2022-2023 1st Interim Executive Summary

AIMS K-12 College Prep, formerly known as, American Indian Model Schools, is a Charter District comprised of 3 schools. The AIMS K-12 College Prep Charter District was formed in 2006 with the expansion of schools, adding AIMS College Prep High School and American Indian Public Charter II, (K-8). The Charter is located in the city of Oakland in Alameda County.

AIMS K-12 College Prep 2022-2023 projects enrollment of 1340 students in 3 schools; One K-8, One Middle School (6-8) and One High School. AIMS K-12 currently employs 1 part-time and 127 full-time staff to serve our students.

Governance

The Charters are governed by a volunteer Board of Directors. There are five members of the board, each volunteering their term. The school board meets once a month on the third Tuesday of each month. The Board of Directors are supported by a several other committees such as the Governance, Finance, Facility and LCAP Advisory Committees' that also meet monthly. Charter operations are led by Superintendent Maya Woods-Cadiz.

Enrollment

In accordance to the Charter Agreement with Oakland Unified School District, AIMS K12 has nearly reached its full enrollment capacity. AIMS College Prep Middle School is capped at 250 students, American Indian Public Charter II (AIPCS II) 675, and AIMS College Prep High School at 450. The report below reflects enrollment numbers, the Average Daily Attendance (ADA) number and the Average Daily Attendance (ADA) percentages used in projecting the budgets.

These numbers have had an impact on the LCFF General Fund allocations however other State and Federal supports have been fundamental in maintaining AIMS K 12 standards. For the 2022-2023 1st Interim overall enrollment decreased by 4% this represents a loss of 62 students. The Average Daily Attendance for the Middle and High School have remained consistent with the Adoption Budget projections. During the first weeks of school, there were COVID outbreaks on the 12th street campus impacting the Average Daily Attendance at AIPCS II.

Revenues

AIMS K12 is primarily funded by State and Federal revenues. AIMS receives 89% of its revenue from State resources, 9% from Federal Resources and 2% of revenues are based on grants and/or local revenues. Below is a list of funding programs in which AIMS K-12 has received.

EXPIRED PROGRAMS

COVID RESPONSE FUNDING:

SSO Grant:

On September 17, 2020 AIMS K12 was approved to participate in the SSO Food program and will continue through the 2021-2022 fiscal year. This program was designed to ensure that students and families were provided with meals during the pandemic. The State funded program, reimburses full cost of meals AIMS K12 distributes to its students and surrounding community. The program differs from the NSLP program as it does not require the same level of record maintenance for reimbursement as this program tracks the meals distributed not the child it is distributed to. The language also allows AIMS to provide meals for any community member under the age of 18. The program allows for full reimbursement of cost.

ESSER I: ESSER funding was initially outlined in the 2020-21 Governor's budget. The funds were provided to California through the Federal Coronavirus Aid Relief and Economic Security Act (CARES) and allocated in the Governor's ESSER budget for schools. ESSER funds are available for expensing until 9/30/2022. These funds are meant to assist schools in preparing for distance or hybrid learning. AIMS approved the application for the ESSER funds during the August 18, 2020 Board Meeting. The total State budget is 1.65B of which AIMS K12 received \$304,843 in 2020-2021. These funds will be completely expended in the 2021-2022 school year.

ESSER II: California Department of Education has released the new allocations for the second round of ESSER funds in which AIMS K12 has received an additional \$1,260,266. The funds are available for use beginning 2020-2021 through the 2021-2022 school year. AIMS began to expense in the 2020-2021 fiscal year and the remaining funds are allocated in the current fiscal year. These funds will be fully expended by June 30, 2022.

CONTINUED PROGRAMS

accelerate progress to close learning gaps. The In-Person Instruction grant is allowable for use in the 2021-22 and will be fully expended by year end.

ESSER III: California Department of Education has released the new allocations for the third round of ESSER funds in which AIMS K12 has received an additional \$2,856,649. The funds are available for use beginning 2021-2022 through the 2023-2024 school year. AIMS has allocated these funds for the duration of the program, allocating 20% in 2021-22 and the remaining balance split between the 22-23 and the 23-24 fiscal years.

EXTENDED LEARNING OPPORTUNITY GRANT (ELO)

The Extended Learning Opportunity Grant provides funding charter schools to assist with implementing a recovery program, that at a minimum provides supplemental instruction and emotional well-being. ELO Grants shall be expended only for any of the following purposes: extending instructional learning time, accelerating progress to close learning gaps, integrated pupil supports, community learning hubs, supports for credit deficient pupils, additional academic services, and training for school staff. An additional requirement of the use of funds, is to allocate 10% of the LCFF portion of the grant to hire/rehire paraprofessionals to provide supplemental education. AIMS K-12 ELO Grant Plans were presented and approved by the Board of Trustees in May 2021 and submitted to the State and OUSD prior to the June 1, 2021 deadline. The ELO grant is allowable for use in the 2021-22 and will be fully expended by year end. These funds change distribution methods to federal reimbursement in 2021-2022, revenue is still available for reimbursement.

EDUCATOR EFFECTIVENESS BLOCK GRANT

Educator Effectiveness funds may be used to support the professional learning for certificated teachers, administrators, paraprofessional educators, and certificated staff. Coaching and mentoring of staff. Programs that lead to effective, standards-aligned instruction and improve instruction in literacy across all subject areas, including English language arts, history-social science, science, technology, engineering, mathematics, and computer science. Practices and strategies that reengage pupils and lead to accelerated learning. Strategies to implement social-emotional learning, trauma-informed practices, suicide prevention, access to mental health services, and other approaches that improve pupil well-being. Practices to create a positive school climate. Strategies to improve inclusive practices. Instruction and education to support implementing effective language acquisition programs for English learners. Funding was received in 2021-2022.

EXPANDED LEARNING OPPORTUNITY PROGRAM (ELOP)

The intent of the Expanded Learning Opportunities (ELO) Program is to supplement and not supplant services provided under existing ASES and 21st CCLC Elementary/Middle School programs. However, there is shared understanding that LEAs will need to build capacity this first

operational year. In addition, ASES, 21st CCLC Elementary/Middle School, and the ELO Program should be considered a single, comprehensive program.

In coordinating all these funding streams to move towards a single program, the expectation is that the most stringent requirements will be adopted for program guidance.

The funding was provided during the 2021-2022 fiscal year, the midyear allocation disbursement has eased the plan requirements for the mandates of funding. The Board Approved plan for the use of funding is not due to the state until June 2022. Funding was received in 2021-2022.

PRE-K GRANT (Planning Year)

The California Pre-kindergarten Planning and Implementation Grant Program was established as a state initiative with the goal of expanding access to classroom-based prekindergarten program at LEAs and planning for the increased number of teachers needed to fully implement Universal Prekindergarten. American Indian Public Charter II (AIPCS II) was the only school within AIMS K-12 District to qualify for the funding. Funding was received in 2021-2022.

VENDOR GUIDE WITH REQUIRED TERMS AND CONDITIONS

Introduction

The purpose of this guide is to explain how a vendor may contract with the AIMS K-12 College Prep and its affiliated schools: AIMS Middle College Prep; American Indian Public Charter II and AIMS K-12 High.

Purchasing Policy

The District contracts with vendors for the purchase of goods via purchase orders which must be properly numbered, authorized and signed by the District's Facility/Purchasing Department. This is the only document by which the District contracts with vendors for the purchase of goods. The Facility/Purchasing Department is the only entity authorized to sign and issue purchase orders. The purchase order is the District's contract with the vendor. Therefore, any change to the purchase order must be in writing and authorized by the Superintendent.

PLEASE NOTE: ALL PURCHASE ORDERS MUST BE ACCOMPANIED BY AN EXECUTED COPY OF THE TERMS AND CONDITIONS ATTACHED HERETO AS EXHIBIT 1.

Vendor Contacts

The District urges vendors to deal directly with the District Leadership on all purchasing related matters, including sales calls, sales presentations, promotions, catalog distributions, returns, exchanges and substitutions. Vendors may not make sales calls directly at school sites. The District must adhere to bidding and competitive selection procedures. Vendors must first contact the Director of Health and School support and the Superintendent of Schools direction prior to making any sales presentations.

Basis for Award

The District seeks to develop maximum competition for all purchases and to award contracts based on the lowest cost to the District by a responsible vendor presenting the most advantageous proposal to the District.

Formal bidding procedures are required for the purchase of materials and/or services exceeding amounts specified by law. Bid limits are subject to change on a yearly basis.

Informal quotes, bids or proposals for goods and/or services may be requested and received in writing by mail, e-mail and facsimile. Informal bids apply to purchases below the formal bid limits required by law.

Gifts and Gratuities

The District maintains a strict policy prohibiting the acceptance by its employees of gifts and/or gratuities from any vendor or potential vendor. However, this policy does not preclude employees from accepting promotional or advertising items such as calendars, desk pads, notebooks and other office supplies which are offered free to all as part of a public relations program.
