E. Voices Safety Plan Update	Vote	
<p>The Safety Plan has been updated to include a comprehensive opioid response plan, in compliance with SB 10. This addition addresses necessary protocols for opioid-related emergencies and reflects recommendations from our legal counsel to ensure adherence to legal standards and best practices. These updates aim to enhance preparedness and safety measures across all campuses.</p>		
F. Family Handbook - Update to Head Lice Management Practices	Vote	
<p>The head lice management practices have been revised to align with the latest recommendations from the California Department of Public Health (CDPH) and the Centers for Disease Control and Prevention (CDC). These updates ensure that our procedures reflect current best practices, prioritize student health and safety, and minimize unnecessary disruptions to learning.</p>		
G. Update to Site Leader Vacation Practices - Employee Handbook	Vote	
<p>The objective of this update is to ensure consistent site leadership presence on campus during the summer months to support critical activities such as summer school, student recruitment, and enrollment. Currently, all site leaders take time off during the last two weeks of June simultaneously, which can create gaps in leadership coverage. To address this, we propose providing site leaders 64 hours of vacation time instead of eight non-holiday days at the end of June. The 64 hours can be scheduled rotating to be coordinated and approved at the site by the principal. This adjustment will allow for more flexibility in planning vacations while ensuring that key summer activities are adequately supported.</p>
