Plan Summary 2024-25

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Voices College-Bound Language Academy (“Voices”) is an independent TK-8 public charter school in San Jose founded in 2007 authorized by Franklin-McKinley Elementary School District. Voices provides a rigorous college-prep TK-8 program that teaches students English and Spanish and builds on core elements of their identity. The goal of the school is to prepare and inspire students to create positive change in their communities. The school will build a diverse, inclusive, and intellectually stimulating learning environment and emphasize the cognitive and social-emotional skills to inspire intellectually and emotionally intelligent problem-solvers. There are some metrics which do not apply to Voices because it is a TK-8 Charter School: A-G requirements, CTE Completion, AP Passage Rate, EAP ELA and Math, HS Dropout Rate, and HS Graduation Rate.

Mission

Voices College-Bound Language Academies will prepare all students for the challenges of higher education through the context of an academically rigorous dual-language program. In addition, we will ensure students demonstrate high academic achievement and apply critical thinking skills while making sense of their role within their own culture and the greater society.

Vision

All students graduating from Voices College-Bound Language Academies will possess the knowledge, skills and confidence to succeed in any career path they choose to pursue in life by mastering academic standards and subject matter. Students will be aware of the many positive possibilities for their future and enjoy learning throughout their lives. They will be able to think critically by asking questions, especially when confronted with the status quo. Our students will have a sense of social responsibility to make their communities better.

The Voices Network Core Values are:

Students in the Forefront: Our students motivate, inspire and guide us. Every decision is made with their well-being and achievement in mind.

Sí Se Puede Attitude: “Yes we can.” These Spanish words reflect the strength of our gente, our people, our culture. Whatever role, age or background, we at Voices embrace Sí Se Puede attitude with a smile on our face.

In Lak’ech: This Mayan phrase means, “I am you, you are me.” We are familia. And when we act with unity, we are unstoppable.

Shared Leadership: Everyone has something valuable to contribute to the Voices school community. Whether you are a first-year teacher, an assistant teacher, a principal or a parent, Voices believes in shared knowledge and accountability.

The School Site Values are activism and scholarship which promote a culture that fosters positive learning experiences and encourages a connection and duty to the community we live in.

The California School Dashboard (“Dashboard”) in 2023 reports that in 2022-23, Voices served 364 students with diverse needs and backgrounds: 48.9% socioeconomically disadvantaged (“SED”) or low income (“LI”) students; 44.8% of students were English Learners (“ELs”); 15.38% of English Learners were Redesignated Fluent English Proficient (“RFEP”); 11% of students with disabilities (“SWD”); 0.3% Foster Youth (“FY”); and, 0% Homeless Youth. As of the 2022-23 school year, enrollment by race and ethnicity at Voices was Hispanic/Latinx (94.2%), White (2.2%), Asian (0.8%), Filipino (0.3%), and Two or More Races (0.8%). It should be noted that the supplemental and concentration grant funds that come from the Local Control Funding Formula (“LCFF”) are for ELs, SED/LI, and FY. Of these subgroups, SED students and ELs are a significant subgroup at Voices; however, the Charter School addresses specific actions and services for FY students to provide equal access to a high-quality program.

The purpose of this Local Control Accountability Plan (“LCAP”) is to address the School Plan for Student Achievement (“SPSA”) for Voices which is the Schoolwide Program; herein referred to as the LCAP. The Charter School’s plan is to effectively meet the ESSA Requirements in alignment with the LCAP and other federal, state and local programs. The plans included in the LCAP address these requirements compliant to include focusing on three goals: GOAL 1: Student Achievement: Improve achievement of all students, including significant subgroups especially English Learners, in English Language Arts (“ELA”), Spanish Language Arts (“SLA”), Mathematics (“Math”), and Science in Voices’ dual-immersion model. GOAL 2: Student Engagement: Voices will support the social emotional health and well-being of the students through character development and enrichment activities in a safe, inclusive, learning environment which fosters a strong relationship between teachers and students. GOAL 3: Parent and Community Engagement: Voices’ parents/guardians, teachers, staff, and community members will be contributing members of the school community through active engagement, communication, collaboration, and decision-making as partners in education to provide students with a well-rounded education.

The Charter School completed a comprehensive needs assessment of the entire school which included an analysis of verifiable state data and local performance data used to measure student outcomes as evidenced in the annual update portion of the LCAP. The needs assessment process included meeting parents, classified staff, teachers and administrators to identify areas of opportunity for the students and groups of students who are not achieving standard mastery and to identify strategies which will be implemented in the LCAP to address those areas of opportunity. The identification of the process for evaluating and monitoring the implementation of the LCAP and the progress toward accomplishing the established goals will include discussing the actions and services with the use of supplemental funds at the school level through the English Learner Advisory Committee (“ELAC”) which functions as the Parent Advisory Committee. ELAC meets a minimum of four times per year to inform the process. Parents, classified staff, certificated staff and an administrator will make up the ELAC. The number of parents will exceed or be equal to the number of total staff members. The ELAC discusses academic performance, supplemental services and areas to make improvements with Title funds as part of the School Plan included in the LCAP conversations at the meeting in the fall and at the meeting in the spring. The teachers, staff, students and parents also participate in an annual survey which provides

feedback on the goals and actions. The teachers, staff and administrators actively participate in the decision making process throughout the year and during LCAP workshops. The decisions will take into account the needs of Voices based on student achievement data to include SBAC, ELPAC, and interim assessment data such as NWEA MAP, SLA assessments, cumulative assessments, and attendance and student discipline data to include the significant subgroups of Hispanic/Latinx students, SED students, SWD, and ELs and RFEPs. This student achievement data, attendance data, and student discipline data will be used as a basis for making decisions about the use of supplemental federal funds and the development of policies on basic core services.

Each goal includes actions and services that address the needs of all students and significant subgroups which include evidence-based strategies that provide opportunities for all children, methods and instructional strategies, and particular focus on students at risk of not meeting the State academic standards.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

The 2023 California State Dashboard only identifies performance levels using one of five status levels (ranging from Very Low, Low, Medium, High, and Very High) for state measures. Please note that the status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very High, High, Medium, Low, and Very Low).

Increase ELA Performance overall and for significant subgroups. The 2023 Dashboard indicates the English Language Arts performance was Overall “Low” – 34.7 points below standard, declined 6.9 points. The following subgroup was “Very Low” – Students with Disabilities – 108.1 points below standard, declined 4 points. The following subgroups were “Low” – English Learners – 51.8 points below standard, maintained -1.1 points, Hispanic/Latinx – 41.2 points below standard, declined 10 points; and Socioeconomically Disadvantaged- 57.9 points below standard, declined 19.1 points. Voices will focus specifically on increasing the ELA performance for all students, especially the significant subgroups of Hispanic/Latinx students, ELs, SWD, and SED students.

Increase math performance overall and for significant subgroups. The 2023 Dashboard indicates the Math performance was Overall “Low” – 66.8 points below standard, declined 18.8 points. Increase English Learner Progress Indicator (“ELPI”) for all English Learners. The 2023 Dashboard indicates that 46.4% of English Learners made progress toward English Language proficiency or a performance color of “Low” which is a decline of 8.9%. Students have daily English Language Development (“ELD”) instruction from an appropriately credentialed teacher and Specially Designed Academic Instruction in English (“SDAIE”) in their core content areas. Voices provides ELD instruction, monitoring, and support and improving language proficiency. The goal is to prevent students from being classified as LTELs by meeting English Proficiency in the primary grades.

Decrease chronic absenteeism and increase daily attendance overall and for significant subgroups. The 2023 Dashboard indicates the Chronic Absenteeism Rate was Overall “Medium” – 37.3% chronically absent, declined 11.5%. The following subgroup was “High” -Students

Voices will continue this decline and will focus specifically on decreasing Chronic Absenteeism for all students and especially for the subgroups of SED and Hispanic/Latinx students by implementing a culture of positive on-time attendance five days per week through attendance incentives, positive recognition, and awards to ensure positive daily attendance, implementing the Attendance Policy through parent phone calls, parent meetings, attendance contracts, letters, and home visits, and implementing a prioritized system for identifying and serving students for are chronically absent based on results of each student’s average daily attendance.

Maintain suspension rate at 1%. The 2023 Dashboard indicates the following - Suspension Rate was Overall “Very Low” - 1% of students were suspended at least one day, declined 2.6%. Students who are suspended multiple times are only counted once. The following subgroups were “Low”- Students with Disabilities - 2% were suspended at least one day, declined 3.6% and English Learners – 1.1% suspended at least one day, declined 2.4%. The primary classrooms will have the support of associate teachers who will support individual and small group interventions in the classroom. With the support of a Student Support Manager, the process of progress monitoring and assigning appropriate interventions will ensure that a robust MTSS program will be implemented with fidelity. The after-school program and summer school will focus on literacy, numeracy, and extended enrichment activities. All these actions will give priority to low income students, foster youth, and English Learners then will be provided to all students schoolwide as all students will benefit from these extra academic supports.</p>	<p>1.1 Credentialed Teachers 1.3 Implementation of Standards 1.4 SBAC ELA 1.5 SBAC Math 1.6 CAST Science 1.7 ELA Local Assessment 1.8 SLA Local Assessment 1.9 Math Local Assessment</p>

Limited Actions

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

1.3	Increase English Learner Progress Indicator (“ELPI”) for all English Learners. The 2023 Dashboard indicates that 46.4% of English Learners made progress toward English Language proficiency or a performance color of “Low” which is a decline of 8.9%. Additionally, many students who have been attending school in the United States for five years have not been Reclassified as Fluent English Proficient.	English Learners have the most opportunity for academic growth as measured by statewide assessment data on the ELPAC. A local needs assessment revealed that the identified students are in more need of high-quality, rigorous, meaningful, engaging instruction in English Language Development. Voices will provide each English Learner with integrated ELD in core content areas. Voices will provide an appropriately credentialed teacher to provide designated ELD daily for 30 minutes to each English Learner in leveled groups using ELD curriculum and monitoring the progress. Additional support will be provided for newcomers and Long Term English Learners. We expect the ELPAC scores of English Learners to increase because of the action focusing on high-quality instruction for the identified students.	1.10 ELPI 1.11 EL Reclassification Rate

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

Plan Summary 2024-25

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Voices College-Bound Language Academy at Morgan Hill (“Voices”) is an independent TK-8 public charter school in Morgan Hill founded in 2015 authorized by Santa Clara County Office of Education. Voices provides a rigorous college-prep TK-8 program that teaches students English and Spanish and builds on core elements of their identity. The goal of the school is to prepare and inspire students to create positive change in their communities. The school will build a diverse, inclusive, and intellectually stimulating learning environment and emphasize the cognitive and social-emotional skills to inspire intellectually and emotionally intelligent problem-solvers. There are some metrics which do not apply to Voices because it is a TK-8 Charter School: A-G requirements, CTE Completion, AP Passage Rate, EAP ELA and Math, HS Dropout Rate, and HS Graduation Rate.

Mission

Voices College-Bound Language Academies will prepare all students for the challenges of higher education through the context of an academically rigorous dual-language program. In addition, we will ensure students demonstrate high academic achievement and apply critical thinking skills while making sense of their role within their own culture and the greater society.

Vision

All students graduating from Voices College-Bound Language Academies will possess the knowledge, skills and confidence to succeed in any career path they choose to pursue in life by mastering academic standards and subject matter. Students will be aware of the many positive possibilities for their future and enjoy learning throughout their lives. They will be able to think critically by asking questions, especially when confronted with the status quo. Our students will have a sense of social responsibility to make their communities better.

The Voices Network Core Values are:

Students in the Forefront: Our students motivate, inspire and guide us. Every decision is made with their well-being and achievement in mind.

Sí Se Puede Attitude: “Yes we can.” These Spanish words reflect the strength of our gente, our people, our culture. Whatever role, age or background, we at Voices embrace Sí Se Puede attitude with a smile on our face.

In Lak'ech: This Mayan phrase means, "I am you, you are me." We are familia. And when we act with unity, we are unstoppable.

Shared Leadership: Everyone has something valuable to contribute to the Voices school community. Whether you are a first-year teacher, an assistant teacher, a principal or a parent, Voices believes in shared knowledge and accountability.

The School Site Values are activism and scholarship promotes a culture that fosters positive learning experiences and encourages a connection and duty to the community we live in.

The California School Dashboard ("Dashboard") in 2023 reports that in 2022-23, Voices served 289 students with diverse needs and backgrounds: 64.7% socioeconomically disadvantaged ("SED") or low income ("LI") students; 59.9% of students were English Learners ("ELs"); 14.87% of English Learners were Redesignated Fluent English Proficient ("RFEP"); 9% of students with disabilities ("SWD"); 0% Foster Youth ("FY"); and, 0% Homeless Youth. As of the 2022-23 school year, enrollment by race and ethnicity at Voices was Hispanic/Latinx (97.9%), White (0.7%), Filipino (0.3%), and Asian (1%). It should be noted that the supplemental and concentration grant funds that come from the Local Control Funding Formula ("LCFF") are for ELs, SED/LI, and FY. Of these subgroups, SED students and ELs are a significant subgroup at Voices; however, the Charter School addresses specific actions and services for FY students to provide equal access to a high-quality program.

The purpose of this Local Control Accountability Plan ("LCAP") is to address the School Plan for Student Achievement ("SPSA") for Voices which is the Schoolwide Program; herein referred to as the LCAP. The Charter School's plan is to effectively meet the ESSA Requirements in alignment with the LCAP and other federal, state and local programs. The plans included in the LCAP address these requirements compliant to include focusing on three goals: GOAL 1: Student Achievement: Improve achievement of all students, including significant subgroups especially English Learners, in English Language Arts ("ELA"), Spanish Language Arts ("SLA"), Mathematics ("Math"), and Science in Voices' dual-immersion model. GOAL 2: Student Engagement: Voices will support the social emotional health and well-being of the students through character development and enrichment activities in a safe, inclusive, learning environment which fosters a strong relationship between teachers and students. GOAL 3: Parent and Community Engagement: Voices' parents/guardians, teachers, staff, and community members will be contributing members of the school community through active engagement, communication, collaboration, and decision-making as partners in education to provide students with a well-rounded education.

The Charter School completed a comprehensive needs assessment of the entire school which included an analysis of verifiable state data and local performance data used to measure student outcomes as evidenced in the annual update portion of the LCAP. The needs assessment process included meeting parents, classified staff, teachers and administrators to identify areas of opportunity for the students and groups of students who are not achieving standard mastery and to identify strategies which will be implemented in the LCAP to address those areas of opportunity. The identification of the process for evaluating and monitoring the implementation of the LCAP and the progress toward accomplishing the established goals will include discussing the actions and services with the use of supplemental funds at the school level through the English Learner Advisory Committee ("ELAC") which functions as the Parent Advisory Committee. ELAC meets a minimum of four times per year to inform the process. Parents, classified staff, certificated staff and an administrator will make up the ELAC. The number of parents will exceed or be equal to the number of total staff members. The ELAC discusses academic performance, supplemental services and areas to make improvements with Title funds as part of the School Plan included in the LCAP conversations at the meeting in the fall and at the meeting in the spring. The teachers, staff, students and parents also participate in an annual survey which provides feedback on the goals and actions. The teachers, staff and administrators actively participate in the decision making process throughout the year and during LCAP workshops. The decisions will take into account the needs of Voices based on student achievement data to include SBAC, ELPAC, and interim assessment data such as NWEA MAP, SLA assessments, cumulative assessments, and attendance and student discipline data to include the significant subgroups of Hispanic/Latinx students, SED students, and ELs and RFEPs. This student

achievement data, attendance data, and student discipline data will be used as a basis for making decisions about the use of supplemental federal funds and the development of policies on basic core services.

Each goal includes actions and services that address the needs of all students and significant subgroups which include evidence-based strategies that provide opportunities for all children, methods and instructional strategies, and particular focus on students at risk of not meeting the State academic standards.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

The 2023 California State Dashboard only identifies performance levels using one of five status levels (ranging from Very Low, Low, Medium, High, and Very High) for state measures. Please note that the status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very High, High, Medium, Low, and Very Low).

Increase ELA Performance overall and for significant subgroups. The 2023 Dashboard indicates the English Language Arts performance was Overall “Medium” – 40.7 points below standard, increased 3.2 points. The following subgroups were “Medium” – English Learners – 53.4 points below standard, increased 4.6 points, Hispanic/Latinx – 41.8 points below standard, increased 3.3 points; and Socioeconomically Disadvantaged- 39.8 points below standard, increased 11.4 points. Voices will focus specifically on increasing the ELA performance for all students, especially the significant subgroups of Hispanic/Latinx students, ELs, and SED students.

Increase math performance overall and for significant subgroups. The 2023 Dashboard indicates the Math performance was Overall “Medium” – 48.2 points below standard, increased 20.1 points. The following subgroups were “Medium”: English Learners – 68.1 points below standard, increased 14.3 points, Socioeconomically Disadvantaged- 52.4 points below standard, increased 19.1 points, and Hispanic/Latinx – 48.9 points below standard, increased 20 points. Voices will focus specifically on increasing the Math performance for all students, especially the significant subgroups of Hispanic/Latinx students, ELs, and SED students.

Increase English Learner Progress Indicator (“ELPI”) for all English Learners. The 2023 Dashboard indicates that 48.1% of English Learners made progress toward English Language proficiency or a performance color of “Low” which is a decline of 2.7%. Students have daily English Language Development (“ELD”) instruction from an appropriately credentialed teacher and Specially Designed Academic Instruction in English (“SDAIE”) in their core content areas. Voices provides ELD instruction, monitoring, and support and improving language proficiency. The goal is to prevent students from being classified as LTELs by meeting English Proficiency in the primary grades.

Decrease chronic absenteeism and increase daily attendance overall and for significant subgroups. The 2023 Dashboard indicates the Chronic Absenteeism Rate was Overall “Medium” – 37.7% chronically absent, declined 4.9%. The following subgroup was “Very High” -Students with Disabilities, 64.5% chronically absent, increased 10.2%. The following subgroup was “Medium” - Socioeconomically Disadvantaged, 33% chronically absent, declined 9.3%, English Learners – 40.1% chronically absent, declined 3.1%, and Hispanic/Latinx –37.4% chronically absent, declined 4.7%. Voices will continue this decline and will focus specifically on decreasing Chronic Absenteeism for all students and especially for the subgroups of Hispanic/Latinx students, ELs, SWD, and SED students by implementing a culture of positive on-time attendance five days per week through attendance incentives, positive recognition, and awards to ensure positive daily attendance, implementing the Attendance Policy through parent phone calls, parent meetings, attendance contracts, letters, and home visits, and implementing a prioritized system for identifying and serving students, especially SWD, for are chronically absent based on results of each student’s average daily attendance.

Maintain suspension rate at 1%. The 2023 Dashboard indicates the following - Suspension Rate was Overall “Low” – 0.7% of students were suspended at least one day, declined 0.3%. Students who are suspended multiple times are only counted once. The following subgroups were “Very Low”- English Learners – 0.5% suspended at least one day, maintained -0.2% and Students with Disabilities – 0% were suspended at least one day, declined 2.1%. The following subgroups were “Low” Hispanic/Latinx – 0.7% were suspended at least one day, declined 0.3% and Socioeconomically Disadvantaged – 1% of students were suspended at least one day, maintained -0.2%. Voices is working with students on alternatives to suspension to include counseling, restorative practices, schoolwide SEL program, behavior support in the classroom, professional development on classroom management, and Positive Behavioral Interventions and Supports (“PBIS”).

Voices is not eligible to be an Equity Multiplier School.

Voices Met all Local Indicators: Implementation of Academic Standards, Access to a Broad Course of Study, Basics (Teachers, Instruction Materials, Facilities), Parent and Family Engagement, and Local Climate Survey.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Voices is in General Assistance based on Charter School Assistance due to the hard work and improvement overall and for significant. Based on the 2022 and 2023 Dashboards, Voices is in Additional Targeted Support and Improvement (“ATSI”) for SWD. This is based on the chronic absenteeism rate for SWD which has remained in the “Very High” performance level for 2022 and 2023 Dashboards. Voices will focus specifically on decreasing Chronic Absenteeism for all students and especially for SWD by implementing a culture of positive on-time attendance five days per week through attendance incentives, positive recognition, and awards to ensure positive daily attendance, implementing the Attendance Policy through parent phone calls, parent meetings, attendance contracts, letters, and home visits, and implementing a prioritized system for identifying and serving students for are chronically absent based on results of each student’s average daily attendance.

Actions

Action #	Title	Description	Total Funds	Contributing
1.1	Appropriately Staff School	Implement a comprehensive core staffing plan to ensure appropriate staffing across all departments to provide basic services. Staffing will consider student enrollment, programmatic changes, and any vacancies or turnover in alignment with the school's mission, vision, and educational objectives. Develop a recruitment strategy to attract highly qualified, diverse candidates for all open positions reflective of the student body and community demographics. Continue strategies to ensure new teachers are supported and complete an induction program. Plan Summary 2024-25

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Voices College-Bound Language Academy at Mount Pleasant (“Voices”) is an independent TK-8 public charter school in San Jose founded in 2015 authorized by Santa Clara County Office of Education. Voices provides a rigorous college-prep TK-8 program that teaches students English and Spanish and builds on core elements of their identity. The goal of the school is to prepare and inspire students to create positive change in their communities. The school will build a diverse, inclusive, and intellectually stimulating learning environment and emphasize the cognitive and social-emotional skills to inspire intellectually and emotionally intelligent problem-solvers. There are some metrics which do not apply to Voices because it is a TK-8 Charter School: A-G requirements, CTE Completion, AP Passage Rate, EAP ELA and Math, HS Dropout Rate, and HS Graduation Rate.

Mission

Voices College-Bound Language Academies will prepare all students for the challenges of higher education through the context of an academically rigorous dual-language program. In addition, we will ensure students demonstrate high academic achievement and apply critical thinking skills while making sense of their role within their own culture and the greater society.

Vision

All students graduating from Voices College-Bound Language Academies will possess the knowledge, skills and confidence to succeed in any career path they choose to pursue in life by mastering academic standards and subject matter. Students will be aware of the many positive possibilities for their future and enjoy learning throughout their lives. They will be able to think critically by asking questions, especially when confronted with the status quo. Our students will have a sense of social responsibility to make their communities better.

The Voices Network Core Values are:

Students in the Forefront: Our students motivate, inspire and guide us. Every decision is made with their well-being and achievement in mind.

Sí Se Puede Attitude: “Yes we can.” These Spanish words reflect the strength of our gente, our people, our culture. Whatever role, age or background, we at Voices embrace Sí Se Puede attitude with a smile on our face.

In Lak’ech: This Mayan phrase means, “I am you, you are me.” We are familia. And when we act with unity, we are unstoppable.

Shared Leadership: Everyone has something valuable to contribute to the Voices school community. Whether you are a first-year teacher, an assistant teacher, a principal or a parent, Voices believes in shared knowledge and accountability.

The School Site Values of activism and scholarship promote a culture that fosters positive learning experiences and encourages a connection and duty to the community we live in.

The California School Dashboard (“Dashboard”) in 2023 reports that in 2022-23, Voices served 286 students with diverse needs and backgrounds: 64% socioeconomically disadvantaged (“SED”) or low income (“LI”) students; 54.5% of students were English Learners (“ELs”); 11.19% of English Learners were Redesignated Fluent English Proficient (“RFEP”); 8.7% of students with disabilities (“SWD”); 0.3% Foster Youth (“FY”); and, 0% Homeless Youth. As of the 2022-23 school year, enrollment by race and ethnicity at Voices was Hispanic/Latinx (98.6%), White (0.3%), African American/Black (0.3%), and Two or More Races (0.7%). It should be noted that the supplemental and concentration grant funds that come from the Local Control Funding Formula (“LCFF”) are for ELs, SED/LI, and FY. Of these subgroups, SED students and ELs are a significant subgroup at Voices; however, the Charter School addresses specific actions and services for FY students to provide equal access to a high-quality program.

The purpose of this Local Control Accountability Plan (“LCAP”) is to address the School Plan for Student Achievement (“SPSA”) for Voices Community Charter School which is the Schoolwide Program; herein referred to as the LCAP. The Charter School’s plan is to effectively meet the ESSA Requirements in alignment with the LCAP and other federal, state and local programs. The plans included in the LCAP address these requirements compliant to include focusing on three goals: GOAL 1: Student Achievement: Improve achievement of all students, including significant subgroups especially English Learners, in English Language Arts (“ELA”), Spanish Language Arts (“SLA”), Mathematics (“Math”), and Science in Voices’ dual-immersion model. GOAL 2: Student Engagement: Voices will support the social emotional health and well-being of the students through character development and enrichment activities in a safe, inclusive, learning environment which fosters a strong relationship between teachers and students. GOAL 3: Parent and Community Engagement: Voices’ parents/guardians, teachers, staff, and community members will be contributing members of the school community through active engagement, communication, collaboration, and decision-making as partners in education to provide students with a well-rounded education.

The Charter School completed a comprehensive needs assessment of the entire school which included an analysis of verifiable state data and local performance data used to measure student outcomes as evidenced in the annual update portion of the LCAP. The needs assessment process included meeting parents, classified staff, teachers and administrators to identify areas of opportunity for the students and groups of students who are not achieving standard mastery and to identify strategies which will be implemented in the LCAP to address those areas of opportunity. The identification of the process for evaluating and monitoring the implementation of the LCAP and the progress toward accomplishing the established goals will include discussing the actions and services with the use of supplemental funds at the school level through the English Learner Advisory Committee (“ELAC”) which functions as the Parent Advisory Committee. ELAC meets a minimum of four times per year to inform the process. Parents, classified staff, certificated staff and an administrator will make up the ELAC. The number of parents will exceed or be equal to the number of total staff members. The ELAC discusses academic performance, supplemental services and areas to make improvements with Title funds as part of the School Plan included in the LCAP conversations at the meeting in the fall and at the meeting in the spring. The teachers, staff, students and parents also participate in an annual survey which provides

feedback on the goals and actions. The teachers, staff and administrators actively participate in the decision making process throughout the year and during LCAP workshops. The decisions will take into account the needs of Voices based on student achievement data to include SBAC, ELPAC, and interim assessment data such as NWEA MAP, SLA assessments, cumulative assessments, and attendance and student discipline data to include the significant subgroups of Hispanic/Latinx students, SED students, and ELs and RFEPs. This student achievement data, attendance data, and student discipline data will be used as a basis for making decisions about the use of supplemental federal funds and the development of policies on basic core services.

Each goal includes actions and services that address the needs of all students and significant subgroups which include evidence-based strategies that provide opportunities for all children, methods and instructional strategies, and particular focus on students at risk of not meeting the State academic standards.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

The 2023 California State Dashboard only identifies performance levels using one of five status levels (ranging from Very Low, Low, Medium, High, and Very High) for state measures. Please note that the status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very High, High, Medium, Low, and Very Low).

Increase ELA Performance overall and for significant subgroups. The 2023 Dashboard indicates the English Language Arts performance was Overall “Very Low” – 74.8 points below standard, declined 14.4 points. The following subgroups were “Very Low” – English Learners – 91.1 points below standard, declined 15.2 points, Hispanic/Latinx – 75.2 points below standard, declined 15.5 points; and Socioeconomically Disadvantaged- 76.2 points below standard, declined 9.3 points. Voices will focus specifically on increasing the ELA performance for all students, especially the significant subgroups of Hispanic/Latinx students, ELs, and SED students.

Increase math performance overall and for significant subgroups. The 2023 Dashboard indicates the Math performance was Overall “Low” – 93.6 points below standard, declined 10.8 points. The following subgroups were “Very Low”: English Learners – 102 points below standard, declined 10.6 points, and Socioeconomically Disadvantaged- 104.8 points below standard, declined 17.3 points. The following subgroup was “Low”: Hispanic/Latinx – 93.2 points below standard, declined 11.8 points. Voices will focus specifically on increasing the Math performance for all students, especially the significant subgroups of Hispanic/Latinx students, ELs, and SED students.

Increase English Learner Progress Indicator (“ELPI”) for all English Learners. The 2023 Dashboard indicates that 33.9% of English Learners made progress toward English Language proficiency or a performance color of “Very Low” which is a decline of 8.5%. Students have daily English Language Development (“ELD”) instruction from an appropriately credentialed teacher and Specially Designed Academic Instruction in English (“SDAIE”) in their core content areas. Voices provides ELD instruction, monitoring, and support and improving language proficiency. The goal is to prevent students from being classified as LTELs by meeting English Proficiency in the primary grades.

Decrease chronic absenteeism and increase daily attendance overall and for significant subgroups. The 2023 Dashboard indicates the Chronic Absenteeism Rate was Overall “Medium” – 42.1% chronically absent, declined 6.5%. The following subgroup was “Very High” -Students with Disabilities, 56.7% chronically absent, increased 11%. The following subgroup was “High” - Socioeconomically Disadvantaged, 48.5% chronically absent, declined 2%. The following subgroups were “Medium” - English Learners – 40% chronically absent, declined 6.6%,

and Hispanic/Latinx –41.5% chronically absent, declined 6.5%. Voices will continue this decline and will focus specifically on decreasing Chronic Absenteeism for all students and especially for the subgroups of Hispanic/Latinx students, ELs, SWD, and SED students by implementing a culture of positive on-time attendance five days per week through attendance incentives, positive recognition, and awards to ensure positive daily attendance, implementing the Attendance Policy through parent phone calls, parent meetings, attendance contracts, letters, and home visits, and implementing a prioritized system for identifying and serving students for are chronically absent based on results of each student’s average daily attendance.

Maintain suspension rate at 1%. The 2023 Dashboard indicates the following - Suspension Rate was Overall “Very Low” – 0.6% of students were suspended at least one day, declined 1.6%. Students who are suspended multiple times are only counted once. The following subgroups were “Very Low”- Hispanic/Latinx – 0.6% were suspended at least one day, declined 1.6% and Socioeconomically Disadvantaged – 0.9% of students were suspended at least one day, declined 1%. The following subgroup was “Low” English Learners – 1.1% suspended at least one day, declined 1.3%. The following subgroup was “High” Students with Disabilities – 3.1% were suspended at least one day, increased 0.3%. Voices is working with students on alternatives to suspension to include counseling, restorative practices, schoolwide SEL program, behavior support in the classroom, professional development on classroom management, and Positive Behavioral Interventions and Supports (“PBIS”) especially for SWD.

Voices is not eligible to be an Equity Multiplier School.

Voices Met all Local Indicators: Implementation of Academic Standards, Access to a Broad Course of Study, Basics (Teachers, Instruction Materials, Facilities), Parent and Family Engagement, and Local Climate Survey.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Voices is in General Assistance based on Charter School Assistance due to the hard work and improvement overall and specifically for Students with Disabilities. Based on the 2022 and 2023 Dashboards , Voices was in Additional Targeted Support and Improvement (“ATSI”) for SWD. This is based on the chronic absenteeism rate for SWD which has remained in the “Very High” performance level for 2022 and 2023 Dashboards. Voices will focus specifically on decreasing Chronic Absenteeism for all students and especially for SWD by implementing a culture of positive on-time attendance five days per week through attendance incentives, positive recognition, and awards to ensure positive daily attendance, implementing the Attendance Policy through parent phone calls, parent meetings, attendance contracts, letters, and home visits, and implementing a prioritized system for identifying and serving students for are chronically absent based on results of each student’s average daily attendance.

Plan Summary 2024-25

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Voices College-Bound Language Academy at Stockton (“Voices”) is an independent TK-4 (expanding to TK-8) public charter school in Stockton founded in 2020 authorized by Stockton Unified School District. Voices provides a rigorous college-prep TK-4 program that teaches students English and Spanish and builds on core elements of their identity. The goal of the school is to prepare and inspire students to create positive change in their communities. The school will build a diverse, inclusive, and intellectually stimulating learning environment and emphasize the cognitive and social-emotional skills to inspire intellectually and emotionally intelligent problem-solvers. The school uses an instructional approach that is based on meeting students where they are at, differentiating to support their needs, and acknowledging the strengths they come in with. Voices will add one grade level per year until it serves TK-8. There are some metrics which do not apply to Voices because it is a TK-4 Charter School: A-G requirements, CTE Completion, AP Passage Rate, EAP ELA and Math, HS Dropout Rate, and HS Graduation Rate. In 2025-26, the middle school metrics will establish the baseline.

Mission

Voices College-Bound Language Academies will prepare all students for the challenges of higher education through the context of an academically rigorous dual-language program. In addition, we will ensure students demonstrate high academic achievement and apply critical thinking skills while making sense of their role within their own culture and the greater society.

Vision

All students graduating from Voices College-Bound Language Academies will possess the knowledge, skills and confidence to succeed in any career path they choose to pursue in life by mastering academic standards and subject matter. Students will be aware of the many positive possibilities for their future and enjoy learning throughout their lives. They will be able to think critically by asking questions, especially when confronted with the status quo. Our students will have a sense of social responsibility to make their communities better.

The Voices Network Core Values are:

Students in the Forefront: Our students motivate, inspire and guide us. Every decision is made with their well-being and achievement in mind.

Sí Se Puede Attitude: “Yes we can.” These Spanish words reflect the strength of our gente, our people, our culture. Whatever role, age or background, we at Voices embrace Sí Se Puede attitude with a smile on our face.

In Lak’ech: This Mayan phrase means, “I am you, you are me.” We are familia. And when we act with unity, we are unstoppable.

Shared Leadership: Everyone has something valuable to contribute to the Voices school community. Whether you are a first-year teacher, an assistant teacher, a principal or a parent, Voices believes in shared knowledge and accountability.

The School Site Values are activism and scholarship which promote a culture that fosters positive learning experiences and encourages a connection and duty to the community we live in.

The California School Dashboard (“Dashboard”) in 2023 reports that in 2022-23, Voices served 103 students with diverse needs and backgrounds: 69.9% socioeconomically disadvantaged (“SED”) or low income (“LI”) students; 32% of students were English Learners (“ELs”); 1.0% of English Learners were Redesignated Fluent English Proficient (“RFEP”); 9.7% of students with disabilities (“SWD”); 1% Foster Youth (“FY”); and, 0% Homeless Youth. As of the 2022-23 school year, enrollment by race and ethnicity at Voices was Hispanic/Latinx (93.2%), African American/Black (3.9%), White (1%), Two or More Races (1%), and Asian (1%). It should be noted that the supplemental and concentration grant funds that come from the Local Control Funding Formula (“LCFF”) are for ELs, SED/LI, and FY. Of these subgroups, SED students and ELs are a significant subgroup at Voices; however, the Charter School addresses specific actions and services for FY students to provide equal access to a high-quality program.

The purpose of this Local Control Accountability Plan (“LCAP”) is to address the School Plan for Student Achievement (“SPSA”) for Voices which is the Schoolwide Program; herein referred to as the LCAP. The Charter School’s plan is to effectively meet the ESSA Requirements in alignment with the LCAP and other federal, state and local programs. The plans included in the LCAP address these requirements compliant to include focusing on three goals: GOAL 1: Student Achievement: Improve achievement of all students, including significant subgroups especially English Learners, in English Language Arts (“ELA”), Spanish Language Arts (“SLA”), Mathematics (“Math”), and Science in Voices’ dual-immersion model. GOAL 2: Student Engagement: Voices will support the social emotional health and well-being of the students through character development and enrichment activities in a safe, inclusive, learning environment which fosters a strong relationship between teachers and students. GOAL 3: Parent and Community Engagement: Voices’ parents/guardians, teachers, staff, and community members will be contributing members of the school community through active engagement, communication, collaboration, and decision-making as partners in education to provide students with a well-rounded education.

The Charter School completed a comprehensive needs assessment of the entire school which included an analysis of verifiable state data and local performance data used to measure student outcomes as evidenced in the annual update portion of the LCAP. The needs assessment process included meeting parents, classified staff, teachers and administrators to identify areas of opportunity for the students and groups of students who are not achieving standard mastery and to identify strategies which will be implemented in the LCAP to address those areas of opportunity. The identification of the process for evaluating and monitoring the implementation of the LCAP and the progress toward accomplishing the established goals will include discussing the actions and services with the use of supplemental funds at the school level through the English Learner Advisory Committee (“ELAC”) which functions as the Parent Advisory Committee. ELAC meets a minimum of four times per year to inform the process. Parents, classified staff, certificated staff and an administrator will make up the ELAC. The number of parents will exceed or be equal to the number of total staff members. The ELAC discusses academic performance, supplemental services and areas to make improvements with Title funds as part of the School Plan included in the LCAP conversations at the meeting in the fall and at the meeting in the spring. The teachers, staff, students and parents also participate in an annual survey which provides feedback on the goals and actions. The teachers, staff and administrators actively participate in the decision making process throughout the

year and during LCAP workshops. The decisions will take into account the needs of Voices based on student achievement data to include SBAC, ELPAC, and interim assessment data such as NWEA MAP, SLA assessments, cumulative assessments, and attendance and student discipline data to include the significant subgroups of Hispanic/Latinx students, SED students, and ELs and RFEPs. This student achievement data, attendance data, and student discipline data will be used as a basis for making decisions about the use of supplemental federal funds and the development of policies on basic core services.

Each goal includes actions and services that address the needs of all students and significant subgroups which include evidence-based strategies that provide opportunities for all children, methods and instructional strategies, and particular focus on students at risk of not meeting the State academic standards.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

The 2023 California State Dashboard only identifies performance levels using one of five status levels (ranging from Very Low, Low, Medium, High, and Very High) for state measures. Please note that the status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very High, High, Medium, Low, and Very Low).

Increase ELA Performance overall and for significant subgroups. The 2023 Dashboard indicates the Math performance has no performance color because it was the first year the students (grade 3) took the SBAC ELA. The students' score was 78.4 points below standard. Voices will focus specifically on increasing the ELA performance for all students, especially the significant subgroups of Hispanic/Latinx students, ELs, and SED students.

Increase math performance overall and for significant subgroups. The 2023 Dashboard indicates the Math performance has no performance color because it was the first year the students (grade 3) took the SBAC ELA. The students' score was 52.2 points below standard. Voices will focus specifically on increasing the Math performance for all students, especially the significant subgroups of Hispanic/Latinx students, ELs, and SED students.

Increase English Learner Progress Indicator ("ELPI") for all English Learners. The 2023 Dashboard indicates that 37.5% of English Learners made progress toward English Language proficiency but did not have a performance color. The 37.5% of English Learners were in grades TK-3 and the ELPI increased by 8.9%. Students have daily English Language Development ("ELD") instruction from an appropriately credentialed teacher and Specially Designed Academic Instruction in English ("SDAIE") in their core content areas. Voices provides ELD instruction, monitoring, and support and improving language proficiency. The goal is to prevent students from being classified as LTELs by meeting English Proficiency in the primary grades.

Decrease chronic absenteeism and increase daily attendance overall and for significant subgroups. The 2023 Dashboard indicates the Chronic Absenteeism Rate was Overall "High" – 50.5% chronically absent, declined 15.8%. The following subgroups were also "High" - Hispanic/Latinx –49% chronically absent, declined 19.1%, English Learners – 51.4% chronically absent, declined 28.6%, and Socioeconomically Disadvantaged, 51.9% chronically absent, declined 15.7%. Voices will continue this decline and will focus specifically on decreasing Chronic Absenteeism for all students and especially for the subgroups of Hispanic/Latinx students, ELs, and SED students by implementing a culture of positive on-time attendance five days per week through attendance incentives, positive recognition, and awards to ensure positive daily attendance, implementing the Attendance Policy through parent phone calls, parent meetings, attendance contracts,

letters, and home visits, and implementing a prioritized system for identifying and serving students who are chronically absent based on results of each student's average daily attendance.

Maintain suspension rate at 1%. The 2023 Dashboard indicates the following - Suspension Rate was Overall "Very Low" – 0% of students were suspended at least one day, maintained 0%. None of the students were suspended at Voices Overall or in any of the subgroups of Hispanic/Latinx students, ELs, and SED students. Voices is working with students on alternatives to suspension to include counseling, restorative practices, schoolwide SEL program, behavior support in the classroom, professional development on classroom management, and Positive Behavioral Interventions and Supports ("PBIS").

Voices is not eligible to be an Equity Multiplier School.

Voices Met all Local Indicators: Implementation of Academic Standards, Access to a Broad Course of Study, Basics (Teachers, Instruction Materials, Facilities), Parent and Family Engagement, and Local Climate Survey.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Voices is in General Assistance based on Charter School Assistance due to the hard work and improvement overall and for significant subgroups. Based on the 2022 Dashboard, Voices was eligible for Comprehensive School Improvement ("CSI") for being the lowest performing five percent of Title I schools based on the chronic absenteeism rate. Fortunately, Voices exited CSI and is no longer eligible based on the 2023 Dashboard. The efforts of Voices demonstrated a 15.8% decline in the percentage of students who missed ten percent or more of the instructional days they were enrolled. The CSI Plan in 2022-23 was implemented to address this concern, and Voices expects an additional decline in the percentage of students who are chronically absent in 2023-24.

To this end, the school will ensure that every classroom has a credentialed teacher who will implement standards using a standards-based curriculum. The teachers, staff, and administrators will receive intensive professional development to increase their ability to support the students. By using evidence based intervention and supplemental materials, students will have the opportunity to accelerate their learning and close the achievement gap that is seen in ELA, SLA, math and science. The primary classrooms will have the support of associate teachers who will support individual and small group interventions in the classroom. With the support of a Student Support Manager, the process of progress monitoring and assigning appropriate interventions will ensure that a robust MTSS program will be implemented with fidelity. The after-school program and summer school will focus on literacy, numeracy, and extended enrichment activities. All these actions will give priority to low income students, foster youth, and English Learners then will be provided to all students schoolwide as all students will benefit from these extra academic supports.

Plan Summary 2024-25

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Voices College-Bound Language Academy at West Contra Costa (“Voices”) is an independent TK-7 (expanding to TK-8 by 2025-26) public charter school in Richmond founded in 2018 authorized by West Contra Costa Unified School District. Voices provides a rigorous college-prep TK-8 program that teaches students English and Spanish and builds on core elements of their identity. The goal of the school is to prepare and inspire students to create positive change in their communities. The school will build a diverse, inclusive, and intellectually stimulating learning environment and emphasize the cognitive and social-emotional skills to inspire intellectually and emotionally intelligent problem-solvers. The school uses an instructional approach that is based on inquiry and project-based learning. There are some metrics which do not apply to Voices because it is a TK-8 Charter School: A-G requirements, CTE Completion, AP Passage Rate, EAP ELA and Math, HS Dropout Rate, and HS Graduation Rate.

Mission

Voices College-Bound Language Academies will prepare all students for the challenges of higher education through the context of an academically rigorous dual-language program. In addition, we will ensure students demonstrate high academic achievement and apply critical thinking skills while making sense of their role within their own culture and the greater society.

Vision

All students graduating from Voices College-Bound Language Academies will possess the knowledge, skills and confidence to succeed in any career path they choose to pursue in life by mastering academic standards and subject matter. Students will be aware of the many positive possibilities for their future and enjoy learning throughout their lives. The Voices Network Core Values are:

Students in the Forefront: Our students motivate, inspire and guide us. Every decision is made with their well-being and achievement in mind.

Sí Se Puede Attitude: “Yes we can.” These Spanish words reflect the strength of our gente, our people, our culture. Whatever role, age or background, we at Voices embrace Sí Se Puede attitude with a smile on our face.

The School Site Values are activism and scholarship promotes a culture that fosters positive learning experiences and encourages a connection and duty to the community we live in.

The California School Dashboard (“Dashboard”) in 2023 reports that in 2022-23, Voices served 245 students with diverse needs and backgrounds: 62.9% socioeconomically disadvantaged (“SED”) or low income (“LI”) students; 58% of students were English Learners (“ELs”); 6.9% of English Learners were Redesignated Fluent English Proficient (“RFEP”); 12.7% of students with disabilities (“SWD”); 0% Foster Youth (“FY”); and, 0% Homeless Youth. As of the 2022-23 school year, enrollment by race and ethnicity at Voices was Hispanic/Latinx (97.1%), White (0.4%), Asian (1.2%), Filipino (0.5%), and African American/Black (0.4%). It should be noted that the supplemental and concentration grant funds that come from the Local Control Funding Formula (“LCFF”) are for ELs, SED/LI, and FY. Of these subgroups, SED students and ELs are a significant subgroup at Voices; however, the Charter School addresses specific actions and services for FY students to provide equal access to a high-quality program.

The purpose of this Local Control Accountability Plan (“LCAP”) is to address the School Plan for Student Achievement (“SPSA”) for Voices Community Charter School which is the Schoolwide Program; herein referred to as the LCAP. The Charter School’s plan is to effectively meet the ESSA Requirements in alignment with the LCAP and other federal, state and local programs. The plans included in the LCAP address these requirements compliant to include focusing on three goals: GOAL 1: Student Achievement: Improve achievement of all students, including significant subgroups especially English Learners, in English Language Arts (“ELA”), Spanish Language Arts (“SLA”), Mathematics (“Math”), and Science in Voices’ dual-immersion model. GOAL 2: Student Engagement: Voices will support the social emotional health and well-being of the students through character development and enrichment activities in a safe, inclusive, learning environment which fosters a strong relationship between teachers and students. GOAL 3: Parent and Community Engagement: Voices’ parents/guardians, teachers, staff, and community members will be contributing members of the school community through active engagement, communication, collaboration, and decision-making as partners in education to provide students with a well-rounded education.

The Charter School completed a comprehensive needs assessment of the entire school which included an analysis of verifiable state data and local performance data used to measure student outcomes as evidenced in the annual update portion of the LCAP. The needs assessment process included meeting parents, classified staff, teachers and administrators to identify areas of opportunity for the students and groups of students who are not achieving standard mastery and to identify strategies which will be implemented in the LCAP to address those areas of opportunity. The identification of the process for evaluating and monitoring the implementation of the LCAP and the progress toward accomplishing the established goals will include discussing the actions and services with the use of supplemental funds at the school level through the English Learner Advisory Committee (“ELAC”) which functions as the Parent Advisory Committee. ELAC meets a minimum of four times per year to inform the process. Parents, classified staff, certificated staff and an administrator will make up the ELAC. The number of parents will exceed or be equal to the number of total staff members. The ELAC discusses academic performance, supplemental services and areas to make improvements with Title funds as part of the School Plan included in the LCAP conversations at the meeting in the fall and at the meeting in the spring. The teachers, staff, students and parents also participate in an annual survey which provides feedback on the goals and actions. The teachers, staff and administrators actively participate in the decision making process throughout the

year and during LCAP workshops. The decisions will take into account the needs of Voices based on student achievement data to include SBAC, ELPAC, and interim assessment data such as NWEA MAP, SLA assessments, cumulative assessments, and attendance and student discipline data to include the significant subgroups of Hispanic/Latinx students, SED students, SWD, and ELs and RFEPs. This student achievement data, attendance data, and student discipline data will be used as a basis for making decisions about the use of supplemental federal funds and the development of policies on basic core services.

Each goal includes actions and services that address the needs of all students and significant subgroups which include evidence-based strategies that provide opportunities for all children, methods and instructional strategies, and particular focus on students at risk of not meeting the State academic standards.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

The 2023 California State Dashboard only identifies performance levels using one of five status levels (ranging from Very Low, Low, Medium, High, and Very High) for state measures. Please note that the status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very High, High, Medium, Low, and Very Low).

Increase ELA Performance overall and for significant subgroups. The 2023 Dashboard indicates the English Language Arts performance was Overall “Low” – 54.7 points below standard, declined 9.7 points. The following subgroups were also “Low” – English Learners – 59.1 points below standard, maintained 1.3 points, Hispanic/Latinx – 57.7 points below standard, declined 9.3 points, and Socioeconomically Disadvantaged- 60 points below standard, declined 6.7 points. Voices will focus specifically on increasing the ELA performance for all students, especially the significant subgroups of Hispanic/Latinx students, ELs, SWD, and SED students.

Increase math performance overall and for significant subgroups. The 2023 Dashboard indicates the Math performance was Overall “Low” – 74.7 points below standard, declined 13.9 points. The following subgroups were also “Low” – English Learners – 75 points below standard, declined 6.2 points, Hispanic/Latinx – 76.7 points below standard, declined 13.1 points, and Socioeconomically Disadvantaged- 77.1 points below standard, declined 12.1 points. Voices will focus specifically on increasing the Math performance for all students, especially the significant subgroups of Hispanic/Latinx students, ELs, SWD, and SED students.

Increase English Learner Progress Indicator (“ELPI”) for all English Learners. The 2023 Dashboard indicates that 46.4% of English Learners made progress toward English Language proficiency or a performance color of “Low” which is a decline of 6.9%. Students have daily English Language Development (“ELD”) instruction from an appropriately credentialed teacher and Specially Designed Academic Instruction in English (“SDAIE”) in their core content areas. Voices provides ELD instruction, monitoring, and support and improving language proficiency. The goal is to prevent students from being classified as LTELs by meeting English Proficiency in the primary grades.

Decrease chronic absenteeism and increase daily attendance overall and for significant subgroups. The 2023 Dashboard indicates the Chronic Absenteeism Rate was Overall “Medium” – 52.8% chronically absent, declined 3.8%. The following subgroup was “High” -Students with Disabilities, 57.8% chronically absent, declined 7.2%. The following subgroups were “Medium” - Socioeconomically Disadvantaged, 48.8% chronically absent, declined 10.5%, English Learners –45.8% chronically absent, declined 9.6%, and Hispanic/Latinx –53.9% chronically absent, declined 3.1%. Voices will continue this decline and will focus specifically on decreasing Chronic Absenteeism for all students and especially for the subgroups of Hispanic/Latinx students, ELs, SWD, and SED students by implementing a culture of positive on-time attendance five days per week through attendance incentives, positive recognition, and awards to ensure positive daily attendance,

implementing the Attendance Policy through parent phone calls, parent meetings, attendance contracts, letters, and home visits, and implementing a prioritized system for identifying and serving students for are chronically absent based on results of each student’s average daily attendance.

Maintain suspension rate at 1%. The 2023 Dashboard indicates the following - Suspension Rate was Overall “Very Low” – 0% of students were suspended at least one day, maintained 1.3%. None of the students were suspended at Voices Overall or in any of the subgroups of Hispanic/Latinx students, ELs, SWD, and SED students. Voices is working with students on alternatives to suspension to include counseling, restorative practices, schoolwide SEL program, behavior support in the classroom, professional development on classroom management, and Positive Behavioral Interventions and Supports (“PBIS”).

Voices is not eligible to be an Equity Multiplier School.

Voices Met all Local Indicators: Implementation of Academic Standards, Access to a Broad Course of Study, Basics (Teachers, Instruction Materials, Facilities), Parent and Family Engagement, and Local Climate Survey.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Voices is in General Assistance based on Charter School Assistance due to the hard work and improvement overall and specifically for Students with Disabilities. Based on the 2022 Dashboard, Voices was in Additional Targeted Support and Improvement (“ATSI”) for SWD for the lowest level of chronic absenteeism, but progress was made to move from “Very High” in 2022 to “High” in 2023 demonstrating a decline in chronic absenteeism of 7.2%. Voices was exited from ATSI in 2023 based on this growth.

By using evidence based intervention and supplemental materials, students will have the opportunity to accelerate their learning and close the achievement gap that is seen in ELA, SLA, math and science. The primary classrooms will have the support of associate teachers who will support individual and small group interventions in the classroom. With the support of a Student Support Manager, the process of progress monitoring and assigning appropriate interventions will ensure that a robust MTSS program will be implemented with fidelity. The after-school program and summer school will focus on literacy, numeracy, and extended enrichment activities. All these actions will give priority to low income students, foster youth, and English Learners then will be provided to all students schoolwide as all students will benefit from these extra academic supports.

Scope of Services:	<p>The philosophy of our Back-Office Services is that we provide outsourced solutions so your school can focus on its educational mission. Moreover, you receive the benefit of our extensive experience with California Charter Schools.</p> <p>1. FINANCE and ACCOUNTING</p> <p>Budgeting:</p> <ul style="list-style-type: none"> ▪ Annual and multi-year budgets including cash flows – For existing clients, EdTec works with the school leader to create annual and multi-year budgets in time for submission to the State by July 1, and for new clients entering their first year of operations, in the spring or when services begin, EdTec will review the school’s budget in time for submission to the State by July 1. EdTec makes the financials and presentation electronically available ahead of the meeting. 	<p>financial statements so Board and staff can quickly focus on the salient financial issues facing the school.</p> <ul style="list-style-type: none"> ▪ Customized financial analysis – EdTec performs reasonable financial analysis that the staff or board requests, e.g., providing a comparative analysis of the school’s budget relative to industry norms, scenario modeling (within reason), or fulfilling a request from the authorizing entity. EdTec will also provide customized reports (within reason) for grant proposals. ▪ Support in resolving financial issues – EdTec helps the school leader find solutions to financial issues by recommending budget changes and/or identifying sources of potential funding. <p>Accounting:</p> <ul style="list-style-type: none"> ▪ Setup of school’s chart of accounts and general ledger – EdTec sets up and maintains the school’s chart of accounts, based on EdTec’s standard structure which is designed to be compliant with SACS. ▪ Customized account codes – EdTec maintains limited customized account codes for unique features of the school program. These must be established at the beginning of the fiscal year to avoid re-coding of historic transactions. ▪ Fund accounting – EdTec can track revenue and expenditures by fund, e.g., implementation grant funds and expenses or Title I expenditures. ▪ Training – EdTec trains appropriate personnel on accounting procedures and practices designed to ensure accurate record keeping. ▪ Transaction recording – EdTec records in detail all transactions in a computerized accounting system. ▪ Journal entries and account maintenance – EdTec prepares and records journal entries and maintains the general ledger according to accepted accounting standards. ▪ Bank reconciliation – EdTec reconciles primary bank and investment accounts to general ledger monthly or upon receipt of statements.
