Your schools qualify as underserved.

The AB-841 Cal-Shape stimulus grant program began taking Plumbing fixture grant applications online on Aug. 31st. We are anticipating the Ventilation Study grant applications by the end of this month (Sept. 2021).

The application instructions have made requirements for the following attachments that will have to be signed by your school and returned to us, then uploaded along with your Ventilation program application. Additionally, we have attached an Addendum to our Prop-39 Independent Contractor Agreement that will need to be signed as well.

ACTION ITEMS: Documents needed to submit application

1. Proof of ownership or complying lease (*not attached – you will need to attach yours back to us*)
2. Certificate of Good Standing – Charter Schools only
3. Letter of authorization – third-party applicants only
4. Payee Data Record – STD 204
5. Addendum to FNF Independent Contractor Agreement

We recommend working with EMCOR Services on the Ventilation study. EMCOR has an engineering division and a contracting division. The Program Guidelines do not require competitive bids, and the Public Works requirements have been waived by Governor Newsom due to Covid, however, some of our school clients have internal procurement rules that do require competitive bids.

(Note: If your school has more specific procurement requirements than this, we will try to accommodate those additional procurement requirements after the applications have been submitted, preferably at the front of the line. The funding goes first-come, first-served, and the funds for Tier-1 schools are somewhat limited. We are unfortunately pressed for time on this.)

Some of you may have questions such as how much money is the grant going to be? We are working on that now with the contractors, and will be better be able to answer that question accurately for each of your schools in the coming days as we receive the contractor estimates. In the meantime, it will be very important to complete the ACTION ITEMS 1-5 above. It will be impossible to submit an application without having received these signed forms back from you. *(I anticipate a ventilation grant for AIM about \$50K, which would include the professional ventilation study, as well as installation of CO2 monitors in each classroom, and our development, management, and reporting fee.)*

Contractor assumes full responsibility for the acts and/or omissions of his/her employees, agents and contractors as they relate to the services to be provided under this Agreement.

6. Taxes. California Residents: Contractor acknowledges and agrees that it is the sole responsibility of Contractor to report as income its compensation received from District and to make the requisite tax filings and payments to the appropriate federal, state, or local tax authority. No part of Contractor's compensation shall be subject to withholding by District for the payment of social security, unemployment, or disability insurance or any other similar state or federal tax obligation.

Non California Residents: California Revenue and Taxation Code and related regulations require districts that make payments of California source income of more than \$1,500 in a calendar year to non-resident independent contractors performing services to withhold income taxes. (Some exceptions may apply.)

7. Materials. Contractor shall furnish, at his/her own expense, all labor, materials, equipment, supplies, and other items necessary to complete the services to be provided pursuant to this Agreement, except as follows:

In the event Contractor shall fail to so advise District, and as a result of the use of any programs or materials developed by Contractor under this Agreement, District should be found in violation of any copyright restrictions or requirements, or District should be alleged to be in violation of any copyright restrictions or requirements, Contractor agrees to indemnify, hold harmless, and defend District against any action or claim brought by the copyright holder.

9. Audits and Inspection of Records. At any time during normal business hours and as often as District may deem necessary, Contractor shall make available to District for examination at District's place of business specified above all data, records, investigation reports, and all other materials related to matters covered by this Agreement, and Contractor will permit the District to audit, and to make audits of, all invoices, materials, payrolls, records of personnel, and other data related to all matters covered by this Agreement.

Written notice by District of termination for cause shall contain the reasons for such intention to terminate, and unless within ten (10) days after service of such notice, the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall, upon the expiration of the ten (10) days, cease and terminate. In the event of such termination, the District may secure the required services from another contractor. If the cost to the District of obtaining the services from another contractor exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Contractor. (b) Any injury to or death of any person, including the District or its officers, agents, employees, students, and visitors or damage to or loss of any property caused by any act, neglect, default, or omission of the Contractor or any person, firm, or corporation employed by the Contractor, either directly or by independent contract, arising out of or in any way connected with the services covered by this Agreement, whether said injury or damage occurs on or off District's property, except for liability for damages which result from the sole negligence or willful misconduct of the District or its officers, employees, or agents.

(c) Any liability for damages which may arise from the furnishing or use of any copyrighted or uncopyrighted matter or patented or unpatented invention under this Agreement.

Contractor further agrees that any agreement with any person, firm or corporation, engaged by Contractor as an independent contractor to perform services in furtherance of this Agreement, shall impose on such person, firm or corporation a duty to indemnify, hold harmless and defend the District to the same extent as required of Contractor under Section 13 of this Agreement.

14. Insurance. Contractor agrees to carry commercial general liability insurance with limits of One Million Dollars (\$1,000,000) per occurrence combined single limit for bodily injury and property damage in a form mutually acceptable to both parties to protect Contractor and District against liability or claims of liability, which may arise out of this Agreement.

Contractor represents that any person, firm or corporation engaged by Contractor to perform services in furtherance of this Agreement, whom Contractor has

designated as an independent contractor, is properly designated as such under pertinent law, including the Workers Compensation Act. Contractor agrees to hold harmless, indemnify and defend the District from every claim or demand made and every liability, loss, damage, or expense of any nature whatsoever, which arises from or is in any way related to such designation as an independent contractor.

22. Non-Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.
