Narrative: Please provide the reasoning as to why the full Measure G1 allocation was not spent.

The funds were not spent last year because it was our first year in which we had a full and robust music program. Additionally, AIPCS needed a year to consider and review the newly implemented Music and Visual Performing Arts program. During the year we met with students and teachers and learned what instruments would work best for our music program.

REQUIRED: Please provide all meeting agendas, minutes, flyers, and sign-in sheets of the engagement meetings which addressed carryover funds with this application. The application will NOT be considered without this documentation of engagements.

1. Music Program

Programmatic Narrative Based on Rubric

We are currently offering a music program that consists of violin classes that are offered throughout the week. Class offerings are Monday-Thursday. Students are taking music every other day for one hour. Currently, we offer music to half of our students in the 6th grader. 7th-grade students have the option at the beginning of the school year to select which enrichment program they would like to take for 7th and 8th grade. In turn, all students will have been offered or taken some sort of enrichment program by the end of their 8th grade year.

Our goal with this music program is to be able to offer our students an opportunity to have a greater sense of self to grow to have the following:

Students learn to improve their work: Learning music promotes craftsmanship, and students learn to want to create good work. This desire can be applied to all subjects of study.

Increased coordination: Students who practice with musical instruments can improve their hand-eye coordination. Just like playing sports, children can develop motor skills when playing music.

A sense of achievement: Learning to play pieces of music on a new instrument can be a challenging, but achievable goal. Students who master even the smallest goal in music will be able to feel proud of their achievement.

Although we have a robust program, our goal is to be able to offer a Band/Orchestra program that will provide our students with more course offerings and opportunities for class selection throughout the day.

Using the carryover funds for the Music Teacher Salary/benefits compensation package would allow us to continue with our music program.
