Section 6.1 – DISBURSEMENT PROCEDURES. Disbursements of the Grant shall not commence until this Agreement is executed by all parties and the requirements of the Authority are satisfied. Disbursements of the Grant shall only be applied for the Eligible Costs of Project as set forth by the Authority and subject to the Authority’s Funding Resolution. Any unspent Grant funds and unspent investment earnings shall immediately revert to the Authority.

Section 6.2 - DISBURSEMENT PROCESS. The Subgrantee may request disbursement of Grant funds up to, but not exceeding, its total Grant award in accordance with the Eligible Costs set forth by the Authority. Only one disbursement request per month will be allowed against the Grant. In order to maintain eligibility to receive disbursements, requests for disbursement and verification of continued eligibility must be submitted during February and August of each year, or more often as disbursements may be requested, and must be supported by documentation sufficient in the Authority’s determination to support payment. Subgrantee must provide all documentation verifying Eligible Costs sufficient to allow disbursement of an annual portion (one-third) of the full award on or before August 31st of each year as described in Section 5.2 above. The Authority shall use its best efforts to respond to a disbursement request within thirty (30) business days after the receipt of such disbursement request. subcontractors) providing labor.

The Subgrantee shall not receive a disbursement until the Subgrantee corrects any deficiencies or discrepancies to the satisfaction of the Authority.

Incomplete documentation of annual Eligible Costs due each August will cause the Subgrantee to forfeit the undisbursed portion of the annual award (one-third of the full award), for the respective annual period.

Pursuant to section 10185 of Program Regulations, the Subgrantee shall provide verification that the Project has been initiated within one year of the award date and shall annually provide sufficient documentation to approve disbursement equal to each year's award. The Subgrantee also shall provide semi-annual progress reports to the Authority.

Funds are to be applied toward current costs at the time of disbursement and/or during the specified funding period; therefore, a delay in the processing of any disbursement may result in a loss of Grant funds. Grant funds may not be applied retroactively.

The Subgrantee's expenditure of Grant funds for uses not described in the Subgrantee's Application or the request for disbursements which deviate, without Authority authorization, in any category from the approved uses of Grant proceeds listed in the Commitment Letter and subject to the Authority's Funding Resolution, may result in the suspension of subsequent Grant disbursements and may be deemed by the Authority to constitute an Event of Default hereunder. The amount of all ineligible Grant expenditures shall be immediately repaid to the Authority.

If it is determined that funds are used for costs other than Eligible Costs, the Authority may suspend subsequent Grant disbursements. If warranted, the Authority may take action consistent with Article VIII of this Agreement.

Section 6.3 – AMOUNT OF DISBURSEMENT. Grant proceeds shall be disbursed up to the amount authorized under this Grant Agreement and only for Eligible Project Costs. Any unused Grant funds shall revert to the Authority.

Section 6.4 – DISBURSEMENT PERIOD. The initial disbursement of Grant proceeds shall be made no later than February 28, 2021 upon fulfillment of all requirements; and all Grant disbursements shall be disbursed no later than August 31, 2022. Consistent with Title 34, Code of Federal Regulations (CFR), Part 80 and 31 CFR Part 205, the Subgrantee must minimize the amount of time elapsing between the transfer of Grant funds and the disbursement of Grant funds to a reasonable time period (i.e. three days of the drawdown), such that the disbursements shall be paid out within three days of receipt.

ARTICLE VII – AFFIRMATIVE COVENANTS

Section 7.1 – CERTIFICATE OF COMPLETION. Upon disbursement of Grant funds, the Subgrantee shall certify to the Authority that the Project is complete, and shall provide a final report that sets forth the use of the funds, in letter format or as otherwise requested by the

This system shall provide an audit trail, including original source documents such as lease agreements, contracts, bidding procedures, receipts, progress payments, invoices, etc. related to the Project. The system also shall provide accounting data so the total cost of the facilities can be readily determined. These records shall be retained for a period of three years after submission of the certificate of completion and final report to the Authority or three years after the end of the funding period, whichever is longer. Such books and accounts shall be available for audit and/or review upon request by the Authority, the Bureau of State Audits, and the U.S. Department of Education.

Section 7.4 – LITIGATION. - (d) Notify the Authority immediately if the facility subject to this Agreement is no longer operating as a charter school or if the number of students attending school at the facility decreases by 20 percent.

Section 7.6 – RELEASE. The Subgrantee hereby waives all claims and recourse against the Authority including, but not limited to, the right to contribution for loss or damage to persons or property arising from, growing out of, or in any way connected with or incident to this Agreement, the Subgrantee's use of the Grant proceeds, the Subgrantee's business operations, or the Project. The Subgrantee shall defend, indemnify and hold harmless the Authority, the State, and the Federal Government/U.S. E.D., and all officers, trustees, agents, and employees of the same, from and against any and all claims, losses, costs, damages, or liabilities of any kind or nature, whether direct or indirect, arising from or relating to the Grant, the Project, or the State Charter School Facilities Incentive Grants Program. The provisions of this section shall survive termination of this Agreement.

The Subgrantee and its contractors and subcontractors shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, race, color, ancestry, religion, creed, national origin, culture, physical disability (including HIV and AIDS), mental disability, medical condition (cancer or genetic characteristics), sexual orientation, political affiliation, position in a labor dispute, age, marital status, and denial of statutorily-required employment-related leave. The Subgrantee and its contractors and subcontractors shall insure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. The Subgrantee and its contractors and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Government Code section 12990 (a-f) et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, title 2, section 7285 et seq.). - Such subgrantees shall also provide the Authority with semi-annual progress reports and shall annually provide sufficient documentation, as determined by the Authority, to approve disbursements equal to one-third of the total award. AMERICAN INDIAN PUBLIC HIGH SCHOOL
FOR USE OF CLASSROOM SPACE FOR EDUCATIONAL PURPOSES at
746 GRAND AVENUE, OAKLAND, CA 94610**

THIS FACILITIES USE AGREEMENT (“Agreement”) is effective this [] day of [], 2020 by and between the OAKLAND UNIFIED SCHOOL DISTRICT, a California public school district (“District”) and **AMERICAN INDIAN PUBLIC HIGH SCHOOL**, a California non-profit public benefit corporation (“AIPHS” or “Charter School”) for use of classroom space for educational purposes for grade(s) **9-12**. District and Charter School may be referred to herein individually as a “Party” or collectively as the “Parties.”

RECITALS

WHEREAS, Charter School is a non-profit public benefit corporation that is operating a charter approved by the Oakland Unified School District under the laws of the Charter Schools Act of 1992 (Education Code §47600 *et seq.*); and

WHEREAS, the District and Charter School enter into this Agreement wherein the District and Charter School mutually agree that the Charter School will occupy classrooms and use facilities (the “Premises”), as particularly described in Exhibit A and located at 746 Grand Avenue, Oakland, CA 94610 (the “School Site”) during the 2020-21 school year.

NOW THEREFORE, in consideration of the covenants and agreements hereinafter set forth, the Parties agree as follows:

AGREEMENT

1. **Use of Premises.** District agrees to allow use of the Premises at the School Site(s) by Charter School for the sole purpose of operating Charter School’s educational program for grade(s) 9-12 in accordance with all applicable federal, state and local regulations relating to the Premises and to the operation of Charter School’s educational program, and all associated uses therewith. Charter School shall not use the Premises for any use other than that specified in this Agreement without the prior written consent of District.
 - 1.1. Charter School shall not commit, or suffer to be committed, any waste upon the Premises, or allow any sale by auction upon the Premises, or allow the Premises to be used for any unlawful purpose, or place any loads upon the floor, walls or ceiling which endanger the structure, or place any harmful liquids in the plumbing, sewer or storm water drainage system of the Premises. No waste materials or refuse shall be dumped upon or permitted to remain upon any part of the Premises except in trash containers designated for that purpose.
 - 1.2. Any uses which involve the serving and/or sale of alcoholic beverages and the conducting of games of chance are prohibited on the Premises. Charter School shall comply with the District-wide policy prohibiting the use of tobacco products on the Premises at all times.

- 1.3. Charter School shall not use or permit the use of the Premises or any part thereof for any purpose not consistent with a public educational facility.
- 1.4. Charter School shall require all invitees and guests to use the Premises only in conformance with the permitted use and with applicable governmental laws, regulations, rules and ordinances. The charter school shall comply with school district policies regarding the operations and maintenance of the school facility and furnishings and equipment, except to the extent variation is approved by the district. However, the charter school need not comply with policies in cases where actual school district practice substantially differs from official policies. Charter School shall comply with District policies and practices regarding Campus Security and Disruptions. Charter School shall comply with the District's most recently published policies and procedures regarding operations and maintenance of the Premises, which are accessible at www.OUSD.org under dropdown menu "Board of Education", "Board Policies." Where the Premises are damaged by the Charter School's invitees and/or guests, and the Charter School's negligence in supervising its invitees and/or guests was a contributing factor, the Charter School's insurance shall be primary for this damage.
- 1.5. Charter School shall not do or permit anything to be done in or about the Premises nor bring or keep anything therein which will in any way increase the District's existing insurance rate or affect any fire or other insurance upon the Premises, or cause a cancellation of any insurance policy covering the Premises or any part thereof or any of the contents of the Premises, nor shall the Charter School sell or permit to be kept, used or sold in or about the Premises any articles which may be prohibited by a standard form policy of fire insurance.
- 1.6. **Civic Center Act.** Charter School agrees to comply with the provisions of the Civic Center Act (Education Code § 38131 *et seq.*) to make the Premises accessible to members of the community. The Parties understand that the Premises are to be used primarily for educational programs and activities and, as such, any use of the Premises by the Community shall not interfere with Charter School's educational program or activities. Any request received by Charter School for use of the Premises pursuant to the Civic Center Act shall be promptly forwarded to the District. District shall be responsible for coordinating access to the Premises under the Civic Center Act, and any fee paid for use of the Premises under the Civic Center Act shall be paid to the District, unless the Charter School under this Agreement bears the responsibility of paying for day-to-day or routine maintenance, in which case the fee shall be paid to the Charter School.

2. Term.

- 2.1. The term of this Agreement shall be for **one year**. The commencement date shall be July 1, 2020, ("Commencement Date"), and, unless sooner terminated under any provision hereof, this Agreement shall end on June 30, 2021 ("Term"). However, the Parties agree that Charter School shall take possession of the Premises on a date to be mutually agreed upon between the Parties. The Premises will be made available to Charter not later than August 1, 2020.

3. Use Fee

- 3.1. For and in consideration of the use of the Premises for the Term of this Agreement, Charter School agrees to pay District the 2020-21 Proposition 39 per square foot rate for the 25,913 square feet the Charter School is allocated based on Proposition 39, and two (2) times the 2020-21 Proposition 39 per square foot rates for the additional 2,337 square feet the Charter school is being allocated (“Use Fee”).
- 3.2. The Use Fee shall be paid quarterly during the school year, according to the following schedule: 25% by October 1; 25% by December 1; 25% by March 1; 25% by July 15.

3.3. Utilities

District shall furnish or cause to be furnished to the Premises necessary utilities. For purposes of the Agreement, utilities include electrical, natural gas, sewer, waste disposal/recycling and water services. The District’s failure to furnish or cause to be furnished utilities when the failure is caused by (i) acts beyond the reasonable control of the District; (ii) strikes, lockouts, labor disturbances or labor disputes of any kind; (iii) any laws, rules, orders, ordinances, regulations, requirements or any other action by federal, state, county or municipal authority; or (iv) any other unavoidable delay, shall not cause the District to be in default of the Agreement and shall not result in any liability of the District. Charter School shall comply with all District energy conservation policies relating to use of the Premises. Charter School agrees to pay the District the following sums:

64.81% of the total utilities costs for the School Site, as calculated based on the Charter School’s proportional square foot usage of the School Site. Charter School will be billed by District and payment will be due in three installments during the school year, according to the following schedule: January 10; May 1; July 15.

- 3.4. Charter School acknowledges that late payment by Charter School to District of the Use Fee and other sums due hereunder will cause District to incur costs not contemplated by this Agreement, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges. Accordingly, if District does not receive any installment of the Use Fee or any other sum due from Charter School by 4:00 p.m. within ten (10) days after such amount is due, Charter School shall pay to District, as an additional Use Fee, a late charge equal to five percent (5%) of such overdue amount or the maximum amount allowed by law, whichever is less. The Parties hereby agree that such late charges represent a fair and reasonable estimate of the costs District will incur by reason of late payment by Charter School. Acceptance of any late charge by District shall in no event constitute a waiver of Charter School’s default with respect to the overdue amount, nor prevent District from exercising any of its other rights and remedies granted hereunder.
4. **Internet.** The Charter School shall obtain its own internet service and telephone provider and shall assume sole responsibility for obtaining all hardware at its own expense, as well as upkeep and maintenance of all telephone systems, data lines, and related equipment, software and hardware. Charter School may use any pre-existing T-1 Line located in the Dedicated Space, if any. In the

event Charter School uses a pre-existing T-1 Line, Charter School shall transfer billing of the line to Charter School upon approval from the District's Technology Services Department.

5. **Furnishings and Equipment.** The Charter School may continue to use any District furnishings and equipment previously provided; no additional furnishings or equipment will be provided.
6. **Additional Services.** Charter School and District may negotiate additional services or equipment as requested by Charter School. District shall assess Charter School separately for the cost to provide the additional services or equipment, if any.
7. **Shared School Site and Recreational Facilities.** Charter School acknowledges and understands that the Premises are located in an operating public school site. As such, the School Site and the playgrounds, common areas, recreational facilities and other outdoor play areas (collectively "Shared Space") may be used by other parties, including the District. The District and Charter School shall have priority for use of the School Site over other parties, and shall meet and confer with respect to joint use agreements that are in effect between the District and a third party at the time of execution of this Agreement. Charter School shall cooperate with the other parties and the District in reaching amicable arrangements concerning the use, maintenance and security of the Shared Space. To facilitate cooperative working relationships on shared campuses, the District encourages charter schools and District schools on a shared campus to negotiate terms of their arrangements in advance of the beginning of the school year.
8. **Parking.** Charter School shall abide by District and School Site policies concerning the use of parking, including the District policy relating to the drop-off and pick-up of students. Charter School may instruct its visitors, invitees and guests to park on available street parking. Charter School shall not abandon any inoperative vehicles or equipment on any portion of the School Site. District shall not be liable for any personal injury suffered by Charter School or Charter School's visitors, invitees and guests, or for any damage to or destruction or loss of any of Charter School or Charter School's visitors, invitees, or guests' personal property located or stored in street parking, or the School Site, except where such damage is caused by the District's negligence or misconduct. Charter School accepts parking "as is" and Charter School acknowledges that District has not made and is not making any warranties whatsoever with respect to the parking.
9. **Proposition 39**
 - 9.1. The parties agree that the Charter School's use and occupation of the Premises under this agreement shall constitute an "alternative to specific compliance" with the provisions of Proposition 39 and its implementing regulations under Cal. Admin. Code tit. 5, § 11969.1(b) for the 2020-21 Prop. 39 cycle.
10. **Condition of Premises.**
 - 10.1. District shall not be required to make or construct any alterations including structural changes, additions or improvements to the Premises. District shall, however deliver the Premises to the Charter School in compliance with the requirements of the Americans with Disabilities Act, California Fair Employment and Housing Act, and other applicable building code standards. Charter School, and not the District shall be responsible for compliance with the Americans with Disabilities Act, California Fair Employment and

Housing Act, and other applicable building code standards in connection with any modification to the Premises by Charter School after Charter School takes possession of the Premises. By entry and taking possession of the Premises pursuant to this Agreement, Charter School accepts the Premises.

- 10.2. Charter School acknowledges that neither District nor District's agents have made any representation or warranty as to the suitability of the Premises for Charter School's Program except as set forth herein. Any agreements, warranties or representations not expressly contained in this Agreement shall in no way bind the District or Charter School, and District and Charter School expressly waive all claims for damages by reason of any statement, representation, warranty, promise or agreement, if any, not contained in this Agreement.
 - 10.3. The Parties agree that if the structural elements of the Premises become damaged to a lesser condition than currently exists, and if the structural damage is due to no negligence of Charter School, then District will repair the damage in order to bring it back to a condition which is similar to the condition which existed at the time Charter School took possession of the Premises. District may, however, terminate this Agreement if the cost to repair the Premises exceeds Two Hundred Fifty Thousand dollars (\$250,000) per incident. District may, in its sole discretion, pro-rate the Use Fee during the "repair" period, if the resulting structural damage prohibits Charter School from carrying out its normal daily activities. If District elects not to perform a repair estimated to cost in excess of Two Hundred Fifty Thousand dollars (\$250,000), Charter School may elect to remain in possession of the Premises and pay the Pro Rata Share, unless revised through mutual agreement of the Parties, or Charter School may elect to terminate this Agreement. If either District or Charter School terminates this Agreement for just cause as set forth herein, the District shall immediately use its best efforts to immediately provide the Charter School with reasonably equivalent alternative facilities to accommodate its projected in-District ADA for the remaining term of this Agreement.
11. **Title to School Site(s) / Classroom Buildings.** The Parties acknowledge that title to the School Site and Premises is held by District.
 12. **District's Entry and Access to Premises.** District and its authorized representatives shall have the right, after two school-days' prior written notice to Charter School, to enter the Premises during normal business hours for the purpose of inspection ("Inspection"). However, the District may provide less than two school-days' prior written notice with good cause. Provided, however, that in an emergency situation, no prior notice shall be required. In an emergency, District shall give notice to Charter School immediately upon District's receipt of notification of any emergency. If Charter School is not present to open and permit an entry into the Premises in an emergency situation as reasonably determined by District, District may enter by means of a master key without liability to Charter School.
 - 12.1. If Charter School is violating the use restrictions of the Agreement or is not in material compliance with any applicable law, then all reasonable costs and expenses reasonably and actually incurred by District in connection with any Inspection shall become due and payable by Charter School as additional sums due District, within ten (10) days of presentation by District of an invoice for the Inspection.

- 12.2. If Charter School fails to perform any covenant or condition to be performed by Charter School pursuant to the Agreement, District and its authorized representative shall have the right, after reasonable prior written notice to Charter School, to enter the Premises during normal business hours for the purpose of performing the covenant or condition at District's option after thirty (30) days' written notice to and failure to perform by Charter School (provided, no written notice is required in the case of emergencies). All costs incurred by District in shall be reimbursed to District by Charter School within ten (10) days of written demand, together with interest at the Interest Rate computed from the date incurred by District until paid. Any performance by District of Charter School's obligations shall not waive or cure the default. All reasonable out-of-pocket costs and expenses actually incurred by District, including reasonable attorneys' fees (whether or not legal proceedings are instituted), in collecting the fees herein or enforcing the obligations of Charter School under the Agreement shall be paid by Charter School to District within ten (10) days of written demand.
- 12.3. District may, during the progress of such work, keep and store on the Premises all necessary materials, tools, supplies and equipment, but shall do so in a manner designed to limit the inconvenience, annoyance, disturbance, loss of business, or other damage to Charter School. District shall not be liable for inconvenience, annoyance, disturbance, loss of business or other damage to Charter School by reason of making the repairs or the performance of any work.
- 12.4. Notwithstanding the foregoing and without further notice, District shall have the right to enter the Premises to conduct its own operations, to perform any routine or deferred maintenance, custodial services, or conduct inspections of the Premises. District will use reasonable efforts during the course of any access of the Premises to not disrupt Charter School's classroom and instructional activities consistent with District's practices at its schools. Where practicable, District shall provide relevant scheduling information to Charter School.
- 12.5. Charter School expressly waives any claim for damages for any inconvenience to or interference with the Charter School's educational program, any loss or use of quiet enjoyment of the Premises related to District's entry into the Premises for the purposes identified in this Section.

13. Surrender of Premises.

- 13.1. On the last day of the Term, or on sooner termination of this Agreement, Charter School shall surrender in good order, condition, and repair the Premises to District and any existing improvements made by Charter School that were approved by the District, and any structural improvements made by District subsequent to the Commencement Date, excepting normal ordinary wear and tear, and free and clear of all liens, claims and encumbrances, though nothing in this provision shall be construed to authorize Charter School to allow or cause to be placed any liens, claims and/or encumbrances of any kind, unless expressly permitted in this Agreement. This Agreement shall operate as a conveyance and assignment to District of any improvements identified by District to remain on the Premises.

- 13.2. Charter School shall remove from the Premises all of Charter School's personal property, trade fixtures, and any improvements made by Charter School which Charter School and District agreed would be removed by Charter School. Removal of Charter School's property shall be subject to all applicable laws, including any local permits and/or approval by the California Department of General Services, Division of the State Architect.
- 13.3. All property that is not removed on or before the end of the Term shall be deemed abandoned by Charter School and associated costs to store, remove or dispose of abandoned property shall be the responsibility of the Charter School. If the Premises are not surrendered at the end of the Term or upon earlier termination of this Agreement, Charter School shall indemnify District against loss or liability resulting from delay by Charter School in surrendering the Premises including, without limitation, any claims made by any succeeding Charter School or loss to District due to lost opportunities to timely obtain succeeding tenants.
- 13.4. **Holding Over.** If Charter School remains in possession of the Premises or any part thereof after the end of the Term or upon earlier termination of this Agreement without the express written consent of District, Charter School's occupancy shall be a tenancy on a month-to-month basis for a pro rata share equal to one hundred fifty percent (150%) of all monthly sums charged and owing the previous thirty (30) calendar day period.
- 13.5. No payment of money by Charter School after the termination of the Agreement, or after the giving of notice of termination by the District to the Charter School, shall reinstate, continue or extend the Term.
- 13.6. **Overallocation of Space.** The Charter School's projected in-District Average Daily Attendance ("ADA") for the 2020-21 school year, upon which the Premises are provided, is 386.25. The Charter School's actual ADA during the term of this Agreement shall not exceed its projected ADA by 10%. The parties agree that the overallocation provisions under the California Code of Regulations, Title 5, section 11969.8 only shall apply to this Agreement.
- 14. Taxes and Assessments.** Charter School shall pay any assessment on the Premises, including any improvements which Charter School constructs or causes to be constructed on the Premises, whether real estate, general, special, ordinary or extraordinary, or rental levy or tax, improvement bond, and/or fee imposed upon or levied against the Premises or Charter School's legal or equitable interest created by this Agreement, and the taxes assessed against and levied upon Charter School's alterations and utility installations that may be imposed by any authority having the direct or indirect power to tax and where the funds are generated with reference to the Premises' address and where the proceeds so generated are applied by the city, county or other local taxing authority having jurisdiction. The provisions of this Section shall survive the expiration or earlier termination of this Agreement. Nothing in this Section shall be construed to override the requirement in the Section "Title to and Removal of Charter School's Improvements/Premises; Equipment Requirements" of this Agreement that Charter School obtain the express written consent of the District to perform any improvements on the site, unless expressly permitted by this Agreement.

15. Maintenance.

- 15.1. Charter School agrees to provide, at its own cost and expense, any and all day to day maintenance and operations for the Premises. Maintenance to be provided by Charter School shall be consistent with the standards set forth in Section 1.4 of this Agreement and shall insure safe and healthful use.
- 15.2. District shall have no day to day maintenance or repair obligations with respect to the Premises. Charter School hereby expressly waives the provisions of Subsection 1 of section 1932 and sections 1941 and 1942 of the Civil Code of California and all rights to make repairs at the expense of District as provided in section 1942 of the Civil Code.
- 15.3. **Deferred Maintenance.** District shall be responsible for the major maintenance of the Premises. For purposes of the Agreement, “major maintenance” includes, for example, the major repair or replacement of plumbing, heating, ventilation, air conditioning, electrical, roofing, and floor systems, exterior and interior painting, and any other items considered deferred maintenance under Education Code section 17582. The District shall only be obligated to perform deferred maintenance on the Premises on an equivalent basis as that performed at other comparable District school sites.

Routine Repair, Cleaning and General Maintenance – Co-located School Sites. Notwithstanding Sections 15.1 and 15.2, in cases of co-location between the District and Charter School, District shall be responsible for the routine repair, cleaning and general maintenance of the Premises and any furnishing or equipment provided to Charter School. For purposes of the Agreement, “routine repair, cleaning and general maintenance” shall mean the school facility component work performed on an annual basis each year to keep facilities in proper operating condition. District shall also be responsible for ongoing operations and maintenance of the facilities on the Premises as defined in California Code of Regulations, Title 5, section 11969.4(b). The District shall only be obligated to perform routine repair, cleaning and general maintenance on the Premises on an equivalent basis as that performed at other comparable District school sites. Charter School will be responsible for its fair share of routine repair, cleaning, custodial costs of District provided custodian, and general maintenance costs.

16. Title to and Removal of Charter School’s Improvements / Premises; Equipment Requirements.

- 16.1. Charter School shall not construct or cause to be constructed on the Premises any improvements (“Charter School’s Improvements”) without express prior written consent from the District. For District consent and approval, Charter School’s Improvements must be considered necessary to the operation of Charter School’s educational program. The District shall have sole discretion to determine whether or not to provide approval. At the time the District considers the Charter School’s request to construct improvements on the Premises, the District will inform the Charter School, in writing, whether it will require the Charter School to remove the Charter School Improvements at the expiration or earlier termination of the Term.

To the extent that the District assumes lead agency status for any “project” under CEQA related to the provision of facilities under this Agreement, Charter School agrees to reimburse the District for any and all reasonable costs and expenses related to achieving compliance with CEQA.

- 16.3. Any modifications to the Premises must be approved in writing in advance by District.  - 16.6.1. Record a valid Release of Lien; or
 - 16.6.2. Deposit sufficient cash with the District to cover the amount of the claim on the lien in question and authorize payment to the extent of the deposit to any

17. Safety of Premises. The School Site, including the Premises, may be monitored by a safety system or protocol implemented, maintained and operated by District ("District's Safety Measures"). However, Charter School specifically acknowledges, understands, and agrees that District is neither responsible for nor has the obligation to supply, provide, establish, maintain, or operate District's Safety Measures for either Charter School or the Premises, except that the District's police service will be responsible for monitoring and surveying the Premises consistent with its practice for other District school sites, will respond to calls for police presence from the Charter School, and will notify the Charter School, consistent with its policies and protocols for all District schools, if the Premises are broken into, defaced, or damaged or District police are otherwise notified about information related to the Premises. Charter School shall develop a School Safety Plan under Education Code section 47605(b)(5)(F)(ii).

18. Fingerprinting and Criminal Background Verification. Charter School shall be responsible for ensuring compliance with all applicable fingerprinting and criminal background investigation requirements described in California Education Code section 45125.1.

- 19.1.4. Charter School's abandonment of the Premises for a period of fifteen (15) consecutive days (with or without the payment of fees), it being agreed that the fact that any of Charter School's property remains in the Premises shall not be evidence that Charter School has not vacated or abandoned the Premises; provided, however, any normal holidays or vacation days shall not constitute abandonment of the Premises;
- 19.1.5. The making by Charter School of any general assignment or general arrangement for the benefit of creditors; the filing by or against Charter School or any guarantor of the Agreement of a petition to have Charter School or any guarantor of the Agreement adjudged a bankrupt or a petition for reorganization or arrangement under any law relating to bankruptcy (unless, in the case of a petition filed against Charter School or any guarantor of the Agreement, the same is dismissed within sixty (60) days); the appointment of a trustee or receiver to take possession of substantially all of the Charter School's assets located at the Premises, or of Charter School's interest in the Agreement, where possession is not restored to Charter School within thirty (30) days; or the attachment, execution or other judicial seizure of substantially all of Charter School's assets located at the Premises or of Charter School's interest in the Agreement, where such seizure is not discharged within thirty (30) days;

In the event of any default by Charter School, District shall have the right, in addition to all other rights available to District under the Agreement or now or later permitted by law or equity, to terminate the Agreement by providing Charter School with a notice of termination. Upon termination of the Agreement, District may recover from Charter School the worth at the time of award of the unpaid Rent and any other accrued fees which are due at the time of termination. If the District defaults hereunder, then Charter School may have by reason of such default all remedies available at law or equity, which includes the remedy of self-help and deduction of reasonable self-repair costs from the pro rata share payments owed.

19.2.1. Charter School shall have no rights as a result of any default by District until Charter School gives thirty (30) days' notice to District specifying the nature of the default. Except where the losses, costs, damages, expenses, and liabilities (including without limitation court costs and reasonable attorneys' fees) are caused by District's negligence or misconduct, to the fullest extent permitted by law, Charter School ("Indemnifying Party") shall indemnify, defend, release and protect District, its affiliates, successors and assigns, and its officers, directors, shareholders, board members, other members, partners, agents and employees ("Indemnified Party" or "Indemnified Parties") and hold the Indemnified Parties harmless from any and all losses, costs, damages, expenses and liabilities (including without limitation court costs and reasonable attorneys' fees) (collectively "Claims") incurred in connection with or arising from any cause (i) in the use or occupancy by Charter School of the Premises (including without limitation, the operation by Charter School of the

(c) Any claim by a third party that District is responsible for any actions by Charter School in connection with any use or occupancy of the Premises or in any way related to this Agreement.

Except where the losses, costs, damages, expenses and liabilities (including without limitation court costs and reasonable attorneys' fees) are caused by Charter School's negligence or misconduct, to the fullest extent permitted by law, District shall ("Indemnifying Party") shall indemnify, defend, release and protect Charter School, its affiliates, successors and assigns, and its officers, directors, shareholders, board members, other members, partners, agents and employees ("Indemnified Party" or "Indemnified Parties") and hold the Indemnified Parties harmless from any and all losses, costs, damages, expenses and liabilities (including without limitation court costs and reasonable attorneys' fees) (collectively "Claims") incurred in connection with or arising from any cause (i) in the use or occupancy by District of the Premises (including without limitation, the operation by District of operations on the Premises), or (ii) in connection with the operations by District at the Premises, including without limiting the generality of the foregoing:

(a) Any default by District in the observance or performance of any of the terms, covenants or conditions of the Agreement on District's part to be observed or performed;

(b) The use or occupancy of the Premises by District or any person claiming by, through or under District or District's employees, agents, contractors, licensees, directors, officers, partners, trustees, visitors or invitees, or any such person in, on or about the Premises either prior to, during, or after the expiration of the Term of the Agreement (singularly, "Liability"; collectively, "Liabilities"); and

(c) Any claim by a third party that Charter School is responsible for any actions by District in connection with any use or occupancy of the Premises or in any way related to this Agreement.

The provisions of this Section 19 shall survive the expiration or sooner termination of this Use Agreement. (a) Notice of the assumption of such defense ("Notice") shall be delivered to such Indemnified Party within fifteen (15) days after transmittal.

(b) By the Indemnified Party of a request that Indemnifying Party defend such Liability;

(c) Such defense shall be conducted by reputable attorneys retained by Indemnifying Party and approved by the other Party, and with the prior written approval of all the Indemnified Parties against whom such

Liability has been asserted or threatened, which approval shall not be unreasonably withheld, delayed or conditioned, all at Indemnifying Party's sole cost and expense. In the event the interests of Indemnifying Party and any such Indemnified Parties in the action conflict in such manner and to such an extent as to require, consistent with applicable standards of professional responsibility, the retention of separate counsel for any of the Indemnified Parties involved in the action, Indemnifying Party shall pay all fees and costs charged or incurred by separate counsel chosen by such Indemnified Parties.

(d) Indemnifying Party agrees to promptly notify the other Party of the commencement of any litigation or proceedings pending, threatened or commenced (whether or not served) against Indemnifying Party, or any of the directors, officers, agents or employees of Indemnifying Party, in connection with the matters set forth in this Agreement. The provisions of this Section shall survive the expiration or sooner termination of this Use Agreement.

21. Insurance.

- 21.1. Insurance is to be placed with insurers with a current A.M. Best Insurance rating of no less than A-minus: VII and subject to the approval of District, except that insurance through a Joint Powers Authority shall be deemed sufficient under this Agreement. Charter School shall furnish District with the original certificates and amendatory endorsements effecting coverage required.
- 21.2. Charter School acknowledges that the insurance to be maintained by District on the School Site will not insure any of Charter School's property or improvements made by Charter School.
- 21.3. Charter School shall, at Charter School's expense, obtain and keep in force during the term of this Agreement a policy of commercial general liability insurance and a comprehensive auto liability policy insuring District and Charter School against claims and liabilities arising out of the operation, condition, use, or occupancy of the Premises and all areas appurtenant thereto, including parking areas. Charter School's comprehensive auto liability policy shall insure all vehicle(s), whether hired, owned or non-owned. Charter School's commercial general insurance shall be at least as broad as the Insurance Service Office (ISO) CG 00-01 form and in an amount of not less than One Million dollars (\$1,000,000) for bodily injury or death and property damage as a result of any one occurrence and Two Million dollars (\$2,000,000) general aggregate policy limit. In addition, Charter School shall obtain a products/completed operations aggregate policy in the amount of One Million dollars (\$1,000,000). The insurance carrier, deductibles and/or self-insured retentions shall be approved by District, which approval shall not be unreasonably withheld. 21.4. During the Term of this Agreement, District shall maintain at its cost a policy of standard fire and casualty insurance limited to the value of the buildings and improvements located on the School Site as of the Commencement Date. The District's insurance policy shall be primary in the case of any damage or destruction to the Premises (but not to the Charter School's personal property or alterations or improvements constructed by the Charter School).

21.4.1. No use shall be made or permitted to be made of the Premises, nor acts done, that will increase the existing rate of insurance upon the building or buildings of the Premises or cause the cancellation of any insurance policy, covering same, or any part thereof, nor shall Charter School sell, or permit to be kept, used, or sold in or about the Premises any article that may be prohibited by the standard form of fire insurance policies. Charter School shall, at its sole cost and expense, comply with any and all requirements pertaining to the Premises, of any insurance organization or company, necessary for the maintenance of reasonable fire and casualty insurance, covering the Premises' buildings, or appurtenances. Fire and casualty insurance premium increases to District due to equipment and/or activities of Charter School (other than based only on the Charter School's occupancy of the Premises) shall be charged to Charter School.

21.5. During the Term, Charter School shall comply with all provisions of law applicable to Charter School with respect to obtaining and maintaining workers' compensation insurance. Prior to the commencement and any renewal of this Agreement and Charter School's occupancy of the Premises, Charter School shall provide District, as evidence of this required coverage, a certificate in a form satisfactory to District on or before the commencement or renewal date, providing that insurance coverage shall not be canceled or reduced without thirty (30) days prior written notice to District. If the insurer does not provide such notice, Charter School shall provide the District with notice of cancellation of coverage as soon as it becomes aware of such cancellation.

22. Signs. Charter School may, at Charter School's sole cost, have the right and entitlement to place onsite signs on the Premises to advertise Charter School's educational program, provided Charter School obtains the prior written approval and consent of District. District's approval and consent shall not be unreasonably withheld. Any signs shall be at Charter School's cost and in compliance with the local ordinances pertaining thereto. In connection with the placement of any of Charter School's signs, District agrees to cooperate with Charter School in obtaining any governmental permits which may be necessary. Throughout the Term of the Agreement Charter School shall, at its sole cost and expense, maintain any of its signage and all appurtenances in good condition and repair. At the termination of the Agreement, Charter School shall remove any signs which it has placed on the Premises and School Site, and shall repair any damage caused by the installation or removal of Charter School's signs.

If Charter School fails to comply with any law, regulation or ordinance, District reserves the right to take necessary remedial measures at Charter School's expense, for which Charter School agrees to reimburse District on demand.
- 29.3. Charter School shall not cause or permit any Hazardous Material to be generated, brought onto, used, stored, or disposed of in or about the Premises and any improvements by Charter School or its agents, employees, contractors, subtenants, or invitees, except for limited quantities of standard office, classroom and janitorial supplies (which shall be used and stored in strict compliance with Environmental Laws).
