The future of HR tech

- **100 % of AIMS employees have interacted with PAYCOM.**

While most of AIMS employees were on Spring Break, the AIMS Business Operations Department was working hard to ensure that the roll over to PAYCOM went well, and all employees pay warrants were correct. Their sacrifice meant that AIMS employees received their correct pay on the correct day. I want to recognize them for a job well done.

Highlight of The Month: Spring Employee Satisfaction Survey

Spring 2023 Staff Satisfaction Survey

Every single person in this organization works tirelessly to meet our mission of preparing students for success in college, career, and life and sharing our model with thousands across the country. We value each of you greatly and want to work in partnership with you to make sure AIMS has an inclusive, positive workplace culture and is the best place to work. Please take 15 minutes to complete this survey so that your voice is represented.

Results from this survey will move from Intention to Action on the areas of growth you shared with us related to Diversity, Equity, and Inclusion; Decision-Making; Transparency; Feedback & Performance Review; Knowledge Sharing; Onboarding & New Teacher Support; Career Growth Opportunities; and Sustainability.

Please share your candid feedback again so that we can continue to make AIMS the best place the work and continue on our path from Intention to Action

All AIMS Employees have received access to our Spring Satisfaction Survey. This is AIMS second time doing this survey. Information received will inform planning for the 2023-2024 school year. The board will receive a report of results in the May board meeting.

Highlight of The Month: Masking Mandate Survey

Mask Mandate Survey, 口罩令問卷調查, Encuesta de mandato de máscara, ዳህሳስ ፅማም ማስከ, مسح تفويض القناع

Dear AIMS (Family, Staff, Students),

This survey is being sent to gauge your feeling about the removal of the mask mandate. The safety of students is our main concern and we do not want to make a change without consulting our community.

親愛的 AIMS (家庭、員工、學生) ,
請透過此問卷表達您對取消口罩令的意見。學生的安全是我們最關心的問題，我們不想在未諮詢家長/教職員的情況下作出改變。

Estimado AIMS (familia, personal, estudiantes),

Esta encuesta se envía para evaluar su opinión sobre la eliminación del mandato de máscara. La seguridad de los estudiantes es nuestra principal preocupación y no queremos hacer un cambio sin consultar a nuestra comunidad.

ዝኸበርኩም AIMS (ስፎራቤት፣ ሰራሕተኞታት፣ ተምሃሮ)፣

، (الأسرة ، الموظفين ، الطلاب) عزيزي

يتم إرسال هذا الاستطلاع لقياس شعورك حيال إزالة تفويض القناع. سلامة الطلاب هي شغلنا الرئيسي ولا نريد إجراء تغيير دون استشارة مجتمعنا.

- This month students, parent/guardians, and employees received a survey regarding what we should do regarding masking in the 2023-2024 school year.

Nutrition Services

What is the National School Lunch Program, Universal Meal Program?

A federally funded program that assists schools and other agencies in providing nutritious lunches to children at reasonable prices. In addition to financial assistance, the program provides donated commodity foods to help reduce lunch program costs. The United States Department of Agriculture (USDA) is responsible for overseeing the program nationally. In California, the program is administered by the California Department of Education (CDE), Nutrition Services Division. AIMS offers school breakfast, lunch and snack for all three schools. Currently due to COVID-19 AIMS offers free meals for all students due to the National Universal Meal program which the state of California implemented as of SY 2022-23.

What are the benefits of participating in the program?

For children, the National School Lunch Program provides a nutritious meal that contains one-third of the recommended dietary allowance of necessary nutrients. For parents, the program offers a convenient method of providing a nutritionally balanced lunch at the lowest possible price. For schools, the program enhances children's learning abilities by contributing to their physical and mental well being. Studies have shown that children whose nutritional needs are met have fewer attendance and discipline problems and are more attentive in class.

What type of breakfast, lunch and snack must be offered? <https://aimsk12.org/ms-nutrition>

What are the benefits of participating?

The National School Lunch Program (NSLP) provides a nutritious meal that contains one-third of the recommended dietary allowance of necessary nutrients. For parents, the program offers a convenient method of providing a nutritionally balanced lunch at the lowest possible price. For schools, the program enhances children's learning abilities by contributing to their physical and mental well being. Studies have shown that children whose nutritional needs are met have fewer attendance and discipline problems and are more attentive in class.

How do we get paid?

The National School Lunch Program (NSLP) is operated on a reimbursement basis, with LEA (AIMS) paid on the number of meals served. AIMS submit a monthly reimbursement claim through the Child Nutrition Information Payment System (CNIPS). After the CDE Department reviews and approves the claim, it is processed by the State Controller's Office and a check is issued. AIMS typically receive reimbursement within four to six weeks after submitting the reimbursement claim.

Survey Results

- 67% of our families were aware that California is the first state to implement a statewide Universal Meals Program in public and charter schools for all school children.

- 94% knew that AIMS provides two meals free of charge (breakfast and lunch) during each school day to students requesting a meal, regardless of their free or reduced-price meal eligibility.

Survey Results

- 86% of students participate in our Nutritional Service Program.

- 86% did know we have a variety of menu entrees to accommodate students' preferences.

- The top suggestions from families and students to improve the Nutritional Service Program:
 - A) Better quality meals.
 - B) Add more variety of snacks and lunches.
 - C) Add a microwave for students to heat their lunches.
- 75% completed the AIMS Survey

Purpose of Survey: At the beginning of the 2022-2023 school year, AIMS proudly announced that free breakfast, lunch and snacks are now available to all students. We encouraged all families to participate in a survey. The survey aims to give families an opportunity to provide feedback on our Nutritional Service Program. The feedback that we receive allows us to provide an optimal Nutritional Service Program for our students.

CBK UPDATE - NEW Coordinator, Jose Kabeer

1. I grew up in upstate New York in the beautiful town of Saratoga Springs. With a passion for service and a love for the environment, I create many painted murals through the capital area in which I connected youth volunteers and college students together to create community art pieces. I attended school at a Private Environmental Liberal Arts school in Vermont Called Green Mountain College. I am a first-generation college attendee and graduate, like many of AIMS students will be. I majored in Psychology and for extracurricular activities I enjoyed working on our Organic farm and singing in the Welsh Choir. Still to this day, I enjoy the outdoors and growing my own food.

2.I have had many years working with youth. I am an Americorps member graduate. I served at the Boys And Girls Club of America. I helped to establish a community service program for the children and teens of the club. In 2014-2015 I worked in Riverside County under the WIOA grant. Assisting Foster Youth and High School students in obtaining jobs, applying for college and universities and acquiring life skills. In 2016 I started my career in Education starting out as a teacher aid at LAUSD and working my way up to becoming a teacher. I have taught in over 20 schools as a substitute teacher and as a teacher on record at Wilder's Preparatory Academy in Inglewood, CA voted the number one school in LA for African American student, for Green Dot schools and at AIMS.

3.In this role I plan on continuing the legacy of AIMS. I plan on continuing to ensure that 100% of our students meet graduations requirements and get acceptance into a 4 year college or university. In addition to continuing the legacy of AIMS success I plan to bring some new energy to the position by bringing the students on new college tours and inviting professionals into the schools to speak to our students about career opportunities. I am working to create a simplified and easy to understand roadmap for students and families of all languages to understand the requirements for graduation and the admission process for colleges.

4.What I enjoy about the new position is the opportunity to connect our great school, AIMS with the community and world through relationships and interactions with our students. Meeting with different university liaisons and connecting our students with their schools. I enjoy forming bonds with the families and students and working with them to become successful in their college exploration. Working as the College Bound Coordinator is a very rewarding position where success is measured in the number of students I help succeed. This is a fulfilling mission and purpose for me.

## AR 102a: Complaint Procedure

Any complaint by any community member, employee, or job applicant alleging discrimination or harassment shall be addressed in accordance with the following procedures:

**1. Notice and Receipt of Complaint:** Any community member, employee, or job applicant (the "complainant") who believes he/she has been subjected to prohibited discrimination or harassment shall promptly inform their supervisor or the Ombudsperson.

The complainant may file a written complaint in accordance with this procedure, or if they are an employee, may first attempt to resolve the situation informally with their supervisor.

A supervisor or manager who has received information about an incident of discrimination or harassment, or has observed such an incident, shall report it to the Ombudsperson, whether or not the complainant files a written complaint.

The written complaint should contain the complainant's name, the name of the individual who allegedly committed the act, a description of the incident, the date and location where the incident occurred, any witnesses who may have relevant information, other evidence of the discrimination or harassment, and any other pertinent information which may assist in investigating and resolving the complaint.

(Nondiscrimination in Employment)

(Sexual Harassment)

**2. Investigation Process:** The Ombudsman shall initiate an impartial investigation of an allegation of discrimination or harassment within five school days of receiving notice of the behavior, regardless of whether a written complaint has been filed or whether the written complaint is complete.

The Ombudsman shall meet with the complainant to describe the district's complaint procedure and discuss the actions being sought by the complainant in response to the allegation. The Ombudsman shall inform the complainant that the allegations will be kept confidential to the extent possible, but that some information may be revealed as necessary to conduct an effective investigation.

(District Records)

(Personnel Files)

If the Ombudsman determines that a detailed fact-finding investigation is necessary, they shall begin the investigation immediately. As part of this investigation, the Ombudsman should interview the complainant, the person accused, and other persons who could be expected to have relevant information. When necessary to carry out his/her investigation or to protect employee or student safety, the Ombudsman may discuss the complaint with the Superintendent or designee, district legal counsel, the district's risk manager, or the board.

The Ombudsman also shall determine whether interim measures, such as scheduling changes, transfers, or leaves, need to be taken before the investigation is completed to ensure that further incidents do not occur. The Coordinator shall ensure that such interim measures do not constitute retaliation.

**3. Written Report on Findings and Corrective Action:** No more than 60 days after receiving the complaint, the Ombudsman shall conclude the investigation and prepare a written report of the findings. This timeline may be extended for good cause. If an extension is needed, the Ombudsman shall notify the complainant and explain the reasons for the extension.

The report shall include the decision and the reasons for the decision and shall summarize the steps taken during the investigation. If a determination has been made that discrimination or harassment occurred, the report also shall include any corrective action(s) that have been or will be taken to address the behavior, correct the effect on the complainant, and ensure that retaliation or further discrimination or harassment does not occur.

The report shall be presented to the complainant, the person accused, and the board, Superintendent or designee.

**4. Appeal to the Board of Trustees:** The complainant or the person accused may appeal any findings to the Board within 10 working days of receiving the written report of the Ombudsman's findings. The Ombudsperson shall provide the Board with all information presented during the investigation. Upon receiving an appeal, the Board shall schedule a hearing as soon as practicable. Any complaint against a district employee shall be addressed in closed session in accordance with law. The Board shall render its decision within 10 working days.

(Closed Session Purposes and Agendas)

#### Other Remedies

In addition to filing a discrimination or harassment complaint with the district, a person may also file a complaint with either the California Department of Fair Employment and Housing (DFEH) or the Equal Employment Opportunity Commission (EEOC). The time limits for filing such complaints are as follows:

1. To file a valid complaint with DFEH, within one year of the alleged discriminatory act(s), unless an exception exists pursuant to Government Code [12960](#) (Government Code [12960](#))

## **Social Media Account Policy for Student Clubs & Associations**

As AIMS student clubs and associations develop their online presence, AIMS has established the following policy regarding the appropriate use of social media accounts. For the purposes of this policy, social media accounts will refer to any and all websites, Facebook, Instagram, TikTok, Snapchat, YouTube, Twitter, and any other social sharing or public platform.

Students are required to comply with the following rules and guidelines as governed by this policy as well as any local, state, or federal laws and regulations.

- Official AIMS student club and association social media accounts must be created and managed by a general AIMS email account. For example, the HS SGA social media account is created & managed by [hs.sga@student.aimsk12.org](mailto:hs.sga@student.aimsk12.org). The account cannot be opened or operated under a personal AIMS or non-AIMS email account. The email and social media account must be accessible by the Head of School, site administrators, and club advisor.
- All content must be approved by the club advisor or the Head of School before the date of posting. Students must get a signed media release form from any and all people who will appear in that content and submit it to the club advisor or Head of School prior to the date of posting. Students may use the email and make posts to the associated social media accounts only after receiving approval.
- ~~Official AIMS social media accounts cannot be used as personal accounts to follow or friend unrelated accounts.~~ AIMS student club social media accounts may only follow official accounts that are appropriate for the school's reputation. For example, you may follow government agencies, universities/colleges, other schools, sports teams, sports players, news anchors, non-profit organizations, etc.
- Do not accept random followers that are not associated with the school or an appropriate official account. Do not engage with other personal accounts, for example, like/share posts, make personal comments on posts, or direct message others about personal matters.
- Students under the age of 13 must not be managing social media accounts; This age limit has been dictated by US law through the Children's Online Privacy Protection Act (COPPA).

- Elementary and Middle School clubs' social media accounts are to be managed by the club advisors only while students are encouraged to create the content. High School students may be involved in managing theirs.
- All social media posts must follow the law, AIMS Standards, AIMS guidelines, and basic common sense as they are representing the organization and regulated by law.

### Community Standards

- Do not engage in discriminatory, retaliatory, or harassing behavior in violation of AIMS policy.
- Do not post any content that can be viewed as bullying, malicious, obscene, threatening, disparaging, or intimidating as noted in the AIMS guidelines.
- Respect copyright rules and regulations. Provide citations and/ or links for all sourced materials in all your postings.
- Make sure all material is fair, accurate, and honest and if you make a mistake, correct it quickly. Do not post ideas you cannot back up with facts or that you heard second-hand or through rumor.
- The only spokesperson for AIMS is the Superintendent. When posting it is best to use your personal opinion and to use a disclaimer on your site such as "the postings on this site are my own and do not necessarily reflect the views of AIMS."

In the event you have further questions about how a club or association's social media account may involve or implicate AIMS or violate the confines of this policy, please contact your site administrator.

Social Media and online content are evolving rapidly, there may be events or issues that are not addressed in this policy. Each AIMS employee and student is responsible for using common sense, getting approval, and seeking clarification before content is released.

---

You are representing an AIMS Student Club or Association and you are required to comply with all AIMS policies whenever your social media activities may involve or implicate AIMS.

Violations could lead to disciplinary actions. If you have any questions about the nature of your content, ask your club advisor or the Head of School BEFORE posting.

I have read the guideline and understand all the policies stated above.

### Reasonable Accommodation

#### Definitions

Disability, with respect to an individual, is defined as any of the following: (Government Code 12926; 29 CFR 1630.2)

1. A physical or mental impairment that limits one or more of the major life activities.
2. A record of such an impairment.
3. Being regarded as having such an impairment.

Limits shall be determined without regard to mitigating measures such as medications, assistive devices, prosthetics or reasonable accommodations, unless the mitigating measure itself limits a major life activity. (Government Code 12926)

Essential functions are the fundamental job duties of the position the individual with a disability holds or desires. The term does not include the marginal functions of the position. (29 CFR 1630.2)

(cf. 4119.3/4219.3/4319.3 - Duties of Personnel)

Reasonable accommodations that an employer may need to provide in connection with modifications to the work environment or adjustments in how and when a job is performed that enable an individual with a disability to enjoy equal employment opportunities include, but are not limited to: (29 CFR 1630.2)

1. Making existing facilities accessible and usable.
2. Restructuring the job duties.
3. Offering part-time or modified work schedules.
4. Acquiring or modifying equipment or devices.
5. Changing tests, training materials or policies.

6. Providing qualified readers or interpreters.
7. Reassigning the employee to a vacant position.

Qualified individual with a disability means an individual with a disability who satisfies the requisite skill, experience, education and other job-related requirements of the employment position and who, with or without reasonable accommodation, can perform the essential functions of such position. (29 CFR 1630.2)

Undue hardship is a determination based on an individualized assessment of current circumstances that shows that a specific reasonable accommodation would cause significant difficulty or expense. A determination of undue hardship should be based on several factors, including: (29 CFR 1630.2)

1. The nature and net cost of the accommodation needed, taking into consideration the availability of tax credits and deductions and/or outside funding.
2. The overall financial resources of the facility making the reasonable accommodation, the number of persons employed at this facility, the effect on expenses and resources of the facility, or the impact on the operations of the facility.
3. The overall financial resources, size, number of employees, and the number, type and location of facilities of the district.
4. The type of operation of the district, including the structure and functions of the workforce, the geographic separateness, and the administrative or fiscal relationship of the facility involved in making the accommodation.
5. The impact of the accommodation on the operation of the facility, including the impact on the ability of other employees to perform their duties and the impact on the facility's ability to conduct business.

#### Requests for Reasonable Accommodation

The district designates the position specified in BP 4030 - Nondiscrimination in Employment as the Ombudsperson of its efforts to comply with the Americans with Disabilities Act (ADA) and to investigate any and all related complaints.

(cf. 4030 - Nondiscrimination in Employment)

(cf. 4031 - Complaints Concerning Discrimination in Employment)

When requesting reasonable accommodation, the employee or employee's representative shall inform the employee's supervisor that he/she needs a change at work for a reason related to a medical condition.

When requesting reasonable accommodation during the hiring process, a job applicant shall inform the Ombudsperson that he/she will need a reasonable accommodation for the process.

Employees' requests for reasonable accommodation may first be considered informally by the site administrator. The site administrator shall consult with the Ombudsperson before any decision as to accommodation is made.

When the disability and/or the need for accommodation are not obvious, the Ombudsperson may ask the employee to supply reasonable documentation about his/her disability. In requesting this documentation, the Ombudsperson shall specify the types of information that are being sought about the employee's condition, the employee's functional limitations and the need for reasonable accommodation. The employee may be asked to sign a limited release allowing the district to submit a list of specific questions to the health care or vocational professional.

If the documentation submitted by the employee does not specify the existence of a qualifying disability and explain the need for reasonable accommodation, the district may require the employee to submit to an examination by a health care professional selected and paid for by the district.

Upon receiving a request to reasonably accommodate a qualified employee with a disability, the Ombudsperson shall:

1. Determine the essential functions of the job.
2. Engage in an informal, interactive process with the employee to review the request for accommodation, identify the precise limitations resulting from the disability, identify potential means for providing accommodation, and assess their effectiveness.
3. Develop a plan for reasonable accommodation which is effective and allows the employee to perform the essential functions of the job or to gain equal access to a benefit or privilege of employment and does not impose undue hardship on the district.

To qualify for a job, an individual shall not pose a significant risk of substantial harm to himself/herself or others in the workplace which cannot be eliminated or reduced by reasonable accommodation. (29 CFR 1630.2)

The determination of whether an individual poses a significant risk of substantial harm to himself/herself or others shall be made on a case-by-case basis and shall be based on objective, factual evidence, taking into consideration the duration of the risks, the nature and

severity of the potential harm, the likelihood that the potential harm will occur and the imminence of potential harm. (29 CFR 1630.2)

The Ombudsperson may confer with the site administrator, the district medical advisor and/or other district staff before making a final decision as to the accommodation.

#### Reasonable Accommodation Committee

The Ombudsperson may appoint a Reasonable Accommodation Committee to review or assist in the development of appropriate plans to reasonably accommodate an employee or qualified job applicant who has requested an adjustment in work duties or environment because of known physical or mental disabilities. The membership of this committee may change on a case-by-case basis. The committee may include:

1. A district administrator
2. A site administrator
3. A medical advisor or rehabilitation specialist
4. A certificated employee
5. A classified employee

Committee members shall be selected on the basis of their knowledge of the relevant issues, including:

1. The specific functions and duties required in the position.
2. The physical work environment.
3. Available accommodations.

At the Ombudsperson's discretion, the employee or applicant requesting accommodation may participate in or be excluded from committee meetings. If the employee or applicant is excluded from committee meetings, the Ombudsperson shall communicate with him/her so that he/she has the opportunity to interact and contribute to planning the reasonable accommodation.

The Ombudsperson shall take steps to ensure the confidentiality of information related to medical conditions.

#### Appeal Process

If the employee or applicant is not satisfied with the decision of the Ombudsperson, he/she may appeal in writing to the Superintendent or designee. This appeal shall be made within 10 working days of receiving the decision and shall include:

1. A clear, concise statement of the reasons for the appeal.
2. A statement of the specific remedy sought.

The Superintendent or designee shall consult with the Ombudsperson and review the appeal, together with any available supporting documents. The Superintendent or designee shall give the employee or applicant his/her decision within 15 working days of receiving the appeal.

Any further appeal for reasonable accommodation shall be considered a complaint concerning discrimination in employment and may be taken to the Governing Board in accordance with the district's procedure for such complaints.

## Whistleblower Protection Policy

The Governing Board seeks to foster a culture of integrity and a climate of trust between the District, the public, and those who work with and for the District, and to inspire greater confidence in the integrity of District operations and decision-making.

Therefore, it is the expectation the Governing Board that individuals disclose improper governmental activities and to submit written complaints that allege acts or attempted acts of interference, reprisal, retaliation, threats, coercion or intimidation against individuals who disclose improper governmental activities.

The Superintendent or designee shall prioritize the investigation and correction of any and all abuses resulting from improper governmental activities, and to protect those who come forward to report improper governmental activities.

To assure the reporting of any activity that threatens the efficient administration of AIMS, complaints that allege improper governmental activities shall be kept confidential to the highest extent possible that allows for thorough investigation and compliance with all legally required disclosures.

If there is any conflict between the provisions of this policy, including definitions, or those used in the Education Code, including but not limited to Section 44110 et seq., the statutory provisions shall control.

### I. TITLE

This policy is adopted pursuant to Education Code Section 44110 et seq., and shall be known as the "AIMS Whistleblower Protection Policy."

### II. PURPOSE

It is the policy of AIMS to encourage individuals to disclose improper governmental activities and to submit written complaints that allege acts or attempted acts of interference, reprisal, retaliation, threats, coercion or intimidation against individuals who disclose improper governmental activities.

The Superintendent or designee shall endeavor to correct any and all abuses resulting from improper governmental activities, and to protect those who come forward to report improper governmental activities.

To assure the reporting of any activity that threatens the efficient administration of AIMS, complaints that allege improper governmental activities shall be kept confidential to the highest

extent possible that allows for thorough investigation and compliance with all legally required disclosures.

If there is any conflict between the provisions of this policy, including definitions, or those used in California Education Code Section 44110 et seq., the statutory provisions shall control.

### III. DEFINITIONS

To assist in the understanding of this policy, the following terms shall be defined as follows:

A. "Any person" includes officials; classified, certificated, unrepresented, and confidential employees, and applicants for AIMS employment; as well as a contractor or individual employed by a contractor.

B. "Board" means the AIMS Board of Education.

C. "Complaint" means the written complaint submitted under penalty of perjury alleging actual or attempted acts of reprisal, retaliation, threats, coercion, intimidation, interference, or similar improper acts directed at the complainant because of the complainant's protected disclosure.

D. "Disciplinary action" means any tangible adverse employment action, including, without limitation, the termination of an employee.

E. "Improper governmental activity" is defined as any activity by an AIMS department, or by an employee, official, or contractor that is undertaken in the performance of the employee, official, or contractor's duties, whether or not such action is within the scope of the employee, official, or contractor's duties, and which:

1. violates any State or Federal law or regulation, including, but not limited to, corruption, malfeasance, bribery, theft of AIMS property, fraudulent claims, fraud, coercion, conversion, malicious prosecution, discrimination, misuse of AIMS property and facilities, or willful omission to perform duty, or
2. violates any AIMS policy, procedure, rule or regulation established by the Board, or
3. is a substantial and specific danger to public health or safety, or
4. represents, intentionally and inaccurately, information related to the financial health of the District and that (i) is relied on by the Governing Board, the Superintendent, or other District or site administrators, (ii) does so with conscious and voluntary disregard of the need to use reasonable care, and (ii) is likely to cause foreseeable harm to the District including but not limited to financial harm or reputational harm.

F. "Official Agent" means the Ombudsperson, a school site administrator, a member of the Board, the Superintendent, or a licensed attorney within the Office of the General Counsel.

G. "Protected disclosure" means a good faith written communication that alleges or demonstrates an intention to disclose information that may evidence either of the following:

1. An improper governmental activity.
2. Any condition that may significantly threaten the health or safety of employees or the public if the disclosure or intention to disclose was made for the purpose of remedying that condition. A disclosure made in connection with an employee, official, or contractor's assigned normal duties is not protected.

H. "Superintendent" is defined as the Superintendent for AIMS

I. "Use of official authority or influence" includes promising to confer, or conferring, any benefit; effecting, or threatening to effect, or taking, or directing others to take, or recommending, processing, or approving, any personnel action, including, but not limited to, appointment, promotion, transfer, performance, evaluation, suspension, or other disciplinary action.

#### IV. REPORTING IMPROPER GOVERNMENTAL ACTIVITIES AND MAKING PROTECTED DISCLOSURES

##### A. Reporting Improper Governmental Activities

Any person may make a protected disclosure pursuant to this policy.

##### B. Where and How to Make a Protected Disclosure

1. Officials, classified, certificated, unrepresented, and confidential employees, and contractors must make a protected disclosure with the Ombudsperson.

2. Applicants for AIMS employment must make a protected disclosure directly to the Ombudsperson

#### V. PROTECTION

A. Reprisal, Retaliation, Threats, Coercion, Intimidation or Interference with the Right to Report Information of Improper Governmental Activities Prohibited.

No AIMS official or employee may directly or indirectly use or attempt to use the official authority or influence of his or her position or office to interfere with the right of a person to make a protected disclosure. No AIMS official or employee may intentionally engage in acts of reprisal,

retaliation, threats, coercion or similar acts against a person as a result of his or her providing, or attempting to provide, such information or refusing to obey an illegal order.

## B. Filing a Written Complaint of Retaliation

1. When a protected disclosure has been made under the procedures set forth in this policy and the complainant becomes the subject of acts of actual or attempted reprisal, retaliation, interference, intimidation, coercion or threats, a complaint may be filed with the Ombudsperson. Any complaint filed with the Ombudsperson must be filed within six (6) months of the alleged act or threat of interference or retaliation.

The complainant may also file a copy of the complaint with local law enforcement in accordance with Education Code section 44114. Such a complaint filed with local law enforcement shall be filed within twelve (12) months of the most recent act that is the subject of the complaint. Filing a complaint with local law enforcement by itself is not sufficient to put AIMS on notice of the complaint or the contents of the complaint.

2. In order for a complaint of actual or attempted acts of interference, intimidation, reprisal, retaliation, threats or coercion to be accepted by the Ombudsperson, the complainant must have made the protected disclosure with an official agent. An exception shall be made where the complainant presents a preponderance of evidence that the complainant was prevented from providing information by intimidation or interference. The General Counsel, in consultant with Ombudsperson, will determine if the evidence is sufficient in his or her sole discretion. If the complaint or the protected disclosure involves the General Counsel, the Superintendent will determine if the evidence is sufficient in his or her sole discretion.

## C. Investigation

1. Upon receiving a written complaint alleging retaliation, the Ombudsperson shall refer it to the General Counsel for investigation. However, if the complaint alleges that the General Counsel interfered or took the retaliatory action, then the Ombudsperson shall request that the Superintendent appoint a designee to investigate.

2. The General Counsel or the General Counsel's designee shall determine issues of timeliness and where warranted, investigate complaints from any person alleging actual or attempted acts of reprisal, interference, intimidation, retaliation, threats, coercion or similar acts.

3. The investigation and findings shall be limited to the interference, reprisal or retaliation aspect of the complaint only.

4. Before final findings are made, the General Counsel or the General Counsel's designee will provide a copy of the complaint and any documents upon which the General Counsel or the General Counsel's designee intends to rely in reaching findings to the person accused of interference, intimidation, reprisal, retaliation, threats, or coercion. That person accused will be

provided the opportunity to respond to the complaint and to file a written statement, which will become part of the record.

5. If, for any reason, the General Counsel or the General Counsel's designee's activities with respect to a complaint are terminated before findings are sent to the Superintendent or designee, the complaint will be sealed and will be released only to the Ombudsperson, Superintendent, or Board and as required by law.

#### D. Decision

1. The General Counsel or the General Counsel's designee shall present findings of the investigation to the Superintendent or designee, who shall reach a decision regarding the complaint and shall communicate that decision to the complainant and to the person or persons accused of violating this policy. The decision by the Superintendent or designee will include any appropriate relief for the complainant but will not describe any disciplinary action that may be taken against the person or persons accused of violating this policy.

2. For any complaint that alleges that the General Counsel interfered or took the retaliatory action, the Superintendent's designee identified in Section C.1 shall present the complaint to the Superintendent or designee, who shall reach a decision regarding the complaint and shall communicate that decision to the complainant and to the General Counsel. The decision by the Superintendent or designee will include any appropriate relief for the complainant but will not describe any disciplinary action that may be taken against the General Counsel.

3. If the complaint alleges that the Superintendent interfered or took the retaliatory action, the General Counsel shall present the complaint to the Board, who shall reach a decision regarding the complaint and shall direct the General Counsel to communicate that decision to the complainant and to Superintendent. The Board's decision will include any appropriate relief for the complainant but will not describe any disciplinary action that may be taken against the Superintendent.

4. The provisions of Education Code section 44114(e) shall govern any decision.

#### E. Discipline

Any official found to have engaged in actual or attempted acts of reprisal, retaliation, threats, coercion, intimidation, interference, or similar improper acts directed at a complainant because of the complainant's protected disclosure resulting from a decision in response to a complaint may be subject to censure by the Governing Board.

Any AIMS employee found to have engaged in actual or attempted acts of reprisal, retaliation, threats, coercion, intimidation, interference, or similar improper acts directed at a complainant because of the complainant's protected disclosure resulting from a decision in response to a

complaint shall be subject to discipline in accordance with existing and applicable AIMS personnel policies, contract agreements, and applicable laws.

#### F. Appeal of the Decision

A decision of the Superintendent or designee may only be appealed to the Board of Education if such an appeal is permitted pursuant to existing, applicable AIMS personnel policies and collective bargaining agreements and applicable laws. A decision of the Board may not be appealed.

#### G. Annual Report

The Ombudsperson shall submit an annual report of actions taken under this policy to the Board of Education. The report should include complaints received and acted on during the fiscal year (July 1 through June 30) and shall not include any details otherwise prohibited by applicable personnel policies, contract agreements and applicable laws.
