While greatly appreciating suitable donations, the Board shall reject any gift which may directly or indirectly impair its authority to make decisions in the best interest of district students or its ability or commitment to provide equitable educational opportunities.

A gift or donation, on the other hand, is defined as any item of value given to AIMS by a donor who expects nothing significant of value in return, other than recognition and disposition of the gift in accordance with the donor's wishes.

### **In general, the following characteristics describe a gift:**

1. No contractual requirements are imposed and there are no "deliverables" to the donor. However, the gift may be accompanied by an agreement that restricts the use of the funds to a particular purpose.
2. A gift is typically irrevocable. While the gift may be intended for use within a certain timeframe, there is no specified "period of performance" or "start"/ "stop" dates as associated with sponsored projects.
3. There is no formal fiscal accountability to the donor beyond periodic progress reports and summary reports of expenditures. These reports may be thought of as requirements of good stewardship, and, as such, may be required by the terms of a gift. They are not characterized as contractual obligations or "deliverables."

Grants, contracts, and cooperative agreements (collectively called sponsored projects) are externally-funded activities in which a formal written agreement, i.e., a grant, contract, or cooperative agreement, is entered into by AIMS and by the sponsor. A sponsored project may be thought of as a transaction in which there is a specified statement of work with a related, reciprocal transfer of something of value.

The following conditions characterize a sponsored project agreement, and help to distinguish such agreements from gifts:

- ✓ Statement of Work
- ✓ Details Financial Accountability
- ✓ Definition of Deliverables

## AR 308(b) Technology Donations

When new computers are donated to AIMS schools, they must match AIMS' district standards for new computers. This means that the computer is approved by Technology Services

If the donated computer is the same as one on the website, but it does not have professional licenses for Windows or Microsoft Office, they must be purchased

Donated computers, meeting the requirements above, should provide the best overall experience for everyone involved. These guidelines are meant to be firm in order to protect schools from accepting donations that may not be helpful to them.

### **Non-standard & Older Computer Donations**

Non-standard and older computers are much more expensive to configure, maintain and troubleshoot. It is not a good use of AIMS' resources to accept something that seems "free", but actually costs quite a bit in extra time and money throughout its lifespan. These donations often require significantly more staff resources to support and AIMS's provides limited support for them. In order for the district to provide any support for the computers, they must receive advance permission from Technology Services, and

meet AIMS' computer standards for donated computers

### **AR 308(c) Fundraising**

In unusual circumstances, the Ombudsperson or designee may extend the 10-day limit for up to 14 days by providing written notice to the requester and setting forth the reasons for the extension and the date on which a determination is expected to be made. Unusual circumstances include the following, but only to the extent reasonably necessary to properly process the request: (Government Code [6253](#))

1. The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request
2. The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request

In addition to maintaining public records for public inspection during district office hours, the district may comply with public records requests by posting any public record on the district's web site and, in response to a public records request, directing the member of the public to the location on the web site where the record can be found. However, if the member of the public is unable to access or reproduce the record from the web site, the district shall promptly provide an exact copy of the public record upon payment of duplication fees, if applicable, unless it is impracticable to provide an exact copy. (Government Code [6253](#))

If any person requests that a public record be provided in an electronic format, the district shall make that record available in any electronic format in which it holds the information. The district shall provide a copy of the electronic record in the format requested as long as the requested format is one that has been used by the district to create copies for its own use or for use by other agencies. (Government Code [6253.9](#))

The cost of duplicating an electronic record shall be limited to the direct cost of producing a copy of the record in electronic format. However, the requester shall bear the cost of producing the copy of the electronic record, including the cost to construct the record and the cost of programming and computer services necessary to produce the copy, under the following circumstances: (Government Code [6253.9](#))

1. The electronic record is one that is produced only at otherwise regularly scheduled intervals.
2. The request would require data compilation, extraction, or programming to produce the record.

#### Assistance in Identifying Requested Records

If the Ombudsperson or designee denies a request for disclosable records, the requester shall be assisted in making a focused and effective request that reasonably describes an identifiable record. To the extent reasonable under the circumstances, the Ombudsperson or designee shall do all of the following: (Government Code [6253.1](#))

1. Assist in identifying records and information responsive to the request or the purpose of the request, if specified

If, after making a reasonable effort to elicit additional clarifying information from the requester to help identify the record, the Ombudsperson or designee is still unable to identify the information, this requirement shall be deemed satisfied.

2. Describe the information technology and physical location in which the records exist
3. Provide suggestions for overcoming any practical basis for denying access to the records or information sought

Provisions of the Public Records Act shall not be construed so as to delay or obstruct the inspection or copying of public records. Any notification denying a request for public records shall state the name and title of each person responsible for the denial. (Government Code [6253](#))

1. Any purchase of supplies or services that does not exceed the "micro-purchase" threshold specified in 48 CFR 2.101 may be awarded without soliciting competitive quotes, provided that the district considers the price to be reasonable and maintains written evidence of this reasonableness in the record of all micro-purchases. (2 CFR 200.67, 200.320)

(2 CFR 200.320)

The description shall avoid detailed product specifications to the extent possible, but may include a statement of the qualitative nature of the material, product, or service to be procured and, when necessary, shall set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. When it is impractical or not economical to make a clear and accurate description of the technical requirements, a brand name or equivalent description may be used to define the performance or other salient requirements of procurement, clearly stating the specific features of the named brand which must be met by offers. In addition, every solicitation shall identify all requirements which the offer must fulfill and any other factors to be used in evaluating bids or proposals. (2 CFR 200.319)

## **Cash Management**

The Director of Compliance, Superintendent or designee shall ensure the district's compliance with 2 CFR 200.305 pertaining to payments and cash management, including compliance with applicable methods and procedures that minimize the time elapsing between the transfer of funds to the district and the district's disbursement of funds. ### Procurement Procedure

### Accounts Payable

Accounts payable is a critical portion of your financial records and can be subject to fraud without careful reconciliation and oversight. Strong accounts payable audit procedures can ensure the accuracy and timeliness of your bill payments. The best accounts payable audit procedures allow a mixture of daily checks, routine internal controls and external audit procedures.

## **Routine Procedures**

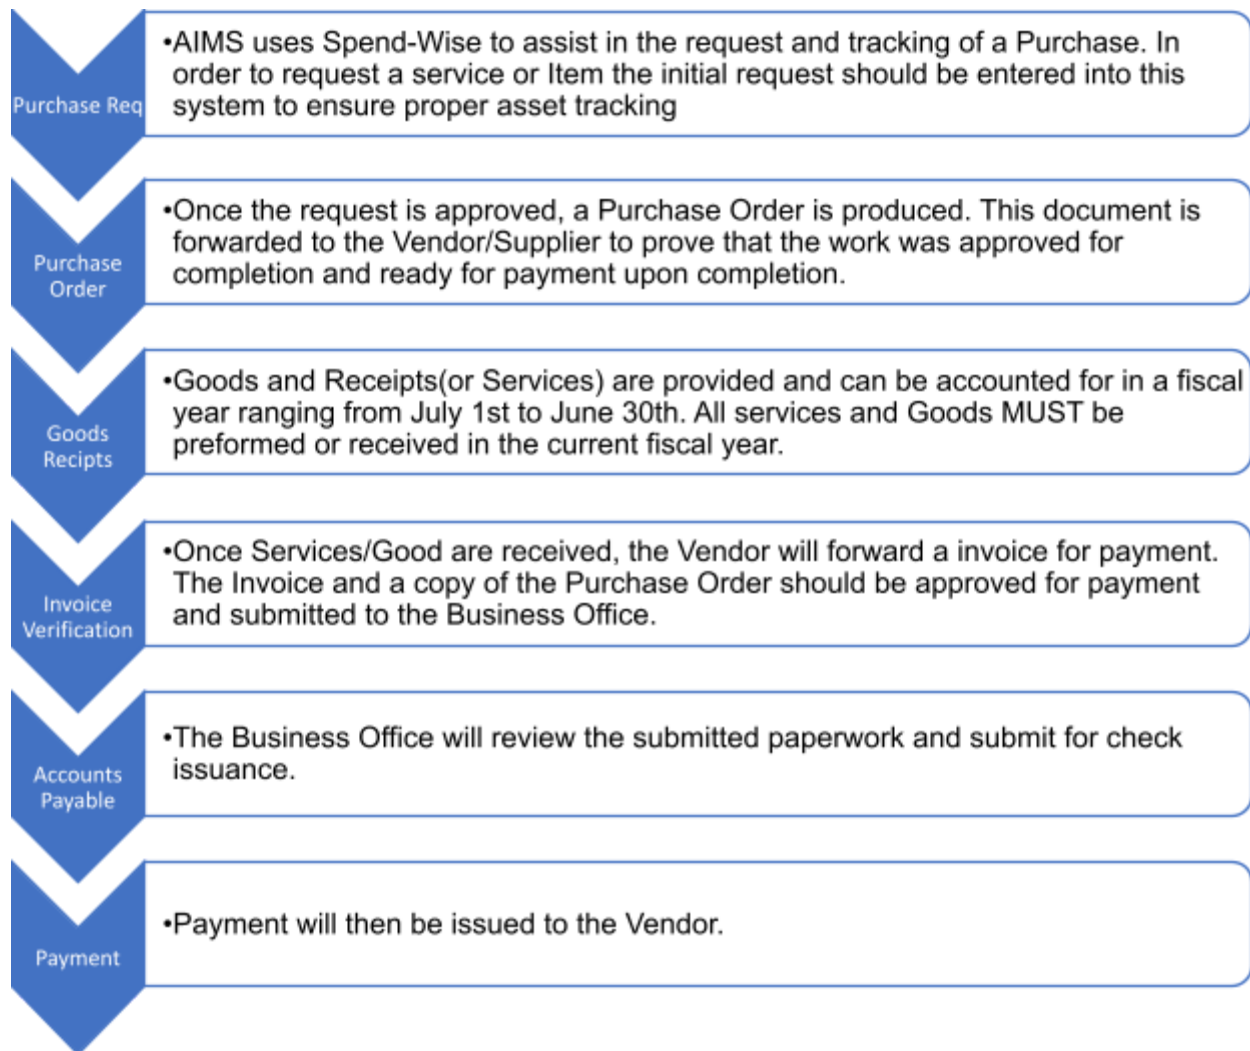

Accounts payable should be balanced daily to reconcile payments to recorded entries. Any discrepancy between the total amount paid and the total recorded should be examined and reconciled immediately. Management oversight of every individual involved in accounts payable should be stringent and should include routine monitoring of activities.

Sign-off procedures that help establish an audit trail should be enacted. These sign-offs include management review of goods and service requests, regular reconciliations, monthly discrepancy reports and individual sign-offs for large transactions to ensure that all information is correct.

## **Internal Controls**

Internal controls for accounts payable include signature requirements according to payment amounts. AIMS requires two signatures for all checks submitted for payment as well as Board Approval and signature for all checks over the \$8000 threshold.

During book closing procedures at the end of a month or financial period, AIMS requires sign-off for all account payable work including summary totals and account reconciliations. Additionally, Spendwise provides a running report that monitors payment levels from accounts payable processing

## 1.3. AIMS K-12 History

Founded in 1996, AIMS K-12 began as a middle school (AIPCS) by Native American families looking to retain a cultural connection for their children. AIPCS was Oakland's second publicly-funded charter school. In 2006, AIPCS became the first Oakland public charter school in Oakland to win recognition as a National Blue-Ribbon School. Later that year, AIPCS expanded to include a high school (AIPHS), and, in 2012, AIMS K-12 expanded to include an elementary school. As AIMS K-12 grew, the student body became increasingly diverse, and, in 2018, both our elementary and middle schools were recognized for nearly closing the achievement gap in African American students.

During the 2018-19 school year, the AIMS Board of Trustees (the "Board") took action to change the name of AIPHS to AIMS College Prep High School (AIMS HS). During the 2019- 20 school year, AIMS College Prep High School was awarded the A-G Award from Families In Action (FIA) with 100% A-G graduate rate completion for African- American students. Additionally, in 2020, the AIMS K12 organization received the California Charter School Association Hart Vision Award, recognizing AIMS as the Northern California Charter school network of the year. In 2017, AIMS HS began its first athletic program. Since that time, our sports teams have won 4 varsity championships, 3 varsity championship runner-up's, 5 JV Championships, 2 CIF-Oakland Section Championship Runner-Ups, and 8 students participated in the CIF State Championships over a two-year period. Students must maintain a 3.0 GPA in order to partake in AIMS sports programs.

## 1.4. Mission Statement

AIMS exists to prepare all students, especially those who have been traditionally underserved, to enter a four-year college after graduation from high school and complete at minimum a four-year degree.

## 1.5. AIMS Credo

<b>The Family</b>	We are a family at AIMS K-12.
<b>The Goal</b>	We are always working for academic and social excellence.
<b>The Faith</b>	We will prosper by focusing and working toward our goals.
<b>The Journey</b>	We will go forward, continue working, and remember we will always be a part of the AIMS K-12 family.

## 1.6. AIMS Values

<b>Excellence</b>	Commitment to excellence in all that we do.
<b>Wisdom and Knowledge</b>	Pursuit of wisdom and knowledge as intrinsically valuable.
<b>Empathy</b>	Recognition of dignity and worth of every human being.
<b>Family and Community</b>	Building of family and community.
<b>Equity</b>	Social awareness and justice that leads to action.
<b>Legacy</b>	The continued preservation and development of AIMS methodologies for 21st century learners and educators.

## 1.7. AIMSTRONG

AIMSTRONG has developed into the official moniker of the AIMS K12 College Prep Charter District. When taken in its totality, AIMSTRONG best conveys the model AIMS student:

**Academics:** Academics is the first word in AIMSTRONG and is the cornerstone to future success. Academics means developing and growing our scholarship, our grades, our inquiry, our brains.

**Integrity:** Being honest and possessing strong moral principles. Integrity means being true to our best selves consistently.

**Mentorship:** Providing guidance, influence, and direction to your AIMS community. Mentorship is serving our neighbors, community and families, especially with our strengths.

**Strength:** The influence or power possessed by you to combat the rigors of academics and real-life while resisting being moved or broken. Strength is both physical growth and the will power to complete the work we begin.

**Teamwork:** The combined action of each group member doing their part selflessly to benefit the whole. Teamwork is being part of a group which has an agreed goal.

**Responsibility:** Moral, legal, or mental accountability and taking ownership for one's actions. Responsibility is when we own our real part of getting teamwork, family, and planning done.

**Organization:** Preparation and efficiency when coordinating and carrying out activities. Organization is both how we plan and what we do to get things done systematically.

**Nerve:** Displaying courage, power, control and steadiness under pressure. Nerve knows when to step out to make a change in a situation or plan.

**Grit:** To keep going to accomplish our plans, even when there are strong obstacles. Grit is best personified in our ability to be knocked down and to get back up again.

## 1.8. AIMS Model

**Pedagogy and Practices:** In order for AIMS to meet our mission of successful acceptance to a four-year college or university, we have designed K-12 instruction toward the goal of mastery of the spiral progression of learning standards.

**Diversity and Inclusion:** We believe that each child has a unique talent and purpose. We see and celebrate differences, and do not tolerate bullying or prejudices.

- Every student has opportunities to learn individually and in groups.
- Teachers are expected to regularly examine their own biases with respect to student behavior and aptitude.
- AIMS functions as a school designed to serve traditionally underserved communities. The programming design of AIMS will prioritize the needs of these communities.
- Teachers are expected to support students in accessing the general education classroom whenever possible.
- Parent communications will happen with the support of translators whenever possible.
- Students are encouraged to share their cultural traditions at school functions.
- AIMS staff is committed to supporting students in practicing dialogue and critical thinking when both inspirations and conflicts arise.
- At AIMS, we accept and respect each other regardless of race, religion, or orientation.

**Learning Environment:** The AIMS Model classroom is one that is orderly and clean. We believe that an orderly classroom increases time on task for instruction. Students are expected to help in the upkeep of their classrooms and school environment and teachers may assign students classroom jobs to help promote classroom culture and efficiency.

## 2. SCHOOL INFORMATION AND PROCEDURES

The school does not assume any responsibility for lost or stolen items.

### 3.4. Parent Communication Policies

It is very important to ensure that communication between your home and the school is a continuous process. To stay informed of all meetings and events, please check the monthly calendar and the school website on a regular basis.

Communication is key to AIMS being a healthy environment for students and adults. Follow these tips to effectively communicate:

#### With Teachers:

Parents have an opportunity to meet with teachers at Back-to-School Night and Open House in the Fall.

Parents may receive personal phone calls or emails periodically from their child's teachers.

Parents will meet with teachers for a parent/teacher conference at least once each semester. All parents are encouraged to attend teacher conferences and/or to contact teachers to meet with them throughout their child's high school years.

Parents may contact teachers by written notes, phone calls, emails or communicate through Parent Square.

Parents may also make an appointment to meet with the teacher during their scheduled preps or open "office hours," or according to teachers' availability. We encourage all parents to be proactive in their communication with teachers, and not only when problems may arise.

You can contact a teacher by:

1. Calling the school and leaving a message on the voice mail system, and the teacher will return your call within 48 hours
2. Writing a note to the teacher
3. and sending with your student
4. Sending an email or parent square
5. Making an appointment to meet with the teacher during their scheduled open "office hours," or according to teachers' availability.

## With the School

1. The AIMS website, AIMS Standard and handbook contain answers to many of the questions parents and community members may have. Please consult these prior to contacting the school with questions.
2. Parents may contact the school with written notes, phone calls, emails if they have questions or concerns, or make an appointment with the appropriate person to address your concerns.
3. Progress reports are given every three weeks, and must be signed by parent/guardian and returned to school.
4. Report cards will be distributed every nine weeks, and parents must meet with teachers if their student is failing, or if teachers request a conference.
5. Student progress, grades, attendance are also available on PowerSchool. Grades are updated on a weekly basis.
6. AIMS Newsletters will be emailed via Parent Square.
7. Memos and flyers are sent home on an as needed basis.
8. Back-to-School Night, scheduled in the Fall, is an opportunity for parents/guardians to meet their child's teachers, to get an overview of grade level curriculum and expectations, and to learn more about the school from the Head of School and your child's teacher.
9. Family Advisory Council (FAC) is the vehicle for parents to learn on a monthly basis about school activities and meet to support those activities.
10. Local Control Accountability Plan (LCAP) is where stakeholders learn about the budget and to provide input.
11. Board meetings are a time for the board to meet and discuss governance. Visitors are welcomed and protocols for behavior and structure must be followed by attendees.

## With your child during the school day:

If you need to communicate with your child during school, call the office and leave a message for your child. That message will be given to your child. A child will only be called to the phone if it is an emergency.

Please make all carpool or after school pick up arrangements with your child before school.

## 3.5. Student Communication

1. Students must use their school email account while on campus
2. Students will use proper communication protocols to be heard and will not interrupt others.
3. Students will follow adults' directions.
4. Students will not use foul language, or participate in bullying, name-calling, or fighting.

## 3.6. Admissions Policy

Admission to AIMS K12 is open to all students who wish to attend the school as outlined in Education Code, section 47605(d)(2)(A). For specific admissions information, please log into the [www.aimsk12.org](http://www.aimsk12.org) website.

AIMS K12 schools are public charter schools that will not charge students tuition, as it is free to all who are admitted. AIMS 12 will not discriminate against any student on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual

orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code. AIMS k12 will also adhere to the McKinney-Vento Homeless Assistance Act and ensure that each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education as provided to other children and youths. AIMS shall adhere to all state and federal laws regarding the minimum age of students. AIMS k12 shall not enroll pupils over 19 years of age unless continuously enrolled in a public school and making satisfactory progress toward high school diploma requirements and is not over the age of 22.

### 3.7. Parent Involvement Guidelines

The involvement of parents in the classroom or at the school is greatly encouraged. Along with being a school volunteer, parents may visit the classroom as an observer. Parents are welcome to request an observation period at any time.

However, teachers have the right to refuse unscheduled observation requests. The best way to plan an observation is to follow these procedures:

1. Schedule a date and time with the teacher by leaving a message for them in the main office or contacting them during their office hours.
2. Explain the purpose for the observation.

Note: Observation times may be limited. During observations, teachers and support staff are not available for any one-on-one discussions or conferences. These meetings may be scheduled for a later time.

Our goal is to create the strongest possible partnership between home and school in order to increase student achievement and success. Parents are our most important partners in the road to student success. We strongly believe that students will find greater levels of academic success when their home and school share similar values about learning, develop a positive relationship and work together to build a strong partnership.

To ensure the development of authentic and productive relationships with parents, AIMS K12 offers a variety of opportunities for you to be involved in the academic life of your child at the classroom and school levels. We further demonstrate our commitment to forging genuine partnerships with all parents by offering high-quality family services, including a comprehensive parent workshop program.

### Ways to Participate at AIMS

**Become a School Instructional Volunteer:** Throughout the school year opportunities will arise for you to volunteer in your student's classroom, in the school, and for special events. AIMS K12 encourages your involvement as a volunteer in the life of our school and welcomes your participation as a volunteer. We ask that you follow certain policies and guidelines as a school volunteer as outlined in the following section "School Volunteer Guidelines."

#### Family Advisory Council:

AIMS K12 has a Family Advisory Council (FAC)), which serves as an advisory forum for parents to engage the AIMS K12, staff and other parents. The council will consist of the Head of Schools, Parent Engagement Coordinator teachers, other staff members and parents. Students will also be encouraged to participate so that they may help shape school policy.

#### LCAP Advisory Committee And SSC:

## The LCAP Advisory Committee and SSC

recommends modifications to the strategic plan to reflect changing needs and/or priorities. Also, the LCAP Advisory Committee will provide input on: LCAP, SPSA curricula and instructional strategies, staff professional development, the school budget, parent involvement, staff stipends, and the school calendar. The LCAP Advisory Committee and SSC will meet monthly during the academic year. Ultimately, the goal is to ensure that there is two-way communication between the school, parents and all its stakeholders.

Election of parent representatives and other community members are held during the fall of each school year. Nomination forms for parent and community members shall be distributed at each school site and sent home to parents. New members and alternates shall be installed by the October meeting.

Other special program/project committees may be established for specific purposes such as fundraising activities, special events, etc.

## Participate in Parent Workshops:

Various Parent Workshops and school special events and activities will be held during the school year. Throughout the year the school may offer educational opportunities for the continuing education of parents/guardians. Such opportunities may include classes on parenting, health topics, open communication, job training, domestic violence and English Language Development. Other opportunities include families having the option to attend DLAC, ELAC, Wellness and Family Advisory meetings. All meeting spaces and workshops are open to families.

## School Volunteer Guidelines

### Volunteer Procedures:

Any person interested in participating in a school's volunteer program must complete the volunteer application through AIMS K12 Human Resources Department.

A volunteer for a single event that takes place for the duration of one day only does not need to submit an application but must be checked by a school administrator against the California Megan's Law online database at <http://www.meganslaw.ca.gov>.

The Head of School must confirm and verify that the volunteer has met all requirements, including:

- Completed and signed volunteer application
- Megan's Law clearance
- Tuberculosis test clearance (no more than two years old)
- Live Scan Fingerprinting required

Volunteer applicants need to be fingerprinted only once during their volunteer service. AIMS adheres to the California State statutes pertaining to supervised volunteerism in public schools. Fingerprinting clearance by the FBI and the DOJ is required for the following persons:

- Persons providing direct instruction to students regardless of the number of hours engaged in such activity, even if supervised by a certificated employee
- Persons volunteering in any school for more than 16 hours per week, regardless of supervision
- Persons volunteering for less than 16 hours per week under general supervision and whose duties require significant contact with students, as determined by the school principal, including the following:
  - Lunch supervision assistants/food handlers

School volunteers are required to sign in at the school office upon entering the campus and sign out when they exit the campus. No person may provide volunteer service until all necessary clearances are verified by the school principal and the volunteer has signed a copy of the application.

## **Volunteer Guidelines**

Classroom and student work is always confidential. Please don't discuss student problems with anyone except the teacher or Head of School. Try not to compare children within the classroom. Since there are as many methods as there are teachers, please do not compare different methods of teaching. There is no defined best way to teach. Work positively for the good of the school. Constructive criticism should be directed only to the supervising teacher or school administrator. When you are volunteering in the classroom, please remember that you are doing so under the direction of the teacher. Ask questions! If something is unclear, please ask for clarification. If you have any questions about volunteer policies and procedures, please contact the Administrative Assistant to the Head of School.

### **3.8. Harassment, Discrimination, and Bullying Policy**

AIMS K12 is committed to protecting its students, employees, and applicants for admission from bullying, harassment, or discrimination based on the actual or perceived characteristics set forth in Penal Code Section 422.5, Education Code Section 220 and actual or perceived sex, sexual orientation, gender, gender identity, gender expression, race or ethnicity, ethnic group identification, ancestry, nationality, national origin, religion, color, mental or physical disability, age, immigration status or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics, in any program or activity it conducts or to which it provides significant assistance.

AIMS K12 believes that all students and employees have a right to a safe, equitable and harassment-free school environment. As a school, we have an obligation to promote mutual respect, tolerance and acceptance. AIMS K12 prohibits any acts of discrimination, harassment, and bullying on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology and through other electronic means, consistent with this policy. Bullying, harassment, or discrimination will not be tolerated and shall be just cause for disciplinary action.

For additional information, please read the Section on School Code of Conduct and Disciplinary Procedures.

### **3.9. Administrative Searches**

Administrators reserve the right to provide searches in accordance with state and local laws.

### **3.10 Use of Student Images/ Schoolwork**

The District often includes images of students engaged in school activities and events as part of outreach and information about our programs for parents, family, and the wider community. Community organization or partners value these images as compelling ways to share and urge support for the work of our teachers and students.

During the school year, your student may be photographed or filmed by District staff while participating in school programs and activities. If you have a special concern about the use of your student's image or name, please notify the school office and request to opt your child out of media and pictures related to district.

### 3.11. Media and Special Projects

There are times when schools may be featured in various news media. News reporters, photographers and/or film crews from TV, radio stations, newspapers, magazines, online publications, or other

media may wish to interview, photograph and/or film your child in relation to a story about our schools or students, such as a school performance, a sports competition, or other newsworthy events. Your child's name might be included in the report. We want you to know:

Media representatives must register immediately upon entering any school building or grounds when school is in session and a media representative who wishes to photograph students on school grounds should first make arrangements with the Head of School or designee.

- The district will not impose restraints on students' right to speak freely with media representatives at those times which do not disrupt a student's educational program.

Parents/guardians may, at their discretion, instruct their children not to communicate with news media representatives. Please discuss your wishes with your students if you do not want them to be interviewed, photographed or filmed by news media, on or off campus.

## 4. STUDENT ATTENDANCE

Consistent school attendance is critical to student success. Chronic absenteeism has been linked to an increased likelihood of poor academic performance, disengagement from school, and high school dropout rates - particularly among students of color.

Because of the vital link between students' attendance and academic success, we take pride in the fact that our school's attendance rates for students far surpass District and state averages. Students are recognized for perfect attendance each quarter. Attendance is a priority at AIMS, and understanding that some absences are unavoidable, this attendance policy outlines procedures for ensuring that consistent learning is not hindered by absences.

### 4.1. How to Report an Absence

When your child is absent from school, please notify your child's school at 510-893- 8701 (K-8) and 510-220-5044(9-12).

When leaving a message regarding your child's absence please provide the following information:

- Student's name
  - Date(s) absent
  - Reason for absence
  - Grade/teacher
  - Your name and your relation to child
  - Daytime phone number
1. Attendance is taken at the beginning of each class period. The office staff will call home daily when students are absent.
  2. Once an absence is reported by a parent/guardian, the front office will notify the student's teachers.
  3. Notifying a teacher or designee directly without first notifying the front office is not sufficient and will not excuse a student's absence.

### 4.2. Excused and Unexcused Absences

Students who are absent for any reason must attend Saturday School. Please be aware that the State does not reimburse the District for any absence. Every day a student is absent results in a loss of revenue to the District.

The District is still required to keep accurate records of student attendance and reasons for absences.

- 1) Absences are "excused" when they are due to:
  - a) Illness, quarantine, or medical, dental, optometric, or chiropractic appointment
  - b) Family emergency
  - c) Legal matter
  - d) Religious holiday or ceremony - Pupils, with the written consent of their parents or guardians, may be excused from school in order to participate in religious exercises with prior approval by the Head of School [Education Code Section 46014]. Additionally, students may be absent to attend a religious retreat [Education Code Section 48205(a) (7)], not to exceed four hours per semester. Such absences are considered excused absences, and pupils are responsible for making up missed work.

Funeral services of an immediate family member (one day if the service is in California and not more than three days if the service is outside California).

- e) Jury Duty
- f) Illness or medical appointment during school hours of a child of whom the pupil is the custodial parent
- g) For justifiable personal reasons when the pupil's absence is requested in writing by the parent or guardian and approved by the Head of School or a designated representative pursuant to uniform standards established by the governing board.
- h) For the purpose of serving as a member of a precinct board
- i) For the purpose of spending time with a member of the pupil's immediate family who is an active-duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position.
- j) For the purpose of attending the pupil's naturalization ceremony to become a United States citizen.
- k) Authorized parental leave for a pregnant or parenting pupil for up to eight (8) weeks.
- l) Work assignment for students who hold an entertainment work permit or who participates with a not-for-profit arts organization in a performance for a public-school audience.

*The law limits the number of excused absences for a child holding an entertainment work permit to five absences per school year, each of which may consist of up to five days. CA. Ed. Code 48225.5.*

- 2) Absences due to an illness exceeding 3 consecutive days require a note from a doctor or nurse excusing the absence **AND** specifying the amount of time excused. If no note is received, the absence is considered an unexcused absence.

**Note:** A student with an excused absence from school will be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit. The teacher of the class from which a student is absent will determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the student missed during the absence. If the work is not completed within a reasonable time, the student will receive no credit.

- 3) Any absence for reasons other than those listed as EXCUSED ABSENCES are **unexcused**, even if the parent calls in to excuse it. Absences unverified after 3 school days will be recorded as unexcused.
- 4) A prolonged absence due to any other unforeseen circumstance must be approved by the Head of School.

#### **Dismissal Due to Illness:**

A child may be sent home early from school if s/he is ill or appears to be suffering from an infectious or contagious disease.

Parents/guardians or emergency contacts listed will be contacted to pick up the child.

### **4.3. Student Absence & Homework/Test Taking Procedures**

- A. Teachers will prepare homework for absent students so they can pick it up from the office to

limit interruptions in the classroom.

- B. It is the student and the parent/guardian's responsibility to contact their teachers directly to obtain a copy of all missing homework assignments.
- C. Students and the parent/guardian may notify the front office if they are unable to connect with their teacher within a 6-12-hour time period.
- D. If the students cannot get to school due to transportation issues, they should let the school know so we can try to provide a solution.
- E. Teachers will assign Saturday school to all students who are absent.
- F. Teachers will report class list/attendance grid discrepancies immediately.

#### 4.4. Tardies

- A. Students will be marked absent if they are not present by the start of the class period, as determined by the master bell schedule.
- B. Students that are tardy must first sign in at the front desk before heading to class to ensure their attendance is updated accordingly. Teachers will not allow tardy students to join class without a tardy pass, which is issued after signing in.
- C. Students with a legitimate excuse, as determined by the aforementioned section on excused absences, shall be marked "Tardy Excused" when attending class late.
- D. Students who arrive after the first 30 minutes of class without a legitimate excuse shall be marked as "Truant."

#### 4.5. Truancy

California Education Code 48260 defines a student as [truant](#) if he or she has any combination of:

- Three unexcused absences;
  - Three unexcused tardies; and/or
  - Three absences exceeding 30 minutes.
1. Students shall be classified as truant if absent from school three (3) full days in one school year, without a valid excuse or was tardy for more than any 30-minute period during the school day on three occasions during one school year, or any combination thereof.
  2. Upon reaching truant status, the parent/guardian will receive the first "Truancy Notification" letter from the school and will be referred to the Student Attendance Review Team (SART). This letter must be signed by the parent/guardian and returned to the school within ten (10) days. As part of the SART process, the parent/guardian, student, teacher representative(s) and an administrator will meet to form a SST and consider a plan for correcting the attendance problem.
  3. Upon reaching four (4) unexcused absences, the parent/guardian will receive a second Truancy Notification letter (to be signed and returned to school within ten (10) days and will be required to attend a follow-up meeting to consider a plan for correcting the problem.
  4. Upon reaching five (5) or more unexcused absences and/or tardy truant, the parent/guardian will receive a third Truancy Notification letter and will be required to meet with the Student Attendance Review Board (SARB). The SARB may include an administrator, Board member, classroom teacher, and support staff such as psychologist and or counselor. It is the school's intent to identify and remove all barriers to the
  5. student's success and will explore every possible option to address student attendance issues with the family. The SARB team will discuss the absence problem with the parent/guardian to work on solutions, develop strategies, discuss appropriate support services for the student and

his/her family, and establish a plan to resolve the attendance issue.

6. After continuous attempts to resolve, students may be referred to the district attorney's office. If the student is reported as a truant three or more times per school year, and does not follow the SARB's directive, the matter may be referred to the District Attorney for prosecution, and other appropriate action may be taken by the school, The parent/guardian must be notified of this action. (EC §48262, §48263, §48263.5)

#### **4.6. SARB/T: Student Attendance Review Board/Team**

All children between 6 and 18 years of age are required by California's Education Code to attend school and their parents have a legal responsibility to ensure their child's attendance.

The law also states that a student's refusal to attend school regularly can result in a referral to the School Attendance Review Board/Team (SARB/T), Juvenile Probation, and the Juvenile Court System. Additionally, parents who fail to compel their child's attendance may face criminal prosecution and penalties. (Education Code Section 48260)

At AIMS HS the SARB/T addresses chronic attendance and truancy problems. The SARB/T meets with students and families to collaborate, identify persistent attendance issues, and develop solutions to resolve these issues. It is a panel that may include but not limited to the school's SARB/T Coordinator, social/mental health services, community agency representatives, and a referring school site representative.

Prior to referring a student to SARB/T, the school will help the student remedy his/her attendance situation by referring the student to the Student Success Team (SST). Interventions may include counseling, mentoring, tutoring, after school program referral, behavioral support, wellness center referral and home visits. When school sites have exhausted their resources and attendance has not improved, a family can be referred to the SARB/T panel which will then schedule a hearing before a panel and the student and parent/guardian are required to attend.

#### **4.7. Academic Consequences for Chronic Absenteeism/Truancy**

Students with unexcused absences or tardies that cannot be justified due to unforeseen circumstances will not be allowed to make up missing assignments or exams.

Upon reaching three (3) or more unexcused absences that cannot be justified due to unforeseen circumstances in any academic course in any given quarter, the student will automatically fail the quarter with a grade capped at no greater than a C-.

#### **4.8. Saturday Schools**

Students who are absent for any reason, excused or unexcused, must attend Saturday School.

For more information regarding AIMS K12 Saturday School, please see the Section on Student Code of Conduct and Disciplinary Procedures.

## 5. School Code of Conduct and Disciplinary Procedures

AIMS K12 is committed to ensuring that employees and all individuals who work with or have contact with students conduct themselves with students in a way that is supportive, positive, professional, and non-exploitative. AIMS will not tolerate inappropriate conduct or behavior towards or with students by its employees or any individual who works with or has contact with students.

At AIMS K12 we believe that by demonstrating respect for each other, we can create a safe, caring and cooperative environment that promotes learning and celebrates the uniqueness of all individuals. AIMS K12 believes that all students have the right to learn. No student has the right to choose behavior that infringes upon the rights of others. We recognize the primary role of parents as the first and best teachers of their children. We also recognize the partnership that needs to exist between home and school. Our discipline policy is designed to encourage students to acquire and apply acceptable behaviors because student behavior is a key component of school culture and sets the foundation for academic achievement.

We expect that all students behave in a respectful way toward their teachers, any adults, their classmates, and the property of others. Additionally, students will be treated and spoken to respectfully and with care.

With a focus on community building, it is our goal that every student possesses a clear understanding of how their actions affect others. While our larger goal is to discourage misbehavior preemptively, when it occurs, we use missteps as opportunities for learning and reflection. Schools have developed behavior expectations, procedures, and policies that are consistent with a positive discipline model in which we use both kindness and firmness to co-create relationships that include both care and

accountability. Systematic positive praise, reinforcement of desired behaviors, and community building structures are coupled with fair and equitable consequences for students who do not adhere to their responsibilities.

AIMS K12 Schools' approach to discipline includes: teaching school rules and social-emotional skills, reinforcing appropriate school behavior, using effective classroom management and positive behavior support strategies by providing early intervention for misconduct and appropriate use of consequences, and tracking discipline data to ensure that rules and consequences are being applied fairly to all students.

Upon enrollment and at the beginning of each school year, AIMS K12 families will each receive a copy of the Parent/Student Handbook in their Enrollment Packets and be asked to review the Handbook and agree in writing to abide by the provisions of the Handbook, including the school's discipline policy. The plan may include, but not limited to, day-to-day discipline including, school detentions, in-school suspensions, Saturday schools, disciplinary probation, and guidelines for suspension and expulsion. The student discipline policy will define student responsibilities, unacceptable behavior, and the consequences for noncompliance. In addition, school staff members review the discipline policy with new students and parents at the commencement of school each year.

Teachers will be trained during professional development meetings to use effective classroom management strategies to maximize instruction and minimize student misbehavior, and there will be school-wide systems for assigning both positive and negative consequences. Positive consequences include privileges such as lunch with teachers and free dress. Students who do not adhere to stated expectations for behavior and who violate the school's rules may expect

consequences for their behavior. Consequences may include, but are not limited to:

- Warning, verbal and/or written
- Individual conference with the teacher
- Loss of privileges
- Individual behavior contract
- Referral to the School Director or other school staff member
- Notices to parents by telephone or letter
- Parent conference, at school or during a home visit
- Suspension
- Expulsion

Staff shall enforce disciplinary rules and procedures fairly and consistently among all students. Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of the policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to school property. Suspended or expelled students shall be excluded from all school and school- related activities unless otherwise agreed during the period of suspension or expulsion.

Any student who engages in repeated violations of the school's behavioral expectations, or a single severe infraction, will be requested to attend a meeting with the school's staff and the student's parents. The school will prepare a specific, written agreement outlining future student conduct expectations, timelines, and consequences for failure to meet the expectations which may include, but are not limited to, suspension or expulsion.

AIMS K12 is exempt from Education Code requirements and procedures related to student suspension and expulsion. Therefore, references in this charter to the Education Code are used as a guideline. A student may be suspended or expelled for any of the acts enumerated in Education Code § 48900, except for willful defiance, related to school

activity or school attendance that occurs at any time including, but not limited to:

- While on school grounds
- While going to or leaving from school
- During, or traveling to or from school- sponsored activities

AIMS K12 will be a positive and progressive place of learning. The discipline system is designed to create a culture of learning and the Code of Conduct (see Code of Conduct area below) is created to be preventative. Teachers will use a range of lower-level consequences (nonverbal cues, conferencing with the student, loss of privileges, etc.) before resorting to more serious consequences. However, we will have clear policies governing suspension and expulsion. Certain offenses will result in in-school suspension while other more serious violations will result in out-of-school suspensions. Violations - that put students and/or the school in grave physical danger - will be considered grounds for expulsion according Ed. Code 4900. Suspended students will also be responsible for making up all missed work within the specified timetable.

## 5.1. Student Behavior Expectations

At AIMS K12, students are held accountable for their behavior. No one student has the right to disrupt the learning environment of their fellow class members. Students are interested in their education and helping keep the focus on that main goal. Students are aware that they impact other students in the classroom, as they transition, participate in lunch and study hall, and

stand in line.

With the instructions of their teachers, they choose to behave appropriately in those situations and others.

Students are expected to:

- Be diligent in their studies. Treat school property, private property, and other people with respect.
- Obey all school and classroom rules while at school, at District and school activities, and on the way to and from school.
- Follow all directions and directives given by any staff member.
- Dress according to the AIMS K12 dress code. All gang-related attire is prohibited.
- Use proper communication protocols to be heard and to not interrupt others.
- Not use foul language, or participate in bullying, name-calling, or fighting.

## 5.2. Students with Disabilities

Generally, any student identified as a student with a disability pursuant to the Individuals with Disabilities Education Act, 20 1400-1482, is subject to the same disciplinary measures applicable to all students for violations of the code of conduct, except when the student's behavior is determined to be a manifestation of his/her disability.

## 5.3. Responses to Misbehavior of the Student Discipline Policy

- Warning
  - Detention
  - Behavior Contract
- a) Students who have repeated behavioral problems need to have a behavior contract that describes the behaviors the student is supposed to engage in as well as the consequences. Parents and students must sign the agreement, and there must be a follow up meeting within four to six weeks. A referral may be made to SST to address the repeated misbehaviors.
  - b) Parent Conference
  - c) Counseling
  - d) Loss of privileges, extracurricular activities, etc.
  - e) Sending a student to another classroom for a limited period of time.
    - Behavioral referral forms will be completed by the teacher before sending a student out to a buddy classroom or to an administrator. The form will state why the student was sent, and what was done in the classroom to first stop the concern. A file of the forms will be kept in the office.
  - f) Additional required hours at school: detention or Saturday School.
  - g) Additional school work: extra homework, writing lines or copying materials, additional study/review.
  - h) Community Service: Clean, organize; take out trash, sweep, etc. AIMS k12 will provide gloves and necessary cleaning supplies as appropriate.
  - i) Communication tools: Students will write letters of apology to their families/staff to discuss poor behavior/performance
  - j) Confiscation of prohibited items.
  - k) Suspension or Expulsion in extreme cases with leadership approval

### Consequences Requirements:

Consequences include the following for Detentions: Doubled detentions, banning from extra-curricular activities (like sports, dances), parent shadowing, removal from classroom, apology to class for misbehavior, apology to parents and teacher for misbehavior.

## 5.4. Detention

Detentions must be given until behavior improves. Detention forms must be used to ensure that the student, office, and teacher each have a copy. Detention sessions must be quiet and focused. Detentions are not optional at any level. See Additional Forms for a copy of a detention slip. There are a variety of reasons a detention can be issued. These include, but are not limited to:

1. Tardiness
2. Cutting class
3. Not returning homework
4. Unsigned memo/detention/report card/etc.
5. Missing classroom materials
  - Disorganization
  - Incomplete classroom job
6. Speaking out of turn
7. Talking in class
8. Out of seat without permission
9. Not following directions
10. Food/Drinks/Gum/Candy
11. Throwing/Kicking/Hitting/Teasing

## 5.5. Saturday School

Saturday School is held weekly at each school site.

Saturday School can be separated into two categories: **Academic** and **Restorative Justice**.

### **Academic Saturday School.**

**Academic Saturday School** may be assigned by any teacher or administrator, often as a disciplinary measure with regard to low grades, missing work, or absences.

**Restorative Justice Saturday School** is for behavioral concerns, and is often assigned by a staff member or administrator. Restorative Justice Saturday School can also be assigned automatically, by having two detentions in one week.

### 5.5.1. Academic Saturday School:

Evidence shows that increased academic instruction, tutoring, and study time can help support students in areas where they are struggling. For these reasons, as part of the AIMS Standard, we offer and may require students to attend Academic Saturday School in instances where academic concerns must be addressed.

Academic Saturday School may be issued under the following circumstances:

- Obtaining a C- or below in any academic quarter or semester
- To Complete Make-Up Assignments, Projects, or Assessments
- Any unexcused student absence or tardy truancy
- Placement on Academic Probation
- In need of improving their subject benchmark mastery, or statewide assessments
- At the discretion of the Teacher, Administrator, Parent/Guardian, or Student

Students will be assigned packets to complete any makeup school work, missing assignments, or to receive tutoring. Students should come to Saturday School prepared and ready to work.

### **5.5.2. Restorative Justice Saturday School:**

Restorative Justice is a theory of justice that emphasizes repairing the harm caused by criminal behavior. It is best accomplished through cooperative processes that allow all willing stakeholders to meet, although other approaches are available when that is impossible. This can lead to transformation of people, relationships and communities.

Students who have received two detentions in one week will attend Restorative Justice Saturday School. Students who have committed egregious violations of any part of the code of conduct will attend Restorative Justice Saturday School. Restorative Justice Saturday School may be assigned at the discretion of the Head of School.

Dialogue and other Restorative Justice practices can be used so that students can learn to resolve conflicts on their own and in small groups. Students can be empowered to make better decisions. Students will participate in campus community service in order to encourage character building.

### **5.5.3. Absences from Saturday School:**

Students may not be absent from Saturday School without a legitimate excuse and prior approval from an administrator. A legitimate excuse (lack of transportation, religious holiday, etc.) and a signed note from a parent or guardian are required for approval from an administrator or designee. Attending an AIMS or Non-AIMS sporting event or extracurricular activity is **not** a legitimate excuse to be absent from Saturday School.

Any unexcused Saturday school absence will result in an additional Saturday School. If unexcused absences continue, different disciplinary measures may occur.

### **5.5.4. Academic Saturday School Procedures:**

Teachers will receive a memo to distribute to students on the Wednesday prior to the upcoming Saturday School. Students must submit their signed memo by the following school day.

Students may only work on homework after they have completed their assigned Saturday School work.

## **5.6. Parent - Teacher Conferences**

Parent - Teacher conferences may be held as needed to allow parent, teacher, and student to address areas of concern and determine a course of action.

## **5.7. Social Probation**

At the discretion of the Head of School and/or designee, an AIMS K12 student may be placed on social probation, which is defined as a period of time in which a student is

restricted from engaging in any AIMS K12 activities. Students can be placed on social probation for repeated disciplinary concerns or suspension.

Students on social probation may be prohibited from:

1. Attending or participating in any on or off campus athletic events
2. Prohibition of attending club meetings

Failure to adhere to the terms of social probation will result in a longer term of social probation or suspension.

## 5.8 Administrative Searches

AIMS may conduct searches of students and items under the students' control (e.g., locker, backpack, purse) to ensure student and staff safety. Specifically, the purpose of these searches is to:

- Detect the possession of weapons or controlled substances
- Deter bringing weapons or controlled substances onto school grounds or during school activities
- Reduce the potential for violent incidents
- 
- Searches may be conducted under the following circumstances:
- Searches Based on Reasonable Suspicion If a student has engaged in conduct that causes an administrator to have reasonable suspicion that the student has committed, or is about to commit, a crime or has violated statutory laws or school rules, the administrator may conduct a search of that student. The administrator must:
- 
- Contact a parent or guardian and inform them of the search.
- Be able to articulate the reasons for his/her suspicion and the facts and/or circumstances surrounding a specific incident.
- Be able to reasonably connect the student to a specific incident, crime, rule, or statute violation.
- Have relied on recent, credible information from personal knowledge and/or other eyewitnesses.
- Ensure that a search based on reasonable suspicion is not excessively intrusive in light of the student's age and gender and the nature of the offense.
- 
- When conducting a student search based on reasonable suspicion, school administrators must adhere to the following practices:
- Conduct the search only if there are clear and specific reasons for suspicion and there are facts that connect the student to a specific incident of misconduct.
- Jackets, purses, pockets, backpacks, bags and containers in the student's possession may be searched to the extent reasonably necessary.
- Under no conditions may a body or strip search be conducted.
- Only school administrators of the same gender as the student searched may conduct the search.
- Searches based on reasonable suspicion must be conducted in a private area where the search will not be visible to other students or staff (except for a school administrator or designee witness, also of the same gender).
- The school can request law enforcement participation if necessary.

While students and their families choose their next steps after graduating from AIMS, being accepted to at least one four-year school is required to successfully complete all AIMS graduation requirements to receive their diploma.

All Juniors will take an SAT/AP exam test prep class to better prepare for their standardized

tests. And all grade levels will be exposed throughout the year to college- related programming and extracurricular opportunities.

## 6.6 English Language Development (ELD) Services

English Language Development (ELD) refers to an instructional program for students who are developing proficiency in English. English Language Learners (ELLs) refer to students who are identified by the Home Language Survey (HLS) with another language besides English. Please contact [Adria.Bani@aimsk12.org](mailto:Adria.Bani@aimsk12.org) for information about our English Language Development services.

- 1) **Supports For ELD Students:** Students who are identified as an ELL will be placed in mainstream classes with both designated and integrated ELD instruction.
  - a) Newcomers are ELLs who have just started school in the US and will be placed in ELD classes instead of ELA for 1-2 years.
  - b) Long Term English Learners (LTELs) are ELLs who have continued to be identified as an English Learner for more than 5 years.
  - c) Students received specialized services according to their English Language Proficiency Assessment of CA (ELPAC). ELD Instructional Aides support teachers in providing EL strategies to support ELs in mainstream classrooms. IAs are scheduled to provide intervention support during class and after-school.
- 2) **Supports for ELD Families:** Engaging with families of ELL students is vital to helping our students succeed. Parental involvement is the foundation of a child's education. AIMS K12 offers services to help families navigate through their child's experiences at AIMS K12.
- 3) **English as a Second Language (ESL) class for parents-**  
Parents have the opportunity to sign up for an ESL class taught by an AIMS K12 staff member. Class focuses on conversations on how to communicate in the school environment. Other topics include reading and writing for more advanced parents.
- 4) **English Learner Advisory Committee (ELAC) -**  
is required if there are more than 21 English Learners at any particular school. Meetings are held every other month and open to the public. Elections are held to elect members that will represent each school at the DELAC meetings. Meetings are focused on the ELD programs, make parents aware of the importance of regular school attendance, etc.
- 5) **The District English Learner Advisory Committee (DELAC)** is composed of representatives from each school's English Learner Advisory Committee (ELAC). The committee's role is to advise the district on programs and services for English Learner students.

## 6.7 Protected Prayer

AIMS has a Protected Prayer Policy approved by our AIMS School Board. Students will be allowed to pray on campus and will be provided space if needed. Please see AIMS policy on our website [aimsk12.org/reports](https://aimsk12.org/reports)

## 6.8 Title IX

AIMS prohibits unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) against any student, employee, or other person participating in district programs and activities, including, but not limited to, those programs or activities funded directly by or that receive or benefit from any state financial assistance, based on the person's actual or perceived characteristics of race or ethnicity, color, ancestry, nationality, national origin, immigration status, ethnic group identification, age, religion, marital, pregnancy, or parental status, physical or mental disability, medical condition, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or any other characteristic identified in Education Code 200 or 220, Government Code 11135, or Penal Code 422.55 or equity or compliance with Title IX, or based on his/her association with a person or group with one or more of these actual or perceived characteristics (5 CCR 4610). Complaint forms are available on the district webpage at [www.aimsk12.org](http://www.aimsk12.org). You may contact the AIMS Ombudsperson via email at [eric.haar@aimsk12.org](mailto:eric.haar@aimsk12.org).

## 7. STUDENTS WITH SPECIAL NEEDS

For specific information about our special education services please contact  
Deborah.Woods@aimsk12.org

### 7.1. Child Find Mandate

The Individuals with Disabilities Education Act (“IDEA”) includes the “Child Find” mandate, which requires AIMS K12 to identify, locate, and evaluate all children with disabilities enrolled in its schools. If AIMS K12 has knowledge that a student has a disability, or is suspected of having a disability and may need special education and related services, AIMS K12 must offer to assess the student. Indicators for when a student is suspected of having a disability, and AIMS K12 should thus offer an initial assessment.

### 7.2. Special Education Assessments

A student may be referred for special education services at any time by AIMS K12 school staff, parents, or other service providers. Before a student can be assessed for eligibility for special education, or reassessed while receiving special education and related services, AIMS K12 must develop an Assessment Plan and provide it to the parents for their approval within 15 calendar days from the date of receipt of a written request for a special education assessment. Assessments must be administered in all areas related to the suspected disability by trained and knowledgeable personnel using sound instruments. For school-age children, the eligibility assessment must be completed within 60 days of AIMS’ receipt of written parental consent for specified assessment activities and an Assessment Report provided to parents outlining required information. Under certain conditions, a parent may have the right to obtain an independent educational evaluation (IEE) at public expense. Please note that a student may demonstrate a disability, but may not necessarily be eligible for special education and related services. A student’s IEP team will determine eligibility based on the requirement that the student’s disability negatively or adversely affects his/her educational performance.

### 7.3. Individualized Education Plan (IEP)

An Individualized Education Program (IEP) is a written statement that AIMS K12 must develop for each student who receives special education and related services. The educational program must be designed to meet the child’s individual specific needs. Every child who receives special education services must have an IEP. The purpose of an IEP is to outline a plan for meeting a student’s specific disability related needs that sets reasonable learning goals for the child and states the services that the school will provide for the child. The IEP is developed jointly by the school, the parents, and the student, when appropriate.

#### Nine Essential Elements of an IEP

Each child’s IEP must contain specific information, as listed within IDEA, which includes nine essential elements:

- 1) **Present Levels of Performance:** A statement of the student’s present levels of performance including how the disability affects the student’s involvement and progress in the general curriculum.

- 2) **Measurable Annual Goals:** Measurable annual goals, including academic and functional goals, related to the student's needs, resulting from the student's disability, that will enable the student to be involved in and progress in the general education curriculum and that meet each of the student's other educational needs that result from the student's disability.
- 3) **Progress:** A description of how the student's progress toward meeting the annual goals described above will be measured and when periodic reports on the progress the student is making toward meeting the annual goals (such as through the use of quarterly or other periodic reports) will be provided.
- 4) **Special Education and Related Services:** A statement of the special education and related services and supplementary aids and services, based on peer-reviewed research to the extent practicable, to be provided to the student, or on behalf of the student, and a statement of the program modifications or supports for school personnel that will be provided to enable the student to advance appropriately.
- 5) **Participation in General Education:** An explanation of the extent, if any, to which the student will not participate with general education students in the general education classroom and in extracurricular and nonacademic activities.
- 6) **State Testing:** A statement of any individual appropriate accommodations that are necessary to measure the academic achievement and functional performance of the student on State and district assessments. If the IEP team determines that the student shall take an alternate assessment on a particular State or district assessment of student achievement, the IEP must include a statement of why the student cannot participate in the regular assessment and why the particular alternate assessment selected is appropriate for the student.
- 7) **Timing of Services and Modifications:** The projected date for the beginning of the services and modifications identified in the IEP, along with the anticipated frequency, location, and duration of the services and modifications.
- 8) **Transition and Post-Secondary Goals:** Beginning no later than the first IEP to be in effect when the student is 16, and updated annually thereafter, appropriate measurable postsecondary goals based upon age-appropriate transition assessments related to training, education employment, and where appropriate, independent living skills and the transition services (including courses of study) needed to assist the student in reaching those goals.
- 9) **Age of Majority:** Beginning at least one year before the student reaches the age of 18, a statement that the student has been informed of the IDEA rights that will transfer to him or her upon turning 18.

### **Who develops the IEP?**

The IEP is developed by a team of individuals that include the parent(s), an administrator, general education teacher, special education teacher, an expert who can interpret evaluation results, and the student, if appropriate. The team meets, reviews the assessment information available about the child, and designs an educational program to address the child's educational needs that result from his or her disability.

### **When is the IEP developed and the IEP meeting held?**

Assuming eligibility is found, an IEP must be developed by the IEP team and implemented for each student, within 60 days of obtaining written parental consent of the Assessment Plan. For

students already eligible for special education services, the IEP must also be reviewed at least annually thereafter to determine whether the annual goals are being achieved and must be revised as appropriate. An IEP meeting must be held within 30 days of receipt of any written request from a parent.

## 7.4. 504 Plans

Section 504 of the Rehabilitation Act of 1973 protects disabled individuals against discrimination. It does so by mandating that no qualified individual with a disability shall, on the basis of disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity of any entity that is a recipient of Federal financial assistance (34 CFR § 104.4(a)). AIMS k12 must establish and maintain services and accommodations for students with physical or mental impairments that substantially limit one or more major life activities in order to ensure that these students have equal access to education.

Section 504 accommodations and/or related services must be delineated in a Section 504 Plan formulated by the student's teachers, parents, members of the SST team, and a school administrator.

Examples of 504 Plan accommodations and/or services that AIMS must provide to students include:

1. Assistance with PE equipment for a student with mild cerebral palsy
2. Extra time on tests for a student with Attention Deficit Hyperactivity Disorder (ADHD)
3. Nursing services for a student with Type I Diabetes
4. Use of an amplification system for a student with a hearing loss

A teacher, parent, guardian, or administrator can request a 504 Plan for a student. If a parent requests that their child be accommodated through a 504 Plan, you must follow through with a 504 Team meeting as soon as possible, even if you do not think the student needs a 504 Plan.

### A. Requirements for a 504 Plan

In order to have a 504 Plan, a student must meet all three of these requirements:

1. The student must have a physical or mental impairment that gets in the way of learning or participating in school programs or activities. The "physical or mental impairment" can be any physical or mental condition or problem. It can be something that lasts for a long time, for a short time, or it might come and go. Examples of impairments include: cancer, chronic asthma, diabetes, seizures, ADHD.
2. The student's impairment must affect at least one major life activity. Major life activities include such things as seeing, hearing, eating, sleeping, breathing, speaking, walking, thinking, learning, and working. Major life activities also include the operation of major bodily functions such as normal cell growth, the immune system, bowels, bladder, neurological, and circulatory functions.
3. The impairment must substantially limit a major life activity. The determination of whether an impairment substantially limits a major life activity requires an individualized assessment. An impairment does not have to prevent or significantly limit a major life

activity to be considered

4. “substantially limiting.” For instance, if a student has a visual impairment that can be fully corrected by the use of ordinary eyeglasses or contact lenses, it will not be considered.

## **B. Essential Elements of a 504 Plan**

In general, a 504 plan should include the following elements, all tailored to the child’s individual needs:

1. Specific accommodations, supports or services
2. Names of the school professional that will provide each service
3. The name of the person responsible for ensuring the 504 plan is implemented

For additional information about IEPs and 504 Plans, please see speak with a school administrator, or Education Coordinator.

## **7.5. Special Education**

According to state and federal law, students with identified physical, emotional, learning, or developmental disabilities are entitled to a free and appropriate public education and have the right to placement in the least restrictive environment. They may receive special education services according to a written Individualized Education Program (IEP) or may receive specific accommodations based on a 504- accommodation plan. Questions regarding special education services or 504 accommodation plans may be directed to the Head of School. The overriding mandate in assessing need and delivering services is that the student should be taught in the least restrictive environment. Therefore, when a student is referred for special education, every effort is made to serve the student in the regular general education program.

## **The 504 Plan for Students with Disabilities**

Section 504 of the Rehabilitation Act of 1973 is a broad civil rights law regulated by the Office of Civil Rights. The law’s intent is to eliminate discrimination based on disability in any program or activity receiving federal financial assistance. Under Section 504, students with a physical or mental impairment that substantially limits one or more major life activities, including learning, are eligible to receive services and aid designed to meet their needs.

To evaluate a student's eligibility under Section 504, the school site administrator or designee convenes a committee of individuals, including the parent, who are knowledgeable about the student's individual needs and school history, the meaning of evaluation data, and accommodation options. If the committee establishes that the student has a disability requiring services under Section 504, a written plan is developed that informs what modifications and/or special services and aids are needed. Please contact your child’s Head of Schools if you have a 504 request or concern.

## **7.6. English Language Learners**

According to law, parents of limited English proficient (English Learner) students participating in a language instruction program shall be notified, not later than 30 days after the beginning of the school year, of the following:

- the child's level of English proficiency, how such level was assessed, and the status of the child's academic achievement;
- the methods of instruction used in the program in which their child is, or will be participating, and the methods of instruction used in other available programs, including how such programs differ in content, instructional goals, and the use of English and a native language in instruction;
- how such programs will specifically help their child learn English and meet age-appropriate academic achievement standards for grade promotion and graduation;
- the specific exit requirements for the program, including the expected rate of transition from such program into classrooms that are not tailored for limited English proficient children, and the expected rate of graduation from secondary school, if applicable;
- in the case of a child with a disability, how such program meets the objectives of the individualized education program of the child;
- information pertaining to parental rights

## 7.7. Homeless Education Assistance

The McKinney-Vento Homeless Education Assistance Act requires school districts to remove all barriers to enrollment, attendance and school success for homeless students. Assistance to homeless students and families is provided by the Operations Office. Students and families identified as homeless are provided with enrollment assistance, transportation to/from school, school supplies, supplementary academic supports, and referrals to outside agencies. A student identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act of 2004 ("IDEA") or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 ("Section 504") is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to general education students except when federal and state law mandates additional or different procedures.

The Charter School will follow all applicable federal and state laws including but not limited to the California Education Code, when imposing any form of discipline on a student identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such students.

No student shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five schooldays before the effective date of the action. The written notice shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder, and shall inform him or her of the basis for which the pupil is being involuntarily removed and his or her right to request a hearing to challenge the involuntary removal. If a parent, guardian, or educational rights holder requests a hearing, the Charter School shall utilize the same hearing procedures specified below for expulsions, before the effective date of the action to involuntarily remove the student. If the student's parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include removals for misconduct which may be grounds for suspension or expulsion as enumerated below. Please contact [Vanessa.Oden@aimsk12.org](mailto:Vanessa.Oden@aimsk12.org) for information about homeless student support services.

## 8. STUDENT SAFETY AND RESPONSIBILITY

### 8.1. School Cleanliness

Students have the responsibility of working to keep their campus clean. It is part of the AIMS Standard that we take pride in our campus and school, so AIMS K12 students should not only clean up after themselves, they should endeavor to leave the campus as clean as they found it at the beginning of the day.

### 8.2. Restroom Policy

1. By law, students must not be prohibited from using the restroom. However, AIMS k12 has the following guidelines in place to prevent students from abusing bathroom privileges: Except for cases of emergency, students should not use the restroom within the first and last 30 minutes of class. Students must also utilize their breaks and lunch periods and use the restroom during these times.
2. Students must sign in and out of the classroom when going to the restroom.
3. Inform the administrative assistant if the bathrooms are low or out of toilet paper, soap, paper towels, or toilet seat liners.
4. Students with medical related bathroom needs should complete a 504 plan with the school at their earliest convenience.

### 8.3. Administration of Medication

Students who need to take prescribed or over-the-counter medication during the school day may be assisted by designated school personnel or allowed to self-administer certain medication as long as it is

in accordance with law, AIMS k12 policies, and administrative regulations.

It is necessary for the District to have a written statement from the student's physician and a written statement from the student's parent/guardian before (1) a designated employee administers or assists in the administration of any prescribed medication to any student; or (2) any student is allowed to carry and self-administer prescription auto-injectable epinephrine or prescription inhaled asthma medication during school hours.

It is vitally important that parents fill out new student medication forms every fall in order to have the most current medication information, as well as the current status of any health conditions. A separate form is required for each medication. Please contact the school office for the required forms. Update these forms should any of the information change during the school year.

Students who need to take prescribed or over-the-counter medication during the school day may be assisted by designated school personnel or allowed to self-administer certain medication as long as it is in accordance with law, and/or AIMS Board policies. AIMS K12 students may receive their medications from the front office or the school nurse. It is necessary for AIMS K12 to have a written statement from the student's healthcare provider and a written statement from the student's parent/guardian before:

1. A designated employee administers or assists in the administration of any prescribed medication to any student; or
2. Any student is allowed to carry and self-administer prescription auto-injectable epinephrine

or prescription inhaled asthma medication during school hours.

3. Single dose over-the-counter medication, such as aspirin, ibuprofen, or cough drops, may be given to students, with prior consent from parents.

## 8.4. Medical Emergencies

If your child is in need of minor first aid, it will be administered in accordance with District first aid training. If medical attention appears to be necessary, but not required immediately, the parent/guardian or other emergency contacts listed will be contacted to pick the child up. Should immediate medical attention be necessary, the school will call an ambulance. If a person is suffering, or reasonably believed to be suffering, from an anaphylactic reaction, trained school personnel may use an epinephrine auto-injector to provide emergency medical assistance. Every effort will be made to contact the parent or other emergency contact person(s).

## 8.5. Immunizations and Other Health Requirements

To be admitted to school, children must be fully immunized in accordance with the law. Children shall be excluded from school only as allowed by law.

## **8.6. Campus Environment Policy**

### **Weapons Policy:**

Students, parents and teachers are forbidden to have weapons or look-alike weapons on campus. Possession of a firearm, whether loaded or unloaded, (including pellet-type guns) or other weapons such as pocket knives can carry severe disciplinary action up to permanent removal from AIMS K12.

The Federal Gun Free Safe Schools Act and California law prohibit the possession of firearms on school campuses. Pursuant to these laws, any student found in possession of a firearm will be subject to arrest and will be recommended for expulsion immediately.

Upon a finding that the student was in possession of a firearm, the school's governing board shall expel the student. The term of expulsion shall be one year.

Possession includes, but is not limited to, storage in lockers, purses, backpacks, or automobiles.

### **Smoke-free Environment Policy:**

AIMS K12 maintains a smoke-free environment, so smoking, including the use of vaping devices is not allowed on campus. Students who engage in smoking on campus are subject to disciplinary action.

### **Alcohol/Drugs Policy:**

AIMS believes the use of alcohol or other drugs adversely affects a student's ability to achieve academic success, is physically and emotionally harmful, and has serious social and legal consequences. For these reasons, these substances are prohibited on campus, and AIMS K12 will make every effort to assist students and families in reducing the use of these substances. AIMS perceives this effort to be an important step towards preventing violence, promoting school safety, and creating a disciplined environment conducive to learning.

### **Enforcement/Discipline:**

The Head of School or designee shall take appropriate action for violation of any of the policies concerning weapons, smoking, or

possession, use or sale of alcohol and/or other drugs and related paraphernalia on school grounds, at school events, or in any situation in which the school is responsible for the conduct and well-being of students. Such students also may be referred to an appropriate rehabilitation program.

## 8.7. Confiscated Items Policy

Any and all Items that are not allowed according to AIMS K12 rules and policies will be confiscated. The administrators will keep the item until the parent/guardian comes to retrieve it. On the first confiscation, the student will receive one detention. On the second, they will receive an additional two. On the third, the student will receive an additional three detentions and in-house suspension.

## 8.8. Counseling

AIMS K12 provides social emotional counseling for students. If needed, please speak to your Head of School for a referral.

## 8.9. Surveillance Cameras

For the safety of students and staff, surveillance cameras that include video only (no audio) are installed in several locations on AIMS K12 campuses. Surveillance cameras are not located inside any school bathrooms or locker rooms. Surveillance videos are viewed by school administrators and may also be viewed by police, as allowed by law, and used as evidence in disciplinary matters.

## 8.10. Safety Drills and Procedures

Each school site is required to hold regular fire, earthquake, and lockdown drills. The purpose of these drills is to provide students and staff practice with evacuation, lockdown, and shelter-in-place procedures. Additionally, AIMS K12 has a comprehensive school safety plan. which includes emergency preparedness, available for review. District staff has received training in armed intruder preparedness.

Parents are asked to make sure that their students actively participate and take emergency drills seriously. These drills help make schools the safest place for students during an emergency.

Parents should be familiar with the school 's emergency procedures. Keep your cell phone with you to receive recorded updates on the emergency. Knowing where to go to pick up your child will save time and reduce anxiety. Parents should remember that schools have emergency procedures in place to protect all the students and that schools will follow these procedures during an emergency.

Parents should also remember that children look to them for guidance and support during an emergency. Parents who are calm and are prepared for emergencies can inspire children to do the same. This will go a long way to promote recovery and a return to normalcy. Parents who have questions about their school 's emergency procedures are encouraged to contact the school 's administration.

- A. **Fire Emergency Procedures** - Every school practice this procedure once each month.
- B. **Earthquake Emergency Procedures** - Every school has earthquake preparedness procedures in place and
- C. practices this procedure once each semester.
- D. **Lockdown Procedures** - At least once a year, schools practice how they will respond to a threa including active shooter on or near the campus
- E. **Shelter- in-Place Drill** - At least once a year, schools practice how they will respond to an

environmental hazard on or near the campus.

- F. **Evacuation Procedures** - At least once a year, the school practices evacuation procedure along with the fire drill.

## **Emergency Preparedness Drills**

The school has developed a school emergency plan which is designed to ensure the safety of your students and all of the staff. The school implements regular emergency drills to ensure that all members of the school community know the plan.

Teachers will review emergency preparedness procedures with the students during the first month of school.

In case of an emergency during the school day, your child will only be released into the custody of those people who you have previously identified on the emergency card. Proof of identity is required. Those NOT identified on the emergency card can only pick up a student if the parent or guardian has sent a handwritten and signed note to the school notifying the school of this person's identity and proof of identification is provided.

### **8.11. Student Driving Policy**

Students are not allowed to drive on campus or to park on campus without prior permission. After obtaining approval to drive to school, they must also apply for a parking permit to park on campus.

**Student and Family Privacy Rights** Board Policy mandates that personal information concerning students and their families should be kept private in accordance with the law. Parents have the right to exempt their children from participating in

(a) surveys that request personal information, and/or (b) physical exams or screenings. Students are screened for vision and hearing in grades K, 2, 5, 8, and 10 and by teacher referral. Parents must submit a note in writing to the school in order to opt out of vision and hearing screening.

### **8.12. Special Care Plans**

Students with conditions requiring special care during their school day must have a physician signed care plan on file in the school office to guide designated school personnel in procedures required for the student's health and safety. Care plans for diabetes, seizures, asthma, and severe allergies are to be completed by the student's medical provider on at least an annual basis and as the student's care needs change.

### **8.13. Use of Pesticides**

Should a situation arise where pesticide use is unavoidable, all applicable City of Oakland requirements are observed, signs are posted 24 hours in advance of the pesticide application, and remain in place 72 hours after the pesticide application.

### **8.14. Accommodations for a Lactating Pupil**

Reasonable accommodations are provided to a lactating student on a school campus to allow the

student to express breast milk, breastfeed an infant, or address other needs related to breastfeeding. A lactating student may seek assistance regarding accommodations from the School Nurse.

### **Uniform Complaint Policy**

[Uniform Complaint Policy and Procedures](#) can be found at [aimsk12.org/reports](https://aimsk12.org/reports) all complaints must be submitted using the [Uniform Complaint Form](#).

## **8.15. Suspension, Expulsion, and Involuntary Removal Policy**

All schools within the AIMS family adhere to the following procedures with regard to student suspension, expulsion and involuntary removal. Though the AIMS K12 administration permits a certain level of discretion in determining the appropriate disciplinary actions on a case-by-case basis, all schools operate within certain parameters. Those parameters are outlined in this policy and are aligned with each of the school's charters.

A pupil may be suspended or expelled for acts that are enumerated herein and related to a school activity or school attendance that occur at any time, including, but not limited to, any of the following:

1. While on school grounds.
2. While going to or coming from school.
3. During the lunch period whether on or off the campus.
4. During, or while going to or coming from, a school-sponsored activity.

### **Grounds for Suspension and Expulsion**

Out of school suspension is a disciplinary measure that must be executed when extreme safety concerns or egregious behavior have been displayed.

In the case of fights or other acts of violence, suspension is automatic.

With the exception of extreme concerns (at the determination of the Head of Schools or their designate), generally, suspensions will not be more than two days.

### **In-School Suspension:**

**Suspension** - Out of school suspension is a last resort action. Buddy classroom placement should be utilized. Students should first have detentions and Saturday School prior to most suspensions. Parent shadowing should be used prior to most suspensions. In-house suspension should be used prior to most suspensions. In the case of fights or other acts of violence, suspension is automatic. Actions leading up to expulsion warrant suspension. With the exception of extreme concerns, suspensions shall not be more than two days.

A student identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act of 2004 ("IDEA") or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 ("Section 504") is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to general education students except when federal and state law mandates additional or different procedures. The

Charter School will follow all applicable federal and state laws including but not limited to the California Education Code, when imposing any form of discipline on a student identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such students.

No student shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five schooldays before the effective date of the action. The written notice shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the

student's educational rights holder, and shall inform him or her of the basis for which the pupil is being involuntarily removed and his or her right to request a hearing to challenge the involuntary removal. If a parent, guardian, or educational rights holder requests a hearing, the AIMS K12 shall utilize the same hearing procedures specified below for expulsions, before the effective date of the action to involuntarily remove the student. If the student's parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until AIMS K12 issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include removals for misconduct which may be grounds for suspension or expulsion as enumerated below.

## Suspension/Discretionary Expulsion Conduct

The Head of School or designee may suspend from school or recommend for expulsion a pupil if he or she determines that the pupil has committed one of the following acts:

- A. **Physical Injury or Violence:** Caused, attempted to cause, or threatened to cause physical injury to another person; or willfully used force or violence upon another person, except in self-defense. A pupil who aids or abets in infliction of physical injury to another may be suspended but not expelled.

For the purposes of this section, “terroristic threat” shall include any statement, whether written or oral, by a person who willfully threatens to commit a crime which will result in death, great bodily injury to another person, or property damage in excess of one thousand dollars (\$1,000), with the specific intent that
  - U. the statement is to be taken as a threat, even if there is no intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened, a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that person reasonably to be in sustained fear for his or her own safety or for his or her immediate family’s safety, or for the protection of school district property, or the personal property of the person threatened or his or her immediate family.

I. Parent/Guardian will be notified in all cases of violations.

II. Administration will determine discipline based upon the following criteria:

- a) Seriousness of offense
- b) Circumstances of situation
- c) Student’s prior disciplinary records
- d) Any other extenuating circumstances

## Suspension Procedures

The site leaders are afforded a great deal of discretion in determining appropriate punishments, **unless a mandatory expulsion offense is identified.**

Even if suspension is deemed appropriate, the site administrator may opt for supervised in-school suspension.

If the Head of School or Division Heads or designee determines that suspension is appropriate, a school employee shall make a reasonable effort to contact the pupil’s parent or guardian in person or by telephone. Whenever a pupil is suspended from school, the parent or guardian shall be notified in writing of the suspension.

The Head of School or Division Heads or designee shall report the suspension of the pupil, including the cause therefore, to the Superintendent.

A parent conference will be scheduled to discuss the matter with the Head of Schools or designee. Whenever practical, the teacher or staff member who witnessed the offense will also be present. At this conference, the administration and the parent or guardian will discuss the causes, duration, school policy involved, and any other matters pertinent to the suspension.

Any pupil who is suspended for five days or fewer must complete all assignments and tests missed during the suspension within three school days of their return. Any pupil who is suspended for more than five days will have five school days after their return to complete all assignments and

tests missed during suspension.

**Administration has the authority to lengthen the amount of time a pupil has to make-up his or her work, as appropriate in a given situation. Assignments submitted late will receive no credit.**

## Expulsion Requirements

All 48900 offenses as spelled out in the California Education Code automatically warrant an expulsion hearing. Students may also be expelled for repeated excessive behavioral concerns. AIMS expulsion forms must be used in the process. Legal Timelines must be adhered to without exceptions. All relevant witnesses, teachers and administrators must be present at the hearing. Parents must be informed in writing of the expulsion. (This section also appears in the behavior section.)

Students who commit offenses that result in a recommendation for expulsion or mandatory expulsion, or whose conduct falls under **“Suspension/Discretionary Expulsion”** (excluding disruption or defiance) will be referred to the Head of School or designee. If a teacher observes disruptive or defiant conduct, the teacher will make a determination as to whether or not administrative intervention is required. Otherwise, they may follow the school’s discipline policies to ensure proper student conduct.

To determine whether or not an offense meets the guidelines for suspension or expulsion, the Superintendent and the Head of School or designee will meet with the pupil and school employee who referred the pupil for discipline. At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to respond. If an “emergency situation” exists, the pupil may be excluded from this meeting. “Emergency situation” means a situation determined by the Head of School or designee to constitute a clear and present danger to the life, safety, or health of pupils or school personnel. If a pupil is suspended without a conference before suspension, both the parent and the pupil shall be notified of the pupil’s right to a conference. Unless an offense results in a recommendation for expulsion or mandatory expulsion, as a matter of policy, American Indian Model Schools consider suspension and discretionary expulsion a punishment of last resort. Suspension and discretionary expulsion shall be imposed only when other means of correction fail to bring about proper conduct. Therefore, our schools will first consider the appropriateness of other disciplinary avenues before suspending or expelling a student.

If a pupil has committed a suspension-eligible offense, then the Head has the authority to recommend expulsion. Expulsion will be used as a tool of last resort for students whose conduct is so egregious that it is unlikely to be changed by any other means and whose behavior poses a threat to the safety of a member of the school community or significantly limits the ability of other students to effectively learn.

In addition to any school action, suspected criminal activity will be reported to the police and appropriate legal consequences may result.

For purposes of notification to parents, and for the reporting of expulsion or suspension offenses to the CDE, AIMS K12 Schools will identify, by offense committed, in all appropriate records of a pupil each suspension or expulsion of that pupil.

AIMS K12 will notify the District of Residence within 30 days of all transfers, disciplinary or not.

For all students who are expelled, the school will contact the District of Residence to notify them of the terms of the expulsion.

## Expulsion Hearings and Process

The Head of School recommends expulsion by clearly defining the facts and situation in writing to the AIMS K12 Superintendent.

The AIMS K12 Superintendent decides whether or not to recommend expulsion to the Board.

Within 30 school days of a recommendation for expulsion from the Superintendent, the Board will hold a hearing to determine if it is appropriate to expel the pupil. The pupil may request, in writing, a postponement of no more than 30 calendar days. Any additional postponement may only be granted at the discretion of the Board.

Within 10 school days after the conclusion of the hearing, the Board shall decide whether to expel the pupil.

If compliance by the Board with the time requirements for the conducting of an expulsion hearing under this subdivision is impracticable, the Superintendent may, for good cause, extend the time period for the holding of the expulsion hearing for an additional 5 school days.

Written notice of the hearing shall be forwarded to the pupil at least 10 calendar days prior to the date of the hearing by the Board Secretary and shall include:

- a. The date and place of the hearing.
- b. A statement of the specific facts and charges upon which the proposed expulsion is based.
- c. A copy of the disciplinary rules of the school district that relate to the alleged violation.
- d. A notice of the parent, guardian, or pupil's obligation upon enrollment in another school district to inform the receiving school district of his or her status with the previous school.
- e. Notice of the opportunity for the pupil or the pupil's parent or guardian to appear in person or to be represented by legal counsel or by a non-attorney adviser, to inspect and obtain copies of all documents to be used at the hearing, to confront and question all witnesses who testify at the hearing, to question all other evidence presented, and to present oral and documentary evidence on the pupil's behalf, including witnesses.
- f. The Board shall conduct a hearing to consider the expulsion of a pupil in a session closed to the public, unless the pupil requests, in writing, at least five days before the date of the hearing, that the hearing be conducted at a public meeting. Regardless of whether the expulsion hearing is conducted in a closed or public session, the Board may meet in closed session for the purpose of deliberating and determining whether the pupil should be expelled.

A record of the hearing shall be made. The record may be maintained by any means, including electronic recording, so long as a reasonably accurate and complete written transcription of the proceedings can be made.

Technical rules of evidence shall not apply to the hearing, but relevant evidence may be admitted and given probative effect if it is the kind of evidence upon which reasonable persons are accustomed to rely in the conduct of serious affairs. A decision of the Board to expel must be supported by substantial evidence showing that the pupil committed the act(s) of which he or she is accused.

The final action to expel a pupil shall be taken only by the Board in an open session. Written notice of any decision to expel or to suspend the enforcement of an expulsion order during a period of probation must be sent by the board president or his or her designee to the pupil or the pupil's parent or guardian.

The Board shall maintain a record of each expulsion, including the cause therefore. Records of expulsions shall be a non-privileged, disclosable public record subject to FERPA. The expulsion order and the causes therefore shall be recorded in the pupil's mandatory interim record and shall be forwarded to any school in which the pupil subsequently enrolls upon receipt of a request from the admitting school for the pupil's school records.

## **Suspending an Expulsion Order**

The Board, upon voting to expel a pupil, may suspend the enforcement of the expulsion order for a period of not more than one calendar year and may, as a condition of the suspension of enforcement, assign the pupil to a school, class, or program that is deemed appropriate for the rehabilitation of the pupil. The rehabilitation program to which the pupil is assigned may provide for the involvement of the pupil's parent or guardian in his or her child's education in ways that are specified in the rehabilitation program. A parent or guardian's refusal to participate in the rehabilitation program shall not be considered in the Board's determination as to whether the pupil has satisfactorily completed the rehabilitation program.

During the period of the suspension of the expulsion order, the pupil is deemed to be on probationary status. The Board may revoke the suspension of an expulsion order under this section if the pupil commits any of the acts designated as Suspension/Discretionary Expulsion Conduct or violates any of the school's rules and regulations governing pupil conduct. When the Board revokes the suspension of an expulsion order, a pupil may be expelled under the terms of the original expulsion order. Upon satisfactory completion of the rehabilitation assignment of a pupil, the Board shall reinstate the pupil and may also order the expungement of any or all records of the expulsion proceedings.

## **Readmission to the Charter**

An expulsion order shall remain in effect until the Board orders the readmission of a pupil. At the time an expulsion of a pupil is ordered for an act other than Mandatory Expulsion Conduct, the Board shall set a date, not later than the last day of the semester following the semester in which the expulsion occurred, when the pupil shall be reviewed for readmission. For a pupil who has been expelled for an act of Mandatory Expulsion Conduct, the Board shall set a date of one year from the date the expulsion occurred, when the pupil shall be reviewed for readmission, except that the Board may set an earlier date for readmission on a case-by-case basis.

The Board shall recommend a plan of rehabilitation for the pupil at the time of the expulsion order, which may include, but not be limited to, periodic review as well as assessment at the time of review for readmission. The plan may also include recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service, or other rehabilitative programs.

Any pupil who has been expelled and who seeks readmission, must submit a request to the Board President in writing no more than 21 (but no less than 7) calendar days before the end of the term of the expulsion. In addition, the pupil must provide documentation that all conditions for rehabilitation set by the Board have been met.

Upon completion of the readmission process, the Board shall readmit the pupil, unless the Board makes a finding that the pupil has not met the conditions of the rehabilitation plan or continues to pose a danger to campus safety or to other pupils or employees of the school. A description of the procedure shall be made available to the pupil and the pupil's parent or guardian at the time the expulsion order is entered.

If the Board denies the pupil's request for readmission, the Board shall provide written notice to the expelled pupil and the pupil's parent or guardian describing the reasons for denying the pupil re-admittance into the school.

## Important Message Regarding the AIMS Handbook

The purpose of this handbook is to inform AIMS employees of the official AIMS K-12 College Prep Charter District's policies and prepare them for our AIMS environment of excellence. AIMS K-12 College Prep Charter District reserves the right to adopt changes to its handbook at any given time as needed.

The rules and policies are not suggestions. AIMS has had success with students because our employees adhered to our AIMS Model as embodied in the AIMS Standards.

## About AIMS K-12 College Prep Charter District

AIMS K-12 College prep is celebrating 25 years of successfully educating the children of Oakland.

In 1996 Native American families looking to retain a cultural connection for their children founded AIPCS. AIPCS was Oakland's second public charter school. In 2006, AIPCS became the first public school in Oakland to win recognition as a National Blue Ribbon School. Later that year, AIPCS expanded to include American Indian Public High School (AIPHS), and, in 2012, expanded again to include American Indian Public Charter School II (AIPCS II) as a K-8 campus.

In 2014 AIMS Board hired Superintendent Maya Woods-Cadiz. Under her leadership, AIMS expanded and became a more holistic organization.

During the 2018-19 school year, the AIMS Board in keeping with feedback from our community, changed the name of American Indian Model School to AIMS K-12 College Prep Charter District.

AIPCS II became AIMS Elementary K-8, AIPCS became AIMS Middle School, and AIPHS became AIMS High School.

Since 2015, AIMS Schools have repeatedly received National Honor Roll distinction, recognition as top Bay Area public schools for underserved students, Family In Action 100% A-G graduate rate completion for African-American students, Multiple sports championships, and the California Charter School Association Hart Vision Award, recognizing AIMS K-12 College Prep Charter District as the Northern California Charter school network of the year.

This year all of AIMS schools will be applying for Blue Ribbon Schools distinction. AIMS goal is to have a district that rivals the top American private schools.

<b>Teamwork</b>	The combined action of each group member doing their part selflessly to benefit the whole. Teamwork is being part of a group which has an agreed goal.
<b>Responsibility</b>	Moral, legal, or mental accountability and taking ownership for one's actions. Responsibility is when we own our real part of getting teamwork, family, and planning done.

## Study Hall

Study Hall is an integral component of the AIMS Model, and, when executed properly, is effective in providing quality study time that is essential in preparing our students for academic success. In addition, a properly functioning study hall sets the tone for the school day and models real-life conditions of a college-preparatory environment. Teachers are expected to implement and hold students accountable to AIMS Study Hall Policies.

Procedures on how this will happen will vary by school and grade span.

## Tutoring

1. Tutoring is an essential component to academic improvement and AIMS K-12 College Prep Charter District' success.
2. All students with a grade of C- or below in grades 3-12, and or demonstrating low-fluency in grades K-2, must receive tutoring.

4. Students who have low standardized test scores
5. If a parent requests tutoring for their child or a student requests tutoring, the request will be evaluated, and the student will be placed in tutoring based on need and availability.
6. Students must, whenever possible, attend all scheduled tutoring sessions. The administrator, classroom teacher, and Instructional Aides must be informed in writing if a student is absent or did not attend a scheduled tutoring session on the same day.

## Physical Education

1. The PE teachers will recognize excellent physical performance (i.e., top mile times) with a display at the front of the school.
2. This needs to be updated at least each quarter.

## Perfect Attendance Competition Counts

1. AIMS will use the District standard for tracking perfect attendance, with the exception of the District's standard that students who are absent for the entire day but who come to school to drop off their completed homework and pick up their homework assignments will be considered present.
7. Only students who show up to school on a given day will be considered present.
8. Students who are absent, and whose family members or friends pick up homework assignments, will be considered absent and the class's perfect attendance count will return to zero.
9. The site administrators may make exceptions to this policy on a case-by-case basis as circumstances dictate.

## STUDENT ASSESSMENT

10. All grades, including physical education grades and elective grades count toward the Grade Point Average (GPA).
11. Progress reports are distributed every three weeks. If a student is failing any subject, he or she will receive a progress report. A grade of **C- or lower** is considered to be failing.
12. Comments on report cards and progress reports are essential. Notification of retention should not only be on the report card. Families of students who are at risk of being retained will be informed in writing and in person. Documenting the possible retention in the student's report card shall only be one form of communication. (See Retention and Promotion Policy.)
13. Two copies of the report card will be sent home with the student. One copy is for the family to keep and the other is to be signed and returned to the teacher. A third copy will be kept in the student's classroom file in case the student loses the copies sent home.

## CHILD ABUSE REPORTING POLICY

Child abuse includes: physical abuse, sexual abuse (including both sexual assault and sexual exploitation), extreme emotional abuse, willful cruelty or unjustified punishment, unlawful corporal punishment or injury that is willfully inflicted, resulting in a traumatic condition, and/or neglect (including both acts and omissions). Child neglect is defined as negligent treatment which threatens a child's health or welfare.

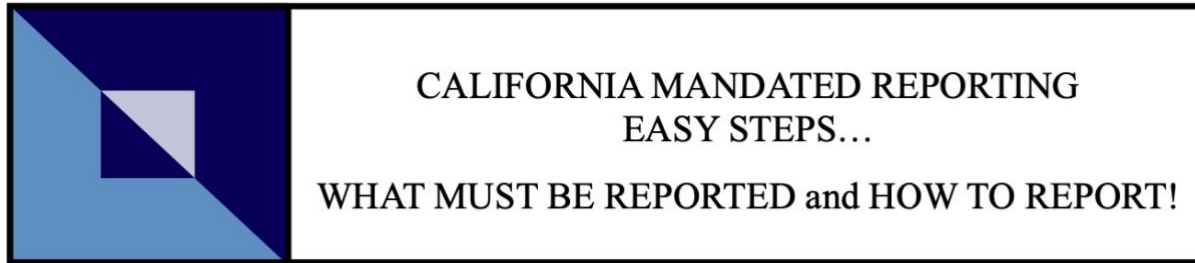

In accordance with Sections 11164-11174.3 of the California Penal Code, all certificated employees, employees of child care centers, instructional aides, teacher's aides, teacher's assistants, and classified employees who have been trained in the duties imposed by this law and are considered to be mandated reporters. Any one of these specified employees who knows or reasonably suspects that a child has been a victim of a child abuse and/or neglect incident must do the following:

- A. Report the incident to a child protective agency (i.e., Department of Children and Family Services), the Police (not School Police), or Sheriff's Department, County Probation Department, or a County Welfare Department immediately by telephone.
- B. Send a written report of the incident to the same agency within 36 hours. Although the Penal Code obligation to report applies to the aforementioned employees only, it is the policy of AIMS that *all* employees shall comply with the law's reporting procedure whenever they have knowledge of or observe a child in the course of their employment whom they know or reasonably suspect to have been the victim of child abuse.

Additionally, teachers and counselors are legally bound required to immediately inform a parent and/or authority and report the following instances to the Head of School, who will contact law enforcement and/or the student's parent/guardian in accordance with the law: (1) when a student indicates he or she is going to physically harm himself or herself or jeopardize his or her life; (2) when a student indicates he or she is going to physically harm another person or jeopardize another person's life or has knowledge that another person's well-being is threatened; (3) when a student indicates he or she is being physically and/or emotionally abused; (4) when a student indicates he or she has committed a felony.

Social media may be accessed through a variety of electronic devices, including computers, cell phones, smart phones, PDAs, tablets, and other similar devices.

This policy is intended to supplement, not replace, the Charter' School's other policies, rules, and standards of conduct. For example, AIMS policies on confidentiality, use of AIMS equipment, professionalism, employee references and background checks, workplace violence, unlawful harassment, and other rules of conduct are not affected by this policy.

You are required to comply with all AIMS policies whenever your social media activities may involve or implicate AIMS in any way, including, but not limited to, the policies contained in this Handbook

## STANDARDS OF CONDUCT FOR SOCIAL MEDIA

You are required to comply with the following rules and guidelines when participating in social media activities that are governed by this policy:

Parents could be held civilly liable to the person that was maligned.

In the event you have any questions about whether a particular social media activity may involve or implicate AIMS, or may violate this policy, please contact your site administrator.

Social media is in a state of constant evolution, and AIMS recognizes that there will likely be events or issues that are not addressed in these guidelines. Thus, each AIMS employee is responsible for using good judgment and seeking guidance, clarification, or authorization before engaging in social media activities that may implicate this policy.

The Superintendent or her designee is the sole spokesperson for AIMS. Any statements made to the media regarding AIMS must be made with the written approval of the Superintendent.

## SECTION III: EMPLOYMENT POLICIES AND PRACTICES

### ANTI-VIOLENCE POLICY

AIMS is committed to providing a workplace that is free from acts of violence or threats of violence. In keeping with this commitment, AIMS has established a strict policy that prohibits any employee from threatening or committing any act of violence in the workplace, while on duty, while on school-related business, or while operating any vehicle or equipment owned or leased by AIMS. This policy applies to all employees.

In order to achieve our goal of providing a workplace that is secure and free from violence, AIMS must enlist the support of all employees. Compliance with this policy and our commitment to a zero-tolerance policy with respect to workplace violence is every employee's responsibility.

Compliance with this anti-violence policy is a condition of employment. Due to the importance of this policy, employees who violate any of its terms, who engage in or contribute to violent behavior, or who threaten others with violence may be subject to disciplinary action, up to and including immediate termination.

Employees are required to report any incident involving a threat of violence or act of violence immediately to their supervisor, Head of Schools, or Superintendent. If these individuals are not available, report the incident to any other supervisor and report the incident to the Superintendent as soon as he or she is available. All reports will be investigated by AIMS and appropriate corrective action will be taken.

If an employee becomes aware of an imminent act of violence, a threat of imminent violence, or actual violence, emergency assistance must be sought immediately. In such situations, the employee should contact the law enforcement authorities by dialing 911. Immediately after contacting the law enforcement authorities, the employee must report the incident to the Superintendent.

Employees should immediately inform their supervisor or the Head of School about any workplace security hazards. If these individuals are not available, the employee should immediately inform any other supervisor so that appropriate action can be taken.

There will be no retaliation against any employee who brings a complaint in good faith under the Workplace Anti-Violence Policy or who honestly assists in investigating such a complaint, even if the investigation produces insufficient evidence that there has been a violation, or if the charges cannot be proven. However, disciplinary action may be taken against employees who, in bad faith, make false or frivolous accusations.

## Concussion/Head Injuries

A concussion is a brain injury that can be caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. Even though most concussions are mild, all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly. Because the Charter School has elected to offer an athletic program, we must immediately remove from a school-sponsored athletic activity for the remainder of the day an athlete who is suspected of sustaining a concussion or head injury during that activity. The athlete may not return to that activity until he or she is evaluated by, and receives written clearance from, a licensed healthcare provider. If the licensed health care provider determines the athlete has a concussion or head injury, the athlete shall also complete a graduated return-to-play protocol of no less than 7 days in duration under the supervision of a licensed health care provider. On a yearly basis, a concussion and head injury information sheet must be signed and returned by the athlete and the athlete's parent or guardian before the athlete initiates practice or competition.

This requirement does not apply to an athlete engaging in an athletic activity during the regular school day or as part of a physical education course.

## Employee Interactions with Students

The School recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the safest and most

learning-conducive environment possible.

## Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

- A. Examples of PERMITTED actions (NOT corporal punishment)
  - 1. Stopping a student from fighting with another student;
  - 2. Preventing an employee from committing an act of vandalism;
  - 3. Defending yourself from physical injury or assault by a student;
  - 4. Forcing an employee to give up a weapon or dangerous object;
  - 5. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;
  - 6. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.
- B. Examples of PROHIBITED actions (corporal punishment)
  - 1. Hitting, shoving, pushing, or physically restraining a student as a means of control;
  - 2. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
  - 3. Paddling, swatting, slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

## Acceptable and Unacceptable Staff/Student Behavior

This policy is intended to guide all School faculty and staff in conducting themselves in a way that reflects the high standards of behavior and professionalism required of school employees and to specify the boundaries between students and staff.

Although this policy gives specific, clear direction, it is each staff member's obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or school leaders. One viable standard that can be quickly applied, when you are unsure if certain conduct is acceptable, is to ask yourself, "Would I be engaged in this conduct if my family or colleagues were standing next to me?"

For the purposes of this policy, the term “boundaries” is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing the boundaries of a student/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member’s perspective, but can be perceived as flirtation or sexual insinuation from a student or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all employees learn this policy thoroughly and apply the lists of acceptable and unacceptable behaviors to their daily activities. Although sincere, competent interaction with students certainly fosters learning, student/staff interactions must have boundaries surrounding potential activities, locations and intentions.

## **Duty to Report Suspected Misconduct**

When any employee reasonably suspects or believes that another staff member may have crossed the boundaries specified in this policy, he or she must immediately report the matter to a school administrator. - Threats, demands, or pressure to submit to sexual requests in order to keep a job or academic standing or to avoid other losses, and offers of benefits in return for sexual favors.

This policy applies to all phases of employment, including, but not limited to, recruiting, testing, hiring, upgrading, promotion, demotion, transfer, layoff, termination, rates of pay, benefits, and selection for training.

If you believe you have been subjected to unlawful harassment or discrimination, please follow the complaint procedure outlined below. Employees must report conduct prohibited by this policy whether or not they are personally involved.

## UNLAWFUL RETALIATION

AIMS prohibits retaliation against any employee because of the employee's opposition to a practice or conduct the employee reasonably believes to be unlawful or because of the employee's lawfully protected participation in an investigation or proceeding. Any retaliatory adverse action because of such opposition or participation may be unlawful and will not be tolerated. All such retaliation is unlawful.

If you believe you have been subjected to unlawful retaliation, please follow the complaint procedure outlined below.

## COMPLAINT PROCEDURE—DISCRIMINATION, HARASSMENT, RETALIATION

Employees must report all incidents believed to be unlawful discrimination, harassment, or retaliation. If you believe you have been subjected to any form of such unlawful conduct, submit a complaint, preferably in writing, to your supervisor or Ombudsperson if the complaint is about your supervisor. Supervisors must report any and all conduct of which they are made aware, which violates, or may violate, policies regarding unlawful discrimination, harassment, or retaliation to the Ombudsperson. Your complaint should be specific and should include the names of the individuals involved and the names of any witnesses.

AIMS encourages all employees to immediately report any incidents of unlawful discrimination, harassment, and/or retaliation so that complaints can be quickly and fairly resolved. If you receive such a complaint from a fellow employee, report it immediately to your supervisor or the Superintendent of AIMS. If these individuals are not available, report it to any other supervisor. All complaints will be handled as confidentially as possible and information will be disclosed only as it is necessary to complete the investigation and resolve the matter.

Upon notice of such a complaint, AIMS will promptly undertake an effective, thorough, and objective investigation and attempt to resolve the situation. If AIMS determines that unlawful conduct or a violation of applicable policies has occurred, effective remedial action will be taken in accordance with the circumstances involved. Any employee

determined by AIMS to be responsible for unlawful discrimination, harassment, and/or retaliation will be subject to appropriate disciplinary action, up to and including termination. Appropriate action will also be taken to deter future conduct.

There will be no retaliation against any employee who brings a complaint in good faith or who honestly assists in investigating such a complaint, even if the investigation produces insufficient evidence that there has been a violation, or if the charges cannot be proven.

## ANTI-VIOLENCE POLICY

AIMS is committed to providing a workplace that is free from acts of violence or threats of violence. In keeping with this commitment, AIMS has established a strict policy that prohibits any employee from threatening or committing any act of violence in the workplace, while on duty, while on school-related business, or while operating any vehicle or equipment owned or leased by AIMS. This policy applies to all employees.

In order to achieve our goal of providing a workplace that is secure and free from violence, AIMS must enlist the support of all employees. Compliance with this policy and our commitment to a zero-tolerance policy with respect to workplace violence is every employee's responsibility.

Compliance with this anti-violence policy is a condition of employment. Due to the importance of this policy, employees who violate any of its terms, who engage in or contribute to violent behavior, or who threaten others with violence may be subject to disciplinary action, up to and including immediate termination.

Employees are required to report any incident involving a threat of violence or act of violence immediately to their supervisor, Head of Schools, or Superintendent. If these individuals are not available, report the incident to any other supervisor and report the incident to the Superintendent as soon as he or she is available. All reports will be investigated by AIMS and appropriate corrective action will be taken.

If an employee becomes aware of an imminent act of violence, a threat of imminent violence, or actual violence, emergency assistance must be sought immediately. In such situations, the employee should contact the law enforcement authorities by dialing 911. Immediately after contacting the law enforcement authorities, the employee must report the incident to the Superintendent.

Employees should immediately inform their supervisor or the Head of School about any workplace security hazards. If these individuals are not available, the employee should immediately inform any other supervisor so that appropriate action can be taken.

There will be no retaliation against any employee who brings a complaint in good faith under the Workplace Anti-Violence Policy or who honestly assists in investigating such a complaint, even if the investigation produces insufficient evidence that there has been a violation, or if the charges cannot

be proven. However, disciplinary action may be taken against employees who, in bad faith, make false or frivolous accusations.

## DRUG AND ALCOHOL ABUSE POLICY

Our employees are our most valuable resource, and their own health and safety are therefore serious concerns. We will not tolerate any drug or alcohol related conduct that imperils the health and well-being of our employees. Further, the use of illegal drugs and abuse of controlled substances is inconsistent with law abiding behavior expected of all citizens. Employees who use illegal drugs or abuse other controlled substances or alcohol tend to be less productive, less reliable, and prone to greater absenteeism resulting in the potential for increased cost and risk.

We believe our employees have the right to work in an alcohol and drug-free environment and to work with persons free from the effects of alcohol and drugs. Employees who abuse alcohol or drugs are a danger to themselves, students, and to other employees. We are therefore committed to maintaining a safe and healthy workplace free from the influence of alcohol and drugs. We hope all employees will join with us in achieving our goal of a safe and productive drug-free workplace.

For purposes of this policy, “illegal drugs” includes, but is not limited to, substances that are prohibited by law (such as cocaine, heroin, etc.), controlled substances, marijuana (including medicinal marijuana), and prescription drugs (if they are not prescribed for the person using them and/or not being used as prescribed). “Drug paraphernalia” means any accessory for the use, possession, manufacture, distribution, dispensation, purchase, or sale of illegal drugs. “Under the influence” means that the employee is affected by alcohol and/or illegal drugs in any detectable manner.

## Prohibited Use

AIMS prohibits the following:

- Use, possession, manufacture, distribution, dispensation, purchase, or sale of alcohol (if unauthorized), illegal drugs, or drug paraphernalia on AIMS premises or AIMS business or during working hours.
- Storing alcohol (if unauthorized), illegal drugs, or drug paraphernalia in a locker, desk, automobile, or other repository on AIMS premises.
- Being under the influence of alcohol (if unauthorized) or illegal drugs on AIMS premises or AIMS business or during working hours.
- Refusing to submit to an inspection when requested by management.
- Failure to keep all prescribed medicine in its original container, which identifies the drug, date of prescription, and the prescribing doctor.
- Smoking and the use of any tobacco products on AIMS property including AIMS-owned, leased, or contracted buildings, and in AIMS vehicles at all times, by all persons, including employees, students, and visitors at any school or AIMS site or attending any school-sponsored events.

Employees are required to notify administration of any criminal drug and alcohol statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction. Within thirty (30) days of receiving the notice, AIMS shall take appropriate administrative or disciplinary action.

In addition, if you are required to take any kind of prescription or nonprescription medication that will affect your job performance, you are required to report this to your supervisor. Your supervisor will determine if it is necessary to temporarily place you on another assignment or take other action as appropriate to protect the safety of you, other employees, and students.

## Searches

AIMS may at times conduct unannounced searches of AIMS property for alcohol, illegal drugs, drug paraphernalia, and/or unauthorized controlled substances or to ensure compliance with this or any other policy. This includes desks, storage areas, and rooms normally used to store employees' personal property. As a result, **employees do not have an expectation of privacy in this regard.**

Additionally, whenever AIMS suspects that an employee has sold, purchased, used, or possessed alcohol, illegal drugs, drug paraphernalia, and/or unauthorized controlled substances on AIMS premises, AIMS may inspect the employee's personal effects (including parcels, purses, bags, and briefcases) or automobile on AIMS property. As a result, employees do not have an expectation of privacy in this regard.

## Violations

Compliance with this policy is a condition of employment at AIMS. Failure or refusal of an employee to cooperate fully, sign any required document, or submit to any inspection will result in discipline, up to and including termination. Furthermore, any violations of this policy may result in disciplinary action, up to and including termination, at AIMS' sole discretion. Employees should be aware that participation in a rehabilitation program will not necessarily prevent the imposition of disciplinary action, including termination, for violation of this policy. Employees who undergo voluntary counseling or treatment and who continue to work, if any, must meet all established standards of conduct and job performance.

Because the use, sale, purchase, possession, or furnishing of an illegally obtained substance is a violation of the law, AIMS may report such illegal drug activities to an appropriate law enforcement agency.

## IMMIGRATION COMPLIANCE

AIMS is committed to full compliance with federal and state immigration laws. These laws require that all individuals pass an employment verification procedure before they are permitted to work. This procedure has been established by law and requires that every individual provide satisfactory

evidence of his or her identity and legal authority to work in the United States no later than three business days after he/she begins work.

Accordingly, all new hires must go through this procedure.

## EMPLOYEE CLASSIFICATIONS

Upon hiring, all employees are classified as exempt or nonexempt, full-time or

part-time, and regular or temporary. All employees are either exempt or nonexempt according to provisions of applicable wage and hour laws. These classifications do not guarantee employment for any specific length of time. Employment is at the mutual consent of the employee and AIMS.

### Exempt Employees

Pursuant to the federal Fair Labor Standards Act and applicable state laws, exempt employees are those who exercise the requisite degree of discretion and independent judgment and perform certain administrative, professional, and/or executive duties, or those who are considered outside/inside sales personnel under the law. Exempt employees are not entitled to overtime pay.

### Non-Exempt Employees

Pursuant to the Fair Labor Standards Act and applicable state laws, non-exempt employees are entitled to overtime pay. Non-exempt employees may have to work hours beyond their normal schedules as work demands require. If this results in working more than 8 hours in one day or 40 hours in one-week, non-exempt employees will receive overtime compensation in accordance with state and federal law. Non-exempt employees are required to take meal and rest periods in the manner described in this Handbook.

### Regular Employees

Regular employees are those who are hired to work on a regular schedule. Regular employees may be classified as full-time or part-time.

### Full-Time Employees

An employee who is regularly scheduled to work and regularly works at least 40 hours per week is considered a regular full-time employee.

## Part-Time Employees

An employee who is regularly scheduled to work and regularly works fewer than 40 hours but more than 30 hours per week is considered a regular part-time employee with benefits. An employee who is regularly scheduled to work and regularly works fewer than 30 hours per week is considered a regular part-time employee WITHOUT benefits. A regular part-time employee WITHOUT benefits is not eligible to earn, accrue, or participate in any AIMS benefits program, except as otherwise required by law, such as Paid Sick Leave.

## Temporary Employees

An employee who is hired for a particular project or job of limited or definite duration (short-term) is considered a temporary employee. A temporary employee is not eligible to earn, accrue, or participate in any AIMS benefits program, except as otherwise required by law.

An employee will not change from one status to any other status or classification simply because of the number of hours that the employee is scheduled to work or the length of time spent as an employee. The status of a temporary employee may change only if the employee is notified of the change in status, in writing, by the Head of School or Superintendent.

## JOB DUTIES

You will receive a job description and your supervisor will explain your job responsibilities and the performance standards expected of you. Be aware that your job responsibilities may change at any time during your employment. From time to time, you may be asked to work on special projects or to assist with other work necessary or important to the operation of AIMS. Your cooperation and assistance in performing such additional work is expected.

AIMS reserves the right, at any time, with or without notice, to transfer, demote, suspend, administer discipline, change job responsibilities, and change the terms and conditions of employment at its sole discretion.

## PAYMENT OF WAGES

Employees are paid semi-monthly (twice per month). If a payday falls on a weekend or holiday, employees will be paid on the preceding workday. Employees are required to report any overpayment of wages to the Office. Any discrepancies or shortages in the calculation of wages should be reported as soon as possible after payday.

## EXPENSE REIMBURSEMENTS

Employees shall be reimbursed for approved out-of-pocket expenditures for materials and supplies. All expenses claimed must be recorded on a reimbursement form and submitted with the original

receipts for pre- approval of the Head of Schools or designee. If permission for the expenditure is not requested and approved before the purchase, reimbursement is not guaranteed.

## OVERTIME

All non-exempt employees are required to obtain approval from their supervisor prior to working overtime. Failure to obtain such approval may subject an employee to discipline, up to and including termination. Overtime compensation will be paid in accordance with all state and federal laws.

For purposes of overtime calculations for non-exempt employees, the School's workweek begins on Monday and ends the following Sunday. The workday begins at midnight and ends the following day at 11:59 p.m. Employees will be informed when they are required to work overtime hours.

## WORKDAY AND WORKWEEK

The work schedule for employees shall be in accordance with the 2021-2022 school year calendar, and each employee's employment agreement, should one exist.

For purposes of calculating overtime, AIMS' standard workweek begins on Sunday at 12:01 a.m. and ends on Saturday at 12:00 a.m. (midnight). The standard workday is 12:01 a.m. to 12:00 a.m. (midnight) each day.

## MEAL AND REST PERIODS

**Meal Periods:** All non-exempt employees must take an uninterrupted meal period of at least 30 minutes each day they work more than 5 hours. You must commence the meal period before you complete your fifth hour of work. Thus, if you begin working at 8:30 a.m., for example, you must take your meal period prior to 1:30 p.m. In addition, you must record the actual times that you stop and start work to take a meal period. All non- exempt employees must take an uninterrupted meal period of at least 30 minutes each day they work more than 10 hours. You must commence the meal period before you complete your tenth hour of work. Meal periods are unpaid.

**Rest Periods:** All non-exempt employees are authorized, permitted, and strongly encouraged to take a 10- minute rest period every 4 hours worked or major fraction thereof. Ordinarily, this amounts to two 10-minute rest periods per 8-hour workday. The first rest period should be taken roughly in the middle of the 4-hour work period prior to lunch, and the second rest period should be taken roughly in the middle of the 4-hour work period following lunch. You do not need to record the times of these rest periods. You will be paid for the time spent on your rest periods.

During your meal periods and rest periods, you may not work at all. You are excused from all duties. In addition, please understand that you may not join together required meal or rest periods in order

to take a longer break. Also, you may not miss a required meal or rest period in order to start work later or leave work earlier.

In the rare event that you believe you cannot take a meal or rest period, or you are unable to take a full meal or rest period pursuant to AIMS policy, you must notify your supervisor in advance whenever possible (and, in any event, as soon as possible) so that the proper measures may be taken.

Failure to comply with the AIMS' policy regarding meal and/or rest periods can lead to discipline, up to and including termination.

## TIMEKEEPING

To ensure compliance with all applicable laws, non-exempt employees must accurately record all hours worked. This means they must clock in and out whenever they begin, cease, or resume working during the course of a workday. While you need not clock out and in during your rest periods, you must clock out and in during your meal periods.

Under no circumstances may one employee clock in or out for another employee.

Exempt employees may also be expected to record their time worked and report absences from work due to personal needs or illness.

Recording inaccurate time on your timesheet or recording time on another employee's timecard is a violation of AIMS policy and may result in discipline, including immediate termination. Employees are strictly prohibited from working "off the clock" or failing to record all time worked. Falsification of any timecard may result in disciplinary action, up to and including termination.

## PERSONNEL FILES AND RECORD KEEPING PROTOCOLS

AIMS and its designees shall maintain a confidential personnel file for each employee. All information in personnel files is strictly confidential, as is all payroll information. Any employee who violates this confidentiality is subject to discipline including discharge. Employees have the right to inspect certain documents in their personnel file, as provided by law, in the presence of a School representative, at a mutually convenient time.

To keep our personnel records accurate and to comply with state and federal laws, you must notify your supervisor immediately of any change(s) in the following personnel information:

- Your name (whether by marriage or otherwise).
- Your home address and telephone number.
- Who to inform in case of an emergency, including names and home and work telephone numbers and addresses.
- Withholding tax information (your marital status and correct number of dependents).
- Completion of education.

- Change of beneficiary on group life insurance.

## PERFORMANCE EVALUATION

At regular intervals, your immediate supervisor will provide you with a written evaluation of your work performance. The purpose of these reviews is to identify strengths, recognize areas for improvement and skill development, encourage growth, and develop strategies within a supportive team. This evaluation typically includes ratings in the following areas: quantity and quality of work, work habits and attitudes, interpersonal skills, dependability, and attendance. For new employees, there will be an interim performance review after the first ninety (90) days of employment, which will include an employee self-evaluation. For returning employees, performance evaluations will be completed annually. Your supervisor will discuss the evaluation with you and a copy of the completed form will be given to you. If you do not receive your evaluation, ask your supervisor about it. The performance evaluation form also offers you an opportunity to indicate if you believe you are working out of class, i.e., whether you are performing duties different from the ones listed in your class description. It is important for you to provide this information so that your position is classified and compensated appropriately.

All employees shall have the right to make their own written comments in response to the observations or review findings. This response will be attached to the observation and/or evaluation and kept in the employee's confidential personnel file.

## HEALTH AND SAFETY POLICY

The safety of students and staff is among the highest of priorities for AIMS. Injuries and illnesses create personal loss to employees, students, and their families, and reduce the AIMS' ability to provide quality education. It is AIMS' position that all accidents are preventable. Each employee is expected to obey safety rules and to exercise caution in work activities. Site administrators have primary responsibility for providing a safe working and learning environment and are accountable for ensuring strict compliance with applicable health and safety requirements. All supervisory employees, from executives to first line supervisors, share responsibility for ensuring the safety of students and staff. Employees should immediately inform their supervisor about any workplace accidents or security hazards. If this individual is not available, the employee should immediately inform any other supervisor so that appropriate action can be taken.

Employees should not transport students unless it relates to a school function and has been approved by AIMS K-12 College Prep Charter District.

When an accident or injury occurs on school property, it should be reported immediately to the Site Administrator. An Incident Report Form (IRF) should be completed as soon as possible. This form is available at the front office.

## INCIDENT/ACCIDENT REPORTING POLICY

Employees are expected to immediately notify the Site Administrator of any work-related incidents or injuries (within 24 hours). When a work-related incident or injury occurs, the following protocol must be followed.

- Step 1:** Employee completes Incident Report Form (IRF) & submit to supervisor
- Step 2:** Supervisor/HOS or designee provides employee with a DWC1 Form, witness with a Witness Report Form & completes a Supervisor Report Form
- Step 3:** Employee completes DWC1 & submits to ombudsperson via email at [ombudsperson@aimsk12.org](mailto:ombudsperson@aimsk12.org)
- Step 4:** Supervisor submits completed Incident/Witness & Supervisor Reports to ombudsperson via email at [ombudsperson@aimsk12.org](mailto:ombudsperson@aimsk12.org)

## FINGERPRINT POLICY

All employees of AIMS are fingerprinted and the prints are transmitted to the California Department of Justice and the Federal Bureau of Investigation for a criminal conviction records check. The employee will bear the cost of DOJ background checks. No employee will be permitted to perform any of the duties of his/her position until this processing has been completed and it is determined that there is no criminal conviction that would prohibit the employee from working with students and staff.

## INFORMATION PROTECTION POLICY

It is the policy of AIMS to protect sensitive and confidential information. Every employee of the school district must ensure the proper protection of information, either in paper or electronic form. Employees are not to take sensitive records home nor leave them lying unprotected in the open, such as on a desk, where they can be accessed.

Employees are not to convert sensitive information into an electronic format and send it unprotected through email or over the internet. Whenever requests for access to information are made, employees should check with the data owner (specified individuals who collect or use the information on behalf of AIMS). It is best to err on the side of protecting information.

All information relating to students including names, addresses, contact numbers, and progress information is confidential information and may not be shared with unauthorized parties. All records concerning employees shall be kept strictly confidential and be maintained in separate files.

Please note: The release of unauthorized confidential information may result in immediate dismissal and the filing of criminal charges. When in doubt, check with the supervisor and Head of School.

## NEW HIRES

Classroom and instructional aides must submit all required paperwork listed below to the hiring manager.

Please review the checklist below and check with the your supervisor if you need any forms:

1. A cover letter, resume, and official transcripts (from all colleges and universities you attended).
2. TB Test Result (must be administered within the last 4 years)
3. A receipt for your Livescan background check for FBI and DOJ. (Note: if we do not get a result within 2 weeks, it is your responsibility to follow-up).
4. W-4 forms and health insurance enrollment forms. It is the employee's responsibility to report any change in filing status to Payroll@aimsk12.org and to fill out a new W-4 form.
5. Proof of registration for any tests you need: CBEST, CSET, Teaching Foundations, etc.
6. Credential Clearance or proof of enrollment in a credentialing program.

AIMS will work with universities to complete the credential program.

Keep the administrator informed of your progress toward completing your credential program.

**AIMS teachers are required to hold a current California Commission on Teacher Credentialing certificate, permit, or other document equivalent to that which a teacher in other public schools would be required to hold.**

## EMPLOYEE DISPUTE RESOLUTION PROCESS

AIMS offers dispute resolution procedures to provide employees who have a complaint concerning conditions of employment with an internal avenue for resolution. The concern or complaint will be heard by the Site Administrator. He or she, or any designee, will be accessible and ready to hear suggestions and complaints. The school cannot act on any problem unless it is aware of it, so complaints must be put in writing as soon as possible. The Site Administrator will provide a written response within five (5) business days. If the response is not satisfactory to the complainant, then the complaint may be submitted in writing to the Board and will be placed on the agenda for the next regular Board meeting. The Complainant may address the Board and make a suggestion for resolution. The Board will issue a written response within five (5) business days. The Board's decision shall be final.

## STAFF DRESS CODE POLICY

AIMS employees are here to serve as role models for our students. We are to set the standard for professionalism and proper dress and should always project a professional image when on campus. The Staff Dress Code applies to all AIMS employees on all campuses with the exception of the P.E. aides and athletic coaches.

2. Jeans are only permitted on Fridays with a professional top (blazer, dress-shirt, blouse).
3. Low-cut blouses, see-through clothing, off the shoulder, halter style, or clothing which reveals the midriff are not permitted.
4. Shoes and sandals without a back strap are not permitted. Flip-flops are not allowed. Athletic garments such as shorts, shoes/sneakers are only permitted for physical education teachers or coaches.
5. Tattoos that are considered offensive, racist, vulgar, show scenes of violence, drug-related, contain strong sexual imagery, gang related or contain obscene phrases may not be visible.

### The following clothing items are not permitted:

1. Jeans (except on Fridays)
2. Carpenter or cargo pants
3. Shorts
4. T-shirts
5. Hooded sweatshirts
6. Tank tops/ halter tops
7. Flip-flops

There may be occasions when an employee may need to wear certain clothing for medical or religious reasons. In this case, the employee must request an exception from the Head of School and may be asked to provide medical documentation that clearly describes the deviation from this dress code policy.

If you have any questions, please ask your supervisor.

## SECTION IV: LEAVES AND VACATION VACATION/PERSONAL LEAVE

Vacation time is granted to employees as defined in the current year school calendar (holidays and school breaks) and in each employee's employment agreement, if one exists.

In addition to the paid school holidays listed on the school calendar, classified employees (not Teachers) will accrue paid personal/vacation time per month beginning immediately upon hire, as defined in their employment agreement. There is a cap on personal/vacation day accrual. Once the classified employee's personal/vacation time reaches the maximum stated in his or her employment agreement, further accrual is suspended until the employee has reduced the balance below this limit. In such a case, no personal/vacation time will be earned for the period in which the classified employee's personal/vacation time was at the maximum. Accrued but unused personal/vacation will carry over from year to year, subject to this maximum accrual. Accrued but unused personal/vacation time will be paid out upon termination. Classified employees may use personal/vacation time beginning on the 30th day of employment.

Personal/vacation time may be taken in minimum increments of two hours. Employee must provide his/her supervisor with reasonable advance notification, in writing, of the need to use personal/vacation days, if foreseeable. Requests for personal/vacation time may be denied based on the needs of the Charter School, or if adequate notice is not provided by the Employee.

### PAID SICK LEAVE (PSL)

In satisfaction of the California Healthy Workplaces, Healthy Families Act, employees will be allotted PSL beginning immediately upon the effective date of employment as specifically provided in each employee's employment agreement. For employees with no employment agreement, PSL will be granted according to law.

PSL days are not accrued on an as-worked basis but rather are allotted to eligible employees on the first day of work each contract year for use in the current year. Employees may use PSL beginning on the 30th day after the effective date of employment. Employees may use their accrued PSL to take paid time off for the diagnosis, care, or treatment of an existing health condition of (or preventative care for) the employee or the employee's family member. Employee may also use PSL to take time off from work for reasons related to domestic violence, stalking, or sexual assault. For purposes of this policy, "family member" means a child, parent, spouse, registered domestic partner, grandparent, grandchild, or sibling of the employee. "Child" means a biological child, a foster child, an adopted child, a step-child, a child of a registered domestic partner, a legal ward, or a child of a person standing in loco parentis. "Parent" means a biological, foster, or adoptive parent, a step-parent, or a legal guardian of the employee or the employee's spouse or registered domestic partner. "Spouse" means a legal spouse, as defined by California law.

Up to 72 hours of accrued PSL may be carried over from year to year. Accrued but unused PSL in excess of 72 hours may not be carried over from year to year and will not be paid out upon termination.

PSL may be taken in minimum increments of two hours. Employee must provide reasonable advance notification, orally or in writing, of the need to use PSL, if foreseeable. If the need to use PSL is not foreseeable, Employee must provide notice as soon as practicable.

## **FAMILY AND MEDICAL LEAVE**

Eligible employees may request a family and medical leave of absence under the circumstances described below. Eligible employees are those who have been employed by the AIMS for at least 12 months (not necessarily consecutive), have worked at least 1250 hours during the 12 months immediately prior to the family and medical leave of absence, and are employed at a worksite where there are 50 or more employees of the AIMS within 75 miles.

Ordinarily, you must request a planned family and medical leave at least 30 days before the leave begins. If the need for the leave is not foreseeable, you must request the leave as soon as practicable. You should use the AIMS' request form, which is available upon. Failure to comply with this requirement may result in a delay of the start of the leave.

A family and medical leave may be taken for the following reasons:

1. The birth of an employee's child or the placement of a child with the employee for foster care or adoption, so long as the leave is completed within 12 months of the birth or placement of the child;
2. The care of the employee's spouse, child, parent, or registered domestic partner with a "serious health condition";
3. The "serious health condition" of the employee;
4. The care of the employee's spouse, child, parent, or next of kin who is a member of the Armed Forces, including a member of the National Guard or Reserves, and who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or
5. Any qualifying exigency as defined by the applicable regulations arising out of the fact that the employee's spouse, child, or parent is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation.

A "serious health condition" is one that requires inpatient care in a hospital or other medical care facility or continuing treatment or supervision by a health care provider. You may take a leave under paragraph (2) above only if due to a serious health condition, your spouse, child, parent, or registered domestic partner requires your care or assistance as certified in writing by the family member's health care provider. If you are seeking a leave under paragraph (3) above, you must provide the AIMS with a medical certification from your healthcare provider establishing eligibility for the leave, and you must provide the AIMS with a release to return to work from the health care provider before returning to work. You must provide the required medical certification to the AIMS in a timely manner to avoid a delay or denial of leave. You may obtain the appropriate forms from your supervisor.

Family and medical leave may be taken for up to 12 work-weeks during the designated 12-month period (with the exception of qualifying leaves to care for a member of the Armed Services who has a serious illness or injury, which may be taken for up to a total of 26 workweeks of leave during a single 12-month period). The 12-month period will be defined as a “rolling twelve months” looking backward over the preceding 12 months to calculate how much family and medical leave time has been taken and therefore determine the amount of leave that is available. All time off that qualifies as family and medical leave will be counted against your state and federal family and medical leave entitlements to the fullest extent permitted by law.

You will be required to use any vacation/personal leave during unpaid family and medical leave. You will also be required to use any accrued paid sick leave during unpaid family and medical leave that is due to your own or a family member’s serious health condition. However, if an employee is receiving benefit payments pursuant to a disability insurance plan (such as California’s State Disability Insurance plan or Paid Family Leave program) or workers’ compensation insurance plan, the employee and AIMS may mutually agree to supplement such benefit payments with available vacation and/or paid sick leave.

During a family and medical leave, group health benefits will be maintained as if you were continuously employed. However, you must continue to pay your share of applicable premiums (for yourself and any dependents) during the leave.

If you do not return to work on the first workday following the expiration of an approved family and medical leave, you will be deemed to have resigned from your employment. Upon returning from such a leave, you will normally be reinstated to your original or an equivalent position and will receive pay and benefits equivalent to those you received prior to the leave, as required by law. In certain circumstances, “key” employees may not be

eligible for reinstatement following a family and medical leave. AIMS will provide written notice to any “key” employee who is not eligible for reinstatement.

If you have any questions concerning, or would like to submit a request for a family and medical leave of absence, please contact [Ombudsperson@aimsk12.org](mailto:Ombudsperson@aimsk12.org).

## COVID-19 LEAVES AND OTHER INFORMATION

Families First Coronavirus Response Act Leave (“FFCRA”). Eligible employees are entitled to request FFCRA leave in accordance with the law. FFCRA shall only be applicable until December 31, 2022, unless otherwise extended by law. Qualifying FFCRA absences include:

1. Employee is subject to a Federal, State, or local quarantine or isolation order related to COVID-19 and is unable to work virtually;
2. Employee has been advised by a health care provider to self-quarantine related to COVID-19 and is unable to work virtually;

3. Employee is experiencing COVID-19 symptoms and is seeking a medical diagnosis and is unable to work virtually;
4. Employee is caring for an individual subject to an order described in (1) or self-quarantine as described in (2) and is unable to work virtually;
5. Employee is caring for a child whose school or place of care is closed (or child care provider is unavailable) for reasons related to COVID-19 and is unable to work virtually; or
6. Employee is experiencing any other substantially-similar condition specified by the Secretary of Health and Human Services, in consultation with the Secretaries of Labor and Treasury and is unable to work virtually.

Contact [Ombudsperson@aimsk12.org](mailto:Ombudsperson@aimsk12.org) if you wish to request FFCRA leave.

## LACTATION ACCOMMODATIONS

In consideration to working mothers who may be lactating, the School will provide a reasonable amount of break time to accommodate an employee desiring to express breast milk. If possible, such break time should be taken during the rest or meal breaks already provided to the employee. For non-exempt employees, any additional breaks taken to express milk may be unpaid. The School provides space to express milk in private. If you are in need of such an accommodation, please contact your supervisor as soon as possible so that any necessary arrangements can be made. Discrimination of any kind against an employee who chooses to express breast milk in the workplace is prohibited.

## PREGNANCY DISABILITY LEAVE

AIMS provides pregnancy disability leaves of absence without pay to eligible employees who are temporarily unable to work due to a disability related to pregnancy, childbirth, or related medical conditions. Employees should make requests for pregnancy disability leave to their supervisor at least 30 days in advance of foreseeable events and as soon as possible for unforeseeable events. A health care provider's statement must be submitted, verifying the need for such leave and its beginning and expected ending dates. Any changes in this information should be promptly reported to the AIMS. Employees returning from pregnancy disability leave must submit a health care provider's verification of their fitness to return to work.

AIMS will make a good faith effort to provide reasonable accommodations and/or transfer requests when such a request is medically advisable based on the certification of a health care provider. When an employee's health care provider finds it is medically advisable for an employee to take intermittent leave or leave on a reduced work schedule and such leave is foreseeable based on planned medical treatment because of pregnancy, AIMS may require the employee to transfer temporarily to an available alternative position. This alternative position will have equivalent rate of pay and benefits and must better accommodate recurring periods of leave than the employee's regular job.

Eligible employees are normally granted unpaid leave for the period of disability, up to a maximum of four months (or 17 1/3 weeks or 693 hours) per pregnancy. Employees will be required to use any

accrued paid sick time during any unpaid portion of pregnancy disability leave. Employees may also elect to use any accrued vacation time during any unpaid portion of pregnancy disability leave. If an employee is receiving benefit payments pursuant to a disability insurance plan (such as California's State Disability Insurance plan or Paid Family Leave program), the employee and AIMS may mutually agree to supplement such benefit payments with available vacation and/or paid sick leave.

Benefit accrual, such as vacation, paid sick leave, and holiday benefits, will be suspended during the approved pregnancy disability leave period and will resume upon return to active employment. Group health benefits will be maintained during the approved pregnancy disability leave as if you were continuously employed. However, you must continue to pay your share of applicable premiums (for yourself and any dependents) during the leave. So that an employee's return to work can be properly scheduled, an employee on pregnancy disability leave is requested to provide the AIMS with at least one week's advance notice of the date she intends to return to work.

When an approved pregnancy disability leave ends, the employee will be reinstated to the same position, unless the job ceased to exist because of legitimate business reasons. An employee has no greater right to reinstatement to the same position or to other benefits and conditions of employment than if she had been continuously employed in this position during the pregnancy disability leave or transfer. If the same position is not available, the employee will be offered a comparable position in terms of such issues as pay, location, job content, and promotional opportunities, if one exists. An employee has no greater right to reinstatement to a comparable position or to other benefits or conditions of employment than an employee who has been continuously employed in another position that is being eliminated.

If you have any questions regarding pregnancy disability leave, please contact the [Ombudsperson@aimsk12.org](mailto:Ombudsperson@aimsk12.org).

## UNPAID LEAVE OF ABSENCE (MEDICAL)

In an effort to comply with its duty to accommodate employees with qualifying disabilities, AIMS will provide leaves of absence without pay when an employee is temporarily unable to work due to a mental or physical disability, certified in writing by his or her health care provider, unless such leave would cause an undue hardship to AIMS. Approved absences of less than two weeks are not treated as medical leaves of absences but rather as excused absences without pay. Employees granted unpaid medical leave have no right to guaranteed reinstatement.

Benefit accrual, such as vacation, paid sick leave, and holiday benefits, will be suspended during an unpaid medical leave period and will resume upon return to active employment. Unless otherwise required by law, AIMS does not continue to pay premiums for health insurance coverage for employees on unpaid medical leave.

However, if eligible, you may self-pay the premiums under the provisions of COBRA.

## DISCRETIONARY UNPAID LEAVE OF ABSENCE (NON-MEDICAL)

AIMS may grant a discretionary leave of absence to employees in certain unusual circumstances. It is important to request any leave in writing as far in advance as possible, to keep in touch with your supervisor during your leave, and to give prompt notice if there is any change in your return date. If your leave expires and you have not contacted your supervisor or AIMS, AIMS will assume that you do not plan to return and that you have voluntarily terminated your employment. Employees do not continue to accrue vacation, paid sick leave, or holiday benefits while they are on unpaid discretionary leaves of absence. Unless otherwise required by law, AIMS does not continue to pay premiums for health insurance coverage for employees on discretionary unpaid leaves of absence. However, if eligible, you may self-pay the premiums under the provisions of COBRA.

## MILITARY LEAVE

All employees who leave AIMS for active military service or military reserve duty will be placed on an unpaid military leave of absence. Employees are entitled to reinstatement upon completion of such military service or duty, provided an application for reinstatement is made within 90 days of discharge, or as otherwise provided by law.

You may use accrued vacation time during military leave. Time spent on military leave counts for purposes of determining “length of service.” However, you will not accrue vacation or paid sick leave or receive holiday pay during military leave.

## JURY DUTY/WITNESS DUTY

All employees who receive a notice of jury/witness duty must notify their supervisor as soon as possible so that arrangements may be made to cover the absence. In addition, employees must provide a copy of the official jury/witness duty notice to their manager. Employees must report for work whenever the court schedule permits. Either AIMS or the employee may request an excuse from jury/witness duty if, in AIMS’ judgment, the employee’s absence would create serious operational difficulties.

Non-exempt employees who are called for jury/witness duty will be provided time off without pay. Exempt employees will receive their regular salary unless they do not work any hours during the course of a workweek. Employees may elect to use any accrued vacation during jury/witness duty leave.

In the event that the employee must serve as a witness within the course and scope of his or her employment with AIMS, AIMS will provide time off with pay.

## TIME OFF FOR VOTING

AIMS encourages its employees to fulfill their civic responsibilities by participating in elections. Because polls are open from 7:00 a.m. until 8:00 p.m., employees generally are able to find time to vote either before or after their regular work schedule. If employees are unable to vote in an election during their non-working hours and have not requested an absentee ballot, then AIMS will grant up to two hours of paid time off to vote.

Employees must request time off to vote from their supervisor at least two working days prior to the election day. Advance notice is required so that the necessary time off can be scheduled at the beginning or end of the work shift, whichever provides the least disruption to the normal work schedule.

Employees must submit a voter's receipt on the first working day following the election to qualify for paid time off.

## EMERGENCY DUTY/TRAINING LEAVE

In California, no employee shall receive discipline for taking time off to perform emergency duty/training as a volunteer firefighter, reserve peace officer, or emergency rescue personnel. If you are participating in this kind of emergency duty/training, please alert your supervisor so that he or she may be aware of the fact that you may have to take unpaid time off for emergency duty/training. In the event that you need to take time off for emergency duty/training, please alert your supervisor before doing so whenever possible. Time off for emergency training may not exceed 14 days per calendar year.

Emergency Duty/Training Leave is unpaid. You may choose to use your accrued vacation if you wish to receive compensation for this time off, but you are not required to do so.

If you feel you have been treated unfairly as a result of taking or requesting Emergency Duty/Training Leave, you should contact your supervisor or any other manager, as appropriate.

## SUSPENDED employee/CHILD LEAVE

California law requires employers to provide time off for parents required to visit a child's school when the child has served a period of suspension from school. To be eligible for time off to attend a child's school, the employee must be the parent of a child in kindergarten or in grades 1-12 and must present the school's letter, which requests the employee's appearance at the school, to his or her supervisor at least two days before the requested time off. Employees may use accrued vacation while attending a child's school under these circumstances. If not, suspended employee/child leave will be unpaid.

## LEAVE FOR CRIME VICTIMS AND THEIR FAMILY MEMBERS

If you are the victim-or an immediate family member (i.e., spouse, registered domestic partner, child, step-child, sibling, step-sibling, parent, stepparent, or the child of a registered domestic partner) of the victim-of a violent felony, serious felony (as defined by the California Penal Code), or felonies related to theft or embezzlement, you are permitted to be absent from work to attend judicial proceedings related to the crime.

You must provide your supervisor with written notification for each scheduled proceeding, unless advance notice is not possible. This time off is unpaid. You may choose to use your accrued vacation, but this is not required.

## MILITARY SPOUSE LEAVE

Qualified employees are eligible for up to 10 days of unpaid leave when their spouse or registered domestic partner is on leave from military deployment. A qualified employee is one who regularly works more than 20 hours per week and whose spouse or registered domestic partner is a member of the Armed Forces, National Guard, or Reserves and is on leave from deployment during a period of military conflict.

If you are eligible for such leave, please submit a written request for leave to your supervisor within two business days of receiving official notice that your spouse or registered domestic partner will be on leave from deployment. You will also be required to provide written documentation certifying that your spouse or registered domestic partner will be on leave from deployment.

Non-exempt employees must use accrued vacation time in order to receive compensation for this time off. If no vacation time is available, the employee may take this time off without pay. An exempt employee is required to charge any absence of four or more hours under this policy to his or her vacation bank, if any. Otherwise, exempt employees will be compensated to the extent required by applicable law.

## SCHOOL AND DAYCARE LEAVE

If you are the parent or guardian of a child who is in school up to grade 12, or who attends a licensed day care facility, you may take up to 40 hours of unpaid leave per year to participate in the activities of the school or daycare facility. You may take no more than eight hours off for this purpose in any one calendar month. You should schedule this time off with your supervisor in advance. You may be asked to provide documentation from the school or daycare facility that you participated in the activity on the specific date and at the specific time that you took the leave. This time off is unpaid. You may choose to use your accrued vacation, but this is not required.

## LEAVE FOR DOMESTIC VIOLENCE, SEXUAL ASSAULT, AND STALKING VICTIMS

If you are a victim of domestic violence, sexual assault, or stalking, you may take unpaid time off to help ensure the health, safety, or welfare of you and/or that of your child.

Specifically, you may take such leave for the following reasons:

1. To obtain a temporary or permanent restraining order or other court assistance;
2. To seek medical attention for injuries caused by domestic violence, sexual assault, or stalking;
3. To obtain services from a shelter, program, or rape crisis center as a result of domestic violence, sexual assault, or stalking;
4. To obtain psychological counseling related to an experience of domestic violence, sexual assault, or stalking; or
5. To participate in safety planning and take other actions to increase safety from future domestic violence, sexual assault, or stalking, including temporary or permanent relocation.

If you need to take time off for any of the above reasons, you should notify your supervisor in advance, if possible. If your absence is unscheduled, you may be asked to provide documentation, such as a police report, court order, or other evidence that you appeared in court, or documentation from a counselor or domestic violence advocate. Although this leave is unpaid, you may use your accrued vacation or paid sick leave, as appropriate, if you wish to receive compensation for this time off.

You may also take unpaid time off to recover from domestic violence, sexual assault, or stalking pursuant to AIMS' family and medical leave policy.

AIMS does not tolerate any acts of discrimination, harassment, or retaliation against employees who are victims of domestic violence, sexual assault, or stalking. If you believe you have been the victim of any such act, please contact your supervisor. If the complaint is about your supervisor, please contact [Ombudsperson@aimsk12.org](mailto:Ombudsperson@aimsk12.org).

AIMS will maintain the confidentiality of requests for time off due to domestic violence, sexual assault, or stalking to the extent possible and as allowed by law. Request can be made to [Ombudsperson@aimsk12.org](mailto:Ombudsperson@aimsk12.org).

## ADULT LITERACY LEAVE

Pursuant to California law, AIMS will reasonably accommodate any eligible employee who seeks to enroll in an adult literacy education program, provided that the accommodation does not impose an undue hardship on AIMS. AIMS does not provide paid time off for participation in an adult literacy education. However, you may utilize accrued vacation if you want compensation for this time off. If you do not have accrued vacation available, you will be permitted to take the time off without pay.

## ALCOHOL AND DRUG REHABILITATION LEAVE

Pursuant to California law, AIMS will reasonably accommodate any eligible employee who wishes to voluntarily enter and participate in an alcohol or drug rehabilitation program, provided that the accommodation does not impose an undue hardship on AIMS. AIMS does not provide paid time off for participation in an alcohol or drug rehabilitation program. However, you may utilize accrued vacation if you want compensation for this time off. If you do not have accrued vacation available, you will be permitted to take the time off without pay.

This policy in no way restricts AIMS' right to discipline an employee, up to and including termination of employment, for violation of AIMS' Drug and Alcohol Abuse Policy.

## BEREAVEMENT LEAVE

Employees will be granted bereavement leave in order to attend funeral services of an immediate family member (one day if the service is in California and not more than three days if the service is outside California).

Members of the immediate family, as used in this section, means the mother, father, grandmother, grandfather, or a grandchild of the employee or of the spouse of the employee, and the spouse, son, son-in-law, daughter, daughter-in-law, brother, or sister of the employee, or any relative living in the immediate household of the employee.

## CIVIL AIR PATROL LEAVE

Pursuant to California law, AIMS will provide unpaid leave to employees who are volunteer members of the California Wing of the Civil Air Patrol and who have been duly directed and authorized to respond to an emergency operational mission of the California Wing of the Civil Air Patrol. Employees must be employed for at least 90 days immediately preceding the commencement of leave in order to be eligible.

Employees are required to give AIMS as much notice as possible of the intended dates upon which the leave would begin and end. AIMS will restore the employee to the position he or she held when the leave began or to a position with equivalent seniority status, employee benefits, pay, and other terms and conditions of employment, unless the employee is not restored because of conditions unrelated to the exercise of the leave rights by the employee. The time off is unpaid. However, an employee may utilize accrued vacation.

## LEAVE FOR BONE MARROW AND ORGAN DONORS

Pursuant to California law, AIMS will provide up to five business days of paid leave within a one-year period to an employee who donates bone marrow to another person; the AIMS will also provide up to 30 business days of paid leave within a one-year period to an employee who donates an organ to another person. The AIMS requires that bone marrow donors use up to five days of available accrued sick or vacation time during the course of the leave. Organ donors must use up to ten days of available accrued paid sick leave or vacation time during the course of the leave.

To qualify for this leave, an employee must have been employed for at least 90 days prior to the commencement of the leave and must provide the AIMS with written verification of his or her status as an organ or bone marrow donor and the medical necessity for the donation. During such leave, the AIMS will continue coverage under its group medical insurance plan, if applicable. However, employees must continue to pay their portion of the applicable premiums. Employees should give the AIMS as much notice as possible of the intended dates upon which the leave would begin and end.

## SECTION V: BENEFITS & RETIREMENT

All Employees working the appropriate hours are eligible for emotional counseling, medical, vision, and dental benefits. Please contact [Ombudsperson@aimsk12.org](mailto:Ombudsperson@aimsk12.org).

### HEALTH BENEFITS

AIM Schools will provide access to health, life insurance, dental, and vision benefits for full-time employees. The employee benefits cost will be deducted from their payroll if applicable.

The health insurance anniversary date is set by the insurance carrier; please contact the office for the enrollment and anniversary dates. Current employees will only be able to receive benefits on this anniversary date if they do not have them already. For employees who decide not to receive health benefits, the next time the employee will be able to apply for health benefits will be on the anniversary date.

Spouses, domestic partners or dependents of the employee may be eligible to enroll in the health insurance plan pursuant to the specific terms and conditions of the plan, which ultimately govern all aspects of the employee's eligibility for and participation in the plan.

## Cash in Lieu of Medical Coverage

An employee who is eligible for H & W Benefits through AIMS, but is otherwise provided basic group medical coverage, may opt to have AIMS pay [insert amount here] annually, cash in lieu. Such payment shall be in lieu of medical coverage paid by AIMS and shall be initiated only following the employee's certification of alternative coverage.

## Coverage Begins

New employees must enroll in medical, dental and vision plans within thirty (30) days of the first date of employment. Insurance coverage will begin on the first day of the month following the receipt of the health benefits application. AIMS will provide new employees with an explanation of these plans in sufficient time to enable meeting the 30-day enrollment deadline.

## Duration of Benefits

Employees who work a complete school year and are in paid status on June 30 shall be provided health benefits through June 30.

## Cobra

Should an employee's employment be terminated (voluntarily/involuntarily), the employee's benefits shall continue through the last day of the month. The employee shall then be entitled to continued coverage under the medical, dental & vision plans in accordance with federal law.

## Leaves of Absence (Effects on Benefits)

Dental & vision benefits continue as part of the compensation for the employee on a paid or unpaid leave of absence. Employees on an authorized paid or unpaid leave of absence may continue their medical coverage through an option of self-paying for their benefits premium.

Benefits will automatically continue for the month in which the leave begins. An employee wishing not to continue with benefits during their leave must notify the AIMS Business Office immediately. An employee returning from an unpaid leave of absence and would like to re-enroll in benefits must contact the AIMS Business Office upon their return to request re-enrollment in benefits.

## STATE DISABILITY INSURANCE

AIMS contributes to the State of California to provide you with State Disability Insurance (“SDI”) pursuant to the California Unemployment Insurance Code. Contributions are made through a payroll deduction. SDI is payable when you cannot work because of illness or injury not caused by employment with AIMS or when you are entitled to temporary workers’ compensation at a rate less than the daily disability benefit amount.

## PAID FAMILY LEAVE

Under California law, eligible employees may participate in the Paid Family Leave (“PFL”) program, which is part of the state’s unemployment compensation disability insurance program. The PFL program provides up to six weeks of partial wage replacement benefits to employees who take time off to care for a seriously ill child, spouse, parent, registered domestic partner, siblings, grandparents, grandchildren, or parents-in-law or to bond with a new child. The PFL program does not provide job protection or reinstatement rights.

AIMS will require you to take up to two weeks of accrued but unused vacation prior to your receipt of benefits under the PFL program.

The program will be administered in a manner consistent with California law. For more information regarding this program, you may contact the California Employment Development Department.

## UNEMPLOYMENT COMPENSATION

AIMS contributes a significant amount of money each year to the California Unemployment Insurance Fund on behalf of its employees. Under certain circumstances, you may be eligible for unemployment insurance benefits.

## WORKERS' COMPENSATION INSURANCE AND LEAVE

At no cost to you, you are protected by the AIMS workers' compensation insurance policy while employed by AIMS. This policy covers you in case of occupational injury or illness.

The workers' compensation benefits provided to injured employees may include:

1. medical care,
2. cash benefits tax free to replace lost wages,
3. vocational rehabilitation to help qualified injured employees return to suitable employment.

To ensure that the employee receives all workers' compensation benefits to which he or she may be entitled, you will need to:

1. immediately report any work-related injury to the Site Administrator (see [AIMS Incident Reporting Protocol](#)),
2. seek medical treatment and follow-up care if required,
3. complete a written Employee's Claim form and return it to the Site Administrator, and
4. provide the school with medical certification from your health care provider regarding the need for workers' compensation disability leave and your ability to return to work from the leave.

Under most circumstances, upon submission of a medical certification that an employee is able to return to work from workers' compensation leave; the employee will be reinstated to his or her same position held at the time the leave began or to an equivalent position if available. An employee returning from a workers' compensation leave has no greater right to reinstatement than if the employee had been continuously employed rather than on leave. If the employee's same position is not available upon the employee's return to work, an employee's returning to work will depend on job openings existing at the time of his or her scheduled return.

Any person who makes or causes to be made any knowingly false or fraudulent material statement or material misrepresentation for the purpose of obtaining or denying workers' compensation benefits or payments is guilty of a felony. The law requires that AIM Schools notify its workers' compensation carrier of any concerns of false or fraudulent claims.

## **SOCIAL SECURITY, 403(b) AND CALIFORNIA PUBLIC EMPLOYEES RETIREMENT SYSTEM**

Social Security is an important part of every credentialed employee's retirement benefit. Certificated employees are required to pay into Social Security. AIMS pays a matching contribution to each employee's Social Security taxes. (Employees who have participated in STRS elsewhere do not lose credits previously earned, but will not earn added service credit while at AIMS.) AIMS makes a matching contribution to certificated employee's 403(b) contribution up to 3% of the employee's annual base salary. In addition, non-credentialed employees are enrolled in CalPERS in lieu of social security. AIMS makes matching the PERS mandated annual contribution to each contribution contributions to each eligible employee's account with PERS.
