- 2022-23 school year we have lost a little of our federal revenue but the governor covered it in our state revenue

Message from #OU

On behalf of our Coalition, **thank you for your commitment to join our city-wide movement to close the digital divide** and ensure every public school student - the 50,000 students in district and charter schools across Oakland - have nightly home access to a computer, internet and tech support. Your partnership has been critical to increase equity for Oakland students and families.

Impact to Date: Since March 2020, ***#OaklandUndivided has created over \$5M in savings for Oakland charter schools.*** Specifically, #OU provided over **6,500 computers and 7,500 free or reduced cost hotspots directly to charter school students**, provided free tech support to all students through Tech Exchange (which served 10,000 tech support requests across Oakland in 20-21), and support in applying for Emergency Connectivity Fund reimbursement. 30 of 32 charter schools chose to be official #OU Partners, signed the pledge, and committed to provide all students with 1:1 home access to computers in 2022-23 and collaborate to leverage funding partnerships to ensure their students home access to computers, internet and tech support.

As we plan for the 23-24 school year, **we hope you will continue to be an official partner of #OaklandUndivided and re-sign the #OU pledge by May 5, 2023.** We integrated feedback from charter leaders, attempted to simplify and clarify expectations as well as provide flexibility wherever possible. Everyone who re-commits will continue to be eligible for benefits of our partnership and most important, ensure digital access for all our students in need. If you have any questions, let us know in hopes we can plan for next year and include you in our upcoming events... hope to see you at our 5/6/23 End-of-year event at [Acorn Woodland Elementary!](#)

Sincerely,

Patrick Messac
Project Director, Oakland Undivided

2023–2024 Digital Access Pledge

PURPOSE: **#OaklandUndivided** is a citywide initiative with to ensure all Oakland public school students have access to:

1. a **computer** for home use,

2. reliable , at-home **internet connection**, and

3. culturally-responsive **tech support**

Our LEA commits to partner with #OaklandUndivided to ensure that every student at our school has access to home digital access **during the 2023-24 school year**. To fulfill this commitment, we will

- ☐ **proactively assess student home digital access needs,**
- ☐ **ensure that every student** that is enrolled at our school in every grade **has a computer that is available nightly for use at home,**
- ☐ work in collaboration with #OU to **leverage opportunities to support internet access,** and
- ☐ **appoint a liaison** to implement this ambitious initiative

1. Assessing Student Need

To ensure that all students have home access to a computer and internet, our school will survey 100% of students at least once per year to assess their home digital needs through a short survey at the beginning of the year that asks about access to a computer and internet.

Step 1: Tech Check: We will integrate #OU's 4-question Tech Check survey assessment for computer and internet access into our data collection processes. For the exact question language, please see the [Tech Check Survey Toolkit](#) (pg 6; or pg 5 if you have to use a binary survey).

Step 2: Give It to Everyone: We will integrate the digital access survey (i.e. the 4-question Tech Check) into the Enrollment, Registration, and/or Back-to-School process.

Step 3: Report Progress:

We will report student enrollment data and need data quarterly to the #OU Charter School Coordinator, providing transparent data about how many students do or do not have home access to a computer and internet, as agreed upon by our organization signing the California Student Data Privacy Agreement (CSDPA).

2. Providing Computers

Computer Commitment: We will ensure that **every student grades TK-12 at our school has access to a computer that is available at home during non-school hours for use** during the 2023-24 school year, whether provided by the family, previously provided by #OaklandUndivided, or purchased and/or loaned by our school. There are two ways to fulfill this commitment.

Option #1 (recommended): After assessing home digital access of all students, LEA commits to providing personal devices for all students without **1:1** access at home during non-school hours. Computers will be provided to students in need within 60 days of enrollment, supply chain permitting, to:

- All new students who enroll in our school who lack access to a home computer.
- Returning students who have a lost or damaged device that needs to be replaced.
- Any student whose needs have changed and no longer have access to a home computer.

For example, one LEA may decide to have students bring a laptop to and from school everyday (textbook model). Other LEAs may decide to ensure all families have a device designated for home.

Option #2: After assessing all students for home digital access, LEA may decide devices will only be provided to students who either (1) have **no** access to a device at home, or (2) who only have **limited** access to a shared device. This means

- LEAs may deem that students have adequate digital access if they reside in a household where students have access to a shared device that is always available for them to complete learning tasks.

For example, one LEA may ensure 1:1 for all students in upper grades and an available device for elementary students who may have less need for a 1:1 device.

3. Support Home Internet Access

Internet: Once needs have been identified through a digital needs assessment, LEA will work in collaboration with #OU to ensure students have home internet access.

This may include:

- Collaborating with non-profits or CBOs to enroll unconnected students and families in the long-term federal broadband subsidy (Affordable Connectivity Program) through in-person events at school sites, distributing enrollment information to families, directing families in need of assistance to call centers
- Accessing free or discounted hotspots that #OU partners have access to, applying for state or federal funding to offset the cost of devices, or pursuing other partnerships with #OU.

4. Appoint a Liaison

Appoint a liaison: In order to support completion of the needs assessment, distribution of devices, collaboration with #OU to ensure students have home internet access, communicate all opportunities directly requested by #OU, respond to email requests for data sharing from #OU, share testimonials, provide feedback and updates, and make decisions on behalf of our school as it relates to these commitments. Funding permitting, #OU will provide a stipend of \$500 for this liaison.

We understand that this is a pledge, not a legally binding agreement, and reflects an intended commitment for partnership in the 2023-2024 school year.

Print, sign, scan, and return this pledge by **May 5, 2023**, affirming your commitment for the 2023-24 school year.

Mission: #OaklandUndivided's goal is to close the digital divide by ensuring that all Oakland public school students in need have access to computers, internet, and tech support at home.

Impact to Date: Since March 2020, *#OaklandUndivided has created over \$5M in savings for Oakland charter schools.* Specifically, #OU provided over **6,500 computers and 7,500 free or reduced cost hotspots directly to charter school students**, provided free tech support to all students through Tech Exchange (which served 10,000 tech support requests across Oakland in 20-21), and support in applying for Emergency Connectivity Fund reimbursement.

Impact to Date: In the 2022-23 school year, #OaklandUndivided has supported

- **95%** of Oakland charter LEAs in signing a [Data Sharing Agreement](#) so we can more effectively target students to complete our needs assessment survey and understand what the digital access needs of our charter school students are across the city.
- **90%** of Oakland charter LEAs in applying for federal [Emergency Connectivity Fund \(ECF\)](#), a \$7.17 billion program that helps schools provide the tools and services their communities need for remote learning - this includes laptop and tablet computers; Wi-Fi hotspots; modems; routers; and broadband connectivity purchases for off-campus use by students, and school staff.
- **75%** of Oakland charter LEAs in using the new-and-improved [Tech Check Survey](#) to assess digital access needs of our charter school students are across the city.
- **50%** of Oakland charter LEAs in applying for [T-Mobile's Project 10 Million](#). Any Oakland school that qualifies for the plan can get 100GB of FREE internet data per year for five years and a FREE mobile hotspot, and alternatively, for unlimited high speed data you can take advantage of \$11.67/line. This is the lowest rate in the nation, negotiated only for Oakland students.

#OaklandUndivided Goals: Our Proposed Model to Provide Computers, Internet, and Tech Support, contingent upon available funds - External Draft

Note: These are our #OU goals and not a firm commitment - below is our intention and current plan to serve the schools that are pledging to provide computer access at home, though details may change.

To support Oakland public charter school students to have home access to a computer, internet, and tech support during the 2023-24 school year, funding permitting, #OaklandUndivided intends to (1) provide a stipend of \$500 for a liaison at each school, (2) increase visibility as part of a city-wide public school movement for all school partners, (3) provide home-owned computers for families who express need, (4) provide access to discounted hotspots and internet subsidies rates for students who express need, (5) outreach, awarenesses, central tech support for schools who express need for extra support.

1. #OaklandUndivided School Liaison

- a. Funding permitting, #OaklandUndivided will provide a stipend of \$500 for a liaison at each school to support completion of the needs assessment, distribution of devices, communicate all opportunities, respond to email requests for data sharing, testimonials, feedback, and updates, and make decisions on behalf of the school as it relates to home connectivity.

2. Increased Visibility within #OaklandUndivided

- a. #OaklandUndivided charter school partners will be invited as a formal partner to the public launch this Spring and will be named as an official partner during the public launch with increased visibility to the greater Oakland and national community.
- b. #OaklandUndivided values our partnership with charter schools and we welcome feedback to meet our common goal of ensuring all public school students across Oakland have access to computers, internet, and tech support.
- c. While not required, representatives from charter organizations may have the opportunity to participate as #OaklandUndivided sub-committee members to share feedback and support our movement to close the Digital Divide.

3. Partnership in providing computers to all students in need

- a. OUSD has committed to provide computers to ensure that all students TK-12 have home computers for the 2023-24 school year.
- b. 90% of Oakland charter schools pledged to provide computers to ensure all of their students TK-12 had home computers in the 22-23 school year.

- c. In the 2022-23 school year, all #OaklandUndivided school partners had access to Emergency Connectivity Fund consultants, subsidized by #OaklandUndivided. Funding permitting, #OaklandUndivided plans to subsidize consultant fees for ECF or similar federal programs if continued in 23-24 to support schools in accessing federal funds to provide computers to students.
- d. Funding permitting, #OaklandUndivided in partnership with Tech Exchange will provide home-owned devices to families that express need in a needs assessment survey that they have no home computers. These devices will be owned by the families who qualify through the Tech Check survey.

4. Partnership to ensure all students have access to the Internet at home

- a. For the 23-24 school years, #OaklandUndivided school partners are receiving access to [T-Mobile Project 10Million](#) hotspots that are free up to 100GB/year then \$11.67/month for unlimited data use. This unlimited data price is a steep discount that #OaklandUndivided partners received; the regular price is \$20/month.
- b. #OaklandUndivided plans to work with EducationSuperHighway, grant writers, and school partners to leverage public funding and other opportunities to ensure all students have internet access at home.
 - i. #OU will encourage and support schools to apply for state and federal funds designated for internet access, such as the [Emergency Connectivity Fund](#) and the [Affordable Connectivity Program](#) to access a \$30/month subsidy for students in need for the next five years.
- c. If need exceeds availability through public funding sources that schools can apply to (e.g. Emergency Connectivity Fund) and private partnerships (e.g. T-Mobile Project 10Million, Affordable Connectivity Program through Comcast essentials or other partners), #OU will work to provide internet access to fill gaps of any students who qualify through the Tech Check survey, funding permitting.

5. Partnership in providing Tech Support for all students

- a. Through #OaklandUndivided's partnership with TechExchange, all charter school students will receive access to multilingual tech support and outreach support.
- b. In addition to access to in-person and over-the-phone tech support, this may include support at school sites for outreach, distribution, tech support, and computer repairs.

Time & Accounting Semi- Annual Certifications

The Federal Education Department General Administrative Regulations (EDGAR) governs the administration of federal grants to education programs. AIMS is a recipient of federal and state funding resources. AIMS school district is required to implement regulations and controls that serve the purpose of ensuring that the intended results of these funding sources are achieved. Time accounting, a documentative regulation, ensures that the AIMS district is properly charging salaries and wages that are reasonable, necessary and allowable in accordance with applicable funding source requirements.

Time accounting documentation is required for all employees whose salaries and wages are paid, in part or in full, from restricted resources, both federal and state.

These positions are flagged to identify the required type of documentation for each employee funded from federal and state resources.

Compliance Department met site leaders to identify all employees that fall under these categories to ensure they have updated and signed certifications for work that was completed for FY 22-23.

Nutrition Services

What is the National School Lunch Program, Universal Meal Program?

A federally funded program that assists schools and other agencies in providing nutritious lunches to children at reasonable prices. In addition to financial assistance, the program provides donated commodity foods to help reduce lunch program costs. The United States Department of Agriculture (USDA) is responsible for overseeing the program nationally. In California, the program is administered by the California Department of Education (CDE), Nutrition Services Division. AIMS offers school breakfast, lunch and snack for all three schools. Currently due to COVID-19 AIMS offers free meals for all students due to the National Universal Meal program which the state of California implemented as of SY 2022-23.

What are the benefits of participating in the program?

For children, the National School Lunch Program provides a nutritious meal that contains one-third of the recommended dietary allowance of necessary nutrients. For parents, the program offers a convenient method of providing a nutritionally balanced lunch at the lowest possible price. For schools, the program enhances children's learning abilities by contributing to their physical and mental well being. Studies have shown that children whose nutritional needs are met have fewer attendance and discipline problems and are more attentive in class.

What type of breakfast, lunch and snack must be offered? <https://aimsk12.org/ms-nutrition>

How do we get paid?

The National School Lunch Program (NSLP) is operated on a reimbursement basis, with LEA (AIMS) paid on the number of meals served. AIMS submit a monthly reimbursement claim through the Child Nutrition Information Payment System (CNIPS). After the CDE Department reviews and approves the claim, it is processed by the State Controller's Office and a check is issued. AIMS typically receive reimbursement within four to six weeks after submitting the reimbursement claim.

Survey Results

- 67% of our families were aware that California is the first state to implement a statewide Universal Meals Program in public and charter schools for all school children.

- 94% knew that AIMS provides two meals free of charge (breakfast and lunch) during each school day to students requesting a meal, regardless of their free or reduced-price meal eligibility.

Survey Results

- 86% of students participate in our Nutritional Service Program.

- 86% did know we have a variety of menu entrees to accommodate students' preferences.

- The top suggestions from families and students to improve the Nutritional Service Program:
 - A) Better quality meals.
 - B) Add more variety of snacks and lunches.
 - C) Add a microwave for students to heat their lunches.
- 75% completed the AIMS Survey

Purpose of Survey: At the beginning of the 2022-2023 school year, AIMS proudly announced that free breakfast, lunch and snacks are now available to all students. We encouraged all families to participate in a survey. The survey aims to give families an opportunity to provide feedback on our Nutritional Service Program. The feedback that we receive allows us to provide an optimal Nutritional Service Program for our students.

Goal 2

Goal #	Description
[Goal #2]	Instruction, Development, and Support: Provide high quality classroom instruction from appropriately credentialed teachers and staff, that promotes college and career readiness with academic interventions and professional development to eliminate barriers to student success.

An explanation of why the LEA has developed this goal.

Since the 2019-20 academic school year, AIMS HS has shifted towards a significant need in increasing teacher retention, by increasing the salary scale from 5-10 years, providing a \$5K per year renewable bonus for all teachers that remain the entire school year, AP performance bonuses, new evaluation processes, and various teacher awards and incentives. However, due to continued increased COVID related teacher vacancies, AIMS HS has increased the teacher retention bonus to \$7K per annum and has increased department chair stipends to \$3K per year. As part of our model, AIMS caters to the holistic needs of students by fully-funding all relevant and necessary instructional materials for students, school uniforms, and supplemental resources. Together, these two elements will help students, teachers, staff, and administrators thrive.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (“MOU”) is entered between Alison Rose (“Service Provider”) and the AIMS K-12 College Prep Charter District (“Charter”). Service Provider and Charter may be collectively referred to as the “Parties” or individually as a “Party.” This MOU shall be effective as of the date of the last-executed signature below. This MOU is regarding the provision of consultation services by Service Provider to Charter.

1. Purpose of MOU

Whereas, Education Code section 56195.1, subdivision (e) provides that membership in a special education local plan area (“SELPA”) does not limit a local educational agency’s (“LEA”), including a charter school’s, authority to contract for special education consultation, services or assessments.

Whereas, Service Provider is willing to contract with Charter to provide consultation services;

Whereas, Charter is a charter school deemed an LEA for the purposes of special education under Education Code Section 47640 and is a member LEA of the El Dorado Charter SELPA.

Whereas, Charter seeks to contract with Service Provider in order for Service Provider to provide consultation services.

2. MOU Must be Renewed Annually

This MOU shall be in effect for the period beginning July 1, 2023 to June 30, 2024. This MOU may be renewed at the end of that period by following the “Submission Procedures” set forth in **Section 3** of this MOU. The MOU may be amended at any time by mutual consent of the Parties.

On or before June 15, 2023, Service Provider shall provide Charter with a written response to the request. The Service Provider’s response shall specify whether the Service Provider is willing to provide all, some, or none of the services requested. If Service Provider is willing to provide less than all the requested services, the response will list each type of service it is willing to provide and the number of weekly/monthly/annual service hours it is willing to provide. Service Provider’s written response shall include a rate schedule for all requested services.

4. Scope of Services

The Parties agree that Service Provider shall provide consultation services. All services will be provided via zoom unless otherwise agreed to by the Parties. The Parties will mutually identify a schedule specifying the time, day that Service Provider is available to complete activities.

5. Rate Schedule

The Parties agree that the CONSULT services set forth in **Section 4** shall be billed at \$100/ hour and the ASSESSMENT services set forth shall be billed at \$150/ hour.

6. Payment for Services

If the payment for the invoice is not postmarked from the Charter within forty-five (45) days of the receipt of the invoice, the Charter agrees to pay an additional fee of 1.5% interest per month on amounts not paid, such interest being calculated beginning day forty-six (46) from receipt of the invoice. Interest shall be calculated in accordance with standard accounting procedures. Service Provider shall bill the LEA for the interest. Failure by Charter to pay an appropriately submitted invoice, including an invoice from a prior MOU

between the Parties, within 90 days of receipt may be considered a breach of contract and is grounds for termination of this MOU.

7. Staff Absences

Charter acknowledges that the services provided by Service Provider under this MOU will be provided for the entire school year and that Service Provider will be adjusting their calendar as appropriate.

As such, the Parties agree that the Service Provider shall be reimbursed for any services offered by Service Provider when cancellation is needed if notice is given the day of the meeting and no other items can take the place of the canceled meeting.

8. Termination

Either Charter or Service Provider may terminate this MOU by providing the other party with thirty days (30) written notice except that Service Provider may terminate this MOU by providing Charter with written notice that it is unable or unwilling to provide the requested services pursuant to **Section 3** of this MOU.

9. Service Provider and Charter Are Independent Contractors

Charter and Service Provider are independent parties to this MOU and each agree that this MOU was not intended to create the relationship of agent, servant, employee, partnership, joint venture or association.

10. Non-Exclusive Agreement

The Parties agree that nothing herein is intended nor shall be construed as creating any exclusive arrangement between the Parties. This MOU shall not restrict Charter from contracting for services with other LEAs, nor shall it restrict Service Provider from providing services to other LEAs, including other charter schools.

11. Indemnification and Hold Harmless

Charter and Service Provider shall each defend, hold harmless and indemnify the other party, its governing board, officers, administrators, agents, employees, independent contractors, subcontractors, consultants, and other representatives from and against any and all liabilities, claims, demands, costs, losses, damages, or expenses, including reasonable attorneys' fees and costs, and including but not limited to consequential damages, loss of use, extra expense, cost of facilities, death, sickness, or injury to any person(s) or damage to any property, from any cause whatsoever arising from or connected with the provision of services hereunder, that arise out of or result from, in whole or in part, the negligent, wrongful or willful acts or omissions of the indemnifying party, its employees, agents, subcontractors, independent contractors, consultants, or other representatives.

12. Responsibility for Litigation Costs

In the event of any compliance complaint, due process hearing request, or other litigation based on, arising from, or connected to the provision of services under this MOU, the Parties shall negotiate an agreement specifying how legal costs, including attorney's fees, are to be shared between the Parties.

13. Meet and Confer

If a dispute arises regarding any aspect of this MOU, the Parties agree that they shall meet and confer in a good faith effort to amicably resolve their difference prior to initiating any litigation. If the initial attempt to resolve the dispute is not successful, the Parties may, by mutual agreement, participate in alternative dispute resolution.

14. Severability/Waiver

If any provision of this MOU is determined to be illegal, unenforceable, or invalid, such provision shall in no way affect the validity of any other provision of this MOU. No waiver of any provision of this MOU shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, nor shall any such waiver constitute a continuing or subsequent waiver of the same provision. No waiver shall be binding unless executed in writing by the party making the waiver.

15. Execution of MOU Electronically and In Counterparts

This MOU may be executed in counterparts such that the signatures may appear on separate signature pages. A copy or an original, with all signatures appended together, shall be deemed a fully executed MOU. A facsimile or scanned version of any party's signature shall be deemed an original signature.

IN WITNESS WHEREOF, the Parties via their respective authorized representatives have executed and entered into this MOU as of the date set next to the signatures below.

RECOMMENDATION:

Approve Resolution and authorize the Board Secretary to sign the Resolution for the Board.

DISCUSSION/PROGRAM:

With the introduction of this Resolution in the 2022-2023 school year and annually continuing for the 2023-2024 school year, the Board is asked to review and approve this resolution. With the increasingly complex nature of the secondary curriculum and scheduling and with the advent of the middle school basic education concept (“Core Block”), the California Legislature determined that school districts need flexibility in the assignment of teachers. At the same time, the Legislature recognizes the need to ensure that teachers are properly prepared and competent to teach in their assigned area. As a result, several separate provisions are included within the California Education Code (EC). The following Local Assignment Options are recommended for use at AIMS College Prep Charter to reduce the incidence of misassignments.

EC 44256(b) allows, by resolution of the Governing Board, the holder of a Multiple Subject or Standard Elementary Teaching Credential to teach, with his or her consent, any subject in departmentalized classes below grade 9 if the teacher has completed 12 semester units, or six upper division or graduate semester units, in the subject to be taught. The teachers teaching under this provision have met the following qualifications:

- All have completed at least the required semester hours of course work.
- All are teaching at the Elementary or Middle School.
- Some have been teaching successfully in the assignment in previous years.
- All are well qualified to teach in their assignment.

EC 44263 allows, by resolution of the Governing Board, a teacher licensed pursuant to the provisions of this article may be assigned, with his or her consent, to teach a single subject class in which he or she has 18 semester hours of coursework or nine semester hours of upper division or graduate coursework or a multiple subject class if he or she holds at least 60 semester hours equally distributed among the 10 areas of a diversified major set forth in Section 44314. A three-semester-unit variance in any of the required 10 areas may be allowed. The governing board of the school district by resolution shall provide specific authorization for the assignment. The authorization of the governing board shall remain valid for one year and may be renewed annually.

Cal. Ed. Code § 44263

The teachers teaching under this provision meet the qualifications stated below:

- All have completed at least the required semester hours of course work.
- Some have majors in related fields.
- Some have been teaching successfully in the assignment in previous years.
- All are well qualified to teach in their assignment.

	OAKLAND ENROLLS MEMORANDUM OF UNDERSTANDING FOR PARTICIPATING CHARTER PARTNERS (2023-2024 School Year)
---	---

This **Memorandum of Understanding** (“**MOU**”) is entered into by American Indian Model Schools (“**Charter Partner**”) and Oakland Enrolls, a California Nonprofit Public Benefit Corporation, effective August 1, 2023 (“**Effective Date**”) Charter Partner and Oakland Enrolls are sometimes referred to in this MOU individually as “**Party**” and together as “**Parties.**”

BACKGROUND

Oakland Enrolls is responsible for the Oakland Enrolls common charter application. Prior to the Oakland Enrolls common charter application, a fragmented system of school enrollment existed in Oakland, making it difficult for families to navigate the public-school enrollment process. The Oakland Enrolls common charter application aims to address this problem, in collaboration with schools and other stakeholders, by providing a simplified enrollment process, where families can use a single platform to fill out one application for charter schools, applying to multiple schools at once. Charter Partner wishes to participate in this Oakland Enrolls common charter application, in order to enhance school choice, make the process for families easier, and share data to gain more insight into application and enrollment trends in Oakland. Therefore, in exchange for good and valuable consideration, the Parties agree as follows:

RIGHTS AND RESPONSIBILITIES

1. Description of Oakland Enrolls common charter application.

- a. ***Timeline*** – Charter Partners participating in the city-wide charter enrollment system will follow the following timeline for the 2023 - 2024 School Year (“**SY**”), in service of preparing for the 2024 - 2025 enrollment year. - November 13, 2023 – On-Time application launch for SY 2024-2025

- March 22, 2024 – Bulk rescind of On-Time lottery offers by Oakland Enrolls
- May 23, 2025 – Application closes for all schools (best guess date)

b. Key System Functionalities of Charter Enrollment Program

- i. *Multiple Languages*: the common application is available in five languages (English, Spanish, Chinese, Arabic, Vietnamese) .
- ii. *School Offer and Acceptances*: A family is only allowed to accept one offer per student in the common charter application system.
- iii. *On-Time Lottery Offer Launch*: All Charter Partners will publicize On-Time lottery offers to families on the same date via Oakland Enrolls.
- iv. *On-Time Lottery Offer Rescind*: Oakland Enrolls will automatically rescind any outstanding On Time lottery offers on the same date, March 22, 2024. Oakland Enrolls' standard messaging gives families 10 business days to accept an offer, but schools may choose to use their own messaging and timeline..

c. Data Sharing Features – The Oakland Enrolls common charter application involves and requires data sharing related to applications, enrollments, transfers, waitlists, and accepted offers, as follows:

- i. By the start of December 2023, Charter Partner will share their Fall 1 Submission CALPADS 8.1 Student Profile List as of October 2023;

- vi. Charter Partner represents and warrants that in assigning the applicable Student Profile Data to and sharing information with Oakland Enrolls including, but not limited to (Confidential Information as defined in **Appendix C**) that Charter Partner is in compliance with the provisions of FERPA, and any amendments thereto. Oakland Enrolls represents and warrants that it is also in compliance with any applicable provisions of FERPA, if any, and any amendments thereto. Furthermore, Charter Partner represents and warrants that it has the requisite consents and is allowed under FERPA, and other applicable laws, to assign Student Profile Data with Oakland Enrolls that Oakland Enrolls would then share with third parties for research purposes. Nothing in this Agreement may be construed to allow either Party to maintain, use, disclose or share information in a manner not allowed by state or federal law or regulation.

- a. Charter Partner will complete the following Appendixes prior to signing and returning the MOU:
 - i. **Appendix A** – Confirmation of Commitments and Services
 - ii. **Appendix B** – Key Organization Contacts
- b. Oakland Enrolls implements the charter enrollment program, in part, through an online school enrollment platform. To participate in the charter enrollment program, Charter Partner must create a portal and give Oakland Enrolls access to Charter Partner's portal. Charter Partner agrees and understands that in order to maintain the health and efficiency of the common application, Oakland Enrolls will have certain access to data and the permission to alter data on Charter Partner's portal.
- c. Charter Partner will be responsible for ensuring that the applications are accurate and updated in accordance with parent and/or legal guardian wishes.
- d. Charter Partner will only accept applications to its school(s) through the Oakland Enrolls common charter application. All applicants to Charter Partner's school(s) must submit an Oakland Enrolls common charter application during the On-Time (Open Enrollment) and/or Late (Post Enrollment) Application periods during the common application timeline. - f. Charter Partner will use Oakland Enrolls' tools and protocols for lotteries, waitlist management, collecting verification documentation, and communicating offers to families. If the tools provided by Oakland Enrolls cannot accommodate specific lottery configurations, Oakland Enrolls will collaborate with the software vendor and Charter Partner to develop a solution.
- g. Charter Partner will not require verification documentation before running any lottery unless approved by Oakland Enrolls.
- h. Charter Partner will publicly post on each of its schools' websites links to Oakland Enrolls website and display the common application verbiage and lottery date(s) on or before launch as specified in 1.a.

- Check-in calls at key points (lottery launch, registration, etc.) to discuss questions, and ensure comfort and readiness

2. On-Time Applications Operations Support (Nov 2023 - Feb 2024) \$4,000

Oakland Enrolls creates an On-Time enrollment operations plan and completes the plan in partnership with school staff. Includes:

Basically, this service would take the day-to-day application management off of your hands up until the lottery. This would also include answering school-specific questions from families (though this shouldn't take the place of families interacting with the school specifically).

Schools would need to:

- Confirm application questions in accordance with lottery
- Have the ability to help families apply who walk in to their school

Basically, this service would take the day-to-day application management off of your hands up after the lottery. This would also include answering school-specific questions from families (though this shouldn't take the place of families interacting with the school specifically).

Schools would need to:

- Have the ability to help families apply who walk in to their school

- Work with Oakland Enrolls to build timelines around when communications should go out, to whom, what they should say (though OE would execute these)

4. Custom Outreach & Marketing Plan and Support (Sept 2023 - April 2024) \$4,000 - \$12,000 depending on level of service.

Oakland Enrolls partners with schools to review and develop a custom outreach and marketing plan that schools will execute.

- Template for tracking outreach and marketing metrics and progress

Schools would need to:

- Have an outreach point person with whom Oakland Enrolls can work and who can execute the marketing plan
- Conduct their own outreach activities such as attending school options fairs and community events on behalf of the school
- Track their progress toward goals and metrics
- Manage their own websites, social media channels, etc.

- Pay for printing marketing materials that are produced for the school

3. Graphic Design Support (varies) \$5,000 - \$8,000 depending on level of service.

Oakland Enrolls partners with a graphic design vendor and Charter Partner to aid in Charter Partner's marketing efforts. Detailed packages are available upon request.

4. Custom Data Reports (varies) \$4,000

Oakland Enrolls will create custom data reports during On Time enrollment, as well as Late enrollment. Oakland Enrolls will partner with schools to determine whether there are additional reports they would like to see that we can produce.

Examples of reports:

1. Current Students Activity
2. Demand Report

5. Managing Ongoing Offers (Mar - Jun 2024) \$5,000

- Follow up by phone with families with pending offers to make sure they're aware and help take action

Oakland Enrolls would also field school-specific registration questions (but would not include supporting families over the phone or in person) about the registration process. Oakland Enrolls runs this process, which goes up until the registration process.

Schools would need to:

AGREEMENT FOR AFTER SCHOOL PROGRAM SERVICES & FUNDING

This Agreement for After School Program Services & Funding ("Agreement") establishes the material terms of the business relationship between Bay Area Community Resources ("BACR") and AIMS College Prep Middle School ("AIMS MS" or "School") for the provision of certain educational services (as further detailed below) at the AIMS MS school site during the 2023-24 school year. BACR and AIMS MS are each referred to individually as a "Party," and collectively as the "Parties." This Agreement is effective upon execution by representatives of each Party ("Effective Date").

In exchange for the benefits and consideration set forth below, the sufficiency of which is hereby acknowledged by both Parties, AIMS MS and BACR will collaborate to implement the educational program detailed below ("Program") and assure the fulfillment of the objectives and activities outlined in this Agreement.

I. SCOPE OF WORK AND RELATED TERMS - TRADITIONAL SCHOOL YEAR

BACR agrees to provide an after-school program aligned with the School's school day, program quality, and fiscal oversight, as follows:

A. Miscellaneous Program Details:

1. BACR will develop the Program and review it with School staff, making adjustments as necessary, reasonable, and within the budget set forth below.
2. The Program will include an educational and literacy element designed to provide tutoring and/or homework assistance in one or more of the following subject areas: language arts, mathematics, history and social science, science, and computer training.
3. The Program will have an educational enrichment element that may include, but is not limited to, STEM focused activities, recreation, physical fitness, and other activities.
4. The program will serve snacks provided by School that conforms to the nutrition standards in the California Education Code, Part 27, Chapter 9, Article 2.5, commencing with Section 49430
5. The Program will serve up to 104 School students at a maximum ratio of 20:1 (students to instructor). If it appears Program enrollment will exceed 110, BACR is open to accommodating more students. However, before Program enrollment exceeds 140 students, the Parties agree that they will confer and reach agreement on a written amendment to this Agreement, including the Program Budget and Management Fee terms set forth in Section IV below, with a revised Program Budget to allow for additional staff and Management Fee to reflect additional management efforts.
6. The program will operate daily, Monday through Friday, from August 14, 2023 to June 14, 2024. Program will begin immediately at the end of the regular school day on Monday-Thursdays (except scheduled minimum days) and 1:30 pm on Fridays and minimum days, and will stay open until 6:00pm daily
7. BACR will handle all human resources and accounting duties as related to hiring, training, paying, and otherwise managing Program staff, who are BACR employees or contractors.

B. Coordination between School, and BACR Program staff.

The School and BACR intend to provide a comprehensive after school program for the School's students. To ensure a consistent experience for School students and families, the Parties hereby agree to the following:

1. Training. The BACR After-School Site Coordinator will attend, when able, training with School faculty and Staff ("School-Day Staff"). Additionally, both the School and BACR agree to be conscious of overlapping staff in scheduling professional development sessions so as to minimize disruption.

BACR Initials _____
School Initials _____

2. Fundraising. Because all fundraisers will affect the same group of parents, BACR must obtain written approval from AIMS MS prior to any fundraising efforts involving the School's parents, apart from those funds associated with Program Participation Fees as set forth herein.
3. Classrooms. Teachers at the School will provide a "classroom checklist" to the BACR staff using their classrooms. These checklists are to ensure minimal disruption in the classroom from day to day. BACR staff will commit to checking the list upon arrival and before leaving and reporting any issues regarding the same in a timely manner.
4. Events. BACR and the School will notify each other of any proposed School-related family events (including any shows or showcases) at least one month in advance and will be open to changing dates and times for optimal coordination and participation.
5. Check-Ins. The BACR After-School Site Coordinator will check in daily with the School-Day Site Administrator or such other School staff member that is designated by the School Administrator from time to time for informational handover about student behavior and Program-related matters. In addition, the BACR After-School Site Coordinator and School-Day Site Administrator (or his or her designee) will have additional meetings on weekly or monthly basis to address case management of students, including updates around suspensions and expulsions, where necessary, as well as general Program operations and coordination between the School and BACR.
6. Policies and Procedures. BACR employees working at the School must abide by all BACR, and School policies. BACR will communicate all relevant School policies and procedures to BACR staff and ensure that BACR staff abide by them at all times. These include but are not limited to the School's safety plans and procedures, discipline, social media, student restraint, and any other applicable elements from AIMS MS' Staff/Family Handbook. A current copy of AIMS MS' Staff/Family Handbook policies is attached as **Appendix A** and incorporated herein. AIMS MS, in its sole discretion, may change these policies from time to time. In the event of any such changes, AIMS MS will provide BACR with the updated versions of the policies.
7. Teacher communications. Specific discussions between teachers and the BACR staff using their room must involve BACR's After-School Site Coordinator and the School's School-Day Site Administrator.

C. Communication and accessibility with parents.

The School and BACR recognize that communication with School parents and guardians is an important component of the Program's success. To that end, the Parties hereby agree to the following:

1. Announcements. The School can send information out to its entire parent body on behalf of BACR. This should be used only for major announcements, i.e., deadlines and applications for signing up. Program-specific information to participants will be managed by BACR, but subject to the Head of School prior approval. Communications should include the Head of School on the distribution list.
2. Key School Year Events. The BACR After-School Site Coordinator commits to attending the School's major school-year events, so that BACR has a presence at school-related activities that occur outside of the school day.
3. Welcoming events. BACR commits to being present at welcoming events for new families.
4. Attendance Records: BACR shall maintain accurate Program attendance records.
5. Research: BACR shall respond to any additional surveys or other methods of data collection that may be required throughout the life of the Program.
6. Student-to-Staff Ratio: BACR shall maintain a student-to-staff member ratio of no more than 20:1, except for in the case of temporary emergencies.
7. Qualifications: BACR shall establish qualifications for each position so that all staff members directly supervising students meet the minimum qualifications of an instructional aide.
8. Screening: BACR shall ensure that all Program staff and volunteers will fulfill health screening (Clear TB Test) and CalDOJ fingerprint clearance requirements in current law and in compliance with School policies (Certified Assurance #25)

D. Legal Compliance

BACR shall comply with all applicable federal, state, and local laws governing privacy of student information, including but not limited to the Health Insurance Portability and Accountability Act ("HIPAA"), the Family Educational Rights and Privacy Act ("FERPA"), and the Individuals with Disabilities in Education Act ("IDEA").

E. Safety and Crisis Protocol

To ensure the safety of all School students participating in the Program, the Parties agree that:

1. BACR shall enforce a clear safety and crisis protocol, applicable to Program operations, that outlines procedure, response times, and commitment to notifying and working with School staff. That Safe School Plan is attached hereto as **Appendix B.**
2. In the event that a crisis occurs while the BACR After-School Site Coordinator is not on the School-site, the BACR After-School Site Coordinator is expected to be available via phone within 5 minutes and physically present within 30 minutes, unless there are extenuating travel circumstances.
3. AIMS MS will identify a School staff member who will be on-call during BACR program hours, and who must be notified ASAP when a crisis occurs. The School staff member and BACR's Program Coordinator will jointly respond to the crisis.

II. PROGRAM PARTICIPANT FEES, AND PROGRAM FEE PAYMENT TERMS

- A. Nature of the Program:** The Program is an optional extra-curricular enrichment program that School families may elect to participate in, at their choosing, subject to the eligibility, payment of fees, and other criteria stated herein.

III. PROGRAM BUDGET AND MANAGEMENT FEE

The budget for the Program at AIMS MS for the 2023-24 year is **\$203,279.36 ASES**. BACR will not exceed the 15% in administrative fee and minimal total of 85% direct service expenses.

School staff and BACR staff will meet at least quarterly in order to review various program-related matters, including enrollment numbers and Program Fee collections.

For the sake of clarity, the Parties expressly agree that the School (not BACR), shall solely fund any shortfall in collections of Program Fees, whether such shortfall is caused by lower than expected enrollment, non-payment by Program participants, or any other reason. But for this express agreement and commitment by AIMS MS, BACR would not enter into this Agreement on these terms.

In the event BACR receives payment of any Program Fees after the School has covered the same, e.g., in the event of an exceptionally late payment by Program participant to BACR, then BACR shall report the same to the School as part of the monthly meeting and that amount shall be used to offset any future payment of the Management Fee, so that BACR does not receive double payment at any time.

If enrollment trends over two (2) or more consecutive months indicate more than a 10% change in Program enrollment as compared to the current expected level of 110 participants, then the Parties will meet and confer on proposed changes to Program-related terms, including staffing, student groupings, and the Management Fee on a go-forward basis (i.e., non-retroactive) following execution of any addendum. The Parties will document the results of any such discussions and memorialize any related changes in an addendum to this Agreement.

IV. TERM AND TERMINATION

The Term of the Agreement shall be from July 1, 2023 through June 30, 2024.

Either Party may terminate this Agreement at any time for any reason by giving at least thirty (30) days' written notice to the other Party.

Notwithstanding any other provision of this Agreement, BACR may terminate this Agreement immediately for cause, without any further obligation by BACR, by providing written notice of the same to the School upon the occurrence of any of the following events which shall constitute "cause" for such immediate termination: (1) bankruptcy, insolvency, loss or reduction of funds for the Program by the School; (2) assignment of this Agreement by the School to any other person or entity without the express advance written consent of BACR; (3) a material breach of this Agreement; (4) the School's failure to pay the Management Fee to BACR in a timely manner as set forth above; or (5) a Force Majeure as defined below.

In the event of any termination for cause by BACR, other than one based on Force Majeure (as defined below), the School shall pay BACR any and all outstanding Management Fees and pre-approved expenses due and owing to BACR or incurred by BACR under this Agreement. For the sake of clarity, the School shall pay BACR the full Management Fee in the event of any termination for cause of this Agreement (except one resulting from Force Majeure as defined below), unless BACR advises of cost savings due to early termination that may be deducted from the AIMS MS fee.

V. INDEMNITY

BACR shall defend, indemnify, and hold the School, AIMS MS, its Board of Directors, officers, employees and agents harmless from and against any and all liability, loss expense, attorney fees for injury or claims for damages, arising out of BACR's performance of the agreement but only in proportion to and to the extent such liability, loss, expense, attorney's fees or claims, for injury on damages are caused by or result from the grossly negligent or fraudulent acts or omissions of BACR, its officers, agents or employees.

Further, if AIMS MS exercises its rights pursuant to Section VII of this Agreement (Removal of Staff), then it shall indemnify BACR and its Board of Directors, officers, employees and agents for any liability, loss, expense, attorney fees, or claims for injury or damages related to that termination, under any theory, even if in its exercise of such rights the School has not engaged in any negligent or intentional acts or omissions.

VI. REMOVAL OF STAFF

In the event that AIMS MS, for reasonable cause, at any time during the term of this agreement, desires the removal of any BACR related persons, employees, representatives or agents from the School site and/or property, BACR shall immediately upon receiving notice from AIMS MS of such desire, cause the removal of such person or persons. Notwithstanding the foregoing, BACR will retain final authority over hiring and termination of any BACR staff, and any such hiring or termination will follow BACR HR policies.

copies of the policy forms indicating that AIMS MS is an additional insured under the policy or policies.

Insurance shall include the following:

- *Property Insurance* - for replacement value, including coverage for all assets listed in AIMS MS' property inventory and consumables that BACR will utilize as part of the Program. If full replacement value coverage is not available, BACR shall procure property insurance in amounts as close to replacement value as possible.

It is agreed that the relationship of BACR to AIMS MS is that of an independent contractor, that BACR shall provide all services under this Agreement as an independent contractor, and that BACR shall not have the authority to bind or make any commitment on behalf of AIMS MS. Nothing herein shall be construed to create a joint venture, partnership, employer-employee, association, or principal-agent relationship between BACR and AIMS MS.

AGREEMENT FOR AFTER SCHOOL PROGRAM SERVICES & FUNDING

This Agreement for After School Program Services & Funding ("Agreement") establishes the material terms of the business relationship between Bay Area Community Resources ("BACR") and American Indian Public Charter School II (K-8) ("AIPCS II") or "School" for the provision of certain educational services (as further detailed below) at the AIPCS II school site during the 2023-24 school year. BACR and AIPCS II are each referred to individually as a "Party," and collectively as the "Parties." This Agreement is effective upon execution by representatives of each Party ("Effective Date").

In exchange for the benefits and consideration set forth below, the sufficiency of which is hereby acknowledged by both Parties, AIPCS II and BACR will collaborate to implement the educational program detailed below ("Program") and assure the fulfillment of the objectives and activities outlined in this Agreement.

I. SCOPE OF WORK AND RELATED TERMS - TRADITIONAL SCHOOL YEAR

BACR agrees to provide an after-school program aligned with the School's school day, program quality, and fiscal oversight, as follows:

A. Miscellaneous Program Details:

1. BACR will develop the Program and review it with School staff, making adjustments as necessary, reasonable, and within the budget set forth below.
2. The Program will include an educational and literacy element designed to provide tutoring and/or homework assistance in one or more of the following subject areas: language arts, mathematics, history and social science, science, and computer training.
3. The Program will have an educational enrichment element that may include, but is not limited to, STEM focused activities, recreation, physical fitness, and other activities.
4. The program will serve snacks provided by School that conforms to the nutrition standards in the California Education Code, Part 27, Chapter 9, Article 2.5, commencing with Section 49430
5. The Program will serve up to 111 School students at a maximum ratio of 20:1 (students to instructor). If it appears Program enrollment will exceed 111, BACR is open to accommodating more students. However, before Program enrollment exceeds 111 students, the Parties agree that they will confer and reach agreement on a written amendment to this Agreement, including the Program Budget and Management Fee terms set forth in Section IV below, with a revised Program Budget to allow for additional staff and Management Fee to reflect additional management efforts.
6. The program will operate daily, Monday through Friday, from August 14, 2023 to June 14, 2024. Program will begin immediately at the end of the regular school day on Monday-Thursdays (except scheduled minimum days) and 1:30 pm on Fridays and minimum days, and will stay open until 6:00 pm daily
7. BACR will handle all human resources and accounting duties as related to hiring, training, paying, and otherwise managing Program staff, who are BACR employees or contractors.

B. Coordination between School, and BACR Program staff.

The School and BACR intend to provide a comprehensive after school program for the School's students. To ensure a consistent experience for School students and families, the Parties hereby agree to the following:

1. Training. The BACR After-School Site Coordinator will attend, when able, training with School faculty and Staff ("School-Day Staff"). Additionally, both the School and BACR agree to be conscious of overlapping staff in scheduling professional development sessions so as to minimize disruption.

BACR Initials _____

2. Fundraising. Because all fundraisers will affect the same group of parents, BACR must obtain written approval from AIPCS II prior to any fundraising efforts involving the School's parents, apart from those funds associated with Program Participation Fees as set forth herein.
3. Classrooms. Teachers at the School will provide a "classroom checklist" to the BACR staff using their classrooms. These checklists are to ensure minimal disruption in the classroom from day to day. BACR staff will commit to checking the list upon arrival and before leaving and reporting any issues regarding the same in a timely manner.
4. Events. BACR and the School will notify each other of any proposed School-related family events (including any shows or showcases) at least one month in advance and will be open to changing dates and times for optimal coordination and participation.
5. Check-Ins. The BACR After-School Site Coordinator will check in daily with the School-Day Site Administrator or such other School staff member that is designated by the School Administrator from time to time for informational handover about student behavior and Program-related matters. In addition, the BACR After-School Site Coordinator and School-Day Site Administrator (or his or her designee) will have additional meetings on weekly or monthly basis to address case management of students, including updates around suspensions and expulsions, where necessary, as well as general Program operations and coordination between the School and BACR.
6. Policies and Procedures. BACR employees working at the School must abide by all BACR, and School policies. BACR will communicate all relevant School policies and procedures to BACR staff and ensure that BACR staff abide by them at all times. These include but are not limited to the School's safety plans and procedures, discipline, social media, student restraint, and any other applicable elements from AIPCS II' Staff/Family Handbook. A current copy of AIPCS II' Staff/Family Handbook policies is attached as **Appendix A** and incorporated herein. AIPCS II, in its sole discretion, may change these policies from time to time. In the event of any such changes, AIPCS II will provide BACR with the updated versions of the policies.
7. Teacher communications. Specific discussions between teachers and the BACR staff using their room must involve BACR's After-School Site Coordinator and the School's School-Day Site Administrator.

C. Communication and accessibility with parents.

The School and BACR recognize that communication with School parents and guardians is an important component of the Program's success. To that end, the Parties hereby agree to the following:

1. Announcements. The School can send information out to its entire parent body on behalf of BACR. This should be used only for major announcements, i.e., deadlines and applications for signing up. Program-specific information to participants will be managed by BACR, but subject to the Head of School prior approval. Communications should include the Head of School on the distribution list.

4. Attendance Records: BACR shall maintain accurate Program attendance records.
5. Research: BACR shall respond to any additional surveys or other methods of data collection that may be required throughout the life of the Program.
6. Student-to-Staff Ratio: BACR shall maintain a student-to-staff member ratio of no more than 20:1, except for in the case of temporary emergencies.
7. Qualifications: BACR shall establish qualifications for each position so that all staff members directly supervising students meet the minimum qualifications of an instructional aide.
8. Screening: BACR shall ensure that all Program staff and volunteers will fulfill health screening (Clear TB Test) and CalDOJ fingerprint clearance requirements in current law and in compliance with School policies (Certified Assurance #25)

Either Party may terminate this Agreement at any time for any reason by giving at least thirty (30) days' written notice to the other Party.

Notwithstanding any other provision of this Agreement, BACR may terminate this Agreement immediately for cause, without any further obligation by BACR, by providing written notice of the same to the School upon the occurrence of any of the following events which shall constitute "cause" for such immediate termination: (1) bankruptcy, insolvency, loss or reduction of funds for the Program by the School; (2) assignment of this Agreement by the School to any other person or entity without the express advance written consent of BACR; (3) a material breach of this Agreement; (4) the School's failure to pay the Management Fee to BACR in a timely manner as set forth above; or (5) a Force Majeure as defined below.

We grant You a non-exclusive, non-transferable revocable authorization to remotely access and use the software as a service offering identified in Schedule A (the “Services”) and, unless prohibited by law, We will provide access to any persons You designate for use as described in these terms and conditions. For clarification and unless otherwise provided in Schedule A as a “site specific” authorization, We authorize access and use on a “one user per one authorization basis” and once granted, You are not allowed to transfer authorizations to other users. Your ability to use the Services may be affected by minimum system requirements or other factors, such as Your Internet connection.

We reserve the right, in our discretion, to replace, substitute, update or upgrade (collectively, “Change”) any of the Services that are necessary or useful to: (a) maintain or enhance (i) the quality or delivery of the Services; (ii) the competitive strength of or market for the Services; or (iii) the Services’ cost efficiency or performance; or (b) to comply with applicable law. For no additional charge, we may also provide you with Changes to the Services that We make generally available to our other customers. All Changes to the Services are subject to these terms and conditions.

1.5. Additional Services. From time to time, the Parties may decide in their discretion to add additional Services, subject to the Parties’ execution of one or more change forms which shall be substantially in the form of the Schedule A and shall incorporate these terms and conditions by reference. Each individual Schedule A shall have its own service term.

2. YOUR RESPONSIBILITIES AND USE RESTRICTIONS.

2.1. Compliance. You shall be responsible for all Users’ compliance with this Agreement and shall use commercially reasonable efforts to prevent unauthorized access to or use of the Services. You shall comply with all applicable laws, standards, and regulations and will not use the Services in a manner not specified or permitted by Us.

3. FEES AND PAYMENTS.

3.1. Fees and Payment. You will pay for the Services in accordance with the payment terms, frequency, and fee schedule in Schedule A attached to this Agreement. All fees collected by Us under this Agreement are fully earned when due and nonrefundable when paid, except if You terminate this Agreement for cause as described in Section 5.2.

If any taxes shall be required by law to be deducted or withheld from any fee payable hereunder by You to Us, You shall, after making the required deduction or withholding, increase such fee payable as may be necessary to ensure that We shall receive an amount equal to the fee We would have received had no such deduction or withholding been made.

Harris uses commercially reasonable efforts to ensure that incoming calls are handled in the order that they are received. Please note that response times are dependent on the priority of a call and calls are escalated based on the urgency of the issue reported. Response time guidelines are as follows:

Priority 1: 1 - 4 hours

Priority 2: 1 - 8 hours

Priority 3: 1 - 24 hours

Call Priorities: Defined

In order to address Support calls efficiently, Harris' Support Services team will work with each customer to determine the severity of the incident reported and assign a priority level to each case. The priority level relates to the impact of the incident on a particular customer's ability to use Harris' products and/or solutions. Cases are then escalated through various levels of expertise for resolution. When a customer initially contacts our Support Services team about a problem and a trouble ticket is opened, the customer must set an initial Priority Level for the corresponding issue based upon Harris' incident case criteria as follows:

“Priority 1 - High” means a problem has occurred where (i) the customer's mission critical system(s) are down; or (ii) a substantial portion of the customer's mission critical data is at a significant risk of loss or corruption; or (iii) the customer has experienced a substantial loss of service; or (iv) the customer's business operations have been severely disrupted; and in each of the foregoing situations (i) through (iv), no workaround is immediately available.

Examples of a Priority 1 issue include:

- The System or Service is Down or inaccessible
- System errors without workarounds
- Performance issues of severe nature impacting critical processes
- Hand-held interface issues preventing billing

“Priority 2 - Medium” means a problem has occurred where major functionality is severely impaired. The customer's operations can continue in a restricted fashion, although long-term productivity might be adversely affected.

Examples of a Priority 2 issue include:

- System errors that have workarounds
- Calculation errors impacting a minority of records
- Reports calculation issues
- Printer related issues (related to interfaces with our software and not the printer itself)
- Performance issues not impacting critical processes
- Usability issues

“Priority 3 – Low” means a problem has occurred that has a limited adverse effect on the customer's business operations or (ii) a minor condition or documentation error that has no significant effect on the customer's operations; or (iii) a suggestion for new features or an enhancement regarding the Services.

Examples of a Priority 3 issue include:

- Report formatting issues
- Training questions, how to, or implementing new processes
- Aesthetic issues
- Recommendations for enhancements on system changes
- Questions on documentation

Call Process

All Support issues or questions must be initiated with a Support call via one of the following channels:

- Phone
- email
- All calls must contain at a minimum: organization name, contact person, software or product name and version, module and/or menu selection, nature of issue, detailed description of the question or issue and any other information believed to be pertinent.
- All calls are logged into Harris' support tracking database and users are provided with a call id to track their corresponding issue.
- All calls are stored in a queue and calls are handled on a first-call first-response order.
- As the assigned support representative investigates an issue, the user is contacted and advised on the issue status and the course of action that will be taken for resolution. If additional information is required, the user will be contacted by the assigned support representative to supply the information required.
- All correspondence and actions associated with the call are tracked in Harris' support database. At any time, if applicable, a user may log onto Harris' support site to determine the status of their issue.
- If an issue needs to be escalated to a development resource or programmer for resolution, the issue will be logged into our development tracking database and the user will be provided with a separate id number to track the progress of the issue. At this time, the support call will be closed and replaced by the development id number. The development id number will remain open until the issue has been completely resolved. Issues escalated to development will be scheduled for resolution based upon the nature and complexity of the issue.
- Users may contact Support Services at their convenience for a status update on any development issues.

Escalation Process

Harris' escalation process is defined below. This process has been put in place to ensure that issues are being dealt with appropriately. If at any time a user is not completely satisfied with the resolution of their issue, they are encouraged to escalate with Harris' Support Services organization as follows:

AIMS Placement and Advancement ADMINISTRATIVE REGULATION

AIMS Compensation Guidelines

In accordance with AIMS Board Policy 111 and Education Code [45162](#), the Compliance Department is responsible for placing employees on the salary schedule to ensure the compensation classification for certificated and classified employees, including administering transparent and equitable pay-related processes and procedures.

AIMS Salary Placement Process

- Aligns initial salary placement standards with AIMS Board Policy 111 based on candidates/employees' verified experience, education, classification, promotions, temporary assignments, and other pay actions.
- All certificated and classified employees will be compensated based on pay rates assigned to the salary range for the position held. An employee's pay rate shall not be less than the minimum pay rate or more than the maximum pay rate for the classification. (Education Code, [45160,45023](#))
- The salary schedule is based on 1.0 FTE. Salary placements are aligned with the salary schedule any reductions in compensation (i.e. reduced FTE, mid-year hires, furlough days, etc.) are to be calculated after the initial salary placement is determined.
- Determine employees pay based on Board Approved salary schedule and classification necessary to assist in the creation of job descriptions as related to promotion, demotion and reclassification of employees.

Salary Hiring Range

The hiring range for positions will be advertised based on classification and provided to the public with the salary range assigned to each specific job description supported by the Board approved salary schedule. The initial salary placement falls between the minimum and midpoint of the pay range assigned to each specific job classification.

Initial Salary Placement:

All certificated and classified employees shall be placed in their proper range on the AIMS board approved salary schedule.

Employment, assignment and salary placement are in correlation with job requirements as specified within AIMS job descriptions.

Salary placements are based on the candidates/employees' verified relevant job classification experience.

Verification of Previous Work Employment Process:

The Verification of Work Experience will allow employees/candidates to be placed beyond the minimum salary range. The Verification of Work Experience must align with Salary Schedule Placement guidelines. Prorated credit may be given for verified relevant experience as long as the experience is directly related to the essential duties of the new/current position.

The candidates verified relevant job classification work experience must be substantially similar in level of responsibility to essential duties in terms of the extent and scope of the new and/or current position.

Salary Placement Schedule Guidelines

<https://drive.google.com/file/d/19GQQ6ZjSULh98r8gjoHt7B3aPG0uykyX/view>

Promotion:

Promotions for employees with a higher classification and salary range must be made on the basis of job-related qualifications. They must include a permanent and demonstrable increase in employee duties.

Exceptions to promotion procedures may be made on an individual basis and must be approved by the Superintendent.

For compensation purposes, when promoting an employee they are placed on a higher salary schedule and/or range except for general pay structure changes or position reclassification.

Commented [1]: Will need to add to AIMS website with new updated link to be referenced

Commented [2]: Pg. 28 in handbook

Commented [3]:
@suzen.chu@aimsk12.org can you please support with adding the link to pg 23 on the handbook that outlines salary guidelines

The approval and effective date of a promotion is determined by the Superintendent or designee. The salary increase must be within the appropriate salary range for the position title and classification in accordance with AIMS Board Policy 111.

Any salary increase must be:

- Within the appropriate salary range for the position title and classification.
- The adjusted salary for newly promoted employees shall normally not be started at a rate above the salary of other AIMS employees with more experience in the job classification.
- Contingent upon available funds
- Consistent with AIMS employment terms and conditions
- Subject to appropriate AIMS approval procedures

Demotion and Reassignment:

The approval and effective date of a demotion is determined by the Superintendent or designee. The salary decrease must be within the appropriate salary range for the position title and classification in accordance with AIMS Board Policy 111.

Employees accepting voluntary demotions/reassignments shall be placed in the range of the new class at the step that is closest to but not higher than the current base range/step.

Under the directive of the Superintendent, if the demoted employee is allowed to retain his/her salary and if it exceeds the maximum of the salary range, the employee's salary may not increase until the maximum of the new salary range is increased.

Reclassification:

Reclassification is not a device for salary increases. It is to allow the reclassification caused by a change in the job requirements. Upon reclassification upward of a position or class of positions, the position shall be assigned a salary range at least one salary range higher than the former range.

The incumbent(s) in the reclassified position(s) shall be reclassified with the position(s) and placed on a step which will result in at least a five percent (5%) salary increase. Reclassification shall not change an employee's anniversary date.

Commented [4]: Confirm w/ Superintendent about % of salary increase for reclassification

Reasons for reclassifications:

1. Significantly new job duties are permanently added to the job or job description by Supervisor or designee.
2. Significantly new or increased responsibilities and accountability, other than increased workload have been permanently added to the position by Supervisor or designee.

Reasons that are not a basis for reclassification:

1. Workload increases. "Workload" meant the volume or amount of work assigned to be completed within a given period of time; e.g., if the amount of work increases but the job duties are essentially the same or at the same skill level, there is no basis for reclassification.
2. Seniority of length of service in the position.
3. Assuming duties on one's own behalf.

Governance

The Charters are governed by a volunteer Board of Directors. There are five members of the board, each volunteering their term. The school board meets once a month on the third Tuesday of each month. The Board of Directors are supported by a several other committees such as the Governance, Finance, Facility and LCAP Advisory Committees' that also meet monthly. Charter operations are led by Superintendent Maya Woods-Cadiz.

Enrollment

In accordance to the Charter Agreement with Oakland Unified School District, AIMS K12 has nearly reached its full enrollment capacity. AIMS College Prep Middle School is capped at 250 students, American Indian Public Charter II (AIPCS II) 675, and AIMS College Prep High School at 450. The report below reflects enrollment numbers, the Average Daily Attendance (ADA) number and the Average Daily Attendance (ADA) percentages used in projecting the budgets.

These numbers have had an impact on the LCFF General Fund allocations however other State and Federal supports have been fundamental in maintaining AIMS K 12 standards. For the 2023-2024 Adoption Budget projections enrollment numbers reflect a reduction based on the 2.98% State average in school attendance. As the recovery from the pandemic ensues, schools all over the nation are seeing declines in enrollment. AIMS K12 has attempted to capture that reduction in the during the 2023-2024 Adoption budget.

2023-2024 State Budget

INTRODUCTION MAY REVISION — 2023-24

The May Revision includes total funding of \$127.2 billion for K-12 education (\$79.1 billion General Fund and \$48.1 billion other funds). Because available Proposition 98 resources have declined between the Governor’s Budget and the May Revision, the May Revision adjusts and repurposes prior one-time allocations to continue supporting and maintaining critical ongoing education investments. The May Revision repurposes modest portions of the funding previously provided to support the Arts, Music, and Instructional Materials Block Grant and the Learning Recovery Emergency Block Grant to support the Local Control Funding Formula. With these changes, the state is reasonably positioned to sustain the continued multi-year implementation of the California for All Kids plan—a whole child framework to close opportunity gaps by accelerating learning and investing in the educator workforce while providing universal access to early learning, before and after school care, comprehensive nutrition services, and increasing the number of community schools in high-needs communities. Further, the May Revision does not reflect a discretionary withdrawal from the Public-School System Stabilization Account.

The decrease in revenues projected for fiscal years 2021-22, 2022-23, and 2023-24 results in a corresponding decrease in resources for K-14 schools. Proposition 98 is estimated to be \$110.6 billion in 2021-22, \$106.8 billion in 2022-23, and \$106.8 billion in 2023-24, representing a three-year decrease in the minimum Guarantee of \$2 billion below the level estimated in the Governor’s Budget. These funding levels include property tax increases of \$15 million in 2021-22, \$767 million in 2022-23, and \$201 million in 2023-24.

What does the Governor’s May Revise mean for AIMS K-12?

1. State tax revenue is lower than projected and there is more risk than usual of the state’s fiscal situation getting worse
2. 8.22% COLA to just about all programs, which is great news (and slightly higher than January’s 8.13%)
3. But to do the above despite the state’s worsening fiscal outlook, the governor proposed to cut the already-published Arts and Music Instructional Block Grant and Learning Recovery block grant amounts by roughly 25% and 32% respectively

EXPIRED PROGRAMS

COVID RESPONSE FUNDING:

SSO Grant:

On September 17, 2020 AIMS K12 was approved to participate in the SSO Food program and will continue through the 2021-2022 fiscal year. This program was designed to ensure that students and families were provided with meals during the pandemic. The State funded program, reimburses full cost of meals AIMS K12 distributes to its students and surrounding community. The program differs from the NSLP program as it does not require the same level of record maintenance for reimbursement as this program tracks the meals distributed not the child it is distributed to. The language also allows AIMS to provide meals for any community member under the age of 18. The program allows for full reimbursement of cost.

ESSER I: ESSER funding was initially outlined in the 2020-21 Governor's budget. The funds were provided to California through the Federal Coronavirus Aid Relief and Economic Security Act (CARES) and allocated in the Governor's ESSER budget for schools. ESSER funds are available for expensing until 9/30/2022. These funds are meant to assist schools in preparing for distance or hybrid learning. AIMS approved the application for the ESSER funds during the August 18, 2020 Board Meeting. The total State budget is 1.65B of which AIMS K12 received \$304,843 in 2020-2021. These funds will be completely expended in the 2021-2022 school year.

ESSER II: California Department of Education has released the new allocations for the second round of ESSER funds in which AIMS K12 has received an additional \$1,260,266. The funds are available for use beginning 2020-2021 through the 2021-2022 school year. AIMS began to expense in the 2020-2021 fiscal year and the remaining funds are allocated in the current fiscal year. These funds will be fully expended by June 30, 2022.

emotional well-being. ELO Grants shall be expended only for any of the following purposes: extending instructional learning time, accelerating progress to close learning gaps, integrated pupil supports, community learning hubs, supports for credit deficient pupils, additional academic services, and training for school staff. An additional requirement of the use of funds, is to allocate 10% of the LCFF portion of the grant to hire/rehire paraprofessionals to provide supplemental education. AIMS K-12 ELO Grant Plans were presented and approved by the Board of Trustees in May 2021 and submitted to the State and OUSD prior to the June 1, 2021 deadline. The ELO grant is allowable for use in the 2021-22 and will be fully expended by year end. These funds change distribution methods to federal reimbursement in 2021-2022, revenue is still available for reimbursement.

NEW PROGRAMS

ART & MUSIC INSTRUCTIONAL GRANT: Funding for local educational agencies to obtain standards-aligned professional development and instructional materials in specified areas, improve school culture, develop diverse and culturally relevant book collections, and other specified uses.

CONTINUED PROGRAMS (*Revenue recognized in 2023-2024*)

ESSER III: California Department of Education has released the new allocations for the third round of ESSER funds in which AIMS K12 has received an additional \$2,856,649. The funds are available for use beginning 2021-2022 through the 2023-2024 school year. AIMS has allocated these funds for the duration of the program, allocating 20% in 2021-22 and the remaining balance split between the 22-23 and the 23-24 fiscal years.

EXPANDED LEARNING OPPORTUNITY PROGRAM (ELOP)

The intent of the Expanded Learning Opportunities (ELO) Program is to supplement and not supplant services provided under existing ASES and 21st CCLC Elementary/Middle School programs. However, there is shared understanding that LEAs will need to build capacity this first operational year. In addition, ASES, 21st CCLC Elementary/Middle School, and the ELO Program should be considered a single, comprehensive program. In coordinating all these funding streams to move towards a single program, the expectation is that the most stringent requirements will be adopted for program guidance.

The funding was provided during the 2021-2022 fiscal year, the midyear allocation disbursement has eased the plan requirements for the mandates of funding. The Board Approved plan for the use of funding is not due to the state until June 2022. Funding was received in 2021-2022.

Expenses

AIMS K-12 College Prep 2023-24 Adoption Budget reflects a 46% investment in Personnel expenses and 54% allocated to the operations of the organization. This investment composition decreased by 3% in personnel allocation due to the increase in sub cost in the operations budget between the 2022-23 and 2023-24 fiscal years. AIMS K-12 Teacher and Non-Exempt salary schedules were re-aligned in the 2023-2024 fiscal year to reflect an 8% increase. The increased cost of facility operations, substitute services, insurance rates as well as other maintenance and cleaning factors continue to plague the District. The OUSD Settlement payment will be finalized during the 2023-2024 academic year. The total expenses for the 2023-2024 AIMS K-12 college Prep District are projected at \$24,045,577.

Salaries & Benefits

Salary compensation represents 46% of expenses across all AIMS K-12 College Prep Schools. AIMS offers a competitive compensation package for both certificated and classified staff. Employee Benefit expense at AIMS averages 23% across all schools. This can vary greatly due to two primary factors: Health and Welfare benefits and PERS. AIMS K-12 covers the employee portion of all AIMS employer-based Health and Welfare options that the employee participates in. Health and welfare benefits (medical/dental/vision insurance premiums), if requested by the employee, can vary due a number of factors, including an employee's age and number of dependents. AIMS tracks and reports health and welfare benefits as precisely as possible, reflects as a variance in the percentage of benefits for employees at AIMS.

AIMS MIDDLE

Compensation for staff at AIMS College Prep Middle School, formerly known as American Indian Public Charter (AIPCS), is split between AIPCS and the middle school component of American Indian Public Charter School II (6-8). The expenses reflected are split by assignment and student Average Daily Attendance (ADA). All staff, with the exception of 5 teachers are split funded between AIMS Middle and AIPCS II.

AIPCS II

American Indian Public Charter II (AIPCS II) is a K – 8. The staff for the K – 5 components are fully funded at AIPCS II and the middle school component reflects the following Full Time Equivalent (FTE) split:

AIPCS 51%
AIPCS II 49%
100%

In 2021-2022 AIMS partnered with Oakland Unified School District to provide the Special Education services for their students. For the 2022-2023, AIMS K-12 began a partnership with the Eldorado Charter SELPA in the 2022-2023 school year. This required the staff and program to be built at the site level and reduced the cost to pay OUSD.
