Board of Navigator Schools  
Gilroy, California

We have audited the financial statements of Navigator Schools as of and for the year ended June 30, 2020, and have issued our report thereon dated REPORT DATE. We have previously communicated to you information about our responsibilities under auditing standards generally accepted in the United States of America, *Government Auditing Standards*, Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and the *2019-20 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Appeals Panel, as well as certain information related to the planned scope and timing of our audit. Professional standards also require that we communicate to you the following information related to our audit.

### **Significant audit findings**

#### ***Qualitative aspects of accounting practices***

##### *Accounting policies*

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Navigator Schools are described in Note 1 to the financial statements.

As described in Note 1, the Organization changed accounting policies related to the change in accounting principle by adopting Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers (Topic 606)* and FASB ASU No. 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*, for the year ended June 30, 2020.

We noted no transactions entered into by the entity during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

##### *Accounting estimates*

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no accounting estimates affecting the financial statements which were particularly sensitive or required substantial judgments by management.

##### *Financial statement disclosures*

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no particularly sensitive financial statement disclosures.

The financial statement disclosures are neutral, consistent, and clear.

**Difficulties encountered in performing the audit**

We encountered no significant difficulties in dealing with management in performing and completing our audit.

**Uncorrected misstatements**

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management did not identify and we did not notify them of any uncorrected financial statement misstatements.

**Corrected misstatements**

The following immaterial misstatements detected as a result of audit procedures were corrected by management:

- Reclassification of contribution from without donor restriction to with donor restriction in the amount of \$63,000, there was no impact to the change in net assets.
- Adjustment to record a multi-year contribution from a donor with restrictions in the amount of \$100,000, which increased accounts receivables and increased revenue and the change in net assets.

**Disagreements with management**

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. No such disagreements arose during our audit.

**Management representations**

We have requested certain representations from management that are included in the management representation letter dated REPORT DATE.

**Management consultations with other independent accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the entity's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

**Other information in documents containing audited financial statements**

With respect to the schedule of expenditures of federal awards (SEFA) accompanying the financial statements, on which we were engaged to report in relation to the financial statements as a whole, we made certain inquiries of management and evaluated the form, content, and methods of preparing the SEFA to determine that the SEFA complies with the requirements of the Uniform Guidance, the method of preparing it has not changed from the prior period or the reasons for such changes, and the SEFA is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the SEFA to the underlying accounting records used to prepare the financial statements or to the financial statements themselves. We have issued our report thereon dated REPORT DATE.

With respect to the Local Education Agency Organization Structure, Schedule of Instructional Time, Schedule of Average Daily Attendance, and Reconciliation of Annual Financial Report with Audited Financial Statements (collectively, the supplementary information) accompanying the financial statements, on which we were engaged to report in relation to the financial statements as a whole, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period or the reasons for such changes, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves. We have issued our report thereon dated REPORT DATE.

## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Navigator Schools  
Gilroy, California

### Report on the Financial Statements

We have audited the accompanying financial statements of Navigator Schools (Navigator), a California nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Navigator's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Navigator's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors  
Navigator Schools

### ***Opinion***

In our opinion, the financial statements referred to on page 1 present fairly, in all material respects, the financial position of Navigator as of June 30, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Other Matters***

#### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on Navigator's financial statements as a whole. The accompanying schedules of the CMO, Gilroy Prep, Hollister Prep, Watsonville Prep, and the elimination columns in the statements of financial position, activities and cash flows, and the schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. The accompanying supplementary schedules as identified in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statement. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued a report dated REPORT DATE on our consideration of Navigator's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness on Navigator's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Navigator's internal control over financial reporting and compliance.

**NAVIGATOR SCHOOLS  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2020**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Activities**

Navigator Schools (Navigator) is a California nonprofit public benefit corporation and is organized to manage and operate public charter schools. The mission of Navigator is to develop students who are proficient or advanced on the California state standards test and to prepare them to excel in college and the work place.

Navigator is funded principally through state of California public education monies received through the California Department of Education. The charters may be revoked by the sponsors for material violations of the charter, failure to meet pupil outcomes identified in the charter, failure to meet generally accepted standards of fiscal management, or violation of any provision of the law.

**Basis of Accounting**

The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables and liabilities.

**Basis of Presentation**

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

**Functional Allocation of Expenses**

The cost of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and support services benefited.

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include occupancy, depreciation, and amortization, which are allocated on a square footage basis, as well as salaries and wages, benefits, pension expenses, and payroll taxes which are allocated on the basis of estimates of time and effort.

**Cash and Cash Equivalents**

Navigator defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Net Asset Classes**

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

*Net Assets With Donor Restrictions* – We report contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

**Accounts Receivable**

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2020. Management believes that all receivables are fully collectible; therefore, no provisions for uncollectible accounts were recorded.

**Property, Plant and Equipment**

Property, plant, and equipment are stated at cost if purchased or at estimated fair value if donated. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets, ranging from 5 years to 10 years. Navigator capitalizes all expenditures for land, buildings, and equipment in excess of \$5,000.

**Revenue Recognition**

Amounts received from the California Department of Education are conditional and recognized as revenue by Navigator based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

**Property Tax Revenue**

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. Santa Clara and San Benito Counties bill and collect property taxes for all taxing agencies within the Counties and distributes these collections to the various agencies. The sponsor agencies of Navigator Schools are required by law to provide in-lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

**NAVIGATOR SCHOOLS  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2020**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Contributions**

All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as contributions with donor restrictions. Restricted contributions that are received and released in the same period are reported as promises to give without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give (those with a measurable performance or other barrier and a right of return) are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. As of June 30, 2020, Navigator did not have any unearned revenue related to conditional grants. As of June 30, 2020, Navigator has conditional grants of \$1,200,000 that have not been recognized as revenue in the statement of activities because conditions have not been met.

**Other Revenue**

Other revenue consists primarily of food service, spirit wear sales and field trip income. The performance obligation for providing food services, spirit wear sales and field trip income are simultaneously received and consumed by the students; therefore, the revenue is recognized at the point in time when the sale occurs.

**Income Taxes**

Navigator is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. Navigator is subject to income tax on net income that is derived from business activities that are unrelated to the exempt purposes. Navigator files an exempt school return and applicable unrelated business income tax return in the U.S. federal jurisdiction and with the California Franchise Tax Board.

**Change in Accounting Principle**

In May 2014, FASB issued Accounting Standards Update (ASU) 2014-09, Revenues from Contracts with Customers (Topic 606). The update establishes the core principle that an entity should recognize revenue to depict the transfer of promised goods or services to customers in the amount that reflects the consideration to which the entity expects to be entitled in exchange for those good or services. Navigator has early adopted the implementation of ASU 2014-09 under the full retrospective approach. There was no material impact on Navigator's financial position and results of operations upon adoption of the new standard.

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Change in Accounting Principle (Continued)**

In June 2018, FASB issued Accounting Standards Update (ASU) 2018-08, Not-for-Profit Entities (Topic 958) – Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. The update clarifies and improves the scope and the accounting guidance for contributions received and contributions made. The amendments in this update should assist entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions), or as exchange (reciprocal transactions) and (2) determining whether a contribution is conditional. Navigator has implemented ASU 2018-08 under the modified prospective approach. There was no material impact on Navigator's financial position and results of operations upon adoption of the new standard.

**Evaluation of Subsequent Events**

Navigator has evaluated subsequent events through REPORT DATE, the date these financial statements were available to be issued.

**NOTE 2 LIQUIDITY AND AVAILABILITY**

Financial assets available for general expenditure are those without donor or other restrictions limiting their use within one year of the statement of financial position date. Financial assets available for general expenditures comprise cash and cash equivalents and accounts receivable for the total amount of \$8,749,762.

As part of its liquidity management plan, Navigator monitors liquidity required and cash flows to meet operating needs on a monthly basis. Navigator structures its financial assets to be available as general expenditures, liabilities and other obligations come due.

**NOTE 3 CONCENTRATION OF CREDIT RISK**

Navigator maintains cash balances held in banks and revolving funds which are insured up to \$250,000 by the Federal Deposit Insurance Corporation (FDIC). At times, cash in these accounts exceeds the insured amounts. Navigator has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

**NOTE 4 PROPERTY, PLANT, AND EQUIPMENT**

Property, plant, and equipment in the accompanying financial statements is presented net of accumulated depreciation. Depreciation expense was \$88,661 for the year ended June 30, 2020.

**NOTE 5 DEBT**

On August 29, 2019, Navigator entered into a Charter School Revolving Loan with the California School Finance Authority, in the amount of \$250,000. The loan bears an interest rate of 2.044% and matures in April 2023. The first repayment is due in August 2020. The balance as of June 30, 2020 was \$250,000.

On January 13, 2020, Navigator entered into a promissory note with the a nonprofit organization for up to the amount of \$250,000. The loan bears an interest rate of 1.500% and matures in December 2024. The balance as of June 30, 2020 was \$74,975.

On April 23, 2020, Navigator received a loan from Mechanics Bank in the amount of \$1,765,000 to fund payroll, rent, utilities, and interest on mortgages and existing debt through the Paycheck Protection Program (the "PPP Loan"). The original loan agreement was written prior to the PPP Flexibility Act of 2020 (June 5) and was due over twenty-four months deferred for six months. Subsequent to this, the law changed the loan deferral terms retroactively. The PPP Flexibility Act and subsequent regulations supersede the loan agreement. The PPP Loan bears interest at a fixed rate of 1.0% per annum, with the first six months of interest deferred, has a term of two years, and is unsecured and guaranteed by the U.S. Small Business Administration. Payment of principal and interest is deferred until the date on which the amount of forgiveness is remitted to the lender or, if Navigator fails to apply for forgiveness within ten months after the covered period, then payment of principal and interest shall begin on that date. These amounts may be forgiven subject to compliance and approval based on the timing and use of these funds in accordance with the program. To the extent that all or part of the PPP Loan is not forgiven, Navigator will be required to pay interest on the PPP Loan at a rate of 1.000% per annum, and commencing in August 2021 principal and interest payments will be required through the maturity date in April 2022. The balance as of June 30, 2020 was \$1,765,000.

**NOTE 7 COMMITMENTS**

Navigator (Gilroy Prep) signed a facility use agreement with the Gilroy Unified School District. The agreement carries a term that coincides with Navigator’s charter. The supervisory oversight fees recorded for the year ended June 30, 2020 were \$143,343.

Navigator (Hollister Prep) signed a facility agreement with Hollister Unified School District starting July 1, 2013 which requires Navigator to pay 3% of Hollister Prep School’s general purpose entitlement and categorical block grants for the property. The supervisory oversight fees recorded for the year ended June 30, 2020 were \$149,269.

**NOTE 8 EMPLOYEE RETIREMENT**

**Multiemployer Defined Benefit Pension Plans**

Qualified employees are covered under a multiemployer defined benefit pension plan maintained by agencies of the state of California.

The risks of participating in this multiemployer defined benefit pension plan is different from single employer plans because: (a) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers, (b) the required member, employer, and state contribution rates are set by the California Legislature, and (c) if Navigator chooses to stop participating in the multiemployer plan, it may be required to pay a withdrawal liability to the plan. Navigator has no plans to withdraw from this multiemployer plan.

**State Teachers' Retirement System (STRS)**

Plan Description

Navigator Schools contributes to the State Teachers' Retirement System (STRS), a cost-sharing multiemployer public employee retirement system defined benefit pension plan administered by STRS. Plan information for STRS is not publicly available. The plan provides retirement, disability and survivor benefits to beneficiaries. Benefit provisions are established by State statutes, as legislatively amended, within the State Teachers' Retirement Law. According to the most recently available Comprehensive Annual Financial Report and Actuarial Valuation Report for the year ended June 30, 2019 total STRS plan net assets are \$273 billion, the total actuarial present value of accumulated plan benefits is \$392 billion, contributions from all employers totaled \$5.6 billion, and the plan is 66% funded. Navigator did not contribute more than 5% of the total contributions to the plan.

Copies of the STRS annual financial reports may be obtained from STRS, 7667 Folsom Boulevard, Sacramento, CA 95826, and [www.calstrs.com](http://www.calstrs.com).

Funding Policy

Active plan members hired before January 1, 2013 are required to contribute 10.25% of their salary and those hired after are required to contribute 9.205% of their salary. Navigator is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the STRS Teachers' Retirement Board. Under the 2014 funding plan, employer contributions on compensation creditable to the program will increase every year for the next seven years, up to 19.10% in 2021-22. The required employer contribution rate for year ended June 30, 2020 was 17.10% of annual payroll. The contribution requirements of the plan members are established and may be amended by state statute.

Navigator's contributions to STRS for the past three years are as follows:

<u>Year Ended June 30,</u>	<u>Required Contribution</u>	<u>Percent Contributed</u>
2018	\$ 485,167	100%
2019	\$ 670,287	100%
2020	\$ 886,472	100%

**NOTE 9 CHARTER MANAGEMENT ORGANIZATION**

Navigator charges CMO fees of \$1,865,100 to each charter for management services performed during the year. Navigator (Gilroy Prep) paid CMO fees of \$756,456 for the year ended June 30, 2020. Navigator (Hollister Prep) paid CMO fees of \$805,032 for the year ended June 30, 2020. Navigator (Watsonville Prep) paid CMO fees of \$303,612 for the year ended June 30, 2020. These fees were eliminated in the financial statements.

**NAVIGATOR SCHOOLS  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2020**

**NOTE 10 CONTINGENCIES, RISKS AND UNCERTAINTIES**

Navigator has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, management believes that any required reimbursement would not be material.

During the fiscal year, the World Health Organization declared the spread of Coronavirus Disease (COVID-19) a worldwide pandemic. Subsequent to year-end, the COVID-19 pandemic continues to have significant effects on global markets, supply chains, businesses, and communities. Specific to Navigator, COVID-19 may impact various parts of its 2021 operations and financial results, including, but not limited to, loss of revenues, additional bad debts, costs for increased use of technology, or potential shortages of personnel. Management believes Navigator is taking appropriate actions to mitigate the negative impact. However, the full impact of COVID-19 is unknown and cannot be reasonably estimated as these events are still developing.

**NOTE 11 SUBSEQUENT EVENTS**

As of July 1, 2020, Navigator will lease facilities of \$100,000 per year with an increase every year in conjunction to enrollment increases.

In January 2021, the promissory note with the nonprofit organization was converted into a loan for \$1,400,000 for the Watsonville Prep construction. The loan bears an interest rate of 1.000%. The balloon payment for the loan is due and payable in December 2027.

In January 2021, Navigator created 407 Main Street, LLC (the LLC), of which Navigator is the single member. The LLC entered into three loans with financial institutions in the total amount of \$7,075,093. The loans bear an interest rate between 5% to 6% and matures at the latest date of January 2051.

**NOTE 1 SCHEDULE OF INSTRUCTIONAL TIME**

This schedule presents information on the amount of instructional time offered by Navigator and whether Navigator complied with the provisions of California Education Code.

**NOTE 2 SCHEDULE OF AVERAGE DAILY ATTENDANCE**

Average daily attendance is a measurement of the number of pupils attending classes of Navigator. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of state funds are made to charter schools. This schedule provides information regarding the attendance of students at various grade levels.

**NOTE 3 RECONCILIATION OF ANNUAL FINANCIAL REPORT WITH AUDITED FINANCIAL STATEMENTS**

This schedule provides the information necessary to reconcile the net assets of the charter schools as reported on the Annual Financial Report form to the audited financial statements.

**NOTE 4 SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of Navigator under programs of the federal governmental for the year ended June 30, 2020. The information in the Schedule is presented on the accrual basis of accounting in accordance with the requirements of the Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of operations of Navigator, it is not intended to and does not present the financial position, change in net assets, or cash flows of Navigator.

**NOTE 5 INDIRECT COST RATE**

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors  
Navigator Schools  
Gilroy, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Navigator Schools (Navigator), a nonprofit California public benefit corporation, which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, cash flows, and functional expenses for the year then ended, the related notes to the financial statements, and have issued our report thereon dated REPORT DATE.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Navigator's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Navigator's internal control. Accordingly, we do not express an opinion on the effectiveness of Navigator's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors  
Navigator Schools

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Navigator's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Navigator's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Navigator's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

FEDERAL PROGRAM, AND REPORT ON INTERNAL CONTROL  
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDE**

Board of Directors  
Navigator Schools  
Gilroy, California

**Report on Compliance for Each Major Federal Program**

We have audited the compliance of Navigator Schools (Navigator) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Compliance Supplement* that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2020. Navigator's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and terms and conditions of federal awards applicable to its federal program.

***Auditors' Responsibility***

Our responsibility is to express an opinion on compliance for each of Navigator's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Navigator's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Navigator's compliance.

Board of Directors

### ***Opinion on Each Major Federal Program***

In our opinion, Navigator complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2020.

### **Report on Internal Control Over Compliance**

Management of Navigator is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Navigator's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance, for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Navigator's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies in internal control over compliance such that there is a reasonable possibility, that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected and corrected on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Re: June 30, 2021 Tax Exempt Returns and State Filings

Dear Board of Directors and Management:

We are pleased that Navigator Schools (“you,” “your,” or “the organization”) has engaged CliftonLarsonAllen LLP (“CLA,” “we,” “us,” and “our”) to prepare the organization’s federal Form 990 and applicable state filings. This letter confirms the scope, limitations, and related terms of our engagement for the year ended June 30, 2021.

#### **Our responsibility to you**

We will prepare the organization’s federal Form 990 and applicable state filings in accordance with the applicable tax laws. We will use our judgment in resolving questions where the law is unclear, and where there is reasonable authority, we will resolve questions in your favor whenever possible. We will not audit or independently verify the accuracy or completeness of the information we receive from you for the preparation of the returns and filings, and our engagement cannot be relied upon to uncover errors or irregularities in the underlying information.

#### **Your responsibilities**

It is your responsibility to provide us with all of the information needed to prepare complete and accurate returns and filings. We will have no obligation to prepare the returns and filings until you have provided such information to us. We will prepare filings for the same states where the organization filed last year unless organization personnel notify us to the contrary or other information clearly indicates the need for an additional return or state filing. It is your responsibility to comply with all foreign jurisdiction filing requirements. We have no obligation to prepare returns for foreign jurisdictions

The United States Supreme Court ruled in *South Dakota versus Wayfair* (6/21/18) that physical presence is no longer required to establish nexus for sales tax. This ruling may have broad implications, even beyond sales tax, as to where an organization is subject to tax. Please note that if the organization had a taxable presence in more than one jurisdiction, such as an employee or agent within the jurisdiction, any tangible property owned or rented within the jurisdiction, or if the organization exceeds any applicable economic nexus thresholds, the organization or related entities may be subject to state or local income, sales, use, franchise, or gross receipts tax in that jurisdiction depending upon the particular facts. It is the organization’s responsibility, not CLA’s, to determine if assistance is needed in deciding whether the organization or related entities may be liable for income, sales, use, franchise, or gross receipts tax, or have a filing requirement in the various state or local jurisdictions.

It is important for you to identify any ownership OR signature authority over a foreign bank account or other foreign financial assets which includes but is not limited to foreign: stocks, mutual funds, partnerships, bonds, retirement accounts, estates, trusts, annuities, swaps, and derivatives. Failure to disclose penalties can be significant, starting at \$10,000 and can be upwards of 50 percent of the value of the asset. Please provide account statements if you have any foreign account ownership or signature authority. Note that these rules do not apply to foreign investments held by U.S. mutual funds. In addition, ownership in a foreign business entity (association, corporation, disregarded entity, or partnership) could trigger additional U.S. foreign informational reporting requirements. These reporting requirements require the disclosure of ownership, financial information, and related-party transactions. Failure to properly disclose ownership and the required information could trigger a \$10,000 penalty per filing. We cannot be held responsible if you fail to identify or provide such information to us.

For all nonattest services we may provide to you, including the preparation of the federal Form 990 and applicable state filings, management agrees to assume all management responsibilities; oversee the services by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, and/or experience to understand and oversee the services; evaluate the adequacy and results of the services performed; and accept responsibility for the results of the services. Management is also responsible for ensuring that your data and records are complete and that you have received sufficient information to oversee the services. You are responsible to carefully review the federal Form 990 and state filings that we prepare on your behalf before signing and submitting them to tax authorities. We will advise you with regard to tax positions taken in the preparation of the federal Form 990 and state filings, but the responsibility for the federal Form 990 and state filings remains with you.

### **Tax examinations**

All returns and filings are subject to potential examination by the IRS and state authorities. In the event of an examination, we will be available, at your request, to assist or represent the organization and its directors or officers. Services in connection with tax examinations are not included in our fee for preparation of the federal Form 990 and state filings. Our fee for such services will be billed to you separately, along with any direct costs.

### **Record retention**

You are responsible for retaining all documents, records, canceled checks, receipts, or other evidence in support of information and amounts reported on the federal Form 990 and state filings. These items may be necessary in the event the taxing or other authority examines or challenges your federal Form 990 and state filings. These records should be kept for at least seven years. Your copy of the federal Form 990 and state filings should be retained indefinitely.

If carryover item(s) exist (e.g., capital loss, net operating loss, tax credits, etc.), you should retain the supporting records related to the carryover item(s) until the item has either been utilized (and the statute of limitations associated with the year of utilization has expired) or the carryforward period has expired.

In preparing the federal Form 990 and state filings, we rely on your representation that organization personnel and its directors or officers understand and have complied with these documentation requirements. The management of the organization is responsible for the proper recording of transactions in the books of accounts, for the safeguarding of assets, and for the substantial accuracy of the organization's financial records.

Navigator Schools

All of the records that you provide to us to prepare your federal Form 990 and state filings will be returned to you after our use. Our working papers, including any copies of your records that we chose to make, are our property and will be retained by us in accordance with our established records retention policy. This policy states, in general, that we will retain our working papers for a period of seven years. After this period expires, our working papers and files will be destroyed. Furthermore, physical deterioration or catastrophic events may shorten the time our records are available. The working papers and files of our firm are not a substitute for the records of the organization.

### **Tax consulting services**

This engagement letter also covers tax consulting services that may arise for which the organization seeks our consultation and advice, both written and oral, that are not the subject of a separate engagement letter. These additional services are not included in our fees for the preparation of the federal Form 990 and state filings.

We will base our tax analysis and conclusions on the facts you provide to us, and will not independently verify those facts. We will review the applicable tax law, tax regulations, and other tax authorities, all of which are subject to change. At your request, we will provide a memorandum of our conclusions. Written advice provided by us is for the organization's information and use only and is not to be provided to any third party without our express written consent.

Unless we are separately engaged to do so, we will not continuously monitor and update our advice for subsequent changes or modifications to the tax law and regulations, or to the related judicial and administrative interpretations.

### **Communications and confidentiality**

The Internal Revenue Code contains a limited privilege for confidentiality of tax advice between you and our firm. In addition, the laws of some states likewise recognize a confidentiality privilege for some accountant-client communications. You understand that CLA makes no representation, warranty or promise, and offers no opinion with respect to the applicability of any confidentiality privilege to any information supplied or communications you have with us, and, to the extent that we follow instructions from you to withhold such information or communications in the face of a request from a third party (including a subpoena, summons or discovery demand in litigation), you agree to hold CLA harmless should the privilege be determined not to apply to particular information or communications.

CLA will not disclose any confidential, proprietary, or privileged information of the entity to any persons without the authorization of entity management or unless required by law. This confidentiality provision does not prohibit us from disclosing your information to one or more of our affiliated companies in order to provide services that you have requested from us or from any such affiliated company. Any such affiliated company shall be subject to the same restrictions on the use and disclosure of your information as apply to us.

### **Consent to send you publications and other materials**

For your convenience, CLA produces a variety of publications, hard copy and electronic, to keep you informed about pertinent business and personal financial issues. This includes published articles, invitations to upcoming seminars, webinars and webcasts, newsletters, surveys, and press releases. To determine whether these materials may be of interest to you, CLA will need to use your federal Form 990 and state filings information. Such

information includes the organization name and address as well as the business and financial information you provided to us.

By signing and dating this engagement letter, you authorize CLA to use the information that you provide to CLA during the preparation of your federal Form 990 and state filings to determine whether to offer you relevant materials. Your consent is valid until further notice. If you do not wish to authorize such use, please strike out this paragraph prior to signing the engagement letter.

### **Consent to use tax information for benchmarking analyses**

In an effort to better serve the needs of our clients, we develop a variety of benchmark, performance indicator, and predictive analysis reports, using anonymized client data obtained from our audit, tax, and other engagements. Business and financial information that you provide to us may be combined with information from other clients and included within the aggregated data that we use in these reports. While some of these analytical reports will be published and released publicly, please be assured that the separate information that we obtain from you will remain confidential, as required by the AICPA Code of Professional Conduct.

Unless authorized by law or the client consents, we cannot use a client's tax return information for purposes other than the preparation and filing of the client's tax return. By signing and dating this engagement letter, you authorize CLA to use any and all information furnished to CLA for or in connection with the preparation of the tax returns under this engagement letter, for a period of up to six (6) years from the date of this engagement letter, in connection with CLA's preparation of the types of reports described in the foregoing paragraph. If you do not wish to authorize such use, please strike out this section prior to signing the engagement letter.

### **Limitations**

You agree that it is appropriate to limit the liability of CLA, its partners, principals, directors, officers, employees, and agents (each a "CLA party") and that this limitation of remedies provision is governed by the laws of the state of Minnesota, without giving effect to choice of law principles.

The exclusive remedy available to you shall be the right to pursue claims for actual damages that are directly caused by acts or omissions that are breaches by a CLA party of our duties owed under this engagement agreement, but any recovery on any such claim shall not exceed the portion of the total fees actually paid by you to CLA that corresponds to the particular service(s) that give(s) rise to the claim (i.e., the specific service(s) that a CLA party performed in such a manner as to cause CLA to be liable to you).

The nature of our services makes it difficult, with the passage of time, to gather and present evidence that fully and fairly establishes the facts underlying any dispute that may arise between you and any CLA party. The parties (you and CLA) agree that, notwithstanding any statute or law of limitations that might otherwise apply to a dispute, including one arising out of this agreement or the services performed under this agreement, for breach of contract or fiduciary duty, tort, fraud, misrepresentation or any other cause of action or remedy, any action or legal proceeding by you against any CLA party must be commenced as provided below, or you shall be forever barred from commencing a lawsuit or obtaining any legal or equitable relief or recovery. An action to recover on a dispute shall be commenced within the shorter of these periods ("Limitation Period"):

February 1, 2021  
Navigator Schools  
Page 5

- For federal Form 990 and state filing preparation, separately within thirty-six (36) months after the date when we deliver the tax returns and filings under this agreement to you on which the dispute is based, regardless of whether any CLA party provides other services for you or relating to said returns and filings.
- For tax consulting engagements, separately within thirty-six (36) months from the date of our last billing for services on each consultation on which the dispute is based.
- For all tax return, state filing, and tax consulting engagements, within twelve (12) months from the date when you terminate this or any other engagement of our services.

The applicable Limitation Period applies and begins to run even if you have not suffered any damage or loss, or have not become aware of the existence or possible existence of a dispute.

### **Fees**

Our professional fees will be billed based on the time involved and skills required. We will also bill for expenses (including internal and administrative charges) plus a technology and client support fee of five percent (5%) of all professional fees billed. Fees and expenses for this work will be invoiced separately. Our invoices, including applicable state and local taxes, will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 30 days or more overdue and will not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed even if we have not issued the tax returns and filings. You will be obligated to compensate us for all time expended and related fees and to reimburse us for all out-of-pocket expenditures through the date of termination.

### ***Other fees***

You also agree to compensate us for any time and expenses, including time and expenses of legal counsel, we may incur in responding to discovery requests or participating as a witness or otherwise in any legal, regulatory, or other proceedings that we are asked to respond to on your behalf.

### ***Finance charges and collection expenses***

You agree that if any statement is not paid within 30 days from its billing date, the unpaid balance shall accrue interest at the monthly rate of one and one-quarter percent (1.25%), which is an annual percentage rate of 15%. In the event that any collection action is required to collect unpaid balances due us, reasonable attorney fees and expenses shall be recoverable.

### **Termination of agreement**

Either party may terminate this agreement at any time by giving written notice to the other party. In that event, the provisions of this agreement shall continue to apply to all services rendered prior to termination.

### **Agreement**

Board of Directors and Management  
Navigator Schools  
650 San Benito St., Ste. 230  
Hollister, CA 95023

Dear Board of Directors and Management:

We are pleased to confirm our understanding of the terms and objectives of our engagement and the nature and limitations of the audit and nonaudit services CliftonLarsonAllen LLP ("CLA," "we," "us," and "our") will provide for Navigator Schools ("you," "your," or "the Organization") for the year ended June 30, 2021.

Lili Huang is responsible for the performance of the audit engagement. Per Education Code Section 41020(f)(2), there is a limit of six consecutive year for any firm where the principal/director-in-charge of the audit and the reviewing principal/director have been the same in each of those years. This is the second consecutive year Lili Huang will be the engagement principal.

#### **Audit services**

We will audit the financial statements of the Organization, which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

We will also evaluate and report on the presentation of the supplementary information accompanying the financial statements in relation to the financial statements as a whole.

#### **Nonaudit services**

We will also provide the following nonaudit services:

- Preparation of your financial statements, schedule of expenditures of federal awards, and related notes.
- Preparation of adjusting journal entries.
- Preparation of informational tax returns

### **Audit objectives**

The objective of our audit is the expression of an opinion about whether your financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP). Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS); the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and the *2020-2021 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel. Our audit will include tests of your accounting records, a determination of major program(s) in accordance with the Uniform Guidance, and other procedures we consider necessary to enable us to express opinions and render the required reports. We will also perform procedures to enable us to express an opinion on whether the supplementary information (as identified above) accompanying the financial statements is fairly stated, in all material respects, in relation to the financial statements as a whole.

The objectives of our audit also include:

- Reporting on internal control over financial reporting and compliance with the provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Reporting on internal control over compliance related to major programs and expressing an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Uniform Guidance.
- Reporting on compliance related to state programs and expressing an opinion (or disclaimer of opinion) on compliance with the laws and regulations of the state programs in accordance with the requirements of the *2020-2021 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will include a paragraph that states (1) that the purpose of the report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the result of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

We will issue written reports upon completion of our audit of your financial statements and compliance with requirements applicable to major programs. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions, add an

emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement. If our opinion on the financial statements or the single audit compliance opinion is other than unmodified, we will discuss the reasons with you in advance. If circumstances occur related to the condition of your records, the availability of sufficient, appropriate audit evidence, or the existence of a significant risk of material misstatement of the financial statements or material noncompliance caused by error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment prevent us from completing the audit or forming an opinion on the financial statements or an opinion on compliance, we retain the right to take any course of action permitted by professional standards, including declining to express opinions or issue reports, or withdrawing from the engagement.

We will also issue a written report on state compliance upon completion of our audit.

### **Auditor responsibilities, procedures, and limitations**

We will conduct our audit in accordance with U.S. GAAS and the standards for financial audits contained in *Government Auditing Standards*. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error. An audit involves performing procedures to obtain sufficient appropriate audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

There is an unavoidable risk, because of the inherent limitations of an audit, together with the inherent limitations of internal control, that some material misstatements or noncompliance may not be detected, even though the audit is properly planned and performed in accordance with U.S. GAAS, *Government Auditing Standards*, and the Uniform Guidance. Because we will not perform a detailed examination of all transactions, material misstatements, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity, may not be detected. Because the determination of waste or abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting waste or abuse.

In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management and those charged with governance of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management and those charged with governance of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and of any material abuse that comes to our attention. We will include such matters in the reports required for a single audit.

In making our risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements and compliance in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness

of the entity's internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting fraud or errors that are material to the financial statements and to preventing and detecting misstatements resulting from noncompliance with provisions of laws, regulations, contracts, and grant agreements that have a material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with the direct and material compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify deficiencies, significant deficiencies, or material weaknesses in internal control. However, we will communicate to you in writing significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we identify during the audit that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the entity's compliance with the provisions of laws, regulations, contracts, and grant agreements that have a material effect on the financial statements. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

We will include in our report on internal control over financial reporting and on compliance relevant information about any fraud; noncompliance with provisions of laws, regulations, contracts, or grant agreements; or abuse that may have occurred that are required to be communicated under *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards that may have a direct and material effect on each of the entity's major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the "OMB Compliance Supplement" for the types of compliance requirements that could have a direct and material effect on each of the entity's major programs. The purpose of these procedures will be to express an opinion on the entity's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

We will evaluate the presentation of the schedule of expenditures of federal awards accompanying the financial statements in relation to the financial statements as a whole. We will make certain inquiries of management and evaluate the form, content, and methods of preparing the schedule to determine whether the information complies with U.S. GAAP and the Uniform Guidance, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our

audit of the financial statements. We will compare and reconcile the schedule to the underlying accounting records and other records used to prepare the financial statements or to the financial statements themselves.

Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

### **Management responsibilities**

Our audit will be conducted on the basis that you (management and, when appropriate, those charged with governance) acknowledge and understand that you have certain responsibilities that are fundamental to the conduct of an audit.

You are responsible for the preparation and fair presentation of the financial statements and the schedule of expenditures of federal awards in accordance with U.S. GAAP. Management is also responsible for identifying all federal awards received, understanding and complying with the compliance requirements, and for the preparation of the schedule of expenditures of federal awards (including notes and noncash assistance received) in accordance with the requirements of the Uniform Guidance.

Management's responsibilities include the selection and application of accounting principles; recording and reflecting all transactions in the financial statements; determining the reasonableness of significant accounting estimates included in the financial statements; adjusting the financial statements to correct material misstatements; and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. Management is responsible for compliance with applicable laws and regulations and the provisions of contracts and grant agreements, including compliance with federal statutes, regulations, and the terms and conditions of federal awards applicable to the entity's federal programs. Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

You are responsible for the design, implementation, and maintenance of effective internal control, including internal control over compliance, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; and that there is reasonable assurance that government programs are administered in compliance with compliance requirements.

You are responsible for the design, implementation, and maintenance of internal controls to prevent and detect fraud; assessing the risk that the financial statements may be materially misstated as a result of fraud; and for informing us about all known or suspected fraud affecting the entity involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the entity received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for implementing systems designed to achieve compliance with applicable laws and regulations and the provisions of contracts and grant agreements, including compliance with federal

statutes, regulations, and the terms and conditions of federal awards applicable to the entity's federal programs; identifying and ensuring that the entity complies with applicable laws, regulations, contracts, and grant agreements, including compliance with federal statutes, regulations, and the terms and conditions of federal awards applicable to the entity's federal programs; and informing us of all instances of identified or suspected noncompliance whose effects on the financial statements should be considered.

You are responsible for taking timely and appropriate steps to remedy any fraud; noncompliance with provisions of laws, regulations, contracts, or grant agreements; or abuse that we may report. Additionally, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified, including noncompliance identified in audit findings; and to follow up and take prompt corrective action on reported audit findings and to prepare a summary schedule of prior audit findings and a corrective action plan.

You are responsible for ensuring that management is reliable and for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters, and for the accuracy and completeness of that information, and for ensuring the information is reliable and properly reported; (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance; (3) additional information that we may request for the purpose of the audit; and (4) unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence. You agree to inform us of events occurring or facts discovered subsequent to the date of the financial statements that may affect the financial statements.

You agree to include our report on the schedule of expenditures of federal awards in any document that contains and indicates that we have reported on the schedule of expenditures of federal awards. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal awards that includes our report thereon or make the audited financial statements readily available to intended users of the schedule of expenditures of federal awards no later than the date the schedule of expenditures of federal awards is issued with our report thereon. Your responsibilities include acknowledging to us in the representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal awards, including its form and content, is fairly presented in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards.

Management is responsible for the preparation and fair presentation of other supplementary information in accordance with U.S. GAAP. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon or make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. You agree to provide us written representations related to the presentation of the supplementary information.

Management is responsible for providing us with a written confirmation concerning representations made by you and your staff to us in connection with the audit. During our engagement, we will request information and explanations from you regarding, among other matters, the entity's activities, internal control, future plans, specific transactions, and accounting systems and procedures. The procedures we will perform during our engagement and the conclusions we reach as a basis for our report will be heavily influenced by the representations that we receive in the representation letter and otherwise from you. Accordingly, inaccurate, incomplete, or false representations could cause us to expend unnecessary effort or could cause a material fraud or error to go undetected by our procedures. In view of the foregoing, you agree that we shall not be responsible for any misstatements in the entity's financial statements that we may fail to detect as a result of misrepresentations made to us by you.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies to us of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the "Audit objectives" section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other engagements or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

#### **Responsibilities and limitations related to nonaudit services**

For all nonaudit services we may provide to you, management agrees to assume all management responsibilities; oversee the services by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, and/or experience to understand and oversee the services; evaluate the adequacy and results of the services; and accept responsibility for the results of the services.

The responsibilities and limitations related to the nonaudit services performed as part of this engagement are as follows:

- We will prepare a draft of your financial statements, schedule of expenditures of federal awards, and related notes in conformity with U.S. GAAP and the Uniform Guidance based on information provided by you. Since the preparation and fair presentation of the financial statements and schedule of expenditures of federal awards is your responsibility, you will be required to acknowledge in the representation letter our assistance with preparation of the financial statements and schedule of expenditures of federal awards and that you have reviewed and approved the financial statements, schedule of expenditures of federal awards, and related notes prior to their issuance and have accepted responsibility for them. You have a responsibility to be in a position in fact and appearance to make an informed judgment on those financial statements and schedule of expenditures of federal awards.
- We will propose adjusting journal entries as needed. You will be required to review and approve those entries and to understand the nature of the changes and their impact on the financial statements.

February 1, 2021  
Navigator Schools

- We will prepare the organization's federal Form 990 and applicable state filings in accordance with the applicable tax laws. We will use our judgment in resolving questions where the law is unclear, and where there is reasonable authority, we will resolve questions in your favor whenever possible. We will not audit or independently verify the accuracy or completeness of the information we receive from you for the preparation of the returns and filings, and our engagement cannot be relied upon to uncover errors or irregularities in the underlying information.

These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*.

### **Use of financial statements**

Should you decide to include or incorporate by reference these financial statements and our auditors' report(s) thereon in a future private placement or other offering of equity or debt securities, you agree that we are under no obligation to re-issue our report or provide consent for the use of our report in such a registration or offering document. We will determine, at our sole discretion, whether we will re-issue our report or provide consent for the use of our report only after we have performed the procedures we consider necessary in the circumstances. If we decide to re-issue our report or consent to the use of our report, we will be required to perform certain procedures including, but not limited to, (a) reading other information incorporated by reference in the registration statement or other offering document and (b) subsequent event procedures. These procedures will be considered an engagement separate and distinct from our audit engagement, and we will bill you separately. If we decide to re-issue our report or consent to the use of our report, you agree that we will be included on each distribution of draft offering materials and we will receive a complete set of final documents. If we decide not to re-issue our report or decide to withhold our consent to the use of our report, you may be required to engage another firm to audit periods covered by our audit reports, and that firm will likely bill you for its services. While the successor auditor may request access to our workpapers for those periods, we are under no obligation to permit such access.

If the parties (i.e., you and CLA) agree that CLA will not be involved with your official statements related to municipal securities filings or other offering documents, we will require that any official statements or other offering documents issued by you with which we are not involved clearly indicate that CLA is not involved with the contents of such documents. Such disclosure should read as follows:

CliftonLarsonAllen LLP, our independent auditor, has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. CliftonLarsonAllen LLP also has not performed any procedures relating to this offering document.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website or submitted on a regulator website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in those sites or to consider the consistency of other information in the electronic site with the original document.

February 1, 2021  
Navigator Schools

We may issue preliminary draft financial statements to you for your review. Any preliminary draft financial statements should not be relied on or distributed.

### **Engagement administration and other matters**

We expect to begin our audit approximately in May 2021.

We understand that your employees will prepare all confirmations, account analyses, and audit schedules we request and will locate any documents or invoices selected by us for testing. A list of information we expect to need for our audit and the dates required will be provided in a separate communication.

At the conclusion of the engagement, we will complete the auditor sections of the electronic Data Collection Form SF-SAC and perform the steps to certify the Form SF-SAC and single audit reporting package. It is management's responsibility to complete the auditee sections of the Data Collection Form. We will create the single audit reporting package PDF file for submission; however, it is management's responsibility to review for completeness and accuracy and electronically submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse and, if appropriate, to pass-through entities. The Data Collection Form and the reporting package must be electronically submitted within the earlier of 30 calendar days after receipt of the auditors' reports or nine months after the end of the audit period.

We will provide copies of our reports to the entity; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

We are available to perform additional procedures with regard to fraud detection and prevention, at your request, as a separate engagement, subject to completion of our normal engagement acceptance procedures. The terms and fees of such an engagement would be documented in a separate engagement letter.

The audit documentation for this engagement is the sole and exclusive property of CLA and constitutes confidential and proprietary information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to the Cognizant or Grantor Agency, or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of CLA personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of seven years after the report release date or for any additional period requested by the Cognizant or Grantor Agency. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

February 1, 2021  
Navigator Schools

Except as permitted by the "Consent" section of this agreement, CLA will not disclose any confidential, proprietary, or privileged information of the entity to any persons without the authorization of entity management or unless required by law. This confidentiality provision does not prohibit us from disclosing your information to one or more of our affiliated companies in order to provide services that you have requested from us or from any such affiliated company. Any such affiliated company shall be subject to the same restrictions on the use and disclosure of your information as apply to us.

Professional standards require us to be independent with respect to you in the performance of these services. Any discussion that you have with our personnel regarding potential employment with you could impair our independence with respect to this engagement. Therefore, we request that you inform us prior to any such discussions so that we can implement appropriate safeguards to maintain our independence and objectivity. Further, any employment offers to any staff members working on this engagement without our prior knowledge may require substantial additional procedures to ensure our independence. You will be responsible for any additional costs incurred to perform these procedures.

Our relationship with you is limited to that described in this letter. As such, you understand and agree that we are acting solely as independent accountants. We are not acting in any way as a fiduciary or assuming any fiduciary responsibilities for you. We are not responsible for the preparation of any report to any governmental agency, or any other form, return, or report or for providing advice or any other service not specifically recited in this letter.

Our engagement and responsibility end on delivery of our signed report. Any additional services that might be requested will be a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific engagement letter for that service.

*Government Auditing Standards* require that we make our most recent external peer review report publicly available. The report is posted on our website at [www.CLAconnect.com/Aboutus/](http://www.CLAconnect.com/Aboutus/).

### **Mediation**

Any disagreement, controversy, or claim ("Dispute") that may arise out of any aspect of our services or relationship with you, including this engagement, shall be submitted to non-binding mediation by written notice ("Mediation Notice") to the other party. In mediation, we will work with you to resolve any differences voluntarily with the aid of an impartial mediator.

The mediation will be conducted as specified by the mediator and agreed upon by the parties. The parties agree to discuss their differences in good faith and to attempt, with the assistance of the mediator, to reach an amicable resolution of the Dispute.

Each party will bear its own costs in the mediation. The fees and expenses of the mediator will be shared equally by the parties.

Any Dispute will be governed by the laws of the state of Minnesota, without giving effect to choice of law principles.

### **Time limitation**

February 1, 2021  
 Navigator Schools  
 Page 11

The nature of our services makes it difficult, with the passage of time, to gather and present evidence that fully and fairly establishes the facts underlying any Dispute that may arise between the parties. The parties agree that, notwithstanding any statute or law of limitations that might otherwise apply to a Dispute, including one arising out of this agreement or the services performed under this agreement, for breach of contract or fiduciary duty, tort, fraud, misrepresentation or any other cause of action or remedy, any action or legal proceeding by you against us must be commenced within twenty-four (24) months ("Limitation Period") after the date when we deliver our final audit report under this agreement to you, regardless of whether we do other services for you relating to the audit report, or you shall be forever barred from commencing a lawsuit or obtaining any legal or equitable relief or recovery.

The Limitation Period applies and begins to run even if you have not suffered any damage or loss, or have not become aware of the existence or possible existence of a Dispute.

### Price Estimate

The price for these services will be based on the time involved and the degree of responsibility and skills required, plus expenses including internal and administrative charges. Based on our preliminary estimates, the price for the engagement is as follows:

Professional Services		Amount
Audit services (includes procedures for one major program under Uniform Guidance, if additional programs are required to be tested they will be billed at \$4,500 per additional federal program)	\$	18,100
Data Collection Form SF-FAC and single audit reporting package	\$	950
Informational tax return services	\$	2,200
Technology and client support fee	\$	1,070
<b>Total</b>	<b>\$</b>	<b>22,320</b>

Additional attendance and instructional minutes procedures related to distance learning will be billed as out-of-scope.

The price estimate is based on anticipated cooperation from your personnel and their assistance with preparing confirmations and requested schedules. If the requested items are not available on the dates required or are not accurate, the estimated price for services will likely be higher. If unexpected circumstances require significant additional time, we will advise you before undertaking work that would require a substantial increase in the fee estimate. Our invoices for our services will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work

February 1, 2021  
 Navigator Schools

may be suspended if your account becomes 60 days or more overdue and will not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed even if we have not issued our reports. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination. There is a ten percent withholding clause per Education Code 14505.

### ***Technology Support Fee***

Given the rising technology costs all organizations are expending to serve and protect client information, we are adding a 5% technology and client support fee to all of our invoices. The fee combines technology expenses with client support costs and includes technology support, printing, communications, data security and storage, indirect engagement support costs and technical resource subscriptions. This is estimated and included in the fee table above.

### **Changes in engagement timing and assistance by your personnel**

The fee estimate is based on anticipated cooperation from your personnel and their assistance with timely preparation of confirmations and requested schedules. If the requested items are not available on the dates required or are not accurate, we will advise management. Additional time and costs may be necessary because of such unanticipated delays. Examples of situations that may cause our estimated fee to increase include:

- Significant delays in responding to our requests for information such as reconciling variances or providing requested supporting documentation (e.g., invoices, contracts, and other documents)
- Rescheduling our fieldwork
- Schedule disruption caused by litigation, financial challenges (going concern), loan covenants (waivers), etc.
- Identifying a significant number of proposed audit adjustments
- Schedules prepared by your personnel that do not reconcile to the general ledger
- Numerous revisions to information and schedules provided by your personnel
- Restating financial statements for accounting errors in the prior year
- Lack of availability of entity personnel during audit fieldwork

### ***Changes in accounting and audit standards***

Standard setters and regulators continue to evaluate and modify standards. Such changes may result in new or revised financial reporting and disclosure requirements or expand the nature, timing, and scope of the activities we are required to perform. To the extent that the amount of time required to provide the services described in the letter increases due to such changes, our fee may need to be adjusted. We will discuss such circumstances with you prior to performing the additional work.

### ***Changes related to COVID-19***

COVID-19 continues to have significant direct and indirect impacts on financial reporting, disclosure requirements, and the nature, timing, and scope of the activities we are required to perform. To the extent that the amount of time required to provide the services described in this letter increases due to such changes, our fee may need to be adjusted. We will discuss such circumstances with you prior to performing the additional work.

**Other fees**

You also agree to compensate us for any time and expenses, including time and expenses of legal counsel, we may incur in responding to discovery requests or participating as a witness or otherwise in any legal, regulatory, or other proceedings that we are asked to respond to on your behalf.

**Finance charges and collection expenses**

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, CliftonLarsonAllen LLP (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

### **How to contact CliftonLarsonAllen LLP:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [BusinessTechnology@CLAconnect.com](mailto:BusinessTechnology@CLAconnect.com)

### **To advise CliftonLarsonAllen LLP of your new email address**

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at [BusinessTechnology@CLAconnect.com](mailto:BusinessTechnology@CLAconnect.com) and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

### **To request paper copies from CliftonLarsonAllen LLP**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to [BusinessTechnology@CLAconnect.com](mailto:BusinessTechnology@CLAconnect.com) and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

### **To withdraw your consent with CliftonLarsonAllen LLP**

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to [BusinessTechnology@CLAconnect.com](mailto:BusinessTechnology@CLAconnect.com) and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

### **Required hardware and software**

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

### **Acknowledging your access and consent to receive and sign documents electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to ‘I agree to use electronic records and signatures’ before clicking ‘CONTINUE’ within the DocuSign system.

By selecting the check-box next to ‘I agree to use electronic records and signatures’, you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify CliftonLarsonAllen LLP as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by CliftonLarsonAllen LLP during the course of your relationship with CliftonLarsonAllen LLP.

From: Ami Ortiz, Director of Business & Finance

Re: Approval of WPS's Second Interim Report for 2020-21

**Recommendation**

It is recommended the Board approve, as part of the consent agenda, Watsonville Prep School's Second Interim Report, as required by the California Department of Education (CDE).

**Background**

Local educational agencies (LEAs) are required to file two reports during a fiscal year (interim reports) on the status of the LEA's financial health. The first interim report is due December 15 for the period ending October 31. The second interim report is due March 17 for the period ending January 31.

While WPS's charter does not require us to have Board's approval of the interim reports, our authorizer has requested that we do obtain our Board's approval.

**Summary**

It is recommended the Board approve Watsonville Prep School's Second Interim Report for 2020-21, as required by the California Department of Education (CDE).

## Approval of Revised Expansion of In-Person Instruction Plan

**Section:** III. Topical Items  
**Item:** A. Approval of Revised Expansion of In-Person Instruction Plan  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:** Revised Expanded In-Person Instruction Plan.pdf

Date: March 26, 2021  
 To: Navigator Schools Board  
 From: Kevin Sved, CEO  
 Subject: Recommendation to Approve Revised Plan to Expand In-Person Instruction

On March 4, 2021 the Board of Directors approved the proposed plan to Expand In-Person Instruction. Since that time, it became evident that minor modifications to the plan were necessary. The key changes to the plan are described in the table below.

Plan Approved March 4	Proposed Plan March 29
Staff will have the opportunity for the first dose of vaccine before being requested to return to in-class instruction.	No change.
Launch Hybrid for K-4 on April 13 (K may be earlier), 5-8 on April 19.	Launch hybrid for K-2 at WPS on April 13 Launch hybrid for GPS (K-8), HPS (K-8) and WPS (3rd grade) on April 19
Parents choose distance learning or hybrid	No change.
Hybrid program is face to face M-Th, AM / PM, 2hrs 45 min (~8:15 to ~11:00) or (~12:25 to ~3:10)	Hybrid program is face to face M-Th, AM / PM, 2hrs 30-45 min (Scheduling at co-located campuses may require some flexibility.)
Friday schedule for intervention (~8:15 to ~11:00) with 20 students at each grade level with highest academic needs on-site for intervention.	Friday ~8:15a to ~11:00a for hybrid/distance learning, with class community meetings and social emotional learning for all students. Intervention for most vulnerable students will be provided through a combination of on-site, in-person instruction, and distance learning.

The following attachments are provided as supporting material for this recommendation:

- 1) A memo explaining the rationale for the changes to the Friday intervention plan
- 2) The slide deck shared on March 4, 2021 with the plan approved by the board

**Recommendation**

It is recommended that the Board approve the proposed revised plan.

Subject: Proposed Hybrid Intervention on Fridays

At the last board meeting, the Board of Directors voted to hold onsite intervention for our most vulnerable students on Friday mornings at our three schools. After reviewing student academic and SEL needs, we are proposing to adjust and offer a hybrid option for Friday mornings in which some teachers and SGIs are present on campus and others hold distance learning interventions. The reasons for making this adjustment include:

1. More than one third of students need intervention in early grades at all schools
2. Many of our students with highest needs have selected afternoon classes or Distance Learning only instruction which makes it difficult for them to be on-site for intervention on Friday mornings
3. Data collected this month also shows our low ratio distance learning intervention is having a positive impact on student performance and teachers would like to keep this option available
4. By adding distance learning as an option for intervention, more classrooms will be made available for small groups in-person on Friday mornings for lower grades.
5. This model continues to provide a safe space for On Site Distance Learning students to attend on Fridays

After beginning planning in earnest at sites, both site leaders and the instructional staff at all three sites supported this idea of offering both options on Fridays. It increases the number of students we can serve and offers flexibility at the site level to address specific needs. The support office academic team is in support of this adjustment and we feel like it is a more effective way to spend our Fridays for the sake of our students and instructional staff.

To summarize, site leadership teams will look at the local context and have the flexibility to build an on-site and distance learning plan that works best considering their specific needs and resource availability.

- 2) Launch Hybrid for K-4 on April 13 (K may be earlier), 5-8 on April 19.
- 3) Parents choose continued distance learning or hybrid
- 4) Hybrid program is face to face M-Th, AM / PM, 2hrs, 45 min (~8:15 to ~11:00) or (~12:25 to ~3:10)

# Oh what a year it has been....

**School as we know it changed drastically**  
COVID protocols meant we could no longer safely be on campus together

**OSDL introduced as Navigator's latest acronym**  
Every student by name and need was illustrated by the on campus return for our most vulnerable students.

**New School Year - Same Distance Learning**  
Increase in local numbers and lack of vaccine predicated a distance learning only start to the school year

**Back to school day ....Spring style**  
In light of recent COVID trends, increase of vaccine availability, safety protocols, and the educational needs of children, Navigator will begin gradually bringing grades back on campuses

# Safety measures in place

# Testing for Students & Staff

- Navigator Schools will encourage staff to test on a bi-weekly basis, providing information for free testing sites. Staff will be encouraged to make testing appointments during non instructional hours but will provide coverage when necessary. Testing is not required for staff or students
- Staff will be provided with testing locations in all three counties where school sites are located
- Staff who is exhibiting symptoms will need to be tested and isolate according to state guidelines. As the quarantine and testing are steps toward providing a safe environment for all students, staff, and families alternate work responsibilities will be assigned if possible.
- As part of the overall COVID safety protocols staff will be notified if there is a positive case on campus with the next steps for testing and quarantine procedures.

# We will practice safety and minimize risk

- COVID student protocol checklist will be completed by parents each day
- Students and staff temps be taken daily
- Staff will be tested.

- Use of facial coverings for all staff and students per current guidelines
- Masks are available for all staff and students who need them/don't bring their own to use
- Limited exceptions for verified medical conditions.

- Maintain 6 ft distance between individuals at all times
- Students stay in the same groups and classrooms
- No shared materials (e.g. paper, pencils, computers)
- Breaks are held outside with distance between students
- Turn desks to face in the same direction to reduce transmission

- Staff and students sanitize hands when entering and exiting room
- Desks/surfaces are wiped down during breaks and after school

2. All doors and windows should remain open and air circulating constantly.

# What happens if...

- **A student or staff member is exposed to a family member who tests positive**
  - Student/staff sent home and instructed to get tested around day 7 after exposure to case
  - Student/staff instructed to quarantine for full 14 days after date of last exposure (even if they test negative)
- **A staff member or student tests positive**
  - All staff and families will be notified of a positive case (maintaining confidentiality)
  - Any area used by the individual will be cleaned and disinfected
  - The staff and students within the cohort (if applicable) will sent home and quarantined for 14 days from last exposure.
  - Close contacts (within 6 feet for longer than 15 minutes) will also be sent home to quarantine for 14 days
- **A child refuses to wear a mask**
  - all students and families will be given copies of the local ordinances requiring masks. If a child is able to wear a mask and is not doing so for reasons other than health or ability related, a distance learning situation may be best for the child.

# Why reopen campuses now?

Science & need combined = a long awaited ability to provide in-person instruction for all students who want it

- The COVID-19 vaccine & its effects, contagiousness, and safety measures is ever changing with new information being learned & shared daily
- Research continues to show the intense need for students to return to in person instruction
- Spring/warmer weather allows for more outside activities, open window and doors

# What Comes Next - Hybrid Model Proposal

# Guiding Thoughts for Proposed Model

1. **We adopt the ½ day sample schedule below that includes two seventy-five minute sessions and one 15 minute break.**

*Intent:* We believe that daily in-person instruction is best for students

Priority 1: Provide small group instruction daily in math and ELA

Priority 2: DL students receive synchronous instruction daily

2. **Tier 2 twenty students (+/- 5ish) per grade level attend Friday mornings, rest of students DL or asynchronous (equity)**

*Intent:* To provide more intensive learning support to our most struggling students.

Priority 1: Lowest students receive additional intervention time in person on Fridays

Priority 2: All other students receive some synchronous instruction on Friday

3. **Sites have autonomy to have Kindergarten classes engage in on-site activities** (with James or Melissa's support) the week of March 29th.

*Intent:* Kindergarten kids have never been in a Navi classroom and this may be helpful to

Transition

4. **Sites have autonomy to build DL-only programming** (with James/Melissa's support) based on site needs if there is no-network level support (i.e. one third grade ELA teacher for all Navi students in DL-only).

*Intent:* DL only is going to vary by site and grade level and site teams will need to look at the local context / staff capacity to build the DL-only portion

# Best practices from other sites

# What have we learned from other schools

- Use of outdoor spaces
- Remind families of need for minimal external contact
- Need enough assistance for drop off and pick up to ensure smooth transitions
- Staggering start and release times
- Need to have dedicated distance-learning teachers as simultaneous distance learning and live teaching leads to burnout

# Socially distanced school....

# Staff & Organization considerations & needs

# Keeping our organizational culture strong for staff and students

- Wellness Team has set up office hours - team of counselors, psychologists and our 2 wonderful interns offering support for questions/concerns staff may have on behavior, academics or mental health-pertaining to staff or student(s).
- If staff has significant concerns about returning to campus, please share these concerns with your principal or supervisor so you both can collaborate on next best steps
- All staff will be given the opportunity to request a leave if the options for onsite work responsibilities are not feasible for them for medical reasons.

# Expanded In-Person Instruction Plan Summary

- 1) Staff will have opportunity for first dose of vaccine before being required to return to in-class instruction.
- 2) Launch Hybrid for K-4 on April 13 (K may be earlier), 5-8 on April 19.
- 3) Parents choose continued distance learning or hybrid
- 4) Hybrid program is face to face M-Th, AM / PM, 2hrs, 45 min (~8:15 to ~11:00) or (~12:25 to ~3:10)
- 5) Friday schedule for intervention (~8:15 to ~11:00)
