By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

About This School

Maryetta Golden (K-5), Riffat Akram (6th-8th)

Principal, American Indian Public Charter II

About Our School

Maryetta Golden - Head of School - Elementary (K-5th)

Assuming the responsibility of Elementary Head of School this year, is considered an honor and privilege. I love working at AIMS for more reasons than one. I came out of retirement to work at AIMS, and this is my 6th year.

I hold teaching and administrative credentials, along with a B.A. in Business Administration, Political Science, and a Master's in Education. I previously was a teacher, counselor, vice principal and principal for 20+ years in public and private schools. My experiences in teaching and administration have equipped me with a myriad of tools, knowledge, and resources to support and manage AIMS Elementary. My intent and philosophy are to build and manage a strong school community, yet be flexible and eager to reinforce what I know when it comes to acquiring new ideas to improve teaching strategies and student achievement!

Riffat Akram - Head of Schools - Middle School (6th - 8th)

I received a Certificate of School Management & Leadership from Harvard University, Administrative Services Credentials from St. Mary's College and Master's in Education (Curriculum Development) + teaching credential from CSUEB.

I have over 15 years of experience working in private and public schools. I started my career as a Middle School Math/Science teacher and then taught Biology/AP Biology in High Schools. Prior to joining AIMS I worked as Curriculum & Academic Affairs Coordinator at another Charter District.

This is my fourth year at AIMS. I am grateful for the opportunities to work as Dean, Head of Academics and now as Head of Middle Schools.

Originating from a diverse background myself and working in the private & public education sectors in a variety of roles provided me with the real life insights about the needs and challenges of our youth.

As the Head of Schools, students' safety, their emotional & social well being, and their academic growth are my highest priorities.

My goal is to provide the equitable environment, opportunities, and resources to all students that they need to thrive during the critical phase of their Middle School years.

School Description and Mission Statement (School Year 2021—2022)

About AIMS K-8

School Name: AIMS K-8; Formerly known as American Indian Public Charter School II (AIPCS II)

Year Founded: 1996 (AIMS MS) and 2012 (AIMS K-8) (Oakland, CA)

Mascot: Golden Eagles

School Colors: Red, Athletic Gold, and Royal Blue*

Number of Students: 675

Website: www.aimsk12.org

Email Address: middleschool@aimsk12.org, elementary@aimsk12.org

School Address: 171 12th Street, Oakland, CA 94607

Office Phone Number: (510) 893-8701

Head of School: Riffat Akram and Maryetta Golden

Superintendent: Maya Woods-Cadiz, M.Ed.

AIMS K-8 serves 675 inner-city K – 8th grade students. The focus of AIMS K-8 is excellent student attendance (97%). This has been the foundation to ensure academic success in English Literature and mathematics. The curriculum has been designed to enhance the academic skills of socio-economically disadvantaged students. AIMS K-8 also provides instruction that develops the students' academic skills in writing, science, social science, foreign language and visual performing arts, in order to be productive members in a global 21st century society. This will be a collaborative effort between school, family, and community members.

AIMS History

Founded as a middle school in 1996, AIMS K-12 began as American Indian Public Charter School (AIPCS) by Native American families looking to retain a cultural connection for their children. AIPCS was Oakland's second publicly-funded charter school. In 2006, AIPCS became the first public charter school in Oakland to win recognition as a National Blue Ribbon School. Later that year, AIPCS expanded to include AIPHS and in 2012, AIMS K-12, expanded once more to include an elementary school. Historically, AIPCS has been recognized by US News and World Report as well as the Washington Post as one of the most challenging academic high schools in the nation.

During the 2018-19 school year, the AIMS Board of Trustees agreed to change the name of AIPCS and AIPCS II to AIMS College Prep Middle School (AIMS MS) and AIMS College Prep Elementary (AIMS Elementary). During the 2019-20 school year the AIMS K12 College Prep Charter District received the California Charter School Association Hart Vision Award, recognizing the AIMS schools as the Northern California Charter school network of the year.

Mission Statement

AIMS exists to prepare all students, especially those who have been traditionally underserved, to enter a four-year college after graduation from high school and complete at minimum a four-year degree.

AIMS Credo

The Family - We are a family at AIMS K-12.

The Goal - We are always working for academic and social excellence.

The Faith - We will prosper by focusing and working toward our goals.

The Journey - We will go forward, continue working, and remember we will always be a part of the AIMS K-12 family.

AIMS Values

Excellence - Commitment to excellence in all that we do.

Wisdom and Knowledge - Pursuit of wisdom and knowledge as intrinsically valuable.

Empathy - Recognition of dignity and worth of every human being.

Family and Community - Building of family and community.

Equity - Social awareness and justice that leads to action.

Legacy - The continued preservation and development of AIMS methodologies for 21st century learners and educators

AIMSTRONG

AIMSTRONG has developed into the official moniker of the AIMS K12 College Prep Charter District. When taken in its totality, AIMSTRONG best conveys the model AIMS student:

Academics: Academics is the first word in AIMSTRONG and is the cornerstone to future success. Academics means developing and growing our scholarship, our grades, our inquiry, our brains.

Integrity: Being honest and possessing strong moral principles. Integrity means being true to our best selves consistently.

Mentorship: Providing guidance, influence, and direction to your AIMS community. Mentorship is serving our neighbors, community and families, especially with our strengths.

Strength: The influence or power possessed by you to combat the rigors of academics and real-life while resisting being moved or broken. Strength is both physical growth and the will power to complete the work we begin.

Teamwork: The combined action of each group member doing their part selflessly to benefit the whole. Teamwork is being part of a group which has an agreed goal.

Responsibility: Moral, legal, or mental accountability and taking ownership for one's actions. Responsibility is when we own our real part of getting teamwork, family, and planning done.

Organization: Preparation and efficiency when coordinating and carrying out activities. Organization is both how we plan and what we do to get things done systematically.

Nerve: Displaying courage, power, control and steadiness under pressure. Nerve knows when to step out to make a change in a situation or plan.

Grit: To keep going to accomplish our plans, even when there are strong obstacles. Grit is best personified in our ability to be knocked down and to get back up again.

AIMS Model

Pedagogy and Practices: In order for AIMS to meet our mission of success we have designed K-12 instruction toward the goal of mastery of the spiral progression of learning standards.

Diversity and Inclusion: We believe that each child has a unique talent and purpose. We see and celebrate differences, and do not tolerate bullying or prejudices.

Every student has opportunities to learn individually and in groups.

Teachers are expected to regularly examine their own biases with respect to student behavior and aptitude.

AIMS functions as a school designed to serve traditionally underserved communities. The programming design of AIMS will prioritize the needs of these communities.

Teachers are expected to support students in accessing the general education classroom whenever possible.

Parent communications will happen with the support of translators whenever possible.

Students are encouraged to share their cultural traditions at school functions.

AIMS staff is committed to supporting students in practicing dialogue and critical thinking when both inspirations and conflicts arise.

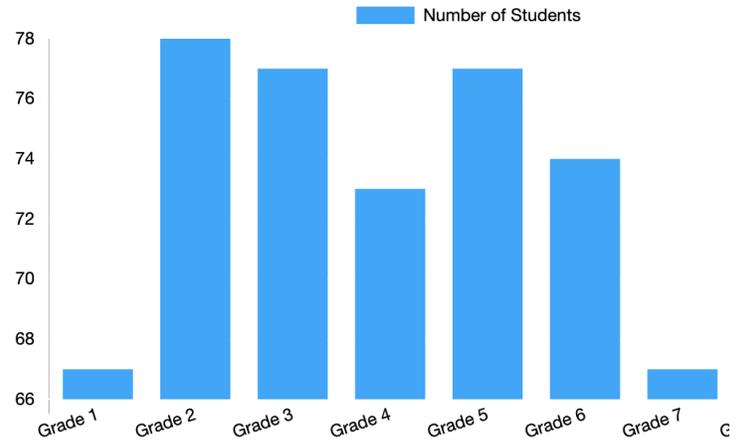

At AIMS, we accept and respect each other regardless of race, religion, or orientation.

Learning Environment: The AIMS Model classroom is one that is orderly and clean. We believe that an orderly classroom increases time on task for instruction. Students are expected to help in the upkeep of their classrooms and school environment and teachers may assign students classroom jobs to help promote classroom culture and efficiency.

School Facility Conditions and Planned Improvements

General

Our school prides itself in providing a safe, clean, and well-maintained environment to its families and staff members. We have used the Facility Inspection Tool from the State of California OPSC (Office of Public School Construction) to systematically gather insight into the condition of our facility. The school grounds, restrooms, and building are in excellent condition. Any repairs or problems are given immediate attention.

Maintenance and Repairs

AIMS model dictates that anything that requires maintenance or repair be addressed in an effective and timely fashion. Any issues that arise during the school day are communicated to the appropriate personnel by our admin team to be serviced. Maintenance/repair personnel are immediately contacted by our admin staff during the day an issue.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **SARC Reporting in the 2020–2021 School Year Only**

Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

- **Options:** Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

| Mathematics (grades 3-8 and 11) | N/A | N/A | N/A | N/A | N/A | N/A |

Note: The 2019–2020 data cells with N/A values indicate that the 2019–2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019–2020 school year.

Note: The 2020–2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020–2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020–2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020–2021 school year to other school years.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2021-2022)

Parent meeting with administrators on a Zoom meeting once per month for a time for drop in "office hours." We want to include their voice in what goes on in our school. Therefore, these monthly meetings will allow them to be heard and feel their opinion counts. In addition to these monthly meetings, we have what is called The Principal's Parent Chat on a monthly basis with Ms. Golden. This meeting will be somewhat different than the zoom meeting, because it will be in-person in Ms. Golden's office. A light breakfast will be served. This will create a warmer, personal atmosphere.

There are various topics covered in the Principal's Parent Chat including scheduled work days at AIMS where parents can come in to perform support for schools on rotating days. Additionally, there is COVID testing for parents, parental classroom support, and communication sent out via ParentSquare. Marketing collaboration with Ms. Chu (Marketing & Communications Coordinator) takes place as well as parent lunch supervision for elementary beginning at 11:30 AM on the 1st and 2nd floors.

Mrs. Oden will be leading parent engagement activities and parents will receive AIMS swag and gift cards, per Mrs. Oden's discretion. Additionally, parent newsletters will be sent out, campus tours will be had, and AIMS K-8 Townhall meetings will take place all in an effort to involve parents in our day to day operations. Parents will have the following opportunities: food handling, COVID testing assistance, ESL classes with Ms. Bani, classroom support, lunch supervision, and collaboration with AIMS to seek donations for goods and food for parent events (i.e Safeway, Panera, etc.).

Additionally, AIMS K-8 host townhall meetings once a month via zoom to allow families to engage and to feel supported and heard in their child education. As apart of the CA Healthy Kids parent surverys are sent home annually to families around school climate and culture. AIMS K-8 offers a FAC Facmily Advisory Council and a School Site Council to ensure families are offered the opprotunity to have a voice.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates
- Chronic Absenteeism

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

| Rate | School 2018-2019 | School 2020-2021 | District 2018-2019 | District 2020-2021 | State 2018-2019 | State 2020-2021 |
|-------------|---------------------|---------------------|-----------------------|-----------------------|--------------------|--------------------|
| Suspensions | 3.50% | 0.00% | 4.40% | 0.03% | 3.47% | 0.20% |
| Expulsions | 0.00% | 0.00% | 0.09% | 0.00% | 0.08% | 0.00% |

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Suspensions and Expulsions for School Year 2019—2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

| Rate | School 2019-2020 | District 2019-2020 | State 2019-2020 |
|-------------|---------------------|-----------------------|--------------------|
| Suspensions | 2.84% | 3.64% | 2.45% |
| Expulsions | 0.15% | 0.07% | 0.05% |

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to other year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to other school years.

School Safety Plan (School Year 2021-2022)

Safety is one of our utmost concerns. To ensure the safety of our students, we have done the following things:

1. Conducted regular monthly fire drills.
2. Practiced meeting at a predetermined location in case of a fire. Evacuation maps and Exit Routes are placed in every room on campus.
3. Hired a fire safety expert to inspect our fire alarm and fire extinguisher every year.
4. Ensured all classrooms have an emergency kit in the classrooms.
5. Trained each teacher to respond to earthquake and fire emergency.
6. Practiced the "duck and cover routine" for earthquakes.
7. Updated our emergency kit with first-aid and disaster supplies.
8. Implemented an Emergency Lockdown procedure and conduct two lockdown procedures per academic year.
9. Implemented a Shelter in Place procedure.
10. Continued to address bullying, abuse and other issues regarding safety and the well-being of students and staff members.
11. Continued to follow through with a Traffic Safety plan.
12. Designated a Safe School Plan Committee.

After School Tutoring/Saturday School

In 2020-2021 AIPCS II had intervention aides who provided instructional support to the 6th through 8th grade students via small-group tutoring both during and after school. Tutoring groups are based on ability level. Classroom teachers assess students then assign students to tutoring groups. The tutors and resource teachers frequently collaborate with and provide ongoing updates to classroom teachers to support the students’ academic needs. Some teachers even offer free tutoring for students during Saturday school. Tutoring is an integral part of the AIMS Model and ensures that students receive the academic assistance needed to be successful at AIPCS II.

AIMS MS Extended School Year

AIPCS II students attend an extended school year for three weeks between June and July. The extended school year serves as a starting point for the new school year. For many new students, the extended school year provides opportunity for students to acclimate to the AIMS K-12 model and academic rigors associated with AIPCS II.

Techbridge Engineering Club

Techbridge’s hands-on science program for girls from 6th to 8th grade. Participating students met once a week to work on projects.

Title I & Title III

Through Title I and Title III funding we are able to offer programs and services to students with after-school tutoring support. In addition, we offer a comprehensive ELD intervention program to support the needs of our ELL population. Push in and pull out intervention services are offered for students who are failing or at risk of failing to meet AIMS standards.

After School Program

AIPCS II partnered with Bay Area Community Resources (BACR) to provide after school enrichment and academic support.

National School Lunch Program

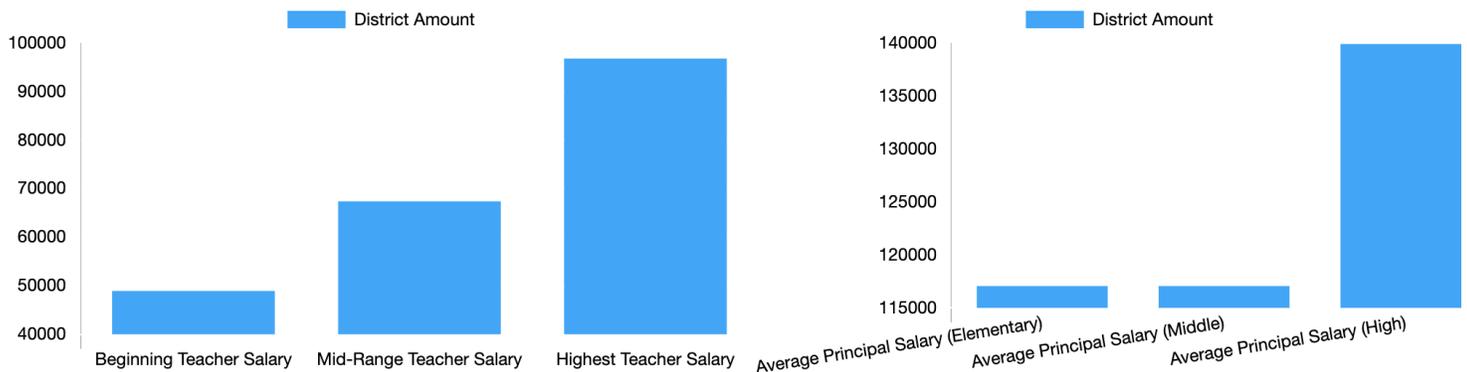

We are proud to be able to provide students with access to a variety of affordable and appealing foods that meet the health and nutrition needs of students. All meals, foods, and beverages sold or served at school meet state and federal requirements based on the USDA Dietary Guidelines. All meals, foods, and beverages are prepared and served by qualified child nutrition professionals to ensure all students are provided access to healthy meal
