 2020-2021 June Budget Adoption: June 30, 2019
- 45 Day Budget Revision (not required): Mid-August
- **Unaudited Actuals (2019-20 Closing): September 01, 2020**
- First Interim (Realignment based on July – Oct 31 Activity): December 1, 2020
- January Governors Release (Projections for 2020-2021): January 2021
- Second Interim (Realignment based on Nov 1, 2019– Jan 31, 2020)- March 1, 2021
- Governors May Revise (Revision to Jan. Gov. Release): May 2021
- 2021-22 Budget Adoption – June 15, 2021

Unaudited Actuals

Unaudited Actuals are an annual statement reporting the financial activities of the District in which the data are not yet formally audited. Unaudited Actuals are presented to the Board each September, reflecting the District's final year end closing from the June 2020.

Revenues

AIMS is funded by state and federal revenues. Less than 5% of revenues are based on grants and/or local revenues. AIMS received \$15,471,322 in revenue for all schools. AIMS projected revenues at \$15,647,211 for the 2019-2020 fiscal year. This was 1% lower than projected. The primary factor was the “Stay in Place” order issued by Alameda County Health Department on March 16, 2020, followed up by the State-wide order issued March 19, 2020. Student and parent supported revenues such as donations and fundraising programs were impacted. Other delays, such as mail services and remote bank deposit services impacted the timely processing of revenue received. As we struggle to settle ourselves in these changing times, we have been able to recover and post the revenue received for 2019-2020 in the 2020-2021 fiscal year.

Covid-19 Response

Due to the “Stay in Place” order, beginning in April 2020 and for the remaining 2019-2020 school year, the Food Service program was impacted as AIMS students were being served through the Oakland Unified School District’s Food Services program.

As required by the Measure G1 Parcel tax language, Measure G1 Staff Retention Salary Bonus reimbursement was issued to all schools.

LCFF	\$13,567,086
Federal Revenue	\$813,764
Other State Revenue	\$743,200
Local Revenue	\$2,866,435
Total Revenue	\$15,471,323

Expenses

American Indian Models Schools 2019-2020 budget reflects a 53% investment in Personnel expenses and 47% allocated to the operations of the organization. The total expenses for the 2019-2020 school year are \$17,779,983.

In September 2019, American Indian Models Schools acquired a loan in the amount of 9.3M. Allocating 5.7M to refinance the 12th Street property and 3.6M to upgrade the 12th Street campus. The cash and expenses associated with the loan are posted at AIPCS II only. The cash available increased the projected spending for one-time expenses relating to the 12th street improvements.

One-Time Expenses:

- During the planning for fiscal year 2019-2020, the housing requirements for AIMS Kindergarten and first grade students increased. During the 2018-2019 fiscal year, the mentioned grades were housed at Roosevelt Middle School Campus, 1926 19th Avenue, a facility rented from our authorizer Oakland Unified School District. Once the school year began those students had to be moved to the 12th street campus requiring upgrades to the property. To ensure an August 28th first day of school, work began at the end of the 2018-2019 and throughout July and August of the 2019-20 fiscal year requiring a short-term impact of \$1,424,557.71 to the Ending Fund balance at AIPCS II.
- American Indian Public High School Renovations were approved in January by the Board of Trustees to align with the mission and quality of education that AIMS strives for. The Board approved the \$106,704 purchase of desks, tables and chairs.

- In response to the “Stay in Place” order and to accommodate distance learning, all schools required an investment of \$299,738 for computers, communications and software.
- March 2020 AIMS was informed that OUSD increased the Special Education SELPA rate by 23%. The per pupil rate doubled half way through the year.
- Unprecedented vacancies plagued the beginning of the 2019-2020 year. Substitute and recruitment cost were higher than projected. The positions have since been filled.

Salaries & Benefits

Salary compensation represents 53% of expenses across all American Indian Public Schools. AIMS offers a competitive compensation package for both certificated and classified staff. Employee Benefit expense at AIMS averages 19% across all schools. This can vary greatly due to two primary factors: health and welfare benefits and PERS. Health and welfare benefits (medical/dental/vision insurance premiums), if requested by the employee, can vary due a number of factors, including an employee’s age and number of dependents. AIMS tracks and reports health and welfare benefits as precisely as possible, reflects as a variance in the percentage of benefits for employees at AIMS. PERS requires an employer contribution of 20.08% of classified salaries.

AIPCS I

Compensation for staff (excluding 6 teachers) at American Indian Public Charter (AIPCS) is split between AIPCS and the middle school component of American Indian Public Charter School II (6-8). The expenses reflected are split by assignment and student Average Daily Attendance (ADA).

AIPCS II

American Indian Public Charter II (AIPCS II) is a K – 8. The staff for the K – 5 components are fully funded at AIPCS II and the middle school component reflects the following Full Time Equivalent (FTE) split:

AIPCS	44%
AIPCS II	56%
	<u>100%</u>

The category of Book and Supplies captures more than classroom textbooks and materials, it itemizes Non-Capitalized student equipment such as tables, chairs, computers and software.

Renovation Projects

During the 2019-2020 school year, AIPCS II (K-8) and the AIPHS (9-12) performed renovations to each of their campuses. All renovations that were below the threshold of capitalization (**any individual asset purchase of \$5,000 or more**) are reflected in this category.

Covid-19 Response

The Covid-19 response also had an impact on the increased investment in computers and software

For all schools, these expenses were one-time and are not projected in future years.

4100	Approved Textbooks and Core Curricula Materials	\$263,714
4200	Books and Other Reference Materials	\$36,446
4300	Materials and Supplies	\$205,046
4315	Classroom Materials and Supplies	\$13,1465
4316	Student/Pupil Testing	\$12,462
4342	Materials for School Sponsored Athletics	\$85,781
4381	Materials for Plant Maintenance	\$58,846
4400	Noncapitalized Equipment	\$515,837
4410	Computers/Network/Software	\$134,433
4430	Noncapitalized Student Equipment	\$600,712
4440	Student Events	\$5
4700	Food and Food Supplies	\$253,796
Books and Supplies		\$2,298,544

Services and Other Operating Expenses

Record expenditures for services, rentals, leases, maintenance contracts, dues, travel, insurance, utilities, and legal and other operating expenditures. Expenditures may be authorized by contracts, agreements, purchase orders, and so forth.

Covid-19 Response

All schools reflect a 50% increase expenses related to communications to support remote operations and distance learning.

Renovation Projects

For the renovation, \$929,902 in contractual obligations were funded from both the High School and the 12th Street campus projects.

Programmatic Adjustment

In the beginning of the 2019-2020 school year the High School experienced a large number of vacant positions. As the year progressed, each of these positions were permanently filled. Providing coverage for those positions produced a 60% increase in the projected cost during the prior school year. Salary savings from vacant positions were used to offset as much of the cost as possible.

A charter management organization (CMO) is an educational organization that operates charter schools in the United States. Charter schools are public schools that operate independently of the local government school district.

A CMO controls all elements of the operation of the schools under its control, including holding the charter. By convention, a CMO manages at least three schools. ([wikipedia](https://en.wikipedia.org/wiki/Charter_management_organization))

AIMS CMO supports functions such as District Leadership, Board, Human Resources, Fiscal Services, Facility and Food Operations, Registration and Enrollment, Parent Coordinator, Marketing Communications, Sports and Routine Repair Maintenance Program.

Capital Outlay

Capital Outlay records expenditures for land, buildings, books, and equipment, including leases with option to purchase.

On September 18, 2018, AIMS Board of Trustees voted to approve the leasing of 3 ten passenger vans to assist in the transportation of AIMS children for sport activities, field trips and other instructional related activities. The vans are on a 60-month lease and impact capital outlay across all schools.

Renovation Projects

Improvements to the 12th Street Campus during renovations met the capitalization criteria are reflected in this category.

6900	Depreciation Expense	\$291,969
Capital Outlay		\$291,969

Other Outgo

Special Ed Mid-Year Adjustment

AIMS partners with Oakland Unified School District to provide the Special Education services for their students. AIMS does not receive revenue for the Special Education program, instead

encroaches on the General Fund to pay OUSD to provide the needed services. In the first quarter of the year, the cost per student was \$900. On March 2, 2020, AIMS was notified that the rate would increase to \$1,200 per student for the subsequent quarters. This unexpected increase averaged a 23% increase mid-year, and required an additional \$287,353 across the program.

Summary

For the 2019-2020 school year, American Indian Model Schools received \$15,471,322 in revenue. The composition of those funds are as follows:

- Received revenue was 1% below budget projections
- Influential factors include: Stay in Place Order, Mail Disruption, reduced Property in Lieu tax for 4th Quarter

AIMS expensed \$17,779,983, during the 2019-2020 resulting in an excess of one-time spending in the amount of \$2,308,660. The factors that influenced the increased spending are listed below:

General Information

[A description of the impact the COVID-19 pandemic has had on the LEA and its community.]

The unprecedented COVID-19 pandemic has impacted our school community and dramatically affected and altered the lives of our students, families and staff. The closure of schools have negatively impacted the emotional, physical, social and educational environment. Closure of our schools has resulted in families being challenged in access to basic services, and conducive school environments that are not meeting the standards that allow students to learn effectively. Families, students and staff have all been affected with higher levels of anxiety and stress due to lack of resources, inability to support their children academically during distance learning, and financial hardships due to massive layoffs due to the pandemic.

Staff and faculty are now faced with surmountable challenges however we continue to ensure in spite of these unpredictable changes that our students are supported instructional continuity in a remote learning environment by focusing coursework on new learning, as opposed to review and reinforcement. Providing and leveraging the technology needs and resources available and support resources. This includes providing a variety of support resources in order for instruction and material to be available to all students, including our special education population, students with 504 plans, English Language Learners, students with social emotional needs, and students who are in need of technology access.

We empathize with our school community who have been impacted by COVID-19 pandemic and want to reiterate that the safety of the AIPCS community is our No. 1 priority. AIPCS continues to be committed to providing high-quality learning experiences for all of our students during school closures. The plan provides opportunities for students to acquire the knowledge and skills needed to succeed at the next grade level/subsequent course, while building in flexibility to accommodate the unique circumstances of every student.

Stakeholder Engagement

[A description of the efforts made to solicit stakeholder feedback.]

Teachers have been involved in the development of the plan for distance learning since before March. Their processing of the details, experience of the online platforms, and the foibles of each service featured in the planning of the potential on-site learning options. Without inundating teachers over their summer break, emails and other meeting offerings were shared that gave opportunities to hear updates on plans being made for “re-opening” in the Fall of 2020.

Parents and students were some of the first people beyond staff, who were informed about the developing plans for safety as we considered how to return to on-site classrooms. Taking teacher input, as well as the strong instructions from county and state officials, plans were crafted through July, 2020. These were shared with all parents over the summer as they were developing. These were communicated through multiple videos, zoom meetings, ParentSquares, and direct emails. The two most recent meetings intended to share as widely as possible included translations into Chinese and Spanish and over 90 minutes of question and answer time. These question and answer sessions were then incorporated into the ongoing message to respond to parent and student concerns.

A new email address was set up in April to serve as a clearinghouse for information about the Middle School. Staff received training on how to address the needs or directed to whom the questions should go. Appointments were scheduled for resource drop off and pick-up through that email address.

[A description of the options provided for remote participation in public meetings and public hearings.]

All Board meetings, committee meetings while also posted onsite, were posted online on the district website, with video conferencing, or zoom links. Parent meetings were posted through ParentSquare and reached 620 people’s devices. Translation of announcements and meeting scripts were translated. Meeting links were translated.

[A summary of the feedback provided by specific stakeholder groups.]

Parents appreciated the opportunities to hear administrators and the district respond to their concerns. Main items or topics of concern included: 1) the desire to keep a student home rather than send them to school when that became a possibility, 2) a concern for some aspect of technology (ease of use, access, availability, wi-fi), or 3) support for struggling students in this online classroom time.

[A description of the aspects of the Learning Continuity and Attendance Plan that were influenced by specific stakeholder input.]

The District legal team is working to complete a permission form to allow a student to “opt-out” of on-site classrooms. (State laws obviously impact the form’s development as well.) Teacher concerns for a safe work environment continue to clarify the need for front and back office practices in cleanliness and safety. Parent concerns for (#1 above) keeping students home was addressed repeatedly orally, and in messaging to communicate the process and confirmation of the parent choice when it became available. Parent concerns for one aspect of technology (#2 above) was addressed by providing digital resources for students and devices with which to reach them. Another aspect of technology concern was the provision for parent links - access - to their student’s information. In addition, our school continues to have information sessions and tutorials to help parents (and students) with logging into the online platform (LMS) that serves as the focus of much of the handing in and passing out of digital resources and assignments. The district continues to support individual families with referrals to low cost internet plans and hot spots as main strategies to the problem of internet access. Support for students who do not seem to be flourishing in this digital environment is being addressed by tutoring after class hours, Saturday school support, and other Teacher Office

Hours. An Instructional Aide has been hired to help in various classes. English language learners and Special Education students also receive dedicated staff support.

Continuity of Learning

In-Person Instructional Offerings

[A description of the actions the LEA will take to offer classroom-based instruction whenever possible, particularly for students who have experienced significant learning loss due to school closures in the 2019–2020 school year or are at a greater risk of experiencing learning loss due to future school closures.]

We prepared two scenarios for returning to school this Fall 2020. The First Scenario is for on-site instruction: “Hybrid” schedules will feature in-class & online instruction rotation for three student groups from each class. A,B, and C groups will rotate through the school, one day in school, two days at home. This schedule will repeat and have equitable instructional minutes on campus over three weeks. In this scenario Fridays will all be virtual.

Students will be grouped for scenario 1, into heterogeneous groupings across their grade level, preserving the previous year classes, and AIMS’ preference for “looping” classes. Teachers will be consulted in the exact mix of students to ensure maximum feasibility and minimize distraction. ELD and Resource staff schedules will also be take into consideration in group construction and schedules to maximize intervention efforts and resources.

Support for students who do not seem to be flourishing in this digital environment is being addressed by tutoring after class hours, Saturday school support, and other Teacher Office Hours. An Instructional Aide has been hired to help in class. Special Education students also receive dedicated staff support. English Language Learners receive specific instruction as well as supplemental supports from targeted software.

Actions Related to In-Person Instructional Offerings [additional rows and actions may be added as necessary]

Description	Total Funds	Contributing
Student Chromebooks, computer refresh, internet hotspot purchases, and ongoing internet services in 2020-21 school year	\$9,216.41	Y
Classroom technology upgrades - projectors, projector brackets	\$1040.59	Y
New computers for teachers and support staff	\$10,290	Y
Teachers and substitute teachers	\$703,839.87	Y
Academic Deans/Instructional Coaches	\$100,712.04	Y
Professional development for teachers, lead teacher, classified support staff, and administrators	\$3,000.00	Y

Services for English learners ELD support and development	\$5162.15	Y
Stakeholder engagement - Resources assigned for parent engagement distance meetings and webinar workshops - PowerSchool - Student information system and ParentSquare and Ringcentral	\$7000.00	Y
Schoology, Illuminate, ALEKS, Quill, Standards Plus, Scholastic Reading Inventory, GoGuardian - Educational Platforms	\$47,939.98	Y
Intervention Aides, attendance clerks, support staff	\$87,459.00	Y
Intervention Staff Salaries	\$129,618	Y
Counselor + Supplies (salary + \$1161)	\$38,462	Y
The school has prepared for possible in-person learning by purchasing cleaning supplies, upgraded HVAC filters, and protection materials (including plexiglass, and PPE). Upgraded cleaning is essential for safety.	\$60,000	[Y/N]

Distance Learning Program

Continuity of Instruction

[A description of how the LEA will provide continuity of instruction during the school year to ensure pupils have access to a full curriculum of substantially similar quality regardless of the method of delivery, including the LEA's plan for curriculum and instructional resources that will ensure instructional continuity for pupils if a transition between in-person instruction and distance learning is necessary.]

LMS - Schoology:

- AIMS Middle School currently has Schoology as our Learning Management System that is utilized to continue instructions in remote as well as classroom settings.
- Various supporting tools/programs are integrated with Schoology to enable teachers & students to access as well as edit the documents etc.
- Students' & teachers' google drives are enabled on Schoology platforms. Middle School teachers received an extended Schoology training last year and there was additional training at the beginning of, and ongoing PD during the 2020-21 school year.

Content Specific Digital Learning Resources suitable for Blended Learning

- Illuminate
- Powerschool
- ALEKS (Math)
- McGrawHill (Science)
- Standards Plus (ELA)
- SRI (Reading)
- Quill (Writing)
- Rosetta Stone (World Language & ELD)

Access to Devices and Connectivity

[A description of how the LEA will ensure access to devices and connectivity for all pupils to support distance learning.]

The district and school have invited responses to multiple surveys in which families can mention or describe their need. Teachers have been alerted to watch and make provision to include students who seem to have connectivity issues. Distribution of resources takes place on a publicized day for grade levels to come in and check out a device. At that time passwords and login information has been given out. Families who miss the official day, or who have problems with their technology are invited to contact middleschool@aimsk12.org to make an appointment, or get a response seeking more information before requiring replacement of the device. At this time around 300 devices have been distributed to the MS alone (252 over three days).

Pupil Participation and Progress

[A description of how the LEA will assess pupil progress through live contacts and synchronous instructional minutes, and a description of how the LEA will measure participation and time value of pupil work.]

“Video camera on” attendance is taken in classes throughout the day to track student presence. Daily assignments, some of which require student engagement with peers or the teacher, as well as research, reading, writing, summarizing, problem solving are handed in, both during class and asynchronously through the LMS. Last year the AIPCS began a practice of weekly assessments. That practice is also continuing.

Grade level and department teams are coordinating time required and value (grading) as well as vertical alignment for units of study.

The curriculum and pace of our normal curriculum is intended to continue in this new setting/environment.

Distance Learning Professional Development

[A description of the professional development and resources that will be provided to staff to support the distance learning program, including technological support.]

Teachers and support staff have been receiving in house and vendor provided professional development from Powerschool, Schoology, Standards Plus, a curriculum provider, GoGuardian, as well as discussions and presentation from peers with experience in our context and administrators about increasing student engagement online, supporting sub-populations, safety issues and keeping safe when coming to campus for resources. Teachers have been introduced to the plans for potential return to campus plans (Scenario #1 above).

Staff Roles and Responsibilities

[A description of the new roles and responsibilities of affected staff as a result of COVID-19.]

Few staff have been impacted as far as hiring and areas of responsibility. A few clerical staff are working more online and have been tasked with handling and processing more digital information (logins, web site information). Teachers continue to be a major resource for their classes, but they began using almost all of the current resource last fall (Fall 2019) before COVID-19. The newly hired Instructional Aide is required to visit classrooms virtually, but he would have done the same thing, had it been in person.

Attendance, always important, is more so now that it is possible for students to miss out on part of a class at a different time of day than the ADA required attendance meeting. Teachers are taking attendance in multiple classes, instead of just one, but they are using the same software program as always.

Supports for Pupils with Unique Needs

[A description of the additional supports the LEA will provide during distance learning to assist pupils with unique needs, including English learners, pupils with exceptional needs served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness.]

Teachers are alerted to identified students who have been “found” (student find), as well as having been alerted to the particular needs of some students in our community. Clerical staff, responsible for attendance calls have been given call scripts to consistently offer supports to students and their families.

While students are in heterogeneous groupings across their grade level, teachers are being consulted in the exact mix of students to ensure maximum feasibility and minimize distraction. ELD staff have met with each teacher to maximize intervention efforts and resources.

Support for students who are not flourishing is being addressed by tutoring after class hours, Saturday School support, and Teacher Office Hours. An Instructional Aide has been hired to help across classes. Special Education students also receive dedicated staff support. English Language Learners receive push in and pull out times as well as supplemental supports from targeted software.

Actions Related to the Distance Learning Program [additional rows and actions may be added as necessary]

Pupil Learning Loss

[A description of how the LEA will address pupil learning loss that results from COVID-19 during the 2019–2020 and 2020–21 school years, including how the LEA will assess pupils to measure learning status, particularly in the areas of English language arts, English language development, and mathematics.]

Based on assessment data used a regular part of our formative assessment program, which includes the Illuminate Benchmark program, Scholastic Reading Inventory, and now grade level continual assessments using ALEKS and weekly formative testing, there has been a small impact on the student population thus far, from COVID-19 caused closures. The continuing assessment plan remains the same. Last year, additional assessments were added which we are still testing to see how they add to the picture of student mastery, or lack thereof, especially in English Language Arts. Those tools include Quill and Standards Plus.

Pupil Learning Loss Strategies

[A description of the actions and strategies the LEA will use to address learning loss and accelerate learning progress for pupils, as needed, including how these strategies differ for pupils who are English learners; low-income; foster youth; pupils with exceptional needs; and pupils experiencing homelessness.]

Support for students who are struggling with some learning loss, and for whom there is a need to accelerate learning progress are being addressed by tutoring after class hours, Saturday School support, and Teacher Office Hours. An Instructional Aide has been hired to help across classes. Special Education students also receive dedicated staff support. English Language Learners receive push in and pull out times as well as supplemental supports from targeted software.

Effectiveness of Implemented Pupil Learning Loss Strategies

[A description of how the effectiveness of the services or supports provided to address learning loss will be measured.]

All students participate in assessments including, but not limited to diagnostic assessments, grade level benchmarks, and online standardized assessments with self-adjusting subject matter to target areas of learning loss or areas of need (ALEKS, Khan Academy).

Actions to Address Pupil Learning Loss [additional rows and actions may be added as necessary]

Description	Total Funds	Contributing
Illuminate Benchmark Program + ALEKS + Standards Plus + Scholastic Reading Inventory	\$18,973.97	Y
Intervention Staff	\$129,618	Y

Mental Health and Social and Emotional Well-Being

[A description of how the LEA will monitor and support mental health and social and emotional well-being of pupils and staff during the school year, including the professional development and resources that will be provided to pupils and staff to address trauma and other impacts of COVID-19 on the school community.]

When classroom teachers, support staff or parents make referrals of students, reporting urgent or lower-tiered behaviors indicating mental health concerns, the Head of School and/or Dean of Students report directly to a state-licensed MFT counselor within 30 – 60 minutes. A referred student is then placed on a counselor's client list and flagged for immediate contact. A clinical assessment is made, and a treatment plan is established, including a behavior modification plan, and this plan is shared with consenting parents and related school staff. If indicated, students begin meeting with a counselor and are in session with the counselor for 45 minutes per week. Currently, the counselor meets with an ongoing roster of approximately 70 active student clients.

Staff Professional Development modules are presented to staff regarding a wide range of mental health issues. Staff is also trained in ways to spot mental health concerns and make effective and timely student referrals to counselors.

Current state-of-the-art mental health strategies applying to the social and emotional learning in the context of Covid-19 are taught and provided to staff and students on a quarterly basis. These strategies are resourced from the CDC, State of California Mental Health Agency, and the UC Berkeley Greater Good Science Center.

The monitoring of student mental health and social emotional well-being will include regular collection of student emotional engagement data via regular surveys by staff of student engagement and participation. Regular emotional engagement surveys will help staff assess a student's involvement in and enthusiasm for school as a whole as well as their emotional connectedness to others on campus during distance learning.

Indicators monitored by staff to serve as emotional engagement metrics will include:

- Level of engagement with support staff/groups
- Participation in activities
- Participation in co-curricular and extra-curricular activities

Pupil and Family Engagement and Outreach

[A description of pupil engagement and outreach, including the procedures for tiered reengagement strategies for pupils who are absent from distance learning and how the LEA will provide outreach to pupils and their parents or guardians, including in languages other than English, when pupils are not meeting compulsory education requirements, or if the LEA determines the pupil is not engaging in instruction and is at risk of learning loss.]

Administrators have been reaching out to families since the on-site closure in March. Nearly weekly emails and texts, leading up to parent meetings with translations into the major languages for our district before school began. Now, since the beginning of online instruction this Fall, teachers have been the major points of contact alongside supporting clerical staff and administrators.

Resource collection and distribution events are spaced to provide content unit materials. These events are separated into grade level and class groups and have been opportunities to check in as well as offer the “hard” resources (computers and books) and access to “soft” ones (passwords, login information, teacher contacts and school information).

School Nutrition

[A description of how the LEA will provide nutritionally adequate meals for all pupils, including those students who are eligible for free or reduced-price meals, when pupils are participating in both in-person instruction and distance learning, as applicable.]

AIMS nutrition services will continue implementing procedures developed during the spring school closures to ensure safe and effective meal services. This include use of a drive-thru process for families that ensures 6-10 feet of social distancing for staff and community members, use of appropriate personal protective equipment (PPE) by all staff, clear signage at all distribution points to reinforce social distancing practices, use of masks for community and staff required per state and county health guidelines.

All students in the district have access to nutritious meals. We are able to provide our students with access to a variety of affordable and appealing foods that meet the health and nutrition needs of students. All meals, foods and beverages sold or served at school meet state and federal requirements based on the USDA Dietary Guidelines. All meals, foods and beverages are prepared and served by qualified child nutrition professionals to ensure all students are provided access to healthy meals. All meals are provided throughout the term of distance learning. Families are given five day meal kits to ensure accessibility and all CDC requirements are met to ensure families are distributed meals safely. Our district has provided families with the convenience of applying for lunch applications online and in person. All families that qualify for free or reduced meals are informed and encouraged to to pick up meals. All families that qualify for paid meals are encouraged to participate in the NSLP (National School Lunch Program), payments are set at a minimum for paid families to ensure meals are affordable for families that do not qualify for free or reduced priced meals. During distance learning all meals are distributed once a week and families are given five day meal kits. All meal kits cover the components that ensure healthy meals per serving. During in person instruction, meals will be distributed in person to all students. All food handlers and staff supporting are qualified and certificated and approved by Alameda County Environmental Health to distribute food during COVID-19. All staff have been trained and will follow CDC guidelines to ensure proper food handling and distribution.

Additional Actions to Implement the Learning Continuity Plan [additional rows and actions may be added as necessary]

Section	Description	Total Funds	Contributing
---------	-------------	-------------	--------------

N/A	Hired Instructional Aide	\$24,177.58]	[Y]
[The section of the Learning Continuity Plan related to the action described; may put N/A if the action does not apply to one specific section]	[A description of what the action is; may include a description of how the action contributes to increasing or improving services]	[\$ 0.00]	[Y/N]

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

Percentage to Increase or Improve Services	Increased Apportionment Based on the Enrollment of Foster Youth, English Learners, and Low-Income students
[Insert percentage here]%	[Insert dollar amount here]

Required Descriptions

[For the actions being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the needs of these students.]

- 1) Clerical staff, responsible for attendance calls have been given call scripts to consistently offer support to students and their families. ELD staff have met with each teacher to maximize intervention efforts and resources. Current and new ELD students (receiving integrated and designated services) have been identified and planning begun. English Language Learners receive push in and pull out times as well as supplemental supports from targeted software. Struggling students are being addressed by tutoring after scheduled class hours, Saturday School support, and Teacher Office Hours. An Instructional Aide has been hired to help across classes. Special Education students also receive dedicated staff support. School resource days also support students in these groups ensuring students are supplied with the required materials.
- 2) Staff scripts help consistency in approach and questions asked of families and students - following up on attendance or resource needs, in addition to maintaining school contact records. ELD strategies and support have already been working in maintaining higher levels of performance among that group within our school. Our goal is to maintain and improve that work this year. Low income and foster youth, where those groups crossover, as well as refugee families are less clearly identifiable, so using the scripts and teacher contact will continue to be a focus. This focus is actually a new development in how we do attendance and contact calling.

[A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.]

Services to these sub-groups have been increased especially for English Learners who are easily identified. Low-income students have been a part of our school (70+% Title 1), so including their concerns are typical for all planning and budgeting. Because we are doing as much or

more follow-up since students can more easily drop off of one class or another, there are more opportunities to find out more about a student's situation. Clerical staff are making at least as many phone calls. Teachers are making more calls to students and writing more emails to students and families. The entire educational program has been receiving more scrutiny and intentional decision making since last Fall (2019), renewed in February and March, and then into the beginning of this academic year (2020-2021).

AIMS K-8 LCAP Advisory Council Meeting
Monday, June 10, 2019 @ 6:00PM
AIMS 12th Street Campus, 3rd Floor

AGENDA

I. Call to Order - 6:15pm

Introductions

Meeting run by Maurice Williams.

1. Adoption of the Agenda - any additions or corrections? No. agenda adopted as-is.

II. Public Comments - none

III. Communications

A. Welcome - 12th street will be converted to K-8 campus in the summer; expanding construction - bathrooms, kitchens, vinyl flooring, carpets in middle school; additional things will happen and be communicated to parents in the future. Everything is moving quickly in order to have things ready to go in August.

Question: Will we be at Roosevelt anymore? - *No. One challenge is that OUSD has become anti-charter in nature. With additional school closures in OUSD, the district is trying to shift more of its population toward that school. AIMS is constantly looking for properties in order to have a K-12 campus that is large enough to meet the needs of our entire organization. Many repairs and upgrades that have been needed for a long time will be happening as a result of this merger. Looking into building a play-structure even.*

Question: Is the building able to accommodate all of the students in their classrooms structure-wise? - *Yes. The Operations Department will be moving off-site, including Superintendent. K-3rd grades on 1st floor; 4-6th on 2nd floor; 7-8th on 3rd floor.*

Question: How many students will be here? - *927 for K-8.*

Question: How many more restrooms are you building? - *We're adding more staff bathrooms; unsure how many stalls will be added. We do know that we're getting a lot of additional extra stalls across the entire building.*

IV. Reports

A. AIPCS I ASES Grant - *recently approved for \$165,000 grant that covers for after-school programming. This year AIPCS I gets AIPCS I for an after-school program; AIPCS II doesn't have that yet. Will continue working with BACR for the upcoming school year (2019-2020). As we receive this money from the state, we have to ensure that only AIPCS I students are receiving benefits from the ASES grant in order to stay in compliance. We will also extend BACR to AIPCS II students in middle school (as well as K-5). K-5 is planning out a more formalized Chess Club in partnership with BACR and in partnership with Berkeley Chess League.*

Other details: even with after school program, there will likely be costs incurred; we will try to minimize costs for kids joining BACR. Proposal: \$100/month, and \$25 off for siblings. We don't want to charge more than \$100-\$125 per month. It is important to make sure we maintain our numbers, so it is important to make sure that kids actually want to come and will come consistently.

V. Old Business

A. None

VI. New Business

For items A and B, we want to have these two items documented as having been approved; we have not previously done a great job earmarking title funding for specific purposes, but instead lumped it in with general funds; the proper way is to vote to approve the title funding, so we want to do that.

A. AIPCS I Categorical Funding - funding will include: title I = part-time instructional aide, books & curriculum, Aleks intervention program (online); title II = professional development; federal facilities grant.

Motion: Mr. Williams entertains motion that this committee approves federal title I expenditures for AIPCS I for 2019-2020 school year.

Parent: I so move.

Parent: seconded.

All in favor say aye; opposed say nay - vote passes with ayes.

B. AIPCS II Categorical Funding - for K-5, funding will be used for Saturday School: staff salaries, materials, and clerical support. Previously SS was 1/month; now it will be every week - each person who taught had their own classroom, etc - like a 6th day of class. Developed their own lessons, individualized plans, and assessments. One example class of 23 students: 3% passing in ELA 13% passing in Math; by the time March came, 50% passing. No longer about being in trouble; have a break for games, they get lunch, and they have homework - it is like an extra day of school. Students below 70% on monthly benchmarks receive a memo and attend SS for the following month. Previous year was 3-5 grades, and next year will be expanded to K-5. Title III funds will go toward ELD Coordinator salary; Title II funds will go toward professional development (there will be Lead Teachers who lead PD for their peers; utilizing different teachers with different strengths and skills to share).

Question: *Can you give an example of materials that are needed for SS? - Testing supplies, workbooks, buying lunch for students to celebrate; example - purchased Jeopardy-style game for review and earning prizes.*

For 6-8, funds will also be used for Saturday School (3x month); Aleks materials and Standards Plus; school-wide Rosetta Stone accounts; PD - will have Lead Teachers for each department (PE, Math, ELA, History, Science).

Question: Will you introduce Health and Sex Ed into PE? *Next year, PE will not be just the PE department, but will be the PE & Health Department - PE teachers will be teaching Sex Ed in future years (starting next year). Units will include things like Fitness & Nutrition; Sex Ed.*

Motion to approve funding for AIPCS II: Mr. Ahmad.

Seconded: Parent (Ms. Chen)

All in favor say aye; opposed say nay - vote passes with ayes.

C. AIPCS I LCAP - next year more students will be shifted toward AIPCS I and away from AIPCS II at the middle school level in order to maintain compliance with our charter.

We are in our third year of a 3-year LCAP cycle. Next year will be the time when we make new goals for the future of the school.

D. AIPCS II LCAP

(Reading through LCAP summary sheet for AIPCS I and II.)

VII. Announcements

A. Next Meeting: Fall 2019 TBD

VIII. Adjournment - 7:44pm

California Department of Education, July 2020

Learning Continuity and Attendance Plan Template (2020–21)

The instructions for completing the Learning Continuity and Attendance Plan is available at <https://www.cde.ca.gov/re/lc/documents/lrngcntntyatndncpln-instructions.docx>.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
American Indian Public Charter School II	Christopher Ahmad, Head of School Peter Holmquist, Head of School	christopher.ahmad@aimsk12.org , 510-893-8701 peter.holmquist@aimsk12.org , 510-893-8701

General Information

[A description of the impact the COVID-19 pandemic has had on the LEA and its community.]

The unprecedented COVID-19 pandemic has impacted our school community and dramatically affected and altered the lives of our students, families and staff. The closure of schools have negatively impacted the emotional, physical, social and educational environment. Closure of our schools has resulted in families being challenged in access to basic services, and conducive school environments that are not meeting the standards that allow students to learn effectively. Families, students and staff have all been affected with higher levels of anxiety and stress due to lack of resources, inability to support their children academically during distance learning, and financial hardships due to massive layoffs due to the pandemic.

Staff and faculty are now faced with surmountable challenges however we continue to ensure in spite of these unpredictable changes that our students are supported instructional continuity in a remote learning environment by focusing coursework on new learning, as opposed to review and reinforcement. Providing and leveraging the technology needed and resources available and support resources. This includes providing a variety of support resources in order for instruction and material to be available to all students, including our special education population, students with 504 plans, English Language Learners, students with social emotional needs, and students who are in need of technology access.

We empathize with our school community who have been impacted by COVID-19 pandemic and want to reiterate that the safety of the AIPCS II community is our No. 1 priority. AIPCS II continues to be committed to providing high-quality learning experiences for all of our students during school closures. The plan provides opportunities for students to acquire the knowledge and skills needed to succeed at the next grade level/subsequent course, while building in flexibility to accommodate the unique circumstances of every student.

Comment [1]: I added a few more paragraphs to general information, please review if changes need to be made.

Stakeholder Engagement

[A description of the efforts made to solicit stakeholder feedback.]

Elementary K-5 Response: In order to get feedback from our various stakeholders, we held meetings with teachers, staff, and students via Zoom to see what would be beneficial for them. We held an initial meeting where we discussed how we will be following state and county health guidelines along with our plans for reopening. Parents were given feedback forms and were able to ask questions and get their answers that day as we set aside a few hours. We then allowed students to opt for virtual learning for their child for the time being. We held a second informational meeting with our stakeholders discussing distance learning, health guidelines, and plans to return. Students, Staff, and Parents were all given time to ask and answer questions via Google Form. Feedback was taken into consideration and adjustments were made to suit the needs of many.

Middle School (6-8) Response: Teachers have been involved in the development of the plan for distance learning since before March. Their processing of the details, experience of the online platforms, and the foibles of each service featured in the planning of the potential on-site learning options. Without inundating teachers over their summer break, emails and other meeting offerings were shared that gave opportunities to hear updates on plans being made for “re-opening” in the Fall of 2020.

Parents and students were some of the first people beyond staff, who were informed about the developing plans for safety as we considered how to return to on-site classrooms. Taking teacher input, as well as the strong instructions from county and state officials, plans were crafted through July, 2020. These were shared with all parents over the summer as they were developing. These were communicated through multiple videos, zoom meetings, ParentSquares, and direct emails. The two most recent meetings intended to share as widely as possible included translations into Chinese and Spanish and over 90 minutes of question and answer time. These question and answer sessions were then incorporated into the ongoing message to respond to parent and student concerns.

A new email address was set up in April to serve as a clearinghouse for information about the Middle School. Staff received training on how to address the needs or directed to whom the questions should go. Appointments were scheduled for resource drop off and pick-up through that email address.

[A description of the options provided for remote participation in public meetings and public hearings.]

Elementary K-5 Response: AIMS holds board meetings on the third Tuesday of each month. This is a public meeting that families and other stakeholders can attend. The agendas are posted, Zoom links are given out, and we allow public comments digitally.

Middle School Response: All Board meetings, committee meetings while also posted onsite, were posted online on the district website, with video conferencing, or zoom links. Parent meetings were posted through ParentSquare and reached 620 people’s devices. Translation of announcements and meeting scripts were translated. Meeting links were translated.

[A summary of the feedback provided by specific stakeholder groups.]

Elementary K-5 Response:

Parents: Please allow children the option to do virtual learning for the whole year. (We gave this option and over 50 parents confirmed)

Students: Please allow us to take breaks from the computer screens. (Breaks are given every 30-60 mins depending on grade level. They also have 1 hour of physical activity and also an hour lunch break.

Staff: Can we have an option to go back and teach from our classroom. (We gave this option to all teachers and we will be opening up classrooms for teachers to utilize during virtual learning starting September 9th.)

Middle School Response: Parents appreciated the opportunities to hear administrators and the district respond to their concerns. Main items or topics of concern included: 1) the desire to keep a student home rather than send them to school when that became a possibility, 2) a concern for some aspect of technology (ease of use, access, availability, wi-fi), or 3) support for struggling students in this online classroom time.

[A description of the aspects of the Learning Continuity and Attendance Plan that were influenced by specific stakeholder input.]

Elementary K-5 Response: The first step was to make sure every student had a laptop. We had 3 full weeks of passing out laptops to families before school started. We then made each teacher have a parent meeting before the first day of school where they were able to show parents how to login, which sites to use, and how to use a computer. The teachers spent the first few days of instructions working with parents and teaching them how to use the programs alongside their children.

Middle School Response: The District legal team is working to complete a permission form to allow a student to “opt-out” of on-site classrooms. (State laws obviously impact the form’s development as well.) Teacher concerns for a safe work environment continue to clarify the need for front and back office practices in cleanliness and safety. Parent concerns for (#1 above) keeping students home was addressed repeatedly orally, and in messaging to communicate the process and confirmation of the parent choice when it became available. Parent concerns for one aspect of technology (#2 above) was addressed by providing digital resources for students and devices with which to reach them. Another aspect of technology concern was the provision for parent links - access - to their student’s information. In addition, our school continues to have information sessions and tutorials to help parents (and students) with logging into the online platform (LMS) that serves as the focus of much of the handing in and passing out of digital resources and assignments. The district continues to support individual families with referrals to low cost internet plans and hot spots as main strategies to the problem of internet access. Support for students who do not seem to be flourishing in this digital environment is being addressed by tutoring after class hours, Saturday school support, and other Teacher Office Hours. An Instructional Aide has been hired to help in various classes. English language learners and Special Education students also receive dedicated staff support.

Continuity of Learning

In-Person Instructional Offerings

[A description of the actions the LEA will take to offer classroom-based instruction whenever possible, particularly for students who have experienced significant learning loss due to school closures in the 2019–2020 school year or are at a greater risk of experiencing learning loss due to future school closures.]

Elementary K-5 Response: As of right now, we are offering virtual learning until the end of 2020. After that, we will reconsider going back in for in-person instruction based on the recommendations of the county and state. We will have virtual learning pods on site for those students who do not have an adult to watch over them. We will allow students to work from our campus and do their virtual learning while an adult staff member supervises them. To combat loss of learning, we are offering 1 hour of additional tutoring after school each day from the classroom teacher. We have also acquired new independent learning programs online that work at a child's academic level with a progression system built in.

Middle School Response: We prepared two scenarios for returning to school this Fall 2020. The First Scenario is for on-site instruction: "Hybrid" schedules will feature in-class & online instruction rotation for three student groups from each class. A,B, and C groups will rotate through the school, one day in school, two days at home. This schedule will repeat and have equitable instructional minutes on campus over three weeks. In this scenario Fridays will all be virtual.

Students will be grouped for scenario 1, into heterogeneous groupings across their grade level, preserving the previous year classes, and AIMS' preference for "looping" classes. Teachers will be consulted in the exact mix of students to ensure maximum feasibility and minimize distraction. ELD and Resource staff schedules will also be take into consideration in group construction and schedules to maximize intervention efforts and resources.

Support for students who do not seem to be flourishing in this digital environment is being addressed by tutoring after class hours, Saturday school support, and other Teacher Office Hours. An Instructional Aide has been hired to help in class. Special Education students also receive dedicated staff support. English Language Learners receive specific instruction as well as supplemental supports from targeted software.

Actions Related to In-Person Instructional Offerings [additional rows and actions may be added as necessary]

Description	Total Funds	Contributing
Student Chromebooks, computer refresh, internet hotspot purchases, and ongoing internet services in 2020-21 school year	MS \$9216.41	[Y/N]
Classroom technology upgrades - TV Cart, Projectors, Projector brackets	MS \$1040.59 ES \$13376.63	
New computers for teachers and support staff	\$34,731.78	
Teachers and substitute teachers	MS \$703,839 EM 1,595,060.00	[Y/N]
Academic Deans/Instructional Coaches	(em \$127,991.57) (MS \$100,712)	
Professional development for teachers, lead teacher, classified support staff, and administrators (elementary \$15,000) (MS \$7000)	\$22,000	
Services for English learners ELD support and development (MS \$5162.15) (ES \$3000)	\$8162.15	

Stakeholder engagement - Resources assigned for parent engagement distance meetings and webinar workshops - PowerSchool - Student information system and ParentSquare and Ringcentral	\$17,000

Intervention Aides	\$190,059	
Attendance clerks, support staff	\$308,571.22	
ELD Teacher Salaries	\$ 87,990.24	[Y/N]
Intervention Staff Salaries (elementary school)	\$ 294,513.65	[Y/N]
The school has prepared for possible in-person learning by purchasing cleaning supplies, upgraded HVAC filters, and protection materials (including plexiglass, and PPE). Upgraded cleaning is essential for safety.	\$180,000	
BACR Staff Member x 4 to supervise students who don't have adult supervision at home	ASES	Y
Individual Learning programs that are self-paced: Quill, Learning Farm (elementary)	\$2,946.00	Y

Distance Learning Program

Continuity of Instruction

[A description of how the LEA will provide continuity of instruction during the school year to ensure pupils have access to a full curriculum of substantially similar quality regardless of the method of delivery, including the LEA's plan for curriculum and instructional resources that will ensure instructional continuity for pupils if a transition between in-person instruction and distance learning is necessary.]

Elementary K-5 Response: The elementary decided to make their virtual schedules replicate that of in-person instruction. We have the same instructional minutes. We transferred all of our textbook curricula over to digital platforms. Teachers and students have full access to every chapter and lesson digitally as they would if they were in class. We also have made sure that the same interventions take place. Students are receiving pull-out intervention services daily and we also trained teachers to use breakout rooms with aides for small group instruction.

Middle School Response:

LMS - Schoology:

- AIMS Middle School currently has Schoology as our Learning Management System that is utilized to continue instructions in remote as well as classroom settings.
- Various supporting tools/programs are integrated with Schoology to enable teachers & students to access as well as edit the documents etc.
- Students' & teachers' google drives are enabled on Schoology platforms. Middle School teachers received an extended Schoology training last year and there was additional training at the beginning of, and ongoing PD

- Content Specific Digital Learning Resources suitable for Blended Learning

- Illuminate
- Powerschool
- ALEKS (Math)
- McGrawHill (Science)
- Standards Plus (ELA)
- SRI (Reading)
- Quill (Writing)
- Rosetta Stone (World Language & ELD) during the 2020-21 school year.

Access to Devices and Connectivity

[A description of how the LEA will ensure access to devices and connectivity for all pupils to support distance learning.]

Elementary K-5 Response: For 3 weeks, we had laptop pickup days. We passed out over 350 laptops to students. We also purchased over 100 new laptops to make us at a 1:1 student to laptop ratio. We also partnered with the Oakland Tech Exchange to provide internet access to families at a reduced cost. So far, we have over a 97% attendance rate and every student has a device, internet, and access to our programs

Middle School Response: The district and school have invited responses to multiple surveys in which families can mention or describe their need. Teachers have been alerted to watch and make provision to include students who seem to have connectivity issues. Distribution of resources takes place on a publicized day for grade levels to come in and check out a device. At that time passwords and login information has been given out. Families who miss the official day, or who have problems with their technology are invited to contact middleschool@aimsk12.org to make an appointment, or get a response seeking more information before requiring replacement of the device. At this time around 300 devices have been distributed to the MS alone (252 over three days).

Pupil Participation and Progress

[A description of how the LEA will assess pupil progress through live contacts and synchronous instructional minutes, and a description of how the LEA will measure participation and time value of pupil work.]

Elementary K-5 Response: Every morning, students are to login to Zoom which counts for attendance. The lessons will all be taught virtually for direct instruction and guided practice. Independent practice is away from the computers. Assessments are given weekly and benchmarks are given every six weeks. In order for a student to be counted as present, they must participate, do the online assignments, and be logged into Zoom with their camera on.

Middle School Response: "Video on" attendance is taken in classes throughout the day to track student presence. Daily assignments, some of which require student engagement with peers or the teacher, as well as research, reading, writing, summarizing, problem solving are

handed in, both during class and asynchronously through the LMS. Last year the AIPCS began a practice of weekly assessments. That practice is also continuing.

Grade level and department teams are coordinating time required and value (grading) as well as vertical alignment for units of study.

Distance Learning Professional Development

[A description of the professional development and resources that will be provided to staff to support the distance learning program, including technological support.]

Elementary K-5 Response: AIMS held a two week boot camp for teachers. We had representatives from all of our online platforms come out to speak to the teachers and show them how to access the programs. We also trained students on how to effectively teach online, create lessons, make lessons interactive, and navigate through the various platforms. We also have professional development each Friday with a new topic based on curriculum and online learning. We have our own in-house technology assistant who helps teachers with various issues.

Middle School Response: Teachers and support staff have been receiving in house and vendor provided professional development from Powerschool, Schoology, Standards Plus, a curriculum provider, GoGuardian, as well as discussions and presentation from peers with experience in our context and administrators about increasing student engagement online, supporting sub-populations, safety issues and keeping safe when coming to campus for resources. Teachers have been introduced to the plans for potential return to campus plans (Middle School Scenario #1 above).

Staff Roles and Responsibilities

[A description of the new roles and responsibilities of affected staff as a result of COVID-19.]

Elementary K-5 Response: Teachers are teaching virtually for the first semester. Administration staff will be on campus to welcome parents, get mail, and take phone calls.

Middle School Response: Few staff have been impacted as far as hiring and areas of responsibility. A few clerical staff are working more online and have been tasked with handling and processing more digital information (logins, web site information). Teachers continue to be a major resource for their classes, but they began using almost all of the current resource last fall (Fall 2019) before COVID-19. The newly hired Instructional Aide is required to visit classrooms virtually, but he would have done the same thing, had it been in person.

Attendance, always important, is more so now that it is possible for students to miss out on part of a class at a different time of day than the ADA required attendance meeting. Teachers are taking attendance in multiple classes, instead of just one, but they are using the same software program as always.

Supports for Pupils with Unique Needs

[A description of the additional supports the LEA will provide during distance learning to assist pupils with unique needs, including English learners, pupils with exceptional needs served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness.]

Elementary K-5 Response: We have a dedicated ELD department that has been assisting English Language Learners throughout the virtual learning process. Each group of students has select pull out times throughout the week. The SPED program operates in a similar way. SPED services and IEP meetings are provided online through Zoom.

Middle School Response: Few staff have been impacted as far as hiring and areas of responsibility. A few clerical staff are working more online and have been tasked with handling and processing more digital information (logins, web site information). Teachers continue to be a major resource for their classes, but they began using almost all of the current resource last fall (Fall 2019) before COVID-19. The newly hired Instructional Aide is required to visit classrooms virtually, but he would have done the same thing, had it been in person.

Attendance, always important, is more so now that it is possible for students to miss out on part of a class at a different time of day than the ADA required attendance meeting. Teachers are taking attendance in multiple classes, instead of just one, but they are using the same software program as always.

Actions Related to the Distance Learning Program [additional rows and actions may be added as necessary]

Description	Total Funds	Contributing
Classroom technology upgrades - TV Cart, Projectors, Projector brackets (MS \$1040.59)		
New computers for teachers and support staff	\$34,731.78	
Teachers and substitute teachers (MS \$703,839)	[\$ 0.00]	[Y/N]
Academic Deans/Instructional Coaches	228703.61	Y
Professional development for teachers, lead teacher, classified support staff, and administrators (elem \$15000)	\$20,000	
Services for English learners ELD support and development	(ES Portion \$53,025.24 MS \$7,016.80	
Stakeholder engagement - Resources assigned for parent engagement distance meetings and webinar workshops - PowerSchool - Student information system and ParentSquare and Ringcentral	\$21,000	
Schoology, Illuminate, ALEKS, Quill, Standards Plus, Scholastic Reading Inventory, GoGuardian - Educational Platforms	ES 8519.70 MS \$47,939	
Intervention Aides	(Elem \$164,895.65) (MS 25,164)

Intervention Staff Salaries	\$294,513.65	[Y/N]

Pupil Learning Loss

[A description of how the LEA will address pupil learning loss that results from COVID-19 during the 2019–2020 and 2020–21 school years, including how the LEA will assess pupils to measure learning status, particularly in the areas of English language arts, English language development, and mathematics.]

Elementary K-5 Response: We will have frequent benchmarks from Illuminate to give to students every 6 weeks. Students who are behind will get specific intervention. They will have small group tutoring after school. They will also have weekly pull outs by intervention staff and be provided material to catch up.

Middle School Response: Based on assessment data used a regular part of our formative assessment program, which includes the Illuminate Benchmark program, Scholastic Reading Inventory, and now grade level continual assessments using ALEKS and weekly formative testing, there has been a small impact on the student population thus far, from COVID-19 caused closures. The continuing assessment plan remains the same. Last year, additional assessments were added which we are still testing to see how they add to the picture of student mastery, or lack thereof, especially in English Language Arts. Those tools include Quill and Standards Plus.

Pupil Learning Loss Strategies

[A description of the actions and strategies the LEA will use to address learning loss and accelerate learning progress for pupils, as needed, including how these strategies differ for pupils who are English learners; low-income; foster youth; pupils with exceptional needs; and pupils experiencing homelessness.]

Elementary K-5 Response: We have purchased multiple online programs that are self-paced and have a progression system. Students are able to work at their math and reading levels. They advance based on their proficiency. Students are given extra time during the day to work on these programs independently. The teachers are given access to the data and can plan interventions from there.

Middle School Response: Support for students who are struggling with some learning loss, and for whom there is a need to accelerate learning progress are being addressed by tutoring after class hours, Saturday School support, and Teacher Office Hours. An Instructional Aide has been hired to help across classes. Special Education students also receive dedicated staff support. English Language Learners receive push in and pull out times as well as supplemental supports from targeted software.

Effectiveness of Implemented Pupil Learning Loss Strategies

[A description of how the effectiveness of the services or supports provided to address learning loss will be measured.]

Elementary K-5 Response: Data is tracked weekly by multiple staff members. The data is shared with the teachers and teachers are given planning days to use the data. Teachers collaborate and make individualized learning plans based upon the data. Data is tracked based on points, proficiency, lexile levels, and math readiness.

Middle School Response: All students participate in assessments including, but not limited to diagnostic assessments, grade level benchmarks, and online standardized assessments with self-adjusting subject matter to target areas of learning loss or areas of need (ALEKS, Khan Academy).

Actions to Address Pupil Learning Loss [additional rows and actions may be added as necessary]

Description	Total Funds	Contributing
Illuminate Benchmark Program + Quill + Learning Farm + Standards Plus + ALEKS + Scholastic Reading Inventory	MS - \$19,584 ES - \$8519.7	[Y/N]
Intervention Staff Elementary \$164,895.65) (MS - \$129,618)	\$294,965.87	[Y/N]

Mental Health and Social and Emotional Well-Being

[A description of how the LEA will monitor and support mental health and social and emotional well-being of pupils and staff during the school year, including the professional development and resources that will be provided to pupils and staff to address trauma and other impacts of COVID-19 on the school community.]

When classroom teachers, support staff or parents make referrals of students, reporting urgent or lower-tiered behaviors indicating mental health concerns, the Head of School and/or Dean of Students report directly to a state-licensed MFT counselor within 30 – 60 minutes. A referred student is then placed on a counselor's client list and flagged for immediate contact. A clinical assessment is made, and a treatment plan is established, including a behavior modification plan, and this plan is shared with consenting parents and related school staff. If indicated, students begin meeting with a counselor and are in session with the counselor for 45 minutes per week. Currently, the counselor meets with an ongoing roster of approximately 70 active student clients.

Staff Professional Development modules are presented to staff regarding a wide range of mental health issues. Staff is also trained in ways to spot mental health concerns and make effective and timely student referrals to counselors.

Current state-of-the-art mental health strategies applying to the social and emotional learning in the context of Covid-19 are taught and provided to staff and students on a quarterly basis. These strategies are resourced from the CDC, State of California Mental Health Agency, and the UC Berkeley Greater Good Science Center.

The monitoring of student mental health and social emotional well-being will include regular collection of student emotional engagement data via regular surveys by staff of student engagement and participation. Regular emotional engagement surveys will help staff assess a student's involvement in and enthusiasm for school as a whole as well as their emotional connectedness to other during distance learning.

Indicators monitored by staff to serve as emotional engagement metrics will include:

- Level of engagement with support staff/groups
- Participation in activities
- Participation in co-curricular and extra-curricular activities

Pupil and Family Engagement and Outreach

[A description of pupil engagement and outreach, including the procedures for tiered reengagement strategies for pupils who are absent from distance learning and how the LEA will provide outreach to pupils and their parents or guardians, including in languages other than English, when pupils are not meeting compulsory education requirements, or if the LEA determines the pupil is not engaging in instruction and is at risk of learning loss.]

Elementary K-5 Response: As mentioned earlier, we have a very high virtual attendance rate. Any loss of learning is made up through our various programs. Teachers also have the ability to send work to students to complete if there are connection issues or absences.

Middle School Response: Administrators have been reaching out to families since the on-site closure on March. Nearly weekly emails and texts, leading up to parent meetings with translations into the major languages for our district before school began. Now, since the beginning of online instruction this Fall, teachers have been the major points of contact alongside supporting clerical staff and administrators.

Resource collection and distribution events are spaced to provide content unit materials. These events are separated into grade level and class groups and have been opportunities to check in as well as offer the "hard" resources (computers and books) and access to "soft" ones (passwords, login information, teacher contacts and school information).

School Nutrition

[A description of how the LEA will provide nutritionally adequate meals for all pupils, including those students who are eligible for free or reduced-price meals, when pupils are participating in both in-person instruction and distance learning, as applicable.]

AIMS nutrition services will continue implementing procedures developed during the spring school closures to ensure safe and effective meal services. This include use of a drive-thru process for families that ensures 6-10 feet of social distancing for staff and community members, use of appropriate

personal protective equipment (PPE) by all staff, clear signage at all distribution points to reinforce social distancing practices, use of masks for community and staff required per state and county health guidelines.

All students in the district have access to nutritious meals. We are able to provide our students with access to a variety of affordable and appealing foods that meet the health and nutrition needs of students. All meals, foods and beverages sold or served at school meet state and federal requirements based on the USDA Dietary Guidelines. All meals, foods and beverages are prepared and served by qualified child nutrition professionals to ensure all students are provided access to healthy meals. All meals are provided throughout the term of distance learning. Families are given five day meal kits to ensure accessibility and all CDC requirements are met to ensure families are distributed meals safely. Our district has provided families with the convenience of applying for lunch applications online and in person. All families that qualify for free or reduced meals are informed and encouraged to pick up meals. All families that qualify for paid meals are encouraged to participate in the NSLP (National School Lunch Program), payments are set at a minimum for paid families to ensure meals are affordable for families that do not qualify for free or reduced priced meals. During distance learning all meals are distributed once a week and families are given five day meal kits. All meal kits cover the components that ensure healthy meals per serving. During in person instruction, meals will be distributed in person to all students. All food handlers and staff supporting are qualified and certificated and approved by Alameda County Environmental Health to distribute food during COVID-19. All staff have been trained and will follow CDC guidelines to ensure proper food handling and distribution.

Additional Actions to Implement the Learning Continuity Plan [additional rows and actions may be added as necessary]

Section	Description	Total Funds	Contributing
N/A	Hired Instructional Aide	\$24,177.58]	[Y]
[The section of the Learning Continuity Plan related to the action described; may put N/A if the action does not apply to one specific section]	[A description of what the action is; may include a description of how the action contributes to increasing or improving services]	[\$ 0.00]	[Y/N]

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

Percentage to Increase or Improve Services	Increased Apportionment Based on the Enrollment of Foster Youth, English Learners, and Low-Income students
[Insert percentage here]%	[Insert dollar amount here]

Required Descriptions

[For the actions being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the needs of these students.]

Elementary K-5 Response: We purchased laptops for all students to ensure access to a quality education. Parents and students were trained during the first week of school so that they can navigate through the programs effectively. Extra intervention staff were hired in order to work with students so they do not fall behind. A dedicated ELD program was developed and converted to using virtual teaching strategies to meet the needs of our ELL population.

Middle School Response: 1) Clerical staff, responsible for attendance calls have been given call scripts to consistently offer supports to students and their families. ELD staff have met with each teacher to maximize intervention efforts and resources. Current and new ELD students (receiving integrated and designated services) have been identified and planning begun. English Language Learners receive push in and pull out times as well as supplemental supports from targeted software. Struggling students are being addressed by tutoring after scheduled class hours, Saturday School support, and Teacher Office Hours. An Instructional Aide has been hired to help across classes. Special Education students also receive dedicated staff support. School resource days also support students in these groups ensuring students are supplied with the required materials. 2) Staff scripts help consistency in approach and questions asked of families and students - following up on attendance or resource needs, in addition to maintaining school contact records. ELD strategies and support have already been working in maintaining higher levels of performance among that group within our school. Our goal is to maintain and improve that work this year. Low income and foster youth, where those groups crossover, as well as refugee families are less clearly identifiable, so using the scripts and teacher contact will continue to be a focus. This focus is actually a new development in how we do attendance and contact calling.

[A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.]

Elementary K-5 Response: We have a dedicated ELD department who were trained on virtual learning. We also purchased new online programs to help students in need.

Middle School Response: Services to these sub-groups have been increased especially for English Learners who are easily identified. Low-income students have been a part of our school (70+% Title 1), so including their concerns are typical for all planning and budgeting. Because we are doing as much or more follow-up since students can more easily drop off of one class or another, there are more opportunities to find out more about a student's situation. Clerical staff are making at least as many phone calls. Teachers are making more calls to students and writing more emails to students and families. The entire educational program has been receiving more scrutiny and intentional decision making since last Fall (2019), renewed in February and March, and then into the beginning of this academic year (2020-2021).

MASTER SERVICES AGREEMENT

THIS MASTER SERVICES AGREEMENT (together with its Attachments, the "Agreement") is made by and between RingCentral, Inc., a Delaware corporation with its primary office at 20 Davis Drive, Belmont, CA 94002, ("RingCentral"), and MeridianLink, Inc. located at the address set forth in the Order Form ("Customer"). RingCentral and Customer may be individually referred to as a "Party" or collectively as the "Parties." This Agreement is effective as of the last date of signature below ("Effective Date").

1. Provision of the Service

A. General Terms

The purchase, provision, and use of the Services is subject to the terms contained in this Agreement, the Order Forms, the Online Terms of Services, included at <https://www.ringcentral.com/legal/eulatos.html> (the "Online Terms of Service"), and the Service Attachments applicable to Customer's Services. All these documents are hereby incorporated into and form a part of this Agreement. RingCentral may update the Online Terms of Services from time to time, and will provide notice to Customer at the email address on file with the Account. Such updates will become effective thirty (30) days after such notice to Customer.

Capitalized terms not defined in this Agreement have the meaning given to them in the Online Terms of Service.

2. Ordering and Term

A. Ordering Services

Customer may order the Services set forth in the relevant Attachments, attached hereto, by executing an Order Form in the format provided by RingCentral. Customer must submit the Order Form to RingCentral either in writing or electronically via the Administrative Portal. The Order Form will identify the Services requested by Customer together with: (i) the price for each Service; (ii) scheduled Start Date; (iii) and products rented, licensed or sold to Customer, if any. An Order Form will become binding when it is executed by the Customer and accepted by RingCentral. RingCentral may accept an Order Form by commencing performance of the requested Services. The Services and invoicing for those Services will begin on the Start Date, as identified in the applicable Order Form or on the day Services are ordered via the Administrative Portal. Customer may purchase additional Services, software, and equipment via the Administrative Portal or by executing additional Order Forms.

B. Term of this Agreement.

The Term of this Agreement will commence on the Effective Date and continue until the last Order Form is terminated or expires, unless terminated earlier in accordance with its terms.

C. Services Term

The Services Term will begin on the Start Date of the initial Order Form and continue for the initial term set forth in the initial Order Form ("Initial Term"). Upon expiration of the Initial Term, recurring Services will automatically renew for successive periods as set forth in the initial Order Form (each a "Renewal Term") unless either Party gives notice of non-renewal at least thirty (30) days before the expiration of the Initial Term or the then-current Renewal Term. The term of any recurring Services added to your Account after the initial Order Form is executed will start on the Start Date in the applicable Order Form, will run coterminously with the then-current Term of any preexisting Services unless otherwise extended in the applicable Order Form, and will be invoiced on the same billing cycles as the preexisting Services.

D. Service Attachments

In addition to the Service Attachments referenced in the Online Terms of Services, the Parties may agree to add additional Service Attachments to this Agreement.

Service Attachment A: Office Services

Service Attachment B: Contact Center Services

Service Attachment C: Professional Services Agreement

Attachment D: Service Level Agreement for Office Services

3. Invoicing and Payment

A. Prices and Charges.

All prices are identified in US dollars on the Administrative Portal or in the applicable Order Form unless otherwise agreed by the Parties. Additional charges may result if Customer activates additional features, exceeds usage thresholds, or purchases additional Services or equipment. Customer will be liable for all charges resulting from use of the Services on its Account.

Unless otherwise agreed between the Parties, recurring charges for the Services begin on the Start Date identified in the Administrative Portal or in the applicable Order Form, and will continue for the Term. Recurring charges (such as charges for Digital Lines, product licenses, minute bundles, and equipment rental fees) will, unless otherwise agreed between the Parties, once incurred, remain in effect for the then-current Term. RingCentral will provide notice of any proposed increase in such charges no later than sixty (60) days before the end of the Initial Term or then-current Renewal Term, and any such increase will be effective on the first day of the next Renewal Term.

Administrative Fees that RingCentral is entitled to pass on to its customers as a surcharge pursuant to applicable Law may be increased on thirty (30) days' written notice.

Outbound calling rates will be applied based on the rate in effect at the time of use. Customer may locate the currently effective rates in the Administrative Portal.

B. Invoicing and Payment

Invoices will be issued in accordance with the payment terms set forth in the Order Form. If Customer chooses to pay by credit or debit card, by providing a valid credit or debit card, Customer is expressly authorizing all Services and equipment charges and fees to be charged to such payment card, including recurring payments billed on a monthly or annual basis. In addition, Customer's provided credit card shall be used for any in month purchases of additional services and products, or where Customer has exceeded usage or threshold limits, any overage charges.

Unless otherwise stated in the applicable Order Form, recurring charges are billed in advance in the frequency set forth in the Order Form, and usage-based and onetime charges are billed monthly in arrears. Customer shall make payment in full, without deduction or set-off, within thirty (30) days of the invoice date. Any payment not made when due may be subject to a late payment fee equivalent to the lesser of (i) one and a half percent (1.5%) per month or (ii) if applicable, the highest rate allowed by Law. In no event may payment be subject to delays due to Customer internal purchase order process.

C. Taxes

All rates, fees, and charges are exclusive of applicable Taxes, for which Customer is solely responsible. Taxes may vary based on jurisdiction and the Services provided. If any withholding tax is levied on the payments, then Customer must increase the sums paid to RingCentral so that the amount received by RingCentral after the withholding tax is deducted is the full amount RingCentral would have received if no withholding or deduction had been made. If Customer is a tax-exempt entity, tax exemption will take effect upon provision to and validation by RingCentral of certificate of tax exemption.

4. Termination

A. Termination for Cause

Either Party may terminate this Agreement and any Services purchased hereunder in whole or part by giving written notice to the other Party: i) if

the other Party breaches any material term of this Agreement and fails to cure such breach within thirty (30) days after receipt of such notice; ii) at the written recommendation of a government or regulatory agency following a change in either applicable Law or the Services; or iii) upon the commencement by or against the other Party of insolvency, receivership or bankruptcy proceedings or any other proceedings or an assignment for the benefit of creditors.

B. Effect of Termination

If Customer terminates the Services, a portion of the Services, or this Agreement in its entirety due to RingCentral's material breach under Section 4(A), Customer will not owe any fees or charges for the Services in respect of any period subsequent to the date of such written notice (except those arising from continued usage before the cancelled Services are disconnected), and will be entitled to a pro-rata refund of any prepaid and unused fees for the cancelled Services being terminated. If this Agreement or any Services are terminated for any reason other than under this Section 4, the Customer must, to the extent permitted by applicable Law and without limiting any other right or remedy of RingCentral, pay within thirty (30) days of such termination all amounts that have accrued prior to such termination, as well as all sums remaining unpaid for the Services for the remainder of the then-current Term plus related Taxes and fees.

C. Trial Period

In addition to the above, Customer may cancel any Services purchased under this Agreement with written notice to RingCentral within thirty (30) days of the date in which the purchase becomes effective. Except as otherwise provided in the Agreement between the Parties, in the event of a timely cancellation, Customer shall not owe any fees or charges for the Services being canceled in respect of any period subsequent to the date of such written notice (except those arising from continued Usage), and shall

be entitled to a pro-rata refund of any prepaid and unused fees for the Services subject to the cancellation. All purchases are final after 30 days.

5. Miscellaneous

A. Entire Agreement

The Agreement, together with any exhibits, Order Forms, and Attachments, each of which is expressly incorporated into this Agreement with this reference, constitutes the entire agreement between the Parties and supersedes and replaces any and all prior or contemporaneous understandings, proposals, representations, marketing materials, statements, or agreements, whether oral, written, or otherwise, regarding such subject.

B. Order of Precedence

In the event of a conflict between these documents, the following shall have precedence in interpretation: (a) the applicable Order Form, (b) any applicable Service Attachments, (c) this Master Services Agreement, and (d) the Online Terms of Service.

C. Execution

Each Party represents and warrants that: (a) it possesses the legal right and capacity to enter into the Agreement and to perform all of its obligations thereunder; (b) the individual signing the Agreement and (each executable part thereof) on that Party's behalf has full power and authority to execute and deliver the same; and (c) the Agreement will be a binding obligation of that Party. Each Party agrees that an Electronic Signature, whether digital or encrypted, is intended to authenticate this Agreement and to have the same force and effect as manual signatures.

D. Counterparts

This Agreement may be executed electronically and in separate counterparts each of which when taken together will constitute one in the same original.

IN WITNESS WHEREOF, the Parties have executed this Agreement below through their duly authorized representatives.

ATTACHMENT A

SERVICE ATTACHMENT – RINGCENTRAL OFFICE SERVICES

This Service Attachment is a part of the Master Services Agreement that includes the terms and conditions agreed by the Parties under which RingCentral will provide the RingCentral Office Services to Customer.

1. Service Overview

RingCentral Office is a cloud-based unified communications service that includes enterprise-class voice, fax, text, call handling, mobile apps, and BYOD capability that integrates with a growing list of applications.

RingCentral Office includes

- Voice Services, including extension-to-extension calling and the ability to make and receive calls to and from the public switched telephone network (PSTN)
- Video and audio conferencing service, including screen sharing
- Collaboration Tools, including One-to-One and Team Chat, File Sharing, task management, SMS/Texting (where available) and other innovative tools

RingCentral Office Services may be accessed from a variety of user End Points, including IP Desk Phones, Desktop Clients, Web Clients, Mobile Applications, and Software Integrations.

2. Office Purchase Plans

A. Tiers of Service

RingCentral Office is made available in several pricing tiers, which are described more fully at <https://www.ringcentral.com/office/plansandpricing.html>.

While RingCentral offers unlimited monthly plans for some of its products and services, RingCentral Services are intended for regular business use.

"Unlimited" use does not permit any use otherwise prohibited by the Acceptable Use Policy, available at <https://www.ringcentral.com/legal/acceptable-use-policy.html>, including trunking, access stimulation, reselling of the Services, etc.

B. Minute and Calling Credit Bundles

Minute Bundles, e.g., Toll Free Minute Bundles, can be purchased in incremental buckets of minute in addition to any number of minutes included with the purchased tier. Inbound Toll Free minutes are deducted from included minutes, purchased Minute Bundles, or charged as overage at the rates currently in effect.

International Calling Credit Bundles can be purchased in addition to any base amount included with the purchased tier. International External Calls are charged against Calling Credits on the Account per destination rates, or as overage once Calling Credits are exceeded. Currently effective rates are available at <https://www.ringcentral.com/support/international-rates.html>.

Extension-to-Extension Calls within the Customer account never incur any usage fee and are unlimited, except to the extent that such calls are forwarded to another number that is not on the Customer account.

Additional Calling Credits may be purchased through the Auto-Purchase feature, which can be selected for automatic purchase in various increments on the Administrative Portal. Auto-Purchase is triggered when the combined usage of all End Users on an Account exceeds the total Calling Credits or when End Users make calls with additional fees (e.g., 411).

Minute Bundles and Calling Credit Bundles expire at the end of month and cannot roll over to the following month. Auto-Purchased Calling Credits expire twelve (12) months from date of purchase. Bundles may not be sold, transferred, assigned, or applied to any other customer.

3. N11 and other Calling

Operator Assisted Calling, 311, 511 and other N11 Calling. RingCentral does not support 0+ or operator assisted calling (including, without limitation, collect calls, third party billing calls, 900, or calling card calls). The Services may not support 211, 311, 411, 511 and/or N11 calling in one or more service areas. Additional charges may apply for these calls.

4. Directory Listing Service

RingCentral offers directory listing (the "Directory Listing Service"). If Customer subscribes to the Directory Listing Service, RingCentral will share certain Customer Contact Data with third parties as reasonably necessary to include in the phone directory ("Listing Information"). This information may include, but is not limited to, Customer's company name, address, and phone numbers. Customer authorizes RingCentral to use and disclose the Listing Information for the purpose of publishing in, and making publicly available through, third-party directory listing services, to be selected by RingCentral or third-party service providers in their sole discretion. Customer acknowledges that by subscribing to the Directory Listing Service, Customer's Listing Information may enter the public domain and that RingCentral cannot control third parties' use of such information obtained through the Directory Listing Service.

Opt Out. Customer may opt out of the Directory Listing Service at any time, however RingCentral is not obligated to have Customer's Listing Information removed from third-party directory assistance listing services that have already received Customer's information.

No Liability. RingCentral will have no responsibility or liability for any cost, damages, liabilities, or inconvenience caused by calls made to Customer's telephone number; materials sent to Customer, inaccuracies, errors or omissions with Listing Information; or any other use of such information. RingCentral will not be liable to Customer for any use by third parties of Customer's Listing Information obtained through the Directory Listing Service, including without limitation the use of such information after Customer has opted out of the Directory Listing Service.

5. RingCentral Global Office

RingCentral Global Office provides a single communications system to companies that have offices around the world, offering localized service in countries for which Global Office is available. Additional information related to Global Office Services is available at <http://www.ringcentral.com/legal/policies/global-office-countries.html>.

This section sets forth additional terms and conditions concerning RingCentral's Global Office for customers that subscribe to it.

A. Emergency Service Limitations for Global Office

RingCentral provides access to Emergency Calling Services in many, but not all, countries in which RingCentral Global Office is available, allowing End Users in most countries to access Emergency Services (911 in the United States and Canada, 999/112 in the United Kingdom and throughout the European Union, and any other applicable Emergency Services number). Emergency Services may only be accessed within the country in which the Digital Line is assigned, e.g., an End User with a Digital Line assigned in Ireland may dial Emergency Services only within Ireland. Access to Emergency Calling Services in RingCentral Global Office countries, where available, is subject to the Emergency Services Policy, available at <https://www.ringcentral.com/legal/emergency-services.html>. Customer must make available and will maintain at all times traditional landline and/or mobile network telephone services that will enable End Users to call the applicable Emergency Services number. Customer may not use the RingCentral Services in environments requiring fail-safe performance or in which the failure of the RingCentral Services could lead directly to death, personal injury, or severe physical or environmental damage.

B. Global Office Provided Only in Connection with Home Country Service.

RingCentral provides Global Office Service only in connection with Services purchased in the Home Country. RingCentral may immediately suspend or terminate Customer's Global Office Services if Customer terminates its Digital Lines in the Home Country. All invoicing for the Global Office Services will be done in the Home Country on the Customer's Account, together with other Services purchased under this Agreement, using the Home Country's currency. Customer must at all times provide a billing address located in the Home Country. RingCentral will provide all documentation, licenses, and services in connection with the Global Office Service in English; additional language support may be provided at RingCentral's sole discretion.

C. Relationships with Local Providers.

In connection with the provision of RingCentral Global Office Services, RingCentral relies on local providers to supply certain regulated communication services; for example (i) for the provision of local telephone numbers within local jurisdictions; (ii) to enable you to place local calls within local jurisdictions; and (iii) to enable You to receive calls from non-RingCentral numbers on Customer's Global Office telephone number(s), by connecting with the local public switched telephone network. Customer hereby appoints RingCentral as Customer's agent with power of attorney (and such appointment is coupled with an interest and is irrevocable during the Term) to conclude and enter into agreements with such local providers on Customer's behalf to secure such services.

RingCentral's locally licensed affiliates provide all telecommunications services offered to Customer within the countries in which such affiliates are licensed. RingCentral, Inc., is responsible for all contracting, billing, and customer care related to those services.

6. Definitions

Definitions. Terms used herein but not otherwise defined have the meanings ascribed to them in the Agreement. For purposes of this Service Attachment, the following terms have the meanings set forth below:

1. **"Digital Line"** means a phone number assigned to an End User or a specifically designated location (e.g., conference room) and the associated voice service for inbound and outbound calling that permits the End User generally to make and receive calls to and from the public switched telephone network as well as to and from other extensions within the same Account.
2. **"End Point"** means an application or device through which any End-User might access and/or use any of the Services, including without limitation IP Desk Phones, Desktop Clients, Web Clients, Mobile Applications, and Software Integrations.
3. **"Extension-to-Extension Calls"** means calls made and received between End Points on the Customer Account with RingCentral, regardless of whether the calls are domestic or international.
4. **"External Calls"** means calls made to or received from external numbers on the PSTN that are not on the Customer Account with RingCentral.
5. **"Home Country"** means the United States or the country that is otherwise designated as Customer's primary or home country in the Order Form.

SERVICE ATTACHMENT B

Service Attachment – RingCentral Contact Center Services

This Service Attachment is a part of the Master Services Agreement (the “**Agreement**”) that includes the terms and conditions agreed by the Parties under which RingCentral will provide the RingCentral Contact Center Services to Customer.

In the event of any conflict between the provisions of the Agreement and the provisions of this Service Attachment, such provisions of this Service Attachment will prevail.

1. Service Overview

“**RingCentral Contact Center Services**” is a contact center solution consisting of inbound and outbound media routing, queuing, and distribution, and related services, applications, and features, whether included as part of a Subscription Package or ordered separately.

2. Billing and Payment

A. Billing During the Ramp-Up Period.

During the Ramp-Up Period, You shall be billed for the Usage and for the Contact Center Services based on the number of Seats as they are actually activated on Your account. Notwithstanding the above, You shall not be billed for any Usage or Contact Center Services for Seats activated solely for use by RingCentral or its subcontractors for the configuration and implementation of Your Contact Center Services. During the Ramp-Up Period, Your Contact Center Services will be limited to five (5) ports. After the Ramp-Up Period, or when total number of CC Contract Seats are activated, whichever happens first, the number of ports will be raised to the contracted amount.

B. Billing After Ramp-Up Period.

Starting at the earlier of (i) the end of the Ramp-Up Period or (ii) when the total number of contracted Seats are activated, and until the end of the Term, You agree to pay for: i) the Contact Center Services fees for at least the number of Seats set forth in the Contact Center Services Order (as amended as permitted below) (a “**CC Contract Seat**”) based on the per Seat pricing set forth in the Contact Center Services Order (the “**CC Contract Seat Price**”), as amended from time to time, regardless of the number of Seats being used; ii) any additional fees set forth in the Contact Center Order form.

C. Adding New Contact Center Contract Seats

You may add CC Contract Seats at any time either through a new Contact Center Services Order or a written amendment executed by You and RingCentral. The Contact Center Services fees related to these additional CC Contract Seats will be billed at the per Seat price set forth in the Contact Center Order form. For the avoidance of doubt, You will be required to pay for Contact Center Services fees related to these additional CC Contract Seats until the end of the Term.

D. Adding On-Demand Contact Center Seats

At any time, You may utilize additional Seats with your Contact Center Services on an as-needed basis (each, an “**On-Demand CC Seat**”). You will be billed for any Contact Center Services at the rate of the CC Contract Seat Price plus twenty dollars (\$20) per month per Seat (the “**On-Demand CC Price**”) until You remove this On-Demand CC Seat from Your Contact Center Services subscription (which You may do at any time in your discretion). Contact Center Services fees for any On-Demand CC Seats will be charged for the full month, regardless of the number of days used. For each monthly billing period, You will be charged for the highest number of On-Demand CC Seats used within such billing period.

3. Contact Center Services, Settings, and Modifications

The settings and preferences for your Contact Center Services, including without limitation user rights, user skills, and permissions; routing, points of contact, scripts; registration Information; and activation of On-Demand CC Seats, among others, may be set and modified by those individuals whom You allow to have access to the web console (“Account Administrators”). The Customer acknowledges that the acts or omissions of the Account Administrators may result in additional charges or affect the Contact Center Services. The Customer will be solely responsible for the acts or omissions and the impact on billable amounts of the Account Administrators.

4. Use of Contact Center Services

You acknowledge and agree that all use of the Contact Center Services shall be subject to this Service Attachment and the Agreement, including without limitation the use policies and data privacy policies in Sections 5 and 9. You acknowledge and agree that You are fully responsible and liable for all use of the Contact Center Services, any software or hardware used in conjunction with the Contact Center Services, and any and all fees and charges that are incurred as a result of such use. Notwithstanding anything to the contrary stated in the Agreement, the use of the Contact Center Services shall be subject to the following terms:

- a. **NO 911 SERVICE. YOU ACKNOWLEDGE AND AGREE THAT 911 / EMERGENCY CALLS OR MESSAGES MAY NOT BE PLACED OR SENT THROUGH THE CONTACT CENTER SERVICES, AND NO 911 CALLING OR SMS OR OTHER MESSAGING SERVICE IS OFFERED OR PROVIDED WITH THE CONTACT CENTER SERVICES. YOU MUST MAKE AVAILABLE ALTERNATIVE ARRANGEMENTS TO PLACE 911 CALLS.**
- b. **Customer 911 Notification Obligations.** You represent, warrant, and covenant that: (i) You shall ensure that any person who might use the Contact Center Services or be present at the physical location where any the Contact Center Services might be accessed or used is fully

informed and aware that he or she will not be able to place calls or send messages to 911 or other emergency response services through the Contact Center Services; and (ii) You shall provide all of the foregoing parties with an alternate method by which to place such calls and, as applicable, to send such messages.

5. Definitions

Terms used herein but not otherwise defined have the meanings ascribed to them in the Agreement. For purposes of this Service Attachment, the following terms have the meanings set forth below:

1. **"Contact Center Materials"** means documentation, either electronic or otherwise, that RingCentral provides or makes available to the Customer describing the Contact Center Services, including the components of each Subscription Package, if applicable, and any other features and functionality offered as part of the Contact Center Services. The Contact Center Materials may include without limitation manuals, product descriptions, user or installation instructions, diagrams, printouts, listings, flowcharts and training materials related to the Contact Center Services.
2. **"Contact Center Services Order"** is an Order form executed by the Parties under the terms of the Agreement and this Service Attachment, setting out the details of the subscription to the Contact Center Services, including any Subscription Package, and any additional products, services and functionality purchased by the Customer
3. **"Ramp-Up Period"** is the period of sixty (60) days starting on the Start Date set forth in the Contact Center Services Order Form.
4. **"Seat"** means a license for a single named person to use the Contact Center Services.
5. **"Subscription Package"** is a set of Contact Center Services features and applications, as further defined in the Contact Center Materials, that could be ordered as a bundle.
6. **"Usage"** means any charges incurred in connection with the use of Your Contact Center Services, including, without limitation, local, long-distance, international, and toll-free minutes, charges, ports, and any products listed on the Contact Center Service Order Form.

SERVICE ATTACHMENT C

SERVICE ATTACHMENT – RINGCENTRAL PROFESSIONAL SERVICES AGREEMENT

This Service Attachment is a part of the Master Services Agreement (the “**Agreement**”) that includes the terms and conditions agreed by the Parties under which RingCentral will provide the RingCentral Professional Services to Customer.

In the event of any conflict between the provisions of the Agreement and the provisions of this Professional Services Agreement (the “**PS Agreement**”), such provisions of this PS Agreement will prevail.

1. Service Overview

RingCentral shall provide the implementation, installation, consulting, configuration services and other professional services (“**Professional Services**”) as described and agreed upon in writing between the Parties pursuant to a statement of work (“**Statement of Work**” or “**SOW**”).

2. Project Phases

The Professional Services may be delivered in one or more phases. The SOW will specify the milestone, objectives, Sites, fees and other components that are included in the scope of each phase (“**Project Phase**”). The Professional Services may also be provided on a time and material basis (“**T&M Services**”) paid by the hour based on the then current T&M Services hourly rate offered by RingCentral, as specified in the relevant SOW. Customer agrees that the delivery, installation, testing, acceptance and payment for the Professional Services rendered under any one Project Phase is not dependent on the delivery, installation, testing, acceptance and payment for the Professional Services under any other Project Phase. Each Project Phase will be billed upon Acceptance, and payment for each Project Phase is due in full within the applicable payment period agreed between the parties and is non-refundable.

3. Customer Sites and Site Visits

In the event the Parties agree that the Professional Services must be performed at one or more Customer facility(ies) (“**Site(s)**”), the Site(s) will be separately identified in the applicable SOW. Each visit to a separate Customer Site will be considered a separate “**Site Visit**”. When so stipulated in the SOW, each Site may constitute a Project Phase. Customer has the following obligations with respect to all Site Visits:

- a. Customer will maintain and ensure safe working conditions at each Site and shall promptly inform the RingCentral project manager of any known hazardous conditions at any Site prior to any visit by RingCentral Personnel.
- b. Customer shall ensure that all Site hardware and network environment meets or exceeds the requirements set forth in the Statement of Work and in “RingCentral VoIP Network Requirements and Recommendations” which can be found at: https://support.ringcentral.com/s/article/9233?language=en_US
- c. Customer shall provide RingCentral with all reasonable information, cooperation, and assistance that RingCentral requests in connection with performing the Services, including without limitation providing RingCentral with access to Customer’s systems and networks and related system and network administrators. Any failure on the part of Customer to provide the cooperation requested by RingCentral, or to provide the information or hardware and software environment required, may result in the need for a Change Order to contemplate additional fees and extended timelines to accommodate Customer’s failure to do so.
- d. Customer shall ensure that at least ten (10) business days prior to a Site Visit or as otherwise agreed in the applicable SOW, the Customer Project Manager shall provide to the RingCentral Project Manager the following information for the Site to be visited:
 - i. the first and last name, extension number, and email address for delivery of message notification emails of each User for which the Services are to be implemented at the Site and any other information that RingCentral requests to configure the digital lines that are part of such Services to be implemented (this information needs to be in the form of a Microsoft Excel file suitable for use with the Plan Service’s bulk configuration utility);
 - ii. written or illustrated diagrams of Customer’s current and proposed dial plans and data and call flows; and
 - iii. information related to configurations, equipment, and deployment requirements for the Site, as requested by RingCentral.

4. Late Site Visit Change.

The Parties acknowledge and agree that Customer’s cancellation or change of the dates of a Site Visit at any time during the ten (10) business days immediately prior to the date that the Site Visit is scheduled to take place (a “**Late Site Visit Change**”) will cause RingCentral to incur in expenses and losses (including without limitation RingCentral’s costs in rescheduling the Site Visit and/or loss of opportunity for other business during the period during which such Site Visit was to take place). Accordingly, Customer agrees that for each Late Site Visit Change, Customer shall incur (at the time of cancellation or change) and be liable for, as liquidated damages, an amount equal to eight (8) hours of RingCentral T&M Services at RingCentral’s then-current T&M Services hourly rate, as well as any Service Expenses that have already been expended by RingCentral. The Parties acknowledge and agree that this amount is a fair, reasonable, and appropriate pre-estimate of the losses that RingCentral will incur as a result of any single Late Site Visit Change.

5. Professional Services Acceptance

Each SOW will identify the specific criteria required for the completion of each Project Phase (“**Completion Criteria**”). Unless otherwise agreed between the parties in the SOW, upon RingCentral’s completion of the Professional Services for each Project Phase, RingCentral will review the Completion Criteria with Customer and will present to the Customer the Professional Services Project Completion Signoff Form (“**PCF**”) for that Project Phase. Notwithstanding anything to the contrary in this PS Agreement or any SOW, RingCentral’s obligations under any Project Phase are deemed accepted and the Professional Services under such Project Phase shall be considered completed in full and billable upon any of the following (“**Acceptance**”):

- a. Customer executes the PCF.

- b. If RingCentral presents Customer with the PCF and the Customer fails to execute the PCF within three (3) days, unless the Customer provides to RingCentral, within those three (3) days, with a detailed description of the items that are outstanding or that are materially non-conforming with the Completion Criteria applicable to the specific Project Phase. If RingCentral timely receives a rejection notice, then RingCentral will complete or re-perform any portion of the non-conforming Professional Services, and re-submit the PCF for the Project Phase to the Customer for Acceptance as described above. If RingCentral timely receives from the Customer a second rejection notice, and RingCentral, in its reasonable discretion determines that the Professional Services for the Project Phase were properly completed in accordance with the Completion Criteria, the Project Phase will be deemed to have been Accepted.
- c. **Production Use:** Unless otherwise agreed in writing between the parties, production use will constitute Acceptance for all purposes of this PS Agreement.
- d. **T&M Services.** Acceptance for T&M Services, if applicable and used in a SOW, is deemed accepted upon performance.

6. Payment

- a. The SOW will set forth the fees that the Customer will pay to RingCentral for each Project Phase, and the rates for T&M Services. Customer will compensate RingCentral fees and expenses for the Services as set forth in the applicable SOW. Customer acknowledges and agrees that all fees and charges shall be due and payable without any deduction, withholding, or offset of any kind, including without limitation for any levy or tax.
- b. **Invoicing and Payment of Professional Services fees.** Except to the extent otherwise provided in a SOW or this Section, all amounts due under this PS Agreement for Professional Services other than T&M Services, shall be invoiced upon Acceptance of each Project Phase. T&M Services will be invoiced Monthly in arrears. The payment term for each invoice is set forth in the Agreement.
- c. **Service Expenses.** In addition to the fees and expenses set forth in the applicable SOW, Customer agrees to reimburse RingCentral for its fixed travel, meal, and lodging expenses incurred in connection with any Site Visit ("**Service Expenses**"). Travel, meal, and lodging expenses shall be invoiced upon Acceptance of each Project phase, alongside all other amounts due under this PS Agreement, on a per-trip/per resource basis.. RingCentral shall, after Customer request, provide information verifying the deployment of on-site resources and expenditure of Service Expenses.
- d. **Additional Fees.** Customer agrees to incur and be liable for any additional fees or other amounts not provided for in this PS Agreement or the applicable SOW. These Additional fees may include, but are not limited to the following:
 - i. For any additional Site Visit(s) not included in the SOW, the Customer agrees to pay on a T&M Services basis, with a minimum fee equal to eight (8) hours of RingCentral per day at the then-current T&M Services hourly rate.

7. Changes to SOWs

Changes to any applicable SOW shall be made only in a mutually executed written change order between RingCentral and Customer (a "**Change Order**"), outlining the requested change and the effect of such change on the Services, including without limitation the fees and the timeline as determined by RingCentral in its reasonable discretion. RingCentral shall have no obligation to commence work in connection with any Change Order until the Change Order is agreed upon by both Parties in writing. RingCentral has no obligation to provide any Professional Services outside the scope of an SOW.

8. Term and Termination

- a. **Term.** This PS Agreement shall remain in effect for as long as the Agreement is in effect, unless terminated in accordance with this Section.
- b. **Termination.** Either Party may terminate this PS Agreement, in whole or in part, with thirty (30) days' advance written notice to the other Party. Unless otherwise specified in the termination notice, the termination of one SOW or Project Phase shall not necessarily result in the termination of, or otherwise affect, any other SOW or Project Phase.
- c. **Effect of Termination.** In the event that this PS Agreement, a SOW, or a Project Phase is terminated, in whole or in part, for any reason other than for RingCentral's material breach of this PS Agreement, Customer shall be obligated to pay RingCentral for:
 - i. any Professional Services and T&M Services that have been rendered up until the effective date of the termination;
 - ii. all applicable Service Expenses incurred; and
 - iii. (50%) of the fees for any other Professional Services not yet performed, due under the Project Phase(s) being cancelled, if termination of the PS Agreement, SOW, or a Project Phase occurs within one hundred and eighty (180) days of execution. If termination occurs after one hundred and eighty (180) days of execution, Customer shall owe all outstanding fees for any Professional Services not yet performed, due under the Project Phase being cancelled.
- d. **Post-Termination Notice Wrap-Up.** Upon receiving or providing notice of termination of this PS Agreement, RingCentral shall be relieved of and excused from any obligation to continue to perform Services or to perform under any then-current SOWs or Project Phase.

ATTACHMENT D

SERVICE LEVEL AGREEMENT FOR RINGCENTRAL OFFICE SERVICES

This Service Level Agreement for Office Services (the “Office SLA”) is a part of the Master Services Agreement (the “Agreement”) that includes the Service Availability levels RingCentral commits to deliver on the RingCentral Network for RingCentral Office Services.

1. Overview

RingCentral will maintain the following performance levels:

	Performance Level
Voice Services Availability (Monthly Calculation)	99.999%
Quality of Voice Service (Monthly Calculation)	3.8 MOS Score

2. Minimum Eligibility

Customer is entitled to the benefits of this Office SLA only to the extent that Customer maintains a minimum of fifty (50) Digital Lines under the Office Service Attachment with a minimum twelve (12) month Term. This Office SLA shall not apply to any period of time where Customer does not meet the foregoing requirements.

3. Service Delivery Commitments

a. Calculation of Service Availability for Voice Services

Service Availability = $[1 - ((\text{number of minutes of Down Time} \times \text{number of Impacted Users}) / (\text{total number users} \times \text{total number of minutes in a calendar month}))] \times 100$

Availability shall be rounded to nearest thousandth of a percent in determining the applicable credit. Service Credits for Down Time will not exceed 30% MRC.

b. Calculation of Service Credits

Customer is entitled to the Accelerated Service Credits calculated based on the table below:

b.1 Accelerated Service Credit Table

Voice Service Availability	Service Credits
≥ 99.999 %	0% MRC
≥ 99.500 and < 99.999%	5% MRC
≥ 99.000 and < 99.500%	10% MRC
≥ 95.000 and < 99.000%	20% MRC
< 95.000%	30% MRC

c. No Cumulative Credits

Where a single incident of Down Time affects Office Services and any other Services provided by RingCentral and covered under a separate service level agreement executed between the parties, resulting in Service Credits under both agreements, Customer is entitled to claim Service Credits under one of the agreements, but not for both.

Service Credits to be paid under this Office SLA will be calculated based Customer's RingCentral Office MRC only and will not include any other fees paid by RingCentral for any other Services, (e.g., Contact Center Services). Service Credits may not exceed the total MRC paid for the relevant Services.

d. Qualifying for Service Credits.

Service Credits for Down Time will accrue only to the extent:

- i. Down Time exceeds 1 minute;
- ii. Customer reports the occurrence of Down Time to RingCentral by opening a Support Case and obtaining the corresponding case number within twenty-four (24) hours of the conclusion of the applicable Down Time period;
- iii. RingCentral confirms that the Down Time was the result of an outage or fault on the RingCentral Network; and
- iv. Customer is not in material breach of the Agreement, including its payment obligations.
- v. Customer must submit a written request for Service Credits to RingCentral Customer Service within thirty (30) days of the date the Support Case was opened by Customer, including a short explanation of the credit claimed and the number of the corresponding Support Case;

4. Quality of Service Commitments

- a. **Quality of Service Targets.** RingCentral will maintain an average MOS score of 3.8 over each calendar month for Customer Sites in the Territory, except to the extent that Customer endpoints connect via public WiFi, a low bandwidth mobile data connection (3G or lower), or Customer uses of narrowband codecs such as G.729.
- b. **Quality of Service Report:** Customer may request a Quality of Service Report for the preceding calendar month by submitting a Support Case. RingCentral will endeavor to provide the Quality of Service Report within five (5) business days.
- c. **Diagnostic Investigation:** If the Quality of Service Report shows a failure to meet the target 3.8 average MOS as calculated under this Section, RingCentral will use industry-standard diagnostic techniques to investigate the cause of the failure. Customer shall cooperate with RingCentral in this investigation fully and in good faith.
- d. **Diagnostic Remediation.** Based on its investigation, RingCentral will provide a reasonable determination of the root cause(s) of any failure for the quality of service to meet the target MOS of 3.8. RingCentral will resolve any root cause(s) on the RingCentral Network; Customer shall timely implement settings or other resolution advised by RingCentral to improve the quality of service.

5. Chronic Service Failures

- a. **Service Availability:** Customer may terminate the Agreement without penalty, and will receive a pro-rata refund of all prepaid, unused fees in the following circumstances if RingCentral fails to meet a Service Availability of at least 99.9% on the RingCentral Network for Voice Services during any three (3) calendar Months in any continuous 6-Month period, and customer has timely reported Down Time as set forth herein.
- b. **Quality of Service:** Customer may terminate the affected Customers Sites under its Agreement without penalty, and will receive a pro-rata refund of all prepaid, unused fees in the following circumstances if RingCentral fails to meet a minimum 3.5 MOS, as measured in duly requested Quality of Service Reports, for the affected Customer Sites within four (4) months of the date of Customer's initial Support Case requesting a Quality of Service Report, except that such right inures only to the extent that Customer has complied fully and in good faith with the cooperation requirements and timely implemented all suggestions from RingCentral, in RingCentral's sole reasonable judgment.
- c. To exercise its termination right under this Office SLA, Customer must deliver written notice of termination to RingCentral no later than ten (10) business days after its right to terminate under this Section accrues.

6. Sole Remedy

The remedies available pursuant to this Office SLA (i.e. the issuance of credits and termination for chronic service failure) shall be Customer's sole remedy for any failure to meet committed services levels under this Office SLA.

7. Definitions

Terms used herein but not otherwise defined have the meanings ascribed to them in the Agreement. For purposes of this Service Level Agreement, the following terms have the meanings set forth below:

- a) **"Down Time"** is an unscheduled period during which the Voice Services for RingCentral Office on the RingCentral Network are interrupted and not usable, except that Down Time does not include unavailability or interruptions due to (1) acts or omissions of Customer; (2) an event of a Force Majeure; or (3) Customer's breach of the Agreement. Down Time begins to accrue after one (1) minute of unavailability, per incident.
- b) **"Impacted User"** means a user with a Digital Line affected by Down Time. In the event that due to the nature of the incident it is not possible for RingCentral to identify the exact number of users with a Digital affected by Down Time, RingCentral will calculate the Impacted Users on a User-Equivalency basis as defined below.

- c) **"MOS"** means the Mean Opinion Score, determined according to the ITU-T E-model, as approved in June 2015, rounding to the nearest tenth of a percent. MOS provides a prediction of the expected voice quality, as perceived by a typical telephone user, for an end-to-end (i.e. mouth-to-ear) telephone connection under conversational conditions. MOS is measured by RingCentral using network parameters between the Customer endpoint, e.g., the IP Phone or Softphone, and the RingCentral Network, and will accurately reflect quality of the call to the caller using the Voice Services.
- d) **"MRC"** means the monthly recurring subscription charges (excluding taxes, administrative or government mandated fees, metered billings, etc.) owed by Customer to RingCentral for Office Services for the relevant month. If customer is billed other than on a monthly basis, MRC refers to the pro-rata portion of the recurring subscription charges for the relevant calendar month. MRC does not include one-time charges such as phone equipment costs, set-up fees, and similar amounts, nor does it include any charges or fees for services other than Office Services.
- e) **"Quality of Service Report"** means a technical report provided by RingCentral, detailing MOS and related technical information.
- f) **"RingCentral Network"** means the network and supporting facilities between and among the RingCentral points of presence ("PoP(s)"), up to and including the interconnection point between the RingCentral's network and facilities, and the public Internet, private IP networks, and the PSTN. The RingCentral Network does not include the public Internet, a Customer's own private network, or the Public Switched Telephone Network (PSTN).
- g) **"Service Availability"** is the time for which Voice Services for RingCentral Office are available on the RingCentral Network, expressed as a percentage of the total time in the relevant calendar month, and calculated as set forth above.
- h) **"Service Credits"** means the amount that RingCentral will credit a Customer's account pursuant to this Office SLA.
- i) **"Site"** means a physical location in the Territory at which Customer deploys and regularly uses at least five (5) RingCentral Digital Lines. A Digital Line used outside such physical location for a majority of days in the relevant calendar month, such as home offices, virtual offices, or other remote use, will not be included in the line count for this purpose.
- j) **"Support Case"** means an inquiry or incident reported by the Customer, through its helpdesk, to RingCentral's Customer Care department, by placing a telephone call as outlined at <http://success.ringcentral.com/RCContactSupp>.
- k) **"Territory"** means those countries in which Customers subscribes to RingCentral Office or Global Office Services.
- l) **"User-Equivalency"** means the calculation made by RingCentral to estimate the percentage of the Voice Services impacted by the Down Time. RingCentral may use number of calls, network, device information, vendor and customer reports, and its own technical expertise to make these calculations.
- m) **"Voice Services"** means the audio portion of the Services, across endpoints, including the Softphone, and IP desk phone.
