KEY

EM Emerging Mathematician

Quantile growth between first and last tests is not displayed for students who have switched from a previous version of The Math Inventory.

| USING THE DATA | |
|--|--|
| Purpose: This report shows average student growth on The Math Inventory over time at the district or school level. | Follow-Up: Identify groups that are not showing adequate growth and may require additional support or resources. |

College Bound Kids with Mr. Kabeer

Hosted the Airforce last month with great turnout

Had Genesys works presented to our 11th grade students to offer them a paid internship with a value of 15,000 for their senior year. with a top technology company in the Bay Area.

Students are still working hard to finish their FAFSA . I am so proud of the resiliency and the determination of our Seniors. Our students come from such a diverse background including some with undocumented status who have had to deal with major glitches and issues with filing out the FAFSA and adjusting to the new protocols and rules. Despite the system's setbacks our students continue to persevere.

In honor of Black History month we hosted the HBCU caravan which was a success. \$30,000+ in Scholarships and over 10 acceptances on the spot.

In College Planning our seniors are learning how to write formal research papers and are working hard on their senior projects. This year the senior projects include a 4 page research paper, 10 hours of fieldwork experience and a 4-6 minute presentation in May.

Students continue to receive college acceptances from the CSU system and are gearing up for the major College admissions season starting in March.

In March our K-5 will participate in a College Awareness month which AIMS to bolster college awareness among our youngest students.

Middle School will go touring Merritt College and UC Berkeley

Mr. Kabeer was selected as a Proposal Reviewer for the National Academic Counselor Associations (NACAC convention) in 2024

ACT will be given 27th and 29th

SAT Day is March 13th for Juniors

ELD with Ms. Bani

Reclassification

- 76 students currently in the process of being reclassified

- teacher approval rate thus far is 90%

ELPAC

- 20% of K-2 (all one-on-one) tests complete

- 90% of group tests 3rd-5th grade complete

- 60% of group tests 6-8th grade complete

- 50% of group tests at HS complete

Title III Spending

- 40% of Title III spending is complete or approved awaiting purchase

- remaining spending will go toward additional translating and interpreting, our reclassification ceremony, and some remaining training, curriculum and supply purchases
