AIMS K-12 COLLEGE PREP

2023-2024 1st Interim Budget Executive Summary

AIMS K-12 College Prep, formerly known as, American Indian Model Schools, is a Charter District comprised of 3 schools. AIMS College Prep Middle School was initially established in 1996, celebrating its' 25th Anniversary in June 2022. The AIMS K-12 College Prep Charter District was formed in 2006 with the expansion of schools, adding AIMS College Prep High School and American Indian Public Charter II, (K-8). The Charter is located in the city of Oakland in Alameda County.

AIMS K-12 College Prep 2023-2024 projects enrollment of 1222 students in 3 schools; One K-8, One Middle School (6-8) and One High School. AIMS K-12 currently employs 6 part-time and 121 full-time staff to serve our students.

Governance

The Charters are governed by a volunteer Board of Directors. There are five members of the board, each volunteering their term. The school board meets every other month on the third Tuesday. The Board of Directors are supported by a several other committees such as the Governance, Finance, Facility and LCAP Advisory Committees' that also meet monthly. Charter operations are led by Superintendent Maya Woods-Cadiz.

Enrollment

In accordance to the Charter Agreement with Oakland Unified School District, AIMS K12 has nearly reached its full enrollment capacity. AIMS College Prep Middle School is capped at 250 students, American Indian Public Charter II (AIPCS II) 675, and AIMS College Prep High School at 450. The report below reflects enrollment numbers, the Average Daily Attendance (ADA) number and the Average Daily Attendance (ADA) percentages used in projecting the budgets.

These numbers have had an impact on the LCFF General Fund allocations however other State and Federal supports have been fundamental in maintaining AIMS K 12 standards. For the 2023-2024 1st Interim Budget enrollment numbers reflect a 3% reduction based on the actual attendance records. The greatest impact coming from the loss of enrollment at he High School. Average Daily Attendance (ADA) percentages have slightly increased offsetting the impact to the calculation of State funding.

2023-2024 State Budget

INTRODUCTION MAY REVISION — 2023-24

The May Revision includes total funding of \$127.2 billion for K-12 education (\$79.1 billion General Fund and \$48.1 billion other funds). Because available Proposition 98 resources have declined between the Governor's Budget and the May Revision, the May Revision adjusts and repurposes prior one-time allocations to continue supporting and maintaining critical ongoing education investments. The May Revision repurposes modest portions of the funding previously provided to support the Arts, Music, and Instructional Materials Block Grant and the Learning Recovery Emergency Block Grant to support the Local Control Funding Formula. With these changes, the state is reasonably positioned to sustain the continued multi-year implementation of the California for All Kids plan—a whole child framework to close opportunity gaps by accelerating learning and investing in the educator workforce while providing universal access to early learning, before and after school care, comprehensive nutrition services, and increasing the number of community schools in high-needs communities. Further, the May Revision does not reflect a discretionary withdrawal from the Public-School System Stabilization Account.

The decrease in revenues projected for fiscal years 2021-22, 2022-23, and 2023-24 results in a corresponding decrease in resources for K-14 schools. Proposition 98 is estimated to be \$110.6 billion in 2021-22, \$106.8 billion in 2022-23, and \$106.8 billion in 2023-24, representing a three-year decrease in the minimum Guarantee of \$2 billion below the level estimated in the Governor's Budget. These funding levels include property tax increases of \$15 million in 2021-22, \$767 million in 2022-23, and \$201 million in 2023-24.

What does the Governor's May Revision mean for AIMS K-12?

1. *State tax revenue is lower than projected and there is more risk than usual of the state's fiscal situation getting worse*
2. *8.22% COLA to just about all programs, which is great news (and slightly higher than January's 8.13%)*
3. *But to do the above despite the state's worsening fiscal outlook, the governor proposed to cut the already-published Arts and Music Instructional Block Grant and Learning Recovery block grant amounts by roughly 25% and 32% respectively*

Budget

AIMS K-12 College Prep fiscal year is from July 1 to June 30, as prescribed for all governmental agencies in the state. AIMS K-12 2023-2024 1st Interim Budget is projected as a \$24,285,298 a 2.9% decrease from the 2023-2024 Adoption Budget.

EXPIRED PROGRAMS

COVID RESPONSE FUNDING:

SSO Grant:

On September 17, 2020 AIMS K12 was approved to participate in the SSO Food program and will continue through the 2021-2022 fiscal year. This program was designed to ensure that students and families were provided with meals during the pandemic. The State funded program, reimburses full cost of meals AIMS K12 distributes to its students and surrounding community. The program differs from the NSLP program as it does not require the same level of record maintenance for reimbursement as this program tracks the meals distributed not the child it is distributed to. The language also allows AIMS to provide meals for any community member under the age of 18. The program allows for full reimbursement of cost.

ESSER I: ESSER funding was initially outlined in the 2020-21 Governor's budget. The funds were provided to California through the Federal Coronavirus Aid Relief and Economic Security Act (CARES) and allocated in the Governor's ESSER budget for schools. EXPANDED LEARNING OPPORTUNITY PROGRAM (ELOP)

The intent of the Expanded Learning Opportunities (ELO) Program is to supplement and not supplant services provided under existing ASES and 21st CCLC Elementary/Middle School programs. However, there is shared understanding that LEAs will need to build capacity this first operational year. In addition, ASES, 21st CCLC Elementary/Middle School, and the ELO Program should be considered a single, comprehensive program. In coordinating all these funding streams to move towards a single program, the expectation is that the most stringent requirements will be adopted for program guidance.

Salary compensation represents 44% of expenses across all AIMS K-12 College Prep Schools. AIMS offers a competitive compensation package for both certificated and classified staff. Employee Benefit expense at AIMS averages 23% across all schools. This can vary greatly due to two primary factors: Health and Welfare benefits and PERS. AIMS K-12 covers the employee portion of all AIMS employer-based Health and Welfare options that the employee participates in. Health and welfare benefits (medical/dental/vision insurance premiums), if requested by the employee, can vary due a number of factors, including an employee's age and number of dependents. AIMS tracks and reports health and welfare benefits as precisely as possible, reflects as a variance in the percentage of benefits for employees at AIMS.

AIMS MIDDLE

Compensation for staff at AIMS College Prep Middle School, formerly known as American Indian Public Charter (AIPCS), is split between AIPCS and the middle school component of American Indian Public Charter School II (6-8). The expenses reflected are split by assignment and student Average Daily Attendance (ADA). All staff, with the exception of 5 teachers are split funded between AIMS Middle and AIPCS II.

AIPCS II

American Indian Public Charter II (AIPCS II) is a K – 8. The staff for the K – 5 components are fully funded at AIPCS II and the middle school component reflects the following Full Time Equivalent (FTE) split:

AIPCS	51%
AIPCS II	49%
	<u>100%</u>

Books and Supplies

Records expenditures for books and supplies, including any associated sales tax or use tax and freight and handling charges.

The category of Book and Supplies captures more than classroom textbooks and materials, it itemizes Non- Capitalized student equipment such as tables, chairs, computers and software.

Services and Other Operating Expenses

Record expenditures for services, rentals, leases, maintenance contracts, dues, travel, insurance, utilities, and legal and other operating expenditures. Expenditures may be authorized by contracts, agreements, purchase orders, and so forth.

For the 2022-2023, AIMS K-12 began a partnership with the Eldorado Charter SELPA in the 2022-2023 school year. This required the staff and program to be built at the site level and reduced the cost to pay OUSD.

Goal 2

Goal #	Description
[Goal #2]	Instruction, Development, and Support: Provide high quality classroom instruction from appropriately credentialed teachers and staff, that promotes college and career readiness with academic interventions and professional development to eliminate barriers to student success.

An explanation of why the LEA has developed this goal.

Since the 2019-20 academic school year, AIMS HS has shifted towards a significant need in increasing teacher retention, by increasing the salary scale from 5-10 years, providing a \$5K per year renewable bonus for all teachers that remain the entire school year, AP performance bonuses, new evaluation processes, and various teacher awards and incentives. However, due to continued increased COVID related teacher vacancies, AIMS HS has increased the teacher retention bonus to \$7K per annum and has increased department chair stipends to \$3K per year. As part of our model, AIMS caters to the holistic needs of students by fully-funding all relevant and necessary instructional materials for students, school uniforms, and supplemental resources. Together, these two elements will help students, teachers, staff, and administrators thrive.

ELOP In Kind Contribution

Last year AIMS MS, and AIPCS II did not use all of the ASES funds. The ASES grant is an 18-month grant so we can use money that was not used last year and report it for Q5 and Q6. BACR sent us a budget proposal to increase the hourly rate for the staff and be more competitive with what other schools are offering in the area. We could use the leftover funds from last year and then make up the difference with ELOP funds which is an allowable expense. We need to increase our attendance otherwise the grants will be reduced. We also need to offer ELOP services otherwise we are losing money for every day we do not provide services.

From CDE:

Allowable Uses

1. [Can the ELO Program funding be used for the local match for After School Education and Safety \(ASES\) funds?](#)
Yes. The ELO Program funding can be used for the local match for ASES, as it is the intent that ASES, 21st CCLC Elementary/Middle School, and the ELO Program funding be considered a single comprehensive program. The expectation is that a substantial number of new pupils will be provided access beyond the ASES enrollment, in accordance with ELO Program requirements.
