AIMS K12 College Prep Charter District

WHAT IS A BOARD POLICY MANUAL

The function of the School Board is to represent the vision and values of the district's stakeholders; this is what it means to govern the district. The function of the Executive Director is to implement the charter district stakeholders' vision and values; this is what it means to manage the district.

This document is the Board's policy manual and is focused on how the School Board governs the charter district. In addition there is the district procedure manual that is maintained by the Executive Director and is focused on how the Executive Director manages the district (<https://www.joyfulpublicschools.org/supt/>).

HOW TO USE THIS BOARD POLICY MANUAL

This is the official Board Policy Manual for American Indian Model Schools doing business as AIMS K12 College Prep Charter District

The manual is divided into four sections — Goals, Guardrails, Delegation, and Governing — followed by an appendix.

The **Goals** policies focus on the direction the Board wants to lead the school system. Because schools only exist to improve student outcomes, the Goals section is concerned with the outcomes the community wants to see for its students. The Goals section includes the vision and goals.

The **Guardrails** policies focus on the protections the Board puts in place regarding unacceptable circumstances. Because the School Board must represent not only the community's vision but also its values, the Guardrails section is concerned with identifying behaviors that the Executive Director may not engage in because they would be violations of the community's values. The Guardrails section includes the theory of action and guardrails.

The **Delegation** policies focus on the Board's cascading of authority to staff who are directly evaluated by the Board. The Delegation section includes the extent and nature of delegation and delegate evaluation.

The **Governing** policies focus on the Board's roles, Board Member roles, and how Board Members conduct themselves. The Governing section includes descriptions of the Board's role, Board Member ethics, Board self-evaluation, monitoring calendar, Board meeting procedures, communication procedures, and community engagement procedures.

1.0 GOALS

1.1 Vision

AIMS exists to ensure that all students will graduate ready for and with opportunities in careers, college, or the military.

1.2 Board's Goals

The Board's goals, as aligned to the vision, are:

- Goal 1:
- Goal 2:
- Goal 3:

2.0 GUARDRAILS

2.1 Theory of Action

- If the central office directly operates some schools and grants varying levels of autonomy to other schools; and
- If the central office clearly defines operational thresholds that deserve higher levels of autonomy, and the specific autonomies earned, consistent with Board goals and guardrails; and
- If central office manages the accountability system and enrollment system for all schools,
- Then:
 - Central office will ensure accomplishment of the Board's goals while operating within the Board's guardrails at centrally managed schools; and
 - School leaders will ensure accomplishment of the Board's goals while operating within the Board's guardrails at autonomously managed schools

2.2 Board's Guardrails for the Executive Director

In attaining the Board's goals, the Executive Director shall not:

- Guardrail 1:
- Guardrail 2:
- Guardrail 3:
- Guardrail 4:

3.0 DELEGATION

3.1 Delegation to the Executive Director

The School Board shall concern itself primarily with broad questions of policy and with the appraisal of results, rather than with administrative details. The application of policies shall be an administrative task to be performed by the Executive Director and their staff who shall be held accountable for the effective administration and supervision of the entire school system.

All matters to be submitted to the Board shall first be brought before the Executive Director for investigation. If these matters require Board action, they shall be presented to the Board by the Executive Director or their designee. Board members, acting as individuals, have no authority over school affairs, but have such authority when acting as a body duly called in session. Board members will refrain from acting as arbitrators of complaints. All complaints will be channeled through the Executive Director for resolution.

The Board believes that vision, goal setting, goal monitoring, and the legislation of policies are the most important functions of a Board, and that the execution of the policies should be the function of the Executive Director.

The Executive Director shall be the sole person responsible to the Board for the entire school program. All official Board actions and decisions will take place only when the Board convenes formally. The Board and the Executive Director will strive at all times to preserve institutional integrity and support each other, the faculty, and students. They will strive to maintain mutual respect for each other and be mindful that it is the solemn duty of each to fulfill the hopes and aspirations of the general school community and to always act within the framework of the local, state and federal laws when implementing duly constituted Board policies.

3.2 Executive Director's Role

The Executive Director, as the Board's sole executive officer for managing school system operations, shall be responsible for accomplishing any reasonable interpretation of the Board's goals within the boundaries provided by the Board's guardrails, and state and federal law.

State and federal law require Board adoption of policies on a variety of topics. The Board's adopted policies in the district procedure manual constitute compliance with these legal requirements. In accordance with state law, the Executive Director shall be responsible for preparing recommendations for policies to be adopted by the Board, overseeing implementation of adopted policies, and developing appropriate administrative procedures. In recommending policy for Board adoption, the Executive Director shall identify when the Board is required to adopt policy or has statutory decision-making authority that cannot be delegated to the Executive Director. Required board policy addressing administrative issues shall be handled by consent agenda, with the Executive Director informing the Board of substantive changes.

Any operational issues not required to be Board adopted shall be addressed in district procedure manual and the Board shall take necessary steps to remove such issues from board policy.

3.3 Executive Director Evaluation

The Board shall annually evaluate the Executive Director based on the school system's achievement of the Board's goals and compliance with the Board's guardrails.

4.0 GOVERNING

4.1 Powers and Duties of School Board

Members of the Board shall attend Board meetings, discuss items presented on the agenda, suggest other items for consideration and vote upon motions and resolutions presented. Official decisions of the Board can be arrived only at duly constituted Board meetings. Individual Board Members or groups of Board Members do not have independent authority to speak for the Board and should make no out-of-meeting commitments unless directed to do so on behalf of the Board.

4.2 Board's Guardrails for the Board

The Board shall operate within the Board's role (as defined above) and the Board's operating procedures (as defined below). The Board, either collectively or through the actions of individual Board Members, shall not:

- Invest less than 50% of its minutes each month into monitoring student outcome goals
- Perform or appear to perform any of the responsibilities delegated to the Executive Director
- Violate any Board-adopted policy or district procedure

4.3 Board Officer Roles & Responsibilities

The Chair of the Board shall preside at Board meetings, shall perform all duties imposed by the state statutes, and shall perform such other duties as may be prescribed by law or by action of the Board. The Board Chair shall have the same right as other members to offer resolutions, make motions or second motions, discuss questions, and vote thereon. The Vice Chair of the Board shall have the powers and duties of the Board Chair in the event of absence or disability of the board Chair. The secretary of the Board shall keep, or cause to be kept, a full and accurate record of the proceedings of the Board which shall be transcribed into the official minutes of the Board. The secretary shall sign official district documents that require the signature of the secretary's office.

4.4 Board Committees

Committees, composed of Board Members, may be selected for special assignments. Such committees shall be appointed by the Board Chair and shall terminate upon completing their assignments, or may be terminated by a vote of the Board at any time. All recommendations of a committee must be submitted to the Board for action. The role of the Board's committees is to advise and support the work of the Board, not to advise or direct district staff.

No Committee may meet until the Board Chair has first defined the committee's Chair, Members, deliverable, and due date for the deliverable. Committees that fail to provide their deliverable back to the full board by the due date shall be disbanded and the Board Chair may create a new committee to accomplish the deliverable -- but the former chair from the failed committee is not eligible to serve on a new committee formed for a similar purpose.

4.5 Board Self Evaluation

The Board shall regularly conduct formative self-evaluations and, within 45 days prior to conducting the annual Executive Director evaluation, an annual summative self-evaluation. The Board shall self-evaluate using a research-based self-evaluation instrument.

4.6 Board Agenda

- 14 Days Before Board Meeting: For each Board meeting the Executive Director will provide all items to be considered -- including legal documents, support materials, staff presentations, etc -- to Board members at least 14 days prior to the Board meeting during which the items will be considered. The Executive Director will always provide recommendations for items that require Board approval. All consent-eligible items will be placed, by default, on the consent agenda. Once Board members receive the materials, they may immediately begin submitting questions to the Executive Director. Any items not provided to the Board at least 14 days in advance will not be eligible for consideration and will be moved to the subsequent meeting agenda.
- 9 Days Before Board Meeting: Board members will have five days to submit questions about the agenda items to the Executive Director.
- 6 Days Before Board Meeting: The Executive Director will have three days to create a Q&A document of responses.
- 4 Days Before Board Meeting: Board members will have the following two days to request items be removed from the "consent" agenda and placed on the "regular" agenda for discussion and consideration. If at least three board members request an item to be moved from the consent agenda to the separate vote agenda by 73 hours prior to the board meeting, the Board services office will immediately make the change. This is the only time before or during Board meetings that items will be able to be moved from the consent agenda to the separate vote agenda.
 - If Board members need to recuse themselves from participation in an item on the agenda because of a conflict of interests, they must declare that in writing to the Board services office and copy the Board president. If the Board services office receives a declaration, it will create a second consent agenda item -- a "recusal consent" agenda -- to place items on that are subject to a conflict of interests so that Board members can vote on the standard consent agenda without voting on an item on the conflicted consent agenda.
- 3 Days Before Board Meeting: The Board services office will post the final agenda 72 hours in advance in accordance with state law. The Board meeting agenda must include a copy of the Q&A document. No additional changes will be made to the Board agenda during the 72 hour period prior to the Board meeting.
- Day of Board Meeting: No additional additions to the agenda or removal of items from the consent agenda will be made to the Board agenda during the Board meeting. Motions to that effect will be ruled out of order by the Board president.

4.6 Board Meeting Procedures

The School Board shall meet regularly. A majority of the members of the Board shall constitute a quorum for the transaction of business. Special and recessed meetings may be held upon the call of the Board chair, or upon a call of a majority of the Board members. The Board may go into executive session under the circumstances permitted by statute, and the minutes of the Board shall show in each instance any final action taken in executive session.

All business shall be transacted in open meeting with the Executive Director present. All action taken by the Board shall become official at the time it is taken. The Executive Director or their designee shall be present at all meetings except when the trustees discuss matters germane to the Executive Director.

All action taken by the School Board shall become official at the time it is taken. All school business shall be transacted at Board meetings, and members shall avoid commitments through personal interviews with individuals which might tend to hamper or embarrass the trustees or to prejudice their decision.

4.7 Public Comment In Board Meetings

The School Board desires to hear the viewpoints of stakeholders throughout the district and considers the responsible presentation of these viewpoints vital to the efficient operation of the district. Because the Board is not the district ombudsman, stakeholders are encouraged to fully utilize meetings with school officials, site councils, and administrative procedures to communicate and resolve issues with the school administration *prior* to presenting the issue to the Board.

4.8 Board Member Conflict of Interest

It shall be unlawful for any member of the board to participate in decision-making when they have or own any direct or indirect interest individually or as agent or employee of any person, partnership, firm or corporation, in any contract made or let by the board for the construction, repair, or improvement of any school facility, the furnishing of any supplies, materials, or other articles, the doing of any public work or the transportation of children, or in any sub-contract indirectly connected with the above-stated activities. To protect the community's confidence in their work, Board Members will make every effort to avoid the reality of or perception of a conflict of interest.

4.9 Board Member Responses to Comments and/or Complaints

1. Board Members will listen respectfully and remain impartial.
2. Board Members will clarify that it is unethical for them to intervene directly with staff but that it is their role to aid stakeholders with connecting to the appropriate staff members. In most cases, this will be a teacher or a principal.
3. Board Members will ask if the commentator/complainant has followed the District's procedures and/or chain of command.
4. If the commentator/complainant does not know the procedures or chain of command, the Board Member will aid them in identifying the appropriate staff member. It is unethical and inequitable, however, for the Board Member to communicate directly or indirectly with district staff on behalf of the commentator/complainant.
5. This policy shall not be construed to apply to comments/complaints alleging criminal activity.

4.10 Board Member Concerns About Executive Director Performance

1. If, at any time, a Board Member becomes concerned that the Executive Director may have (1) breached any term of the Executive Director's contract, (2) violated a state or federal law, (3) violated a Board Policy or (4) failed within a reasonable amount of time to address a specific issue identified by the full Board, the following process will be used:
 - a. The concerned Board Member will meet privately with the Executive Director to discuss their concerns in order to resolve the issue(s). The concerned Board Member may elect to bring their concerns to the Board Chair instead who will assist in resolving the issue(s).
 - b. If the concerned Board Member does not feel that the resolution is satisfactory the Board Member may request, through the Board Chair, that an item be placed on the next regular meeting agenda as a Closed Meeting item. The concerned Board Member must inform the Board Chair in writing of the specific nature of any concern(s) which prompted the request for a Closed Meeting.

- c. In addition the Board Chair may, of their own accord, place an item on a regularly scheduled meeting agenda as a Closed Meeting item to discuss concerns about the professional performance of the Executive Director.
2. In the event that a Closed Meeting is called, the Board must listen to the concern(s) and make a determination if the issue raised is truly cause for concern. Failure to make such a determination shall end the Board Meeting.
3. If the majority of the Board determines that there is a violation or breach of one of the items listed, the following process will be followed:
 - a. The exact nature of the deficiency will be documented and discussed with the Executive Director.
 - b. A plan for remediation will be written, to include action(s) to be taken and timelines.
 - c. The Board Chair shall monitor the plan for compliance and the results will be made part of the Executive Director's annual performance evaluation.
 - d. It shall be the responsibility of the Board Chair to ensure that all documentation relating to performance deficiencies shall be appropriately placed in the Executive Director's personnel file.

4.11 Board Member Concerns About Non-Executive Director Employee Performance

1. When a Board Member becomes concerned about the performance of District employees they must bring their concerns directly to the Executive Director and inform the Board Chair. Such concerns must be limited to:
 - a. Actions which are illegal
 - b. Egregious violations of Board policy
 - c. Actions which are harmful to the District's or Board's reputation.
2. Board Members must remain cognizant that District personnel are the responsibility of the Executive Director, not the Board.
3. The Executive Director is obligated to listen to such concerns, review the matter and notify the Board of the resolution of the matter to the extent allowed by policy.
4. When a Board Member has concerns about the performance of District employees which relate to employee, student, Board or community safety, the Board Member will notify the Executive Director and, when appropriate, the police department.

4.12 Board Member Concerns About Board Member Performance

1. If a Board Member believes that another Board Member has violated Conflict of Interest, Board Policy, or State or Federal law, it is the responsibility of the concerned Board Member to discuss the alleged violation with the other Board Member in private prior to taking any other action, unless the nature of the allegation requires immediate escalation to the Board Chair.
2. If, after the concerned Board Member has privately discussed the alleged violation with the other Board Member, the concerned Board Member remains unsatisfied that the alleged violation has been addressed, the concerned Board Member may submit, in writing, the allegation to the Board Chair (arbiter). If the Board Chair is involved in the allegation, the concerned Board Member may instead submit the allegation, in writing, to the Board Vice-Chair or the next most senior Board Member not involved in the allegation who is then obligated to serve as arbiter instead.
3. The Board Members involved will conference to discuss the alleged violation. All parties are strongly encouraged not to allow any further escalation of these procedures and the arbiter's duty is to work to avoid such escalation.

I. ADOPTION

In compliance with the Political Reform Act of 1974, California Government Code Section 87100, et seq., American Indian Model Schools hereby adopts this Conflict of Interest Code (“Code”), which shall apply to all governing board members and all other designated employees of American Indian Model Schools (“Charter School”), as specifically required by California Government Code Section 87300.

II. DEFINITION OF TERMS

As applicable to a California public charter school, the definitions contained in the Political Reform Act of 1974, the regulations of the Fair Political Practices Commission, specifically California Code of Regulations Section 18730, and any amendments or modifications to the Act and regulations are incorporated by reference to this Code.

III. DESIGNATED EMPLOYEES

Employees of this Charter School, including governing board members, who hold positions that involve the making or participation in the making, of decisions that may foreseeably have a material effect on any financial interest, shall be “designated employees.” The designated positions are listed in “Exhibit A” attached to this Code and incorporated by reference herein.

IV. STATEMENT OF ECONOMIC INTERESTS: FILING

Each designated employee, including governing board members, shall file a Statement of Economic Interest (“Statement”) at the time and manner prescribed by California Code of Regulations, title 2, section 18730, disclosing reportable investments, interests in real property, business positions, and income required to be reported under the category or categories to which the employee’s position is assigned in “Exhibit A.”

An investment, interest in real property or income shall be reportable, if the business entity in which the investment is held, the interest in real property, the business position, or source of income may foreseeably be affected materially by a decision made or participated in by the designated employee by virtue of his or her position. The specific disclosure responsibilities assigned to each position are set forth in “Exhibit B.”

Statements Filed With the Charter School. All Statements shall be supplied by the Charter School. All Statements shall be filed with the Charter School. The Charter School’s filing official shall make and retain a copy of the Statement and forward the original to the County Board of Supervisors.

V. DISQUALIFICATION

No designated employee shall make, participate in making, or try to use his/her official position to influence any Charter School decision which he/she knows or has reason to know will have a reasonably foreseeable material financial effect, distinguishable from its effect on the public generally, on the official or a member of his or her immediate family.

VI. MANNER OF DISQUALIFICATION

A. Non-Governing Board Member Designated Employees

When a non-Governing Board member designated employee determines that he/she should not make a decision because of a disqualifying interest, he/she should submit a written disclosure of the disqualifying interest to his/her immediate supervisor. The supervisor shall immediately reassign the matter to another employee and shall forward the disclosure notice to the Executive Director, who shall record the employee's disqualification. In the case of Executive Director, this determination and disclosure shall be made in writing to the Board of Directors.

Service Agreement

This Service Agreement ("Agreement") is made between Linguabee LLC, a Colorado limited liability company ("Linguabee", "we" or "us") and the person or entity contracting with us for the Services ("Contracting Entity" [or "Contracting Person" if an individual] or "you") stated in the signature block of this Agreement. You and we agree that the following terms will apply to all requests you place with us and we accept from the date of this Agreement until you or we notify the other in writing that your account with us and this Agreement are terminated.

1. Our Services. We will provide to you Services (the "Services") as defined below at the time and place and for the purposes you have requested through Linguabee.com, by email, or by phone (your request), subject to the availability of one or more service providers with appropriate qualifications to fulfill your request. As the Contracting Entity or Person, you make the final decision on which service provider to use from those who submit a proposal in response to your request. Their proposal will include their individual qualifications. **We do not represent that all service providers we offer are certified by any certifying body**, but only that to our knowledge the qualifications they present are accurate and that they will provide Services to the standards generally accepted in the caption, interpretation, and translation industry in the United States. If you require a specific certification, you must include that requirement in your request. Services provided may require a service provider with certain qualifications, it will be required to provide service providers with the proper requirements. We will use our commercially reasonable efforts to provide service providers meeting those requirements. **We make no warranties, express or implied, regarding the suitability or fitness of the Services for any particular purpose, and we warrant no specific outcomes of the Services.**

2. Definition of Services.

Interpreting Services:

On-site interpreting ("OSI"): A service provider is physically present at the assigned location.

Video Remote Interpreting ("VRI"): Services provided virtually (Zoom, WebEx, etc).

Captioning Services:

Live Captioning: Captioning services for a live event. Examples: CART or C-Print during a college class, captioning during a conference, or a live webinar.

Post-Production Captioning: Closed captions or open captions are added to a recording.

3. Pricing. You agree to pay us for Services the applicable fees outlined in Appendix A for interpreting services and in Appendix B for captioning services; fees are per service provider. Our initial fee for a service provider providing VRI Services, and OSI Services is equal to 2 times the hourly rate which includes up to two hours of Services. Time in excess of two hours is charged in half-hour increments (30 minutes). Our initial fee for a service provider providing live captioning services is equal to the hourly rate for that assignment and includes up to one hour of Services. Time in excess of one hour is charged in quarter-hour (15 minutes) increments. Our initial fee for a service provider providing post-production captioning services is equal to five times of the minute rate for that assignment and includes up to five minutes of Services. Time in excess of five minutes is charged in one-minute increments. **We may change these rates and times upon 30 days prior to written notice, e.g. email, to you.**

4. Expenses. You will reimburse us for all parking, travel costs, facility entrance, and similar charges and for the cost of any required environmental, safety, or other training and equipment incurred by service providers and will pay us service providers' mileage from their office or home to the Services site and return at the prevailing IRS business mileage rate.

5. Preparation and Additional Time Requirement. Certain requests require advance preparation, travel time, or other additional time spent by the service provider, which will be charged to you. After you have placed your request, we will inform you of any preparation or other chargeable time we believe is necessary and obtain your agreement before we agree to your request. Preparation and other chargeable time are charged at the rate applicable to the time of day, date, and specialization required. Examples of additional chargeable time include time spent in accessing a facility that requires the service provider to view a video, clear security, obtain a clearance or pass, travel time, and the like.

6. Multiple Service Providers. Some assignments may require more than one service provider. If your interpreting request exceeds 45 minutes in length or captioning request exceeds 3 hours in length, 2 service providers normally will be required

for the wellbeing of the providers and to maintain the same level of quality throughout the entire duration. If you feel 1 service provider will meet your needs, please inform us and we will discuss it with you before accepting your request. If 2 service providers are required as noted above but are not available for your assignment, we reserve the right to provide 1 service provider at a fee equal to 1.5 times our rate for a single service provider.

Other examples requiring 2 or more service providers for interpreting assignments include multi-party meetings, legal proceedings, interpreting for consumers who are Deaf-Blind and use Tactile Sign Language, or where a consumer does not possess fluency in American Sign Language. It is your responsibility to communicate to us clearly and completely the nature of your request. If you do so, we will advise you if we believe multiple service providers are necessary.

If based on the actual situation encountered in your assignment, we in our good faith judgment believe multiple service providers are necessary to successfully complete your assignment, we reserve the right to dispatch one or more additional service providers. If we are unable to obtain the services of another service provider in a timely manner and the dispatched service provider agrees to complete the assignment despite it being one requiring two service providers, we will charge you a fee equal to 2 times the applicable single service provider fee. You agree to pay us for such additional services or an additional fee.

In certain circumstances, using VRI services may not be the right type of service. We will reach out to you and discuss other options to ensure the best possible service to ensure communication efficiency.

We assist in the training of novice service providers from time to time through internships, mentorships, and observations. Unless you inform us otherwise, you agree that an intern may attend and observe your assignment at no cost to you.

7. Change and Cancellation. If you wish to make a change in your request after we have accepted it, including a change in the characteristics of one or more of the participants, we will use our commercially reasonable efforts to accommodate the change, however, we reserve the right in our good faith discretion to change the service provider if we believe your change warrants it. If your change results in additional charges to you, we will notify you. If we cannot accommodate your change, or if you do not wish to pay the additional charges of which we notify you, you may cancel your request in accordance with the following provisions, but if you do not do so, you agree to pay us the fees due for original assignment.

You may cancel your request by giving us written notice of cancellation, which may be done through your account at Linguabee.com, at least 2 full business days in advance of the time scheduled for Services to begin. For example, if you give us written notice of cancellation on Thursday, the notice is effective for Services scheduled to be performed on or after the following Tuesday (not accounting for Holidays). If you cancel later than that, you agree to pay us an amount equal to the full fees for your request. If you terminate an agreed recurring schedule of Services of 4 weeks or more in duration, you agree to pay us a termination fee equal to fees for 2 full weeks of Services or fees for the remainder of the scheduled Services, whichever is less.

8. Delay in Commencement of or Failure to Complete Services. If a service provider is present to fulfill your request and Services do not begin due to the absence of one or more persons, whether or not under your control, your or the Deaf consumer's acts or omissions, or other circumstances beyond our reasonable control, the service provider will wait for a period equal to 20 minutes per hour of your requested Services unless we agree or the service provider agrees otherwise. If Services are not completed due to any of those reasons, you agree to pay us an amount equal to the full fees for the Services you requested. If a service provider fails to appear for your assignment, you agree to notify us as soon as practicable and in no event later than 72 hours after the time, the assignment would have been completed. If you fail to do so, you agree to pay the full fee for the assignment.

9. Safety. You are solely responsible for providing safe and secure access for our service providers to the facilities in which Services are to be performed, and you have an affirmative duty to notify us in writing in advance of any safety concerns, health risks, or dangers that exist or that you reasonably should anticipate may exist regarding the circumstances or environment in which the Services will be performed.

10. Payment; Disputed Invoices. If you reasonably want to dispute an invoice or a portion of an invoice, you must pay the undisputed portion of the invoice and submit written notice of the claim with sufficient detail of the nature of the claim, the amount, invoices in dispute, and information necessary to identify the affected Service for the disputed amount. All invoice

disputes will be submitted by Customer to the following email address: accounting@linguabee.com. All disputes must be submitted to Linguabee within ten (10) business days from the date of the invoice for the Service in question. Customer waives the right to dispute any charges not disputed within such ten (10) business day period. In the event the dispute is resolved against Customer, Customer shall pay such amounts within thirty (30) calendar days.

11. Payment; Past Due Amounts; Collection. We will invoice you by email to the address you have provided us for all charges under this Agreement following completion, termination, or (if a fee is payable) cancellation of your request. We will issue only one invoice per request, will invoice only you and not any third party, and will not split-bill. You agree to pay invoices net 30 days after the invoice date. You may in good faith dispute all or any part of an invoice by written notice to us within 60 days after the date of the invoice. You agree that if you have not given us such notice, the invoice shall be deemed valid, due, and payable and you will not contest it. Any amount you dispute in good faith and provided above will not be due until you and we have resolved the dispute and agreed to the amount due or, failing such resolution, we notify you of our good faith final determination of the amount due, after which you will have 15 days to pay the agreed amount or the amount we determined to be due. For past due invoices, you will pay a late fee equal to 10% of the amount due. For invoices more than 30 days past due, you will pay us interest on all unpaid invoices from the due date at the rate of 18% per year or the highest rate permitted by law, whichever is less. You will reimburse us all our costs and expenses of collection of amounts due to us, including reasonable attorneys' and professional fees. Any change in your billing email will be effective only upon our receipt of your written notice of change.

You may pay by check, most major credit cards, or by electronic funds transfer (EFT/ACH). However, if you pay by credit card, you agree to pay us a fee equal to 5% of the invoiced amount.

12. Recording of Service Provider. If the Services are to be recorded by audio or video or both, including live stream feed or photography, you will notify us at the time you make your request or as soon thereafter as you become aware of such recording. Notification after the time you make your request will be considered a change subject to Section 5 and may result in a change of the service provider(s), which may result in additional charges to you.

13. Duplicate Requests. It is your sole responsibility to ensure that you place only one request for particular Services. We are not responsible for recognizing duplicate requests. If you place a duplicate request, you agree to pay in full for all requests placed, unless we agree in writing otherwise.

14. Services Only. This Agreement is for the provision of Services by Linguabee only and does not make Linguabee or any service provider your employee, agent, partner, or joint-venturer.

15. Non-Discrimination and Equal Employment Opportunity. Linguabee is committed to a work environment in which all its employees and service providers can work in an environment free from unlawful harassment, discrimination, and retaliation. Linguabee will comply with all applicable federal, state, and local laws and regulations pertaining to non-discrimination, unlawful harassment, and equal employment opportunity. We do not and will not discriminate based on race, color, religion (creed), gender, gender expression, age, national origin (ancestry), disability, marital status, sexual orientation, or military or veteran's status, in any of our activities or operations. These activities include, but are not limited to, hiring and firing of staff, terms and conditions of employment, selection of and terms and conditions of a professional services agreement with service providers, and provision of services to consumers.

16. Force Majeure. If you or we are prevented from performing our obligations under this Agreement, except your obligation to pay us for Services, due to causes beyond your or our reasonable control, as the case may be, for example only, fire, flood, severe adverse weather, labor action, civil unrest, or material damage to or destruction of facilities, then such obligations shall be suspended for so long as the cause remains unresolved, provided that the party so prevented shall use its commercially reasonable efforts to resume performance of its obligations as soon as practicable.

17. Compliance with Law. We will comply with all applicable federal, state and local laws, rules and regulations in the performance of the Services. You agree that your requests for Services will be for lawful purposes and that you have full right to access, and have our service providers access, any facility or area in which the Services are to be performed and to have the Services performed there.

18. Indemnification and Limitation of Liability. You and we agree to indemnify, defend and hold harmless each other and our respective officers, directors, managers, members, employees, and contractors from and against all claims, demands, suits and actions and all loss, damage, cost, expense, and liability arising from the gross negligence or willful misconduct of, or breach of this Agreement by, the indemnifying party. NEITHER YOU NOR WE SHALL BE LIABLE TO THE OTHER UNDER ANY CIRCUMSTANCES FOR ANY INDIRECT, CONSEQUENTIAL, SPECIAL, PUNITIVE, OR EXEMPLARY DAMAGES ARISING OUT OF THE SERVICE PROVIDED OR ANY BREACH OF THIS AGREEMENT, WHETHER ARISING IN CONTRACT OR TORT AND WHETHER NOT THE POSSIBILITY OF SUCH DAMAGES IS OR SHOULD BE KNOWN OR FORESEEN.

19. Entire Agreement; Modifications; Survival of Provisions. This Agreement contains the entire agreement between you and us on the subject matter contained in this Agreement and supersedes any other written or oral agreement between you and us and any written or oral representation by you or us regarding that subject matter. This Agreement may be modified or amended only by a written agreement specifying your and our intent to do so, signed by you and us. Each provision of this Agreement will survive termination of the Agreement for so long as necessary to accomplish the intent of that provision.

20. Governing Law and Resolution of Disputes. This Agreement is deemed to be signed in Colorado, and this Agreement and the Services will be governed for all purposes under the laws of Colorado, excluding any provision of those laws that would permit or require application of the laws of any other jurisdiction. Any dispute under or pertaining to this Agreement or the Services will be resolved only by an action in the District Court for the City and County of Denver or Jefferson County, Colorado, or the United States District Court sitting in Denver, Colorado if that court otherwise would have jurisdiction. The prevailing party in any such action shall be entitled to an award of costs, expenses, and reasonable attorneys' and professional fees incurred by it in connection with such action.

21. Authorized, Electronic, and Counterpart Signatures. This Agreement may be executed in one or more counterparts, all of which together shall constitute this Agreement. A signature transmitted by electronic copy, such as facsimile or scanned .pdf file, on a document purporting to be an original shall be deemed an original signature for all purposes. This Agreement may be executed manually or electronically in any way generally recognized as an authorized electronic signature, and such signature shall bind the party affixing it. All signatures to this Agreement shall be deemed to have been authorized signatures for the purpose of binding you and us to the terms of this Agreement. If you sign this Agreement in a manner we specify, such as on our website, we will be deemed to have signed this Agreement. You agree that the person signing this Agreement and any person designated by her or him to us in writing is authorized to submit and bind you to pay for a request for Services under this Agreement. Schedule 1 – Authorized Requesters - attached to and incorporated in this Agreement is a list of persons so designated. You also may designate an Authorized Requester in your account on our website. You may add or delete persons from Schedule 1 by doing so in your account on our website or by written notice to us referring to this Agreement and to Schedule 1 – Authorized Requesters, and you appoint us your agent to add or delete names in Schedule 1 of which you so notify us.

22. Severability. If any provision of this Agreement is held to be unenforceable in whole or in part, the remainder of this Agreement and the part of the provision not held unenforceable, shall remain valid and in full force and effect.

CONTRACT NUMBER:

LOCAL EDUCATION AGENCY: AIMS K12 College Prep Charter

NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER:

Spectrum Center-Camden School

NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES
MASTER CONTRACT

GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract (or “Contract”) is entered into on July 1, 2025, between AIMS K12 College Charter District: AIPCS II, hereinafter referred to as the local educational agency (“LEA”), a member of the El Dorado Charter SELPA and Spectrum Center-Camden School(nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or “CONTRACTOR” for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB 490 (Chapter 862, Statutes of 2003) and AB 1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit the LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Service Agreement (hereinafter referred to as “ISA”). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR’s obligation to provide all relevant services specified in the student’s Individualized Education Program (hereinafter referred to as “IEP”). The ISA shall be executed within ninety (90) days of a student’s enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for the development of the ISA and invoices.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as “OAH”) order, a lawfully executed settlement agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with NPS placement or NPS/A services until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student’s parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as “CDE”) as a NPS/A. All NPS/A services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in California Education Code, section 56366 *et seq.* and within the professional scope of practice of each provider’s license, certification, and/or credential. A current copy of CONTRACTOR’s NPS/A certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract.

Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. 4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2025 to June 30, 2026 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety-day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the NPS/A.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees

otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

If the LEA is determined to be a partner, joint venture, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

The LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

The NPA providing Behavior Intervention services shall develop a written plan that specifies the nature of their NPA service for each student within thirty (30) days of enrollment and shall be provided in writing to the LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a CONTRACTOR that is a Licensed Children's Institution (LCI), all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver have a signed authorization by the parent or legal guardian to authorize emergency services as requested. LCI CONTRACTORS shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Master Contract. CONTRACTORS providing Behavior Intervention services must have a trained behaviorist or trained equivalent on staff. It is understood that Behavior Intervention services are limited per CDE Certification and do not constitute as an instructional program.

When CONTRACTOR is a NPA, CONTRACTOR shall not provide transportation nor subcontract for transportation services for students unless the LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a NPS, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to students at like grade level attending LEA schools and shall be specified in the student's ISA developed in accordance with the student's IEP.

For students in grades kindergarten through 12 inclusive, unless otherwise specified in the student's IEP and ISA, the number of instructional minutes, excluding breakfast, recess, lunch and passing time shall be at the same level that Ed. Code prescribes for the LEA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to students attending LEA schools in like grade level unless otherwise specified in the student's IEP.

When CONTRACTOR is a NPA and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in the student's ISA developed in accordance with the student's IEP.

24. CLASS SIZE

When CONTRACTOR is a NPS, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students, unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary, during the regular or extended school year to provide services to students with disabilities.

In the event a NPS is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the CDE Certification of that school, the NPS shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The NPS and the LEA may agree to one 30 school day period per contract year where class size may be increased to ensure

coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a NPA.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three and five years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 et seq.

25. CALENDARS

When CONTRACTOR is an NPS, CONTRACTOR shall submit to the LEA/SELPA a school calendar with the total number of billable days not to exceed 180 days, plus extended school year billable days equivalent to the number of days determined by the LEA's extended school year calendar. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by the LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of the LEA. Nothing in this Master Contract shall be interpreted to require the LEA to accept any requests for calendar changes.

Unless otherwise specified by the student's IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services as determined by the IEP team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP team convened by the LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any NPS service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe the same legal holidays as LEA. Those holidays are Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King Jr. Day, President's Day, Memorial Day, Juneteenth, and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by the LEA.

When CONTRACTOR is a NPA, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in the LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to the LEA-developed/approved calendar; or as specified in the LEA student's IEP and ISA. Unless otherwise specified in the LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that the LEA student's school of attendance is in session and the LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on the LEA calendar unless CONTRACTOR and the LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any NPA service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to the LEA all data related to student information and billing information with LEA. CONTRACTOR shall agree to provide data related to all sections of this contract, including student discipline as noted below, and requested by and in the format required by the LEA. It is understood that all NPS/A shall utilize the LEA approved electronic IEP system for all IEP development, service tracking documentation, and progress reporting, unless otherwise agreed to by the LEA. Additional

progress reporting may be required by the LEA. The LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access.

Using forms developed by the CDE or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Code sections 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code sections 48900 and 48915.

The LEA shall provide the CONTRACTOR with approved forms and/or format for such data including, but not limited to, invoicing, attendance reports and progress reports. The LEA may approve use of CONTRACTOR'S provided forms at their discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options and/or dual enrollment options if available and appropriate, for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services, goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommended activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a NPS, per implementation of Senate Bill 484, CONTRACTOR shall administer all statewide assessments within the California Assessment of Student Performance and Progress ("CAASPP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, , the English Language Proficiency Assessments for California ("ELPAC"), the Alternative English Language Proficiency Assessments for California ("Alternative ELPAC"), and as appropriate to the student, and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, data collection, and standardized testing and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

CONTRACTOR shall comply with the requirements of Education Code section 49005, et seq., 56521.1 and 56521.2. LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the IEP team determines that a student's behavior impedes the individual learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the school day, and annually to all staff who have any contact or interaction with pupils during the school day. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain written records of the training and provide written verification of the training annually and upon request.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP, and shall not be employed longer than necessary to contain the behavior. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies require a behavior emergency report form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify Parent within twenty-four (24) hours via telephone. If the student's IEP does not contain a BIP, an IEP team shall schedule a meeting to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following:

1. any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock;
2. an intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual;
3. an intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities;
4. an intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma; restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities,
5. Prone restraint;

6. locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room;
7. an intervention that precludes adequate supervision of the individual;
8. an intervention that deprives the individual of one or more of the individual's senses.

CONTRACTOR shall comply with Education Code sections 49005.8, 56521.1 and 56521.2. Specifically, Contractor shall not do any of the following:

1. Use seclusion or a behavioral restraint for the purpose of coercion, discipline, convenience, or retaliation.
2. Use locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.
3. Use a physical restraint technique that obstructs a pupil's respiratory airway or impairs the pupil's breathing or respiratory capacity, including techniques in which a staff member places pressure on a pupil's back or places the individual's body weight against the pupil's torso or back.
4. Use a behavioral restraint technique that restricts breathing, including, but not limited to, using a pillow, blanket, carpet, mat, or other item to cover a pupil's face.
5. Place a pupil in a facedown position with the pupil's hands held or restrained behind the pupil's back
6. Use prone containment.
7. Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the pupil or others.

CONTRACTOR shall keep constant, direct observation of a pupil who is in seclusion, which may be through observation of the pupil through a window, or another barrier, through which the educational provider is able to make direct eye contact with the pupil. This observation shall not be through indirect means, including through a security camera or a closed-circuit television.

CONTRACTOR shall afford pupils who are restrained the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the pupil and others.

In the case of a child whose behavior impedes the child's learning or that of others, the IEP team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of an LEA student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such

disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the NPS; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366 (a) (2) (B) (i) and (ii)) and pursuant to California Education Code section 56345 (b) (4).)

If the LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of the individual IEP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to parent, CONTRACTOR and LEA. CONTRACTOR shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the approved electronic IEP system of the LEA for all IEP planning and progress reporting at the LEA's discretion. The LEA or SELPA may provide training for any CONTRACTOR to ensure access to the approved system. The CONTRACTOR shall maintain confidentiality of all IEP data on the approved system and shall protect the password requirements of the system. When a student dis-enrolls from the NPS/NPA, the NPS/NPA and LEA shall discontinue use of the approved system for that student.

Changes in any student's educational program, including instruction, services, or instructional setting provided under this Master Contract, may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of consideration of a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall recognize an LEA appointed surrogate parent assignments for students without parental representation, including unaccompanied homeless youths, in special education procedures pursuant to California Government Code Section 7579.5. Surrogate parents shall serve as the child's parent and have all the rights relative to the student's education that a parent has under the Individuals with Disabilities Education Act pursuant to *20 USC 1414-1482 and 34 CFR 300.1-300.756*. A pupil in foster care shall be defined pursuant to California Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a NPS by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1.

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. Participation further includes the willingness to make CONTRACTOR's staff available for witness preparation and testimony as is necessary to facilitate a due process hearing. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office of Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR's program and/or the implementation of a particular student's IEP/Individual and Family Service Plan ("IFSP").

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 *et seq.*; (2) Nondiscrimination policy pursuant to Title 5 of the California Code of Regulations section 4960 (a); (3) Sexual Harassment Policy, California Education Code 231.5 (a) (b) (c); (4) Title IX Student Grievance Procedure, Title IX 106.8 (a) (d) and 106.9 (a); and (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPAA"). CONTRACTOR shall include verification of these procedures to the LEA. CONTRACTOR shall immediately notify LEA of any complaints filed against it related to LEA students and provide LEA with all documentation related to the complaints and/or its investigation of complaints, including any and all reports generated as a result of an investigation.

36. STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to parents at least four (4) written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR's place of business and shall be submitted to the LEA and LEA student's parent(s) quarterly.

The CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior intervention plans. The LEA may request such data at any time within five (5) years of the date of service. The CONTRACTOR shall provide this data supporting progress within five (5) business days of request. Additional time may be granted as needed by the LEA.

CONTRACTOR shall complete academic or other evaluations of the student ten (10) days prior to the student's annual or triennial review IEP team meeting for the purpose of reporting the student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and pursuant to LEA policies, procedures, and/or practices. CONTRACTOR shall provide sufficient copies of its reports, documents, and projected goals to share with members of the IEP team five (5) business days prior to the IEP meeting. CONTRACTOR shall maintain supporting documentation such as test protocols and data collection, which shall be made available to LEA within five (5) business days of request.

The CONTRACTOR is responsible for all evaluation costs regarding the updating of goals and objectives, progress reporting and development of present levels of performance. All assessments resulting from an assessment plan shall be provided by the LEA unless the LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Any assessment and/or evaluation costs may be added to the ISA and/or approved separately by the LEA at the LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For NPA services, supervision provided by a qualified individual as specified in Title 5 Regulation, subsection 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge the student's parent(s) or LEA for the provision of progress reports, report cards, evaluations conducted in order to obtain present levels of performance, interviews, and/or meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to the LEA upon written request.

37. GRADES, HIGH SCHOOL COURSE CREDITS, & TRANSCRIPTS

When CONTRACTOR is a NPS, CONTRACTOR is responsible for assigning grades for any course of instruction taught at the NPS. The grades determined by the pupil's teacher, in the absence of clerical or mechanical mistake, fraud, bad faith, or incompetency, shall be final and consistent with the provisions specified in EC Section 49066. The grades each pupil receives in all courses of instruction taught by the NPS shall be reported to the parents and the LEA on a quarterly basis. Consistent with the LEA, should it become evident to the NPS the pupil is in danger of failing a course, the CONTRACTOR must initiate a parent conference, and the LEA representative must be in attendance.

When CONTRACTOR serves students in grades nine (9) through twelve (12) inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not recommend awarding a high school diploma to students who have not successfully completed all of the LEA's graduation requirements.

Pupils enrolled in high school during the 2020-2021 academic year may request a Pass or No Pass grade as permitted in EC Section 49066.5, which may be reflected on the student's transcript and shall not negatively affect the pupil's grade point average.

CONTRACTOR shall prepare transcripts at the close of each semester, or upon student transfer, for students in grades nine (9) through twelve (12) inclusive, and submit them on LEA approved forms to the student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to the LEA names of students and their schools of residence for whom transcripts have been submitted as specified by the LEA.

INDIVIDUAL TRANSITION PLANNING – AB 438, Approved on September 28, 2024

Effective July 1, 2025, if determined appropriate by the pupil's IEP team, beginning when the pupil starts their high school experience and not later than when the pupil is 16 years of age or younger, as appropriate, and annually thereafter, a statement of needed transition services shall be included in the pupil's individualized education program. If the individualized education program team determines that the pupil would benefit from the postponement of the inclusion of appropriate measurable postsecondary goals and transition services until 16 years of age, rather than when the pupil begins their high school experience, the individualized education program team shall appropriately justify the basis for that postponement. (EC section 56043(h).)

38. STUDENT CHANGE OF RESIDENCE

Within five (5) school days from the date CONTRACTOR becomes aware of a student's change of residence, CONTRACTOR shall notify LEA, in writing, of the student's change of residence. Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of the student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

If CONTRACTOR had knowledge or should reasonably have had knowledge of the student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, LEA shall not be responsible for the costs of services delivered following the student's change of residence.

39. WITHDRAWAL OF STUDENT FROM PROGRAM

CONTRACTOR shall immediately report electronically and in writing to the LEA within five (5) business days when an LEA student is withdrawn without prior notice from school and/or services, including student's change of residence to a residence outside of LEA service boundaries, and parent/guardian withdrawal of student against professional advice from a NPS/RTC.

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and student living quarters, when applicable. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTOR operating programs associated with a NPS/RTC shall cooperate with a parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. CONTRACTOR shall require that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA at least thirty (30) days in advance. When requested, CONTRACTOR shall facilitate all parent travel and accommodations and for providing travel information to the parent as appropriate. Payment by LEA for approved travel-related expenses shall be made directly through the LEA consistent with LEA Procedures.

CONTRACTOR providing services in the student's home as specified in the IEP shall ensure that at least one parent of the child, or an adult caregiver with written and signed authorization to make decisions in an emergency, is present. The names of any adult caregiver other than the parent shall be provided to the LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform the LEA of any changes of caregivers and provide written authorization for emergencies. The adult caregiver cannot also be an employee or volunteer associated with the NPS/NPA service provider.

All problems and/or concerns, both verbal and written, reported to pupil's parents shall also be provided, in writing, to the LEA.

41. LICENSED CHILDREN'S INSTITUTION ("LCI") CONTRACTORS AND RESIDENTIAL TREATMENT CENTER ("RTC") CONTRACTORS

If CONTRACTOR is a LCI, CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code 56366 (a) (2) (C), 56366.9 (c) (1), Health and Safety Code section 1501.1 and any other applicable laws and/or regulations, including LEA guidelines or procedures. An LCI shall not require that a pupil be placed in its NPS as a condition of being placed in its residential facility.

If CONTRACTOR is a NPS/RTC, CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1400 et seq. including the federal regulations 34 C.F.R section 300 et seq. and Education Code section 56000 et seq. including Title 5 of the California Code of Regulations section 3000 et seq.. CONTRACTOR shall comply with all monitoring requirements set forth in Section 43 below.

If CONTRACTOR is a NPS that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all students, including those identified as eligible for special education. For those identified as special education students, the list shall include: 1) special education eligibility at the time of enrollment and; 2) the educational placement and services specified in each student's IEP at the time of enrollment. A copy of the current IEP shall be provided to the LEA.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with NPS placement until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal IDEA (20 U.S.C. Sec. 1400 et seq.) and shall be certified or licensed by the state to provide nonmedical care, clinical services, or short-term residential therapeutic programs, as applicable to the facility type.

42. STATE MEAL MANDATE

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. 61. INSPECTION AND AUDIT

The CONTRACTOR shall maintain and the LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Agreement.

CONTRACTOR shall provide access to LEA to all records including, but not limited to: student pupils as defined by California Education Code section 49061(b); registers and roll books of teachers; daily service logs and notes or other documents used to record the provision of related services; Medi-Cal/daily service logs and notes used to record provision of services provided by instructional assistants, behavior intervention aides, bus aides, and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held, business licenses held, documents evidencing other qualifications, , dates of hire, and dates of termination; staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related service subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation insurance policies; state NPS/A certifications; by-laws; lists of current board of directors/trustees, if incorporated; other documents evidencing financial expenditures; federal/state payroll quarterly reports Form 941/DE3DP; and bank statements and canceled checks or facsimile thereof. Such access shall include unannounced inspections by LEA. CONTRACTOR shall make available to LEA all budgetary information including operating budgets submitted by CONTRACTOR to LEA for the relevant contract period being audited.

CONTRACTOR shall make all records available at the office of LEA or CONTRACTOR's offices (to be specified by LEA) at all reasonable times and without charge. All records shall be provided to LEA within five (5) working days of a written request from LEA. CONTRACTOR shall, at no cost to LEA, provide assistance for such examination or audit. LEA's rights under this section shall also include access to CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached rate schedule (Exhibit A) limits the number of students that may be enrolled and maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the required minimum number of minutes per grade level as set forth in paragraph 23, above, and in California Education Code Section 46200-46208.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this contract, shall be as stated in Exhibit A.

63. DEBARMENT CERTIFICATION

By signing this agreement, the CONTRACTOR certifies that:

- (a) The CONTRACTOR and any of its shareholders, partners, or executive officers are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency, and
- (b) Have not, within a three-year period preceding this contract, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses.
