Memorandum of Understanding

Elementary and Secondary Education Act, Title III, Part A,

English Learner Student Program Subgrant Consortium

Memorandum of Understanding, 2025-2026 School Year

This Memorandum of Understanding represents the agreed-upon program, services and products to be provided to English learner (EL) students in the AIMS K12 College Prep District during the **2025-2026** school year. The AIPCS II will act as lead local educational agency (LEA) and member. The consortium shall be named the AIMS K-12 College Prep.

The AIMS K-12 College Prep will be responsible for acting as the fiscal agent for the Consortium and will file the required expenditure reports, maintain fiscal records, and is the only agency entitled to up to two percent of the total consortium allocation for direct administrative costs. The Consortium will plan to expend all Title III funds during the 2025-2026 grant year. AIMS K12 College Prep must continue to serve as the fiscal agent for the Consortium for the duration of the 27-month grant period or until all the funds are expended, whichever comes first. After that time, the California Department of Education (CDE) will bill the AIMS K12 College Prep for any remaining balance.

According to our estimates, the Consortium collectively enrolled 257 EL students, which results in a subgrant amount of approximately **\$32,289.48**. In its role as the lead LEA, the AIMS K12 College Prep will support a total amount of programs, services, and products as indicated below:
