AIMS English Language Learners

2021-2022	AIMS Elementary K-5	AIMS Elementary 6-8	AIMS Middle School	AIMS High School
ELs	162 (38%)	54 (24%)	62 (26%)	86 (19%)
Newcomers	(2)	(5)	(7)	(19)
Reclassified	(40)	(87)	(93)	(260)

Current Testing

Test Given: Initial ELPAC - for students with no established ELAS who have a home language other than English

Percentage Completed: 94%* (of eligible students)

Percentage Left: 6%

*I've been working with Operations to resolve a CALPADS issue preventing eligibility for 4 additional students

Upcoming Testing

Summative ELPAC - for all students with an EL status throughout the entire district

This test must be given to all of our 350+ EL students between February 1st and the end of the year (100% completion required)

Last year with a staff of 5 this was difficult to complete and we have a staff of 2 right now

I recently completed a training about this and have a strategy in mind

Strategy For Student On Independent Study

- Zoom writing course (on-going)
- online tutoring via Google Docs

The ELD department strongly recommends that students attend school in-person as often as possible. While we understand that families desire flexibility, language acquisition requires in-person experiences to work well. Fortunately we don't have any ELD class attendees who are on independent study at this time.
