Dear Marisol Magana,

Thank you for your interest in the American Red Cross for your training needs.

- **First Aid and CPR/AED** trains you to respond to breathing and cardiac emergencies, injuries and sudden illness.
- **CPR/AED** trains you to respond to cardiac and breathing emergencies.
- **First Aid** trains you to identify and respond to common sudden illnesses such as seizures, strokes, allergic reactions, poisoning and diabetic emergencies.

All training classes include the following:

- 2-year certifications

- Free digital certificates for your employees

With our **Full Service Blended Learning training course**, you will schedule a date on the calendar for an American Red Cross Instructor to come to your facility to complete a skills check with your employees on a mutually agreed upon date and time and then you will receive the link for your team to complete the online training. The online content needs to be completed prior to your skills session.

**billing minimum of 8 participants per class session\***

Here is the quote for your training, which is valid for 60 days\*:
