By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE)
SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

#### Abstract

About Our School

\section*{Natalie Glass - Director of Schools}

As a Bay Area native, I received my Bachelor's degree in Psychology from San Francisco State University and my Master's degree from Alliant International University, San Diego. Throughout my years in education, I've had the opportunity to teach grades K-12 including public and private schools, county-operated court schools, and alternative education. I am extremely proud to have been a part of the AIMS community for the past 7 years now as a teacher of grades 1-3, Middle School Dean of Students, Middle School Head of Academics, Elementary Head of School, and now Director of Schools for K-12.

With substantial teaching experience, I pride myself in my ability to demonstrate compassion towards students while setting and maintaining clear, firm, and consistent professional boundaries

My educational experiences have provided me with opportunities to work alongside a diverse population of educators and students. My educational philosophy is rooted in an unwavering belief that all children are capable of achieving when provided a positive and safe learning environment, strong and knowledgeable leadership, and a dedicated and focused educational team.

\section*{Chaniel Clark - Head of Academics (9th-12th)}

As a dedicated educator with a profound passion for diversity and a commitment to supporting students from varied cultural backgrounds and experiences, I bring more than a decade of service in education and student support, including a position of Dean of Students at AIMS MS. My educational journey commenced with the acquisition of a B.A. in Visual Communications, and I further enriched my knowledge through educational opportunities from the Harvard School of Business in Leading School Strategy and Innovation, as well as Leading Change in Education. Currently, I am actively engaged in the pursuit of my Masters in Education, driven by the desire to deepen my understanding and broaden my impact in the field.

My role at AIMS College Prep High School has been transformative, focusing the result has been a commendable 100\% graduation rate, guiding students towards prestigious $100 \%$ acceptance to 4 -year institutions. This success underscores my unwavering commitment to diversity and access, reflecting a passion that is evident in my advocacy for representation within educational spaces.

My educational philosophy includes recognizing the transformative power of education, particularly in terms of college access, I firmly believe that it has the potential to be life-changing for families and communities. Providing equitable
opportunities for all students, regardless of their background, contributes not only to individual success but also to the enrichment and empowerment of our communities. This reflects my belief in the intersectionality of education, social justice, and community well-being. I embrace the opportunity to contribute not only to the academic realm but also to the broader narrative of social impact and positive change. This multifaceted journey encapsulates my enduring commitment to excellence, advocacy, and the continuous pursuit of personal and professional growth in the service of education and community upliftment.

## AIMS K-12 History

Founded in 1996, AIMS K-12 began as a middle school (AIPCS) by Native

American families looking to retain a cultural connection for their children. AIPCS was Oakland's second publicly-funded charter school. In 2006, AIPCS became the first Oakland public charter school in Oakland to win recognition as a National Blue-Ribbon School. Later that year, AIPCS expanded to include a high school (AIPHS), and, in 2012, AIMS K-12 expanded to include an elementary school. As AIMS K-12 grew, the student body became increasingly diverse and, in 2018, both our elementary and middle schools were recognized for nearly closing the achievement gap in African American students.

During the 2018-19 school year, the AIMS Board of Trustees (the "Board") took action to change the name of AIPHS to AIMS College Prep High School (AIMS HS). During the 2019-20 school year, AIMS College Prep High School was awarded the A-G Award from Families In Action (FIA) with 100\% A-G graduate rate completion for African-American students. Additionally, in 2020, the AIMS K12 organization received the California Charter School Association Hart Vision Award, recognizing AIMS as the Northern California Charter school network of the year. In 2017, AIMS HS began its first athletic program. Since that time, our sports teams have won 4 varsity championships, 3 varsity championship runner-up's, 5 JV Championships, 2 CIF-Oakland Section Championship Runner-Ups, and 8 students participated in the CIF State Championships over a two-year period. Students must maintain a 3.0 GPA in order to partake in AIMS sports programs.

## AIMS Mission Statement

AIMS exists to prepare all students, especially those who have been traditionally underserved, to enter a four-year college after graduation from high school and complete at minimum a four-year degree.

## AIMS Credo

The Family - We are a family at AIMS K-12.
The Goal - We are always working for academic and social excellence.
The Faith - We will prosper by focusing and working toward our goals.
The Journey - We will go forward, continue working, and remember we will always be a part of the AIMS K-12 family.

## AIMS Values

Excellence - Commitment to excellence in all that we do.
Wisdom and Knowledge - Pursuit of wisdom and knowledge as intrinsically valuable.
Empathy - Recognition of dignity and worth of every human being.
Family and Community - Building of family and community.
Equity - Social awareness and justice that leads to action.
Legacy - The continued preservation and development of AIMS methodologies for 21st century learners and educators.

## AIMSTRONG

AIMSTRONG has developed into the official moniker of the AIMS K12 College
Prep Charter District. The AIMSTRONG acronym describes the model AIMS student:
Academics: Academics is the first word in AIMSTRONG and is the cornerstone for
future success. Academics means developing and growing our scholarship, our grades, our inquiry, our brains.
Integrity: Being honest and possessing strong moral principles. Integrity means being true to our best selves consistently.
Mentorship: Providing guidance, influence, and direction to your AIMS community. Mentorship is serving our neighbors, community and families, especially with our strengths.
Strength: The influence or power you possess to combat the rigors of academics and real-life while resisting being moved or broken. Strength is both physical growth and the will power to complete the work we begin.
Teamwork: The combined action of each group member doing their part selflessly to benefit the whole. Teamwork is being part of a group which has an agreed goal.
Responsibility: Moral, legal, or mental accountability and taking ownership for one's actions. Responsibility is when we own our real part of getting teamwork, family, and planning done.
Organization: Preparation and efficiency when coordinating and carrying out activities. Organization is both how we plan and what we do to get things done systematically.
Nerve: Displaying courage, power, control and steadiness under pressure. Nerve knows when to step out to make a change in a situation or plan.
Grit: To keep going to accomplish our plans, even when there are strong obstacles. Grit is best personified in our ability to be knocked down and to get back up again

## A. Conditions of Learning

## State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

| Total Teaching Positions | 16.50 | $100.00 \%$ | 2598.40 | $100.00 \%$ | 274759.10 | $100.00 \%$ |

This data is being pulled from the 2021-2022 school year after we returned from COVID-19 closures. In 21-22, AIMS College Prep High School had 0 "out-of-field" teachers, 10\% intern, and 33\% "ineffective" teachers.

Under legal authority by the Commission on Teacher Credentialing (CTC) in the State of California, in cases where a valid credential was not held to enable teacher(s) to provide core instruction, a Provisional Intern or Short-Term Staff Permit met State Assignment Monitoring standards. While acceptable and routine practice in staffing under teacher
shortage conditions, these Permits do not satisfy Federal ESSA requirements resulting in teachers being reported as not meeting the "clear" standard.

## School Facility Conditions and Planned Improvements

## General

AIMS HS is locate on the Lakeview campus under Prop 39, agreement with OUSD. Our school prides itself in providing a safe, clean, and well-maintained environment to its families and staff members. We have used the Facility Inspection Tool from the State of California OPSC (Office of Public School Construction) to systematically gather insight into the condition of our facility. The school grounds, restrooms, and building are in excellent condition. Any repairs or problems are given immediate attention.

## Maintenance and Repairs

AIMS model dictates that anything that requires maintenance or repair be addressed in an effective and timely fashion. Any issues that arise during the school day are communicated to the appropriate personnel by our admin team to be serviced. Maintenance/repair personnel are immediately contacted by our admin staff during the day for any issue.

## Cleaning

During the day, everyone at school contributes to the cleanliness of the school by picking up after themselves, sweeping the floor, wiping down the tables after lunch, etc. After school, Custodial staff work to maintain a clean campus daily.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAA for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAA for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAA for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

## Opportunities for Parental Involvement (School Year 2023-24)

AIMS K-12 College Prep Charter District encourages its families to play an active role in their child's education and to get involved in our schools. There are a variety of ways parents can become involved at AIMS.

## Service

Parents can serve as volunteers for events such as picture day, book fairs, family events, and community workdays.

Parents also can serve, representing AIMS in local school advocacy, action advocacy, sharing their parent voice concerning issues that parents face on local platforms.
Parents have had the opportunity to meet local candidates for office and to ask questions at political forums.

Starting in January 2024 we will be there will be an award for AIMS Parent of the Month, based on their going above and beyond their contributions to the School community.

## Leadership

Parents and families have had opportunities to run for office on our AIMS parent committees and have the chance to share their concerns through Google surveys, parent forums, town hall meetings with administration, and a variety of councils and committees.

Some of these councils and committees include:
DELAC (District English Language Advisory Committee)
ELAC (English Learner Advisory Committee)
SSC (School Site Council)
AIMS Parent United

To sign up and for more information, please contact Maryetta Golden, Community Liaison at maryetta.golden@aimsk12.org.

Safety is one of our utmost concerns. AIMS College Prep High School site administrators and campus supervisors monitor the school grounds before school starts and throughout the day. AIMS High School is a closed campus, and all visitors must register in the school's main office. The school holds regularly scheduled fire, earthquake, and lockdown drills. AIMS High School's comprehensive safety plan is reviewed with staff annually and was most recently updated in 2023.

## Types of Services Funded (Fiscal Year 2022-23)

## After School Tutoring/Saturday School

Intervention aides who provided instructional support via small-group tutoring both during and after school. Tutoring groups are based on ability level. Classroom teachers assess students then assign students to tutoring groups. The tutors and resource teachers frequently collaborate with and provide ongoing updates to classroom teachers to support the students' academic needs. Some teachers even offer free tutoring for students during Saturday school. Tutoring is an integral part of the AIMS and ensures that students receive the academic assistance needed to be successful at AIMS.

## Title I \& Tittle III

Through Title I and Title III funding we are able to offer programs and services to students with after-school tutoring support. In addition, we offer a comprehensive ELD intervention program to support the needs of our ELL population. Push in and pull out intervention services are offered for students who are failing or at risk of failing to meet AIMS standards.

## National School Lunch Program

We are proud to be able to provide students with access to a variety of affordable and appealing foods that meet the health and nutrition needs of students. All meals, foods, and beverages sold or served at school meet state and federal requirements based on the USDA Dietary Guidelines. All meals, foods, and beverages are prepared and served by qualified child nutrition professionals to ensure all students are provided access to healthy meals.

## Student Government Association

Student Government Association (SGA) is responsible for leading student activities, executing student initiatives, advocating for student concerns, and providing general support to enhance student life in school.
