By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Nestled in the heart of the beautiful Lake Merritt area, the AIMS HS Lakeview campus is located across from the historic Grand Lake Theatre. Surrounded by local restaurants and shops, we are less than a 5-minute walk away from the lake. AIMS College Prep High School serves 450 inner-city 9th – 12th grade students. The focus of AIMS High School is excellent student attendance (97%). This has been the foundation to ensure academic success in English Literature and mathematics. The curriculum has been designed to enhance the academic skills of socio-economically disadvantaged students. AIMS High School also provides instruction that develops the students' academic skills in writing, science, social science, business, and the humanities in order to be productive members in a global 21st century society. This will be a collaborative effort between school, family, and community members. Every year, 100% of AIMS High School's students are accepted into 4-year colleges, including UC Berkeley, UCLA, USC, Yale, Columbia, UC Davis, Dartmouth, Wesleyan, NYU, Grambling State, Howard University, and Morehouse College.

### AIMS HS History

In 1996, American Indian Model Schools (AIMS) founded American Indian Public Charter School (AIPCS) a middle school by Native American families looking to retain a cultural connection for their children. AIPCS was Oakland's third public charter school. In 2006, AIPCS became the first public charter school in Oakland to win recognition as a National Blue Ribbon School. Later that year, AIPCS expanded to include American Indian Public High School (AIPHS), and, in 2012, expanded again to include American Indian Public Charter School II (AIPCS II) as a K-8 campus. Historically, AIPHS has been recognized by US News and World Report as well as the Washington Post as one of the most challenging academic high schools in the Nation, a recognition that has expanded into the term of our current charter.

During the 2018-19 school year, the AIMS Board of Trustees (the "Board") took action to change the name of AIPHS to AIMS College Prep High School (AIMS HS). During the 2019-20 school year, AIMS College Prep High School was awarded the A-G Award from Families In Action (FIA) with 100% A-G graduate rate completion for African-American students. Additionally, in 2020, the AIMS K12 organization received the California Charter School Association Hart Vision Award, recognizing AIMS as the Northern California Charter school network of the year. In 2017, AIMS HS began its first athletic program. Since that time, our sports teams have won 4 varsity championships, 3 varsity championship runner-up's, 5 JV Championships, 2 CIF-Oakland Section Championship Runner-Ups, and 8 students participated in the CIF State Championships over a two year period. Students must maintain a 3.0 GPA in order to partake in AIMS sports programs.

### Mission Statement

AIMS exists to prepare all students, especially those who have been traditionally underserved, to enter a four-year college after graduation from high school and complete at minimum a four-year degree.

### AIMS Credo

The Family - We are a family at AIMS K-12.

The Goal - We are always working for academic and social excellence.

The Faith - We will prosper by focusing and working toward our goals.

The Journey - We will go forward, continue working, and remember we will always be a part of the AIMS K-12 family.

### AIMS Values

Excellence - Commitment to excellence in all that we do.

Wisdom and Knowledge - Pursuit of wisdom and knowledge as intrinsically valuable.

Empathy - Recognition of dignity and worth of every human being.

Family and Community - Building of family and community.

Equity - Social awareness and justice that leads to action.

Legacy - The continued preservation and development of AIMS methodologies for 21st century learners and educators

### AIMSTRONG

Coined in 2016 by Maurice Williams, founder of the AIMS Athletics Department, as part of a rallying cry for its sports programs, AIMSTRONG has developed into the official moniker of the AIMS K12 College Prep Charter District. When taken in its totality, AIMSTRONG best conveys the model AIMS student:

**Academics:** Academics is the first word in AIMSTRONG and is the cornerstone to future success. Academics means developing and growing our scholarship, our grades, our inquiry, our brains.

**Integrity:** Being honest and possessing strong moral principles. Integrity means being true to our best selves consistently.

**Mentorship:** Providing guidance, influence, and direction to your AIMS community. Mentorship is serving our neighbors, community and families, especially with our strengths.

**Strength:** The influence or power possessed by you to combat the rigors of academics and real-life while resisting being moved or broken. Strength is both physical growth and the will power to complete the work we begin.

**Teamwork:** The combined action of each group member doing their part selflessly to benefit the whole. Teamwork is being part of a group which has an agreed goal.

**Responsibility:** Moral, legal, or mental accountability and taking ownership for one's actions. Responsibility is when we own our real part of getting teamwork, family, and planning done.

**Organization:** Preparation and efficiency when coordinating and carrying out activities. Organization is both how we plan and what we do to get things done systematically.

**Nerve:** Displaying courage, power, control and steadiness under pressure. Nerve knows when to step out to make a change in a situation or plan.

**Grit:** To keep going to accomplish our plans, even when there are strong obstacles. Grit is best personified in our ability to be knocked down and to get back up again.

### AIMS Model

**Pedagogy and Practices:** In order for AIMS to meet our mission of successful acceptance to a four year college or university, we have designed K-12 instruction toward the goal of mastery of the spiral progression of learning standards.

**Diversity and Inclusion:** We believe that each child has a unique talent and purpose. We see and celebrate differences, and do not tolerate bullying or prejudices. Every student has opportunities to learn individually and in groups. Teachers are expected to regularly examine their own biases with respect to student behavior and aptitude.

AIMS functions as a school designed to serve traditionally underserved communities. The programming design of AIMS will prioritize the needs of these communities. Teachers are expected to support students in accessing the general education classroom whenever possible.

Parent communications will happen with the support of translators whenever possible. Students are encouraged to share their cultural traditions at school functions.

AIMS staff is committed to supporting students in practicing dialogue and critical thinking when both inspirations and conflicts arise. At AIMS, we accept and respect each other regardless of race, religion, or orientation.

**Learning Environment:** The AIMS Model classroom is one that is orderly and clean. We believe that an orderly classroom increases time on task for instruction. Students are expected to help in the upkeep of their classrooms and school environment and teachers may assign students classroom jobs to help promote classroom culture and efficiency.

## School Facility Conditions and Planned Improvements

### General

Our school prides itself in providing a safe, clean, and well-maintained environment to its families and staff members. We have used the Facility Inspection Tool from the State of California OPSC (Office of Public School Construction) to systematically gather insight into the condition of our facility. The school grounds, restrooms, and building are in excellent condition. Any repairs or problems are given immediate attention.

### Maintenance and Repairs

AIMS model dictates that anything that requires maintenance or repair be addressed in an effective and timely fashion. Any issues that arise during the school day are communicated to the appropriate personnel by our admin team to be serviced. Maintenance/repair personnel are immediately contacted by our admin staff during the day for any issue.

### Cleaning

During the day, everyone at school contributes to the cleanliness of the school by picking up after themselves, sweeping the floor, wiping down the tables after lunch, etc. After school, Custodial staff work to maintain a clean campus daily. During reopening, CDE guidelines were followed for safe in-person learning. Students are placed

in stable cohorts, facilities are checked, sanitized and maintained throughout the day . The school created a partnership with an on-site janitorial company to provide additional daily cleaning, sanitization and maintenance services.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID–19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.
