Statement of Work - Audit Services

January 23, 2025

This document constitutes a statement of work ("SOW") under the master service agreement ("MSA") dated April 5, 2023, or superseding MSA, made by and between CliftonLarsonAllen LLP ("CLA," "we," "us," and "our") and Voices College-Bound Language Academies 401(k) Plan ("you," "your," or "the Plan"). We are pleased to confirm our understanding of the terms and objectives of our engagement and the nature and limitations of the services CLA will provide for the Voices College-Bound Language Academies 401(k) Plan (the Plan) as of and for the year ended December 31, 2024, in connection with the Plan's annual reporting obligation under the Employee Retirement Income Security Act of 1974 (ERISA).

Nicole Aguilar, CPA is responsible for the performance of the audit engagement.

Scope of audit services

Except as described below, we will audit the financial statements of Voices College-Bound Language Academies 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit) which comprise the financial statements identified below, and the related notes to the financial statements (collectively, the "financial statements") as of and for the year ended December 31, 2024.

Statement of Net Assets Available for Benefits

Statement of Changes in Net Assets Available for Benefits

As part of our audit, we will also evaluate and report on the supplemental schedules required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (ERISA-required supplemental schedules). These schedules are presented for the purpose of additional analysis and are not a required part of the financial statements. The financial statements and ERISA-required supplemental schedules are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA to be filed with federal Form 5500.

Nonaudit services

We will also provide the following nonaudit services:

- Preparation of your financial statements and the related notes.
- Preparation of ERISA-required supplemental schedule.

- Converting cash basis accounting records to accrual basis.

Audit objectives

Except as described in the following paragraph, the objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion about whether your financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP). Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS) will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

You have determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to Code of Federal Regulations (CFR), Labor, Title 29, Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5 (qualified institution). Our audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

Except as described above, our audit will be conducted in accordance with U.S. GAAS. Those standards require us to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. Our audit will include tests of your accounting records and other procedures we consider necessary, except that assets and related transactions certified by a qualified institution will not be tested.

We will also perform procedures to enable us to express an opinion on whether the form and content of the ERISA-required supplemental schedules, other than the information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and whether the information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

We will issue a written report upon completion of our audit of your financial statements.

Circumstances may arise in which our report may differ from its expected form and content based on the results of our ERISA Section 103(a)(3)(C) audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add an emphasis-of-matter or other-matter paragraph to our auditors' report, or if necessary, withdraw from the engagement. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If circumstances occur related to the condition of your records, the availability of sufficient, appropriate audit evidence, or the existence of a significant risk of material misstatement of the financial statements caused by error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment prevent us from completing the audit or forming an opinion on the financial statements and supplemental schedules, other than that derived from the information certified by the qualified institution, we retain the right to take any course of action permitted by professional standards, including declining to express an opinion or issue a report, or withdrawing from the engagement.

Auditor responsibilities, procedures, and limitations

Except as described above, we will conduct our audit in accordance with U.S. GAAS.

Those standards require that we exercise professional judgment and maintain professional skepticism throughout the planning and performance of the audit. As part of our audit, we will:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and evaluate whether audit evidence obtained is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. However, we will communicate to you in writing any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the amounts and disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Conclude, based on our evaluation of audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Although our audit planning has not been concluded and modifications may be made, we have identified the following significant risk(s) of material misstatement as part of our audit planning:

- Management Override of Controls

- Lack of Management Oversight

There is an unavoidable risk, because of the inherent limitations of an audit, together with the inherent limitations of internal control, that some material misstatements may not be detected, even though the audit is properly planned and performed in accordance with U.S. GAAS, except as previously noted. Because we will not perform a detailed examination of all transactions, material misstatements, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations, including prohibited transactions with parties in interest or other violations of ERISA rules and regulations, that are attributable to the Plan or to acts by management or employees acting on behalf of the plan, may not be detected.

In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management and those charged with governance of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management and those charged with governance of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and will include prohibited transactions in the supplemental schedule of nonexempt transactions as required by the instructions to federal Form 5500.

We will communicate with management and those charged with governance reportable findings identified during the audit of the Plan as a result of testing relevant plan provisions.

In addition, we will perform certain procedures directed at considering the Plan's compliance with applicable Internal Revenue Service (IRS) requirements for tax exempt status and ERISA plan qualification requirements. However, our audit is not specifically designed for and should not be relied upon to disclose matters affecting plan qualifications or compliance with the ERISA and IRS requirements. If during the audit we become aware of any instances of any such matters or ways in which management practices can be improved, we will communicate them to you.

The information included in the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, will be subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling the information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS.

Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Management responsibilities

Our audit will be conducted on the basis that you (management and, when appropriate, those charged with governance) acknowledge and understand that you have certain responsibilities that are fundamental to the

conduct of an audit.

You are responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP. Management's election for the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements. Management's responsibilities include the selection and application of accounting principles; recording and reflecting all transactions in the financial statements; for establishing an accounting and financial reporting process for determining fair value measurements; determining the reasonableness of significant accounting estimates included in the financial statements; if an actuarial report was provided, for the acceptance of the actuarial methods and assumptions used by the actuary; adjusting the financial statements to correct material misstatements; and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

You are responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities and safeguarding assets. You are responsible for the design, implementation, and maintenance of internal controls to prevent and detect fraud; assessing the risk that the financial statements may be materially misstated as a result of fraud; and for informing us about all known or suspected fraud affecting the Plan involving (1) plan management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, regulators, or others. In addition, you are responsible for identifying and ensuring that the Plan complies with applicable laws and regulations, and informing us of all instances of identified or suspected noncompliance whose effects on the financial statements should be considered.

You are responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, including amounts and disclosures, such as records, documentation, identification of all related parties, parties in interest, and all related-party and party-in-interest relationships and transactions, and other matters, and for the accuracy and completeness of that information (including information from within and outside of the general and subsidiary ledgers); (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within the Plan from whom we determine it necessary to obtain audit evidence.

You agree to inform us of events occurring or facts discovered subsequent to the date of the financial statements that may affect the financial statements.

You are also responsible for maintaining a current plan instrument, including all plan amendments; and for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records

with respect to each of the participants to determine the benefits due or which may become due to such participants. You are also responsible for determining whether (1) an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances; (2) the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8; (3) the certification meets the requirements in 29 CFR 2520.103-5; and (4) the certified investment information is appropriately measured, presented, and disclosed in accordance with the applicable financial reporting framework. You are also responsible for providing us, prior to the dating of our report, a draft of the Plan's Form 5500 that is substantially complete.

Management is responsible for the fair presentation of the ERISA-required supplemental schedules and that they were derived from, and relate directly to, the underlying accounting and other records used to prepare the financial statements, and the form and content of the ERISA-required supplemental schedules is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Management agrees to include the auditors' report on the ERISA-required supplemental schedules in any document that contains the ERISA-required supplemental schedules and indicates that the auditor has reported on such supplemental schedules.

Management is responsible for providing us with a written confirmation concerning representations made by you and your staff to us in connection with the audit. During our engagement, we will request information and explanations from you regarding, among other matters, the Plan's operations, internal control, future plans, specific transactions, and accounting systems and procedures. The procedures we will perform during our engagement and the conclusions we reach as a basis for our report will be heavily influenced by the representations that we receive in the representation letter and otherwise from you. Accordingly, inaccurate, incomplete, or false representations could cause us to expend unnecessary effort or could cause a material fraud or error to go undetected by our procedures. In view of the foregoing, you agree that we shall not be responsible for any misstatements in the Plan's financial statements that we may fail to detect as a result of misrepresentations made to us by you.

Responsibilities and limitations related to nonattest services

For all nonaudit services we may provide to you, management agrees to assume all management responsibilities; oversee the services by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, and/or experience to understand and oversee the services; evaluate the adequacy and results of the services; and accept responsibility for the results of the services. Management is also responsible for ensuring that your data and records are complete and that you have received sufficient information to oversee the services.

Use of financial statements

The financial statements and our report thereon are for management's use. If you intend to reproduce and publish the financial statements and our report thereon, they must be reproduced in their entirety. Inclusion of the audited financial statements in a document, such as an annual report, should be done only with our prior approval of the document. You are responsible to provide us the opportunity to review such documents before issuance.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website or submitted on a regulator website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the

information contained in those sites or to consider the consistency of other information in the electronic site with the original document.

We may issue preliminary draft financial statements to you for your review. Any preliminary draft financial statements should not be relied on or distributed.

Engagement administration and other matters

We understand that your employees will prepare all confirmations, account analyses, and audit schedules we request and will locate any documents or invoices selected by us for testing. A list of information we expect to need for our audit and the dates required will be provided in a separate communication.

We will provide copies of our reports to the plan; however, management is responsible for distribution of the reports and the financial statements.

Professional standards require us to be independent with respect to you in the performance of these services. Any discussion that you have with our personnel regarding potential employment with you could impair our independence with respect to this engagement. Therefore, we request that you inform us prior to any such discussions so that we can implement appropriate safeguards to maintain our independence and objectivity. Further, any employment offers to any staff members working on this engagement without our prior knowledge may require substantial additional procedures to ensure our independence. You will be responsible for any additional costs incurred to perform these procedures.

Our audit engagement ends on delivery of our signed report. Any additional services that might be requested will be a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific SOW for that service.

Form 5500

As you have instructed, our engagement does not include preparation of the Plan's Form 5500. Professional standards require that, before an auditor's report on the Plan's financial statements can be included with a filed Form 5500 (including any related schedules), the auditor must review the Form 5500 and consider whether there are any material inconsistencies between the other information in the form and the audited financial statements (including the required supplemental schedules) or any material misstatement of fact. We will not issue our auditors' report until a substantially complete draft Form 5500 has been provided for our review.

Fees

Our professional fees are estimated to be \$18,600.00. We will also bill for expenses (including travel, internal and administrative charges) plus a technology and client support fee of five percent (5%) of all professional fees billed. This estimate is based on anticipated cooperation from your personnel and their assistance with locating requested documents and preparing requested schedules. If the requested items are not available on the dates required or are not accurate, the fees and expenses will likely be higher. Our invoices with our professional fees, including applicable state and local taxes, will be billed in 3 installments and the invoices are payable on presentation.

Surge pricing

In the event the requested audit support is not provided by July 31, 2025, the fees may be increased up to 20% for additional efforts and we cannot provide any assurance that we will be able to complete the engagement prior to the October 15th deadline.

Unanticipated services

We do not anticipate encountering the need to perform additional services beyond those described in this letter. Below are examples of situations considered to be outside the scope of our engagement. If any such situations arise, we will notify you and provide a fair and reasonable price for any additional time and costs that are necessary to complete the audit in an efficient manner. We will bill you for the additional time at periodic dates after the additional work has been performed.

•If your organization undergoes significant changes in key personnel, accounting systems, and/or internal control, we are required to update our audit documentation and audit plan. The following are examples of situations that will require additional audit work:

- o Evaluating changes in your internal control resulting from your implementation of new information systems
- o Change in third-party service providers
- o Deterioration in the quality of the Plan's accounting records during the current-year engagement in comparison to the prior-year engagement
- o Significant changes in the nature and/or volume of transactions
- o Mergers, acquisitions, or other business combinations
- o Erroneous or incomplete accounting records

•The fee estimate is based on anticipated cooperation from your personnel and their assistance with timely preparation of confirmations and requested schedules. If the requested items are not available on the dates required or are not accurate, we will advise management. Additional time and costs may be necessary because of such unanticipated delays. Examples of situations that may cause our estimated fee to increase include:

- o Significant delays in responding to our requests for information such as reconciling variances or providing requested supporting documentation (e.g., invoices, contracts, and other documents)
- o Rescheduling our fieldwork
- o Identifying a significant number of proposed audit adjustments
- o Schedules prepared by your personnel that do not reconcile to the general ledger
- o Numerous revisions to information and schedules provided by your personnel
- o Restating financial statements for accounting errors in the prior year
- o Lack of availability of plan personnel during the mutually agreed-to audit schedule
- o Lack of Type II SOC1 report from record keeper and/or custodian or ability to rely upon Type II SOC1 report.
- o Tests of operating effectiveness of relevant Complementary User Entity Controls required to rely upon SOC1 report.
- o Delinquent participant contributions

- o Prohibited transactions
- o Major plan compliance issues

Changes in accounting and audit standards

Standard setters and regulators continue to evaluate and modify standards. Such changes may result in new or revised financial reporting and disclosure requirements or expand the nature, timing, and scope of the activities we are required to perform. To the extent that the amount of time required to provide the services described in the SOW increases due to such changes, our fee may need to be adjusted. We will discuss such circumstances with you prior to performing the additional work.

Agreement

We appreciate the opportunity to provide to you the services described in this SOW under the MSA and believe this SOW accurately summarizes the significant terms of our audit engagement. This SOW and the MSA constitute the entire agreement regarding these services and supersedes all prior agreements (whether oral or written), understandings, negotiations, and discussions between you and CLA related to audit services. If you have any questions, please let us know. Please sign, date, and return this SOW to us to indicate your acknowledgment and understanding of, and agreement with, the arrangements for our audit of your financial statements including the terms of our engagement and the parties' respective responsibilities.

Sincerely,

Statement of Work - Audit Services

This agreement constitutes a statement of work ("SOW") under the master service agreement ("MSA") dated February 6, 2023, or superseding MSA, made by and between CliftonLarsonAllen LLP ("CLA," "we," "us," and "our") and Voices College-Bound Language Academies ("you," "your," or "the entity"). We are pleased to confirm our understanding of the terms and objectives of our engagement and the nature and limitations of the services CLA will provide for the entity as of and for the year ended June 30, 2025.

Wade McMullen is responsible for the performance of the audit engagement. Per Education Code Section 41020(f)(2), there is a limit of six consecutive years for any firm where the principal of the audit and the reviewing principal have been the same in each of those years. This is the fourth consecutive year Wade McMullen will be the engagement principal.

Scope of audit services

We will audit the financial statements of Voices College-Bound Language Academies, which comprise the financial statements identified below, and the related notes to the financial statements (collectively, the "financial statements") as of and for the year ended June 30, 2025.

he statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

We will also evaluate and report on the presentation of the supplementary information accompanying the financial statements in relation to the financial statements as a whole.

Nonaudit services

We will also provide the following nonaudit services:

- Preparation of data collection form
- Preparation of the supplementary information.
- Preparation of adjusting journal entries, as needed.
- Preparation of the informational tax returns.

Audit objectives

The objectives of our audit of the financial statements are to obtain reasonable assurance about whether the

financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion about whether your financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP). Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS) will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Our audit will be conducted in accordance with U.S. GAAS; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and the 2024-2025 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel (State Audit Guide). Those standards require us to be independent of the entity and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. Our audit will include tests of your accounting records, a determination of major program(s) in accordance with the Uniform Guidance, and other procedures we consider necessary to enable us to express opinions and render the required reports.

The objectives of our audit also include:

- Reporting on internal control over financial reporting and on compliance with the provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Reporting on internal control over compliance related to major programs and expressing an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Uniform Guidance.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will include a paragraph that states (1) that the purpose of the report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

We will issue written reports upon completion of our audit of your financial statements and compliance with requirements applicable to major programs.

We will provide an opinion (or disclaimer of opinion) on compliance with requirements described in the 2024-25 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel. The State Compliance report will include a paragraph that states that the purpose of the report over compliance is to express an opinion on compliance with the types of requirements described in the 2024-25 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting; however, that the audit does not provide a legal determination of the entity's compliance.

The state compliance report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the State Audit Guide.

Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add an emphasis-of-matter or other-matter paragraph to our auditors' report, or if necessary, withdraw from the engagement. If our opinions on the financial statements or compliance are other than unmodified, we will discuss the reasons with you in advance. If circumstances occur related to the condition of your records, the availability of sufficient, appropriate audit evidence, or the existence of a significant risk of material misstatement of the financial statements or material noncompliance caused by error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment prevent us from completing the audit or forming an opinion on the financial statements or an opinion on compliance, we retain the right to take any course of action permitted by professional standards, including declining to express opinions or issue reports, or withdrawing from the engagement.

It is our understanding that our auditors' report will be included in your annual report which is comprised of Local Education Agency Organization Structure and that your annual report will be issued concurrent with the financial statement audit. Our responsibility for other information included in your annual report does not extend beyond the financial information identified in our opinion on the financial statements. We have no responsibility for determining whether such other information is properly stated and do not have an obligation to perform any procedures to corroborate other information contained in your annual report. We are required by professional standards to read the other information and consider whether a material inconsistency exists between the other information and the financial statements because the credibility of the financial statements and our auditors' report thereon may be undermined by material inconsistencies between the audited financial statements and other information. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Auditor responsibilities, procedures, and limitations

We will conduct our audit in accordance with U.S. GAAS, the standards for financial audits contained in *Government Auditing Standards*, the Uniform Guidance, and the State Audit Guide.

Those standards require that we exercise professional judgment and maintain professional skepticism throughout the planning and performance of the audit. As part of our audit, we will:

- Identify and assess the risks of material misstatement of the financial statements and material noncompliance, whether due to fraud or error, design and perform audit procedures responsive to those risks, and evaluate whether audit evidence obtained is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement or a material noncompliance resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the amounts and disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Conclude, based on our evaluation of audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern for a reasonable period of time.

Although our audit planning has not been concluded and modifications may be made, we have identified the following significant risk(s) of material misstatement as part of our audit planning:

- Management Override of Controls
- Revenue Recognition

There is an unavoidable risk, because of the inherent limitations of an audit, together with the inherent limitations of internal control, that some material misstatements or noncompliance may not be detected, even though the audit is properly planned and performed in accordance with U.S. GAAS, *Government Auditing Standards*, the Uniform Guidance, and the State Audit Guide. Because we will not perform a detailed examination of all transactions, material misstatements, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity, may not be detected. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not require auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management and those charged with governance of any material errors, fraudulent financial reporting, or misappropriation of assets that come

to our attention. We will also inform the appropriate level of management and those charged with governance of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a single audit.

Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting fraud or errors that are material to the financial statements and to preventing and detecting misstatements resulting from noncompliance with provisions of laws, regulations, contracts, and grant agreements that have a material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify deficiencies, significant deficiencies, or material weaknesses in internal control. However, we will communicate to you in writing significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we identify during the audit that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, the Uniform Guidance, and the State Audit Guide.

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the entity's compliance with the provisions of laws, regulations, contracts, and grant agreements that have a material effect on the financial statements. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

We will include in our report on internal control over financial reporting and on compliance relevant information about any identified or suspected instances of fraud and any identified or suspected noncompliance with provisions of laws, regulations, contracts, or grant agreements that may have occurred that are required to be communicated under *Government Auditing Standards*.

The Uniform Guidance and State Audit Guide requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with state and federal statutes, regulations, and the terms and conditions of federal awards that may have a direct and material effect on each of the entity's major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the "OMB Compliance Supplement" for the types of compliance requirements that could have a direct and material effect on each of the entity's major programs. The purpose of these procedures will be to express an opinion on the entity's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance and State Audit Guide.

We will evaluate the presentation of the schedule of expenditures of federal awards accompanying the financial statements in relation to the financial statements as a whole. We will make certain inquiries of management and evaluate the form, content, and methods of preparing the schedule to determine whether the information complies with U.S. GAAP and the Uniform Guidance, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We will compare and reconcile the schedule to the underlying accounting records and other records used to prepare the financial statements or to the financial statements themselves.

Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Management responsibilities

Our audit will be conducted on the basis that you (management and, when appropriate, those charged with governance) acknowledge and understand that you have certain responsibilities that are fundamental to the conduct of an audit.

You are responsible for the preparation and fair presentation of the financial statements and the schedule of expenditures of federal awards in accordance with U.S. GAAP. Management is also responsible for identifying all federal awards received, understanding and complying with the compliance requirements, and for the preparation of the schedule of expenditures of federal awards (including notes and noncash assistance received) in accordance with the requirements of the Uniform Guidance.

Management's responsibilities include the selection and application of accounting principles; recording and reflecting all transactions in the financial statements; determining the reasonableness of significant accounting estimates included in the financial statements; adjusting the financial statements to correct material misstatements; and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is responsible for compliance with applicable laws and regulations and the provisions of contracts and grant agreements, including compliance with federal statutes, regulations, and the terms and conditions of federal awards applicable to the entity's federal programs. Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

You are responsible for the design, implementation, and maintenance of effective internal control, including internal control over compliance, relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including evaluating and monitoring ongoing activities and safeguarding assets to help ensure that appropriate goals and objectives are met; and that there is reasonable assurance that government programs are administered in compliance with compliance requirements.

You are responsible for the design, implementation, and maintenance of internal controls to prevent and detect fraud; assessing the risk that the financial statements may be materially misstated as a result of fraud; and for informing us about all known or suspected fraud affecting the entity involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the entity received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for implementing systems designed to achieve compliance with applicable laws and regulations and the provisions of contracts and grant agreements, including compliance with federal statutes, regulations, and the terms and conditions of federal awards applicable to the entity's federal programs; identifying and ensuring that the entity complies with applicable laws, regulations, contracts, and grant agreements, including compliance with federal statutes, regulations, and the terms and conditions of federal awards applicable to the entity's federal programs; and informing us of all instances of identified or suspected noncompliance whose effects on the financial statements should be considered.

You are responsible for taking timely and appropriate steps to remedy any fraud; noncompliance with provisions of laws, regulations, contracts, or grant agreements; or abuse that we may report. Additionally, as required by the Uniform Guidance and State Audit Guide, it is management's responsibility to evaluate and monitor noncompliance with federal and state statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified, including noncompliance identified in audit findings; and to follow up and take prompt corrective action on reported audit findings and to prepare a summary schedule of prior audit findings and a corrective action plan. The summary schedule of prior audit findings should be available for our review.

You are responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, including amounts and disclosures, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters, and for the accuracy and completeness of that information (including information from within and outside of the general and subsidiary ledgers), and for ensuring management information and financial information is reliable and properly reported; (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance; (3) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the State Audit Guide; and (4) unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.

You agree to inform us of events occurring or facts discovered subsequent to the date of the financial statements that may affect the financial statements.

You agree to include our report on the schedule of expenditures of federal awards in any document that contains and indicates that we have reported on the schedule of expenditures of federal awards. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal awards that includes our report thereon or make the audited financial statements readily available to intended users of the schedule of expenditures of federal awards no later than the date the schedule of

expenditures of federal awards is issued with our report thereon. Your responsibilities include acknowledging to us in the representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal awards, including its form and content, is fairly presented in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards.

Management is responsible for the preparation and fair presentation of other supplementary information in accordance with U.S. GAAP. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon or make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. You agree to provide us written representations related to the presentation of the supplementary information.

Management is responsible for the preparation of other information included in your annual report. You agree to provide the final version of such information to us in a timely manner, and if possible, prior to the date of our auditors' report. If the other information included in your annual report will not be available until after the date of our auditors' report on the financial statements, you agree to provide written representations indicating that (1) the information is consistent with the financial statements, (2) the other information does not contain material misstatements, and (3) the final version of the documents will be provided to us when available, and prior to issuance of the annual report by the entity, so that we can complete the procedures required by professional standards. Management agrees to correct material inconsistencies that we may identify. You agree to include our auditors' report in any document containing financial statements that indicates that such financial statements have been audited by us.

Management is responsible for providing us with a written confirmation concerning representations made by you and your staff to us in connection with the audit. During our engagement, we will request information and explanations from you regarding, among other matters, the entity's operations, internal control, future plans, specific transactions, and accounting systems and procedures. The procedures we will perform during our engagement and the conclusions we reach as a basis for our report will be heavily influenced by the representations that we receive in the representation letter and otherwise from you. Accordingly, inaccurate, incomplete, or false representations could cause us to expend unnecessary effort or could cause a material fraud or error to go undetected by our procedures. In view of the foregoing, you agree that we shall not be responsible for any misstatements in the entity's financial statements that we may fail to detect as a result of misrepresentations made to us by you.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies to us of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the "Audit objectives" section of this letter. This responsibility includes relaying

to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other engagements or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

Responsibilities and limitations related to nonaudit services

For all nonaudit services we may provide to you, management agrees to assume all management responsibilities; oversee the services by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, and/or experience to understand and oversee the services; evaluate the adequacy and results of the services; and accept responsibility for the results of the services. Management is also responsible for ensuring that your data and records are complete and that you have received sufficient information to oversee the services.

Use of financial statements

Should you decide to include or incorporate by reference these financial statements and our auditors' report(s) thereon in a future private placement or other offering of equity or debt securities, you agree that we are under no obligation to re-issue our report or provide consent for the use of our report in such a registration or offering document. We will determine, at our sole discretion, whether we will re-issue our report or provide consent for the use of our report only after we have performed the procedures we consider necessary in the circumstances. If we decide to re-issue our report or consent to the use of our report, we will be required to perform certain procedures including, but not limited to, (a) reading other information incorporated by reference in the registration statement or other offering document and (b) subsequent event procedures. These procedures will be considered an engagement separate and distinct from our audit engagement, and we will bill you separately. If we decide to re-issue our report or consent to the use of our report, you agree that we will be included on each distribution of draft offering materials and we will receive a complete set of final documents. If we decide not to re-issue our report or decide to withhold our consent to the use of our report, you may be required to engage another firm to audit periods covered by our audit reports, and that firm will likely bill you for its services. While the successor auditor may request access to our workpapers for those periods, we are under no obligation to permit such access.

If the parties (i.e., you and CLA) agree that CLA will not be involved with your official statements related to municipal securities filings or other offering documents, we will require that any official statements or other offering documents issued by you with which we are not involved clearly indicate that CLA is not involved with the contents of such documents. Such disclosure should read as follows:

CliftonLarsonAllen LLP, our independent auditor, has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. CliftonLarsonAllen LLP also has not performed any procedures relating to this offering document.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website or submitted on a regulator website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in those sites or to consider the consistency of other information in the electronic

site with the original document.

We may issue preliminary draft financial statements to you for your review. Any preliminary draft financial statements should not be relied on or distributed.

Engagement administration and other matters

We understand that your employees will prepare all confirmations, account analyses, and audit schedules we request and will locate any documents or invoices selected by us for testing. A list of information we expect to need for our audit and the dates required will be provided in a separate communication.

At the conclusion of the engagement, we will complete the auditor sections of the electronic Data Collection Form SF-SAC and perform the steps to certify the Form SF-SAC and single audit reporting package. It is management's responsibility to complete the auditee sections of the Data Collection Form. We will create the single audit reporting package PDF file for submission; however, it is management's responsibility to review for completeness and accuracy and electronically submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse and, if appropriate, to pass-through entities. The Data Collection Form and the reporting package must be electronically submitted within the earlier of 30 calendar days after receipt of the auditors' reports or nine months after the end of the audit period.

We will provide copies of our reports to the entity; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing confidential or sensitive information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the sole and exclusive property of CLA and constitutes confidential and proprietary information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to California Department of Education, California State Controllers Office, and authorizer(s), or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of CLA personnel. Furthermore, upon request, we may provide copies or electronic versions of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of seven years after the report release date or for any additional period requested by the California Department of Education, California State Controllers Office, and authorizer(s). If we are aware that a federal or state awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Professional standards require us to be independent with respect to you in the performance of these

services. Any discussion that you have with our personnel regarding potential employment with you could impair our independence with respect to this engagement. Therefore, we request that you inform us prior to any such discussions so that we can implement appropriate safeguards to maintain our independence and objectivity. Further, any employment offers to any staff members working on this engagement without our prior knowledge may require substantial additional procedures to ensure our independence. You will be responsible for any additional costs incurred to perform these procedures.

Our audit engagement ends on delivery of our signed report. Any additional services that might be requested will be a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific SOW for that service.

Government Auditing Standards require that we make our most recent external peer review report publicly available. The report is posted on our website at www.CLAconnect.com/Aboutus/.

Fees

Our professional fee is \$42,200.00. We will also bill for expenses (including travel, report production, word processing, postage, internal and administrative charges, etc.) plus a technology and client support fee of five percent (5%) of all professional fees billed. This estimate is based on anticipated cooperation from your personnel and their assistance with locating requested documents and preparing requested schedules. If the requested items are not available on the dates required or are not accurate, the fees and expenses will likely be higher. Our invoices, including applicable state and local taxes, will be rendered as work progresses and are payable on presentation.

Unexpected circumstances

We will advise you if unexpected circumstances require significant additional procedures resulting in a substantial increase in the fee estimate.

Changes in accounting and audit standards

Standard setters and regulators continue to evaluate and modify standards. Such changes may result in new or revised financial reporting and disclosure requirements or expand the nature, timing, and scope of the activities we are required to perform. To the extent that the amount of time required to provide the services described in the SOW increases due to such changes, our fee may need to be adjusted. We will discuss such circumstances with you prior to performing the additional work.

We appreciate the opportunity to provide the services described in this SOW related to the MSA. All terms and provisions of the MSA shall apply to these services. If you agree with the terms of this SOW, please sign below to indicate your acknowledgement and understanding of, and agreement with, this SOW.

3.3 Customer Data. You hereby grant to us a non-exclusive, royalty-free, worldwide license to reproduce, distribute, and otherwise use and display the Customer Data and perform all acts with respect to the Customer Data as may be necessary for us to provide the Schoolytics Services, and a non-exclusive, perpetual, irrevocable, royalty-free, worldwide license to reproduce, distribute, modify, and otherwise use and display Customer Data incorporated within the Derivative Data. By granting us access to any Third-Party Product for the purpose of transferring Customer Data from such Third-Party Product to us, you represent and warrant that you have all permissions and authorizations necessary to provide us with such access and to permit us to transfer such Customer Data from such Third-Party Product to our servers or those of our vendors. You will ensure that Customer Data and any Authorized User's use of Customer Data will not violate any policy or terms referenced in or incorporated into this Agreement or any applicable law. You are solely responsible for the development, content, operation, maintenance, and use of Customer Data.

3.4 Student Data. To the extent that we gather, or to the extent that you provide to us, any Student Data in connection with this Agreement, the DPA sets forth additional terms regarding our duties and responsibilities to protect Student Data collected, used and processed by us at your direction under this Agreement.

If you do not agree to abide by the applicable terms for any such Third-Party Products, then you should not install, access, or use such Third-Party Products, and if such Third-Party Product is required to use the Schoolytics Services, you should not access or use the Schoolytics Services.

CONFIDENTIAL

You must make all payments hereunder in US dollars on or before the due date. If you fail to make any payment when due, without limiting our other rights and remedies: (a) we may charge interest on the past due amount at the rate of 1.5% per month calculated daily and compounded monthly or, if lower, the highest rate permitted under applicable law; (b) you must reimburse us for all costs we incur in collecting any late payments or interest, including attorneys' fees, court costs, and collection agency fees; and (c) if such failure continues for ten (10) calendar days or more, we may suspend, in accordance with Section 2.7, Customer's and all other Authorized Users' access to any portion or all of the Schoolytics Services until such amounts are paid in full. All Fees and other amounts payable by you under this Agreement are exclusive of taxes and similar assessments. You are responsible for all sales, use, and excise taxes, and any other similar taxes, duties, and charges of any kind imposed by any federal, state, or local governmental or regulatory authority on any amounts payable by you hereunder, other than any taxes imposed on our net income.

Appendix 1

Student Data Protection Addendum

This Student Data Protection Addendum (this “**DPA**”) is entered into by and between the school customer, including schools, school districts, teachers, and authorized school users and administrators (for purposes of this DPA, “**School**”) and Schoolytics, Inc. (“**Schoolytics**”) and is effective as of the Effective Date.

The purpose of this DPA is to describe the duties and responsibilities to protect Student Data (defined below) collected, used and processed by Schoolytics at the direction of the School and Schoolytics’ users pursuant to the Agreement, including compliance with all applicable Privacy Laws (defined below). Pursuant to and as fully described in the Agreement, Schoolytics has agreed to provide the Schoolytics Services. In the course of providing the Schoolytics Services, Schoolytics may collect or have access to Student Data (defined below).

1. Definitions. The capitalized defined terms used in this DPA will have the meanings set forth in this Section 1 and as otherwise defined herein. Capitalized terms not defined in this DPA have the meanings given them in the Terms. In the event of a conflict, definitions used in this DPA shall prevail over terms used in all other writings, including, but not limited to, the Terms, privacy policies or any other terms of service.

1.1 “**De-identified Data**” means the Student Data from which all Personally Identifiable Information, including direct and indirect identifiers, has been permanently removed or obscured so the remaining information does not reasonably identify an individual and there is no reasonable basis to believe that the information can be used to identify an individual.

1.2 “**Personally Identifiable Information**” means any information and metadata that, alone or in combination, is linked or linkable to a specific student so as to allow a reasonable person in the school community who does not have knowledge of the relevant circumstances, to identify the student with reasonable certainty. Personally identifiable information will include, but is not limited to, at least the following: first and last name, the name of the student’s parent or family member, telephone number, student identifiers, photos, videos, home address, email address, social security numbers, financial account numbers, biometric identifiers, as well as other indirect identifiers such as the student’s date of birth or gender.

1.3 “**Privacy Laws**” means all federal statutes that govern the privacy of student information, including: the Federal Family Educational Rights and Privacy Act (“**FERPA**”), 20 U.S.C. § 1232(g); Children’s Online Privacy Protection Act (“**COPPA**”), 15 U.S.C. 6501-6502; Protection of Pupil Rights Amendment (“**PPRA**”), 20 U.S.C. 1232; and applicable state laws governing the protection of Personally Identifiable Information from students’ educational records.

1.4 “**Student Data**” means any data, whether gathered by Schoolytics or provided by School or its users, that is Personally Identifiable Information or descriptive of the student including, but not limited to, information that allows physical or online contact, grades, evaluations, disabilities, socioeconomic information, food purchases, voice recordings, or geolocation information. To the extent that U.S. law applies, Student Data may include “educational records” as defined in FERPA (20 U.S.C. § 1232(g)). Student Data will not include De-identified Data.

2. Data Ownership and Authorized Access.

2.1 Ownership and Control. Schoolytics will access and process Student Data solely for the purposes of providing an outsourced institutional function pursuant to FERPA 34 CFR Part 99.31(a)(1). In providing the Schoolytics Services, Schoolytics will be considered a “School Official” (as defined in FERPA) with a legitimate educational interest in the Student Data, under the direction and control of School as it pertains to the use of Student Data. As between the parties, the School owns all right, title, and interest to all Student Data processed by Schoolytics pursuant to the Agreement, and Schoolytics does not own, control, or license such Student Data, except as to provide the Schoolytics Services and as described in the Agreement. Student Data shall not include information a student, parent, guardian or other individual may provide to Schoolytics independent of the student’s engagement in the Schoolytics Services at the direction of the School.

CONFIDENTIAL

2.2 Account Creation. School accounts must be (a) created by a teacher, student, parent or guardian (for example, when a teacher creates the user name, login and password to establish a School account, or when the teacher, student, parent or guardian uses Google Classroom or similar single sign-on service); or (b) created by a School or authorized School official at the direction of a School, using a School email address and associated with a School's class on the Schoolytics Services. User accounts created with a personal email address will not be Student Records but will remain subject to the privacy protections set out in the Schoolytics Privacy Policy. School is solely responsible for ensuring the creation of accounts on the Schoolytics Services complies with these requirements. If you are accessing or using the Schoolytics Services on behalf of a company, entity, or organization then you represent and warrant that you are an authorized representative of School with the authority to bind such organization to these terms, and that you agree to these terms on behalf of such organization.

2.3 Consents and Authority. School represents and warrants that: (a) School has the authority to provide Student Data to Schoolytics, and to allow Schoolytics to access, collect, process, and otherwise use Student Data as set forth in the DPA and for the purpose of providing the Schoolytics Services; and (b) School has provided appropriate disclosures to, and received appropriate consents from, School's students, their parents or guardians, and any other end users regarding School's sharing of Student Data with Schoolytics and/or Schoolytics' access, collection, processing, and other use of the Student Data as set forth in the DPA, to the extent such disclosures or consents are required by applicable law or by School's contractual obligations.

2.4 Third-Party Student Data Access. School acknowledges and agrees that Schoolytics may permit its employees, subcontractors, subprocessors, service providers and agents (collectively, "**Subcontractors**") to access Student Data provided that they have a legitimate need to access such information in connection with their responsibilities in providing services to Schoolytics. Schoolytics will require all such Subcontractors involved in the handling, transmittal, and/or processing of Student Data to enter into written agreements to protect Student Data in a manner no less stringent than the terms of this DPA. Schoolytics will maintain a record of all Subcontractors that access or receive Personally Identifiable Information contained in Student Data pursuant to this section, and will provide copies of such record to School upon request.

2.5 Third-Party Requests for Access. Should a third party, including a law enforcement entity or other government entity, contact Schoolytics with a request to access data held by Schoolytics as part of its provision of the Schoolytics Services, Schoolytics will redirect the third party to request the data directly from School, unless and to the extent that Schoolytics reasonably believes it must grant such access to the third party because the data disclosure is necessary: (a) pursuant to a court order or legal process, (b) to comply with applicable laws, (c) to enforce the Agreement, or (d) if Schoolytics believes in good faith that such disclosure is necessary to protect the rights, property or personal safety of Schoolytics' users, employees or others. Schoolytics will notify the School in advance of a compelled disclosure to a third party unless legally prohibited.

3. Duties of School.

3.1 School Compliance with Privacy Laws. With regard to data that School permits Schoolytics to collect or access pursuant to the Agreement, School agrees to uphold its responsibilities under laws governing the privacy of Student Data, including the Privacy Laws and to grant Schoolytics access to such data only to the extent permitted by the Privacy Laws. School acknowledges and agrees that, to the extent applicable, School as an educational institution provides consent for Schoolytics to collect Student Data about students, as permitted under applicable Privacy Laws. School represents, warrants, and covenants to Schoolytics that it shall not provide information to Schoolytics from any student or parent/legal guardian that has opted out of the disclosure of "Directory Information" as defined in FERPA.

3.2 License Grant. School hereby grants, and represents and warrants that School has all rights necessary to grant, to Schoolytics a non-exclusive, royalty-free, worldwide license during the Term to use, transmit, distribute, modify, reproduce, display, and store the Student Data solely for the purposes of providing the Schoolytics Services as contemplated by the Agreement, and as otherwise described herein.

3.3 Reasonable Security Precautions and Notice. School will take reasonable precautions to secure usernames, passwords and any other means of gaining access to the Schoolytics Services and to data shared pursuant to the DPA. School will notify Schoolytics promptly of any known or suspected unauthorized access to School's account, Student Data and/or to Schoolytics' systems. School will assist Schoolytics in any efforts by Schoolytics to investigate and respond to any incident involving such unauthorized access.

3.4 School Representative. At Schoolytics's request, School will designate an employee or agent of School as the School representative for the coordination and fulfillment of the duties of this DPA.

4. Duties of Schoolytics.

4.1 Schoolytics Compliance with Privacy Laws. With regard to Student Data that School permits Schoolytics to collect or access pursuant to the Agreement, Schoolytics agrees to uphold its responsibilities, and to support School in upholding School's responsibilities, under applicable Privacy Laws.

4.2 Permitted Use of Student Data. Schoolytics may use, transmit, distribute, modify, reproduce, display, and store the Student Data shared pursuant to the Agreement solely for the purposes of: (a) providing the Schoolytics Services as contemplated by the Agreement, and as otherwise described herein; (b) maintaining, supporting, evaluating, diagnosing, improving and developing the Schoolytics' website, Schoolytics Services and applications; (c) enforcing its rights under the Agreement; (d) as otherwise authorized under the applicable Privacy Laws; and (e) as permitted with the consent of the parent or guardian, student, and/or School. For clarity and without limitation, Schoolytics may use Student Data for adaptive learning purposes or customized student learning and to provide recommendation engines to recommend content or services relating to school purposes or other educational or employment purposes, provided such recommendation is not determined in whole or in part by payment or other consideration from a third party. Schoolytics shall not use Personally Identifiable Information contained in Student Data for any purpose other than as explicitly specified in this DPA.

4.3 Restrictions on Disclosure of Student Data. Schoolytics will not sell, disclose, transfer, share or rent any data obtained under the Agreement in a manner that directly identifies an individual student to any other entity other than the School except: (a) to the extent set forth in the Agreement; (b) as directed or authorized by School, including without limitation, to a parent or guardian authorized by the School to access an individual student's data; or (c) as otherwise described in Section 2 of this DPA.

4.4 Restrictions on Use of Student Data for Advertising. Schoolytics is prohibited from using Student Data to: (a) advertise or market to students or to direct targeted online advertising to students, (b) advertise or market educational products and services to parents/guardians; (c) develop a profile of a student; parent/guardian or group, other than for the purpose of providing educational services or as authorized by School or by a parent/guardian; or (d) for any other commercial purpose unless authorized by School or permitted by applicable law. Notwithstanding the foregoing, nothing in this section shall be read to prohibit Schoolytics from: (i) marketing educational products and services directly to School's employees so long as the marketing does not result from the use of Student Data obtained by Schoolytics from providing the Schoolytics Services; (ii) using Student Data to recommend educational products or services to School's employees so long as the recommendations are not based in whole or in part by payment or other consideration from a third party; and (iii) using aggregate information to inform, influence or enable marketing, advertising, or other commercial efforts by Schoolytics.

4.5 Permitted Use of De-identified Data. Notwithstanding anything to the contrary herein, Schoolytics has the right to generate, use and disclose De-identified Data for the purposes of the development and improvement of educational sites, services, applications, or to demonstrate the effectiveness of Schoolytics' products or services. In addition, Schoolytics has the right to display aggregate summaries of De-identified Data publicly or to Schoolytics's customers. For example, Schoolytics may display analytics or reports at the district, school, grade-level and/or on the basis of specific demographic or educational groups for peer-benchmarking purposes, provided that the published material does not contain individual-level information and cannot reasonably be used to identify any individual student or School, even if such information is combined with data or information maintained by the School or third-party data sources.

4.6 Student Data Deletion or Disposition. School is responsible for maintaining current class rosters and managing Student Data which it no longer needs for an educational purpose through its use of the Schoolytics Services or by submitting a separate request. School may request in writing that Schoolytics delete or retrieve Student Data in Schoolytics' possession at any time, which request Schoolytics will then comply within a commercially reasonable period of time not to exceed thirty (30) days. Schoolytics will continue to maintain a copy of Student Data subject to a retrieval request unless and until Schoolytics receives a deletion request. Upon termination of the Agreement, Schoolytics will automatically delete or destroy all Student Data in its possession within sixty (60) days of the end of the term of the Agreement, except to the extent School submits a data retrieval and transfer request and the parties transfer and delete Student Data according to a schedule and procedures as the parties may reasonably agree upon. Schoolytics is not authorized to maintain Student Data beyond the time reasonably needed to complete the disposition. The duty to dispose of Student Data will not extend to De-identified Data.

4.7 Change of Control. In the event Schoolytics sells, divests, or otherwise transfers all or a portion of its business assets relating to this Agreement to a third party, Schoolytics may transfer Student Data to the new owner provided that (a) the new corporate owner intends to maintain and provide the Schoolytics Services as a going concern and the new owner has agreed to data privacy standards no less stringent than those provided herein; or (b) Schoolytics will give notice to School and an opportunity to opt out of the transfer of Student Data.

5. Data Security and Data Breach.

5.1 Data Security. Schoolytics will implement commercially reasonable administrative, physical and technical safeguards designed to secure Student Data from unauthorized access, disclosure, or use, which may include data encryption, firewalls, physical access controls to buildings and files, and, when the Schoolytics Services is accessed using a supported web browser, Secure Socket Layer or equivalent technology will be employed. Schoolytics will provide data privacy and security training to employees who have access to Student Data or who operate or have access to system controls, and will require employees to adhere to data confidentiality terms providing for the protection of Student Data in a manner consistent with the terms of this DPA. Access to Student Data and Schoolytics' systems will be limited to only those employees and trusted third parties that have a need-to-know basis based on specific job function or role.

5.2 Data Security Incident. If Schoolytics has reason to believe that Student Data is disclosed to or acquired by an unauthorized individual(s) (a "**Security Incident**"), then Schoolytics will investigate the incident and take reasonable steps to remediate systems and controls and to mitigate any potential harm to individuals which may result from the Security Incident and cooperate with School's investigation of the Security Incident.

5.3 Notification to School. Schoolytics will promptly notify School after Schoolytics determines that School's Personally Identifiable Information was affected by the Security Incident, and, to the extent known, identify: (a) the nature of the Security Incident, (b) the steps Schoolytics has executed to investigate the Security Incident, (c) the types of personal information which was subject to the unauthorized disclosure or acquisition, (d) the cause of the Security Incident, if known, (e) the actions Schoolytics has done or will do to remediate any deleterious effect of the Security Incident, and (f) the corrective action Schoolytics has taken or will take to prevent a future Security Incident.

5.4 Notification to Individuals. To the extent School determines that the Security Incident triggers third party notice requirements under applicable laws, as the owner of the Student Data, the School shall be responsible for the timing and content of the notices to be sent. Except as otherwise required by law, Schoolytics will not provide notice of the Security Incident directly to individuals whose personal information was affected, to regulatory agencies, or to other entities, without first providing written notice to School. Schoolytics will be responsible for, and will bear, all notification related costs arising out of or in connection with the Security Incident, subject to any limitations of liability terms contained in the Agreement. For clarity and without limitation, Schoolytics will not be responsible for costs associated with voluntary notification which is not legally required. With respect to any Security Incident which is not due to acts or omissions of Schoolytics or its agents, Schoolytics will reasonably cooperate in performing the activities described above, as School requests, at School's reasonable expense.

6. Miscellaneous.

6.1 Term. The parties will be bound by the provisions of this DPA for the duration of the Agreement or so long as Schoolytics maintains Student Data.

6.2 Limitation of Liability. Unless otherwise agreed upon by the parties in writing, the limitation of liability provision set forth in the Terms will govern this DPA.

6.3 Priority of Agreements. This DPA will govern the treatment of Student Data in order to comply with Privacy Laws. In the event there is conflict between the terms of this DPA and the Terms or other document, bid, RFP, or writing, the terms of this DPA will govern and take precedence to the extent of the conflict, unless and to the extent the parties mutually execute terms to protect Student Data that are no less stringent than those provided herein and the parties mutually agree that such terms shall take precedence over this DPA.. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be prohibited or unenforceable in such jurisdiction while, at the same time, maintaining the intent of the parties, it will, as to such jurisdiction, be so narrowly drawn without invalidating the remaining provisions of this DPA or affecting the validity or enforceability of such provision in any other jurisdiction.

Scope of Services:	<p>The philosophy of our Back Office Services is that we provide outsourced solutions so your school can focus on its educational mission. LOCAL EDUCATION AGENCY: Voices Academies

NONPUBLIC AGENCY/RELATED SERVICES PROVIDER: Pathways to Inclusion

NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES
MASTER CONTRACT

GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract (or “Contract”) is entered into on July 1, 2024, between Voices Academies, hereinafter referred to as the local educational agency (“LEA”), a member of the Sonoma SELPA and Pathways to Inclusion (nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or “CONTRACTOR” for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB 490 (Chapter 862, Statutes of 2003) and AB 1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit the LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Service Agreement (hereinafter referred to as “ISA”). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR’s obligation to provide all relevant services specified in the student’s Individualized Education Program (hereinafter referred to as “IEP”). The ISA shall be executed within ninety (90) days of a student’s enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for the development of the ISA and invoices.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as “OAH”) order, a lawfully executed settlement agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with NPS placement or NPS/A services until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student’s parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as “CDE”) as a NPS/A. All NPS/A services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in California Education Code, section 56366 *et seq* and within the professional scope of practice of each provider’s license, certification, and/or credential. A current copy of CONTRACTOR’s NPS/A certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of

this Master Contract. Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2024 to June 30, 2025 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2025 (Title 5 California Code of Regulations section 3062(d)). In the event the contract negotiations are not agreed to by June 30th, the most recently executed Master Contract will remain in effect for 90 days (Education Code 56366(c)(1)). No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be

provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each ISA and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety-day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA.

6. INDIVIDUAL SERVICE AGREEMENT ("ISA")

This Agreement shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP or by written agreement between the parent and LEA. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the NPS/A.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

16. **INDEMNIFICATION AND HOLD HARMLESS**

To the fullest extent allowed by law, CONTRACTOR shall indemnify and hold LEA and its Board Members, administrators, employees, agents, attorneys, volunteers, and subcontractors (“LEA Indemnities”) harmless against all liability, loss, damage and expense (including reasonable attorneys’ fees) resulting from or arising out of this Master Contract or its performance, to the extent that such loss, expense, damage or liability was proximately caused by negligence, intentional act, or willful act or omission of CONTRACTOR, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding LEA and LEA Indemnities). The duty and obligation to defend shall arise immediately upon tender of a claim or lawsuit to the CONTRACTOR. The LEA and the Member District(s) shall have the right in their sole discretion to select counsel of its choice to provide the defense at the sole cost of the CONTRACTOR or the applicable insurance carrier.

To the fullest extent allowed by law, LEA shall indemnify and hold CONTRACTOR and its Board Members, administrators, employees, agents, attorneys, and subcontractors (“CONTRACTOR Indemnities”) harmless against all liability, loss, damage and expense (including reasonable attorneys’ fees) resulting from or arising out of this Master Contract or its performance thereof, to the extent that such loss, expense, damage or liability was proximately caused by the negligent, intentional act or willful act or omission of LEA, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding CONTRACTOR and/or any CONTRACTOR Indemnities).

LEA represents that it is self-insured in compliance with the laws of the State of California, that the self-insurance covers district employees acting within the course and scope of their respective duties and that its self-insurance covers the LEA’s indemnification obligations under this Master Contract.

17. **INDEPENDENT CONTRACTOR**

Nothing herein contained will be construed to imply a joint venture, partnership or principal-agent relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Contract as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Contract shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

18. **SUBCONTRACTING**

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to

provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts, to the fullest extent reasonably possible. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including, but not limited to, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The endorsements are to be on forms as required by the LEA. All endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance must reference the LEA contract number, name of the school or agency submitting the certificate, indication if NPS or NPA, and the location of the school or agency submitting the certificate. In addition, all subcontractors must meet the requirements as contained in Section 44 Clearance Requirements and Section 45 Staff Qualifications of this Master Contract.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall disclose any relationship with LEA that constitutes or may constitute a conflict of interest pursuant to California Education Code section 56042 and Government Code Section 1090 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

The LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not, in employment or operation of its programs, unlawfully discriminate on the basis of gender, nationality, national origin, ancestry, race, color, ethnicity, ethnic group affiliation, religion, age, marital status, pregnancy or parental status, sex, sexual orientation, gender, gender identity or expression, physical or mental disability, genetic information or any other classification protected by federal or state law or the perception of one or more of such characteristics or association with a person or group with one or more of these actual or perceived characteristics.

CONTRACTOR shall provide special education and/or related services (including transition services) to each student within the NPS/A consistent with the student’s IEP and as specified in the ISA. If CONTRACTOR is a NPS, CONTRACTOR shall not accept a student if it cannot provide or ensure the provision of the services outlined in the student’s IEP. If student services are provided by a third party (i.e. Related Services Provider), CONTRACTOR shall notify LEA if provision of services cease.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities, as specified in the student’s IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the student’s IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the student’s enrollment under the terms of this Master Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student’s IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the NPS. CONTRACTOR shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a student’s parent(s) for services and/or activities not necessary for the student to receive a free appropriate public education after: (a) written notification to the student’s parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by the LEA of the written notification and a written acknowledgment signed by the student’s parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for the student to receive a free appropriate public education shall not interfere with the student’s receipt of special education and/or related services as specified in the student’s IEP and ISA unless the LEA, CONTRACTOR, and PARENT agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

CONTRACTOR shall not award a high school diploma to students who have not successfully completed all of the LEA's graduation requirements.

When CONTRACTOR is a NPA and/or related services provider, CONTRACTOR's general program of instruction and/or services shall utilize evidence-based practices and be consistent with LEA and CDE guidelines and certification, and provided as specified in the student's IEP and ISA. The NPA providing Behavior Intervention services shall develop a written plan that specifies the nature of their NPA service for each student within thirty (30) days of enrollment and shall be provided in writing to the LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a CONTRACTOR that is a Licensed Children's Institution (LCI), all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver have a signed authorization by the parent or legal guardian to authorize emergency services as requested. LCI CONTRACTORS shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Master Contract. 24. CLASS SIZE

When CONTRACTOR is a NPS, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students, unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a

ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a NPS is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the CDE Certification of that school, the NPS shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The NPS and the LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a NPA.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three and five years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 et seq.

25. CALENDARS

When CONTRACTOR is an NPS, CONTRACTOR shall submit to the LEA/SELPA a school calendar with the total number of billable days not to exceed 180 days, plus extended school year billable days equivalent to the number of days determined by the LEA's extended school year calendar. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by the LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of the LEA. Nothing in this Master Contract shall be interpreted to require the LEA to accept any requests for calendar changes.

Unless otherwise specified by the student's IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services as determined by the IEP team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP team convened by the LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any NPS service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe the same legal holidays as LEA. Those holidays are Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King Jr. Day, President's Day, Memorial Day, Juneteenth, and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by the LEA.

When CONTRACTOR is a NPA, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in the LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to the LEA-developed/approved calendar; or as specified in the LEA student's IEP and ISA. Unless otherwise specified in the LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that the LEA student's school of attendance is in session and the LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on the LEA calendar unless CONTRACTOR and the LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the

LEA, in writing, in advance of the delivery of any NPA service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to the LEA all data related to student information and billing information with LEA. CONTRACTOR shall agree to provide data related to all sections of this contract, including student discipline as noted below, and requested by and in the format required by the LEA. It is understood that all NPS/A shall utilize the LEA approved electronic IEP system for all IEP development, service tracking documentation, and progress reporting, unless otherwise agreed to by the LEA. Additional progress reporting may be required by the LEA. The LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access.

Using forms developed by the CDE or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Code sections 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code sections 48900 and 48915.

The LEA shall provide the CONTRACTOR with approved forms and/or format for such data including, but not limited to, invoicing, attendance reports and progress reports. The LEA may approve use of CONTRACTOR'S provided forms at their discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options and/or dual enrollment options if available and appropriate, for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services, goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommended activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a NPS, per implementation of Senate Bill 484, CONTRACTOR shall administer all statewide assessments within the California Assessment of Student Performance and Progress ("CAASPP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, , the English Language Proficiency Assessments for California ("ELPAC"), the Alternative English Language Proficiency Assessments for California ("Alternative ELPAC"), and as appropriate to the student, and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff.

CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, data collection, and standardized testing and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

CONTRACTOR shall comply with the requirements of Education Code section 49005, *et seq.*, 56521.1 and 56521.2. LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the IEP team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the school day, and annually to all staff who have any contact or interaction with pupils during the school day. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain written records of the training and provide written verification of the training annually and upon request.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP, and shall not be employed longer than necessary to contain the behavior. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies **require** a behavior emergency report form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify Parent within twenty-four (24) hours via telephone. If the student's IEP does not contain a BIP, an IEP team shall schedule a meeting to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following:

1. any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock;
2. an intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual;
3. an intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities;
4. an intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma;
5. restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities, including the procedure known as prone containment, except that prone containment or similar techniques may be used by trained personnel as a limited emergency intervention;
6. locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room;
7. an intervention that precludes adequate supervision of the individual;
8. an intervention that deprives the individual of one or more of his or her senses.

CONTRACTOR shall comply with Education Code section 49005.8. Specifically, Contractor shall not do any of the following:

1. Use seclusion or a behavioral restraint for the purpose of coercion, discipline, convenience, or retaliation.
2. Use locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.
3. Use a physical restraint technique that obstructs a pupil's respiratory airway or impairs the pupil's breathing or respiratory capacity, including techniques in which a staff member places pressure on a pupil's back or places his or her body weight against the pupil's torso or back.
4. Use a behavioral restraint technique that restricts breathing, including, but not limited to, using a pillow, blanket, carpet, mat, or other item to cover a pupil's face.
5. Place a pupil in a facedown position with the pupil's hands held or restrained behind the pupil's back.
6. Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the pupil or others.

CONTRACTOR shall keep constant, direct observation of a pupil who is in seclusion, which may be through observation of the pupil through a window, or another barrier, through which the educational provider is able to make direct eye contact with the pupil. This observation shall not be through indirect means, including through a security camera or a closed-circuit television.

CONTRACTOR shall afford pupils who are restrained the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the pupil and others.

If prone restraint techniques are used by CONTRACTOR, a staff member shall observe the pupil for any signs of physical distress throughout the use of prone restraint. Whenever possible, the staff member monitoring the pupil shall not be involved in restraining the pupil.

In the case of a child whose behavior impedes the child's learning or that of others, the IEP team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or

multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of an LEA student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the NPS; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366 (a) (2) (B) (i) and (ii) and pursuant to California Education Code section 56345 (b) (4).)

If the LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to parent, CONTRACTOR and LEA. CONTRACTOR shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the approved electronic IEP system of the LEA for all IEP planning and progress reporting at the LEA's discretion. The LEA or SELPA may provide training for any CONTRACTOR to ensure access to the approved system. The CONTRACTOR shall maintain confidentiality of all IEP data on the approved system and shall protect the password requirements of the system. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code Section 56366.5 and the LEA. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six (6) months after the close of the fiscal year unless approved by the LEA to resolve billing issues including re-billing issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than twelve (12) months from the close of the fiscal year. If the billing or re-billing error is the responsibility of the LEA, then no limit is set provided that the LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

57. RIGHT TO WITHHOLD PAYMENT

LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(c)(2); (e) education and/or related services are

provided to students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received prior to school closure or contract termination, all documents concerning one or more students enrolled in CONTRACTOR's educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change of residence to another district, but fails to notify LEA within five (5) days of such confirmation; or (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a student. It is understood that no payments shall be made for any invoices that are not received by six (6) months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the portion of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies or submit to LEA written documentation demonstrating that the basis or bases cited by the LEA for withholding payment is unfounded. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: The LEA or CONTRACTOR may appeal to the County Superintendent of Schools so long as the County Superintendent of Schools is not participating in the Local Plan involved in the NPS/A contract, or a mutually agreed upon mediator. Both parties agree to pay for their own costs and expenses arising out of such mediation. Each party agrees to act in good faith in participating in any mediation process agreed to by the parties.

58. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to students. CONTRACTOR shall provide prior written notice of the rights and protections required by Title 34 of the Code of Federal Regulations section 300.154(d) whenever it seeks to use the LEA students' public benefits to pay for special education and related services. Such notice shall be provided before seeking payment from Medi-Cal for the first time and annually.

59. PAYMENT FOR ABSENCESNONPUBLIC SCHOOL STAFF ABSENCE

Whenever a classroom teacher employed by CONTRACTOR is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to LEA documentation of substitute coverage pursuant to the LEA Procedures. Substitute teachers shall remain with their assigned class during all instructional time. LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in student's IEP.

NONPUBLIC SCHOOL STUDENT ABSENCE

If CONTRACTOR is a nonpublic school, no later than the tenth (10th) cumulative day of a student's unexcused absence, CONTRACTOR shall notify the LEA of such absence.

Criteria for a billable day for payment purposes is one (1) day of attendance as defined in California Education Code, sections 46010, 46010.3 and 46307. LEA shall not pay for services provided on days that a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. LEA shall not be responsible for payment of related services for days on which a student's attendance does not qualify for Average Daily Attendance ("ADA") reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA. In the event services were not provided, reasons for why the services were not provided shall be included.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a student no later than the fifth (5th) consecutive service day of the student's absence. LEA shall not be responsible for the payment of services when a student is absent.

60. LEA and/or NONPUBLIC SCHOOL CLOSURE DUE TO EMERGENCY

The following shall apply in the event of a LEA or NPS school closure due to an emergency consistent with guidelines followed by LEAs in accordance with Education Code sections 41422 and 46392:

- a. If CONTRACTOR remains open, if allowed, during an emergency and serves students appropriately as delineated in the ISA, CONTRACTOR shall receive payment, regardless of whether a sending LEA is open or closed.
- b. NPS School Closure- In the event of a NPS School Closure for the reasons set forth in Education Code section 41422, if the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to CONTRACTOR'S school closure. If the LEA is unable to obtain an alternative placement, CONTRACTOR shall receive payment consistent with the student's approved ISA, as though the student were continuing his/her regular attendance, until an alternative placement can be found and implement LEA student IEP in accordance with Education Code section 56345(a)(9) pertaining to emergency conditions.
- c. LEA and NPS School Closure- In the event of the LEA and NPS School Closures, on days the LEA is funded, CONTRACTOR shall receive payment consistent with the student's approved ISA, until an alternative placement can be found and implement LEA student IEP in accordance with Education Code section 56345(a)(9) pertaining to emergency conditions. If the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance with CONTRACTOR due to CONTRACTOR'S school closure.

When the emergency school closure is lifted, CONTRACTOR shall notify the LEAs it serves of any lost instructional minutes. CONTRACTOR and LEAs shall work collaboratively to determine the need for make-up days or service changes, and shall work together to amend IEP and ISA paperwork as appropriate.

61. INSPECTION AND AUDIT

The CONTRACTOR shall maintain and the LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Agreement.

CONTRACTOR shall provide access to LEA to all records including, but not limited to: student records as defined by California Education Code section 49061(b); registers and roll books of teachers; daily service logs and notes or other documents used to record the provision of related services; Medi-Cal/daily service logs and notes used to record provision of services provided by instructional assistants, behavior intervention aides, bus aides, and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held, business licenses held, documents evidencing other qualifications, , dates of hire, and dates of termination; staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related service subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation insurance policies; state NPS/A certifications; by-laws; lists of current board of directors/trustees, if incorporated; other documents evidencing financial expenditures; federal/state payroll quarterly reports Form 941/DE3DP; and bank statements and canceled checks or facsimile thereof. Such access shall include unannounced inspections by LEA. CONTRACTOR shall make available to LEA all budgetary information including operating budgets submitted by CONTRACTOR to LEA for the relevant contract period being audited.

CONTRACTOR shall make all records available at the office of LEA or CONTRACTOR's offices (to be specified by LEA) at all reasonable times and without charge. All records shall be provided to LEA within five (5) working days of a written request from LEA. CONTRACTOR shall, at no cost to LEA, provide assistance for such examination or audit. LEA's rights under this section shall also include access to CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to the LEA, unless the LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached rate schedule (Exhibit A) limits the number of students that may be enrolled and maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Wonderings

How much do our teachers know about in-class interventions around literacy?

Do all schools use their intervention time to support small group literacy?

Our new SLA curriculum is largely targeting whole-group instruction. How do we carve out more time for 1-1/small group literacy and reading?

STAR Early Literacy

Action Steps

- Bring this data to the academic team meeting
 - Dig into which skills teachers are making an impact on and which ones to strengthen
 - Develop literacy supports for 24/25 or integrate actions into 25/26 plan
- Check in with principals and coaches around response/plan to data
 - Confirm who had data meeting
 - Confirm if any teachers did not give assessment
- Attend Standards Institute in March 2025 with academic team and school leader
 - Focus on CORE Literacy
- Use this data along with teacher feedback on small group reading to inform literacy instruction

Introduction

Statement of Purpose

Voices College-Bound Language Academies (Voices) is committed to the safety and security of students, faculty, staff, and visitors on its campus. In order to support that commitment, Voices has thoroughly reviewed and updated the school's emergency mitigation/prevention, preparedness, response, and recovery procedures relevant to natural and human-caused disasters. The school safety plan may be evaluated and amended, as needed, but shall be evaluated at least once a year, to ensure that the comprehensive school safety plan is properly implemented.

This plan includes specific courses of action to be taken in case an emergency situation develops. Every employee of Voices is expected to be familiar with this plan in order to carry out his/her/their responsibilities in an emergency.

The major objective of emergency preparedness is to save lives and protect property in the event of a disaster.

Voices Safe School Vision

1. Voices will provide a safe, orderly, and secure environment conducive to learning in which students will be safe from both physical and social-psychological harm.
2. Voices will develop a plan to work cooperatively and collaboratively with parents/guardians, students, teachers, administrators, counselors, and community agencies, including law enforcement, to provide a safe and orderly school and neighborhood.
3. Voices will create a learning and working environment where parents/guardians can be confident that their students are safe and secure.
4. Voices will identify clear procedures for emergencies.
5. Voices is aware of very few conditions on campus that could potentially cause accidental injury to students or staff and the school staff is working hard on preventing accidental injury to all those present on campus (students, staff, parents/guardians, etc.).

Physical Environment

Maintenance of School Buildings/Classrooms

Each Voices school's physical facility is well maintained and generally looks neat and clean. Voices school personnel periodically examine the school's physical facility and help eliminate obstacles to school safety. See [Appendix A](#) for a Monthly School Site Safety Checklist. Additionally, health and fire department inspectors contribute to school safety.

Voices classrooms are monitored for safety compliance by the administration and individual classroom teachers. See [Appendix B](#) for a Classroom Safety Checklist. Teachers and administrators can report facility maintenance issues to the school's Business Manager or Principal who are responsible for resolving all general as well as urgent maintenance issues.

During the school day, staff members and administrators shall provide campus supervision. Identified problem areas receive increased supervision to reduce discipline, crime, or other school safety concerns.

Campus Disturbances and Crimes

Voices recognizes that campus disturbances and crimes may be committed by visitors and outsiders to the campus. Several steps have been taken to protect the school, staff, and students from safety threats by individuals visiting the campus area. In addition, disputes sometimes occur because of parental custody issues. Voices staff will maintain in the student's record any custody documentation provided by families and will request assistance from local law enforcement, if/as needed.

Registration of Visitors/Guests Policy

Posting of Notice

At each entrance to Voices school grounds, signs shall be posted specifying the hours during which registration is required, stating where the office of the Principal or designee is located and what route to take to that office, and setting forth the penalties for violation of this policy. Volunteer, Visitation, and Removal Policy see Appendix N.

Parent Involvement Policy

Parents/guardians have the opportunity and are encouraged to participate at Voices in a variety of ways. Any regular volunteer, as determined by the principal, that works with students must meet the requirements as listed in the [Volunteer Handbook](#) (available at the front office). See the [Parent Involvement Policy](#).

General Safety Procedures

Introduction

Safe schools are orderly and purposeful places where students and staff are free to learn and teach without the threat of physical and psychological harm. Voices promotes educationally and psychologically healthy environments for all students. Voices recognizes there are comprehensive, broad factors directly related to a safe school environment such as the school facility, school programs, staff, parents and the community. Voices further recognizes that safe school practices make major contributions to academic and school improvement efforts.

Although keeping children safe requires a community-wide effort, schools are an important piece of the undertaking to keep children safe. Voices efforts are illustrated below which broaden the safety planning and incorporate an expansive range of strategies and programs in the school safety plan.

Prevention and Intervention: Pupil Aggressive Behavior

Creating a safe school requires having in place many preventive measures for children's mental and emotional challenges. Schools can reduce the risk of violence by teaching children appropriate strategies for dealing with feelings and expressing anger in appropriate ways and resolving conflicts.

Staff members at Voices have received training in conflict resolution skills via Safeschools. Voices uses a comprehensive approach to school violence prevention. These measures include: (a) number of disciplinary referrals to the office, (b) observed aggressive behavior, and (c) teacher observation.

Discipline Policy

Effective and safe schools develop and consistently enforce school-wide rules that are clear, broad-based and fair. School safety is enhanced by the development of a school-wide disciplinary policy that includes a code of conduct, specific rules and consequences that can accommodate student differences on a case-by-case basis when necessary. Discipline consequences should be commensurate with the offense, should be written, applied in a nondiscriminatory manner, and accommodate cultural diversity.

Voices uses both classroom and school-wide discipline codes that clearly communicate the behavioral expectations and consequences for students. Voices has developed plans to promote positive behaviors in the playground, cafeteria, and assembly areas.

See the "[Suspension and Expulsion Policy](#)" policy in the Family Handbook.

Notice of Disciplinary History

The appropriate school districts shall provide to the administration of Voices schools information on each pupil who has: (1) during the previous three school years, engaged in any suspendable or expellable act (except *E.C. 48900 (h)*) or (2) committed a crime reported to the District by a family member, local law enforcement, Probation Department or social services. In the event of a suspension, the Notice of Suspension is copied to the student's cumulative file. Each year, teachers review the cumulative file of their incoming students, thus ensuring that they will be aware of suspensions within the last three years. Additionally, the principal reviews all incoming cumulative files. All employees viewing this information must keep it confidential and may not disseminate it to any other person.

Gang Affiliation

Gang affiliation and gang activity will not be tolerated at Voices. The staff at Voices shall work closely with the local law enforcement / Gang Unit (**Gang Hotline 408-293-GANG (4264), Youth Against Violence Hotline 1 800 680-4264 or 911**) regarding all issues and matters that are gang related. Information from the school and the community shall be communicated to the student's parents, if the pupil begins to make gang affiliations. Appropriate prevention and intervention strategies and programs shall be offered to the families.

Gangs and Graffiti

Students are expected to respect their school and will be required to clean up any graffiti immediately. Any gang affiliated/racist graffiti will be reported to the San Jose Police, Morgan Hill Police, Stockton Police or Richmond Police Department. Refer to Dress Code Policy, [Appendix O](#).

Drug, Alcohol, and Tobacco Free

Voices recognizes the need for a Drug free, Alcohol free and Tobacco free environment. Smoking is prohibited in all Voices buildings, facilities, and vehicles. Voices supports abstinence from alcohol, tobacco, and other drugs for all students in order that their development can reach full intellectual, emotional, social and physical potential. Students who use, possess, and/or sell controlled substances are subject to disciplinary action, up to and including a recommendation for expulsion. For further information see the [Suspension and Expulsion Policy](#).

Campus Violence Safety Procedures

Reporting of Dangerous, Violent, or Unlawful Activities

Voices takes its role in providing a safe and trusted learning environment very seriously. If any student, family member, or member of Voices' extended community learns of any dangerous, violent, or unlawful activity that they believe has occurred, is occurring, or may occur at the school

or at or near any school-sponsored or school-related event or location, they are strongly encouraged to report that activity—anonynously if necessary—to the Principal.

A report can be sent by a legible written note, by email, or by telephone to the following: 6840 Via del Oro Suite 205 San Jose, CA 95119, info@voicescharterschool.com, 408-791-1609. Reports should include place, time, the general nature of the activity being reported, whether any life-threatening activity or weapons are involved, and any other important details. Any report of activity that imminently threatens or involves an imminent potential loss of life should first be made to 9-1-1, immediately.

Voices shall promptly review every report received as soon as possible, shall make a record of every report received, and shall make a reasonable inquiry into each, as necessary, to ensure to the greatest reasonable extent that no dangerous, violent, or unlawful act occurs at any school-related or school-sponsored event, or on school-provided transportation to any such event. The investigatory response taken by the school and actions taken will be logged as well.

School staff should follow these guidelines when a fight occurs:

1. Send a reliable student to the office to summon assistance.
2. Speak loudly and let everyone know that the behavior should stop immediately.
3. **Do not intervene or try to break up the fight if the students are in 5th grade or above.**
4. Obtain help from other teachers if at all possible.
5. If students are starting to gather, attempt to get students away from the commotion as quickly as possible.
6. Call out the names of the involved students and let them know they have been identified.
7. For the safety of all students, get additional help from law enforcement personnel if confronted with a serious fight, especially one that involves weapons.
8. Attempt to separate the involved students by speaking to them in an assertive tone of voice. Consider the age and/or size of the students, as well as personal safety, before stepping between/among those involved in an altercation. If successful in separating the students, try to avoid using further confrontational behavior.
9. Remember that no one can "cool down" instantly; give the students time to talk in a calm setting and gradually change the climate of the situation.

School Staff should follow these guidelines when a riot occurs:

1. The School principal, or his/her designee, should encourage teachers and staff to be sensitive to the emotional climate of the campus and attempt to defuse any tensions prior to the eruption of problems.
2. Notify local law enforcement of the disturbance and meet at a pre-designated site to evaluate the situation.
3. Activate needed emergency plans, which may include:
 - a. Instructing office staff to handle communications and initiate lockdown orders.
 - b. Informing Team Z.
 - c. Notify transportation to bring appropriate numbers of buses for evacuation or transportation if necessary.
 - d. Assign staff a temporary detention facility, such as a gymnasium, to secure students and log information.
 - e. Direct a teacher or designee to initiate lockdown and immobilize the campus.
 - f. Team Z will brief a representative to meet the media.
 - g. Assign staff to a pre-designated medical treatment/triage facility.

Assaults

Assaults involve acts of striking or inflicting injury to a person and are regarded as serious matters. Any threat or assault on students or employees should be reported immediately to the School principal, or his/her designee. The school principal (or designee) will determine if law enforcement officials should be notified. If a serious assault occurs, the school principal (or designee) shall:

1. Dial 911.
2. Seek first aid or medical attention, if indicated.
3. Have photographs taken of any injuries.
4. Write down a physical description of the assailant:
 - (sex, age, height, weight, race, clothing, and any weapon used) as soon as possible after the incident.
5. Obtain names and telephone numbers of any witnesses.
6. Draft incident report and submit it to the principal, or his/her designee and Team Z . See [Appendix C](#) for Student/Employee Minor Incident/Accident Report.
7. Submit an incident report to the local law enforcement, if serious bodily injury has occurred. See [Appendix C](#) for Student/Employee Minor Incident/Accident Report.

Civil Disturbance

A civil disturbance is any situation where a person or group of persons disrupts operations or threatens the safety of individuals. In the event of a civil disturbance, the following precautionary

measures should be taken:

1. Notify local law enforcement authorities and-Dial 911.
2. If participants enter the building, remain calm and do not provoke aggression. Report disruptive circumstances to the school principal, or his/her designee and Team Z.
3. Do not argue with the participant(s).
4. Have all students and employees leave the immediate area of disturbance.

6. If the disturbance is inside the building, follow procedures for evacuation of the school site.
7. Follow further instructions as police officials and other local law enforcement authorities issue them.
8. Draft incident report for the school principal, or his/her designee. See [Appendix C](#) for Student/Employee Minor Incident/Accident Report.

School Philosophy

Voices College-Bound Language Academies recognizes the need for students of the School to dress appropriately for school. The School believes that students should focus their energy and attention upon their academic development and not on style or the clothes of their peers. In addition, dress code is important to school pride and safety because it fosters a sense of belonging and students in uniform are easily recognized by all school staff. See [Student Dress Code Policy](#), [Appendix O](#).

General Guidelines

Students will be required to wear a school uniform. See [Family Handbook](#). The code shall allow students to wear sun protective clothing, including hats. Inappropriate apparel and accessories includes clothing that compromises safety or is disruptive and/or distracting to the school environment and instructional process. The Board is committed to protecting the health, safety, and welfare of the students and the Board believes that appropriate dress and grooming contribute to a productive learning environment. Please refer to [Appendix O](#).

Mental Health Programs

The staff of Voices shall identify students in need of counseling and bring forth the student and the family to the Dean of Culture in order to be connected to appropriate support and/or services internally, including referral to the Student Success Team and/or external resources. The staff of Voices shall complete a referral using the [Crisis Intervention Protocol](#) in order for the Crisis Team to

complete a selfharm/harm to others/suicide risk assessment as detailed below in the Suicide section in cases where a student directly or indirectly exhibits specific behavior.

Voices will notify parents or guardians of a pupil at least two times during the school year on how to access mental health services at school or within the community. [AB 2022](#) (Chapter 484/2018)—Pupil Mental Health Services: School Notification.

Suicide

Suicide prevention training for instructional staff and administrators will be provided and be designed to help staff identify and refer students at risk of suicide. The training may be offered under the discretion of the Principal and/or Board of Directors and/or in cooperation with one or more community mental health agencies. [See Suicide Prevention Policy](#).

Attempted Suicide / Suicide Threat

Whenever a staff member suspects or has knowledge of a student's suicidal intentions, he/she shall promptly follow instructions on the [Crisis Intervention Protocol](#) and complete needed sections on the risk assessment form and notify the office of a Code Orange situation. A Member of the School-site Crisis Team will pick up the risk assessment form and the student to initiate the full assessment. The Principal or other Crisis Team member shall then complete the assessment to determine the risk level. Once the risk level is determined, if high risk - mobile crisis support is initiated and the student's parent/guardian is notified and asked to come to the school site to discuss the assessment and sign a parent /guardian notification recommending connecting with a qualified mental health professional for assistance.. If the risk is assessed as low to medium, the parent/guardian is notified and asked to sign a parent/guardian notification letter and a support plan is discussed.

When a suicide attempt or threat is reported, the Principal or other member of the Crisis Team shall, at a minimum:

1. Ensure the student's physical safety by one of the following, as appropriate:
 - a. Securing immediate medical treatment if a suicide attempt has occurred;
 - b. Securing law enforcement and/or other emergency assistance if a suicidal act is being actively threatened;
 - c. Keeping the student under continuous adult supervision until the parent/guardian and/or appropriate support agent or agency can be contacted and has the opportunity to intervene.
2. Designate specific individuals to be promptly contacted, for example the Voices counselor, psychologist, nurse, Principal, and/or the student's parent/guardian, and, as necessary, local law enforcement or mental health agencies.
3. Document the incident in writing as soon as feasible.

4. Follow up with the parent/guardian and student in a timely manner to provide referrals to appropriate services as needed.
5. Provide access to counselors or other appropriate personnel to listen to and support students and staff who are directly or indirectly involved with the incident at Voices.
6. Provide an opportunity for all who respond to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

In the event a suicide occurs or is attempted on the Voices campus, the Principal or designee shall follow the crisis intervention procedures contained in Voices safety plan. After consultation with the Principal or designee and the student's parent/guardian about facts that may be divulged in accordance with the laws governing confidentiality of student record information, the Principal or designee may provide students, parents/guardians, and staff with information, counseling, and/or referrals to community agencies as needed. Voices staff may receive assistance from Voices counselors or other mental health professionals in determining how best to discuss the suicide or attempted suicide with students.

Students shall be encouraged through the education program and in Voices activities to notify a teacher, Principal, another Voices administrator, psychologist, Voices counselor, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions.

- **ALWAYS TAKE THREATS OF SUICIDE SERIOUSLY**
- CALL 911 for medical assistance.
- Do not leave suicidal person unattended. Send a runner to inform your immediate supervisor or other responsible person, principal/designee.
- The principal/designee will:
 - Contact the parent/guardian, apprise them of the situation and make recommendations. Put all recommendations in writing to the parent/guardian.
- If the student is known to be currently in counseling, the principal/designee will attempt to inform their treatment provider of what occurred and the actions taken.
- If the parent refuses to cooperate, and there is any doubt regarding the child's safety, the school employee who directly witnessed the threat will pursue a 302 involuntary mental health assessment by calling **Santa Clara County Emergency Services at 408-299-2501** or **Contra Costa County Emergency Services at 925-646-4461** or **San Joaquin County Emergency Services at 209-953-6200** and ask for a delegate. The delegate will listen to concerns and advise on the course of action. If a 302 involuntary mental health assessment is granted, the first-hand witness will need to be the petitioner, with support from the principal/designee.

- If the county delegate authorizes a 302 mental health assessment, then the county will authorize transportation to the assessment. If a school employee should transport the student, then one school employee should drive and another should be seated next to the student. Do not drive the student in personal vehicles. Do not leave the student alone at any time. Depending on the level of the student's distress, the 302 petitioner (the employee who learned firsthand of the threat) may need to travel in a separate vehicle.

Note: If a threat is made during an after-school program, and no school personnel is available, call **Santa Clara County Crisis Emergency Services at 408-299-2501, Contra Costa County Emergency Services at 925-646-4461, San Joaquin County Emergency Services at 209-953-6200 or 1-800-SUICIDE or 1-800-273-TALK** for help. Immediately inform the principal or designee regarding the incident and actions taken.

The law requires that you do only what is reasonable under the circumstances; for example, do not try to remove a gun or other weapon from the person.

Suicidal Act

The first school employee on the scene must call for help from another staff member, locate the individual, and follow school emergency medical procedures, such as calling 911.

- A staff member must notify the principal/designee.
- Staff members should move all other students out of the immediate area and arrange appropriate supervision. Students should not be allowed to observe the scene.
- The principal/designee will involve the Leadership Response Team (LRT) to assist as needed and inform the Network Senior Leadership Team.
 - The Leadership Response Team consists of any of the following people:
 - Principal
 - Business Manager
 - Parent Liaison/Dean of Culture
 - Academic Coach
 - Technology Coordinator
 - Teacher informs the office, "I need the Leadership Response Team (LRT)," either by telephone, AT, or student runner.
 - The office drops everything and the LRT mobilizes.
- The principal/designee will contact the parent/guardian and ask them to come to the school or hospital.
- The principal/designee will call for assistance from the Santa Clara County's on-call crisis response team at 408-279-3312, San Joaquin County Emergency Services at

209-953-6200 or Contra Costa Crisis Center - 800-833-2900

- The principal/designee will document in writing all actions taken and recommendations.
- If the student is known to be currently in counseling, the principal/designee will attempt to inform their treatment provider of what occurred and the actions taken.
- The principal/designee will involve the Leadership Response Team (LRT) for follow-up and support.
- The principal/designee will request written documentation from any treating facilities prior to a student's return to school.
- Staff will promptly follow up with any students or staff who might have witnessed the attempt, and contact their parents/guardians. Staff will provide supportive counseling and document all actions taken. Please refer to [Appendix E](#) for Voices College-Bound Language Academies Self Harm/Suicide Risk Assessment Form.
- Media representatives should be referred to the appropriate school spokesperson [e.g., COO, or CEO]. School staff should make no statements to the media.

Procedure to Handle the Death of a Student

By far, the worst crisis situation is the death of a student. When a student dies, emotional trauma is a natural occurrence for students, faculty, and staff. A student's death, which occurs on campus, particularly as a result of school violence, is admittedly the most extreme case of trauma for the family and the school community. There is no procedure that fits every scenario; each case requires individual attention. Certainly, there is no prescribed method for dealing with such tragedy; however, the following are suggestions for a school's response to death, particularly death that occurs as a result of school violence:

1. After the initial response, administrators and counselors will meet immediately to review what has happened. Responding to the psychological needs of both staff and students as soon as possible is the best prevention for the development of post-traumatic stress.
2. Get as much information as possible from the family and ask their permission to share it with the students, faculty, and staff. Ask if they have any objection to students, faculty, and staff attending the funeral.
3. Relay the information to the students in a factual way, careful to avoid breaching the student's or family's privacy. The school principal and a counselor might consider moving from room to room to tell the students what has happened, as developmentally appropriate. They should tell the truth, allow for expression of feelings, and affirm any expressions or feelings the students have. Students need to be told that they may visit a counselor's office for special assistance if they need to talk.
4. If possible, allow a break after telling the students in order to give them an opportunity to express their grief with other students.
5. Upon returning to school, students should be allowed time to discuss their feelings, talk about the deceased, and discuss memories. Give students, faculty, and staff information about the funeral and allow them to attend, provided the family has

- granted permission.
6. Watch for trouble signs among the students. Be prepared to call in extra counselors if necessary.

Registered Sex Offender Policy

For the protection of students while they are traveling to and from school, attending school, or at a school-related activity, the Governing Board of Voices College-Bound Language Academies (“Voices”) has developed the following policy and procedures to ensure Voices principals and their designees respond appropriately as directed by law enforcement when apprised of information that a registered sex offender resides or works within two (2) miles of a Voices school. [See Registered Sex Offender Policy.](#)

Staff/Student Interaction Policy

Voices Academies recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the most safe and learning conducive environment possible. See [Professional Boundaries: Staff/Student Interaction Policy.](#)

Child Abuse and Neglect Reporting Procedures

California Penal Code section 11166 requires any child care custodian who has knowledge of, or observes, a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse to report the known or suspected instance of child abuse to a child protective agency immediately, or as soon as practically possible, by telephone and to prepare and send a written report thereof within thirty-six (36) hours of receiving the information concerning the incident.

Voices will provide annual training on the mandated reporting requirements, using the online training module provided by the State Department of Social Services, to employees who are mandated reporters. Mandated reporter training will also be provided to employees hired during the course of the school year. This training will include information that failure to report an incident of known or reasonably suspected child abuse or neglect, as required by Penal Code section 11166, is a misdemeanor punishable by up to six (6) months confinement in a county jail, or by a fine of one-thousand dollars (\$1,000), or by both that imprisonment and fine.

All employees required to receive mandated reporter training must provide proof of completing the training within the first six (6) weeks of each school year or within the first six (6) weeks of that employee’s employment.

Harassment, intimidation, discrimination and bullying policy

Title IX, Harassment, Intimidation, Discrimination and Bullying Policy

This Title IX Policy Prohibiting Discrimination on the Basis of Sex (“Policy”) contains the policies and grievance procedures of the Voices College-Bound Language Academies (“Voices” or “Charter School”) to prevent and address sex discrimination, including but not limited to sexual harassment, sex-based hostile environment harassment, discrimination based on pregnancy or related conditions, sex-based discrimination in access to athletics or educational resources, and retaliation against a person who has reported sex discrimination.

Voices does not discriminate on the basis of sex and prohibits any acts of sex discrimination in any education program or activity that it operates, as required by California law, Title IX (20 U.S.C. § 1681 *et seq.*) and the Title IX regulations (34 C.F.R. Part 106), including in admission and employment.¹ Voices will take actions to promptly and effectively end any sex discrimination in its education program or activity, prevent its recurrence, and remedy its effects.

This Policy applies to conduct occurring in Voices’ education programs or activities on or after August 1, 2024 including but not limited to incidents occurring on the school campus, during school-sponsored events and activities regardless of the location, and through school-owned technology, whether perpetrated by a student, parent/guardian, employee, volunteer, independent contractor or other person with whom Voices does business.

Inquiries about the application of Title IX and 34 C.F.R. Part 106 (hereinafter collectively referred to as “Title IX”) may be referred to Voices Title IX Coordinator, the Office for Civil Rights of the U.S. Department of Education, or both.

Definitions

Prohibited Sex Discrimination

Title IX and California law prohibit discrimination on the basis of sex, including sex-based harassment and differences in the treatment of similarly situated individuals on the basis of sex with regard to any aspect of services, benefits, or opportunities provided by Voices. Discrimination on the basis of sex includes discrimination on the basis of sex stereotypes, sex characteristics, pregnancy or related conditions, sexual orientation, and gender identity.

Prohibited Sex-Based Harassment

Under Title IX, “sex-based harassment” means conduct on the basis of sex that satisfies one or more of the following:

¹ Voices complies with all applicable state and federal laws and regulations and local ordinances in its investigation of and response to reports and complaints of misconduct prohibited by this Policy.

- Quid pro quo harassment occurs when an employee, agent, or other person authorized by Voices to provide an aid, benefit, or service under Voices' education program or activity explicitly or impliedly conditions the provision of such an aid, benefit, or service on a person's participation in unwelcome sexual conduct.
- Hostile environment harassment is unwelcome sex-based conduct that, based on the totality of the circumstances, is subjectively and objectively offensive and is so severe or pervasive that it limits or denies a person's ability to participate in or benefit from Voices' education program or activity (i.e., creates a hostile environment). Whether a hostile environment has been created is a fact-specific inquiry that includes consideration of the following:
 - The degree to which the conduct affected the complainant's ability to access Voices' education program or activity;
 - The type, frequency, and duration of the conduct;
 - The parties' ages, roles within Voices' education program or activity, previous interactions, and other factors about each party that may be relevant to evaluating the effects of the conduct;
 - The location of the conduct and the context in which the conduct occurred; and
 - Other sex-based harassment in Voices' education program or activity.
- Sexual assault, meaning an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation.
- Dating violence, meaning violence committed by a person:
 - Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
 - Where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - The length of the relationship;
 - The type of relationship; and
 - The frequency of interaction between the persons involved in the relationship.
- Domestic violence, meaning felony or misdemeanor crimes committed by a person who:
 - Is a current or former spouse or intimate partner of the victim under applicable family or domestic violence laws, or a person similarly situated to a spouse of the victim;
 - Is cohabitating, or has cohabitated, with the victim as a spouse or intimate partner;

- Shares a child in common with the victim; or
- Commits acts against a youth or adult victim who is protected from those acts under applicable family or domestic violence laws.
- Stalking, meaning engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
 - Fear for the person's safety or the safety of others; or
 - Suffer substantial emotional distress.

Under California Education Code section 212.5, sexual harassment consists of conduct on the basis of sex, including but not limited to unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct on the basis of sex, regardless of whether or not the conduct is motivated by sexual desire, when: (a) submission to the conduct is explicitly or implicitly made a term or a condition of an individual's employment, education, academic status, or progress; (b) submission to, or rejection of, the conduct by the individual is used as the basis of employment, educational or academic decisions affecting the individual; (c) the conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment; and/or (d) submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through Voices.

Examples of conduct that may fall within the Title IX definition of sex-based harassment, the Education Code definition of sexual harassment, or both:

- Physical assaults of a sexual or sex-based nature, such as:
 - Rape, sexual battery, molestation or attempts to commit these assaults.
 - Intentional physical conduct that is sex-based or sexual in nature, such as touching, pinching, patting, grabbing, brushing against another's body, poking another's body, violence, intentionally blocking normal movement or interfering with work or school because of sex.
- Unwanted sexual advances or propositions, derogatory sex-based comments, or other sex-based conduct, such as:
 - Sexually oriented or sex-based gestures, notices, epithets, slurs, remarks, jokes, or comments about a person's sexuality or sexual experience.
 - Preferential treatment or promises of preferential treatment to an individual for submitting to sexual conduct, including soliciting or attempting to solicit any individual to engage in sexual activity for compensation or reward or deferential treatment for rejecting sexual conduct.
 - Subjecting or threats of subjecting a student or employee to unwelcome sexual attention or conduct or intentionally making the student's or

- employee's performance more difficult because of the student's or the employee's sex.
 - Retaliation against an individual who has articulated a good faith concern about sex-based harassment.
- Sexual or discriminatory displays or publications anywhere in the work or educational environment, such as:
 - a. Displaying pictures, cartoons, posters, calendars, graffiti, objections, promotional materials, reading materials, or other materials that are sexually suggestive, sexually demeaning or pornographic or bringing or possessing any such material to read, display or view in the work or educational environment.
 - b. Reading publicly or otherwise publicizing in the work or educational environment materials that are in any way sexually revealing, sexually suggestive, sexually demeaning or pornographic.
 - c. Displaying signs or other materials purporting to segregate an individual by sex in an area of the work or educational environment (other than restrooms or similar rooms).

The illustrations above are not to be construed as an all-inclusive list of sex-based harassment acts prohibited under this Policy.

Complainant means a student or employee who is alleged to have been subjected to conduct that could constitute sex-based discrimination, or a person other than a student or employee who is alleged to have been subjected to conduct that could constitute sex discrimination and who was participating or attempting to participate in Voices' education program or activity at the time of the alleged sex discrimination. Complaints may also be made by: (1) a parent, guardian, or other authorized legal representative with the legal right to act on behalf of a complainant; or (2) Voices' Title IX Coordinator. For complaints of sex discrimination other than sex-based harassment, complaints can also be made by any student, employee, or other person who was participating or attempting to participate in Voices' education program or activity at the time of the alleged sex discrimination.

Complaint means an oral or written request to Voices that objectively can be understood as a request for Voices to investigate and make a determination about alleged sex discrimination.

Confidential Employee means an employee of Voices whose communications are privileged or confidential under Federal or State law (e.g., a licensed therapist or psychologist, etc.) or an employee whom Voices has designated as confidential under Title IX for the purpose of providing services to persons related to sex discrimination.

Party means a complainant or respondent.

Respondent means a person who is alleged to have violated Voices' prohibition on sex discrimination.

Supportive Measures are individualized measures offered as appropriate, as reasonably available, without unreasonably burdening a complainant or respondent, not for punitive or disciplinary reasons, and without fee or charge to a party to (1) restore or preserve that party's access to Voices' education program or activity, including measures that are designed to protect the safety of the parties or Voices' educational environment; or (2) provide support during Voices' grievance procedures or during an informal resolution process.

Title IX Coordinator

The Board of Directors of Voices ("Board") has designated the following employee as the Title IX Coordinator ("Coordinator"):

Armando Arteaga
Director
6840 Via del Oro #205, San Jose, CA 95119
arteaga@voicescharterschool.com
(408) 791-1609

In the event the above-named individual becomes unavailable or unable to serve as the Coordinator, the Board has designated the following employee to serve as a temporary or interim Coordinator until a new Coordinator is designated:

Deanna Flores
Chief
6840 Via del Oro #205, San Jose, CA 95119
dflores@voicescharterschool.com
(408) 791-1609

The Coordinator is responsible for coordinating Voices' efforts to comply with the requirements of Title IX, receiving reports and complaints of sex discrimination and inquiries about the application of Title IX, addressing reports and complaints of sex discrimination and taking other actions as required by this Policy, monitoring for barriers to reporting conduct that reasonably may constitute sex discrimination, and taking steps reasonably calculated to address such barriers.

The Coordinator may serve as an investigator and/or decisionmaker for complaints, except in cases where doing so would constitute a conflict of interest. The Coordinator may delegate one or more of their duties to one or more designees who have received the required Title IX training and do not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. However, the Coordinator must at all times retain ultimate oversight over those responsibilities and ensure Voices' consistent compliance with Title IX.

Reporting Sex Discrimination

All employees who are not a confidential employee must promptly notify the Coordinator when the employee has information about conduct that reasonably may constitute sex discrimination under Title IX. This requirement does not apply to an employee when the employee is the person who was subjected to the conduct that reasonably may constitute sex discrimination.

Students are expected to report all incidents of misconduct prohibited by this Policy. Any student who feels they are a target of such behavior should immediately contact a teacher, counselor, the Executive Director, Coordinator, a staff person or a family member so that the student can get assistance in resolving the issue in a manner that is consistent with this Policy.

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights. Civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders may also be available to complainants.

While submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. Voices will promptly and effectively investigate and respond to all oral and written complaints and reports of misconduct prohibited by this Policy. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

Privacy

Voices acknowledges and respects every individual's right to privacy. All reports and complaints shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to the greatest extent possible. This includes but is not limited to keeping the identity of the reporter and other personally identifiable information confidential, as appropriate, except to the extent necessary to comply with the law, carry out the investigation and/or to resolve the issue, as determined by the Coordinator or designee on a case-by-case basis.

Retaliation

Voices prohibits any form of retaliation against any individual who files a report or complaint, testifies, assists, participates, or refuses to participate in any investigation or proceeding related to misconduct prohibited by this Policy. Such participation or lack of participation shall not in any way affect the status, grades, or work assignments of the individual. Individuals alleging retaliation in violation of this Policy may file a complaint in accordance with the grievance procedures set forth in this Policy.

Nothing in this Policy precludes Voices from requiring an employee or other person authorized by Voices to provide aid, benefit, or service under Voices' education program or activity to participate as a witness in, or otherwise assist with, an investigation or proceeding under this Policy.

Confidential Employees

Contact information for the confidential employees at Voices, if any, can be found on the Voices' website or obtained from the Coordinator.

A confidential employee's status as confidential, for Title IX purposes, is only with respect to information received while the employee is functioning within the scope of their duties to which privilege or confidentiality applies or with respect to information received about sex discrimination in connection with providing services to persons related to sex discrimination.

A confidential employee must explain the following to any person who informs them of conduct that reasonably may constitute sex discrimination under Title IX:

- The employee's status as confidential for purposes of Title IX, including the circumstances in which the employee is not required to notify the Coordinator about conduct that reasonably may constitute sex discrimination;
- How to contact the Coordinator and how to make a complaint of sex discrimination; and
- That the Coordinator may be able to offer and coordinate supportive measures, as well as initiate an informal resolution process or an investigation under the grievance procedures.

Coordinator's Response to Reports of Sex Discrimination

When notified of conduct that reasonably may constitute sex discrimination, the Coordinator or designee must:

- Treat complainants and respondents equitably;
- Promptly offer and coordinate supportive measures, as appropriate, for the complainant;
- If grievance procedures are initiated or an informal resolution process is offered; offer and coordinate supportive measures, as appropriate, for the respondent; and
- Notify the complainant or, if the complainant is unknown, the reporting individual, of the grievance procedures and informal resolution process, if available and appropriate. If a complaint is made, the Coordinator will notify the respondent of the same.

In response to a complaint, the Coordinator will initiate the grievance procedures, or the informal resolution process if available, appropriate, and requested by all parties. In the absence of a complaint or the withdrawal of any or all of the allegations in a complaint, and in the absence or termination of an informal resolution process, the Coordinator must determine whether to initiate a complaint by considering, at a minimum:

- Complainant's request not to proceed with a complaint and the complainant's reasonable safety concerns;
- Risk that additional acts of sex-based discrimination would occur if a complaint is not initiated;

- Severity of the alleged conduct, including whether the discrimination, if established, would require removal or discipline of a respondent to end the discrimination and prevent its recurrence;
- The age and relationship of the parties, including whether the respondent is an employee;
- The scope of the alleged conduct including but not limited to whether there is a pattern, ongoing conduct, or impact to multiple individuals;
- The availability of evidence and the complainant's willingness to participate in the grievance procedures; and
- Whether Voices could end the alleged sex discrimination and prevent its recurrence without initiating its grievance procedures.

The Coordinator may initiate a complaint if the conduct as alleged presents an imminent and serious threat to the health or safety of the complainant or other person, or prevents Voices from ensuring equal access on the basis of sex to its education program or activity. The Coordinator or designee must notify the complainant before initiating a complaint and appropriately address reasonable safety concerns, including by providing supportive measures.

The Coordinator will take other appropriate prompt and effective steps to ensure that sex discrimination does not continue or recur within Voices' education program or activity.

Supportive Measures

Once notified of conduct that reasonably may constitute sex discrimination under Title IX, the Coordinator or designee will promptly contact the complainant to offer and coordinate supportive measures, as appropriate, for the complainant. If the grievance procedures are initiated or informal resolution is offered, the Coordinator or designee will offer and coordinate supportive measures, as appropriate, for the respondent.

Supportive measures may include but are not limited to: counseling; extensions of deadlines and other course-related adjustments; campus escort services; increased security and monitoring of certain areas of the campus; restrictions on contact applied to one or more parties; leaves of absence; changes in class, work, housing, or extracurricular or any other activity, regardless of whether there is or is not a comparable alternative; and training and education programs related to sex-based harassment.

Supportive measures must not unreasonably burden either party or be imposed for punitive or disciplinary reasons. Supportive measures will be designed to protect the safety of the parties or Voices' educational environment, or to provide support during the grievance procedures or the informal resolution process.

Parties may contact the Coordinator to discuss modification of any supportive measures. Parties also have the opportunity to seek modification or termination of a supportive measure applicable to them if circumstances change materially.

If the party is not satisfied with the Coordinator's decision on the request to modify supportive measures, the party may contact the Chief Executive Officer via email at aldoramirez@voicescharterschool.com, who is an appropriate and impartial employee or who may designate such an employee, to seek modification or reversal of Voices' decision to provide, deny, modify, or terminate supportive measures applicable to them. The impartial employee is someone other than the Coordinator who made the challenged decision and has the authority to modify or reverse the decision.

If a party is a student with a disability, the Coordinator must consult with one or more members of the student's IEP Team and 504 Team, if any, in the implementation of supportive measures for that student.

Informal Resolution

At any time prior to determining whether sex discrimination occurred under Voices' Title IX grievance procedures, Voices may offer an informal resolution process to the parties. Voices does not offer or facilitate informal resolution to resolve a complaint that includes allegations that an employee engaged in sex-based harassment of an elementary school or secondary school student, or when such a process would conflict with Federal, State, or local law.

Before initiation of the informal resolution process, the parties will be provided with notice that explains:

- o The allegations;
- o The requirements of the informal resolution process;
- o The right to withdraw and initiate or resume the grievance procedures;
- o That the parties' agreement to a resolution at the conclusion of the informal resolution process precludes the parties' use of the grievance procedures arising from the same allegations;
- o The potential terms that may be requested or offered in an informal resolution agreement (e.g., restrictions on contact and participation in activities or events) including notice that an informal resolution agreement is binding only on the parties; and
- o What information is retained and whether and how it may be disclosed by Voices for use in grievance procedures if the grievance procedures are initiated or resumed.

Parties will not be required or pressured to agree to participate in the informal resolution process. Voices will obtain the parties' voluntary consent to participate in the informal resolution process. Parties may end the informal resolution process and proceed with the grievance procedures at any time.

The facilitator of the informal resolution process will not be the same person as the investigator or the decisionmaker in the grievance procedures. The facilitator cannot have a

conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. The Coordinator will take appropriate prompt and effective steps to ensure sex discrimination does not continue or recur.

Grievance Procedures

Scope and General Requirements

Voices has adopted these grievance procedures to provide for the prompt and equitable resolution of complaints of made by students, employees, or other individuals who are participating or attempting to participate in Voices' education program or activity, or by the Title IX Coordinator, alleging any action that would be prohibited by Title IX. Upon receipt of a complaint, the Coordinator or designee will promptly initiate these grievance procedures, or the informal resolution process if available, appropriate, and requested by all parties.

Voices requires that any Title IX Coordinator, investigator, or decisionmaker not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. A decisionmaker may be the same person as the Coordinator or investigator.

Voices will treat complainants and respondents equitably. Voices presumes that the respondent is not responsible for the alleged sex discrimination until a determination is made at the conclusion of its grievance procedures.

Voices may consolidate complaints of sex discrimination against more than one respondent, or by more than one complainant against one or more respondents, or by one party against another party, when the allegations of sex discrimination arise out of the same facts or circumstances.

Voices allows for the reasonable extension of timeframes on a case-by-case basis for good cause with notice to the parties that includes the reason for the delay. Requests for extensions must be submitted to the Coordinator in writing at least one (1) business day before the expiration of the timeframe. If a timeframe is extended, the Coordinator or designee will notify the parties of the new timeframe and the reason for the delay.

Voices will take reasonable steps to protect the privacy of the parties and witnesses during its grievance procedures. These steps will not restrict the ability of the parties to obtain and present evidence, including by speaking to witnesses; consult with their family members, confidential resources, or advisors; or otherwise prepare for or participate in the grievance procedures. The parties shall not engage in retaliation, including against witnesses.

Voices will objectively evaluate all evidence that is relevant and not otherwise impermissible—including both inculpatory and exculpatory evidence.² Credibility determinations will not be based on a person’s status as a complainant, respondent, or witness.

If a party is a student with a disability, the Coordinator or designee must consult with one or more members, as appropriate, of the student’s IEP Team and 504 Team, if any, to determine how to comply with the requirements of the Individuals with Disabilities Education Act (“IDEA”) and Section 504 of the Rehabilitation Act of 1973 (“Section 504”) throughout the grievance procedures.

Dismissal

In most cases, Voices will determine whether a complaint is dismissed within fifteen (15) business days of receipt of the complaint.

Voices may dismiss a complaint if:

- Voices is unable to identify the respondent after taking reasonable steps to do so;
- The respondent is not participating in Voices’ education program or activity and is not employed by Voices;
- The complainant voluntarily withdraws any or all of the allegations in the complaint, the Coordinator declines to initiate a complaint, and Voices determines that, without the complainant’s withdrawn allegations, the conduct that remains alleged in the complaint, if any, would not constitute sex discrimination under Title IX even if proven; or
- Voices determines the conduct alleged in the complaint, even if proven, would not constitute sex discrimination under Title IX. Prior to dismissing the complaint on this ground, Voices will make reasonable efforts to clarify the allegations with the complainant.

Upon dismissal, the Coordinator or designee must promptly notify the complainant in writing of the basis for the dismissal and the complainant’s right to appeal the dismissal on the following grounds within five (5) business days of the dismissal notice:

- Procedural irregularity that would change the outcome;
- New evidence that would change the outcome and that was not reasonably available when the determination whether sex-based harassment occurred or dismissal was made; and
- The Coordinator, investigator, or decisionmaker had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that would change the outcome.

² Inculpatory means tending to impute guilt or fault, and exculpatory means tending to absolve from guilt or fault.

If the dismissal occurs after the respondent has been notified of the allegations, then the Coordinator or designee must also simultaneously notify the respondent in writing of the dismissal, the basis for the dismissal, and the respondent's right to appeal the dismissal on the above grounds within five (5) business days of the dismissal notice.

If the complaint is dismissed, the Coordinator or designee will offer supportive measures to the complainant, as appropriate. The Coordinator or designee will also offer supportive measures to the respondent, as appropriate, if the respondent has been notified of the allegations. The Coordinator will continue to take appropriate prompt and effective steps to ensure that sex discrimination does not continue or recur. Dismissal does not preclude action under another applicable Voices policy.

Appeal of a Dismissal

If a dismissal is timely appealed in accordance with this Policy, the Coordinator or designee will promptly notify the parties in writing of the appeal, including notice of the allegations if such notice was not previously provided to the respondent, the contact information for the decisionmaker for the appeal, and the parties' right to submit a statement to the decisionmaker of the appeal in support of, or challenging, the outcome within five (5) business days of the appeal notice.

The decisionmaker for the appeal will be someone who has received the required Title IX training and did not take part in an investigation of the allegations or dismissal of the complaint. The appeal procedures will be implemented equally for the parties. Within fifteen (15) business days of the appeal notice to the parties, the decisionmaker will notify the parties in writing of the result of the appeal and the rationale for the result.

Notice of the Allegations

Upon initiation of the grievance procedures, the Coordinator or designee will provide notice of the allegations to the parties whose identities are known. The notice will include:

- Voices' grievance procedures and any informal resolution process;
- Sufficient information available at the time to allow the parties to respond to the allegations. Sufficient information includes the identities of the parties involved in the incident(s), the conduct alleged to constitute sex discrimination under Title IX, and the date(s) and location(s) of the alleged incident(s), to the extent that information is available to Voices;
- A statement that retaliation is prohibited; and
- A statement that the parties are entitled to an equal opportunity to access the relevant and not otherwise impermissible evidence or an accurate description of this evidence; and if Voices provides a description of the evidence, the parties are entitled to an equal opportunity to access to the relevant and not otherwise impermissible evidence upon the request of any party.

Emergency Removal

Voices may place a non-student employee respondent on administrative leave during the pendency of the grievance procedures in accordance with Voices' policies.

Voices may remove a respondent from Voices' education program or activity on an emergency basis, in accordance with Voices' policies, provided that Voices undertakes an individualized safety and risk analysis, determines that an imminent and serious threat to the health or safety of any person arising from the allegations of sex discrimination justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.

This provision must not be construed to modify any rights under the IDEA, Section 504, or the ADA.

Investigation

Investigations of complaints will be adequate, reliable, and impartial. In most cases, a thorough investigation will take no more than twenty-five (25) business days. Voices has the burden to conduct an investigation that gathers sufficient evidence to determine whether sex discrimination occurred. The investigator will review all evidence gathered through the investigation and determine what evidence is relevant and what evidence is impermissible regardless of relevance in accordance with Title IX.

The following types of evidence, and questions seeking that evidence, are impermissible (i.e., will not be used, accessed or considered, except by Voices to determine whether one of the exceptions listed below applies, and will not be disclosed), regardless of whether they are relevant:

- Evidence that is protected under a privilege recognized by Federal or State law or evidence provided to a confidential employee, unless the person to whom the privilege or confidentiality is owed has voluntarily waived the privilege or confidentiality;
- A party's or witness's records that are made or maintained by a physician, psychologist, or other recognized professional or paraprofessional in connection with the provision of treatment to the party or witness, unless Voices obtains that party's or witness's voluntary, written consent for use in the grievance procedures; and
- Evidence that relates to the complainant's sexual interests or prior sexual conduct, unless evidence about the complainant's prior sexual conduct is offered to prove that someone other than the respondent committed the alleged conduct or is evidence about specific incidents of the complainant's prior sexual conduct with the respondent that is offered to prove consent to the alleged sex-based harassment. The fact of prior consensual sexual conduct between the complainant and respondent does not by itself demonstrate or imply the complainant's consent to the alleged sex-based harassment or preclude determination that sex-based harassment occurred.

The parties will have an equal opportunity to present fact witnesses and other inculpatory and exculpatory evidence that is relevant and not otherwise impermissible and to access such evidence. The parties may submit a written response to the investigator within five (5) business days of being provided with access to the evidence or an accurate description of it.

The parties timely submitted written responses, if any, will be considered by the investigator and decision maker before a determination of responsibility is made.

Voices will take reasonable steps to prevent and address any unauthorized disclosure of information or evidence by the parties.

Determination of Responsibility

Before making a determination of responsibility, the decisionmaker may question parties and witnesses to adequately assess a party's or witness's credibility to the extent credibility is in dispute and relevant to evaluating one or more allegations of sex discrimination.

Determinations will be based on an objective evaluation of all relevant and not otherwise impermissible evidence and credibility determinations will not be based on a person's status as a complainant, respondent, or witness. The standard of evidence used to determine responsibility is the preponderance of the evidence standard.

Within fifteen (15) business days of the expiration of the timeframe for the parties to submit a written response to the evidence or an accurate description of it, the decisionmaker will notify the parties in writing of the determination whether sex discrimination occurred including the rationale for such determination, and the procedures and permissible bases for the complainant and respondent to appeal.

Appeal of the Determination of Responsibility

Should a party find Voices' determination unsatisfactory, the party may, within five (5) business days of notice of Voices' determination, submit a written appeal to the Chair of the Voices Board, who will serve as the decision maker for the appeal or designate a decisionmaker for the appeal. The decision maker for the appeal must not have taken part in the investigation of the allegations.

The decision maker for the appeal will: 1) notify the other party of the appeal in writing; 2) implement appeal procedures equally for the parties; 3) allow the parties to submit a written statement in support of, or challenging, the outcome within five (5) business days of the appeal or notice of the appeal; and 4) within fifteen (15) business days of the appeal, issue a written decision to the parties describing the result of the appeal and the rationale for the result.

Consequences

Students or employees who engage in misconduct prohibited by this Policy may be subject to disciplinary action up to and including expulsion from Voices or termination of employment. If there is a determination that sex discrimination occurred, the Coordinator or designee will coordinate the provision and implementation of any remedies and/or disciplinary sanctions ordered by Voices including notification to the complainant of any such disciplinary sanctions. The Coordinator will take appropriate prompt and effective

steps to ensure that sex discrimination does not continue or recur within Voices' education program or activity.

No party, witness, or other person participating in Voices' grievance procedures will be disciplined for making a false statement or for engaging in consensual sexual conduct based solely on Voices' determination whether sex discrimination occurred.

Student Pregnancy and Related Conditions

Voices will not discriminate against any student or applicant based on their current, potential, or past pregnancy or related conditions. For more information about policies and procedures applicable to employees who are pregnant or have a related condition, please refer to the Voices employee handbook.

When a student, or a person who can legally act on behalf of the student, informs any employee of the student's pregnancy or related condition, unless the employee reasonably believes that the Coordinator has already been notified, the employee must promptly:

- Provide that person with the Coordinator's contact information; and
- Inform that person that the Coordinator can coordinate specific actions to prevent sex discrimination and ensure the student's equal access to Voices' education programs and activities.

If a student, or a person who has a legal right to act on behalf of the student, notifies the Coordinator of the student's pregnancy or related condition, the Coordinator or designee must promptly:

- Inform the student, and if applicable, the person who notified the Coordinator of the student's pregnancy or related conditions and has a legal right to act on behalf of the student, of Voices' obligations under:
 - 34 C.F.R. § 106.40(b)(1) through (5), which relates to the rights of students who are pregnant or have a related condition; and
 - 34 C.F.R. § 106.44(j), which includes rules on disclosures of personal information;
- Provide Voices' Title IX notice of nondiscrimination; and
- Consult with the student about potential reasonable modifications to policies, practices, or procedures as necessary to prevent sex discrimination and ensure equal access, and if the student accepts an offered reasonable modification, implement the modification.

A student who is pregnant or has a related condition will be provided with a lactation space other than a bathroom, that is clean, shielded from view, free from intrusion from others, and may be used for expressing breast milk or breastfeeding as needed.

A student who is pregnant or has a related condition may voluntarily take a leave of absence for the time deemed medically necessary by the student's licensed healthcare provider, or if the student so chooses, the time allowed under any Voices leave policy for which the student

qualifies. A pregnant or parenting student is entitled to eight weeks of parental leave, which the student may take before the birth of the student's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction, in order to protect the health of the student who gives or expects to give birth and the infant, and to allow the pregnant or parenting student to care for and bond with the infant.

Upon the student's return from leave, the student will be reinstated to the academic status, and, as practicable, to the extracurricular status that the student held when the leave began. The student will not be required to provide any kind of certification demonstrating their ability to physically participate in any class, program, or extracurricular activity unless:

- The certified level of physical ability or health is necessary for participation in the class, program, or extracurricular activity;
- Such certification is required of all students participating in the class, program, or extracurricular activity; and
- The information obtained is not used as a basis for sex discrimination.

Students who are pregnant or have a related condition will not be required to provide supporting documentation unless necessary and reasonable to determine reasonable modifications or additional actions related to lactation space, leaves of absence, or voluntary access to any available separate and comparable portion of the program.

Training

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All employees, Coordinators and designees, investigators, decisionmakers, and other persons who are responsible for implementing Voices' grievance procedures or have the authority to modify or terminate supportive measures will receive Title IX and sexual harassment training and/or instruction concerning sexual harassment as required by law.

Recordkeeping

Voices will maintain the following records for at least seven (7) years:

- For each complaint of sex discrimination, records documenting the informal resolution process or the grievance procedures, and the resulting outcome.
- For each notification the Coordinator receives of information about conduct that reasonably may constitute sex discrimination, records documenting the actions Voices took to meet its obligations under 34 C.F.R. § 106.44.
- All materials used to provide required Title IX training. Voices will make these training materials available upon request for inspection by members of the public.

The above records will be maintained in a secure location until destroyed in accordance with applicable laws and regulations.

Purpose

To provide students with access to an environment that is safe, secure and conducive to learning. This policy provides guidelines for staff and students to follow for the purpose of providing all students with an environment that is focused on learning. See [Title IX Policy Prohibiting Discrimination on the Basis of Sex](#) and [Harassment, Intimidation, Discrimination and Bullying Policy](#).

When an emergency situation occurs, contact the school office staff immediately so that they may determine what type of response is necessary.

Exposure Control Plan For Bloodborne Pathogens

The Principal or designee, shall meet state and federal standards for dealing with bloodborne pathogens and other potentially infectious materials in the workplace. The Principal, or designee, shall establish a written "Exposure Control Plan" designed to protect employees from possible infection due to contact with bloodborne viruses, including human immunodeficiency virus (HIV) and hepatitis B virus (HBV).

The Board shall determine which employees have occupational exposure to bloodborne pathogens and other potentially infectious materials. In accordance with the Charter School's "Exposure Control Plan," employees having occupational exposure shall be trained in accordance with applicable state regulations (8 CCR 5193) and offered the hepatitis B vaccination.

The Principal, or designee, may exempt designated first-aid providers from pre-exposure hepatitis B vaccination under the conditions specified by state regulations.

Any employee not identified as having occupational exposure in the Charter School's exposure determination may petition to be included in the Charter School's employee in-service training and hepatitis B vaccination program. Any such petition should be submitted to the Principal, or designee, who shall evaluate the request and notify the petitioners of his/her decision. The Principal, or designee, may deny a request when there is no reasonable anticipation of contact with infectious material.

Medical Emergency Procedures

Medical Emergency Reporting Procedure. Medical emergencies and accidents can occur at any time and may involve a student or employee. Some emergencies may only require first aid care, while

others may require immediate medical attention. When in doubt, it is better to err on the side of caution and dial 911.

1. Medical emergencies involving any student or employee must be reported to the school principal, or his/her designee.
2. Dial 911 or direct someone to do so, provide the following information
 - a. School name and phone number
 - b. Building address including nearest cross street(s)
 - c. Exact location within the building
 - d. Your name and phone number
 - e. Nature of the emergency
 - f. Do not hang up until advised to do so by dispatcher
3. Send a runner to notify the school office that an individual has been injured and an ambulance has been called.
4. Ask someone to dispatch a first aid/CPR trained employee to the victim.
5. Stay calm. Keep the victim warm with a coat or blanket. Do not leave a person unattended.
6. Do not move the victim unless there is danger of further injury.
7. Do not give the victim anything to eat or drink.
8. Draft a written incident report and submit it to the School principal, or his/her designee, before the end of the next workday. See [Appendix C](#) for Student/Employee Minor Incident/Accident Report.

Medical Emergency General Guidelines

For minor accidents, use a first aid kit in the classroom.

If a child complains of **illness**, question him/her to determine severity.

1. For minor illness, have the child rest head on desk for 10 to 15 minutes. If he/she still complains, send him/her with a note to the front office (or call the office for escort).
2. If a student is too ill to walk to the office, call the front office for immediate help and explain the severity of the situation.

If a child has **convulsions**:

1. Keep calm
2. Attempt to ease him/her to the floor so he/she will not fall and injure him/herself
3. Turn his/her head to one side so his/her tongue will not block his/her airway
4. Do not attempt to insert anything in his/her mouth
5. Send someone to the office or call the office for assistance

Chemical Burns of skin or eyes should be flushed with large quantities of water at the nearest source. Then send or call the office.

Insect Bites:

1. Remove stinger if possible.
2. Apply cold, wet towel
3. Send to the office if systemic symptoms occur (labored breathing, swelling of the entire body, etc.)

If a **Tooth is displaced** by traumatic injury, wrap the tooth in moist gauze. Send an injured child to the office. Office needs to call parent immediately.

Playground Accidents:

1. Render first aid on the playground if necessary
2. If the child is mobile, take them to office
3. If a stretcher is needed, call 911

In addition, the Red Cross offers the following guidelines:

RESCUE BREATHING	<ul style="list-style-type: none"> ● Tap shoulder and shout, “Are you ok?” ● Call 911 if no response ● Open airway: tilt head back slightly, lift chin ● Check for breathing: check quickly for no more than 10 seconds ● If no breathing, give 2 rescue breaths <ul style="list-style-type: none"> ○ Tilt head back and lift the chin up ○ Pinch the nose shut, then make a complete seal of child’s mouth ○ Blow in for about 1 second to make the chest clearly rise ○ Give rescue breaths one after the other <p>Rescue breathing count:</p> <p>Adult: 1 breath every 5 seconds</p> <p>Child: 1 breath every 3 seconds</p> <p>Infant: 1 breath every 3 seconds</p>

Severe Allergic Reaction (Anaphylaxis)

Anaphylaxis is a severe and sudden allergic reaction. It occurs when a person is exposed to an allergen to which they are sensitive. The most common allergens or trigger substances that may cause anaphylaxis in school-aged children are:

- peanuts
- tree nuts
- fish
- shellfish
- egg
- cow's milk
- sesame
- soy
- insect stings
- latex
- certain medications. Note that the school may only administer medication upon the receipt of parent and physician authorization. See [Appendix E](#) for the Medication

Doctor & Parent Authorization form.

Anaphylaxis is potentially life threatening and always requires an emergency response.

It is therefore critical that school staff, parents and caregivers are confident about the management and treatment of students who have been diagnosed by a medical practitioner as being anaphylactic or potentially anaphylactic.

Symptoms and signs of anaphylaxis

The symptoms and signs of anaphylaxis, usually but not always, occur within the first 20 minutes after exposure but in some cases can be delayed up to 2 hours or more. Rapid onset and development of potentially life-threatening clinical effects are characteristic markers of anaphylaxis.

Symptoms and signs of anaphylaxis (a severe allergic reaction) may include one or more of the following:

- Difficulty and/or noisy breathing
- Swelling of the tongue
- Swelling or tightness in the throat
- Difficulty talking or hoarse voice
- Wheeze or persistent cough
- Dizzy/light headed
- Loss of consciousness and/or collapse
- Pale and floppy (young child)

Symptoms and signs of a mild to moderate allergic reaction may include one or more of the following:

- Tingling of the mouth
- Hives, welts or body redness
- Swelling of the face, lips, eyes
- Vomiting, abdominal pain

Emergency treatment procedures – Immediate Reaction Required

For students WITH an Action Plan for Anaphylaxis

- Follow emergency response plan as outlined in a student’s Severe Allergy Medical

Management Plan

- If Action Plan indicates the use of an Epinephrine auto injector (EpiPen), trained staff shall administer the EpiPen
- Seek urgent medical assistance – call an ambulance (tell the dispatcher that the medical condition is anaphylaxis or a severe allergy)
- If unconscious and no pulse is evident, commence CardioPulmonary Resuscitation (CPR) and continue until ambulance arrives
- Contact parents/caregivers
- Maintain airway, breathing and circulation at all times
- Maintain close observation for possible relapse while waiting for ambulance or medical assistance.

For students WITHOUT Severe Allergy Medical Management Plan

California Education Code (EC) Section 49414, as amended by Senate Bill 1266, effective January 1, 2015,⁵ requires school districts to provide emergency epinephrine auto-injectors to school nurses or trained personnel who have volunteered, and provides that school nurses or trained personnel who have volunteered may use epinephrine auto-injectors to provide emergency medical aid to persons suffering or reasonably believed to be suffering from an anaphylactic reaction.⁶

Severe allergic reactions or anaphylaxis can occur when there is no history of known allergies. This situation should be treated as an emergency. Under these circumstances there will be no Action Plan. Recognition of the symptoms and/or signs as being anaphylactic may also be a problem. The following steps should be followed:

- A trained staff member or volunteer shall administer the Epinephrine Auto-Injector (EpiPen)
- Seek urgent medical assistance – call an ambulance (if suspected, tell the dispatcher that the medical condition is anaphylaxis or a severe allergy)
- Lay the person flat and elevate the legs if the person is dizzy or seems confused or has a reduced level of consciousness, unless this makes it more difficult for the person to breathe
- Follow standard resuscitation measures if there is no pulse, no breathing or loss of consciousness – if oxygen is available give at a high flow rate.
- Contact parents/caregivers
- Maintain airway, breathing and circulation at all times
- Maintain close observation for possible relapse while waiting for ambulance or medical assistance.

Severe Allergy Medical Management Plan

Steps in the Emergency Use of an Epinephrine Auto-Injector (EpiPen):

1. Determine if anaphylaxis is suspected. Anaphylaxis usually, but not always, occurs right after exposure to an allergen. Frequently anaphylaxis occurs in individuals who have a history of a previous reaction. If there is uncertainty about the diagnosis, but there is a reasonable probability that it is anaphylaxis, then treat it as anaphylaxis.
2. **If anaphylaxis symptoms occur, call 911 or activate the emergency medical system (EMS). Stay with the victim.** Have others notify the paramedics, school nurse, parents and principal/designee immediately.
3. Have the victim sit down. Reassure the victim and avoid moving him or her. Calming reduces the distribution of the allergen in the body.
4. **Prepare to administer EpiPen.**
 - a. For students in second grade or below, or if less than 55 lbs, use **White label** EpiPen Jr (0.15 mg)
 - b. For adults and students in third grade or above, or if more than 55 lbs, use **Yellow label** EpiPen (0.30 mg). The EpiPen acts immediately; however the effects last only 10 -15 minutes. *Make sure someone has called 911.*
5. EpiPen Administration Procedure:

Grasp the EpiPen and form a fist around the unit. With the other hand, pull off the GRAY Safety Cap.

- a. **Hold the black tip near the outer thigh. Never put your thumb, fingers, or hand over the black tip.** (If an accidental injection occurs, go immediately to the nearest hospital emergency room.)
- b. **Swing and jab the black tip firmly into the OUTER BARE THIGH so that the auto-injector is perpendicular (at a 90° angle) to the thigh. You will hear a click.** (The EpiPen can be injected through the victim's clothing, if necessary.)
- c. **Hold the EpiPen firmly in place for 10 seconds, and then remove it from the thigh.** (After the injection, the victim may feel his or her heart pounding. This is a normal reaction.)
- d. **Remove the EpiPen and massage the injection area for several seconds.**
- e. **Check the black tip:**
 - If the needle is exposed, the dose has been delivered
 - If the needle is not exposed, repeat steps b through e
- f. **Dispose of the EpiPen in a "sharps" container or give the expanded EpiPen to the paramedics.**
- g. **Call 911, if not previously called.**
6. If the anaphylactic reaction is due to an insect sting, remove the stinger as soon as

possible after administering the EpiPen. Remove stinger quickly by scraping with a fingernail, plastic card or piece of cardboard. Apply an ice pack to the sting area. Do NOT push, pinch, or squeeze, or further imbed the stinger into the skin because such action may cause more venom to be injected into the victim.

7. Observe the victim for signs of shock. Cover the victim with a blanket, as necessary, to maintain body temperature and help to prevent shock.
8. Monitor the victim's airway and breathing. Begin CPR immediately if the victim stops breathing.
9. Take the victim's vital signs (if trained to do so) and record them. Duplicate the emergency card for the paramedics. When paramedics arrive tell them the time EpiPen was administered and the dose administered. If EpiPen has not been disposed of in a sharp's container, give the expanded EpiPen to the paramedics.
10. **If symptoms continue and paramedics do not arrive, use a new EpiPen and re-inject 15 to 20 minutes after initial injection.** Continue to monitor the victim's airway and breathing.
11. Follow-up medical care should be obtained at the emergency room or from the victim's physician. A second delayed reaction may occur up to 6 hours after the initial anaphylaxis.
12. Document the incident and complete the accident/incident report. See [Appendix C](#) for Student/Employee Minor Incident/Accident Report. Include in the documentation the date and time EpiPen was administered, the victim's response, and additional pertinent information. Send a copy of the report to the school nurse.

Quick Reference:

- DO NOT HESITATE to administer Epipen and to call 911 even if the parents cannot be reached.
- Call 911 immediately. 911 must be called if Epipen is administered.
- Advise 911 dispatch that the student is having a severe allergic reaction and Epipen is being administered.
- Students should remain quiet with a staff member at the location where the symptoms began until EMS arrives.
- Provide a copy of the Severe Allergy Plan to EMS upon arrival. See [Appendix G](#) for Severe Allergy Medical Management Plan Signature Page.
- Notify the administrator and parent/guardian.
- Call the CDE's School Health Connections Office at 916-319-0914.

Automated External Defibrillator (AED)

Steps in the Emergency Use of an Automated External Defibrillators (AED) during sudden cardiac arrest.

Before Using the AED

These AED steps should be used when caring for a non-breathing child aged 8 or older who weighs more than 55 pounds, or an adult.

After checking the scene and ensuring that the person needs help, you should ask a bystander to call 911 for help, then:

1. Turn on the AED and follow the visual and/or audio prompts.
2. Open the person's shirt and wipe his or her bare chest dry. If the person is wearing any medication patches, you should use a gloved (if possible) hand to remove the patches before wiping the person's chest.
3. Attach the AED pads, and plug in the connector (if necessary).
4. Make sure no one is, including you, is touching the person. Tell everyone to "stand clear."
5. Push the "analyze" button (if necessary) and allow the AED to analyze the person's heart rhythm.
6. If the AED recommends that you deliver a shock to the person, make sure that no one, including you, is touching the person – and tell everyone to "stand clear." Once clear, press the "shock" button.
7. Begin CPR after delivering the shock. Or, if no shock is advised, begin CPR. Perform 2 minutes (about 5 cycles) of CPR and continue to follow the AED's prompts. If you notice obvious signs of life, discontinue CPR and monitor breathing for any changes in condition.

Resuscitation Orders

School employees are trained and expected to respond to emergency situations without discrimination. If any student needs resuscitation, staff shall make every effort to resuscitate him/her.

Staff members are prohibited from accepting or following any parental or medical "do not resuscitate" orders. School staff should not be placed in the position of determining whether such orders should be followed, and such Advance Directives shall not be communicated to staff. The principal, or designee, shall ensure that all parents/guardians are informed of this policy.

Opioid Overdose Response Protocol

STEP 1: Evaluate for Signs of Overdose.

- a. All employees will be trained to recognize the following signs of an opioid overdose:
 - Unconsciousness or inability to awaken;
 - Slow or shallow breathing or breathing difficulty, such as choking sounds or a gurgling/snoring noise from a person who cannot be awakened; and
 - Fingernails or lips turning blue/purple.
- b. If any person is suspected of suffering an overdose, any employee shall first attempt to stimulate the person by:
 - Calling the person's name;
 - Then, vigorously grinding knuckles into the sternum (breastbone) or rub knuckles on the person's upper lip.
- c. If the person responds, assess whether he or she can maintain responsiveness and breathing.
- d. Continue to monitor the person, including breathing and alertness, and try to keep the person awake and alert.
- e. If unresponsive, call 911, consider providing rescue breathing if the person is not breathing on their own or get help from someone trained in emergency response techniques.

STEP 2: Call 911. Calling 9-1-1 at the appropriate time is an essential step to getting someone with medical expertise to care for the person suspected of experiencing an opioid overdose. If no emergency medical services (EMS) or other trained personnel are on campus, activate the 9-1-1 emergency system immediately. All that needs to be reported is "Someone is unresponsive and not breathing" and then report the specific address and/or description of the location on the campus where the person is located. After relaying this information, follow the dispatcher's instructions. If appropriate, the 911 operator may instruct you to begin CPR and implement rescue breathing, which you may perform or have another responsible and/or trained adult perform. Follow these and all instructions given by 911 operators until emergency responders arrive.

STEP 3: Support the Person's Breathing. Supporting breathing is an important intervention and may be lifesaving on its own. Rescue breathing can be very effective in supporting respiration, and chest compressions can provide ventilatory support. If trained to perform rescue breathing and comfortable doing so, it is recommended that you administer it to someone experiencing opioid overdose symptoms if they are having difficulty breathing. If you are not trained in rescue breathing or are not comfortable administering rescue breathing, call for help from school medical personnel, if any, or

other individuals who may be trained in rescue breathing or other emergency medical response techniques.

- a. Rescue breathing for adults involves the following steps:
 - Be sure the person's airway is clear (check that nothing inside the person's mouth or throat is blocking the airway).
 - Place one hand on the person's chin, tilt the head back, and pinch the nose closed.
 - Place your mouth over the person's mouth to make a seal and give two slow breaths.
 - Watch for the person's chest (but not the stomach) to rise.
 - Follow up with one breath every 5 seconds.
- b. Chest compressions for adults involve the following steps:
 - Place the person on their back.
 - Press hard and fast on the center of the chest.
 - Keep your arms extended.

STEP 4: Assist Emergency Responders. After emergency responders arrive on site, assist them with any requests they may have while tending to the individual experiencing the overdose. Keep other students and unnecessary persons out of the way and make sure the path is clear to the individual needing emergency assistance and back to an ambulance, if necessary. Continue to comply with 911 operator instructions until told to hang up.

DO's and DON'Ts:

DO attend to the person's breathing and cardiovascular support needs by administering oxygen or performing rescue breathing and/or chest compressions.

DO put the person in the "recovery position" on the side, if you must leave the person unattended for any reason.

DO stay with the person and keep them warm.

DON'T slap or forcefully try to stimulate the person; it will only cause further injury. If you cannot wake the person by shouting, rubbing your knuckles on the sternum, or light pinching, the person may be unconscious.

DON'T put the person into a cold bath or shower. This increases the risk of falling, drowning, or going into shock.

DON'T try to make the person vomit drugs that may have been swallowed. Choking or inhaling vomit into lungs can cause a fatal injury.

Emergency Response Plan

The intent of this plan is to clarify school procedures in the case of an emergency. The objectives of our plan are the following:

1. To provide for action which will minimize injuries and loss of life of students and school and emergency personnel if an emergency occurs during school hours;
2. To provide for maximum use of school personnel and school facilities;
3. To ensure the safety and protection of our students and school personnel immediately after a disaster;
4. To arrange for a calm and efficient plan for parents/guardians to retrieve their children from school, should it be necessary, following a disaster.

To meet these objectives, in the event a disaster should occur when children are at school, the following action plan would be implemented.

Initial Response to Emergencies

School personnel are usually first on the scene of an emergency situation within the school. They will normally take charge and remain in charge of the emergency until it is resolved and will transfer command and incident management to the appropriate emergency responder agency with legal authority to assume responsibility. They will seek guidance and direction from local officials and seek technical assistance from state and federal agencies and industry where appropriate. **However, at no time will school officials transfer responsibility for student care.**

When an emergency situation occurs, school personnel must quickly determine what initial response actions are required. Determining the appropriate actions to take is a three-step process:

1. identify the type of emergency;
2. identify the level of emergency; and
3. determine immediate action(s) that may be required. Each of these steps is discussed in the following sections.

Identify Type of Emergency

The first step in responding to an emergency is to determine the *type* of emergency that has occurred. Emergency procedures for the types of emergencies listed below are provided herein.

- Fire on School Grounds
- Earthquake
- Bomb Threat
- Intruder, Hostage Taking, Lockdown

- Severe Weather
- Extended Power Loss
- Poisoning, Chemical Spills, Hazardous Materials
- Biological or Chemical Attack
- Radiation Threat
- Armed Assault on Campus
- Drive-by Shooting
- Air Pollution / Smog
- Fallen Aircraft
- Explosion
- Unlawful Demonstration/Walkout
- Emergency phone numbers can be found at [Appendix H](#).

In identifying the type of emergency, Voices will follow the Homeland Security Advisory Recommendation, as necessary.

Identify Level of Emergency

The second step in responding to an emergency is to determine the *level* of the emergency. For schools, emergency situations can range from a small fire to a major earthquake. To assist schools in classifying emergency situations, a three-tiered rating system is described below.

Level 1 Emergency: A *minor* emergency that is handled by school personnel without assistance from outside agencies, e.g., a temporary power outage, a minor earthquake, or a minor injury in the play yard.

Level 2 Emergency: A *moderate* emergency that requires assistance from outside agencies, such as a fire or a moderate earthquake, or a suspected act of terrorism involving the dispersion of a potentially hazardous material, e.g., “unknown white powder”.

Level 3 Emergency: A *major* emergency event that requires assistance from outside agencies such as a major earthquake, civil disturbance or a large-scale act of terrorism. For Level 3 emergencies, it is important to remember that the response time of outside agencies may be seriously delayed.

Notification Procedures

1. In case of an emergency at any school facility, the flow of information after calling 911, shall be from the school principal to the Voices Team Z office. Information should include the nature of the incident and the impact on the facility, students and staff.
2. In the event of a fire, anyone discovering the fire shall activate the building fire alarm

system. Unless there is a lockdown incident or a shelter in place incident in progress, the building shall be evacuated. In the event that a lockdown or shelter-in-place incident is in progress, the evacuation shall be limited to the area immediately in danger from the fire.

3. In the event the Voices main office is in receipt of information, such as a weather warning that may affect a school within Voices, the information shall be provided to the school principal.

Determine Immediate Response Actions

Once the type and extent of an emergency have been identified, school personnel can determine if an *immediate response action* is required. The principal/designee will be responsible for activating the school emergency operations plan and the initial response. The most common immediate response actions initiated during school emergencies are:

- Duck and Cover
- Shelter-In-Place
- Lockdown
- Evacuate Building
- Off-Site Evacuation
- All Clear

Immediate Response Actions

Duck and Cover

This action is taken to protect students and staff from flying or falling debris.

Description of Action

1. This action is to be taken immediately in case of an earthquake once shaking is perceived by the teachers and staff, even without the initial announcement by the principal.
2. If possible, the principal will make the following announcement on the PA System/Two-way radio . If the PA System/Two-way radio is not available, the principal or designee will use other means of communication, i.e., sending messengers to deliver instructions. The principal should be calm, convey reassuring comments that the situation is under control and give clear directions.

“YOUR ATTENTION PLEASE. AS YOU ARE AWARE, WE ARE EXPERIENCING SOME

SEISMIC ACTIVITY. FOR EVERYONE'S PROTECTION, ALL STUDENTS SHOULD FOLLOW STAFF DUCK AND COVER PROCEDURES, WHICH MEANS YOU SHOULD BE IN A PROTECTED POSITION UNDER A TABLE OR DESK, AWAY FROM WINDOWS AND ANYTHING THAT COULD FALL AND HURT YOU. HOLD THIS POSITION UNTIL THE SHAKING STOPS OR YOU ARE GIVEN FURTHER INSTRUCTIONS."

3. If inside, teachers will instruct students to duck under their desks and cover their heads with their arms and hands.
4. If outside, teachers will instruct students to drop to the ground, place their heads between their knees, and cover their heads with their arms and hands.
5. Teachers and students should move away from windows.

Shelter-in-Place

This action is taken to place and/or keep students indoors in order to provide a greater level of protection from airborne contaminants in outside air. Shelter-in-Place is implemented when there is a need to isolate students and staff from the outdoor environment, and includes the shutdown of classroom and/or building HVAC systems. During Shelter-in-Place, no one should be exposed to the outside air.

The difference between Shelter-in-Place and Lockdown is that the former involves shut down of the HVAC systems, and allows for the free movement of students within the building. However, classes in bungalows and buildings with exterior passageways will have to remain in the classroom.

Description of Action

1. The principal will make the following announcement on the PA System/Two-way radio . If the PA System/Two-way radio is not available, the principal will use other means of communication, i.e., sending messengers to deliver instructions, phone, text, etc. The principal should be calm, convey reassuring comments that the situation is under control and give clear directions.

"YOUR ATTENTION PLEASE. BECAUSE WE HAVE RECEIVED INFORMATION REGARDING A HAZARD IN THE COMMUNITY, WE ARE INSTITUTING SHELTER-IN-PLACE PROCEDURES. REMEMBER, THIS MEANS STUDENTS AND STAFF ARE TO REMAIN INSIDE THE BUILDING AWAY FROM OUTSIDE AIR WITH WINDOWS AND DOORS SECURELY CLOSED AND AIR CONDITIONING UNITS TURNED OFF. ALL STUDENTS AND STAFF THAT ARE OUTSIDE ARE TO IMMEDIATELY MOVE TO THE PROTECTION

OF AN INSIDE ROOM. AS SOON AS WE HAVE FURTHER INFORMATION, WE WILL SHARE IT WITH YOU."

2. If inside, teachers will keep students in the classroom until further instructions are given.
3. If outside, students will proceed to their classrooms if it is safe to do so. If not, teachers or staff will direct students into nearby classrooms or school buildings (e.g., auditorium, library, cafeteria, gymnasium). Teachers should consider the location and proximity of the identified hazard and, if necessary, proceed to an alternative indoor location.
4. Teachers are responsible to secure individual classrooms whereas the Business Manager will assist in completing the procedures as needed: shut down the classroom / building(s) HVAC system; turn off local fans in the area; close and lock doors and windows; seal gaps under doors and windows with wet towels or duct tape; seal vents with aluminum foil or plastic wrap, if available; and turn off sources of ignition, such as pilot lights.

Lockdown (or "Code Red")

This action is taken when the threat of violence or gunfire is identified or directed by law enforcement and it is necessary to prevent the perpetrator(s) from entering occupied areas. During Lockdown, students are to remain in the classrooms or designated locations at all time.

The difference between Shelter-in-Place and Lockdown is that the former involves shut down of the HVAC systems, and allows for the free movement of students within the building.

For campuses located in Santa Clara County, if there is an active shooter on campus, students and staff should immediately utilize the Run, Hide, Defend protocol.

**Run, Hide, Defend is to be used for students in 3rd grade and above. For 2nd grade and below, the appropriate response should be determined by on-scene school staff.

** A pre-determined meeting point should not be established

Description of Action

1. The principal will make the following announcement on the PA System/Two-way radio . If the PA System/Two-way radio is not available, the principal will use other means of communication, i.e., PHONES, TEXT, ETC. **DO NOT SEND messengers to deliver instructions IN CODE RED SITUATION.** The principal should be calm, convey reassuring comments that the situation is under control and give clear directions.

“YOUR ATTENTION PLEASE. WE HAVE AN EMERGENCY SITUATION AND NEED TO IMPLEMENT LOCKDOWN PROCEDURES. TEACHERS ARE TO LOCK CLASSROOM DOORS AND KEEP ALL STUDENTS INSIDE THE CLASSROOM UNTIL FURTHER NOTICE. DO NOT OPEN THE DOOR UNTIL NOTIFIED BY AN ADMINISTRATOR OR LAW ENFORCEMENT. IF OUTSIDE, STUDENTS AND STAFF ARE TO PROCEED INSIDE TO THE NEAREST BUILDING OR CLASSROOM.”

2. If inside, teachers will instruct students to lie on the floor, lock the doors, and close any shades or blinds if it appears safe to do so.
3. If outside, students will proceed to their classrooms if it is safe to do so. If not, teachers or staff will direct students into nearby classrooms or school buildings (e.g., auditorium, library, cafeteria, gymnasium).
4. Custodian will check and lock all bathrooms.
5. Teachers and students will remain in the classroom or secured area until further instructions are given by the principal or law enforcement.
6. The front entrance is to be locked and no visitors other than appropriate law enforcement or emergency personnel, shall be allowed on campus.

Evacuate Building

This action is taken after the decision is made that it is unsafe to remain in the building.

Description of Action

1. The principal will make the following announcement on the PA System/Two-way radio . If the PA System/Two-way radio is not available, the Principal will use other means of communication, i.e., sending messengers to deliver instructions, phone, text, etc. The principal should be calm, convey reassuring comments that the situation is under control and give clear directions.

“YOUR ATTENTION PLEASE. WE NEED TO INSTITUTE AN EVACUATION OF ALL BUILDINGS. TEACHERS ARE TO TAKE THEIR STUDENTS TO THE ASSEMBLY AREA AND REPORT TO THEIR DESIGNATED AREA. STUDENTS ARE TO REMAIN WITH THEIR TEACHER. TEACHERS NEED TO TAKE THEIR ROLLBOOK AND LOCK THE CLASSROOM WHEN ALL STUDENTS HAVE EXITED THE CLASSROOM.”

2. The principal or designee will initiate a fire alarm.
3. Teachers will instruct students to evacuate the building, using designated routes, and assemble in their assigned *Assembly Area*.

4. Teachers will take the student roster when leaving the building and take attendance once the class is assembled in a safe location.
5. Once assembled, teachers and students will stay in place until further instructions are given.

Off-Site Evacuation

This action is taken after a decision is made that it is unsafe to remain on the campus, and evacuation to an off-site assembly area is required.

Description of Action

1. The principal or designee will make the following announcement on the PA System/Two-way radio . If the PA System/Two-way radio is not available, the principal will use other means of communication, i.e., sending messengers to deliver instructions, phone, text, etc. The principal should be calm, convey reassuring comments that the situation is under control and give clear directions.

“YOUR ATTENTION PLEASE. WE NEED TO INSTITUTE AN OFF-SITE EVACUATION. TEACHERS ARE TO TAKE THEIR STUDENTS TO THE OFF-SITE ASSEMBLY AREA AND REPORT TO THEIR DESIGNATED AREA. STUDENTS ARE TO REMAIN WITH THEIR TEACHER. TEACHERS NEED TO TAKE THEIR ROLLBOOK AND LOCK THE CLASSROOM WHEN ALL STUDENTS HAVE EXITED THE CLASSROOM.”

2. The principal or designee will determine the safest method for evacuating the campus. This may include the use of school buses or simply walking to the designated off-site location. The off-site assembly areas are indicated on the Evacuation Map.
3. Teachers will secure the student roster when leaving the building and take attendance once the class is assembled in a pre-designated safe location.
4. Once assembled off-site, teachers and students will stay in place until further instructions are given.
5. If the event clearance is received from appropriate agencies, the principal or designee may authorize students and staff to return to the classrooms.

Staff Responsibilities:

Principal

- Orders evacuation via all-call systems and with the bell system.
- Takes student accounting as classes leave the school site.
- Does a final check of buildings and leaves for the evacuation site.

- Communicates with Designee as needed

Principal's Designee

- Takes student accounting as classes leave the school building.
- Does a final check of buildings and leaves for the evacuation site.
- Communicate with the principal as needed.

Teachers

- Teachers prepare to evacuate by:
- Getting an Emergency **Backpack**.
- Turning **off** air/heating.
- Taking student count before exiting the room.
- Students **take** jackets, but **leave** backpacks, etc.
- Walk class in an orderly and quiet manner to the assigned evacuation point.

Custodian

- Evaluates overall campus condition and takes precautionary action.
- Take necessary emergency precautions with gas, electricity, etc.
- Reports to principal or designee when the preceding actions are complete.

Adaptations for Students with Disabilities

Students with known disabilities should have emergency response accommodations noted in their 504 or IEP to indicate additional assistance that may need to be implemented in case of various emergencies covered by this safety plan. Students with known disabilities will also have a pre-designated location in their classrooms that are reserved for them during lockdown, shelter-in-place, and earthquakes.

In the event of an emergency, students with disabilities may have an additional staff person assigned to their classroom to carry out accommodations and assistance with disaster response procedures. The additional staff person will assist the student and teacher during the emergency response.

General Strategies for Assisting Individuals with Disabilities During an Emergency

The needs and preferences of non-ambulatory individuals will vary. Those at ground floor locations may be able to exit without help. Others may have minimal ability to move, and lifting may be dangerous. Some non-ambulatory people also have respiratory complications. Remove them from smoke and vapor immediately.

To alert visually impaired individuals

- Announce the type of emergency.

- Offer your arm for guidance.
- Tell the person where you are going, obstacles you encounter.

When you reach safety, ask if further help is needed.

To alert individuals with hearing limitations

- Turn lights on/off to gain a person's attention -OR-
- Indicate directions with gestures -OR-

Write a note with **EVACUATION** directions.

To evacuate individuals using crutches, canes or walkers

- Evacuate** these individuals as injured persons.
- Assist and accompany to **EVACUATION** site, if possible -OR-
- Use a sturdy chair (or one with wheels) to move person -OR-

Help carry individuals to safety.

To evacuate individuals using wheelchairs

- Give priority assistance to wheelchair users with electrical respirators.
- Most wheelchairs are too heavy to take downstairs; consult with the person to determine the best carry options.

Reunite the person with the wheelchair as soon as it is safe to do so.

All Clear

This action is taken to notify teachers that normal school operations can resume.

Description of Action

1. The principal or designee will make the following announcement on the PA System/Two-way radio . If the PA System/Two-way radio is not available, the principal or designee will use other means of communication, i.e., sending messengers to deliver instructions.

“YOUR ATTENTION PLEASE. IT IS NOW SAFE TO RETURN TO YOUR CLASSROOM AND RESUME NORMAL OPERATIONS. I WOULD LIKE TO THANK AND COMMEND STUDENTS AND STAFF FOR THEIR COOPERATION.”

2. This action signifies the emergency is over.
3. If appropriate, teachers should immediately begin discussions and activities to address students' fears, anxieties, and other concerns.

Training and Exercise

Voices understands the importance of training, drills, and exercises in the overall emergency management program. To ensure that school personnel and community first responders are aware of their duties and responsibilities under the school plan and the most current procedures, the following training, drill and exercise actions will occur.

1. Training and refresher training sessions shall be conducted for all school personnel. In case of academic staff, training should coincide with the Summer Professional Development. Training for the remainder of the support staff shall be held at a time during the school year that will allow for maximum attendance. Records of the training provided including date(s), type of training and participant roster will be maintained.
2. Information addressed in these sessions will include updated information on plans and/or procedures and changes in the duties and responsibilities of plan participants. Discussions will also center on any revisions to additional materials. Input from all employees is encouraged.
3. Voices will plan for 1) Earthquake, 2) Fire and 3) Evacuation drills 4) Code Red.

This plan addresses emergency actions that are conducted during all four phases of emergency management.

Mitigation/Prevention

Voices will conduct mitigation/prevention activities as an integral part of the emergency management program. Mitigation/prevention is intended to eliminate hazards and vulnerabilities, reduce the probability of hazards and vulnerabilities causing an emergency situation, or lessen the consequences of unavoidable hazards and vulnerabilities. Mitigation/prevention should be a pre-disaster activity, although mitigation/prevention may also occur in the aftermath of an emergency situation with the intent of avoiding repetition of the situation. Among the mitigation/prevention activities included in the emergency operations program are:

1. Identifying hazards
2. Recording hazards
3. Analyzing hazards
4. Mitigating/preventing hazards
5. Monitoring hazards
6. Security Audit

Preparedness

Preparedness activities will be conducted to develop the response capabilities needed in the event of an emergency. Among the preparedness activities included in the emergency operations program are:

1. Providing emergency equipment and facilities.
2. Emergency planning, including maintaining this plan.
3. Involving emergency responders, emergency management personnel, other local officials, and volunteer groups who assist this school during emergencies in training opportunities.
4. Conducting periodic drills and exercises to test emergency plans and training.
5. Completing an After Action Review after drills, exercises and actual emergencies.
6. Revise plan as necessary.

Please refer to [Appendix I](#) for the School Crisis Response Box Checklist.

Response

Voices will respond to emergency situations effectively and efficiently. The focus of most of this plan is on planning for the response to emergencies. Response operations are intended to resolve an emergency situation quickly, while minimizing casualties and property damage. Response activities include warning, first aid, light fire suppression, law enforcement operations, evacuation, shelter and mass care, light search and rescue, as well as other associated functions.

Recovery

If a disaster occurs, Voices will carry out a recovery program that involves both short-term and long-term efforts. Short-term operations seek to restore vital services to the school and provide for the basic needs of the staff and students. Long-term recovery focuses on restoring the school to its normal state. The federal government, pursuant to the Stafford Act, provides the vast majority of disaster recovery assistance. The recovery process includes assistance to students, families and staff. Examples of recovery programs include temporary relocation of classes, restoration of school services, debris removal, restoration of utilities, disaster mental health services, and reconstruction of damaged stadiums and athletic facilities.

Emergencies Occurring During Summer or Other School Breaks

If a school administrator is notified of an emergency during the summer, the response usually will be one of limited school involvement. In that case, the following steps should be taken:

1. Disseminate information to the principal/designee, the Business Manager, and the parent liaison.
2. Identify close friends/staff most likely to be affected by the emergency. Keep the list and recheck it when school reconvenes.
3. Notify staff or families of students most likely to be affected by the emergency and recommend community resources for support.
4. Notify general faculty/staff by letter or telephone with appropriate information.
5. Schedule a faculty meeting for an update the week before students return to school.
6. Be alert for repercussions among students and staff.

When school reconvenes, check the core group of friends and other at-risk students and staff, and institute appropriate support mechanisms and referral procedures.

Evacuation Routes

Evacuation route maps have been posted in each work area.

Beyond planning for daily ingress/egress routes and emergency evacuation routes, schools must plan for assisting students, staff and visitors with disabilities. Under the Americans with Disabilities Act of 1990, individuals who are deaf/hard of hearing, blind/partially sighted, mobility impaired and/or cognitively/emotionally impaired must be assisted.

In the event of an airborne chemical or biological release, it is safest for students and staff to remain indoors at the school site.

Special Information For Parents

Telephones/Communications

In the event of an earthquake, flood or other natural disaster, keep your radios tuned to your local radio station for advisory information. Please do not call the school as we must have the lines open for emergency calls.

In the event of an emergency, we will share information with families via the school's automated calling system. Please make sure your updated contact information is in our system.

“YOUR ATTENTION PLEASE. THIS IS (NAME & TITLE) WITH AN IMPORTANT MESSAGE CONCERNING ALL OF VOICES COLLEGE-BOUND LANGUAGE ACADEMIES. AS YOU ARE AWARE, WE ARE EXPERIENCING SOME SEISMIC ACTIVITY. FOR EVERYONE’S PROTECTION, KEEP YOUR RADIOS TURNED TO YOUR LOCAL RADIO STATION FOR ADVISORY INFORMATION. PLEASE DO NOT CALL THE SCHOOL AS WE MUST HAVE THE LINES OPEN FOR EMERGENCY CALLS. WE WILL UPDATE YOU AS SOON AS WE HAVE FURTHER INFORMATION.”

Dismissal

Should there be a major earthquake or other disaster, children will remain under the supervision of school authorities until parents or responsible adults can pick them up.

Student Release Procedure

1. Go directly to the entrance of the school or evacuation area.
2. Inform the teacher, aide or adult responsible for that classroom that you are taking the child from the class line.
3. Proceed with the child back to Student Release Tables to sign a Student Release/Runner Form ([Appendix K](#)) form for each child you are taking. Do not remove your child or any other child from school without signing the emergency release form. This provides us a record of where each child is if someone else arrives later looking for the child.
4. Unless you are staying to volunteer, please leave as quickly as possible after signing out your child.
5. Adults will be needed to help with first aid, dismissing students, helping with classes, monitoring traffic, etc. If you are able to volunteer to help, go directly to the Command Center ([Appendix L](#)) where the Business Manager will give you an assignment. Volunteers should leave children with their classes and not sign student release form(s) until they are ready to leave.

If You Can’t Get to the School

Should a major disaster occur, it is likely that many parents will not be able to reach the school right away. If conditions make it necessary, we will release your child to the adult indicated on your child’s Emergency Release form. We will keep a written record of the child and the adult to whom the child has been released.

The school principal or teacher in charge will determine the need to leave the building. In the event the building cannot be reoccupied or if a fire requires evacuation of the school, the students will be transferred to the nearest available safe shelter.

If the children are caught in a disaster between home and school, it is recommended that they go immediately to school.

Responding to Emergencies

The following pages outline how staff should respond in the event of specific emergency situations:

Fire

When the fire is discovered:

- Activate the nearest fire alarm (if installed)
- Notify the local Fire Department by calling: **911**
- If the fire alarm is not available, notify the site personnel about the fire emergency: Call Teachers' 2-way radio

Evacuation Process for Teachers:

1. Get emergency backpack
2. Get your class roster (clipboard).
3. Get the evacuation map (clipboard).
4. Count your students before you leave the room.
5. Close your door upon exiting the room.
6. Zero noise is to be adhered as the class walks to and waits at the Assembly Area.
7. Take roll at the Assembly Area.
8. Listen for direction from the principal.

The School needs to:

1. Notify the Fire Department by dialing 911. The Fire Department is to be notified of any fires larger in size than a wastebasket. The Fire Department should be given the following information:

Voices Morgan Hill
16505 Monterey Road
Morgan Hill, CA 95037
(408) 791-1700

Voices Franklin McKinley
715 Hellyer Avenue
San Jose, CA 95111
(408) 361-1960

Voices Mount Pleasant
14271 Story Road
San Jose, CA 95127
(408) 571-6404

Voices West Contra Costa

Stockton, CA 95202
(209)-455-5162

- a. Exact location of the fire within the building
2. Have students and staff evacuate the building in accordance with established procedures.

Fight the fire ONLY if:

- The fire department has been notified; The fire extinguisher is in working condition
- The fire is small and is not spreading to other areas
- Escaping the area is possible by backing up to the nearest exit

Upon being notified about the fire:

- Leave the building using the designated escape routes
- Assemble in the designated area (see evacuation map)
- Remain outside until directed that it is safe to reenter

Business Manager and school support staff must:

- Disconnect utilities & equipment unless doing so jeopardizes his/her safety
- Coordinate an orderly evacuation of personnel
- Perform an accurate headcount of personnel reported to the designated area
- Determine a rescue method to locate missing personnel
- Provide the Fire Department personnel with the necessary info about the facility
- Perform assessment & coordinate weather forecast office emergency closing procedures

School support staff must:

- Ensure that all employees have evacuated the area / floor
- Report any problems to the principal/designee at the assembly area
- Assist all physically challenged employees and students in emergency evacuation

*****The principal/designee is the ONLY PERSON authorized to sign out a child in the event of ANY emergency*****

Scenario 1: Fire In Surrounding Area

This procedure addresses the situation where a fire is discovered in an area adjoining the school. The initiated response actions should take into consideration the location and size of the fire, its proximity to the school and the likelihood that the fire may affect the school.

Procedure

- The principal/designee will initiate the appropriate Immediate Response Actions, which may include SHELTER-IN-PLACE, LOCKDOWN, EVACUATE BUILDING or OFF-SITE EVACUATION.
- The principal/designee will notify “911” and will provide the location and nature of the emergency.
- The principal/designee will instruct the Business Manager to prevent students from approaching the fire and keep routes open for emergency vehicles.
- The principal/designee will contact the local fire department and will work with the fire department to determine if school grounds are threatened by the fire, smoke, or other hazardous conditions.
- If the principal/designee issues the EVACUATE BUILDING action, staff and student will evacuate the affected building(s) using prescribed routes or other safe routes to the Assembly Area.
- In the event of an evacuation, teachers will bring their student roster and take attendance at the Assembly Area to account for students. Teachers will notify the Business Manager of missing students.
- The principal/designee will keep a battery-powered radio tuned to a local radio station for emergency information.
- As appropriate, the principal/designee will activate the BrightArrow Parent Alert System.
- The principal/designee will notify Team Z of the emergency situation.
- The principal/designee will initiate an OFF-SITE EVACUATION if warranted by changes in conditions.

Fire On School Grounds

This procedure addresses situations where a fire is discovered on school grounds. A quick response to this situation is very important to prevent injuries and further property damage.

Procedure

1. Upon discovery of a fire, teachers or staff will direct all occupants out of the building, signal the fire alarm, and report the fire to the principal/designee.
2. The principal/designee will immediately initiate the EVACUATE BUILDING action. Staff and students will evacuate buildings using the prescribed routes or other safe routes to the Assembly Area.
3. In the event of an evacuation, Teachers will bring their student roster and take attendance at the Assembly Area to account for students. Teachers will notify the Business Manager of missing students.
4. The principal/designee will call "911" and will provide the exact location (e.g., building, room, area) of the fire.
5. Attempt to suppress fires and initiate rescue procedures until the local fire department arrives ONLY if the fire is small and is not spreading to other areas and/or escaping the area is possible by backing up to the nearest exit.
6. The Business Manager will secure the area to prevent unauthorized entry and keep access roads clear for emergency vehicles.
7. A School Administrator will direct the fire department to the fire and brief fire department official on the situation.
8. The Business Manager will notify the appropriate utility company of damages.
9. The principal/designee will notify Team Z of the fire.
10. Any affected areas will not be reopened until the Santa Clara, Contra Costa, or San Joaquin County Fire Department or appropriate agency provides clearance and the principal/designee issues authorization to do so.
11. For fires during non-school hours, the principal/designee and Team Z will determine if the school will open the following day.
12. All fires, regardless of their size, which are extinguished by school personnel, require a call to the Fire Department to indicate "fire is out."

Earthquake Procedure

What to Expect During an Earthquake

The first indication of a damaging earthquake may be a gentle shaking, the swaying of hanging objects or the sound of objects wobbling on shelves. You may be jarred by a violent jolt. You may hear a low, loud, rumbling noise and then feel shaking, making it very difficult

to move from one place to another. The following may occur:

- Freestanding bookshelves may topple
- Wall-mounted objects may loosen and fall
- Suspended ceiling components may fall, causing others to come down with them
- Door frames may be bent by moving walls and may jam doors shut
- Moving walls may bend window frames, causing glass to shatter, sending dangerous shards into the room
- The accompanying noise may cause considerable stress

During an actual earthquake, the signal to begin the emergency procedure is the sensation of severe quaking.

If you are NOT told to Evacuate, each teacher needs to:

Take cover under a sturdy desk or table, in a doorway, or against an inside wall until the shaking stops. Give the DROP AND COVER command.

DUCK, or **DROP** down on the floor.

Take **COVER** under a sturdy desk, table or other furniture with backs to the windows. Protect head and neck with arms.

HOLD onto the furniture and be prepared to move with it.

Stay in this position for at least one minute or, in a real situation, until shaking stops.

After shaking stops, check for injuries, and render first aid.

If you are instructed to evacuate, each teacher needs to:

1. Get your class roster (backpack).
2. Get the evacuation map (backpack).
3. Count your students before you leave the room.
4. Be last to leave the classroom but once out of the room get to the front of the student line.
5. Ensure that your door is open upon exiting the room.
6. Bring your emergency backpack to the outdoor Assembly Area.
7. Zero noise is to be adhered as the class walks to and waits

Staff Responsibilities

The staff responsibilities during an earthquake are slightly different from the responsibilities

during a fire drill. Please read the following carefully:

Principal or designee	Initiates fire/evacuation drill. Evacuates students. Evaluates overall campus condition and takes precautionary action. Determines if conditions warrant forming a search and rescue team to find missing students. Determines when it is safe to return to class. Follow fire / evacuation written procedures at appropriate times.
Business Manager	Calls 911. Follow fire / evacuation drill procedures at appropriate times.
Custodian	Evaluates overall campus condition and takes precautionary action. Take necessary emergency precautions with gas, electricity, etc. Reports to principal when the preceding actions are complete.
Teachers	Initiate drop and cover procedures. Follow fire/evacuation drill procedures at appropriate times.
Students	Respond to the earthquake drill in a quick, calm and orderly manner. Listen and respond quickly to all instructions from staff.
Other Personnel	Drop and cover procedures. Follow fire/evacuation plan at appropriate time. Support teachers, assist students

Re-entry into Classrooms

The principal/designee will consider the severity of the emergency. If deemed safe, students will re- enter the campus. In **drill** situations, the announcement: “**All Clear**” will be announced on the PA System/Two-way radio .

Procedures of Injured Parties

In the event that the emergency situation warrants a lockdown of the campus, injured parties should be taken to the cafeteria or designated triage area.

Release of Staff

Once the student body is as safe and secure as possible, teachers will remain with their students until the principal or designee releases staff to attend to personal situations, families and home. ***Building evacuation following an earthquake is vital due to secondary hazards (explosions, fire, etc.)***

When evacuating, please follow the Evacuation Map. Follow Fire/Evacuation Drill Procedures once assembled.

****The principal/designee is the only person who may check out a child in the case of any emergency.****

Bomb Threat

General Information

Every person answering the telephone must understand the importance of a calm and reasonable action when a bomb threat is received. Information obtained by that person might be of great importance! Please see [Appendix J](#) for the Telephone Bomb Threat Reporting Procedure.

Person Receiving the Threat

Attempt to keep the caller on the line. Get as much information as possible from the caller. Refer to Bomb Threat Reporting Procedure and record appropriate data.

Immediately after receiving the threat, report all information to the principal or closest designee to the office. The principal or designee will coordinate procedures and make reports to the proper authorities.

Staff Responsibilities

Principal

- Assumes command of the crisis until replaced by the fire department/Sheriff's Department.
- Uses the bell system to signal (short bells in series) and the all-call system to announce,

"Your attention please. Your attention please. Evacuate the building – Evacuate the building."

- With the Business Manager or custodian, makes a search of the entire campus.
- Upon consultation with law enforcement/fire department (usually after inspection by law enforcement) declares the buildings to be unsafe.
- If school buildings are deemed unsafe, students will be transported (Directed Transportation) and parents will be notified.
- If the campus is inspected and declared safe, students will re-enter classrooms.

Principal's Designee

- Searches the office and reports any relevant information to the principal.
- Reports to the principal and assists as necessary.

Teachers

- Make a prompt visual search of the classroom and report any relevant information to the administration by phone, (missing students.)
- If a teacher receives a bomb threat refer to the bomb threat reporting checklist.
- Call the office and inform them of the threat. Office to call 911.
- If evacuation is ordered, **take students** to the designated evacuation area along with an emergency **backpack**.
- Leave the room unlocked and turn off lights as you leave.

Custodian

- Check all restrooms and perimeters around buildings, back and side gates.
- In the event the custodial staff is not on campus for any reason, the following backup plan will be followed: The **principal** and **principal's designee** will split the duties of the custodian.
- Will lock all gates

Armed Assault on Campus

An **Armed Assault on Campus** involves one or more individuals who attempt to take hostages or cause physical harm to students and staff. Such an incident may involve individuals who possess a gun, a knife or other harmful device.

Procedure

1. Upon first indication of an armed assault, personnel should immediately call “911” and then notify the principal/designee.
2. The principal/designee will initiate the appropriate Immediate Response Action(s), which may include SHELTER-IN-PLACE, LOCKDOWN, EVACUATE BUILDING or OFF-SITE EVACUATION.
For campuses located in Santa Clara County, if there is an active shooter on campus, students and staff should immediately utilize the Run, Hide, Defend protocol.
**Run, Hide, Defend is to be used for students in 3rd grade and above. For 2nd grade and below, the appropriate response should be determined by on-scene school staff.
** A pre-determined meeting point should not be established
- 3.
4. The principal/designee will call “911” and provide the exact location and nature of the incident. The principal/designee should designate a person to remain online with Police if safe to do so. If there is an assigned officer on campus, they shall be notified.

12. The principal/designee will debrief staff and school police officers.

**REMEMBER- Students will model their emotional reaction after yours.
STAY CALM.**

Drive-by Shooting

With the availability of weapons and the increase in gang activity, it is possible that a drive-by shooting could occur at or near a school site. The immediate concern is the safety of students and staff.

If you suspect that shots may be fired from a passing vehicle:

1. Have staff and students lie flat on the ground and keep as low as possible.
2. If safe, look at the vehicle, try to identify:
 - a. License plate number
 - b. Type of vehicle
 - c. Occupants
 - d. Weapons

Immediately after the vehicle is gone:

1. Contact School Office
2. Office Staff will call 911
3. Principal/Designee will order Secure Building
4. Assess injuries, if any.
5. Have students move safely and quickly to their classrooms.
6. Do not move those seriously injured unless imminent danger exists. If the injured are ambulatory, move them to a safe shelter.
7. Immediately notify the office of the situation and report the extent of any injuries.
8. Stay with the injured until emergency services arrive.
9. Assist the authorities with as much detail as possible.
10. Alert Team Z of the incident.
11. If the media arrives, they should be directed to the CEO.

**REMEMBER- Students will model their emotional reaction after yours.
STAY CALM.**

Severe Weather

Flood

If Indoors:

- Be ready to evacuate as directed by the principal and/or the designated official
- Follow the recommended primary or secondary evacuation routes

If Outdoors:

- Climb to high ground and stay there
- Avoid walking or driving through flood water
- If car/bus/van stalls, abandon it immediately and climb to a higher ground

Tornado

- When a warning is issued by sirens or other means, seek inside shelter. Consider the following safe places:
 - Small interior rooms on the lowest floor and without windows
 - Hallways on the lowest floor away from doors and windows
 - Rooms constructed with reinforced concrete, brick or no windows
 - Stay away from outside walls & windows
 - Use arms & protect head & neck
 - Remain sheltered until the tornado threat is announced to be over

Extended Power Loss

In the event of extended power loss to a facility certain precautionary measures should be taken depending on the geographical location and environment of the facility:

- Unnecessary electrical equipment and appliances should be turned off in the event that power restoration would surge causing damage to electronics and affecting sensitive equipment
- Facilities with freezing temperatures should turn off and drain the following lines in the event of a long term power loss:
 - Fire sprinkler system
 - Standpipes
 - Potable water lines
 - Toilets
- Equipment that contain fluids that may freeze due to long term exposure to freezing temperatures should be moved to heated areas, drained of liquids or provided with auxiliary heat sources

Upon Restoration of Heat & Power:

- Electronic equipment should be brought up to ambient temperatures before energizing to prevent condensation from forming on circuitry
- Fire and potable water piping should be checked for leaks from freeze damage after the heat has been restored to the facility and water turned back on

Poisoning, Chemical Spills, Hazardous Materials Safety

Poisoning

If a student ingested a poisonous substance:

- Call **Poison Control Center Link Line 1-800-222-1222**. Take appropriate first aid measures.
- Call parents.
- Notify principal/designee.

When a large chemical spill has occurred:

- Immediately notify the principal or his/her designee
- Contain the spill with available equipment
- Secure the area & alert other site personnel
- Do not attempt to clean the spill unless trained to do so
- Attend to injured personnel & call the medical emergency number if required
- Call a local spill cleanup company or the Fire Department to perform a large chemical spill cleanup
- Evacuate building as necessary

When a small chemical spill has occurred:

- Notify the principal or his/her designee
- If toxic fumes are present, secure the area to prevent other personnel/students from entering
- Small spills must be handled in a safe manner, while wearing the proper PPE
- Review general spill cleanup procedures

Name of Spill Cleanup Company: **County of Santa Clara – Dept. of Environmental Health (408) 918-3400, Contra Costa Health Services (408) 925-335-3200, San Joaquin County - Dept. of Environmental Health (209) 468-3439**

Hazardous Substances

Hazardous Substances include the following, but is not limited to the following:

Gasoline	Lacquer Thinner
Solvents	Paint
Motor Oil	Agricultural Spray
Diesel Fuel	Paint Thinner
Kerosene	Stain
Anti-Freeze	Brake Fluid

Airborne Gasses/Fumes

Always call for assistance and:

- Extinguish all ignition sources
- Shut off main emergency switch to fuel pump, if appropriate
- Move appropriate fire extinguishing equipment to area
- If possible, contain the spill to prevent further contamination

Move people/personnel away or evacuate from contaminated area

Biological / Chemical Attack

A **Biological or Chemical Release** is an incident involving the discharge of a biological or chemical substance in a solid, liquid or gaseous state. Such incidents may also include the release of radioactive materials. Common chemical threats within or adjacent to schools include the discharge of acid in a school laboratory, an overturned truck of hazardous materials in proximity of the school, or an explosion at a nearby oil refinery or other chemical plant.

The following indicators may suggest the release of a biological or chemical substance: Multiple victims suffering from watery eyes, twitching, choking or loss of coordination, or having trouble breathing. Other indicators may include the presence of distressed animals or dead birds.

This procedure deals with three possible scenarios involving the release of biochemical substances: Scenario 1 - Substance released inside a room or a building; Scenario 2 - Substance released outdoors and localized; and Scenario 3 - Substance released in the surrounding

community. It is necessary to first determine which scenario applies and then implement the appropriate response procedures listed below.

Procedure

Scenario 1: Substance Released Inside a Room or Building

1. The principal/designee will initiate the EVACUATE BUILDING action. Staff will use designated routes or other alternative safe routes to an assigned Assembly Area, located upwind of the affected room or building.
2. The principal/designee will call “911” and the **California Emergency Management Agency, State Warning Center 1-800-852-7550** and will provide the exact location (e.g., building, room, area) and nature of emergency.
3. The principal/designee will notify Team Z of the situation.
4. The principal/designee will instruct school staff to isolate and restrict access to potentially contaminated areas.
5. The Business Manager will turn off local fans in the area of the release, close the windows and doors, and shut down the building’s air handling system.
6. Persons who have come into direct contact with hazardous substances should have affected areas washed with soap and water. Immediately remove and contain contaminated clothes. Do not use bleach or other disinfectants on potentially exposed skin. Individuals that have been contaminated “topically” by a liquid should be segregated from unaffected individuals (isolation does not apply to widespread airborne releases). The Business Manager should assess the need for medical attention.
7. The Business Manager will prepare a list of all people in the affected room or contaminated area, specifying those who may have had actual contact with the substance. The Business Manager will provide the list to the principal/designee and the emergency response personnel.
8. Any affected areas will not be reopened until the Santa Clara County/Contra Costa County/San Joaquin County HazMat or appropriate agency provides clearance and the principal/designee gives authorization to do so.

Scenario 2: Substance Released Outdoors and Localized

1. The principal/designee will immediately direct staff to remove students from the affected areas to an area upwind from the release. The principal/designee will, if necessary, initiate the EVACUATE BUILDING action.
2. The Business Manager will establish a safe perimeter around the affected area and ensure personnel do not reenter the area.
3. The principal/designee will call “911” and the California Emergency Management Agency, **State Warning Center 1-800-852-7550** and will provide the exact location and nature of the emergency.
4. The principal/designee will notify Team Z of the situation.
5. The Business Manager will turn off local fans in the area of the release, close the

- windows and doors and shut down the air handling systems of affected buildings.
6. Persons who have come into direct contact with hazardous substances should have affected areas washed with soap and water. Immediately remove and contain contaminated clothes. Do not use bleach or other disinfectants on potentially exposed skin. Individuals that have been contaminated “topically” by a liquid should be segregated from unaffected individuals (isolation does not apply to widespread airborne releases). The Business Manager should assess the need for medical attention.
 7. The Business Manager will prepare a list of all people in areas of contamination, especially those who may have had actual contact with the substance. The Business Manager will provide the list to the principal/designee and the emergency response personnel.
 8. Any affected areas will not be reopened until the appropriate agency provides clearance and the principal/designee gives authorization to do so.

Scenario 3: Substance Released in Surrounding Community

1. If the principal/designee or local authorities determine a potentially toxic substance has been released to the atmosphere, the principal/designee will initiate SHELTER-IN-PLACE.
2. Upon receiving the SHELTER-IN-PLACE notification, the Business Manager will turn off local fans in the area; close and lock doors and windows; shut down all buildings’ air handling systems; seal gaps under doors and windows with wet towels or duct tape; seal vents with aluminum foil or plastic wrap, if available; and turn off sources of ignition, such as pilot lights.
3. Staff and students located outdoors will be directed to proceed immediately to nearby classrooms or buildings (e.g., auditorium, library, cafeteria, gymnasium). Teachers should communicate their locations to the principal/designee, using the PA System/Two-way radio or other means without leaving the building.
4. The principal/designee will call “911”, and the California Emergency Management Agency, State Warning Center 1-800-852-7550 and will provide the exact location and nature of the emergency.
5. The principal/designee will notify Team Z of the situation.
6. The principal/designee will turn on a radio or television station to monitor information concerning the incident.
7. The school will remain in a SHELTER-IN-PLACE condition until the appropriate agency provides clearance, or staff is otherwise notified by the principal/designee.

Pandemic Influenza

During an influenza pandemic, social distancing measures to limit the spread of the disease will include limited public gathering, canceling public events and closing public gathering places including schools, in coordination with local and state officials.

The pandemic cycle may repeat multiple times for a period of up to two years.

Level III Prevention: Schools are open

- Normal School Activities with:
 - Prevention Communications
 - Prevention & Mitigation Activities
 - Pre Planning Activities
 - Implementation of disinfecting protocols
 - Implementation of individual control measures and screening
 - Implementation of physical distancing guidelines
 - Training staff & students on how to limit the spread of COVID-19 and Promoting Healthy Hygiene Practices
 - Implementation of COVID-19 Testing and Reporting Procedures

Level II Preparedness: Schools prepare for closure

- Plan for Continuity of Operations
- Plan for Continuity of Education
- Communication Plans
- Home learning/work Preparation Activities

Level I Response: Schools close

- Warning Phase:
 - Social Distancing
 - Minimum Days
 - No Extra-Curricular Activities
- Schools Close
 - Implement Continuity Plans

Level III Recovery & Prevention: Schools reopen

- Return to a “new normal”
- Establish routines
- Begin psychological recovery activities

Radiation Threat

A radiation threat, often called a "dirty bomb," is the use of common explosives to spread radioactive materials over a targeted area.

- If you are outside, cover your nose and mouth and quickly go inside a building that has not been damaged.
- If you are INSIDE, close windows and doors; turn off air conditioners, heaters or other ventilation systems.
- Steps for self-decontamination:
 - REMOVE YOUR CLOTHES and put them in a sealed plastic bag.
 - WASH SKIN as thoroughly as possible with lukewarm water.
 - LISTEN TO RADIO/PA System/Two-way radio for other instructions.

Air Pollution/Smog

Individuals Whom it May Affect

It is recommended that protective measures be taken by sensitive persons. These are persons with chronic lung disease or asthma, the elderly, the chronically ill and exercising children and adults.

Protective Actions

- Avoid strenuous outdoor physical activity during an episode.
- Avoid exertion or excitement, which will increase breathing rate.
- Plan indoor activities for students.
- Outdoor activities should be restricted beginning at stage two or when the media announces a bad air day.
- Remain indoors until the episode ends. Keep doors and windows closed, as indoor concentrations of ozone are about one-half that of outdoor levels.
- Use the air conditioner to recirculate indoor air and keep cool. High temperatures may add stress to the pollutant effects.
- Avoid aerosols, dust, fumes, and other irritants. Reduce activities such as cooking or cleaning, which produce irritants to the nose, eyes, and lungs.
- Avoid traffic-congested areas where pollutants are being generated, if you must go outside.
- During air pollution seasons, use the cooler morning hours for outdoor activities.
- Expect severity of symptoms to increase as ozone levels increase (coughing, wheezing, shortness of breath, headaches, chest discomfort and pain, etc.).
- If we are notified, via the health department/Team Z, that it is unhealthy for students to be outside, you will be notified, via the all-call system, that recesses are canceled.
- We will follow the “rainy day” schedule for lunch

Daily AQI Color	Levels of Concern	Values of Index	Description of Air Quality
Green	Good	0 to 50	Air quality is satisfactory, and air pollution poses little or no risk.
Yellow	Moderate	51 to 100	Air quality is acceptable. However, there may be a risk for some people, particularly those who are unusually sensitive to air pollution.
Orange	Unhealthy for Sensitive Groups	101 to 150	Members of sensitive groups may experience health effects. The general public is less likely to be affected.
Red	Unhealthy	151 to 200	Some members of the general public may experience health effects; members of sensitive groups may experience more serious health effects.
Purple	Very Unhealthy	201 to 300	Health alert: The risk of health effects is increased for everyone.
Maroon	Hazardous	301 and higher	Health warning of emergency conditions: everyone is more likely to be affected.

Stage 1: Advisory/Alert

- **MODIFY WORK PROGRAM** to reduce activities that increase your respiration rate.

- **REDUCE VEHICLE USE.** Curtail work-related driving and carpool to and from work. Encourage students to bike, walk or carpool to school.

Stage 2: Warning

- **IF AT HOME, REMAIN HOME.** Sites will be closed until the principal or his/her designee is notified that the warning is terminated. Await instructions from your supervisor.
- **IF AT WORK, REMAIN AT WORK** until released by the principal or his/her designee.

Stage 3: Declared Emergency

- **IF AT HOME, REMAIN HOME.** Sites will be closed until the principal or his/her designee is notified that the emergency is over. Await instructions from your supervisor.
- **IF AT WORK, REMAIN AT WORK** until released by the principal or his/her designee.

Fallen Aircraft

This procedure addresses situations involving an **Aircraft Crash** on or in proximity to school property. If a crash results in a fuel or chemical spill on school property refer to the section on Biological or Chemical Release. If a crash results in a utility interruption, refer to the section on Loss of Power.

Procedure

1. The principal/designee will initiate appropriate Immediate Response Actions, which may include DUCK AND COVER, SHELTER-IN-PLACE, EVACUATE BUILDING, or OFF-SITE EVACUATION as described in the *“Immediate Response Actions”* section.
2. If the principal/designee issues the EVACUATE BUILDING action, staff and students will evacuate the buildings using prescribed routes or other safe routes to the Assembly Area.
3. In the event of an evacuation, teachers will bring their student roster and take attendance at the Assembly Area to account for students. Teachers will notify the Assembly Area Team of missing students.
4. The principal/designee will call “911” and the Police and will provide the exact location (e.g., building or area) and nature of emergency.
5. If on school property, the Business Manager will secure the crash area to prevent unauthorized access. If the crash results in a fuel or chemical spill on school property, refer to the section titled:

“Poisoning, Chemical Spills, Hazardous Materials Safety Procedures”. If the crash results in a utility interruption, refer to the section on Loss of Power.

6. The principal/designee will direct the Business Manager to organize fire suppression activities until the Fire Department arrives.

7. The Business Manager will check injuries to provide appropriate first aid.
8. The principal/designee will call the office of Team Z.
9. Any affected areas will not be reopened until the Santa Clara County/Contra Costa County HazMat Compliance Division or appropriate agency provides clearance and the principal/designee issues authorization to do so.
10. If it is unsafe to remain on campus, the principal/designee will initiate an OFF-SITE EVACUATION if warranted by changes in conditions.

**REMEMBER- Students will model their emotional reaction after yours.
STAY CALM.**

Explosion

This section addresses four possible scenarios involving an **Explosion/Risk of Explosion**: Scenario 1 - Explosion on school property; Scenario 2 – Risk of explosion on school property; Scenario 3 - Explosion or risk of explosion in a surrounding area, and Scenario 4 – Nuclear blast or explosion involving radioactive materials. *[A nuclear blast is characterized by a sequence of intense light and heat, air pressure wave, expanding fireball, and subsequent radioactive fallout.]* It is necessary to first determine which scenario applies and then implement the appropriate response procedures. For “Bomb Threats”, refer to the appropriate section.

Procedure

Scenario 1: Explosion on School Property

1. In the event of an explosion, all persons should initiate DUCK AND COVER.
2. The principal/designee will consider the possibility of another imminent explosion and take appropriate action.
3. After the explosion, the principal/designee will initiate appropriate Immediate Response Actions, which may include SHELTER-IN-PLACE, EVACUATE BUILDING or OFF-SITE EVACUATION.
4. Evacuation may be warranted in some buildings and other buildings may be used as shelter.
5. In the event of an evacuation, staff and students will use prescribed routes or other safe routes and proceed to the Assembly Area.
6. In the event of an evacuation, Teachers will bring their student roster and take attendance at the Assembly Area to account for students. Teachers will notify the Business Manager of missing students.
7. The principal/designee will call “911” and will provide the exact location (e.g., building, room, area) and nature of emergency. The Business Manager will check for injuries and provide appropriate first aid. Staff should attempt to suppress fires with extinguishers. Note: Ensure the use of proper type of extinguishers, i.e. Class A, B or C for ordinary

- combustibles; Class B or C for fires involving flammable liquids; or Class C only for fires involving electrical equipment.
8. The Business Manager will notify the appropriate utility company of any damages to water lines, sewers, power lines and other utilities.
 9. The principal/designee will notify Team Z of the situation. The Business Manager will post guards a safe distance away from the building entrance to prevent persons entering the school buildings.
 10. When it is determined safe to enter affected areas, the principal/designee will advise the Business Manager to initiate search and rescue activities.
 11. The principal/designee will contact the Local Fire Department to ensure buildings are safe for reoccupancy.
 12. Any areas affected by the explosion will not be reopened until the appropriate agency provides clearance and the principal/designee gives authorization to do so.
 13. The principal/designee will initiate an OFF-SITE EVACUATION if warranted by changes in conditions

Scenario 2: Risk of Explosion on School Property

1. The principal/designee will initiate appropriate Immediate Response Actions, which may include DUCK AND COVER, SHELTER-IN-PLACE, EVACUATE BUILDING, or OFF-SITE EVACUATION.
2. If the principal/designee issues EVACUATE BUILDING action, staff and students will evacuate the building using prescribed routes or other safe routes to the Assembly Area.
3. In the event of an evacuation, Teachers will bring their student roster and take attendance at the Assembly Area to account for students. Teachers will notify the Assembly Area Team of missing students.
4. The principal/designee will call "911" and will provide the exact location (e.g., building, room, area) and nature of emergency.
5. Staff should attempt to suppress fires with extinguishers. Note: Ensure the use of proper type of extinguishers, i.e. Class A, B or C for ordinary combustibles; Class B or C for fires involving flammable liquids; or Class C only for fires involving electrical equipment.
6. The principal/designee will advise the Business Manager to initiate rescue operations.
7. The Business Manager will notify the appropriate utility company of any damages to water lines, sewers, power lines and other utilities.
8. The principal/designee will notify Team Z of the situation.
9. All affected areas will not be reopened until the appropriate agency provides clearance and the principal/designee issues authorization to do so.
10. In the event of an explosion on campus, refer to procedures listed under Scenario 1 above.
11. The principal/designee will initiate an OFF-SITE EVACUATION if warranted by changes in conditions.

Scenario 3: Explosion or Risk of Explosion in Surrounding Area

1. The principal/designee will initiate the SHELTER-IN-PLACE response action.
2. The principal/designee will notify "911" and will provide the exact location (e.g., building, area) and nature of emergency.
3. The principal/designee will take further actions as needed.
4. The school will remain in a SHELTER-IN-PLACE condition until the appropriate agency provides clearance and the principal/designee issues further instructions.

Scenario 4: Nuclear Blast or Explosion Involving Radioactive Materials

1. The principal/designee will initiate the SHELTER-IN-PLACE response action.
2. When sheltering, personnel should try to establish adequate barriers or shielding (e.g. concrete walls, metal doors) between themselves and the source of the blast or explosion, and should avoid sheltering near exterior windows.
3. The principal/designee will notify "911" and provide details on the area and personnel affected at the school.

The Business Manager will turn off the school's main gas supply, local fans in the area; close and lock doors and windows; shut down all buildings' air handling systems; seal gaps under doors and windows with wet towels or duct tape; seal vents with aluminum foil or plastic wrap, if available; and turn off sources of ignition, such as pilot lights.
6. The principal/designee will monitor radio or television announcements and initiate further actions as appropriate.
7. At the principal/designees discretion, and only if safe to do so, designated personnel should attempt to distribute emergency supplies including food and water.
8. The school will remain in a SHELTER-IN-PLACE condition until the appropriate agency provides clearance and the principal/designee issues further instructions.

Unlawful Demonstration / Walkout

An unlawful demonstration / walkout is any unauthorized assemblage on or off campus by staff or students for the purpose of protest or demonstration.

Procedure

1. Upon indication that an unlawful demonstration or walkout is about to begin,

- personnel should immediately notify the principal/designee.
2. The principal/designee will initiate appropriate Immediate Response Actions, which may include SHELTER-IN-PLACE.
 3. The principal/designee will notify Team Z to request assistance and will provide the exact location and nature of the emergency.
 4. The Business Manager will immediately proceed to the Main Gate to control student ingress and egress. Each person entering or leaving the campus shall be required to sign his/her name, and record address, telephone number and time entered or departed. The Main Gate should not be locked, as a locked gate may create a serious hazard for students leaving or attempting to re-enter the campus.
 5. If students leave the campus, the Business Manager, in consultation with the principal/designee, will designate appropriate staff members to accompany them. These staff members will attempt to guide and control the actions of students while off site.
 6. Students not participating in the demonstration or walkout should be kept within their classrooms until further notice by the principal/designee. Teachers will close and lock classroom doors. Students and staff should be protected from flying glass in the event windows are broken, by closing drapes and venetian blinds in rooms so equipped.
 7. The principal/designee should keep an accurate record of events, conversations and actions.
 8. All media inquiries will be referred to the principal/designee.
 9. The principal/designee should proceed in good judgment on the basis of police or other legal advice, in taking action to control and resolve the situation.
 10. The principal/designee will notify parents of the incident, as appropriate.

**REMEMBER- Students will model their emotional reaction after yours.

Emergency Drills

The school is proactive when it comes to the safety of staff and students. The school will conduct fire drills, earthquake drills, and Lock Down/Code Red drills (intruder on campus) on a regular basis.

Earthquake Drill Procedure

Earthquakes strike without warning and the major shock is usually followed by numerous aftershocks, which may last for weeks or months. An earthquake's effect on buildings will vary from building to building.

The major threat of injury during an earthquake is from falling objects and debris and many injuries are sustained while entering or leaving buildings. Therefore, it is important to remain inside the building and quickly move away from windows, glass, partitions, and shelves. In the case of an earthquake, the following procedures should be followed:

Drop procedure – As used in this article, "drop procedure" means an activity whereby each student and staff member takes cover under a table or desk, dropping to his or her knees, with the head protected by the arms, and the back to the windows. A drop procedure practice shall be held at least once each school quarter in elementary schools and at least once a semester in secondary schools.

1. In the event of an earthquake alarm, if you are NOT told to Evacuate, each student, teacher and other employee needs to begin the Drop Procedure of DUCK, COVER and HOLD.

1. Take cover under a sturdy desk or table, in a doorway, or against an inside wall until the shaking stops. Give the DROP AND COVER command.
 - DUCK, or DROP down on the floor.
 - Take COVER under a sturdy desk, table or other furniture with backs to the windows. Protect head and neck with arms.
 - HOLD onto the furniture and be prepared to move with it.
 - Stay in this position for at least one minute or, in a real situation, until shaking stops.
2. After shaking stops, check for injuries, and render first aid.

2. Evacuation

An Evacuation should NEVER be automatic. Evacuations shall occur when directed over the walkie-talkies by the principal/designee.

If you are instructed TO evacuate, each teacher needs to:

1. Get your class roster (clipboard).
2. Get the evacuation map (clipboard).
3. Count your students before you leave the room.
4. Ensure that your door is open upon exiting the room.
5. Bring your emergency backpack to the outdoor Assembly Area.
6. Zero noise is to be adhered as the class walks to and waits at the Assembly Area.
7. Take roll at the Assembly Area.
8. Listen for direction from the principal/designee.

When evacuations are included as part of the drill, appropriate non hazardous alternate routes, avoiding building overhangs, electrical wires, large trees, covered walkways, etc, shall be utilized by staff and students in order to reach the designated evacuation areas.

Teachers take roll once in the evacuation area. Any missing students are immediately reported to the principal/designee.

3. All Clear:

Upon sounding of the all clear students and staff return to their appropriate classroom and the teacher takes roll once more.

- Missing students are reported to the attendance office.

There may be more danger outside the building than there is inside. If administrative directions are not forthcoming, the teacher will be responsible for assessing the situation and determining if an evacuation is required.

Predetermined evacuation areas should be in open areas, without overhead hazards and removed from potential danger spots (covered walkways, large gas mains, chain linked fences [electric shock potential]).

Make it clear that a post-earthquake route differs from a fire evacuation route, and that appropriate non-hazardous alternate routes may be needed.

Fire Drill Procedure

Principals shall hold fire drills at least once a month in all elementary schools. The principal or designee shall keep a copy of each drill conducted on the Safety Drill Schedule.

1) Evacuation:

Whenever the alarm is given, all students, teachers and other employees shall quickly leave the building in an orderly manner. Teachers shall ascertain that no student remains in the building.

Designated evacuation routes shall be posted in each room. Teachers shall be prepared to select alternate exits and direct their classes to these exits in the event the designated evacuation route is blocked.

Evacuation areas will be established away from fire lanes.

Students are to remain with their teacher in the evacuation area. Teachers shall take their roll books, take roll once in the evacuation area and be prepared to identify missing students to administrators and/or fire marshals/designees.

Standards for a Successful Fire Drill:

1. The Fire Alarm can be heard by all staff and students.
2. Orderly evacuation begins immediately and is completed within 5 minutes of the initial alarm, with minimal congestion at exit gates.
3. Teachers and students are staged in an orderly fashion away from fire lanes.
4. Teachers have taken roll once in the evacuation area. Any missing students are immediately reported to the principal/designee.

Upon sounding of the all clear students and staff return to their appropriate classroom and the teacher takes roll once more. Missing students are reported to the attendance office.

Shelter-in-Place

A Shelter-In-Place indicates that an emergency that requires students and staff to remain inside has occurred.

Signal: The signal for the “Shelter-In-Place” drill is the following PA/two-way radio announcement.

“YOUR ATTENTION PLEASE. BECAUSE WE HAVE RECEIVED INFORMATION REGARDING A HAZARD IN THE COMMUNITY, WE ARE INSTITUTING SHELTER-IN-PLACE PROCEDURES. REMEMBER, THIS MEANS STUDENTS AND STAFF ARE TO REMAIN INSIDE THE BUILDING AWAY FROM OUTSIDE AIR WITH WINDOWS AND DOORS SECURELY CLOSED AND AIR CONDITIONING UNITS TURNED OFF. ALL STUDENTS AND STAFF THAT ARE OUTSIDE ARE TO IMMEDIATELY MOVE TO THE PROTECTION OF AN INSIDE ROOM. AS SOON AS WE HAVE FURTHER INFORMATION, WE WILL SHARE IT WITH YOU.”

Procedure:

1. When the announcement has been given, all classes will remain in their rooms.
2. Physical education classes will proceed into the gym.
3. Students should be arranged in the shelter area so as to enable them to assume a “**Duck and Cover**” position on command given by the teacher in charge.
4. Move students to the most protected areas in the room.
5. Have students face away from windows and keep their backs toward windows.
6. Close all doors and windows. If possible, cover windows by lowering blinds, closing slots, drawing curtains, or pulling shades.
7. Turn off gas, lights, power equipment, and appliances. All personnel must remain in the shelter area until further instructions are received from official sources.

This action is taken when the threat of violence or gunfire is identified or directed by law

enforcement and it is necessary to prevent the perpetrator(s) from entering occupied areas. During Lockdown, students are to remain in the classrooms or designated locations at all time.

The difference between Shelter-in-Place and Lockdown is that the former involves shut down of the HVAC systems, and allows for the free movement of students within the building.

**REMEMBER- Students will model their emotional reaction after yours.
STAY CALM.**

Description of Action

1. The principal will make the following announcement on the PA System/Two-way radio . If the PA System/Two-way radio is not available, the principal will use other means of communication, i.e., sending messengers to deliver instructions. The principal should be calm, convey reassuring comments that the situation is under control and give clear directions.

“YOUR ATTENTION PLEASE. WE HAVE AN EMERGENCY SITUATION AND NEED TO IMPLEMENT LOCKDOWN PROCEDURES. TEACHERS ARE TO LOCK CLASSROOM DOORS AND KEEP ALL STUDENTS INSIDE THE CLASSROOM UNTIL FURTHER NOTICE. DO NOT OPEN THE DOOR UNTIL NOTIFIED BY AN ADMINISTRATOR OR LAW ENFORCEMENT. IF OUTSIDE, STUDENTS AND STAFF ARE TO PROCEED INSIDE THE NEAREST BUILDING OR CLASSROOM.”

2. If inside, teachers will instruct students to lie on the floor, lock the doors, and close any shades or blinds if it appears safe to do so.
3. If outside, students will proceed to their classrooms if it is safe to do so. If not, teachers or staff will direct students into nearby classrooms or school buildings (e.g., auditorium, library, cafeteria, gymnasium).
4. Teachers and students will remain in the classroom or secured area until further instructions are given by the principal or law enforcement.
5. The front entrance is to be locked and no visitors other than appropriate law enforcement or emergency personnel, have to be allowed on campus.

Staff Responsibilities during a Lockdown

Principal/designee	Announces Lockdown procedure on the PA System/Two-way radio . Ensures doors are locked in all buildings.
---------------------------	--

Business Manager	Calls 911. Locks the office door. Keep phone lines open.
Custodian	Locks all gates to campus.
Teachers	Lock the classroom door and remain with students. Take roll, list all students missing from class and identify their locations (RSP, Speech, absent, etc.). Notify the office, by phone ONLY if they have “lost” children on campus i.e. went to the bathroom, were en-route to the office OR if they have a “loose”child from another class.
Students	Respond to campus security drills in a quick and orderly manner. Listen and respond quickly to all instructions from staff. Students at recess, report to the cafeteria. Stay in seats and remain quiet. Stay away from windows.

No one leaves the classroom!

The end of the Lockdown will be announced over the PA System/Two-way radio .**DO NOT use cell phones to contact the office or outside community. Teachers and staff should not initiate contact with parents.**

Interactions with the Media

The Chief Executive Officer (CEO) shall be the first point of contact for all media inquiries. If a staff member, other than the CEO, receives a request from the media, the staff member shall refer the media to the CEO.

Any staff members wishing to initiate a story with the media shall consult with the CEO prior to contacting the media.

Appendices

A. Monthly School Site Safety Checklist

N. Volunteer, Visitation, and Removal Policy

Voices College-Bound Language Academies (“Voices” or “Charter School”) encourages parents/guardians and interested members of the community to visit Voices’ schools and its educational program. The Voices Board of Directors (“Board”) has established the following procedures which facilitate visitation and volunteering during regular school days in order to ensure minimum interruption of the instructional program.

Definitions

- A “visitor” is defined as any person seeking to enter the school building who is not an employee or a current student at the Charter School. All visitors who are not parents or guardians of a student must have a specific and educationally relevant purpose for their visit.
- A “volunteer” is defined as any person who voluntarily offers and provides a service to the Charter School with Charter School approval without receiving compensation.

Volunteering

Parents or guardians who are interested in volunteering in the classroom must adhere to the following guidelines:

1. Volunteers who will volunteer outside of the direct supervision of a credentialed

employee shall be (1) fingerprinted and (2) receive background clearance and (3) Megan's Law clearance prior to volunteering without the direct supervision of a credentialed employee.

2. A volunteer shall also have on file with Voices a certificate showing that, upon initial volunteer assignment, the person submitted to a tuberculosis risk assessment and, if tuberculosis risk factors were identified, was examined and found to be free of infectious tuberculosis. If no risk factors are identified, an examination is not required. At the discretion of the Voices Board of Directors, this paragraph shall not apply to a volunteer whose functions do not require frequent or prolonged contact with students.

3. Volunteering must be arranged with the classroom teacher and Principal or designee, at least three (3) days in advance.

4. Prior to volunteering in the classroom, the volunteer should communicate with the teacher to discuss the expectations for volunteering needs. Classroom volunteers are there to benefit the entire class and are not in class solely for the benefit of their own child. Classroom volunteers must follow the instructions provided by the classroom teacher or aide. Classroom rules also apply to volunteers to ensure minimal distraction to the teacher. If a volunteer is uncomfortable following the direction of the teacher or aide, the volunteer may leave their volunteer position for that day.

5. Information gained by volunteers regarding students (e.g. academic performance or behavior) is to be maintained in strict confidentiality. Volunteers must sign in agreement that they have read and understand and agree to follow the Family Educational Rights and Privacy Act ("FERPA") Policy.

6. Volunteers shall follow and be governed by all other guidelines indicated elsewhere in this Policy. This includes, but is not limited to, the process of

registering and signing out of the campus at the main office as indicated below.

7. Volunteerism by parents is encouraged but not mandatory.

Conditions for Campus/Classroom Visitation

Voices endeavors to create a safe environment for students and staff. Accordingly, visits during regular school days must be conducted in the manner set forth below:

1. Visits during school hours should first be arranged with the Principal or designee, preferably at least three (3) days in advance. If a conference is desired, an appointment should be set with the teacher during non-instructional time, at least three (3) days in advance. Visitors seeking to visit a classroom during school hours must first obtain the written approval of the Principal or designee.
2. All visitors (including volunteers) shall register with the front office immediately upon entering any school building or grounds during regular school hours. When registering, the visitor is required to provide their name, address, occupation, purpose for entering school grounds, and proof of identity if requested.
3. For purposes of school safety and security, the Principal or designee may provide a visible means of identification for visitors while on school premises.
4. All visitors are asked to comply with current mandated and recommended health and safety protocols. Visitors (including volunteers) who demonstrate signs of a contagious disease (e.g., fever, coughing) may be denied registration. When recommended or requested by the Department of Public Health, visitors will be required to wear personal protective equipment, such as masks, and practice social distancing. Voices reserves the right to implement additional measures for the protection of its school community, such as requiring forehead temperature checks before entry to the same extent being utilized for students and employees.
5. If the visitor is a government officer/official (including but not limited to local law

enforcement officers, immigration enforcement officers, social workers, district attorneys, or U.S. attorneys) the officer/official will also be asked to produce any documentation that authorizes school access. Voices shall make reasonable efforts to notify parents or guardians prior to permitting a student to be interviewed or searched, consistent with the law and/or any court order, warrant or instructions from the officer/official. A copy of the documentation provided by the officer and notes from the encounter may be maintained by Voices, consistent with the law. The Voices Board of Directors and Bureau of Children's Justice in the California Department of Justice, at BCJ@doj.ca.gov, will be timely informed regarding any attempt by a law-enforcement officer to access a school site or a student for immigration-enforcement purposes, as recommended by the Attorney General.

6. Except for unusual circumstances, approved by the Principal, Voices visits should not exceed approximately one-hundred and twenty (120) minutes in length and may not occur more than twice per semester.

7. While on campus, visitors are to enter and leave classrooms as quietly as possible, not converse with any student, teacher, or other instructional assistant unless permitted, and not interfere with any school activity. No electronic listening or recording device may be used in a classroom without the teacher's and Principal's written permission.

8. Before leaving campus, the visitor shall return the Visitor's Permit and sign out of the Visitors Logbook in the main office.

Limitations of Volunteering or Visitation

1. The Principal, or designee, may refuse to register a visitor or volunteer if it is believed that the presence of the visitor or volunteer would cause a threat of disruption or physical injury to teachers, other employees, or students.

2. The Principal may direct a visitor or volunteer without lawful business on campus to

leave campus when the visitor's presence or acts interfere with the peaceful conduct of the activities of the school, or disrupt the school or its students, or school activities. Any visitor who is directed to leave by the Principal or designee will not be permitted to return to the Charter School campus for at least seven (7) calendar days.

3. The Principal or designee may withdraw consent to be on campus for up to fourteen (14) calendar days even if the visitor or volunteer has a right to be on campus whenever there is reason to believe that the person has willfully disrupted or is likely to disrupt Voices' orderly operation. Consent shall be reinstated whenever the Principal has reason to believe that the presence of the person will not constitute a substantial and material threat to the orderly operation of the school campus. The person from whom consent has been withdrawn may submit a written request for a hearing on the withdrawal within the two-week period. The written request shall state the address to which notice of hearing is to be sent. The Principal shall grant such a hearing not later than seven (7) calendar days from the date of receipt of the request and shall immediately mail a written notice of the time, place, and date of such hearing to such person.

4. The Principal or designee may request that a visitor or volunteer who has failed to register, or whose registration privileges have been denied or revoked, promptly leave school grounds. When a visitor or volunteer is directed to leave, the Principal or designee shall inform the visitor or volunteer that if the visitor or volunteer reenters the school without following the posted requirements the visitor or volunteer will be guilty of a misdemeanor.

5. The Principal or designee may seek the assistance of the police (when appropriate) in dealing with or reporting any visitor/volunteer in violation of this policy.

6. This Policy does not authorize Voices to permit a parent/guardian to volunteer or visit the campus if doing so conflicts with a valid restraining order, protective order, or order for custody or visitation issued by a court of competent jurisdiction.

Posting of Notice

At each entrance to Voices school grounds, signs shall be posted specifying the hours during which registration is required, stating where the office of the Principal or designee is located and what route to take to that office, and setting forth the penalties for violation of this Policy.

Penalties

1. Pursuant to the California Penal Code, if a visitor does not leave after being asked or if the visitor returns without following the posted requirements after being directed to leave, the visitor will be guilty of a misdemeanor, which is punishable by a fine of up to \$500.00 (five hundred dollars) or imprisonment in the County jail for a period of up to six (6) months or both.
2. Under California Education Code section 44811, any visitor whose conduct materially disrupts classwork or extracurricular activities or involves substantial disorder is guilty of a misdemeanor and is punishable, upon the first conviction, by a fine of no less than \$500.00 (five hundred dollars) and no more than \$1,000.00 (one thousand dollars) or by imprisonment in a County jail for no more than one (1) year, or both, the fine and imprisonment.
3. Disruptive conduct may lead to Voices' pursuit of a restraining order against a visitor, which would prohibit the visitor, which if granted, from coming onto school grounds or attending school activities for any purpose for a period of up to three (3) years.

O. Student Dress Code Policy

School Philosophy

Voices College-Bound Language Academy ("School") recognizes the need for students of the School to dress appropriately for school. The purpose of our dress code is to enhance the classroom atmosphere and minimize student distraction, so as not to interfere with the educational process. The School believes that students should focus their energy and attention

upon their academic development and not on style or the clothes of their peers. In addition, dress code is important to school pride and safety because it fosters a sense of belonging and students in uniform are easily recognized by all school staff. It is also intended to help protect the health, safety, and welfare of the individual student.

General Guidelines

All students shall be required to show proper attention to personal cleanliness, health, neatness, safety, appearance and to wear a school uniform for school activities. This dress code shall be in effect on campus during school and school sponsored activities except where modified by the site administrator for specific extracurricular activities or in special cases. The Charter School staff and administration reserve the right to determine clothing which disrupts or detracts from the educational environment. This dress code is gender neutral.

Students will be required to wear a school uniform. Inappropriate apparel and accessories includes clothing that compromises safety or is disruptive and/or distracting to the school environment and instructional process. The Board is committed to protecting the health, safety, and welfare of the students and the Board believes that appropriate dress and grooming contribute to a productive learning environment.

Upon the second “Out of Uniform” notice in one school year, a School representative will initiate a telephone conference with the parent. The goal of the conference will be to problem-solve the family’s issue of complying with the uniform policy.

Notification of the Student Dress Code

Parents and students will be provided notice of the Charter School’s dress code at the beginning or the school year and/or upon enrollment. This information will also be located within the Charter School’s Parent/Student Handbook.

Students may not be penalized academically or removed from class as a consequence for not complying with the school uniform policy.
